## SUPPLEMENTAL QUESTIONS

1. Provide the name and mailing address of the Company's parent entity referenced in the Company's 104(e) response dated May 18, 2006.

***Response:***

Vulcan Materials Company  
1200 Urban Center Drive  
Birmingham, AL 35242

See attached Exhibit 121.

2. In the Company's 104(e) response dated May 18, 2006, California Materials Company is shown as a former owner of the properties at 9361 Glenoaks Blvd. and 9228 Tujunga Avenue. Describe the corporate affiliation, if any, between CalMat Co. and California Materials Company. Provide copies of all documents evidencing such affiliation(s), including, but not limited to, merger agreements, asset or stock purchase agreements, joint venture agreements and fictitious business name filings.

***Response:***

There are at least 2 separate corporations listed with the California Secretary of State as using, at different times, the name "California Materials Company," Corporation Nos. C0671493 and C0171169.

Corporation No. C0671493 was incorporated on December 29, 1972 and dissolved in 1999. This corporation was a subsidiary of Conrock Co./CalMat Co.

Corporation No. C0171169 was incorporated in 1937, changed its name to Bancroft Associates in 1961, and was dissolved in 1962, according to the Secretary of State's records.

A Certificate of Ownership and Merger (Exhibit 123) indicates merger between "California Materials Company," a wholly owned subsidiary, and Conrock Co., dated December 20, 1972, and was filed with the Secretary of State on December 29, 1972.

3. The Company's May 18, 2006 104(e) response also shows California Portland Cement Company as a former owner of the properties at 9361 Glenoaks Blvd. and 9228 Tujunga Avenue. The Corporation Grant Deed recorded December 23, 1987 shows California Portland Cement Company as a wholly-owned subsidiary of the Company. Describe the current and historical corporate affiliation between CalMat Co. and California Portland Cement Company. Provide copies of all documents evidencing such affiliation(s), including, but not limited to, merger agreements, asset or stock purchase agreements, joint venture agreements and fictitious business name filings.

***Response:***

CalMat Co. acquired California Portland Cement Company (CPC) on June 27, 1984 and maintained CPC as a subsidiary until it sold CPC in 1990. See attached Exhibit 124.

4. The Corporation Grant Deed recorded December 23, 1987 shows California Portland Cement Company transferring to CalMat Land Co. four parcels of property. Identify the current locations of the parcels of property associated with APN 2408-036-001 and APN 2538-022-020, both by street address and on a map.

***Response:***

APN 2538-022-020 is not associated with a postal address. See attached Exhibit 2, including map.

According to available information from the Los Angeles County Assessor's office, there is no record of APN 2408-036-001. We believe this parcel reference refers to the property located at 8946 Bradley Avenue, Sun Valley, CA 91352. CalMat Co. sold this property in June 1995. See attached Exhibits 1-2.

5. Information obtained by EPA indicates that the Company owns and operates property associated with the CalMat Class III Disposal Site (also referred to as the CalMat Inert landfill) at 9436 Glenoaks Blvd. Sun Valley, California. If so, provide the dates the Company, its predecessors, subsidiaries and/or affiliates have owned or operated this landfill, and describe the types of operations conducted and types of waste accepted.

***Response:***

Historic Operations:

The Company believes that CPC had been the owner of three parcels of this property since approximately in the 1940s, until Conrock purchased it in 1979. See attached Exhibits 44-45. The company also believes that mining was conducted on the property until approximately 1983, when landfill use commenced in addition to the existing extraction operations. It is believed that extraction continued past 1991.

Waste Characteristics:

The CalMat inert waste landfill receives uncontaminated soils, rock, brick, clay tile, concrete block, concrete, and asphalt. No liquid wastes are received at the site (Zeller, personal communication, 2007).

6. Information obtained by the EPA indicates that the Company may have formerly owned and/or operated property associated with the Penrose Dump/Penrose Landfill (also referred to as the Penrose Pit or the Penrose Sanitary Landfill) located at approximately 8145-8300 Tujunga Avenue., Sun Valley, California. If so provide the dates the Company, its predecessors, subsidiaries and/or affiliates owned or operated this landfill,

identify the parcels of property at which this landfill operated, the acreage of the landfill, and describe the types of operations conducted and types of waste accepted.

***Response:***

Conrock Co. owned the 70.69 acre property, identified as APN 2311-002-001 and 2311-002-002, until 1974. See attached Exhibits 81-82, 84. In or about March 1974, Conrock Co. sold 24 acres of the property to Los Angeles By-Product Co. for landfill use. See attached Exhibits 82-83.

During the Company's ownership of the property, it was largely operated by Blue Diamond Co. for mining and excavating and by Los Angeles By-Products, Co., for landfill use. Conrock terminated its lease with Blue Diamond Co. in 1967, and had been leasing portions of the site to Los Angeles By-Products Co. at least since 1972. See attached Exhibit 83.

We believe that inert construction debris was accepted at this site.

7. Information obtained by EPA indicates that the Company also may have formerly owned and/or operated property associated with the (a) the Branford Landfill located at or near 12456 Branford Street, Sun Valley, California, and (b) the Louis Visco landfill located at or near 9050 and 9116 Bradley Ave. Sun Valley, California. If so, provide the dates the Company, its predecessors, subsidiaries and/or affiliates owned or operated the landfills referenced above, identify the parcels of property at which each landfill operated, the acreage of each landfill, and describe the types of operations conducted and types of waste accepted at each landfill.

***Response:***

(a) Branford Landfill, 12456 Branford Street, Sun Valley, California

Historical Operations and Ownership Information:

The Company never used the 12.53 acre property, identified as APN 2629-001-001, for landfill purposes. The Company's records indicate that a portion of the 12.53 acres was used by several independent parties, including Byers Tree Firewood Service. See attached Exhibits 9, 10. In 1999, this 12.53 acre site was sold to Sunquest Development, LLC, an unaffiliated company. See attached Exhibits 12-15.

Prior to the 1940's, the Company used property adjacent to the 12.53 acres for mining operations. In the 1940's, the City of Los Angeles (City) acquired title to this site for landfill use to an unknown time period (Personal communication, George Crosby, 2007; See also Exhibit 15). Following the City's use, the City attempted to convey the site back to the Company. The Company disclaimed and challenged the conveyance and never reacquired title to same. See attached Exhibit 11. The Company believes that the City sold some or all of the property adjacent to the 12.53 acres to Sunquest in 2001.

Waste Characteristics:

The Company has no information regarding the types of waste accepted at this site.

(b) Louis Visco Landfill, 8960 Bradley Ave., Sun Valley, California

Historical Operations and Ownership Information:

Prior to CalMat ownership, it is believed that the approximate 5.5 acre Louis Visco Landfill, identified as APN 2408-036-048, was operated by an unaffiliated company owned by Louis Visco. See attached Exhibits 6, 8. The property was also referred to as Bradley Landfill East (personal communication, George Cosby, 2007). CPC owned the property and, in 1956, it appears to have been leased to A-1 Auto Wrecking, Inc., for auto dismantling use. See attached Exhibit 3. It is unknown if the entire site was used for auto dismantling purposes from the 1950's to the 1990's. It is unclear as to how CalMat Co. acquired ownership of the property. In 1994, CalMat Co. leased the property to Crown Disposal Co., Inc. for storage use until 1998. See attached Exhibits 4-5. In 1995, CalMat Co. sold a portion of the property (now known as the Leбата site) located at 8946 Bradley Avenue to an unrelated third-party.

A review of aerial photographs reveals much of the following information (see Exhibit 7):

1929 - No mining activities occurred at the site. The site is vacant and probably was used as open range land for cattle.

1937 - The site was used for sand and gravel mining.

1939 - Mining activities at the site appear to have ceased. Between 1939 and 1952, the open pit on the site remained open and appeared to be used as a silt pond for the aggregate processing plant located on the adjacent parcel to the northwest (Gregg Pit).

1952 - Backfilling of the open pit on the site began and continued through 1956.

1956 - The open pit on the site was completely filled and the site appeared vacant.

Waste Characteristics:

We believe that, during landfill use, the site accepted various non-hazardous solid wastes, such as rock, concrete, metal, and wood debris.

8. Environmental Data Resources (EDR) reports dated May 2006 and supplied by the Company in its 104(e) response suggest that the Company or its affiliated entities have owned and/or operated additional facilities in the San Fernando Valley/North Hollywood area. Provide a complete list of all facilities in the San Fernando Valley/North Hollywood area which have been owned and/or operated by the Company, its predecessors, subsidiaries and/or affiliates.

***Response:***

Other than the CalMat Inert landfill and Louis Visco Landfill described above, and the facilities at 7361 Laurel Canyon Blvd., 9361 Glenoaks Blvd., and 9228 Tujunga Avenue, the Company or its predecessors owned or operated the following facilities: Penrose Pit (APN 2311-002-001 and 2311-002-002), Tuxford Pit (APNS 2632-011-010, 2632-011-011, 2632-011-012), Sun Valley Plant, Bradley landfill, CalMat Pit (APN 2538-011-013, 2538-011-014, 2538-011-018, and 2538-011-019), Sheldon Pit, and Boulevard Pit.

9. In its 104(e) response, the Company identifies several individuals as current or former employees of Valley Reclamation Company, and includes correspondence from the California Waste Management Board to Valley Reclamation Company at CalMat Co.'s corporate address, 3200 San Fernando Road. Describe the corporate affiliation, if any, between CalMat Co. and Valley Reclamation Company and provide copies of all documents evidencing such affiliation(s), including, but not limited to, merger agreements, asset or stock purchase agreements, joint venture agreements and fictitious business name filings. If a corporate or other affiliation existed, state whether Valley Reclamation Company was the operator of any landfills or other facilities in San Fernando Valley/North Hollywood area, and identify the name, location and dates of operation of each such landfill or other facility.

***Response:***

The Company is unsure of the corporate history of Valley Reclamation Company (VRC) prior to approximately 1980. See attached Exhibits 85-88, 90. By 1980, it appears that VRC was a wholly owned subsidiary of Conrock Co. As a result of the 1984 transaction in which Conrock Co. changed its name to CalMat Co., VRC became a subsidiary of CalMat Co.

VRC leased and operated a portion of the Bradley Landfill site, located at 9227 Tujunga Ave., for landfill use. The Company is unsure when VRC began leasing and/or operating a landfill at the Bradley Landfill site. See attached Exhibits 89.

In June 22, 1979, Conrock Co. put the property in trust for City of Los Angeles. See attached Exhibit 90. It is unknown if this transaction altered operations at the site.

In December 1986, CalMat sold VRC to Waste Management, Inc. As part of this transaction, CalMat and VRC entered an Operating License Agreement for VRC to be the exclusive operator on the Bradley Landfill site. See attached Exhibit 96. Title to the property was conveyed to VRC from CalMat Co. on December 31, 1986. See attached Exhibits 97-100, 102-104. At or around this same time, CalMat Co. announced in it would sell all of its outstanding stock of VRC to Waste Management Inc., and VRC would purchase Parcels 1, 2, and 3 of the VRC landfill property from CalMat Co. See attached Exhibits 91-92, 97-100. Waste Management Inc. completed the acquisition of VRC in or about 1987. See attached Exhibits 93-95, 101.

10. The Company's 104(e) response provides documentation which shows that "Conrock" leased the property at 7361 Laurel Canyon Blvd. to Los Angeles By-Products Co., who operated it as a Class II landfill from 1962-1975. However, your response also states that

“Conrock” was the operator of this property as of April 1972. Please (a) state whether “Conrock” refers to Conrock Co., a former name of CalMat Co., and (b) explain the apparent discrepancy in which entities were operating at the property during the time period 1962 to 1975. Clearly explain whether CalMat Co. or any of its predecessors operated a landfill at this location and provide a timeline of the landfill’s operators.

***Response:***

(a) “Conrock” refers to Conrock Co., a former name of CalMat Co.

(b) From 1962 to 1975, Conrock Co. owned the Laurel Canyon Blvd. Property and leased the site to Los Angeles By-Products, Co., a tenant. See attached Exhibits 49-52. The property operated under a 10-year Zone Variance granted to Consolidated Rock Products Co. for landfill use from 1962 to 1972. See attached Exhibit 52. Only non-hazardous solid waste and inert waste were accepted in the landfill; no liquid or hazardous wastes were accepted. It appears that the landfill was officially closed in 1975.

11. In the Company’s 104(e) response, it states that automobiles first began to appear at the 9228 Tujunga Ave. facility in 1989 and provides a copy of a 1993 lease agreement showing Pick Your Part Auto Wrecking (“Pick Your Part”) as the lessee at this property. Information supplied to EPA indicates that Pick Your Part began operating at 9228 Tujunga Avenue in approximately 1981. State whether Pick Your Part or any of its predecessors were operating at this property at the time the property was purchased by CalMat Land Co. in 1987. Identify all other operators of this property prior to 1993 and describe the types of operations conducted.

***Response:***

Pick Your Part Auto Wrecking was operating on the Tujunga Avenue property (Exhibit 43) in 1987.

California Portland Cement Company acquired the property in early 1960s. See attached Exhibits 106-107. CPC leased the property to tenant Sun Valley Pick Your Part Auto Wrecking for wrecked auto salvage, storage, and dismantling uses beginning in April 1979, and amended the lease in 1981 to enlarge the leased area. Subsequent Pick Your Part leases include July 1982 to March 31, 1983. See attached Exhibit 112.

Other suspected operators of this property prior to 1993 include A-1 Scrap, Inc. (Exhibits 109, 114, 116), Agop Berghoudian (Exhibit 114), Champion Auto Parts (Exhibit 115), Crossroads Chevrolet (Exhibit 115), John D. Gregg and Lucela C. Gregg (Exhibit 105), EZ Auto (Exhibit 115), M&N Auto Dismantlers (Exhibit 115), Paul Psik (Exhibits 111, 113, 114), Pick Your Part Auto Wrecking (Exhibit 112, 117), and Insurance Salvage Service (Exhibit 108, 110).

12. In the Company’s 104(e) response, it states that beginning in 1965, automobiles were stored at the 9361 Glenoaks Blvd. facility, and that auto dismantling operations expanded through the 1970’s until the property was almost completely filled with automobiles as of 1982 and remained so at least through 2002. Identify all operators at this facility from the

time period that the Gregg Pit/Bentz dump closed in 1966 until the Company sold this property in 1988.

***Response:***

The following suspected operators of this property (Exhibit 43) from 1966 to 1988 include:

A-1 Scrap Inc. (tenant; Exhibit 38), Aaron Auto Wrecking (tenant; Exhibits 38, 40), Arutyun Aladjian and Gevork Avakian (tenant; Exhibit 28), All Auto Parts, Inc. (tenant; Exhibits 24, 38), Gary Avakian and Avedis Berghoudian/Save-On Auto Parts and Salvage Inc. (tenant; Exhibits 31, 35), Cecil Cushen (tenant; Exhibit 40), Century Auto Salvage (tenant; Exhibit 38), Crossroads Chevrolet (tenant; Exhibit 38), Crown Disposal Co. (subtenant; Exhibit 33), Elite Auto Parts Company (tenant; Exhibit 34), EZ Auto Sales and Auto Parts (tenant; Exhibit 38), Hagop A. Hairabedian (subtenant; Exhibit 27), Insurance Salvage Service (tenant; Exhibits 18, 22, 23, 25), Pacific Coast Roof Corporation (tenant; Exhibits 16, 38, 39), Nick Pavitch (tenant/subtenant; Exhibits 26, 27, 33), Pick Your Part Auto Wrecking (tenant; Exhibits 36, 37), Sam's Auto Salvage and Auto Wrecking (tenant; Exhibit 32), Martin Sklar/Sun Valley Wrecking (tenant; Exhibits 17, 19, 21, 26, 29, 38), and Sun Valley Auto Parts (tenant; Exhibit 20).

13. To the best of the Company's knowledge, identify all former operators of the landfill commonly referred to as the Gregg Pit/Bentz Dump, including the last known contact information and status of each operator.

***Response:***

The Company understands that the Gregg Pit/Bentz Dump encompassed the Glenoaks facility at 9361 Glenoaks Blvd. The Company is unsure if the 9268 Tujunga Blvd. facility also comprised the Gregg Pit/Bentz Dump.

The Company believes that John D. Gregg and Lucela C. Gregg (owners prior to 1949; Exhibit 105) operated a landfill at the Gregg Pit/Bentz Dump. The Company has been unable to determine if others also operated this site as a landfill.

In the Company's 104(e) response dated May 18, 2006, the Company indicates that Consumers Rock and Gravel Company is a predecessor in interest to CalMat Co. The response also shows that a company called Consumers Rock & Gravel Co. is a former owner of the property at 7361 Laurel Canyon Blvd. State whether these refer to the same company and describe the corporate affiliation between CalMat Co. and Consumer Rock & Gravel Co. Provide copies of all documents evidencing such affiliation(s), including, but not limited to, merger agreements, asset or stock purchase agreements, joint venture agreements and fictitious business name filings. In addition, indicate the business structure(s) of Consumer Rock and Gravel Company (and/or Consumers Rock & Gravel Co.) from its formation to the present, and the dates the company operated under each business structure.

***Response:***

Consumer Rock and Gravel Company and Consumer Rock and Gravel Co. are the same entity.

Consumers Rock & Gravel Company, Inc. was a wholly owned subsidiary of Consolidated Rock Products Co. In April 1972, Consolidated Rock Products Co. was

renamed Conrock Co. See attached Exhibit 122. Conrock Co. changed its business name to CalMat Co. in 1984. See attached Exhibit 122.

In its 104(e) response dated May 18, 2006, the Company states that its ownership of the Laurel Canyon facility began with the acquisition of the property by Consumer Rock and Gravel Company in October 1923, but provides little information about the operations conducted. Provide complete information about the types of operations conducted at the Laurel Canyon facility by the Company, its predecessors, subsidiaries and/or affiliates from 1923 to the present. Describe the types of operations conducted, and provide a timeline of operations and the entities which operated during those time periods. Also indicate whether the Company or any of its predecessors, subsidiaries or affiliates continued operations at the Laurel Canyon facility after the Master Lease Agreement between CalMat Properties Co. and Laurel Canyon Holding, LLC was executed in December 2001.

***Response:***

History of Laurel Canyon Facility:

Consumers Rock and Gravel Co. purchased what appears to be the property from Thomas M. Todd on October 11, 1923. See attached Exhibits 46-47. Consumers Rock and Gravel Co. acquired another portion of what appears to be the property on in 1923 from Fred W. Heatherly. See attached Exhibit 48. Sand and aggregate mining operations began on the property approximately in 1923.

From approximately 1962 to 1975, Conrock Co. owned the Laurel Canyon Blvd. Property and leased the site to Los Angeles By-Products, Co., a tenant. See attached Exhibits 49-52. The property operated under a 10-year Zone Variance granted to Consolidated Rock Products Co. for landfill use from 1962 to 1972. See attached Exhibit 52. Only non-hazardous solid waste and inert waste were accepted in the landfill; no liquid or hazardous wastes were accepted. The landfill was officially closed in 1975. Since landfill operations ceased, the site has been leased by the Company to tenants for predominately auto and mini-storage businesses.

**MONTH-TO-MONTH  
LEASE AGREEMENT**

THIS AGREEMENT (hereinafter called "Lease") is entered into this 16th day of March 1994, by and between CALMAT PROPERTIES CO., a California corporation (hereinafter called "Landlord"), and CROWN DISPOSAL CO., INC., a California Corporation (hereinafter called "Tenant").

**RECITALS**

A. Landlord is the Owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California (the "Premises"), consisting of approximately .82 acres, located south/east of south end of Pendleton Street in Sun Valley as shown on the Map attached hereto and incorporated herein as Exhibit "A".

B. Tenant desires to lease from Landlord, and Landlord desires to let to Tenant, the Premises, upon the following terms and conditions:

**AGREEMENT**

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises.

2. Term. The term of this Lease shall be month-to-month commencing on March 17, 1994. This lease may be terminated by either party upon at least thirty (30) days written notice thereof to the other party.

3. Rental. Tenant shall pay to Landlord a monthly rental of TWO THOUSAND EIGHT HUNDRED DOLLARS (\$2,800.00) per month, payable in advance on the first day of each calendar month during the term hereof. If this Lease commences on a date other than the first day of a calendar month, rent for the first month shall be pro-rated. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Late Charges. Tenant's failure to pay rent may cause Landlord to incur unanticipated costs. The exact amount of such costs are impractical or extremely difficult

to ascertain. Such costs may include, but are not limited to, processing and accounting charges and late charges which may be imposed on Landlord by any ground lease, mortgage or trust deed encumbering the Property. Therefore, if Landlord does not receive any rent payment within ten (10) days after it becomes due, Tenant shall pay Landlord a late charge equal to ten percent (10%) of the overdue amount. The parties agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of such late rent payment.

5. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of FIVE THOUSAND DOLLARS (\$5,000.00), which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied a aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the above-mentioned amount.

6. Improvements to the Premises. Tenant leases the Premises and the improvements thereon, if any, in an "as-is" condition. Tenant shall not construct improvements to the Premises, except as it deems necessary for its security.

7. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except for storage of rubbish disposal boxes, vehicles and related equipment. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, state and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. Tenant shall not occupy or use the Premises during the term of this Lease in such manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use.

8. Hazardous Material/Waste. Tenant, at its sole cost and expense, shall comply with all laws, rules, and regulations, orders and the like relating to the storage, use, and/or disposal of hazardous, toxic or radioactive matter, including those materials identified in Sections 66680 through 66685 of Title 22 of the California Administrative Code, Division 4, Chapter 30 ("Title 22") as amended from time to time (collectively "Toxic Materials"). Tenant shall not cause or permit any Toxic Materials to be brought upon, kept, stored, used or disposed of in or about the Premises or the parking facilities or common areas serving the Premises by Tenant, its agents, employees, contractors or invitees, without the prior written consent of Landlord, which consent Landlord may withhold in its sole

discretion. Tenant's breach of the covenants contained herein shall constitute a material default under this Lease. Tenant shall be solely responsible for and shall defend, indemnify and hold Landlord, Landlord's agents and the Premises harmless from and against all claims, costs and liabilities, including attorneys' fees and costs, arising out of or in connection with the presence, storage, use or disposal of Toxic Materials in, on or under the Premises and/or any adjacent property. Tenant shall further be solely responsible for and shall defend, indemnify and hold Landlord, Landlord's agents and the Premises harmless from and against all claims, costs and liabilities, including attorneys' fees and costs, arising out of or in connection with the removal of Toxic Materials from the Premises and/or any adjacent property, including without limitation, any and all restoration work and materials necessary to return the Premises and any other property of whatever nature to their condition existing prior to the appearance of the Toxic Materials on the Premises. Tenant's obligations hereunder shall survive the termination of this Lease.

The foregoing obligations of Tenant to defend, indemnify and hold Landlord harmless shall not apply to the extent Toxic Materials may be present in on or under the Premises prior to possession or occupancy of the Premises by \tenant. Landlord and Tenant acknowledge that, based upon an inspection of the Premises, there is no evidence of the presence of Toxic Materials in, on or under the Premises at the time of Tenant's taking possession thereof.

9. Maintenance and Repair. Tenant leases Premises in "as-is" condition bases upon its own independent investigation and not on any warranty of Landlord express or implied. Tenant's taking possession of the Premises shall constitute Tenant's acceptance of the condition of same. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term

hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Without limiting other provisions of this Lease, all damage caused by removal of trade fixtures by Tenant shall be promptly repaired to Landlord's reasonable satisfaction by Tenant before the termination date of this Lease. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code Sections 1941 and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense clean up and remove from the Premises all personal property, rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repair by Tenant to Landlord.

10. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises

and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

11. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. Section 651 et seq., the Federal Mine Safety and Health Act of 1977, 30 U.S.C. Section 801 et seq., and the California Occupational Health and Safety Act of 1973, Labor Code Section 6300 et seq. (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises.

12. Indemnification and Exculpation of Landlord. Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the

occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

13. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Workers' Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than One Million Dollars (\$1,000,000.00) combined single limit. All such public liability and property damage policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name Landlord as an additional insured, shall provide for at least thirty (30) days' notice to Landlord in the event of cancellation or termination, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

14. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises. Any attempted assignment, sublease, or encumbrance shall be void and of no force and effect.

16. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, telephone, gas, water and all similar charges which may accrue with respect to the Premises during the term of this Lease.

19. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses from the other party.

20. Waiver of Performance. The failure of Landlord to insist upon performance of any of the conditions of this Lease in any one or more instances shall not be a waiver thereafter of the right to full performance of all of the agreements of Tenant herein set forth, and of all conditions, when any performance is due.

21. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

22. Real Estate Brokers; Finders. Each party represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

23. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first-above written.

THIS AGREEMENT (hereinafter called "Lease") is entered into this 16th day of March 1994, by and between CALMAT PROPERTIES CO., a California corporation (hereinafter called "Landlord"), and CROWN DISPOSAL CO., INC., a California Corporation (hereinafter called "Tenant").

**RECITALS**

A. Landlord is the Owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California (the "Premises"), consisting of approximately .82 acres, located south/east of south end of Pendleton Street in Sun Valley as shown on the map attached hereto and incorporated herein as Exhibit

B. Tenant desires to lease the Premises and Landlord desires to lease the Premises on the following terms:

*CROWN DISPOSAL CO., INC.*  
*Not Prec.*

Tenant desires to lease the Premises on the following terms:

This lease may be terminated by either party at least thirty (30) days written notice to the other party.

3. Rental. Tenant shall pay to Landlord a monthly rental of TWO THOUSAND EIGHT HUNDRED DOLLARS (\$2,800.00) per month, payable in advance on the first day of each calendar month during the term hereof. If this Lease commences on a date other than the first day of a calendar month, rent for the first month shall be pro-rated. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Late Charges. Tenant's failure to pay rent may cause Landlord to incur unanticipated costs. The exact amount of such costs are impractical or extremely difficult

to ascertain. Such costs may include, but are not limited to, processing and accounting charges and late charges which may be imposed on Landlord by any ground lease, mortgage or trust deed encumbering the Property. Therefore, if Landlord does not receive any rent payment within ten (10) days after it becomes due, Tenant shall pay Landlord a late charge equal to ten percent (10%) of the overdue amount. The parties agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of such late rent payment.

5. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of FIVE THOUSAND DOLLARS (\$5,000.00), which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied a aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the above-mentioned amount.

6. Improvements to the Premises. Tenant leases the Premises and the improvements thereon, if any, in an "as-is" condition. Tenant shall not construct improvements to the Premises, except as it deems necessary for its security.

7. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except for storage of rubbish disposal boxes, vehicles and related equipment. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, state and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. Tenant shall not occupy or use the Premises during the term of this Lease in such manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use.

8. Hazardous Material/Waste. Tenant, at its sole cost and expense, shall comply with all laws, rules, and regulations, orders and the like relating to the storage, use, and/or disposal of hazardous, toxic or radioactive matter, including those materials identified in Sections 66680 through 66685 of Title 22 of the California Administrative Code, Division 4, Chapter 30 ("Title 22") as amended from time to time (collectively "Toxic Materials"). Tenant shall not cause or permit any Toxic Materials to be brought upon, kept, stored, used or disposed of in or about the Premises or the parking facilities or common areas serving the Premises by Tenant, its agents, employees, contractors or invitees, without the prior written consent of Landlord, which consent Landlord may withhold in its sole

discretion. Tenant's breach of the covenants contained herein shall constitute a material default under this Lease. Tenant shall be solely responsible for and shall defend, indemnify and hold Landlord, Landlord's agents and the Premises harmless from and against all claims, costs and liabilities, including attorneys' fees and costs, arising out of or in connection with the presence, storage, use or disposal of Toxic Materials in, on or under the Premises and/or any adjacent property. Tenant shall further be solely responsible for and shall defend, indemnify and hold Landlord, Landlord's agents and the Premises harmless from and against all claims, costs and liabilities, including attorneys' fees and costs, arising out of or in connection with the removal of Toxic Materials from the Premises and/or any adjacent property, including without limitation, any and all restoration work and materials necessary to return the Premises and any other property of whatever nature to their condition existing prior to the appearance of the Toxic Materials on the Premises. Tenant's obligations hereunder shall survive the termination of this Lease.

The foregoing obligations of Tenant to defend, indemnify and hold Landlord harmless shall not apply to the extent Toxic Materials may be present in on or under the Premises prior to possession or occupancy of the Premises by \tenant. Landlord and Tenant acknowledge that, based upon an inspection of the Premises, there is no evidence of the presence of Toxic Materials in, on or under the Premises at the time of Tenant's taking possession thereof.

9. Maintenance and Repair. Tenant leases Premises in "as-is" condition bases upon its own independent investigation and not on any warranty of Landlord express or implied. Tenant's taking possession of the Premises shall constitute Tenant's acceptance of the condition of same. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term

hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Without limiting other provisions of this Lease, all damage caused by removal of trade fixtures by Tenant shall be promptly repaired to Landlord's reasonable satisfaction by Tenant before the termination date of this Lease. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code Sections 1941 and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense clean up and remove from the Premises all personal property, rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repair by Tenant to Landlord.

10. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises

and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

11. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. Section 651 et seq., the Federal Mine Safety and Health Act of 1977, 30 U.S.C. Section 801 et seq., and the California Occupational Health and Safety Act of 1973, Labor Code Section 6300 et seq. (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises.

12. Indemnification and Exculpation of Landlord. Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the

occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

13. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Workers' Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than One Million Dollars (\$1,000,000.00) combined single limit. All such public liability and property damage policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name Landlord as an additional insured, shall provide for at least thirty (30) days' notice to Landlord in the event of cancellation or termination, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

14. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

15. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises. Any attempted assignment, sublease, or encumbrance shall be void and of no force and effect.

18. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

20. Waiver of Performance. The failure of Landlord to insist upon performance of any of the conditions of this Lease in any one or more instances shall not be a waiver thereafter of the right to full performance of all of the agreements of Tenant herein set forth, and of all conditions, when any performance is due.

21. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

22. Real Estate Brokers; Finders. Each party represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

23. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first-above written.

MONTH TO MONTH TENANCY AGREEMENT

THIS AGREEMENT (hereinafter called "Lease") is entered into this 2 day of ~~July~~<sup>AUG</sup>, 1983, by and between CONROCK CO., a Delaware corporation (hereinafter called "Landlord"), and OLIN BYERS and KATHRYN BYERS dba BYERS TREE FIREWOOD SERVICE (hereinafter called "Tenant").

RECITALS

A. Landlord is the owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California (the "Premises"), consisting of approximately 2.4 acres as shown in blue on the map attached hereto and incorporated herein as Exhibit "A".

B. Tenant desires to lease from Landlord and Landlord desires to let to Tenant, the Premises, upon the following terms and conditions.

AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises.

2. Term. The term of this Lease shall be month to month commencing on September 1, 1983.

3. Rental. Tenant shall pay to Landlord a monthly rental of Seven Hundred Fifty Dollars (\$750.00) per month, payable in advance on the first day of each calendar month during the term hereof. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits

with Landlord the sum of Seven Hundred Fifty Dollars (\$750.00) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the above-mentioned amount.

5. Improvements to the Premises. Tenant leases the Premises "as is". Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its own use; provided, however, that improvements which cost more than Five Hundred Dollars (\$500.00) shall not be made without Landlord's prior written approval. In the event such approval is given, construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of

this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

6. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except storage of firewood. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, State and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease.

7. Maintenance and Repair. Tenant leases Premises in an "as is" condition based upon its own independent investigation and not on any warranty of Landlord express or implied. Tenant's taking possession of the Premises shall constitute Tenant's acceptance of the condition of same. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives provisions of law, including Civil Code §§1941 and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such

repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense clean up and remove from the Premises all rubbish and debris and property required to be removed and turn over the Premises to Landlord in good order and in a safe sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals or do such work as shall be required to return the Premises to an orderly and safe and sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

8. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

9. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., and the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq.,

(referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises. Without limitation, Tenant agrees to indemnify and hold harmless Landlord from any liability, claims or damages arising as a result of a breach of the foregoing agreement and from all costs, expenses and charges arising therefrom, including, without limitation, attorneys' fees and court costs incurred by Landlord in connection therewith.

10. Indemnification and Exculpation of Landlord.

Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises.

Tenant waives all claims against Landlord for damage to person or property arising for any reason.

11. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Worker's Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than One Million Dollars (\$1,000,000.00) combined single limit. All such public liability and property damage policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name Landlord as an additional insured, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

12. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

To Landlord: Conrock Co.  
3200 San Fernando Road  
Los Angeles, CA 90065

To Tenant: Byers Tree Firewood Service  
13222 Kagel Canyon Street  
Pacoima, CA 91311

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified or registered mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

13. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises. Any attempted assignment, sublease, or encumbrance shall be void and of no force and effect.

14. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas and all similar charges which may accrue with respect to the Premises during the term of this Lease.

15. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord.

16. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

17. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either

party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses from the other party.

18. Waiver of Performance. The failure of Landlord to insist upon performance of any of the conditions of this Lease in any one or more instances shall not be a waiver thereafter of the right to full performance of all of the agreements of Tenant herein set forth, and of all conditions, when any performance is due.

19. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

20. Real Estate Brokers; Finders. Each party represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

21. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first above written.

AGREEMENT

This agreement ("Agreement") is made this 14 day of OCT., 1987, between Olin Byers and Cathryn Byers, dba Byers Tree Firewood Service, hereinafter called "Byers," and CalMat Co., hereinafter called "CalMat."

Recitals

A. Byers and CalMat are Tenant and Landlord, respectively, under a month to month lease ("Lease") dated August 2, 1983 of certain real property in the Sun Valley area of the City of Los Angeles on Bradford Street between San Fernando Road and Laurel Canyon Boulevard (the "Premises").

B. CalMat has entered into an agreement to sell the Premises to a third party. Said third party will not accept the Premises while the Lease is in existence or while Tenant is otherwise in possession of the Premises.

C. As an accommodation to Byers, CalMat has agreed to postpone the date of the sale of the Premises so as to allow Byers additional time beyond the otherwise required thirty (30) day notice period to sell Byers' inventory of firewood on the Premises and vacate the Premises.

D. Byers desire to sell to CalMat, and CalMat desires to buy, all of the firewood, if any, remaining on the Premises as of February 15, 1988.

## Agreement

1. Byers and CalMat agree that the Lease shall terminate as of February 15, 1988.
2. Byers agrees to sell, and CalMat agrees to buy, FOB the Premises, all firewood, if any, remaining on the Premises as of February 15, 1988, for the sum of Ten Dollars (\$10.00), receipt of which is hereby acknowledged.
3. Byers hereby agrees to vacate the Premises not later than February 15, 1988 and authorizes CalMat Co. to enter upon the Premises on or after February 15, 1988 to remove the firewood purchased hereunder.
4. Byers acknowledges that CalMat has accommodated Byers by postponing the sale of the Premises to a third party to a date after February 15, 1988, that CalMat will incur additional costs and risk by such postponement, that CalMat could otherwise terminate the Lease on thirty (30) days' notice issued at any time, and that considering the totality of circumstances, the agreed upon sum of \$10.00 is a fair and reasonable sum for said firewood, if any, which is subject to the sale evidenced herein.
5. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party for reason of any breach or alleged breach of the other party of this Agreement, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses, including attorneys' fees, from the other party.

# PURCHASE AND SALE AGREEMENT AND JOINT ESCROW INSTRUCTIONS

**THIS PURCHASE AND SALE AGREEMENT AND JOINT ESCROW INSTRUCTIONS** (this "Agreement") is made this 9<sup>th</sup> day of March, 1999 by and between **CALMAT LAND CO.**, a California corporation ("Seller"), and **SUNQUEST DEVELOPMENT LLC**, a California limited liability company ("Buyer").

## RECITALS

A. Seller is the owner of the following parcel of vacant land in Sun Valley, County of Los Angeles, State of California: approximately 12.53 acres located at 12450 Branford Street, APN 2629-001-001, as described in Exhibit "A" attached hereto and incorporated herein (the "Property").

B. Seller desires to sell and Buyer desires to purchase the Property, for the consideration and on the other terms and conditions hereinafter set forth.

## AGREEMENT

1. **Purchase and Sale.** Seller agrees to sell, convey and deliver to Buyer and Buyer agrees to purchase and accept from Seller, the Property, on the terms and conditions contained hereinafter.

2. **Purchase Price.** The purchase price ("Purchase Price") for the Property is Five Million Three Hundred Twenty-One Thousand Six Hundred Sixteen Dollars (\$5,321,616.00). The Purchase Price shall be paid by Buyer as follows:

(a) Deposit by Buyer into escrow upon opening of escrow of One Hundred Twenty-Five Thousand Dollars (\$125,000.00) (the "Initial Deposit") by certified check drawn on a California bank approved by Seller. On or before the expiration of the "Due Diligence Period" (defined below), Buyer shall deposit into escrow an additional Twenty-Five Thousand Dollars (\$25,000.00) (the "Additional Deposit") by certified check drawn on a California bank approved by Seller. The Initial Deposit and the Additional Deposit, together with any interest earned thereon, are together referred to herein as the "Deposit". Any failure by Buyer to timely make the Initial Deposit or the Additional Deposit shall be a material default of Buyer hereunder, and shall entitle Seller to terminate and cancel this Agreement, in addition to all other remedies of Seller. The Deposit will be nonrefundable to Buyer upon expiration of the Due Diligence Period. The Deposit will be applied to the Purchase Price in the event the purchase and sale of the Property closes as contemplated hereunder.

(b) At least one (1) business day before close of escrow, Buyer shall have on deposit in escrow, in funds immediately available for disbursement to Seller on the date specified for close of escrow, the balance of the Purchase Price, plus any additional amounts required to pay Buyer's expenses as provided below.

3. **Escrow and Closing.** Within five (5) business days after mutual execution by Buyer and Seller of three (3) copies of this Agreement, Buyer and Seller shall open an escrow at Commerce Escrow Company, 1545 Wilshire Boulevard, Los Angeles, California, 90017, Attn: Phil Graf ("Escrow Holder"), in order to consummate the purchase and sale of the Property. A fully executed copy of this Agreement shall be deposited with Escrow Holder and shall constitute the instructions of the parties as to the terms and conditions of escrow. Escrow Holder's "General Provisions" are hereby incorporated by reference. In the event of a conflict between this Agreement and the General Provisions, the terms of this Agreement shall prevail. The escrow shall close on or before 60 days after the expiration of the Due Diligence Period, which date shall be no later than 120 days after the opening of escrow.

4. **Closing Costs.** The cost of a standard CLTA title insurance policy as hereinafter described shall be paid by Seller. If Buyer desires extended coverage and/or an ALTA policy, Buyer shall pay the additional cost of such extended coverage or ALTA policy, as the case may be, over a CLTA policy. In any event, Buyer shall be solely responsible for obtaining any survey necessary. The escrow fee shall be borne one-half by Seller and one-half by Buyer. Seller shall pay all documentary transfer taxes payable in connection with the recordation of the grant deed. Buyer and Seller shall pay, respectively, Escrow Holder's customary charges to Buyer and Seller for drafting, recording and miscellaneous charges.

5. **Election to Exchange.** Both Buyer and Seller agree to accommodate each other in effecting a tax deferred exchange under Internal Revenue Code §1031. Each party shall have the right, expressly reserved herein, to elect a tax deferred exchange at any time before the close of escrow (including, without limiting the foregoing, Seller's right to substitute an accommodating party as seller of the Property); provided, however, that closing the sale of the Property shall not be predicated or conditioned on an exchange or exchanges, and without in any way limiting the foregoing, the closing of escrow for the Property as provided herein shall not be contingent, delayed or otherwise subject to the closing of any other escrow. Also, neither Buyer nor Seller shall be required to take title to any real property other than the Property to accommodate the other party's exchange.

If a party elects to effect a tax deferred exchange, the other party shall promptly execute all amendments to this Agreement, escrow instructions pertaining to the exchange transaction and all other documents as may be necessary to carry out such an exchange; provided, however, that the accommodating party shall have the right to approve any and all such documents (which approval shall not be unreasonably withheld), and the accommodating party shall have no liability to the other party or to any other person for any act or omission, condition, representation, warranty, defect in title, or other matter concerning the exchange.

Neither Seller nor Buyer shall be obligated to incur any greater cost or expense due to the other party's exchange(s) than would have been the case in a purchase of the Property as otherwise specified in this Agreement. Buyer and Seller shall each hold the other harmless from any liability, damages, or costs, including reasonable attorneys' fees, that may arise from the accommodating party's participation in an exchange.

6. **Tests and Studies.**

(a) Buyer's obligation to purchase the Property is subject to Buyer's approval, deemed approval or waiver, during the Due Diligence Period, of those tests and studies of the Property Buyer desires to make, to be conducted by Buyer at Buyer's sole cost and expense for a period of sixty (60) days from the opening of escrow (the "Due Diligence Period"). Buyer shall promptly commence, and diligently in good faith pursue, its due diligence review hereunder. Buyer, Buyer's representatives, and/or authorized agents may enter on the Property during the Due Diligence Period to make tests or other studies of the Property; provided, however, that (i) Buyer shall not interfere with the use of the Property by Seller or any tenant; (ii) Buyer shall not conduct any invasive testing of the Property without the express prior written consent of Seller; (iii) Buyer shall pay for all tests and studies; (iv) Buyer shall keep the Property free and clear of any liens; (v) Buyer shall promptly repair all damage to the Property arising out of or caused by such entry or the tests and studies; and (vi) Buyer shall release, defend, indemnify and hold Seller harmless from and against any and all liabilities, claims, demands, damages or costs of any kind whatsoever including, but not limited to, those caused by Seller's passive negligence (including attorneys' fees, expert and consultant fees and costs of litigation) arising from or in connection with such entry or the tests and studies. The foregoing shall be continuing obligations of Buyer surviving any termination of this Agreement, and surviving the close of escrow and the conveyance of the Property by Grant Deed.

(b) Buyer shall have until the end of the Due Diligence Period to deliver to Seller a written notice disapproving the Property for purchase by Buyer. Failure to so notify Seller in writing by the end of the Due Diligence Period shall be conclusively deemed Buyer's approval of the Property for purchase by Buyer without qualification or condition. In the event Buyer does not approve the Property for purchase, this Agreement shall terminate without liability of either party therefor (except for those provisions which expressly survive such termination), and Escrow Holder shall release the Initial Deposit to Buyer less title and escrow charges, if any.

(c) Buyer shall keep the results of all tests and studies confidential and shall not disclose the results thereof to any outside parties other than its lenders, principals, affiliates or clients or as otherwise required by law; provided that each outside party shall, prior to its receipt of any such results, agree to keep all such information confidential. Buyer shall give Seller not less than two (2) business days prior notice of its intent to enter the Property. Said notice shall specify the day and time of each such entry and Seller may, in Seller's discretion, accompany Buyer during any such entry.

7. **Title Condition and Deed.**

(a) Promptly after the opening of escrow, Seller shall order and have delivered to Buyer a preliminary title report with copies of all documents referenced as exceptions therein (collectively, the "Report") from Chicago Title Company covering the Property. Buyer shall have ten (10) days after its receipt of the Report to deliver to Seller in writing any objections to the Property or the condition of title as set forth therein; provided, however, Buyer shall not

object to (i) a lien to secure payment of real estate taxes, not delinquent; or (ii) matters affecting the condition of title suffered or created with the consent of Buyer.

Failure of Buyer to object, by notice to Seller in writing, to any exception shown in the Report within said ten (10) day period shall be conclusively deemed Buyer's approval of the Report.

(b) Within five (5) days of Seller's receipt of Buyer's notice of objection to any title exception, Seller shall notify Buyer in writing of Seller's election whether or not to cure such objection.

(c) Should Seller elect not to cure, then within three (3) days of receipt of Seller's notice, Buyer shall elect to either (i) terminate this Agreement without any liability of either party therefor, or (ii) accept the Property without any reduction of the Purchase Price and without liability of Seller. If Seller elects to cure, Seller shall do so prior to the close of escrow.

(d) Buyer agrees and acknowledges that, unless Seller has elected to cure as set forth in Section 7(b) above, Buyer's sole and exclusive remedy in the event Seller elects not to cure any disapproved exception shall be Buyer's election of either option (i) or (ii) in Section 7(c) above. Buyer's failure to notify Seller in writing within the three (3) day time period specified above of its election of option (i) or (ii) shall be deemed an election of option (ii).

(e) At close of escrow Seller shall convey the Property to Buyer by Grant Deed, subject to those matters and restrictions of record appearing on the Report. Title shall be evidenced by the willingness of Chicago Title Company or other reputable title insurance company approved by Buyer and Seller to issue its CLTA standard owner's form policy of title insurance in the amount of the Purchase Price showing title to the Property vested in Buyer subject only to the exceptions and matters as shown on the Report and any exceptions described in Sections 7(a)(i) and (ii) above (the "Title Policy"). Without limiting the foregoing, Buyer acknowledges that approximately four (4) acres of the Property is subject to that certain Lease with the City of Los Angeles Bureau of Sanitation dated April 17, 1995, for a term expiring August 16, 2005.

8. **Condition of Property; Disclaimer; Release.** As an essential inducement to Seller to enter into this Agreement, Buyer acknowledges, understands and agrees to, as of the date hereof and as of the closing date, the following Sections 8(a) through 8(g):

(a) Buyer acknowledges that by the terms of this Agreement it is afforded access to the Property and that it shall conduct its own investigation of the Property. Buyer represents to Seller that as of close of escrow, Buyer will have made all inquiries, inspections, tests, audits, studies and analyses that it deems necessary or desirable in connection with purchasing the Property, and will have approved the results thereof (including, but not limited to, engineering tests, environmental assessments and audits, economic feasibility studies, land use and development entitlements and restrictions, soils and geological reports and tests and inquiries of governmental authorities). Buyer hereby acknowledges that it is relying solely on its

own independently developed inspections, tests, audits, studies and investigations conducted in connection with, and on Buyer's own judgment and verified information with respect to, its purchase of the Property, and is not relying on any representation or statement of Seller, or any data, materials or other information supplied by Seller.

(b) BUYER FURTHER ACKNOWLEDGES THAT (i) THE CITY OF LOS ANGELES BUREAU OF SANITATION OPERATED A LANDFILL (KNOWN AS THE "BRANFORD LANDFILL") ADJACENT TO AND INCLUDING A PORTION OF THE PROPERTY, APPROXIMATELY BETWEEN THE YEARS 1945 AND 1986, AND (ii) A RELEASE OR SUSPECTED RELEASE OF HAZARDOUS SUBSTANCES MAY HAVE OCCURRED IN CONNECTION WITH SUCH USE, AND (iii) THE BRANFORD LANDFILL HAS BEEN THE SUBJECT OF SCREENING BY THE ENVIRONMENTAL PROTECTION AGENCY AND THE STATE OF CALIFORNIA DEPARTMENT OF TOXIC SUBSTANCES CONTROL AND MAY BE SUBJECT TO FURTHER INVESTIGATION AND/OR ACTION.

(c) SELLER HEREBY DISCLAIMS AND SHALL NOT BE LIABLE FOR ANY AND ALL VERBAL AND/OR WRITTEN STATEMENTS, CONVERSATIONS, REPRESENTATIONS AND INFORMATION, IF ANY, MADE OR GIVEN BY SELLER OR ANY OF SELLER'S AGENTS OR EMPLOYEES, OR ANY OTHER PERSON TO BUYER, TO ANY AGENT OR EMPLOYEE OF BUYER, OR TO ANY OTHER PERSON WITH RESPECT TO ANY ASPECT OR FEATURE OF THE PROPERTY (INCLUDING, WITHOUT LIMITATION, ANY INFORMATION RELATED TO THE PROPERTY'S VALUE, CONDITION, OR COMPLIANCE WITH LAWS, THE SOILS AND GEOLOGY OF THE PROPERTY, THE EXISTENCE OR AVAILABILITY OF ANY PERMITS OR APPROVALS FROM ANY GOVERNMENTAL AUTHORITIES, OR THE EXISTENCE OF ANY HAZARDOUS SUBSTANCES ON THE PROPERTY). ALL SUCH STATEMENTS, CONVERSATIONS, REPRESENTATIONS AND INFORMATION, IF ANY, ARE MERGED INTO AND SUPERSEDED BY THIS AGREEMENT, AND BUYER HEREBY AGREES THAT BUYER SHALL NOT BE ENTITLED TO RELY UPON ANY SUCH STATEMENTS, CONVERSATIONS, REPRESENTATIONS OR INFORMATION.

(d) BUYER IS A SOPHISTICATED PURCHASER WHO IS FAMILIAR WITH THE OWNERSHIP AND OPERATION OF REAL ESTATE SIMILAR TO THE PROPERTY AND BUYER HAS OR WILL HAVE ADEQUATE OPPORTUNITY TO COMPLETE ALL PHYSICAL AND FINANCIAL EXAMINATIONS RELATING TO THE ACQUISITION OF THE PROPERTY HEREUNDER IT DEEMS NECESSARY, AND WILL ACQUIRE THE SAME SOLELY ON THE BASIS OF SUCH EXAMINATIONS AND THE TITLE INSURANCE PROTECTION AFFORDED BY THE TITLE POLICY AND NOT ON ANY INFORMATION PROVIDED OR TO BE PROVIDED BY SELLER.

(e) ANY INFORMATION PROVIDED OR TO BE PROVIDED WITH RESPECT TO THE PROPERTY IS SOLELY FOR BUYER'S CONVENIENCE AND WAS OR WILL BE OBTAINED FROM A VARIETY OF SOURCES AND SELLER HAS NOT MADE ANY INDEPENDENT INVESTIGATION OR VERIFICATION OF SUCH INFORMATION AND MAKES NO REPRESENTATIONS AS TO THE ACCURACY OR COMPLETENESS OF

SUCH INFORMATION. SELLER SHALL NOT BE LIABLE FOR ANY NEGLIGENT MISREPRESENTATION OR ANY FAILURE TO INVESTIGATE THE PROPERTY NOR SHALL SELLER BE BOUND IN ANY MANNER BY ANY VERBAL OR WRITTEN STATEMENTS, REPRESENTATIONS, APPRAISALS, ENVIRONMENTAL ASSESSMENT REPORTS, OR OTHER INFORMATION PERTAINING TO THE PROPERTY OR THE OPERATION THEREOF, FURNISHED BY SELLER, OR BY ANY REAL ESTATE BROKER, AGENT, REPRESENTATIVE, AFFILIATE, DIRECTOR, OFFICER, SHAREHOLDER, EMPLOYEE, SERVANT OR OTHER PERSON OR ENTITY ACTING ON SELLER'S BEHALF.

(f) BUYER IS BUYING THE PROPERTY "AS IS" AND WITHOUT ANY REPRESENTATIONS OR WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, OF ANY KIND WHATSOEVER, BY SELLER, ITS AGENTS, BROKERS, CONSULTANTS, COUNSEL, EMPLOYEES, OFFICERS, DIRECTORS, SHAREHOLDERS, PARTNERS, TRUSTEES OR BENEFICIARIES OR ANY OTHER PERSON. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, BUYER ACKNOWLEDGES THAT SELLER EXPRESSLY DISCLAIMS AND NEGATES, AS TO THE PROPERTY: (A) ANY IMPLIED OR EXPRESS WARRANTY OF MERCHANTABILITY; (B) ANY IMPLIED OR EXPRESS WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE; (C) ANY IMPLIED OR EXPRESS WARRANTY OF CONFORMITY TO SAMPLES OF MATERIALS; (D) ANY IMPLIED OR EXPRESS WARRANTY WITH RESPECT TO THE CONDITION OF THE PROPERTY, THE COMPLETENESS OR ACCURACY OF ANY DOCUMENTS DELIVERED TO BUYER BY SELLER, THE PROPERTY'S COMPLIANCE WITH ANY ZONING OR OTHER APPLICABLE RULES, REGULATIONS, LAWS OR STATUTES, OR THE USES PERMITTED ON, THE DEVELOPMENT REQUIREMENTS FOR, OR ANY OTHER MATTER OR THING RELATING TO THE PROPERTY OR ANY PORTION THEREOF.

BUYER ACKNOWLEDGES THAT, TO THE EXTENT REQUIRED TO BE OPERATIVE, THE DISCLAIMERS OF WARRANTIES CONTAINED IN THIS SECTION 8(f) ARE "CONSPICUOUS" DISCLAIMERS FOR PURPOSES OF ANY APPLICABLE LAW, RULE, REGULATION OR ORDER.

THE FOREGOING SECTIONS 8(a) THROUGH 8(f) SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT OR THE CLOSING DATE, AND SHALL NOT BE DEEMED TO HAVE MERGED INTO ANY OF THE DOCUMENTS EXECUTED OR DELIVERED AT THE CLOSE OF ESCROW.

(g) WITHOUT LIMITING THE FOREGOING, AS A CONTINUING OBLIGATION SURVIVING THE CLOSE OF ESCROW AND THE CONVEYANCE OF THE PROPERTY BY GRANT DEED, BUYER SHALL, FROM AND AFTER THE CLOSE OF ESCROW, RELEASE, DEFEND, INDEMNIFY AND HOLD HARMLESS SELLER AND "SELLER'S RELEASEES" (AS HEREINAFTER DEFINED) FROM AND AGAINST ANY AND ALL LOSS, DAMAGE, CLAIM, COSTS AND EXPENSE (INCLUDING WITHOUT LIMITATION ACTUAL ATTORNEYS' FEES, CHARGES AND COSTS) AND ANY OTHER LIABILITY WHATSOEVER, WHETHER FORESEEN OR UNFORESEEN, ARISING OUT

OF OR RELATING TO THE CONDITION OF THE PROPERTY OR ANY PORTION THEREOF. "SELLER'S RELEASEES" SHALL BE SELLER AND THE SUCCESSORS AND ASSIGNS OF SELLER (INCLUDING WITHOUT LIMITATION AN ACCOMMODATION PARTY SUBSTITUTED AS SELLER FOR PURPOSES OF EFFECTING AN EXCHANGE), THE OFFICERS, DIRECTORS, AGENTS, EMPLOYEES, ATTORNEYS, STOCKHOLDERS, AND THE PARENTS, SUBSIDIARIES AND AFFILIATED COMPANIES OF SELLER AND ITS SUCCESSORS AND ASSIGNS, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, AGENTS, EMPLOYEES, ATTORNEYS, STOCKHOLDERS, SUBSIDIARIES AND AFFILIATED COMPANIES, AND EACH OF THEM. WITHOUT LIMITING THE FOREGOING, FROM AND AFTER THE EXECUTION OF THIS AGREEMENT, THE PROVISIONS OF THIS SECTION 8 SHALL CONTINUE TO BE EFFECTIVE WITH RESPECT TO EACH SELLER'S RELEASEE IRRESPECTIVE OF WHETHER THEREAFTER SUCH SELLER'S RELEASEE ASSIGNS OR HAS PURPORTED TO ASSIGN OR OTHERWISE DISPOSE OF ITS INTEREST OR ANY PORTION OF ITS INTEREST, UNDER THIS AGREEMENT, OR IN THE PROPERTY.

9. **Possession, Risk of Loss.** Possession of the Property and all risk of loss shall be given to Buyer at the close of escrow.

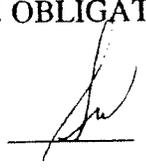

10. **Brokerage Commissions.** Buyer and Seller hereby acknowledge and represent that there are no broker's commissions or finder's fees due in connection with this transaction except a commission to CB Richard Ellis ("CB"), which shall be paid by Seller only upon close of escrow pursuant to a separate agreement between Seller and CB. Buyer and Seller shall each hold harmless and indemnify the other from any claims of brokers, agents or finders, licensed or otherwise, claiming through, under or by reason of the conduct of the indemnifying party with respect to the transaction contemplated hereunder except as disclosed above.

11. **Liquidated Damages.** SELLER AND BUYER AGREE THAT THE DAMAGES THAT WOULD BE SUFFERED BY SELLER IN THE EVENT OF A DEFAULT BY BUYER HEREUNDER IN PURCHASING THE PROPERTY WOULD BE EXTREMELY DIFFICULT AND IMPRACTICABLE TO ASCERTAIN, AND THAT THE DEPOSIT REPRESENTS THE REASONABLE ESTIMATE BY THE PARTIES OF THE AMOUNT OF THE DAMAGES THAT SELLER WOULD SUFFER BY REASON OF BUYER'S DEFAULT PARTICULARLY IN VIEW OF THE FACT THAT SELLER IS TAKING THE PROPERTY OFF THE MARKET, WHICH SELLER WOULD NOT DO BUT FOR THE AGREEMENT OF BUYER TO PURCHASE THE PROPERTY. ACCORDINGLY, IN THE EVENT OF A DEFAULT BY BUYER HEREUNDER, SELLER SHALL RECEIVE AND RETAIN THE DEPOSIT OF \$150,000.00, INCLUDING INTEREST ACCRUED THEREON, AS LIQUIDATED DAMAGES. SAID SUM SHALL BE IN ADDITION TO AND SHALL NOT BE DEEMED TO INCLUDE ANY ATTORNEYS' FEES WHICH MAY BECOME DUE SELLER PURSUANT TO SECTION 13 HEREOF. IF AND WHEN SELLER BECOMES ENTITLED TO RECEIVE SUCH LIQUIDATED DAMAGES IN ACCORDANCE WITH THE PROVISIONS HEREOF, ESCROW HOLDER IS HEREBY INSTRUCTED TO IMMEDIATELY DELIVER THE DEPOSIT TO SELLER. BY INITIALING THIS

PROVISION IN THE SPACE BELOW, SELLER AND BUYER EACH SPECIFICALLY AFFIRMS THEIR RESPECTIVE OBLIGATIONS UNDER THIS SECTION 11.

13. **Attorneys' Fees.** Should any party hereto institute any action or proceeding to enforce any provision hereof by reason of the alleged breach of this Agreement, the prevailing party shall be entitled to receive from the losing party such amount as the court may adjudge to be reasonable attorneys' fees, expert fees, and consultant fees for services rendered to the prevailing party, and other costs of litigation.

Without limitation, Seller shall have the right to condition its consent to Buyer's assignment upon satisfaction of the following requirements: (a) Seller shall receive notice of the identity of, and the reasonable background and credit information concerning, the proposed assignee not later than ten (10) business days prior to the scheduled Closing Date, and (b) Buyer shall remain fully and primarily liable under this Agreement subsequent to any such assignment. The provisions of this Agreement shall be interpreted in a reasonable manner to effect the purpose of the parties and this Agreement.

19. **Severability.** If any portion of this Agreement shall be declared by any court of competent jurisdiction to be invalid, illegal or unenforceable, such portion shall be severed from this Agreement and the remaining parts hereof shall remain in full force and effect as fully as though such invalid, illegal or unenforceable portion had never been part of this Agreement; provided the remaining Agreement can be reasonably and equitably enforced.

20. **Binding of Successors.** Subject to the limitations set forth in Section 17 above, this Agreement shall be binding upon and inure to the benefit of the successors and assigns of the respective parties hereto.

21. **Required Actions of Buyer and Seller.** Buyer and Seller agree to execute all such instruments and documents and to take all actions (including the deposit of funds in addition to such funds as may be specifically provided for herein) as may be required in order to consummate the purchase and sale herein contemplated and shall use their best efforts to accomplish the close of escrow in accordance with the provisions hereof.

22. **Governing Law and Venue.** The validity of this Agreement and any of its terms or provisions, as well as the rights and duties of the parties hereunder, shall be interpreted and construed pursuant to and in accordance with the laws of the State of California. The parties select Los Angeles County, California as the proper and sole venue for any action filed to enforce, construe or interpret this Agreement.

24. **Entire Agreement.** This Agreement constitutes the final, complete and exclusive statement of terms of the agreement between the parties pertaining to the subject matter of this Agreement and supersedes all prior and contemporaneous understandings or agreements of the parties. No party has been induced to enter into this Agreement by, nor is any party relying on, any representation or warranty outside those expressly set forth in this Agreement.

25. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which, together, shall constitute one and the same instrument.

26. **No Third Party Benefit.** Except as provided in Section 20, the parties acknowledge and agree that the provisions of this Agreement are for the sole benefit of the parties hereto and are not for the benefit, directly or indirectly, of any other person or entity.

27. **Confidentiality; Return of Proprietary Information.**

(a) Buyer shall treat all information of whatsoever nature provided to it under the terms of this Agreement ("Proprietary Information") as confidential and Buyer shall not disclose such Proprietary Information to third parties not involved in Buyer's evaluation of the

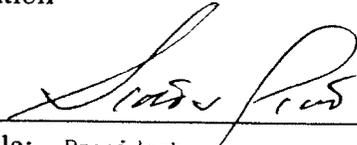

Property, without the prior written approval of Seller, unless Buyer is legally required to provide such information to a governmental agency or pursuant to legal process. The Proprietary Information shall not include any information which is, or becomes, generally available to the public other than as a result of a disclosure by Buyer, or was in Buyer's possession prior to it being furnished by Seller. The provisions of this Section 27(a) shall expire upon the close of escrow and conveyance of the Property to Buyer hereunder.

(b) In the event the purchase and sale contemplated hereby fails to close for any reason whatsoever, Buyer shall return to Seller, or cause to be returned to Seller, all Proprietary Information, and shall deliver to Seller all reports and analyses of the Property prepared by or at the request of Buyer. Further, Buyer agrees not to use or allow to be used any Proprietary Information for any purpose other than to determine whether to proceed with the contemplated purchase, or if same is consummated, in connection with the ownership or operation of the Property post-closing. B. Buyer and Seller now desire to further amend the Purchase Agreement as set forth below.

NOW, THEREFORE, in consideration of the above recitals and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Buyer and Seller agree as follows:

1. Pursuant to Paragraph 2(a) of the Purchase Agreement, Buyer shall deliver into escrow \$25,000 of the Additional Deposit as of the date of this Second Amendment. Buyer shall deliver into escrow the remaining \$25,000 of the Additional Deposit upon the expiration of the Due Diligence Period.

2. Pursuant to Paragraph 3 of the Purchase Agreement, the close of escrow is hereby extended to August 31, 1999.

3. Pursuant to Paragraphs 6 and 7 of the Purchase Agreement, the Due Diligence Period is hereby extended through and including July 30, 1999. Buyer shall have until the expiration of the Due Diligence Period to deliver to Seller, in writing, any objection to the Property or the condition of title to the Property.

4. The Purchase Agreement is modified, amended and supplemented only to the extent set forth herein, and as so modified, amended and supplemented, shall remain in full force and effect between Seller and Buyer. In the event of any conflict between the provisions of this Second Amendment and those of the Purchase Agreement, the terms of this Second Amendment shall prevail.

5. This Second Amendment may be executed via facsimile transmission, with originals to follow, and in any number of counterparts, each of which shall be considered an original and all of which, taken together, shall constitute one and the same instrument.

IN WITNESS WHEREOF, Buyer and Seller have executed this Second Amendment as of the date first set forth above.

PURCHASE AND SALE AGREEMENT  
AND JOINT ESCROW INSTRUCTIONS

**THIS PURCHASE AND SALE AGREEMENT AND JOINT ESCROW INSTRUCTIONS** (this "Agreement") is made this 9<sup>th</sup> day of March, 1999 by and between CALMAT LAND CO., a California corporation ("Seller"), and SUNQUEST DEVELOPMENT LLC, a California limited liability company ("Buyer").

**RECITALS**

A. Seller is the owner of the following parcel of vacant land in Sun Valley, County of Los Angeles, State of California: approximately 12.53 acres located at 12450 Branford Street, APN 2629-001-001, as described in Exhibit "A" attached hereto and incorporated herein (the "Property").

B. Seller desires to sell and Buyer desires to purchase the Property, for the consideration and on the other terms and conditions hereinafter set forth.

**AGREEMENT**

1. **Purchase and Sale.** Seller agrees to sell, convey and deliver to Buyer and Buyer agrees to purchase and accept from Seller, the Property, on the terms and conditions contained hereinafter.

2. **Purchase Price.** The purchase price ("Purchase Price") for the Property is Five Million Three Hundred Twenty-One Thousand Six Hundred Sixteen Dollars (\$5,321,616.00). The Purchase Price shall be paid by Buyer as follows:

(a) Deposit by Buyer into escrow upon opening of escrow of One Hundred Twenty-Five Thousand Dollars (\$125,000.00) (the "Initial Deposit") by certified check drawn on a California bank approved by Seller. On or before the expiration of the "Due Diligence Period" (defined below), Buyer shall deposit into escrow an additional Twenty-Five Thousand Dollars (\$25,000.00) (the "Additional Deposit") by certified check drawn on a California bank approved by Seller. The Initial Deposit and the Additional Deposit, together with any interest earned thereon, are together referred to herein as the "Deposit". Any failure by Buyer to timely make the Initial Deposit or the Additional Deposit to shall be a material default of Buyer hereunder, and shall entitle Seller to terminate and cancel this Agreement, in addition to all other remedies of Seller. The Deposit will be nonrefundable to Buyer upon expiration of the Due Diligence Period. The Deposit will be applied to the Purchase Price in the event the purchase and sale of the Property closes as contemplated hereunder.

(b) At least one (1) business day before close of escrow, Buyer shall have on deposit in escrow, in funds immediately available for disbursement to Seller on the date specified for close of escrow, the balance of the Purchase Price, plus any additional amounts required to pay Buyer's expenses as provided below.

3. **Escrow and Closing.** Within five (5) business days after mutual execution by Buyer and Seller of three (3) copies of this Agreement, Buyer and Seller shall open an escrow at Commerce Escrow Company, 1545 Wilshire Boulevard, Los Angeles, California, 90017, Attn: Phil Graf ("Escrow Holder"), in order to consummate the purchase and sale of the Property. A fully executed copy of this Agreement shall be deposited with Escrow Holder and shall constitute the instructions of the parties as to the terms and conditions of escrow. Escrow Holder's "General Provisions" are hereby incorporated by reference. In the event of a conflict between this Agreement and the General Provisions, the terms of this Agreement shall prevail. The escrow shall close on or before 60 days after the expiration of the Due Diligence Period, which date shall be no later than 120 days after the opening of escrow.

4. **Closing Costs.** The cost of a standard CLTA title insurance policy as hereinafter described shall be paid by Seller. If Buyer desires extended coverage and/or an ALTA policy, Buyer shall pay the additional cost of such extended coverage or ALTA policy, as the case may be, over a CLTA policy. In any event, Buyer shall be solely responsible for obtaining any survey necessary. The escrow fee shall be borne one-half by Seller and one-half by Buyer. Seller shall pay all documentary transfer taxes payable in connection with the recordation of the grant deed. Buyer and Seller shall pay, respectively, Escrow Holder's customary charges to Buyer and Seller for drafting, recording and miscellaneous charges.

5. **Election to Exchange.** Both Buyer and Seller agree to accommodate each other in effecting a tax deferred exchange under Internal Revenue Code §1031. Each party shall have the right, expressly reserved herein, to elect a tax deferred exchange at any time before the close of escrow (including, without limiting the foregoing, Seller's right to substitute an accommodating party as seller of the Property); provided, however, that closing the sale of the Property shall not be predicated or conditioned on an exchange or exchanges, and without in any way limiting the foregoing, the closing of escrow for the Property as provided herein shall not be contingent, delayed or otherwise subject to the closing of any other escrow. Also, neither Buyer nor Seller shall be required to take title to any real property other than the Property to accommodate the other party's exchange.

If a party elects to effect a tax deferred exchange, the other party shall promptly execute all amendments to this Agreement, escrow instructions pertaining to the exchange transaction and all other documents as may be necessary to carry out such an exchange; provided, however, that the accommodating party shall have the right to approve any and all such documents (which approval shall not be unreasonably withheld), and the accommodating party shall have no liability to the other party or to any other person for any act or omission, condition, representation, warranty, defect in title, or other matter concerning the exchange.

Neither Seller nor Buyer shall be obligated to incur any greater cost or expense due to the other party's exchange(s) than would have been the case in a purchase of the Property as otherwise specified in this Agreement. Buyer and Seller shall each hold the other harmless from any liability, damages, or costs, including reasonable attorneys' fees, that may arise from the accommodating party's participation in an exchange.

6. **Tests and Studies.**

(a) Buyer's obligation to purchase the Property is subject to Buyer's approval, deemed approval or waiver, during the Due Diligence Period, of those tests and studies of the Property Buyer desires to make, to be conducted by Buyer at Buyer's sole cost and expense for a period of sixty (60) days from the opening of escrow (the "Due Diligence Period"). Buyer shall promptly commence, and diligently in good faith pursue, its due diligence review hereunder. Buyer, Buyer's representatives, and/or authorized agents may enter on the Property during the Due Diligence Period to make tests or other studies of the Property; provided, however, that (i) Buyer shall not interfere with the use of the Property by Seller or any tenant; (ii) Buyer shall not conduct any invasive testing of the Property without the express prior written consent of Seller; (iii) Buyer shall pay for all tests and studies; (iv) Buyer shall keep the Property free and clear of any liens; (v) Buyer shall promptly repair all damage to the Property arising out of or caused by such entry or the tests and studies; and (vi) Buyer shall release, defend, indemnify and hold Seller harmless from and against any and all liabilities, claims, demands, damages or costs of any kind whatsoever including, but not limited to, those caused by Seller's passive negligence (including attorneys' fees, expert and consultant fees and costs of litigation) arising from or in connection with such entry or the tests and studies. The foregoing shall be continuing obligations of Buyer surviving any termination of this Agreement, and surviving the close of escrow and the conveyance of the Property by Grant Deed.

(b) Buyer shall have until the end of the Due Diligence Period to deliver to Seller a written notice disapproving the Property for purchase by Buyer. Failure to so notify Seller in writing by the end of the Due Diligence Period shall be conclusively deemed Buyer's approval of the Property for purchase by Buyer without qualification or condition. In the event Buyer does not approve the Property for purchase, this Agreement shall terminate without liability of either party therefor (except for those provisions which expressly survive such termination), and Escrow Holder shall release the Initial Deposit to Buyer less title and escrow charges, if any.

(c) Buyer shall keep the results of all tests and studies confidential and shall not disclose the results thereof to any outside parties other than its lenders, principals, affiliates or clients or as otherwise required by law; provided that each outside party shall, prior to its receipt of any such results, agree to keep all such information confidential. Buyer shall give Seller not less than two (2) business days prior notice of its intent to enter the Property. Said notice shall specify the day and time of each such entry and Seller may, in Seller's discretion, accompany Buyer during any such entry.

7. **Title Condition and Deed.**

(a) Promptly after the opening of escrow, Seller shall order and have delivered to Buyer a preliminary title report with copies of all documents referenced as exceptions therein (collectively, the "Report") from Chicago Title Company covering the Property. Buyer shall have ten (10) days after its receipt of the Report to deliver to Seller in writing any objections to the Property or the condition of title as set forth therein; provided, however, Buyer shall not

object to (i) a lien to secure payment of real estate taxes, not delinquent; or (ii) matters affecting the condition of title suffered or created with the consent of Buyer.

Failure of Buyer to object, by notice to Seller in writing, to any exception shown in the Report within said ten (10) day period shall be conclusively deemed Buyer's approval of the Report.

(b) Within five (5) days of Seller's receipt of Buyer's notice of objection to any title exception, Seller shall notify Buyer in writing of Seller's election whether or not to cure such objection.

(c) Should Seller elect not to cure, then within three (3) days of receipt of Seller's notice, Buyer shall elect to either (i) terminate this Agreement without any liability of either party therefor, or (ii) accept the Property without any reduction of the Purchase Price and without liability of Seller. If Seller elects to cure, Seller shall do so prior to the close of escrow.

(d) Buyer agrees and acknowledges that, unless Seller has elected to cure as set forth in Section 7(b) above, Buyer's sole and exclusive remedy in the event Seller elects not to cure any disapproved exception shall be Buyer's election of either option (i) or (ii) in Section 7(c) above. Buyer's failure to notify Seller in writing within the three (3) day time period specified above of its election of option (i) or (ii) shall be deemed an election of option (ii).

(e) At close of escrow Seller shall convey the Property to Buyer by Grant Deed, subject to those matters and restrictions of record appearing on the Report. Title shall be evidenced by the willingness of Chicago Title Company or other reputable title insurance company approved by Buyer and Seller to issue its CLTA standard owner's form policy of title insurance in the amount of the Purchase Price showing title to the Property vested in Buyer subject only to the exceptions and matters as shown on the Report and any exceptions described in Sections 7(a)(i) and (ii) above (the "Title Policy"). Without limiting the foregoing, Buyer acknowledges that approximately four (4) acres of the Property is subject to that certain Lease with the City of Los Angeles Bureau of Sanitation dated April 17, 1995, for a term expiring August 16, 2005.

8. **Condition of Property; Disclaimer; Release.** As an essential inducement to Seller to enter into this Agreement, Buyer acknowledges, understands and agrees to, as of the date hereof and as of the closing date, the following Sections 8(a) through 8(g):

(a) Buyer acknowledges that by the terms of this Agreement it is afforded access to the Property and that it shall conduct its own investigation of the Property. Buyer represents to Seller that as of close of escrow, Buyer will have made all inquiries, inspections, tests, audits, studies and analyses that it deems necessary or desirable in connection with purchasing the Property, and will have approved the results thereof (including, but not limited to, engineering tests, environmental assessments and audits, economic feasibility studies, land use and development entitlements and restrictions, soils and geological reports and tests and inquiries of governmental authorities). Buyer hereby acknowledges that it is relying solely on its

own independently developed inspections, tests, audits, studies and investigations conducted in connection with, and on Buyer's own judgment and verified information with respect to, its purchase of the Property, and is not relying on any representation or statement of Seller, or any data, materials or other information supplied by Seller.

(b) BUYER FURTHER ACKNOWLEDGES THAT (i) THE CITY OF LOS ANGELES BUREAU OF SANITATION OPERATED A LANDFILL (KNOWN AS THE "BRANFORD LANDFILL") ADJACENT TO AND INCLUDING A PORTION OF THE PROPERTY, APPROXIMATELY BETWEEN THE YEARS 1945 AND 1986, AND (ii) A RELEASE OR SUSPECTED RELEASE OF HAZARDOUS SUBSTANCES MAY HAVE OCCURRED IN CONNECTION WITH SUCH USE, AND (iii) THE BRANFORD LANDFILL HAS BEEN THE SUBJECT OF SCREENING BY THE ENVIRONMENTAL PROTECTION AGENCY AND THE STATE OF CALIFORNIA DEPARTMENT OF TOXIC SUBSTANCES CONTROL AND MAY BE SUBJECT TO FURTHER INVESTIGATION AND/OR ACTION.

(c) SELLER HEREBY DISCLAIMS AND SHALL NOT BE LIABLE FOR ANY AND ALL VERBAL AND/OR WRITTEN STATEMENTS, CONVERSATIONS, REPRESENTATIONS AND INFORMATION, IF ANY, MADE OR GIVEN BY SELLER OR ANY OF SELLER'S AGENTS OR EMPLOYEES, OR ANY OTHER PERSON TO BUYER, TO ANY AGENT OR EMPLOYEE OF BUYER, OR TO ANY OTHER PERSON WITH RESPECT TO ANY ASPECT OR FEATURE OF THE PROPERTY (INCLUDING, WITHOUT LIMITATION, ANY INFORMATION RELATED TO THE PROPERTY'S VALUE, CONDITION, OR COMPLIANCE WITH LAWS, THE SOILS AND GEOLOGY OF THE PROPERTY, THE EXISTENCE OR AVAILABILITY OF ANY PERMITS OR APPROVALS FROM ANY GOVERNMENTAL AUTHORITIES, OR THE EXISTENCE OF ANY HAZARDOUS SUBSTANCES ON THE PROPERTY). ALL SUCH STATEMENTS, CONVERSATIONS, REPRESENTATIONS AND INFORMATION, IF ANY, ARE MERGED INTO AND SUPERSEDED BY THIS AGREEMENT, AND BUYER HEREBY AGREES THAT BUYER SHALL NOT BE ENTITLED TO RELY UPON ANY SUCH STATEMENTS, CONVERSATIONS, REPRESENTATIONS OR INFORMATION.

(d) BUYER IS A SOPHISTICATED PURCHASER WHO IS FAMILIAR WITH THE OWNERSHIP AND OPERATION OF REAL ESTATE SIMILAR TO THE PROPERTY AND BUYER HAS OR WILL HAVE ADEQUATE OPPORTUNITY TO COMPLETE ALL PHYSICAL AND FINANCIAL EXAMINATIONS RELATING TO THE ACQUISITION OF THE PROPERTY HEREUNDER IT DEEMS NECESSARY, AND WILL ACQUIRE THE SAME SOLELY ON THE BASIS OF SUCH EXAMINATIONS AND THE TITLE INSURANCE PROTECTION AFFORDED BY THE TITLE POLICY AND NOT ON ANY INFORMATION PROVIDED OR TO BE PROVIDED BY SELLER.

(e) ANY INFORMATION PROVIDED OR TO BE PROVIDED WITH RESPECT TO THE PROPERTY IS SOLELY FOR BUYER'S CONVENIENCE AND WAS OR WILL BE OBTAINED FROM A VARIETY OF SOURCES AND SELLER HAS NOT MADE ANY INDEPENDENT INVESTIGATION OR VERIFICATION OF SUCH INFORMATION AND MAKES NO REPRESENTATIONS AS TO THE ACCURACY OR COMPLETENESS OF

SUCH INFORMATION. SELLER SHALL NOT BE LIABLE FOR ANY NEGLIGENT MISREPRESENTATION OR ANY FAILURE TO INVESTIGATE THE PROPERTY NOR SHALL SELLER BE BOUND IN ANY MANNER BY ANY VERBAL OR WRITTEN STATEMENTS, REPRESENTATIONS, APPRAISALS, ENVIRONMENTAL ASSESSMENT REPORTS, OR OTHER INFORMATION PERTAINING TO THE PROPERTY OR THE OPERATION THEREOF, FURNISHED BY SELLER, OR BY ANY REAL ESTATE BROKER, AGENT, REPRESENTATIVE, AFFILIATE, DIRECTOR, OFFICER, SHAREHOLDER, EMPLOYEE, SERVANT OR OTHER PERSON OR ENTITY ACTING ON SELLER'S BEHALF.

(f) BUYER IS BUYING THE PROPERTY "AS IS" AND WITHOUT ANY REPRESENTATIONS OR WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, OF ANY KIND WHATSOEVER, BY SELLER, ITS AGENTS, BROKERS, CONSULTANTS, COUNSEL, EMPLOYEES, OFFICERS, DIRECTORS, SHAREHOLDERS, PARTNERS, TRUSTEES OR BENEFICIARIES OR ANY OTHER PERSON. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, BUYER ACKNOWLEDGES THAT SELLER EXPRESSLY DISCLAIMS AND NEGATES, AS TO THE PROPERTY: (A) ANY IMPLIED OR EXPRESS WARRANTY OF MERCHANTABILITY; (B) ANY IMPLIED OR EXPRESS WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE; (C) ANY IMPLIED OR EXPRESS WARRANTY OF CONFORMITY TO SAMPLES OF MATERIALS; (D) ANY IMPLIED OR EXPRESS WARRANTY WITH RESPECT TO THE CONDITION OF THE PROPERTY, THE COMPLETENESS OR ACCURACY OF ANY DOCUMENTS DELIVERED TO BUYER BY SELLER, THE PROPERTY'S COMPLIANCE WITH ANY ZONING OR OTHER APPLICABLE RULES, REGULATIONS, LAWS OR STATUTES, OR THE USES PERMITTED ON, THE DEVELOPMENT REQUIREMENTS FOR, OR ANY OTHER MATTER OR THING RELATING TO THE PROPERTY OR ANY PORTION THEREOF.

BUYER ACKNOWLEDGES THAT, TO THE EXTENT REQUIRED TO BE OPERATIVE, THE DISCLAIMERS OF WARRANTIES CONTAINED IN THIS SECTION 8(f) ARE "CONSPICUOUS" DISCLAIMERS FOR PURPOSES OF ANY APPLICABLE LAW, RULE, REGULATION OR ORDER.

THE FOREGOING SECTIONS 8(a) THROUGH 8(f) SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT OR THE CLOSING DATE, AND SHALL NOT BE DEEMED TO HAVE MERGED INTO ANY OF THE DOCUMENTS EXECUTED OR DELIVERED AT THE CLOSE OF ESCROW.

(g) WITHOUT LIMITING THE FOREGOING, AS A CONTINUING OBLIGATION SURVIVING THE CLOSE OF ESCROW AND THE CONVEYANCE OF THE PROPERTY BY GRANT DEED, BUYER SHALL, FROM AND AFTER THE CLOSE OF ESCROW, RELEASE, DEFEND, INDEMNIFY AND HOLD HARMLESS SELLER AND "SELLER'S RELEASEES" (AS HEREINAFTER DEFINED) FROM AND AGAINST ANY AND ALL LOSS, DAMAGE, CLAIM, COSTS AND EXPENSE (INCLUDING WITHOUT LIMITATION ACTUAL ATTORNEYS' FEES, CHARGES AND COSTS) AND ANY OTHER LIABILITY WHATSOEVER, WHETHER FORESEEN OR UNFORESEEN, ARISING OUT

OF OR RELATING TO THE CONDITION OF THE PROPERTY OR ANY PORTION THEREOF. "SELLER'S RELEASEES" SHALL BE SELLER AND THE SUCCESSORS AND ASSIGNS OF SELLER (INCLUDING WITHOUT LIMITATION AN ACCOMMODATION PARTY SUBSTITUTED AS SELLER FOR PURPOSES OF EFFECTING AN EXCHANGE), THE OFFICERS, DIRECTORS, AGENTS, EMPLOYEES, ATTORNEYS, STOCKHOLDERS, AND THE PARENTS, SUBSIDIARIES AND AFFILIATED COMPANIES OF SELLER AND ITS SUCCESSORS AND ASSIGNS, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, AGENTS, EMPLOYEES, ATTORNEYS, STOCKHOLDERS, SUBSIDIARIES AND AFFILIATED COMPANIES, AND EACH OF THEM. WITHOUT LIMITING THE FOREGOING, FROM AND AFTER THE EXECUTION OF THIS AGREEMENT, THE PROVISIONS OF THIS SECTION 8 SHALL CONTINUE TO BE EFFECTIVE WITH RESPECT TO EACH SELLER'S RELEASEE IRRESPECTIVE OF WHETHER THEREAFTER SUCH SELLER'S RELEASEE ASSIGNS OR HAS PURPORTED TO ASSIGN OR OTHERWISE DISPOSE OF ITS INTEREST OR ANY PORTION OF ITS INTEREST, UNDER THIS AGREEMENT, OR IN THE PROPERTY.

9. **Possession, Risk of Loss.** Possession of the Property and all risk of loss shall be given to Buyer at the close of escrow.

10. **Brokerage Commissions.** Buyer and Seller hereby acknowledge and represent that there are no broker's commissions or finder's fees due in connection with this transaction except a commission to CB Richard Ellis ("CB"), which shall be paid by Seller only upon close of escrow pursuant to a separate agreement between Seller and CB. Buyer and Seller shall each hold harmless and indemnify the other from any claims of brokers, agents or finders, licensed or otherwise, claiming through, under or by reason of the conduct of the indemnifying party with respect to the transaction contemplated hereunder except as disclosed above.

11. **Liquidated Damages.** SELLER AND BUYER AGREE THAT THE DAMAGES THAT WOULD BE SUFFERED BY SELLER IN THE EVENT OF A DEFAULT BY BUYER HEREUNDER IN PURCHASING THE PROPERTY WOULD BE EXTREMELY DIFFICULT AND IMPRACTICABLE TO ASCERTAIN, AND THAT THE DEPOSIT REPRESENTS THE REASONABLE ESTIMATE BY THE PARTIES OF THE AMOUNT OF THE DAMAGES THAT SELLER WOULD SUFFER BY REASON OF BUYER'S DEFAULT PARTICULARLY IN VIEW OF THE FACT THAT SELLER IS TAKING THE PROPERTY OFF THE MARKET, WHICH SELLER WOULD NOT DO BUT FOR THE AGREEMENT OF BUYER TO PURCHASE THE PROPERTY. ACCORDINGLY, IN THE EVENT OF A DEFAULT BY BUYER HEREUNDER, SELLER SHALL RECEIVE AND RETAIN THE DEPOSIT OF \$150,000.00, INCLUDING INTEREST ACCRUED THEREON, AS LIQUIDATED DAMAGES. SAID SUM SHALL BE IN ADDITION TO AND SHALL NOT BE DEEMED TO INCLUDE ANY ATTORNEYS' FEES WHICH MAY BECOME DUE SELLER PURSUANT TO SECTION 13 HEREOF. IF AND WHEN SELLER BECOMES ENTITLED TO RECEIVE SUCH LIQUIDATED DAMAGES IN ACCORDANCE WITH THE PROVISIONS HEREOF, ESCROW HOLDER IS HEREBY INSTRUCTED TO IMMEDIATELY DELIVER THE DEPOSIT TO SELLER. BY INITIALING THIS

PROVISION IN THE SPACE BELOW, SELLER AND BUYER EACH SPECIFICALLY AFFIRMS THEIR RESPECTIVE OBLIGATIONS UNDER THIS SECTION 11.

Buyer

12. **Prorations and Approved Costs.** All current and nondelinquent installments of real property taxes on the Property shall be prorated through escrow as of the date escrow closes on the basis of a 30-day month.

13. **Attorneys' Fees.** Should any party hereto institute any action or proceeding to enforce any provision hereof by reason of the alleged breach of this Agreement, the prevailing party shall be entitled to receive from the losing party such amount as the court may adjudge to be reasonable attorneys' fees, expert fees, and consultant fees for services rendered to the prevailing party, and other costs of litigation.

14. **Conflicts.** In the event of a conflict between the provisions of this Agreement and the provisions of any other documents executed or purported to be executed between the parties prior to the date hereof, the provisions contained in this Agreement shall in all instances govern and prevail.

15. **Disbursements and Other Actions by Escrow Holder.** Upon the close of escrow, Escrow Holder shall perform the following in the manner hereinbelow indicated:

(a) Disburse to Seller all funds deposited with Escrow Holder by Buyer in payment of the Purchase Price for the Property after deducting therefrom all items chargeable to the account of Seller pursuant to this Agreement;

(b) Cause the Grant Deed and any other documents that the parties hereto may mutually direct to be recorded in the Official Records of the county in which the Property is located;

(c) Cause the Title Policy to be delivered to Buyer; and

(d) Deliver to Seller conformed copies of all documents recorded at close of escrow.

16. **Notices.** All notices, demands, and requests under this Agreement by either party shall be hand delivered or sent by United States first class mail, certified or express, postage prepaid, or by a national express courier such as Federal Express, U.P.S., etc., or sent by telecopier or facsimile transmission with confirmation of receipt, and addressed to the parties as follows:

17. **No Assignment.** Buyer shall not assign or attempt to assign this Agreement, or any rights hereunder, without the prior written consent of Seller. Without limitation, Seller shall have the right to condition its consent to Buyer's assignment upon satisfaction of the following requirements: (a) Seller shall receive notice of the identity of, and the reasonable background and credit information concerning, the proposed assignee not later than ten (10) business days prior to the scheduled Closing Date, and (b) Buyer shall remain fully and primarily liable under this Agreement subsequent to any such assignment. Any assignment or purported assignment which has not received Seller's prior written consent shall be null and void and of no force and effect whatsoever.

18. **Interpretation.** Unless the context of this Agreement clearly requires otherwise, (a) plural and singular numbers shall each be deemed to include the other; (b) the masculine, feminine and neuter genders shall each be deemed to include the others; (c) "or" is not exclusive; and (d) "includes" and "including" are not limiting. In addition, each party has been or has had the opportunity to be represented by experienced and knowledgeable counsel. Accordingly, any rule of law (including California Civil Code §1654) or legal decision that would require interpretation of any ambiguities in this Agreement against the party that has drafted it is not applicable and is waived. The provisions of this Agreement shall be interpreted in a reasonable manner to effect the purpose of the parties and this Agreement.

19. **Severability.** If any portion of this Agreement shall be declared by any court of competent jurisdiction to be invalid, illegal or unenforceable, such portion shall be severed from this Agreement and the remaining parts hereof shall remain in full force and effect as fully as though such invalid, illegal or unenforceable portion had never been part of this Agreement; provided the remaining Agreement can be reasonably and equitably enforced.

20. **Binding of Successors.** Subject to the limitations set forth in Section 17 above, this Agreement shall be binding upon and inure to the benefit of the successors and assigns of the respective parties hereto.

21. **Required Actions of Buyer and Seller.** Buyer and Seller agree to execute all such instruments and documents and to take all actions (including the deposit of funds in addition to such funds as may be specifically provided for herein) as may be required in order to consummate the purchase and sale herein contemplated and shall use their best efforts to accomplish the close of escrow in accordance with the provisions hereof.

22. **Governing Law and Venue.** The validity of this Agreement and any of its terms or provisions, as well as the rights and duties of the parties hereunder, shall be interpreted and construed pursuant to and in accordance with the laws of the State of California. The parties select Los Angeles County, California as the proper and sole venue for any action filed to enforce, construe or interpret this Agreement.

23. **Headings.** Section headings have been inserted in this Agreement as a matter of convenience only; such Section headings are not a part of this Agreement and shall not be used in the interpretation of this Agreement.

24. **Entire Agreement.** This Agreement constitutes the final, complete and exclusive statement of terms of the agreement between the parties pertaining to the subject matter of this Agreement and supersedes all prior and contemporaneous understandings or agreements of the parties. No party has been induced to enter into this Agreement by, nor is any party relying on, any representation or warranty outside those expressly set forth in this Agreement.

25. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which, together, shall constitute one and the same instrument.

26. **No Third Party Benefit.** Except as provided in Section 20, the parties acknowledge and agree that the provisions of this Agreement are for the sole benefit of the parties hereto and are not for the benefit, directly or indirectly, of any other person or entity.

27. **Confidentiality; Return of Proprietary Information.**

(a) Buyer shall treat all information of whatsoever nature provided to it under the terms of this Agreement ("Proprietary Information") as confidential and Buyer shall not disclose such Proprietary Information to third parties not involved in Buyer's evaluation of the

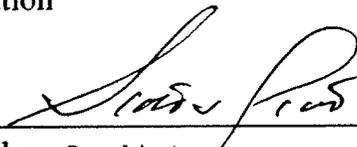

Property, without the prior written approval of Seller, unless Buyer is legally required to provide such information to a governmental agency or pursuant to legal process. The Proprietary Information shall not include any information which is, or becomes, generally available to the public other than as a result of a disclosure by Buyer, or was in Buyer's possession prior to it being furnished by Seller. The provisions of this Section 27(a) shall expire upon the close of escrow and conveyance of the Property to Buyer hereunder.

(b) In the event the purchase and sale contemplated hereby fails to close for any reason whatsoever, Buyer shall return to Seller, or cause to be returned to Seller, all Proprietary Information, and shall deliver to Seller all reports and analyses of the Property prepared by or at the request of Buyer. Further, Buyer agrees not to use or allow to be used any Proprietary Information for any purpose other than to determine whether to proceed with the contemplated purchase, or if same is consummated, in connection with the ownership or operation of the Property post-closing. ### 3 Term.

3.1 Term. The term of this Lease shall be for ten years (10 yrs.) commencing on September 1, 1977 and ending on August 31, 1987 unless sooner terminated pursuant to any provision hereof Possession of premises shall be given immediately upon completion of grading.

3.2 Delay in Commencement. Notwithstanding said commencement date, if for any reason Lessor cannot deliver possession of the Premises to Lessee on said date, Lessor shall not be subject to any liability therefor, nor shall such failure affect the validity of this Lease or the obligations of Lessee hereunder or extend the term hereof, but in such case Lessee shall not be obligated to pay rent until possession of the Premises is tendered to Lessee. Provided, however, that if Lessor shall not have delivered possession of the Premises within 100 days from said commencement date, Lessee may, at Lessee's option, by notice in writing to Lessor within 100 days thereafter, cancel this Lease, in which event the parties shall be discharged from all obligations hereunder. If Lessee occupies the Premises prior to said commencement date, such occupancy shall be subject to all provisions hereof, such occupancy shall not advance the termination date, and Lessee shall pay rent for such period at the initial monthly rates set forth below.

4 Rent. Lessee shall pay to Lessor as rent for the Premises Ninety thousand (90,000.00) dollars (90,000.00), payable in equal monthly installments of \$ 750.00 in advance, on the first day of each month of the term hereof.

Lessee shall pay Lessor upon the execution hereof \$ 1500.00 as rent for the first month rental of the lease and the balance shall be credited to the last month rental of the lease provided this lease is not in default.

Rent shall be payable in lawful money of the United States to Lessor at the address stated herein or to such other persons or at such other places as Lessor may designate in writing.

5 Security Deposit. Lessee shall deposit with Lessor upon execution hereof \$ 1500.00 as security for Lessee's faithful performance of Lessee's obligations hereunder. If Lessee fails to pay rent or other charges due hereunder, or otherwise defaults with respect to any provision of this Lease, Lessor may use, apply or retain all or any portion of said deposit for the payment of any rent or other charge in default or for the payment of any other sum to which Lessor may become obligated by reason of Lessee's default, or to compensate Lessor for any loss or damage which Lessor may suffer thereby. If Lessor so uses or applies all or any portion of said deposit, Lessee shall within ten (10) days after written demand therefor deposit cash with Lessor in an amount sufficient to restore said deposit to the full amount hereinabove stated and Lessee's failure to do so shall be a material breach of this Lease. Lessor shall not be required to keep said deposit separate from its general accounts. If Lessee performs all of Lessee's obligations hereunder, said deposit, or so much thereof as has not theretofore been applied by Lessor, shall be returned, without payment of interest or other increment for its use, to Lessee (or, at Lessee's option, to the last assignee, if any, of Lessee's interest hereunder) at the expiration of the term hereof, and after Lessee has vacated the Premises.

### 6 Use

6.1 Use. The Premises shall be used and occupied only for storage of roofing materials and material handling and manufacturing of same.

6.2 Compliance with Law. Lessee shall, at Lessee's expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect during the term of any part of the term hereof regulating the use by Lessee of the Premises. Lessee shall not use or permit the use of the Premises in any manner that will tend to create waste or a nuisance or, if there shall be more than one tenant of the building containing the Premises, which shall tend to disturb such other tenants.

6.3 Condition of Premises. Lessee hereby accepts the Premises in their condition existing as of the date of the execution hereof, subject to all applicable zoning, municipal, county and state laws, ordinances and regulations governing and regulating the use of the Premises, and accepts this Lease subject thereto and to all matters disclosed thereby and by any exhibits attached hereto. Lessee acknowledges that neither Lessor nor Lessor's agent has made any representation or warranty as to the suitability of the Premises for the conduct of Lessee's business.

### 7 Maintenance, Repairs and Alterations

7.1 Lessor's Obligations. Subject to the provisions of Article 9 and except for damage caused by any negligent or intentional act or omission of Lessee, Lessee's agents, employees, or invitees, Lessor, at Lessor's expense, shall keep in good order, condition and repair the foundations, exterior walls and the exterior roof of the Premises. Lessor shall not, however, be obligated to paint, sweep, exterior, nor shall Lessor be required to maintain the interior surface of exterior walls, windows, doors or plate glass. Lessor shall have no obligation to make repairs under this Paragraph 7.1 until a reasonable time after receipt of written notice of the need for such repairs. Lessee expressly waives the benefits of any statute now or hereafter in effect which would otherwise afford Lessee the right to make repairs at Lessor's expense or to terminate this Lease because of Lessor's failure to keep the Premises in good order, condition and repair.

### 7.2 Lessee's Obligations.

(a) Subject to the provisions of Paragraph 7.1 and Paragraph 7.2, Lessee, at Lessee's expense, shall keep in good order, condition and repair the Premises and every part thereof (regardless of whether the damaged portion of the Premises or the means of repairing the same are accessible to Lessee), including, without limiting the generality of the foregoing, all plumbing, heating, air conditioning, ventilating, electrical and lighting facilities and equipment within the Premises, fixtures, interior walls and interior surface of exterior walls, ceilings, windows, doors, plate glass, and skylights, located within the Premises and all sidewalks, landscaping, driveways, parking lots, fences and signs located in the areas which are adjacent to and included within the Premises.

(b) If Lessee fails to perform Lessee's obligations under this Paragraph 7.2, Lessor may at Lessor's option enter upon the Premises after 10 days written notice to Lessee, and put the same in good order, condition and repair, and the cost thereof together with interest thereon at the rate of 10% per annum shall be due and payable as additional rent to Lessor together with Lessee's next rental installment.

(c) On the last day of the term hereof, or on any sooner termination, Lessee shall surrender the Premises to Lessor in the same condition as received, broom clean, ordinary wear and tear excepted. Lessee shall repair any damage to the Premises occasioned by the removal of its trade fixtures, hardware and equipment pursuant to Paragraph 7.2(c), which repair shall include the patching and filling of holes and repair of structural damage.

### 7.3 Alterations and Additions

(a) Lessee shall not, without Lessor's prior written consent, make any alterations, improvements, additions, or utility installations in, on or about the Premises, except for non structural alterations, not exceeding \$1,000 in cost. As used in this Paragraph 7.3, the term "utility installations" shall include but not be limited to, power panels, floor and ceiling fixtures, space heaters, conduits and wiring. As a condition to giving such consent, Lessor may require that Lessee agree to remove any such alterations, improvements, additions or utility installations, at the expiration of the term, and to restore the Premises to the same condition. As a further condition to giving such consent, Lessor may require Lessee to provide Lessor, at Lessee's sole cost and expense, a lien

(b) Lessee shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Lessee at or for use in the Premises, which claims are or may be secured by any mechanics' or materialmen's lien against the Premises or any interest therein. Lessee shall give Lessor not less than ten (10) days' notice prior to the commencement of any work in the Premises, and Lessor shall have the right to post notices of nonresponsibility in or on the Premises as provided by law.

(c) Unless Lessor requires their removal, as set forth in Paragraph 7.3(a), all alterations, improvements, additions and utility installations (whether or not such utility installations constitute trade fixtures of Lessee), which may be made on the Premises, shall become the property of Lessor and remain upon and be surrendered with the Premises at the expiration of the term. Notwithstanding the provisions of this Paragraph 7.3(c), Lessee's machinery and equipment, other than that which is affixed to the Premises so that it cannot be removed without material damage to the Premises, shall remain the property of Lessee and may be removed by Lessee subject to the provisions of Paragraph 7.2(c).

#### Insurance, Indemnity

**8.1 Liability Insurance.** Lessee shall, at Lessee's expense, obtain and keep in force during the term of this Lease a policy of comprehensive public liability insurance insuring Lessor and Lessee against any liability arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be in an amount of not less than \$300,000 for injury to or death of one person in any one accident or occurrence and in an amount of not less than \$500,000 for injury to or death of more than one person in any one accident or occurrence. Such insurance shall further insure Lessor and Lessee against liability for property damage of at least \$50,000. The limits of said insurance shall not, however, limit the liability of Lessee hereunder. In the event that the Premises constitute a part of a larger property said insurance shall have a Lessor's Protective Liability endorsement attached thereto. If Lessee shall fail to procure and maintain said insurance Lessor may, but shall not be required to, procure and maintain the same, but at the expense of Lessee.

**8.2 Property Insurance.** Lessor shall obtain and keep in force during the term of this Lease a policy or policies of insurance covering loss or damage to the Premises in the amount of the full replacement value thereof, providing protection against all perils included within the classification of fire, extended coverage, ~~theft, malicious mischief, special extended perils (all risk)~~. Lessee shall pay during the term hereof, in addition to rent, the amount of any increase in premiums for the insurance required under this Paragraph 8.2 over and above such premiums paid by Lessor during the first full year of the term of this Lease in which Lessor shall have maintained the insurance required under this Paragraph 8.2, whether such premium increase shall be the result of the nature of Lessee's occupancy, any act or omission of Lessee, requirements of the holder of a mortgage or deed of trust covering the Premises, or increased valuation of the Premises. Lessee shall pay any such premium increases to Lessor within 30 days after receipt by Lessee of a copy of the premium statement or other satisfactory evidence of the amount due. If the insurance policies maintained hereunder cover other improvements in addition to the Premises, Lessor shall also deliver to Lessee a statement of the amount of such increase attributable to the Premises and showing in reasonable detail the manner in which such amount was computed. If the term of this Lease shall not expire concurrently with the expiration of the period covered by such insurance, Lessee's liability for premium increases shall be prorated on an annual basis.

**8.3 Insurance Policies.** Insurance required hereunder shall be in companies rated AAA or better in "Best's Insurance Guide". Lessee shall deliver to Lessor copies of policies of liability insurance required under Paragraph 8.1 or certificates evidencing the existence and amounts of such insurance with loss payable clauses satisfactory to Lessor. No such policy shall be cancellable or subject to reduction of coverage or other modification except after ten (10) days' prior written notice to Lessor. Lessee shall, within ten (10) days prior to the expiration of such policies, furnish Lessor with renewals or "binders" thereof, or Lessor may order such insurance and charge the cost thereof to Lessee, which amount shall be payable by Lessee upon demand. Lessee shall not do or permit to be done anything which shall invalidate the insurance policies referred to in Paragraph 8.2.

**8.4 Waiver of Subrogation.** Lessee and Lessor each hereby waives any and all rights of recovery against the other, or against the officers, employees, agents and representatives of the other, for loss of or damage to such waiving party or its property or the property of others under its control, where such loss or damage is insured against under any insurance policy in force at the time of such loss or damage. Lessee and Lessor shall, upon obtaining the policies of insurance required hereunder, give notice to the insurance carrier or carriers that the foregoing mutual waiver of subrogation is contained in this Lease.

**8.5 Indemnity.** Lessee shall indemnify and hold harmless Lessor from and against any and all claims arising from Lessee's use of the Premises, or from the conduct of Lessee's business or from any activity, work or things done, permitted or suffered by Lessee in or about the Premises or elsewhere and shall further indemnify and hold harmless Lessor from and against any and all claims arising from any breach or default in the performance of any obligation on Lessee's part to be performed under the terms of this Lease, or arising from any negligence of the Lessee, or any of Lessee's agents, contractors, or employees, and from and against all costs, attorney's fees, expenses and liabilities incurred in the defense of any such claim or any action or proceeding brought thereon; and in case any action or proceeding be brought against Lessor by reason of any such claim, Lessee upon notice from Lessor shall defend the same at Lessee's expense by counsel satisfactory to Lessor. Lessee, as a material part of the consideration to Lessor, hereby assumes all risk of damage to property or injury to persons, in, upon or about the Premises arising from any cause and Lessee hereby waives all claims in respect thereof against Lessor.

**8.6 Exemption of Lessor from Liability.** Lessee hereby agrees that Lessor shall not be liable for injury to Lessee's business or any loss of income therefrom or for damage to the goods, wares, merchandise or other property of Lessee, Lessee's employees, invitees, customers, or any other person in or about the Premises, nor shall Lessor be liable for injury to the person of Lessee, Lessee's employees, agents or contractors, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, or from the breakage, leakage, obstruction or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning or lighting fixtures, or from any other cause, whether the said damage or injury results from conditions arising upon the Premises or upon other portions of the building of which the Premises are a part, or from other sources or places, and regardless of other the cause of such damage or injury or the means of repairing the same is inaccessible to Lessee. Lessor shall not be liable for any damages arising from any act or neglect of any other tenant, if any, of the building in which the Premises are located.

#### Damage or Destruction

**9.1 Partial Damage-Insured.** Subject to the provisions of Paragraph 9.4, if the Premises are damaged and such damage was caused by a casualty covered under an insurance policy required to be maintained pursuant to Paragraph 8.2, Lessor shall at Lessor's expense repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect.

**9.2 Partial Damage-Uninsured.** Subject to the provisions of Paragraph 9.4, if at any time during the term hereof the Premises are damaged, except by a negligent or willful act of Lessee, and such damage was caused by a casualty not covered under an insurance policy required to be maintained by Lessor pursuant to Paragraph 8.2, Lessor may at Lessor's option either (i) repair such damage as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) give written notice to Lessee within thirty (30) days after the date of the occurrence of such damage of Lessor's intention to cancel and terminate this Lease as of the date of the occurrence of such damage. In the event Lessor elects to give such notice of Lessor's intention to cancel and terminate this Lease, Lessee shall have the right within ten (10) days after the receipt of such notice to give written notice to Lessor of Lessee's intention to repair such damage at Lessee's expense, without reimbursement from Lessor, in which event this Lease shall continue in full force and effect, and Lessee shall proceed to make such repairs as soon as reasonably possible. If Lessee does not give such notice within such 10-day period this Lease shall be cancelled and terminated as of the date of the occurrence of such damage.

**9.3 Total Destruction.** If at any time during the term hereof the Premises are totally destroyed from any cause whether or not covered by the insurance required to be maintained by Lessor pursuant to Paragraph 8.2 (including any total destruction required by any authorized public authority) this Lease shall automatically terminate as of the date of such total destruction.

**9.4 Damage Near End of Term.** If the Premises are partially destroyed or damaged during the last six months of the term of this Lease, Lessor may at Lessor's option cancel and terminate this Lease as of the date of occurrence of such damage by giving written notice to Lessee of Lessor's election to do so within 30 days after the date of occurrence of such damage.

#### 9.5 Abatement of Rent; Lessee's Remedies

(a) If the Premises are partially destroyed or damaged and Lessor or Lessee repairs or restores them pursuant to the provisions of this Article, the rent payable hereunder for the period during which such damage, repair or restoration continues shall be abated in proportion to the degree to which Lessee's use of the Premises is impaired. Except for abatement of rent, if any, Lessee shall have no claim against Lessor for any damage suffered by reason of any such damage, destruction, repair or restoration.

(b) If Lessor shall be obligated to repair or restore the Premises under the provisions of this Paragraph 9 and shall not commence such repair or restoration within 90 days after such obligations shall accrue, Lessee may at Lessee's option cancel and terminate this Lease by giving Lessor written notice of Lessee's election to do so at any time prior to the commencement of such repair or restoration. In such event this Lease shall terminate as of the date of such notice. Any abatement in rent shall be computed as provided in Paragraph 9.5(a).

**9.6 Termination-Advance Payments.** Upon termination of this Lease pursuant to this Paragraph 9, an equitable adjustment shall be made concerning advance rent and any advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's security deposit as has not theretofore been applied by Lessor.

#### 10. Real Property Taxes

**10.1 Payment of Tax Increase.** Lessor shall pay all real property taxes applicable to the Premises; provided, however, that Lessee shall pay, in addition to rent, the amount, if any, by which real property taxes applicable to the Premises increase over the fiscal tax year 19 77-78. Such payment shall be made by Lessee within thirty (30) days after receipt of Lessor's written statement setting forth the amount of such increase and the reasonable computation thereof. If the term of this Lease shall not expire concurrently with the expiration of the tax fiscal year, Lessee's liability for increased taxes for the last partial lease year shall be prorated on an annual basis.

**10.2 Definition of "Real Property" Tax.** As used herein, the term "real property tax" shall include any form of assessment, license fee, commercial rental tax, levy, penalty, or tax (other than inheritance or estate taxes), imposed by any authority having the direct or indirect power to tax, including any city, county, state or federal government, or any school, agricultural, lighting, drainage or other improvement district thereof, as against any legal or equitable interest of Lessor in the Premises or in the real property of which the Premises are a part, as against Lessor's right to rent or other income therefrom, or as against Lessor's business of leasing the Premises.

**10.3 Joint Assessment.** If the Premises are not separately assessed, Lessee's liability shall be an equitable proportion of the real property taxes for the land and improvements included within the tax parcel assessed, such proportion to be determined by Lessor from the respective valuations provided in the assessor's work sheets or such other information as may be reasonably available. Lessor's reasonable determination thereof, in good faith, shall be conclusive.

#### 10.4 Personal Property Taxes

(a) Lessee shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of Lessee contained in the Premises or elsewhere. When possible, Lessee shall cause said trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor.

(b) If any of Lessee's said personal property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

4. Utilities. Lessor shall pay for all water, gas, heat, light, power, telephone and other utilities and services supplied to the Premises, together with any taxes thereon. If any such services are not separately metered to Lessee, Lessee shall pay a reasonable proportion to be determined by Lessor of all charges jointly metered with other premises.

#### 12. Assignment and Subletting.

12.1 Lessor's Consent Required. Lessee shall not voluntarily or by operation of law assign, transfer, mortgage, sublet, or otherwise transfer or encumber all or any part of Lessee's interest in this Lease or in the Premises, without Lessor's prior written consent, which Lessor shall not unreasonably withhold. Any attempted assignment, transfer, mortgage, encumbrance or subletting without such consent shall be void, and shall constitute a breach of

No Release of Lessee. Regardless of Lessor's consent, no subletting or assignment shall release Lessee of Lessee's obligation to alter the quantity of Lessee to pay the rent and to perform all other obligations to be performed by Lessee hereunder. The acceptance of rent by Lessor from any other person shall not be deemed to be a waiver by Lessor of any provision hereof. Consent to one assignment or subletting shall not be deemed consent to any subsequent assignment or subletting.

12.3 Attorney's Fees. In the event that Lessor shall consent to a sublease or assignment under Paragraph 12.1, Lessee shall pay Lessor's reasonable attorneys' fees not to exceed \$100 incurred in connection with giving such consent.

#### 13. Defaults; Remedies.

13.1 Defaults. The occurrence of any one or more of the following events shall constitute a material default and breach of this Lease by Lessee

(a) The vacating or abandonment of the Premises by Lessee

(b) The failure by Lessee to make any payment of rent or any other payment required to be made by Lessee hereunder, as and when due, where such failure shall continue for a period of three days after written notice thereof from Lessor to Lessee

(c) The failure by Lessee to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Lessee, other than those described in paragraph (b) above, where such failure shall continue for a period of 30 days after written notice hereof from Lessor to Lessee, provided, however, that if the nature of Lessor's default is such that more than 30 days are reasonably required for its cure, then Lessee shall not be deemed to be in default if Lessee commences his cure within said 30 day period and thereafter diligently prosecutes such cure to completion

(d) (i) The making by Lessee of any general assignment or general arrangement for the benefit of creditors, (ii) the filing by or against Lessee of a petition to have Lessee adjudged a bankrupt or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days), (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days.

13.2 Remedies. In the event of any such material default or breach by Lessee, Lessor may at any time thereafter, with or without notice or demand and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such default or breach

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession of the Premises to Lessor. In such event Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of Lessee's default including, but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorney's fees, and any real estate commission actually paid; the worth at the time of award by the court having jurisdiction thereof of the amount by which the unpaid rent for the balance of the term after the time of such award exceeds the amount of such rental loss for the same period that Lessee proves could be reasonably avoided; that portion of the leasing commission paid by Lessor pursuant to Article 15 applicable to the unexpired term of this Lease. Unpaid installments of rent or other sums shall bear interest from the date due at the rate of 10% per annum. In the event Lessee shall have abandoned the Premises, Lessor shall have the option of (i) retaking possession of the Premises and recovering from Lessee the amount specified in this Paragraph 13.2(a), or (ii) proceeding under Paragraph 13.2(b).

(b) Maintain Lessee's right to possession in which case this Lease shall continue in effect whether or not Lessee shall have abandoned the Premises. In such event Lessor shall be entitled to enforce all of Lessor's rights and remedies under this Lease, including the right to recover the rent as it becomes due hereunder.

(c) Pursue any other remedy now or hereafter available to Lessor under the laws or judicial decisions of the State of California.

13.3 Default by Lessor. Lessor shall not be in default unless Lessor fails to perform obligations required of Lessor within a reasonable time, but in no event later than thirty (30) days after written notice by Lessee to Lessor and to the holder of any first mortgage or deed of trust covering the Premises whose name and address shall have theretofore been furnished to Lessee in writing, specifying wherein Lessor has failed to perform such obligation; provided, however, that if the nature of Lessor's obligation is such that more than thirty (30) days are required for performance then Lessor shall not be in default if Lessor commences performance within such 30-day period and thereafter diligently prosecutes the same to completion.

13.4 Late Charges. Lessee hereby acknowledges that late payment by Lessee to Lessor of rent and other sums due hereunder will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed on Lessor by the terms of any mortgage or trust deed covering the Premises. Accordingly, if any installment of rent or any other sum due from Lessee shall not be received by Lessor or Lessor's designee within ten (10) days after such sum shall be due, Lessee shall pay to Lessor a late charge equal to 10% of such overdue amount. The parties hereby agree that such late charge is a fair and reasonable estimate of the costs Lessor will incur by reason of late payment by Lessee. Acceptance of such late charge by Lessor shall constitute a waiver of Lessee's default with respect to such overdue amount, nor prevent Lessor from exercising any of the other rights and remedies granted hereunder.

14. Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain, or sold under the threat of the exercise of said power (all of which are herein called "condemnation"), this Lease shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the floor area of the improvements on the premises, or more than 25% of the land area of the Premises which is not occupied by any improvements, is taken by condemnation, Lessee may, at Lessee's option, to be exercised in writing only within ten (10) days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within ten (10) days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the rent shall be reduced in the proportion that the floor area taken bears to the total floor area of the building situated on the Premises. Any award for the taking of all or any part of the Premises under the power of eminent domain or any payment made under threat of the exercise of such power shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold or for the taking of the fee, or as severance damages; provided, however, that Lessee shall be entitled to any award for loss of or damage to Lessee's trade fixtures and removable personal property. In the event that this Lease is not terminated by reason of such condemnation, Lessor shall, to the extent of severance damages received by Lessor in connection with such condemnation, repair any damage to the Premises caused by such condemnation except to the extent that Lessee has been reimbursed therefor by the condemning authority. Lessee shall pay any amount in excess of such severance damages required to complete such repair.

15. Broker's Fee. Upon execution of this Lease by both parties, Lessor shall pay to Industrial Security Real Estate, a licensed real estate broker, a fee of \$ 3600 for the brokerage services heretofore rendered. Lessor further agrees that if Lessee exercises any option granted herein or any option substantially similar thereto, either to extend the term of this Lease, to renew this Lease, to purchase said Premises or any part thereof and/or any adjacent property which Lessor may own or in which Lessor has an interest, or any other option granted herein, or if said broker is the procuring cause of any other lease or sale entered into between the parties pertaining to the Premises and/or any adjacent property in which Lessor has an interest, then as to any of said transactions, Lessor shall pay said broker a fee in accordance with the schedule of said broker in effect at the time of execution of this Lease. Lessor agrees to pay said fee not only on behalf of Lessor but also on behalf of any person, corporation, association, or other entity having an ownership interest in said real property or any part thereof, when such fee is due hereunder. Any transferee of Lessor's interest in this Lease, by accepting an assignment of such interest, shall be deemed to have assumed Lessor's obligation under this Paragraph 15. Said broker shall be a third party beneficiary of the provisions of this Paragraph.

#### 16. General Provisions.

16.1 Estoppel Certificate.

(a) Lessee shall at any time upon not less than ten (10) days' prior written notice from Lessor execute, acknowledge and deliver to Lessor a statement in writing (i) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect) and the date to which the rent and other charges are paid in advance, if any, and (ii) acknowledging that there are not, to Lessee's knowledge, any uncured defaults on the part of Lessor hereunder, or specifying such defaults if any are claimed. Any such statement may be conclusively relied upon by any prospective purchaser or encumbrancer of the Premises.

(b) Lessee's failure to deliver such statement within such time shall be conclusive upon Lessee (i) that this Lease is in full force and effect, without modification except as may be represented by Lessor, (ii) that there are no uncured defaults in Lessor's performance, and (iii) that not more than one month's rent has been paid in advance.

(c) If Lessor desires to finance or refinance the Premises, or any part thereof, Lessee hereby agrees to deliver to any lender designated by Lessor such financial statements of Lessee as may be reasonably required by such lender. Such statements shall include the past three years' financial statements of Lessee. All such financial statements shall be received by Lessor in confidence and shall be used only for the purposes herein set forth.

16.2 Lessor's Liability. The term "Lessor" as used herein shall mean only the owner or owners at the time in question of the fee title or a Lessee's interest in a ground lease of the Premises, and except as expressly provided in Paragraph 15, in the event of any transfer of such title or interest, Lessor herein named (and in case of any subsequent transfers the then grantor) shall be relieved from and after the date of such transfer of all liability as respects Lessee's obligations thereafter to be performed, provided that any funds in the hands of Lessor or the then grantor at the time of such transfer, in which Lessor has an interest, shall be delivered to the grantee. The obligations contained in this Lease to be performed by Lessor shall, subject as aforesaid, be on Lessor's successors and assigns, only during their respective periods of ownership.

16.3 Severability. The invalidity of any provision of this Lease as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

16.4 Interest on Past-due Obligations. Except as expressly herein provided, any amount due to Lessor not paid when due shall bear interest at 10% per annum from the date due. Payment of such interest shall not excuse or cure any default by Lessee under this Lease.

16.5 Time of Essence. Time is of the essence.

16.6 Captions. Article and paragraph captions are not a part hereof.

16.7 Incorporation of Prior Agreements; Amendments. This Lease contains all agreements of the parties with respect to any matter mentioned herein. No prior agreement or understanding pertaining to any such matter shall be effective. This Lease may be modified in writing only, signed by the parties in interest at the time of the modification.

18. Lessor agrees to pay for the installation of natural gas lines and meter and water line for the transportation of potable water to the property, provided any and all plans and specifications and costs therefor shall be and are subject to the prior written approval of Lessor before Lessee begins the installation thereof.

19. Lessee may construct an office building upon the property subject to this Lease, at Lessee's sole cost and expense. Lessee agrees to remove said office building at the termination of this Lease including any and all foundations associated therewith all at Lessee's sole cost and expense.

Lessee agrees that any and all improvements, including the above-mentioned office building, which Lessee shall install upon the property, shall conform to any and all applicable law, ordinance, code or regulation and any and all permits necessary for the construction or installation of said improvements and/or structures shall be obtained by Lessee at Lessee's sole cost and expense.

21. 22. Lessor agrees to pay for the installation of a septic tank upon the property at a cost not to exceed \$1100.

The monthly rental due hereunder shall be adjusted effective for each successive 3-year period during the term hereof as follows: The monthly rental recited in Paragraph 4 of the Lease to which this Exhibit is attached shall be applicable from September 1, 1977 through August 31, 1980. in the preceding three consecutive year period between the month of July, which directly preceded the applicable three consecutive year period and the last month of July within said period, provided such rental shall not be increased in excess of 15 per cent.

24. Lessee is hereby granted the option to extend the term of this Lease for an additional 5-year period. During the term of any said extension the parties hereto shall remain subject to the same terms and conditions, including increases in the minimum monthly rental as above mentioned, provided Lessee must give Lessor at least 60 days' prior written notice of Lessee's intent to exercise said option before the expiration of the initial term of the Lease.

(b) Lessee shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Lessee at or for use in the Premises which claims are or may be secured by any mechanics' or workmen's lien against the Premises or any interest therein. Lessee shall give Lessor not less than ten (10) days' notice prior to the commencement of any work in the Premises, and Lessor shall have the right to post notices of non responsibility in or on the Premises as provided by law.

(c) Unless Lessor requires their removal, as set forth in Paragraph 7.3(a), all alterations, improvements, additions and utility installations (whether or not such utility installations constitute trade fixtures of Lessee), which may be made on the Premises, shall become the property of Lessor and remain upon and be surrendered with the Premises at the expiration of the term. Notwithstanding the provisions of this Paragraph 7.3(c), Lessee's machinery and equipment, other than that which is affixed to the Premises so that it cannot be removed without material damage to the Premises, shall be the property of Lessee and may be removed by Lessee subject to the provisions of Paragraph 7.2(c).

#### Insurance, Indemnity

**8.1 Liability Insurance.** Lessee shall, at Lessee's expense, obtain and keep in force during the term of this Lease a policy of comprehensive public liability insurance insuring Lessor and Lessee against any liability arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be in an amount of not less than \$300,000 for injury to or death of one person in any one accident or occurrence and in an amount of not less than \$500,000 for injury to or death of more than one person in any one accident or occurrence. Such insurance shall further insure Lessor and Lessee against liability for property damage of at least \$50,000. The limits of said insurance shall not, however, limit the liability of Lessee hereunder. In the event that the Premises constitute a part of a larger property said insurance shall have a Lessor's Protective Liability endorsement attached thereto. If Lessee shall fail to procure and maintain said insurance Lessor may, but shall not be required to, procure and maintain the same, but at the expense of Lessee.

**8.2 Property Insurance.** Lessor shall obtain and keep in force during the term of this Lease a policy or policies of insurance covering loss or damage to the Premises, in the amount of the full replacement value thereof, providing protection against all perils included within the classification of fire, extended coverage, vandalism, malicious mischief, special extended perils (all risk). Lessee shall pay during the term hereof, in addition to rent, the amount of any increase in premiums for the insurance required under this Paragraph 8.2 over and above such premiums paid by Lessor during the first full year of the term of this Lease in which Lessor shall have maintained the insurance required under this Paragraph 8.2, whether such premium increase shall be the result of the nature of Lessee's occupancy, any act or omission of Lessee, requirements of the holder of a mortgage or deed of trust covering the Premises, or increased valuation of the Premises. Lessee shall pay any such premium increase to Lessor within 30 days after receipt by Lessee of a copy of the premium statement or other satisfactory evidence of the amount due. If the insurance policies maintained hereunder cover other improvements in addition to the Premises, Lessor shall also deliver to Lessee a statement of the amount of such increase attributable to the Premises and showing in reasonable detail the manner in which such amount was computed. If the term of this Lease shall not expire concurrently with the expiration of the period covered by such insurance, Lessee's liability for premium increases shall be prorated on an annual basis.

**8.3 Insurance Policies.** Insurance required hereunder shall be in companies rated AAA or better in "Best's Insurance Guide". Lessee shall deliver to Lessor copies of policies of liability insurance required under Paragraph 8.1 or certificates evidencing the existence and amounts of such insurance with loss payable clauses satisfactory to Lessor. No such policy shall be cancellable or subject to reduction of coverage or other modification except after ten (10) days' prior written notice to Lessor. Lessee shall, within ten (10) days prior to the expiration of such policies, furnish Lessor with renewals or "binders" thereof, or Lessor may order such insurance and charge the cost thereof to Lessee, which amount shall be payable by Lessee upon demand. Lessee shall not do or permit to be done anything which shall invalidate the insurance policies referred to in Paragraph 8.2.

**8.4 Waiver of Subrogation.** Lessee and Lessor each hereby waives any and all rights of recovery against the other, or against the officers, employees, agents and representatives of the other, for loss of or damage to such waiving party or its property or the property of others under its control, where such loss or damage is insured against under any insurance policy in force at the time of such loss or damage. Lessee and Lessor shall, upon obtaining the policies of insurance required hereunder, give notice to the insurance carrier or carriers that the foregoing mutual waiver of subrogation is contained in this Lease.

**8.5 Indemnity.** Lessee shall indemnify and hold harmless Lessor from and against any and all claims arising from Lessee's use of the Premises, or from the conduct of Lessee's business or from any activity, work or things done, permitted or suffered by Lessee in or about the Premises or elsewhere and shall further indemnify and hold harmless Lessor from and against any and all claims arising from any breach or default in the performance of any obligation on Lessee's part to be performed under the term of this Lease, or arising from any negligence of the Lessee, or any of Lessee's agents, contractors, or employees, and from and against all costs, attorney's fees, expenses and liabilities incurred in the defense of any such claim or any action or proceeding brought thereon; and in case any action or proceeding be brought against Lessee by reason of any such claim, Lessee upon notice from Lessor shall defend the same at Lessee's expense by counsel satisfactory to Lessor. Lessee, as a material part of the consideration to Lessor, hereby assumes all risk of damage to property or injury to persons, in, upon or about the Premises arising from any cause and Lessee hereby waives all claims in respect thereof against Lessor.

**8.6 Exemption of Lessor from Liability.** Lessee hereby agrees that Lessor shall not be liable for injury to Lessee's business or any loss of income therefrom or for damage to the goods, wares, merchandise or other property of Lessee, Lessee's employees, invitees, customers, or any other person in or about the Premises, nor shall Lessor be liable for injury to the person of Lessee, Lessee's employees, agents or contractors, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, or from the breakage, leakage, obstruction or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning or lighting fixtures, or from any other cause, whether the said damage or injury results from conditions arising upon the Premises or upon other portions of the building of which the Premises are a part, or from other sources or places, and regardless of the cause of such damage or injury or the means of repairing the same is inaccessible to Lessee. Lessor shall not be liable for any damages arising by act or neglect of any other tenant, if any, of the building in which the Premises are located.

#### Damage or Destruction

**9.1 Partial Damage-Insured.** Subject to the provisions of Paragraph 9.4, if the Premises are damaged and such damage was caused by a casualty covered under an insurance policy required to be maintained pursuant to Paragraph 8.2, Lessor shall at Lessor's expense repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect.

**9.2 Partial Damage-Uninsured.** Subject to the provisions of Paragraph 9.4, if at any time during the term hereof the Premises are damaged, except by a negligent or willful act of Lessee, and such damage was caused by a casualty not covered under an insurance policy required to be maintained by Lessor pursuant to Paragraph 8.2, Lessor may at Lessor's option either (i) repair such damage as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) give written notice to Lessee within thirty (30) days after the date of the occurrence of such damage of Lessor's intention to cancel and terminate this Lease as of the date of the occurrence of such damage. In the event Lessor elects to give such notice of Lessor's intention to cancel and terminate this Lease, Lessee shall have the right within ten (10) days after the receipt of such notice to give written notice to Lessor of Lessee's intention to repair such damage at Lessee's expense, without reimbursement from Lessor, in which event this Lease shall continue in full force and effect, and Lessee shall proceed to make such repairs as soon as reasonably possible. If Lessee does not give such notice within such 10-day period this Lease shall be cancelled and terminated as of the date of the occurrence of such damage.

**9.3 Total Destruction.** If at any time during the term hereof the Premises are totally destroyed from any cause whether or not covered by the insurance required to be maintained by Lessor pursuant to Paragraph 8.2 (including any total destruction required by any authorized public authority) this Lease shall automatically terminate as of the date of such total destruction.

**9.4 Damage Near End of Term.** If the Premises are partially destroyed or damaged during the last six months of the term of this Lease, Lessor may at Lessor's option cancel and terminate this Lease as of the date of occurrence of such damage by giving written notice to Lessee of Lessor's election to do so within 30 days after the date of occurrence of such damage.

#### 9.5 Abatement of Rent; Lessee's Remedies.

(a) If the Premises are partially destroyed or damaged and Lessor or Lessee repairs or restores them pursuant to the provisions of this Article, the rent payable hereunder for the period during which such damage, repair or restoration continues shall be abated in proportion to the degree to which Lessee's use of the Premises is impaired. Except for abatement of rent, if any, Lessee shall have no claim against Lessor for any damage suffered by reason of any such damage, destruction, repair or restoration.

(b) If Lessor shall be obligated to repair or restore the Premises under the provisions of this Paragraph 9.5 and shall not commence such repair or restoration within 90 days after such obligations shall accrue, Lessee may at Lessee's option cancel and terminate this Lease by giving Lessor written notice of Lessee's election to do so at any time prior to the commencement of such repair or restoration. In such event this Lease shall terminate as of the date of such notice. Any abatement in rent shall be computed as provided in Paragraph 9.5(a).

**9.6 Termination-Advance Payments.** Upon termination of this Lease pursuant to this Paragraph 9, an equitable adjustment shall be made concerning advance rent and any advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's security deposit as has not theretofore been applied by Lessor.

#### 10. Real Property Taxes

**10.1 Payment of Tax Increase.** Lessor shall pay all real property taxes applicable to the Premises; provided, however, that Lessee shall pay, in addition to rent, the amount, if any, by which real property taxes applicable to the Premises increase over the fiscal tax year 19 77-78. Such payment shall be made by Lessee within thirty (30) days after receipt of Lessor's written statement setting forth the amount of such increase and the reasonable computation thereof. If the term of this Lease shall not expire concurrently with the expiration of the tax fiscal year, Lessee's liability for increased taxes for the last partial lease year shall be prorated on an annual basis.

**10.2 Definition of "Real Property" Tax.** As used herein, the term "real property tax" shall include any form of assessment, license fee, commercial rental tax, levy, penalty, or tax (other than inheritance or estate taxes), imposed by any authority having the direct or indirect power to tax, including any city, county, state or federal government, or any school, agricultural, lighting, drainage or other improvement district thereof, as against any legal or equitable interest of Lessor in the Premises or in the real property of which the Premises are a part, as against Lessor's right to rent or other income therefrom, or as against Lessor's business of leasing the Premises.

**10.3 Joint Assessment.** If the Premises are not separately assessed, Lessee's liability shall be an equitable proportion of the real property taxes for the land and improvements included within the tax parcel assessed, such proportion to be determined by Lessor from the respective valuations of the assessor's work sheets or such other information as may be reasonably available. Lessor's reasonable determination thereof, in good faith, shall be conclusive.

#### 10.4 Personal Property Taxes.

(a) Lessee shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of Lessee contained in the Premises or elsewhere. When possible, Lessee shall cause said trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor.

(b) If any of Lessee's said personal property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

11. Utilities. Lessee shall pay for all water, gas, heat, light, power, telephone and other utilities and services supplied to the Premises, together with any taxes thereon. If any such services are not separately metered to Lessee, Lessee shall pay a reasonable proportion to be determined by Lessor of all charges jointly metered with other premises.

#### 12. Assignment and Subletting.

12.1 Lessor's Consent Required. Lessee shall not voluntarily or by operation of law assign, transfer, mortgage, sublet, or otherwise transfer or encumber all or any part of Lessee's interest in this Lease or in the Premises, without Lessor's prior written consent, which Lessor shall not unreasonably withhold. Any attempted assignment, transfer, mortgage, encumbrance or subletting without such consent shall be void, and shall constitute a breach of this Lease.

12.2 No Release of Lessee. Regardless of Lessor's consent, no subletting or assignment shall release Lessee of Lessee's obligation or alter the primary liability of Lessee to pay the rent and to perform all other obligations to be performed by Lessee hereunder. The acceptance of rent by Lessor from any other person shall not be deemed to be a waiver by Lessor of any provision hereof. Consent to one assignment or subletting shall not be deemed consent to any subsequent assignment or subletting.

12.3 Attorney's Fees. In the event that Lessor shall consent to a sublease or assignment under Paragraph 12.1, Lessee shall pay Lessor's reasonable attorney's fees not to exceed \$100 incurred in connection with giving such consent.

#### 13. Defaults; Remedies.

13.1 Defaults. The occurrence of any one or more of the following events shall constitute a material default and breach of this Lease by Lessee:

(a) The vacating or abandonment of the Premises by Lessee.

(b) The failure by Lessee to make any payment of rent or any other payment required to be made by Lessee hereunder, as and when due, where such failure shall continue for a period of three days after written notice thereof from Lessor to Lessee.

(c) The failure by Lessee to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Lessee, other than described in paragraph (b) above, where such failure shall continue for a period of 30 days after written notice hereof from Lessor to Lessee; provided, however, that if the nature of Lessor's default is such that more than 30 days are reasonably required for its cure, then Lessee shall not be deemed to be in default if Lessee commences such cure within said 30 day period and thereafter diligently prosecutes such cure to completion.

(d) (i) The making by Lessee of any general assignment, or general assignment for the benefit of creditors, (ii) the filing by or against Lessee of a petition to have Lessee adjudged a bankrupt or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days), (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days.

13.2 Remedies. In the event of any such material default or breach by Lessee, Lessor may at any time thereafter, with or without notice or demand and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such default or breach:

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession of the Premises to Lessor. In such event Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of Lessee's default including, but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorney's fees, and any real estate commission actually paid; the worth at the time of award by the court having jurisdiction thereof of the amount by which the unpaid rent for the balance of the term after the time of such award exceeds the amount of such rental loss for the same period that Lessee proves could be reasonably avoided; that portion of the leasing commission paid by Lessor pursuant to Article 15 applicable to the unexpired term of this Lease. Unpaid installments of rent or other sums shall bear interest from the date due at the rate of 10% per annum. In the event Lessee shall have abandoned the Premises, Lessor shall have the option of (i) retaking possession of the Premises and recovering from Lessee the amount specified in this Paragraph 13.2(a), or (ii) proceeding under Paragraph 13.2(b).

(b) Maintain Lessee's right to possession in which case this Lease shall continue in effect whether or not Lessee shall have abandoned the Premises. In such event Lessor shall be entitled to enforce all of Lessor's rights and remedies under this Lease, including the right to recover the rent as it becomes due hereunder.

(c) Pursue any other remedy now or hereafter available to Lessor under the laws or judicial decisions of the State of California.

13.3 Default by Lessor. Lessor shall not be in default unless Lessor fails to perform obligations required of Lessor within a reasonable time, but in no event later than thirty (30) days after written notice by Lessee to Lessor and to the holder of any first mortgage or deed of trust covering the Premises whose name and address shall have theretofore been furnished to Lessee in writing, specifying wherein Lessor has failed to perform such obligation; provided, however, that if the nature of Lessor's obligation is such that more than thirty (30) days are required for performance then Lessor shall not be in default if Lessor commences performance within such 30-day period and thereafter diligently prosecutes the same to completion.

13.4 Late Charges. Lessee hereby acknowledges that late payment by Lessee to Lessor of rent and other sums due hereunder will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed on Lessor by the terms of any mortgage or trust deed covering the Premises. Accordingly, if any installment of rent or any other sum due from Lessee shall not be received by Lessor or Lessor's designee within ten (10) days after amount shall be due, Lessee shall pay to Lessor a late charge equal to 10% of such overdue amount. The parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Lessor will incur by reason of late payment by Lessee. Acceptance of such late charge by Lessor shall no event constitute a waiver of Lessee's default with respect to such overdue amount, nor prevent Lessor from exercising any of the other rights and remedies granted hereunder.

14. Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain, or sold under the threat of the exercise of said power (all of which are herein called "condemnation"), this Lease shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the floor area of the improvements on the premises, or more than 25% of the land area of the Premises which is not occupied by any improvements, is taken by condemnation, Lessee may, at Lessee's option, to be exercised in writing only within ten (10) days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within ten (10) days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the rent shall be reduced in the proportion that the floor area taken bears to the total floor area of the building situated on the Premises. Any award for the taking of all or any part of the Premises under the power of eminent domain or any payment made under threat of the exercise of such power shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold or for the taking of the fee, or as severance damages; provided, however, that Lessee shall be entitled to any award for loss of or damage to Lessee's trade fixtures and removable personal property. In the event that this Lease is not terminated by reason of such condemnation, Lessor shall, to the extent of severance damages received by Lessor in connection with such condemnation, repair any damage to the Premises caused by such condemnation except to the extent that Lessee has been reimbursed therefor by the condemning authority. Lessee shall pay any amount in excess of such severance damages required to complete such repair.

15. Broker's Fee. Upon execution of this Lease by both parties, Lessor shall pay to Industrial Security Real Estate, a licensed real estate broker, a fee of \$ 1,360.00 for brokerage services heretofore rendered. Lessor further agrees that if Lessee exercises any option granted herein or any option substantially similar thereto, either to extend the term of this Lease, to renew this Lease, to purchase said Premises or any part thereof and/or any adjacent property which Lessor may own or in which Lessor has an interest, or any other option granted herein, or if said broker is the procuring cause of any other lease or sale entered into between the parties pertaining to the Premises and/or any adjacent property in which Lessor has an interest, then as to any of said transactions, Lessor shall pay said broker a fee in accordance with the schedule of said broker in effect at the time of execution of this Lease. Lessor agrees to pay said fee not only on behalf of Lessor but also on behalf of any person, corporation, association, or other entity having an ownership interest in said real property or any part thereof, when such fee is due hereunder. Any transferee of Lessor's interest in this Lease, by accepting an assignment of such interest, shall be deemed to have assumed Lessor's obligation under this Paragraph 15. Said broker shall be a third party beneficiary of the provisions of this Paragraph.

#### 16. General Provisions.

(a) Lessee shall at any time upon not less than ten (10) days' prior written notice from Lessor execute, acknowledge and deliver to Lessor a statement in writing (i) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect) and the date to which the rent and other charges are paid in advance, if any, and (ii) acknowledging that there are, to Lessee's knowledge, any uncured defaults on the part of Lessor hereunder, or specifying such defaults if any are claimed. Any such statement may be conclusively relied upon by any prospective purchaser or encumbrancer of the Premises.

(b) Lessee's failure to deliver such statement within such time shall be conclusive upon Lessee (i) that this Lease is in full force and effect, without modification except as may be represented by Lessor, (ii) that there are no uncured defaults in Lessor's performance, and (iii) that not more than one month's rent has been paid in advance.

The obligations contained in this Lease to be performed by Lessor shall, subject as aforesaid, be on Lessor's successors and assigns, only during their respective periods of ownership.

16.3 Severability. The invalidity of any provision of this Lease as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

16.4 Interest on Past-due Obligations. Except as expressly herein provided, any amount due to Lessor not paid when due shall bear interest at 10% per annum from the date due. Payment of such interest shall not excuse or cure any default by Lessee under this Lease.

16.5 Time of Essence. Time is of the essence.

16.6 Captions. Article and paragraph captions are not a part hereof.

16.7 Incorporation of Prior Agreements; Amendments. This Lease contains all agreements of the parties with respect to any matter mentioned herein. No prior agreement or understanding pertaining to any such matter shall be effective. This Lease may be modified in writing only, signed by the parties, and shall be effective as of the time of the modification.

7. Maintenance, Repairs and Alterations.

7.1 Lessor's Obligations. Subject to the provisions of Article 9 and except for damage caused by any negligent or intentional act or omission of Lessee, Lessee's agents, employees, or invitees, Lessor, at Lessor's expense, shall keep in good order, condition and repair the foundations, exterior walls and the exterior roof of the Premises. Lessor shall not, however, be obligated to paint such exterior, nor shall Lessor be required to maintain the interior surface of exterior walls, windows, doors or plate glass. Lessor shall have no obligation to make repairs under this Paragraph 7.1 until a reasonable time after receipt of written notice of the need for such repairs. Lessee expressly waives the benefits of any statute now or hereafter in effect which would otherwise afford Lessee the right to make repairs at Lessor's expense or to terminate this Lease because of Lessor's failure to keep the Premises in good order, condition and repair.

7.2 Lessee's Obligations.

(a) Subject to the provisions of Paragraph 9 and Paragraph 7.1, Lessee, at Lessee's expense, shall keep in good order, condition and repair the Premises and every part thereof (regardless of whether the damaged portion of the Premises or the means of repairing the same are accessible to Lessee), including, without limiting the generality of the foregoing, all plumbing, heating, air conditioning, ventilating, electrical and lighting facilities and equipment within the Premises, fixtures, interior walls and interior surface of exterior walls, ceilings, windows, doors, plate glass, and skylights, located within the Premises and all sidewalks, landscaping, driveways, parking lots, fences and signs located in the areas which are adjacent to and included with the Premises.

(b) If Lessee fails to perform Lessee's obligations under this Paragraph 7.2, Lessor may at Lessor's option enter upon the Premises after 10 days after written notice to Lessee, and put the same in good order, condition and repair, and the cost thereof together with interest thereon at the rate of \_\_\_\_\_ per annum shall be due and payable as additional rent to Lessor together with Lessee's next rental installment.

(c) On the last day of the term hereof, or on any sooner termination, Lessee shall surrender the Premises to Lessor in the same condition as at the beginning of the term hereof, broom clean, ordinary wear and tear excepted. Lessee shall repair any damage to the Premises occasioned by the removal of its trade fixtures, furnishings and equipment pursuant to Paragraph 7.3(c), which repair shall include the patching and filling of holes and repair of structural damage.

7.3 Alterations and Additions.

(a) Lessee shall not, without Lessor's prior written consent, make any alterations, improvements, additions, or utility installations in, on or about the Premises, except for non-structural alterations not exceeding \$1,000 in cost. As used in this Paragraph 7.3, the term "utility installations" shall include bus ducting, power panels, fluorescent fixtures, space heaters, conduits and wiring. As a condition to giving such consent, Lessor may require that Lessee agree to remove any such alterations, improvements, additions or utility installations at the expiration of the term, and to restore the Premises to their prior condition. As a further condition to giving such consent, Lessor may require Lessee to provide Lessor, at Lessee's sole cost and expense, a lien and completion bond in an amount equal to one and one-half times the estimated cost of such improvements, to insure Lessor against any liability for mechanics' and materialmen's liens and to insure completion of the work.

1. Utilities. Lessee shall pay for all water, gas, heat, light, power, telephone and other utilities and services supplied to the Premises, together with any taxes thereon. If any such services are not separately metered to Lessee, Lessee shall pay a reasonable proportion to be determined by Lessor of all charges jointly metered with other premises.

## 2. Assignment and Subletting.

12.1 Lessor's Consent Required. Lessee shall not voluntarily or by operation of law assign, transfer, mortgage, sublet, or otherwise transfer or encumber all or any part of Lessee's interest in this Lease or in the Premises, without Lessor's prior written consent, which Lessor shall not unreasonably withhold. Any attempted assignment, transfer, mortgage, encumbrance or subletting without such consent shall be void, and shall constitute a breach of this Lease.

12.2 No Release of Lessee. Regardless of Lessor's consent, no subletting or assignment shall release Lessee of Lessee's obligation or alter the liability of Lessee to pay the rent and to perform all other obligations to be performed by Lessee hereunder. The acceptance of rent by Lessor or any other person shall not be deemed to be a waiver by Lessor of any provision hereof. Consent to one assignment or subletting shall not be deemed to constitute any subsequent assignment or subletting.

12.3 Attorney's Fees. In the event that Lessor shall consent to a sublease or assignment under Paragraph 12.1, Lessee shall pay Lessor's reasonable attorney's fees not to exceed \$100 incurred in connection with giving such consent.

## 3. Defaults; Remedies.

13.1 Defaults. The occurrence of any one or more of the following events shall constitute a material default and breach of this Lease by Lessee:

- The vacating or abandonment of the Premises by Lessee.
- The failure by Lessee to make any payment of rent or any other payment required to be made by Lessee hereunder, as and when due, where such failure shall continue for a period of three days after written notice thereof from Lessor to Lessee.
- The failure by Lessee to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Lessee, other than described in paragraph (b) above, where such failure shall continue for a period of 30 days after written notice hereof from Lessor to Lessee; provided, however, that if the nature of Lessee's default is such that more than 30 days are reasonably required for its cure, then Lessee shall not be deemed to be in default if Lessee commenced such cure within said 30-day period and thereafter diligently prosecutes such cure to completion.
- (i) The making by Lessee of any general assignment, or general arrangement for the benefit of creditors; (ii) the filing by or against Lessee of a petition to have Lessee adjudged a bankrupt or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days; (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days.

13.2 Remedies. In the event of any such material default or breach by Lessee, Lessor may at any time thereafter, with or without notice or demand and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such default or breach:

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession of the Premises to Lessor. In such event Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of Lessee's default including, but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including necessary relocation and alteration of the Premises, reasonable attorney's fees, and any real estate commission actually paid; the worth at the time of award by the court having jurisdiction thereof of the amount by which the unpaid rent for the balance of the term after the time of such award exceeds the amount of the net rental loss for the same period that Lessee proves could be reasonably avoided; that portion of the leasing commission paid by Lessor pursuant to Article 15 applicable to the unexpired term of this Lease. Unpaid installments of rent or other sums shall bear interest from the date due at the rate of 10% per annum. In the event Lessee shall have abandoned the Premises, Lessor shall have the option of (i) retaking possession of the Premises and recovering from Lessee the amount specified in this Paragraph 13.2(a), or (ii) proceeding under Paragraph 13.2(b).

(b) Maintain Lessee's right to possession in which case this Lease shall continue in effect whether or not Lessee shall have abandoned the Premises. In such event Lessor shall be entitled to enforce all of Lessor's rights and remedies under this Lease, including the right to recover the rent as it comes due hereunder.

(c) Pursue any other remedy now or hereafter available to Lessor under the laws or judicial decisions of the State of California.

13.3 Default by Lessor. Lessor shall not be in default unless Lessor fails to perform obligations required of Lessor within a reasonable time, but in no event later than thirty (30) days after written notice by Lessee to Lessor and to the holder of any first mortgage or deed of trust covering the Premises. The name and address shall have theretofore been furnished to Lessee in writing, specifying wherein Lessor has failed to perform such obligation; provided, however, that if the nature of Lessor's obligation is such that more than thirty (30) days are required for performance then Lessor shall not be in default if Lessor commences performance within such 30-day period and thereafter diligently prosecutes the same to completion.

13.4 Late Charges. Lessee hereby acknowledges that late payment by Lessee to Lessor of rent and other sums due hereunder will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, auditing and accounting charges, and late charges which may be imposed on Lessor by the terms of any mortgage or trust deed covering the Premises. Accordingly, if any installment of rent or any other sum due from Lessee shall not be received by Lessor or Lessor's assignee within ten (10) days after the amount shall be due, Lessee shall pay to Lessor a late charge equal to 10% of such overdue amount. The parties hereby agree that such late charge shall constitute a fair and reasonable estimate of the costs Lessor will incur by reason of late payment by Lessee. Acceptance of such late charge by Lessor shall constitute a waiver of Lessee's default with respect to such overdue amount, nor prevent Lessor from exercising any of the other rights and remedies hereunder.

13.5 Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain, or sold under the threat of the exercise of said power (all of which are herein called "condemnation"), this Lease shall terminate as to the part so taken as of the date the condemning authority takes possession, whichever first occurs. If more than 10% of the floor area of the improvements on the premises, or more than 25% of the land area of the Premises which is not occupied by any improvements, is taken by condemnation, Lessee may, at Lessee's option, to be exercised in writing only within ten (10) days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within ten (10) days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the rent shall be reduced in the proportion that the floor area taken bears to the total floor area of the building situated on the Premises. Any award for the taking of all or any part of the Premises under the power of eminent domain or any payment made under threat of the exercise of such power shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold or for the taking of the fee, or severance damages; provided, however, that Lessee shall be entitled to any award for loss of or damage to Lessee's trade fixtures and removable personal property. In the event that this Lease is not terminated by reason of such condemnation, Lessor shall, to the extent of severance damages received by Lessor in connection with such condemnation, repair any damage to the Premises caused by such condemnation except to the extent that Lessee has been reimbursed therefor by the condemning authority. Lessee shall pay any amount in excess of such severance damages required to complete such repair.

13.6 Broker's Fee. Upon execution of this Lease by both parties, Lessor shall pay to Industrial Security Real Estate, a licensed real estate broker, a fee of 5% of the lease for brokerage services heretofore rendered. Lessor further agrees that if Lessee exercises an option granted herein or any option substantially similar thereto, either to extend the term of this Lease, to renew this Lease, to purchase said premises or any part thereof and/or any adjacent property which Lessor may own or in which Lessor has an interest, or any other option granted herein, if said broker is the procuring cause of any such lease or sale entered into between the parties pertaining to the Premises and/or any adjacent property which Lessor has an interest, then as to any of said transactions, Lessor shall pay said broker a fee in accordance with the schedule of said broker in effect at the time of execution of this Lease. Lessor agrees to pay said fee not only on behalf of Lessor but also on behalf of any person, corporation, partnership, or other entity having an ownership interest in said real property or any part thereof, when such fee is due hereunder. Any transferee of Lessor's interest in this Lease, by accepting an assignment of such interest, shall be deemed to have assumed Lessor's obligation under this Paragraph 13.6. Said broker shall be a third party beneficiary of the provisions of this Paragraph.

## General Provisions.

Any such statement may be conclusively relied upon by any prospective purchaser or encumbrancer of the Premises.

(b) Lessee's failure to deliver such statement within such time shall be conclusive upon Lessee (i) that this Lease is in full force and effect, (ii) that modification except as may be represented by Lessor, (iii) that there are no uncured defaults in Lessor's performance, and (iii) that not more than one month's rent has been paid in advance.

(c) If Lessor desires to finance or refinance the Premises, or any part thereof, Lessee hereby agrees to deliver to any lender designated by or such financial statements of Lessee as may be reasonably required by such lender. All such financial statements shall be received by Lessor in confidence and shall be used only for the purposes herein set forth.

16.2 Lessor's Liability. The term "Lessor" as used herein shall mean only the owner or owners at the time in question of the fee title or a lessee's interest in a ground lease of the Premises, and except as expressly provided in Paragraph 15, in the event of any transfer of such title or interest, Lessor's obligations in named (and in case of any subsequent transfers the then grantor) shall be relieved from and after the date of such transfer of all liability as respects the Premises and obligations thereafter to be performed, provided that any funds in the hands of Lessor or the then grantor at the time of such transfer, in which Lessor has an interest, shall be delivered to the grantee. In the event Lessor elects to give such notice of Lessor's intention to cancel and terminate this Lease, Lessee shall have the right within ten (10) days after the receipt of such notice to give written notice to Lessor of Lessee's intention to repair such damage at Lessee's expense, without reimbursement from Lessor, in which event this Lease shall continue in full force and effect, and Lessee shall proceed to make such repairs as soon as reasonably possible. If Lessee does not give such notice within such 10-day period this Lease shall be cancelled and terminated as of the date of the occurrence of such damage.

Except for abatement of rent, if any, Lessee shall have no claim against Lessor for any damage suffered by reason of any such damage, destruction, repair or restoration.

(b) If Lessor shall be obligated to repair or restore the Premises under the provisions of this Paragraph 9 and shall not commence such repair or restoration within 90 days after such obligations shall accrue, Lessee may at Lessee's option cancel and terminate this Lease by giving Lessor written notice of Lessee's election to do so at any time prior to the commencement of such repair or restoration. In such event this Lease shall terminate as of the date of such notice. Any abatement in rent shall be computed as provided in Paragraph 9.5(a).

9.6 **Termination-Advance Payments.** Upon termination of this Lease pursuant to this Paragraph 9, an equitable adjustment shall be made concerning advance rent and any advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's security deposit as has not theretofore been applied by Lessor.

#### 10. Real Property Taxes.

10.1 **Payment of Tax Increase.** Lessor shall pay all real property taxes applicable to the Premises; provided, however, that Lessee shall pay, in addition to rent, the amount, if any, by which real property taxes applicable to the Premises increase over the fiscal tax year 19 77-78. Such payment shall be made by Lessee within thirty (30) days after receipt of Lessor's written statement setting forth the amount of such increase and the reasonable computation thereof. If the term of this Lease shall not expire concurrently with the expiration of the tax fiscal year, Lessee's liability for increased taxes for the last partial lease year shall be prorated on an annual basis.

10.2 **Definition of "Real Property" Tax.** As used herein, the term "real property tax" shall include any form of assessment, license fee, commercial rental tax, levy, penalty, or tax (other than inheritance or estate taxes), imposed by any authority having the direct or indirect power to tax, including any city, county, state or federal government, or any school, agricultural, lighting, drainage or other improvement district thereof, as against any legal or equitable interest of Lessor in the Premises or in the real property of which the Premises are a part, as against Lessor's right to rent or other income therefrom, or as against Lessor's business of leasing the Premises.

10.3 **Joint Assessment.** If the Premises are not separately assessed, Lessee's liability shall be an equitable proportion of the real property taxes for all of the land and improvements included within the tax parcel assessed, such proportion to be determined by Lessor from the respective valuations assigned in the assessor's work sheets or such other information as may be reasonably available. Lessor's reasonable determination thereof, in good faith, shall be conclusive.

#### 10.4 Personal Property Taxes.

(a) Lessee shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of Lessee contained in the Premises or elsewhere. When possible, Lessee shall cause said trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor.

(b) If any of Lessee's said personal property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

11. Utilities. Lessor shall pay for all water, gas, heat, light, power, telephone, and other utilities and services supplied to the Premises, together with any taxes thereon. If any such services are not separately metered to Lessee, Lessee shall pay a reasonable proportion to be determined by Lessor of all charges jointly metered with other premises.

## 12. Assignment and Subletting.

12.1 Lessor's Consent Required. Lessee shall not voluntarily or by operation of law assign, transfer, mortgage, sublet, or otherwise transfer or encumber all or any part of Lessee's interest in this Lease or in the Premises, without Lessor's prior written consent, which Lessor shall not unreasonably withhold. Any attempted assignment, transfer, mortgage, encumbrance or subletting without such consent shall be void, and shall constitute a breach of

No Release of Lessee. Regardless of Lessor's consent, no subletting or assignment shall release Lessee of Lessee's obligation or alter the obligation of Lessee to pay the rent and to perform all other obligations to be performed by Lessee hereunder. The acceptance of rent by Lessor from any other person shall not be deemed to be a waiver by Lessor of any provision hereof. Consent to one assignment or subletting shall not be deemed consent to any subsequent assignment or subletting.

12.3 Attorney's Fees. In the event that Lessor shall consent to a sublease or assignment under Paragraph 12.1, Lessee shall pay Lessor's reasonable attorneys' fees not to exceed \$100 incurred in connection with giving such consent.

## 13. Defaults; Remedies.

13.1 Defaults. The occurrence of any one or more of the following events shall constitute a material default and breach of this Lease by Lessee:

(a) The vacating or abandonment of the Premises by Lessee.

(b) The failure by Lessee to make any payment of rent or any other payment required to be made by Lessee hereunder, as and when due, where such failure shall continue for a period of three days after written notice thereof from Lessor to Lessee.

(c) The failure by Lessee to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Lessee, other than described in paragraph (b) above, where such failure shall continue for a period of 30 days after written notice hereof from Lessor to Lessee; provided, however, that if the nature of Lessee's default is such that more than 30 days are reasonably required for its cure, then Lessee shall not be deemed to be in default if Lessee commences such cure within said 30 day period and thereafter diligently prosecutes such cure to completion.

(d) (i) The making by Lessee of any general assignment, or general arrangement for the benefit of creditors, (ii) the filing by or against Lessee of a petition to have Lessee adjudged a bankrupt or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days), (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days.

13.2 Remedies. In the event of any such material default or breach by Lessee, Lessor may at any time thereafter, with or without notice or demand and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such default or breach:

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession of the Premises to Lessor. In such event Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of Lessee's default including, but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorney's fees, and any real estate commission actually paid; the worth at the time of award of such court having jurisdiction thereof of the amount by which the unpaid rent for the balance of the term after the time of such award exceeds the amount of such rental loss for the same period that Lessee proves could be reasonably avoided; that portion of the leasing commission paid by Lessor pursuant to Article 15 applicable to the unexpired term of this Lease. Unpaid installments of rent or other sums shall bear interest from the date due at the rate of 10% per annum. In the event Lessee shall have abandoned the Premises, Lessor shall have the option of (i) retaking possession of the Premises and recovering from Lessee the amount specified in this Paragraph 13.2(a), or (ii) proceeding under Paragraph 13.2(b).

(b) Maintain Lessee's right to possession in which case this Lease shall continue in effect whether or not Lessee shall have abandoned the Premises. In such event Lessor shall be entitled to enforce all of Lessor's rights and remedies under this Lease, including the right to recover the rent as it becomes due hereunder.

(c) Pursue any other remedy now or hereafter available to Lessor under the laws or judicial decisions of the State of California.

13.3 Default by Lessor. Lessor shall not be in default unless Lessor fails to perform obligations required of Lessor within a reasonable time, but in no event later than thirty (30) days after written notice by Lessee to Lessor and to the holder of any first mortgage or deed of trust covering the Premises whose name and address shall have theretofore been furnished to Lessee in writing, specifying wherein Lessor has failed to perform such obligation; provided, however, that if the nature of Lessor's obligation is such that more than thirty (30) days are required for performance then Lessor shall not be in default if Lessor commences performance within such 30 day period and thereafter diligently prosecutes the same to completion.

13.4 Late Charges. Lessee hereby acknowledges that late payment by Lessee to Lessor of rent and other sums due hereunder will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed on Lessor by the terms of any mortgage or trust deed covering the Premises. Accordingly, if any installment of rent or any other sum due from Lessee shall not be received by Lessor or Lessor's designee within ten (10) days after the amount shall be due, Lessee shall pay to Lessor a late charge equal to 10% of such overdue amount. The parties hereby agree that such late charge is a fair and reasonable estimate of the costs Lessor will incur by reason of late payment by Lessee. Acceptance of such late charge by Lessor shall constitute a waiver of Lessee's default with respect to such overdue amount, nor prevent Lessor from exercising any of the other rights and remedies granted hereunder.

14. Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain, or sold under the threat of the exercise of said power (all of which are herein called "condemnation"), this Lease shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the floor area of the improvements on the premises, or more than 25% of the land area of the Premises which is not occupied by any improvements, is taken by condemnation, Lessee may, at Lessee's option, to be exercised in writing only within ten (10) days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within ten (10) days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the rent shall be reduced in the proportion that the floor area taken bears to the total floor area of the building situated on the Premises. Any award for the taking of all or any part of the Premises under the power of eminent domain or any payment made under threat of the exercise of such power shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold or for the taking of the fee, or as severance damages; provided, however, that Lessee shall be entitled to any award for loss of or damage to Lessee's trade fixtures and removable personal property. In the event that this Lease is not terminated by reason of such condemnation, Lessor shall, to the extent of severance damages received by Lessor in connection with such condemnation, repair any damage to the Premises caused by such condemnation except to the extent that Lessee has been reimbursed therefor by the condemning authority. Lessee shall pay any amount in excess of such severance damages required to complete such repair.

15. Broker's Fee. Upon execution of this Lease by both parties, Lessor shall pay to Industrial Security Real Estate, a licensed real estate broker, a fee of \$ 13600.00 for brokerage services heretofore rendered. Lessor further agrees that if Lessee exercises any option granted herein or any option substantially similar thereto, either to extend the term of this Lease, to renew this Lease, to purchase said Premises or any part thereof and/or any adjacent property which Lessor may own or in which Lessor has an interest, or any other option granted herein, or if said broker is the procuring cause of any other lease or sale entered into between the parties pertaining to the Premises and/or any adjacent property in which Lessor has an interest, then as to any of said transactions, Lessor shall pay said broker a fee in accordance with the schedule of said broker in effect at the time of execution of this Lease. Lessor agrees to pay said fee not only on behalf of Lessor but also on behalf of any person, corporation, association, or other entity having an ownership interest in said real property or any part thereof, when such fee is due hereunder. Any transferee of Lessor's interest in this Lease, by accepting an assignment of such interest, shall be deemed to have assumed Lessor's obligation under this Paragraph 15. Said broker shall be a third party beneficiary of the provisions of this Paragraph.

## 16. General Provisions.

### 16.1 Estoppel Certificate.

Any such statement may be conclusively relied upon by any prospective purchaser or encumbrancer of the Premises.

(b) Lessee's failure to deliver such statement within such time shall be conclusive upon Lessee (i) that this Lease is in full force and effect, without modification except as may be represented by Lessor, (ii) that there are no uncured defaults in Lessor's performance, and (iii) that not more than one month's rent has been paid in advance.

Lessor shall have the right to

dispose of any such property in any manner whatsoever should Lessee fail to remove the same within said period, including, but not limited to, the destruction thereof, either in whole or in part, and Lessee waives any and all claims and demands for any damage or loss arising by reason of any such removal or destruction.

13. If any action is brought by either party hereto against the other for any breach of this lease, the defeated party in such litigation agrees to pay the prevailing party a reasonable sum, to be fixed by the court, for the prevailing party's attorney's fees and court costs.

14. Lessee shall and does hereby indemnify Lessor against, and save and hold Lessor harmless from and against any and all liability, claims, demands, damages and costs of every kind and nature for injury to or death of any and all persons, including, without limitation, employees or representatives of Lessor or of Lessee, or any other person or persons, and for damage, destruction or loss, consequential or otherwise, to or of any and all property, real or personal, including, without limitation, property of Lessor or of Lessee, or of any other person or persons, resulting from or in any manner arising out of or in connection with this lease or Lessee's use of, occupation of, or benefit from said leased premises. Lessee shall, also, upon request by Lessor, and at no expense to Lessor defend Lessor in any and all suits, concerning such injury to or death of any and all persons, and concerning such damage, destruction or loss, consequential or otherwise, to or of any and all property, real or personal, including, without limitation, suits by employees or representatives of Lessor or of Lessee, or any other person or persons.

15. Lessee further agrees at his sole cost and expense to maintain during the term of this lease a policy or policies of public liability and property damage insurance in an insurance company satisfactory to Lessor, naming Lessor as an additional assured thereunder, which shall insure Lessor against liability for injury to or death of one person in the sum of One Hundred Thousand Dollars (\$100,000.00); for injury to or death of two or more persons in the same accident in the sum of Three Hundred Thousand Dollars (\$300,000.00); and for property damage in the sum of Twenty-Five Thousand Dollars (\$25,000.00). Lessee agrees to deliver to Lessor a certificate issued

by the insurer or insurers, evidencing such insurance, and Lessee agrees to pay all premium charges in connection therewith, which shall be paid by Lessee when the same becomes due and before delinquency. Such insurance shall be primary and not contributory, as to Lessor.

16. Lessee shall not assign or hypothecate this lease or any interest herein, or sublet the demised premises, or any part thereof, without the written consent of Lessor, and any attempt to do so shall be void and shall confer no right or rights whatever upon any third party, and shall be cause for termination of this lease, on the notice hereinabove provided for, by Lessor at his option.

17. Time is of the essence of this lease. The subsequent acceptance of rent hereunder by Lessor shall not be deemed to be a waiver of any preceding breach of any obligation hereunder other than the failure to pay the particular rental so accepted, and the waiver by Lessor of any breach of covenant or condition shall not constitute a waiver of any other breach, regardless of knowledge. The consent of Lessor to any assignment or sublease shall not be deemed consent to any other subsequent assignment or sublease.

18. If (i) Lessee shall fail to pay any installment of rent or other sum of money due under this lease, for ten (10) days after written notice from Lessor that the same is due and payable, or (ii) to comply with any of the other terms, covenants, conditions or obligations of this lease for thirty (30) days after written notice from Lessor, or in the case where such compliance cannot with due diligence be effected within thirty (30) days, if Lessee fails to proceed within thirty (30) days of such notice and thereafter to prosecute with due diligence the completion of such compliance, or (iii) Lessee shall file a petition in bankruptcy or for reorganization or to effect a plan or other arrangement with creditors, or be adjudicated a bankrupt or make an assignment for the benefit of creditors or shall admit in writing its inability to pay its debts generally as they become due, or (iv) a receiver, trustee or liquidator of Lessee or of all or substantially all of the property of Lessee shall be appointed in any proceeding brought by Lessee or if any such receiver, trustee or liquidator shall be appointed in any proceeding brought against Lessee and if such receiver, trustee or liquidator shall not be discharged within ninety (90) days after such appointment, then in any of such events Lessee shall be deemed to be in default.

19. Lessor shall have the following remedies if Lessee commits a default.

These remedies are not exclusive; they are cumulative in addition to any remedies now or later allowed by law.

Lessor may continue this lease in full force and effect, and said lease will continue in full force and effect as long as Lessor does not terminate Lessee's right to possession, and Lessor shall have the right to collect rent and other sums of money when due. During the period Lessee is in default, Lessor may enter the premises and relet them, or any part of them, to third parties for Lessee's account. Lessee shall be liable immediately to Lessor for all costs Lessor incurs in reletting the premises, including, without limitation, brokers' commissions, expenses of remodeling the premises required by the reletting, and like costs. Reletting can be for a period shorter or longer than the remaining term of this lease. Lessee shall pay to Lessor the rent and additional rent due under this lease on the dates when due, less the rent Lessor receives from any reletting. No act by Lessor allowed by this section shall terminate this lease unless Lessor notifies Lessee that Lessor elects to terminate this lease. After Lessee's default and for as long as Lessor does not terminate Lessee's right to possession of the premises, if Lessee obtains Lessor's consent Lessee shall have the right to assign or sublet its interest in this lease, but Lessee shall not be released from liability. Lessor's consent to a proposed assignment or subletting shall not be unreasonably withheld.

Lessor can terminate Lessee's right to possession of the premises at any time. No act by Lessor other than giving notice to Lessee shall terminate this lease. Acts of maintenance, efforts to relet the premises, or the appointment of a receiver on Lessor's initiative to protect Lessor's interest under this lease shall not constitute a termination of Lessee's right to possession. On termination, Lessor has the right to recover from Lessee:

a. The worth, at the time of the award of the unpaid rent that had been earned at the time of termination of this lease;

b. The worth, at the time of the award of the amount of which the unpaid rent that would have been earned after the date of termination of this lease until the time of award exceeds the amount of the loss of rent that Lessee proves could have been reasonably avoided;

c. The worth, at the time of the award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of the loss of rent that Lessee proves could have been reasonably avoided;

and

d. Any other amount, and court costs, necessary to compensate Lessor for all detriment proximately caused by Lessee's default.

"The worth, at the time of the award," as used in a and b of this section is to be computed by allowing interest at the rate of ten (10) percent per annum. "The worth, at the time of the award," as referred to in c of this paragraph, is to be computed by discounting the amount of the discount rate of the Federal Reserve Bank of San Francisco at the time of the award, plus one (1) percent.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their officers thereunto duly authorized as of the day and year first hereinabove written.

LEASE

THIS LEASE is made and entered into the 2nd day of April, 1979, by and between CALIFORNIA PORTLAND CEMENT COMPANY, hereinafter called "Lessor," and INSURANCE SALVAGE SERVICE, INC., a California corporation, hereinafter called "Lessee."

1. Lessor hereby leases to Lessee and Lessee hereby hires and takes from Lessor for the term hereinafter setforth that certain real property situated in the City of Los Angeles, County of Los Angeles, State of California, described as follows:

Portions of Block 18, Lots 12 and 24 of Los Angeles Land and Water Company's Subdivision of a part of the Maclay Rancho, Map Blk 3, p. 17 and 18 and portions of Lot 8 and 10 of Tract 9329, as shown in Book 179, pages 9 and 10 of Maps, Records of Los Angeles County, all located in the Sun Valley Section of Los Angeles, California, more particularly described in Exhibit "A" attached hereto and made a part hereof.

2. The term of this lease shall begin on April 1, 1979, and shall end on March 31, 1982, unless sooner terminated as herein provided.
3. Lessee agrees to pay Lessor as rental for said premises monthly installments of <sup>\$ 4,841.32</sup> ~~\$3,813.28~~ each, subject to escalation as hereinafter provided, in advance, on the first of each month, beginning April 1, 1979, for the first year of the term hereunder. In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to increases in the real property taxes hereafter assessed against said real property over and above the taxes on the demised premises for the fiscal year 1965-1966. Payment of said additional sum or sums shall be made by Lessee to Lessor upon demand on or before the date upon which said taxes become due.

5/24/79

orig. to contract drawer via accounting

The monthly rental of \$3,813.28 shall be escalated on April 1, 1980, for the second one-year period of the term hereunder and on April 1, 1981, for the third one-year period of the term hereunder by multiplying, in the case of the monthly rental for the second yearly period of the term, \$3,813.28 by the quotient, carried to four decimal places, of the 1967 Consumers' Price Index--Los Angeles-Long Beach-Anaheim, CA., All Urban Consumers (CPI-LA-LB) for the month of January, 1980, divided by 199.6. The figure "199.6" is the 1979 CPI-LA-LB for the month of January, 1979. Said Index is prepared and promulgated by the Bureau of Labor Statistics of the U. S. Department of Labor.

Example:

Determine the rent due for each month of the second one-year portion of the term hereunder which begins on April 1, 1980, assuming the CPI for the month of January, 1980 is 210.

Solution:

Divide 210 by 199.6 equals 1.0521.

Multiply \$3,813.28 by 1.0521 equals \$4,011.97, the monthly rental for the second one-year term of the term hereunder.

An escalation factor shall be determined and used in the same manner for the third one-year term of the term hereunder. It shall be derived by dividing the January, 1981, CPI by 199.6. The escalated rentals shall be the effective rentals for the periods indicated. However, the maximum increase in the monthly rental for any one year period hereunder shall not exceed 7% of the rental for the preceding one-year period.

4. Lessee is hereby granted an option to renew this lease for three additional periods of one (1) year each. The monthly rental for each period shall be escalated on April 1, of the respective period by multiplying, \$3,813.28 by the quotient, carried to four decimal places, of the revised CPI for the month of January of the preceding respective period divided by 199.6. Such options, if exercised, shall be exercised by notice in writing to Lessor of Lessee's exercise

of option given to Lessor on or prior to January 1 of each respective year. Such notice of exercise of option shall be given in accordance with the provision for the giving of notices hereunder. In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to increases in the real property taxes as herein provided under Section 3.

5. Lessee understands that said premises have been filled. It is thoroughly familiar with said premises and all parts thereof and it accepts said premises in the condition in which they are; and assumes all risk of subsidence with respect thereto, except as provided in Paragraph 7 below.
6. Lessee shall keep the premises enclosed with a good and sufficient six-foot chain link fence on the top of which there shall be three strands of barbed wire, and shall provide such gate or gates in the present fence along Pendleton Avenue as it deems necessary to its operations. Lessee may place an office building upon said premises at its own cost and expense, and provided such building meets all the requirements of law with respect to the construction and placement of such structure upon said premises. Lessee may remove said building upon expiration of the term of this lease or options thereof provided that lessee is not in default of any of the terms of this lease. If lessee elects not to remove said building the condition thereof shall be such that it will be useable without major repairs or structural alteration by a succeeding tenant.
7. Lessee agrees to keep said premises and said fences in a reasonably clean and safe condition and to conduct thereon a storage yard for the storage of wrecked motor vehicles consigned to it for sale and to conduct sales of such vehicles upon said premises. Lessee may treat the surface of said property with road oil for the purpose of keeping down dust. All repairs to said premises except as stated below, and the fences and other structures thereon shall be made at Lessee's sole expense and Lessee further agrees that it will not commit, suffer or permit any waste on said premises and that it will not do or permit to be done thereon any act in violation of any law, ordinance or regulation of any governmental authority.

It is the intention of both lessor and lessee that the premises be kept in a condition that rain water will drain away into Pendleton Street and large ponding of rain water shall not occur. To such end both parties agree to cooperate and when it is decided by both that filling and grading to reestablish the elevation at the surface of the premises is necessary lessee shall make sufficient area available free of automobiles and other objects so that such filling and grading operations may be accomplished in an efficient and orderly manner. Estimates of the cost of said operation shall be obtained and agreed upon by both lessor and lessee before any work is done. Consent to said costs shall not be unreasonably withheld. The cost of said filling and grading shall be born equally by both lessor and lessee.

8. Any and all stock in trade, personal property, buildings, improvements, equipment or structures which may be placed upon said premises by lessee, with the exception of fences and gates therein, and except as provided in paragraph 6 above, shall be removed by lessee at lessee's expense within ten (10) days after the termination of this lease, and if not so removed within said period, lessor shall have the right, but not the obligation, to remove the same at lessee's expense, and in such event lessee agrees to reimburse lessor for the cost of such removal. Lessor shall have the right to dispose of any such property in any manner whatsoever should lessee fail to remove the same within said period, including, but not limited to, the destruction thereof, either in whole or in part, and lessee waives any and all claims and demands for any damage or loss arising by reason of any such removal or destruction. Fences and gates shall be deemed fixtures and shall not be removed from the premises by Lessee.
9. Lessee agrees to pay any and all taxes and assessments levied or assessed upon any personal property or buildings, improvements or structures placed upon said premises by it with the exception of fences and gates. Taxes levied or assessed against said premises by reason of construction thereon of such fences and gates shall be paid in the manner provided in Paragraph 3 hereof.
10. With respect to any action brought by Lessor to recover rent or possession of said premises, or for any breach of this lease, lessee

agrees to pay lessor a reasonable sum, to be fixed by the court, for lessor's attorney's fee and court costs, in addition to any sum determined to be owing from lessee to lessor.

11. Lessee hereby agrees to indemnify lessor against and to hold it harmless of and from any and all claims and demands of every kind and character for damages to property or injuries to persons or for the death of any person or persons arising out of or in any way connected with lessee's use or occupancy of said demised premises.
12. Lessee agrees at its sole cost and expense to maintain during the term of this lease a policy or policies of public liability and property damage insurance in an insurance company satisfactory to lessor, naming lessor as an additional assured thereunder, which shall insure lessor against liability for injury to or death of one person in the sum of One Hundred Thousand Dollars (\$100,000.00); for injury to or death of two or more persons in the same accident in the sum of Three Hundred Thousand Dollars (\$300,000.00); and for property damage in the sum of Twenty-Five Thousand Dollars (\$25,000.00). Lessee agrees to deliver to lessor a certificate issued by the insurer or insurers, evidencing such insurance, and lessee agrees to pay all premium charges in connection therewith when the same become due and before delinquency. Such insurance shall be primary and not contributory, as to lessor.
13. Lessee shall not assign or hypothecate this lease or any interest herein, or sublet the demised premises or any part thereof, without the written consent of lessor, and any attempt to do so shall be void and shall confer no right or rights whatever upon any third party, and shall be cause for termination of this lease by lessor, at its option.
14. This lease shall be terminable at the option of lessor in the event of the adjudication or bankruptcy of lessee or in the event it files a petition for voluntary bankruptcy, or makes any assignment for the benefit of its creditors, or if a receiver is appointed by any court having jurisdiction which involved all or any part of the assets of

lessee, or if any of the property of lessee is levied upon under any writ of attachment or execution or by a taxing body and the lien of such attachment, execution or tax levy is not discharged by bond or payment within ten (10) days after such levy. Notice of such termination shall be given by lessor to lessee in the manner hereinafter provided for the giving of notices. In the event such notice is delivered personally to lessee, this lease and the term hereunder shall terminate forthwith. If it is given by mail the lease and term hereunder shall terminate three days after mailing. Lessor shall have no obligation to return any rental theretofore paid but it shall be entitled to the same as liquidated damages, it being understood that the actual damages for such early termination or cause of termination would be impossible of determination. In the event of such termination, lessee shall remain liable to lessor for any unpaid rental and for any damage suffered by lessor as a result of such early termination.

15. Any notice given by one party hereto to the other shall be in writing and shall be given either by personal service or by mail, posted within the State of California, with postage prepaid, addressed to lessor at 800 Wilshire Blvd., Los Angeles, California 90017, Attention: W. J. Conway, and to lessee at 11201 Pendleton Street, Sun Valley, California. Such mailed notices shall be effective three days after they are deposited in the mail.
16. Time is of the essence of this lease. Subsequent acceptance of rent hereunder by lessor shall not be deemed to be a waiver of any preceding breach of any obligation hereunder other than the failure to pay the particular rental so accepted, and the waiver by lessor of any breach of covenant or condition shall not constitute a waiver of any other breach, regardless of knowledge. The consent of lessor to any assignment or sublease shall not be deemed consent to any other assignment or sublease.

17. Lessee agrees that lessor at lessor's<sup>HW</sup>option may install and operate a collection system to remove any gases generated by the decomposition of material that has been placed in or on the premises. L E A S E

THIS LEASE is made this 29 day of July, 1980, by and between CALIFORNIA PORTLAND CEMENT COMPANY, a California corporation (hereinafter "LESSOR"), and MARTIN SKLAR (hereinafter "LESSEE").

RECITALS

1. LESSOR is the owner of certain real property and improvements located in the City of Los Angeles, County of Los Angeles, State of California (the "Premises"), which is more particularly described, in Exhibit "A." Said exhibit is attached hereto and incorporated by this reference herein as though fully set forth.
2. LESSEE desires to lease the Premises from LESSOR subject to the terms and conditions which are more fully hereinafter set forth.
3. LESSEE has examined the Premises and is fully informed of the condition thereof.
4. The Premises herein are the subject of a lease dated May 23, 1980, and it is the desire of LESSOR and LESSEE to terminate said lease and to replace said lease in its entirety with this LEASE dated July 29, 1980.

AGREEMENT

- A. LESSEE hereby surrenders and LESSOR hereby accepts surrender of said lease dated May 23, 1980.

LEASE

In place and instead of said lease which is being surrendered, LESSOR leases to LESSEE and LESSEE leases from LESSOR the premises subject to the following terms and conditions:

ARTICLE I

Term

SECTION 1.01. The term of this Lease shall commence on July 29, 1980, and shall terminate on July 31, 1985, unless sooner terminated as provided herein.

ARTICLE II

Rent

SECTION 2.01. During the term of this lease, LESSEE shall pay to LESSOR in advance without deduction or offset at such place or places as may be designated from time to time by LESSOR for the rent of the premises the sum of One Thousand, Six Hundred and Fifty Dollars (\$1,650) per month on the first day of each month beginning August 1, 1980, subject to escalation as herein after provided.

SECTION 2.02. The monthly rental of \$1,650.00 shall be escalated on August 1, 1981, for the second one-year period of the term hereunder and on August 1, of each respective year for the following year of the term hereunder by multiplying, in the case of the monthly rental for the second yearly period of the term, \$1,650.00 by the quotient, carried to four decimal places, of the Consumer Price Index-- Los Angeles-Long Beach-Anaheim, CA., All Urban Consumers (CPI-LA-LB) for the month of May, 1981, divided by 249.1. The figure "249.1" is the 1979 CPI-LA-LB for the month of May 1, 1980. Said Index is prepared and promulgated by the

Bureau of Labor Statistics of the U. S. Department of Labor.

Example:

Determine the rent due for each month of the second one-year portion of the term hereunder which begins on August 1, 1981, assuming the CPI for the month of May, 1981, is 260.

Solution:

Divide 260 by 249.1 equals 1.0433.

Multiply \$1,650.00 by 1.0438 equals \$1,722.20, the monthly rental for the second one-year term of the term hereunder.

An escalation factor shall be determined and used in the same manner for each one-year period of the term hereunder. It shall be derived by dividing the May CPI of each respective year by 249.1. The escalated rentals shall be the effective rentals for the periods indicated. However, the maximum increase in the monthly rental for any one year period hereunder shall not exceed 10% of the rental for the preceding one-year period.

SECTION 2.03. LESSEE is hereby granted an option to renew this lease for an additional period of three (3) years. The monthly rental for each one year period at the extension shall be escalated on April 1, of the respective period by multiplying, \$1,650.00 by the quotient, carried to four decimal places, of the revised CPI for the month of May of the preceding respective period divided by 249.1. Such option, if exercised, shall be exercised by notice in writing to LESSOR of LESSEE'S exercise of option given to LESSOR prior to January 31, 1985.

ARTICLE III

SECTION 3.01. LESSEE agrees to pay to LESSOR a sum equal to the increase in real property taxes hereafter assessed against said premises over and above the taxes on said Premises for the fiscal year 1979-1980. Payment of said taxes shall be made to LESSOR by LESSEE upon demand on or before the date upon which the first installment of said taxes becomes due.

SECTION 3.02. LESSEE shall pay before delinquency all taxes, assessments, license fees, and other charges that are levied against LESSEE's personal property located in or on the Premises which become payable during the term hereof. On demand by LESSOR, LESSEE shall furnish LESSOR with satisfactory evidence of these payments.

ARTICLE IV

Furthermore, LESSEE shall comply with all laws, regulations, and ordinances applicable to and associated with the condition, use, or occupancy of the Premises.

ARTICLE V

Maintenance

SECTION 5.01. LESSOR shall not be obligated to make any repairs, perform any maintenance to or on the Premises, or

repl<sup>o</sup> any item of equipment which <sup>o</sup> a part thereof.

SECTION 5.02. LESSEE at its sole cost and expense shall maintain the Premises in a good and workable physical condition during the term hereof and shall deliver said Premises to LESSOR at the expiration of the term hereof in substantially the same condition as such Premises were in at the commencement of this Lease.

SECTION 5.03. It is understood and agreed that the leased Premises have been used as a land fill and that the LESSOR shall not be liable to LESSEE on account of any subsidence of the Premises. LESSEE agrees to keep the Leased Premises graded and in such condition that rain water will drain naturally and large ponding will not occur.

#### ARTICLE VI

##### Alterations/Improvements

SECTION 6.01. LESSEE shall not make any alterations or improvements (including filling and grading) to the Premises without LESSOR'S prior consent.

SECTION 6.02. LESSEE shall procure any necessary approvals and permits from all appropriate governmental agencies prior to making any authorized alteration of or improvement to the Premises and shall fully comply with any statute, law, regulation, or ordinance which may be applicable to same.

SECTION 6.03. LESSEE may place and maintain office and/or storage buildings and other items appurtenant thereto in and upon the Premises at his own risk and expense provided that he meets all requirements of law with respect thereto and subject to the prior approval in writing by LESSOR of the plans and specification for these improvements. LESSEE may remove said buildings upon expiration of the term of this Lease provided that LESSEE is not in default of any of the terms of this Lease. If LESSEE elects not to remove said building, the condition thereof shall be such that it will be useable without

major repairs or structural alteration by a succeeding tenant.

#### ARTICLE VII

##### Mechanics' Liens

SECTION 7.01. LESSEE shall pay all costs for alterations and improvements to the Premises done by LESSEE or caused to be done by LESSEE as permitted or required by this Lease. LESSEE shall keep the Premises free and clear of all mechanics'

liens resulting from any such alterations or improvements done by or for LESSEE.

LESSEE shall have the right to contest the correctness or the validity of any such lien if, immediately on demand by LESSOR, LESSEE procures a bond issued by a corporation authorized to issue surety bonds in California, in favor of LESSOR in an amount equal to at least one and one-half times the amount of the claim of lien, which bond shall provide for the payment of any sum that the claimant may recover on the claim (together with costs of suit, if it recovers in the action).

AMENDMENT TO LEASE

THIS AGREEMENT is made and entered into this 18<sup>th</sup> day of March, 1981, between California Portland Cement Company, a California Corporation, hereinafter called "Lessor", and INSURANCE SALVAGE SERVICE, INC., a California Corporation, hereinafter called "Lessee" and shall become effective on March 18, 1981.

RECITALS

The parties hereto wish to amend that certain lease dated April 2, 1979, entered into by and between Lessor and Lessee (hereinafter the "Lease"). Said Lease covers certain property leased by Lessor to Lessee in the Sun Valley District of the City of Los Angeles, California.

AGREEMENT

NOW, THEREFORE in consideration of the premises and the promises of the parties hereto, which are hereinafter set forth, it is agreed that the Lease is amended in the following particulars:

1. The use of the premises described in paragraph 7 shall be expanded to include the dismantling of automobile and the sale of parts therefrom.
2. The words "except as stated below" in the third sentence of Paragraph 7 shall be deleted.
3. The second paragraph of Paragraph 7 which begins with the words, "It is the intention . . ." shall be deleted in its entirety.
4. The words, "except as provided in Paragraph 7 below" in the second sentence of paragraph 5 shall be deleted.

4. In Exhibit "A" Course (6) is amended to read as follows, "(6) thence on and along the further extension of said Course (2) a distance of 250 feet".
5. In Exhibit "A" Course (8) is amended to read as follows, "(8) thence northeasterly along said northwesterly line of Pendleton Street, a distance of 790 feet more or less to the True Point of Beginning containing 18.46 acres more or less. The obvious typographical error of the incomplete Course (8) is deleted.
6. Lessee agrees to pay as rent on the first of each month beginning on April 1, 1981, the sum of \$5,180.00 which shall be rent for the area in the original lease and the additional two acres added by this Amendment.
7. Paragraphs 3 and 4 are hereby amended to read as follows:
  3. Lessee agrees to pay Lessor as rental for said premises monthly installments of \$4,841.32 each, subject to escalation as hereinafter provided, in advance, on the first of each month, beginning April 1, 1979, for the first year of the term hereunder. In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to increases in the real property taxes hereafter assessed against said real property over and above the taxes on the demised premises for the fiscal year 1965-1966. Payment of said additional sum or sums shall be made by Lessee to Lessor upon demand on or before the date upon which said taxes become due.

The monthly rental of \$4,841.32 shall be escalated on April 1, 1980, for the second one-year period of the term hereunder and on April 1, 1981,

for the third one-year period of the term hereunder by multiplying, in the case of the monthly rental for the second yearly period of the term, \$4,841.32 by the quotient, carried to four decimal places, of the 1967 Consumer's Price Index-- Los Angeles-Long Beach-Anaheim, CA, All Urban Consumers (CPI-LA-LB) for the month of January, 1980, divided by 199.6. The figure "199.6" is the 1979 CPI-LA-LB for the month of January, 1979. Said Index is prepared and promulgated by the Bureau of Labor Statistics of the U.S. Department of Labor.

Example:

Determine the rent due for each month of the second one-year portion of the term hereunder which begins on April 1, 1980, assuming the CPI for the month of January, 1980, is 210.

Solution:

Divide 210 by 199.6 equals 1.0521.

Multiply \$4,841.32 by 1.0521 equals \$5,093.55, the monthly rental for the second one-year term of the term hereunder.

An escalation factor shall be determined and used in the same manner for the third one-year term of the term hereunder. It shall be derived by dividing the January, 1981, CPI by 199.6. The escalated rentals shall be the effective rentals for the periods indicated. However, the maximum increase in the monthly rental for any one-year period hereunder shall not exceed 10% of the rental for the preceding one-year period.

4. Lessee is hereby granted an option to renew this lease for eight additional periods of one (1) year

each. The monthly rental for each period shall be escalated on April 1, of the respective period by multiplying \$4,841.32 by the quotient, carried to four decimal places, of the revised CPI for the month of January of the preceding respective period divided by 199.6. Such options, if exercised, shall be exercised by notice in writing to Lessor of Lessee's exercise of option given to Lessor on or prior to January 1 of each respective year. Such notice of exercise of option shall be given in accordance with the provision for the giving of notices hereunder. In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to increases in the real property taxes as herein provided under Section 3.

The purpose of this amendment is to enlarge the leased area, to correspondingly increase the rent and to make certain adjustments to accommodate a different use. Nothing contained herein shall be construed to add to the liability hereunder of Insurance Salvage Service prior to March 18, 1981.

Except as otherwise specifically provided for herein, all provisions of the Lease are in full force and effect and are unaltered by this Amendment to Lease.

IN WITNESS WHEREOF, the parties hereto have caused the presents to be executed as of the day and year first hereinabove written.

Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas, hydrocarbonous substances, minerals and mineral rights in and under the land described as the Premises, with the right to explore therefor, sell, lease and/or remove same; provided, however, that Landlord will not do any exploration or other work which will materially affect Tenant's use under this Lease. Tenant acknowledges that Landlord has, prior to its entry into this Lease, granted a license to Independent Outdoor advertising for use of a portion of the Premises for the erection, display and servicing of two advertising signs. Tenant agrees that this Lease shall be subordinate to said license or any similar license granted by Landlord during the term of this Lease, and that licensee(s)

shall have access to the Premises at reasonable times for purposes consistent with said license(s).

2. Term. The term of this Lease shall be ten (10) years commencing on January 1, 1983, and expiring on December 31, 1992 subject to early termination as hereinafter provided.

3. Rental. Commencing on ~~February~~<sup>JULY</sup> 1, 1983, Tenant agrees to pay Landlord a rental of Five Hundred Dollars (\$500.00) per month, and at such rate as adjusted in accordance with the provisions of ¶4, payable in advance on the first day of each calendar month. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Rental Adjustment. The monthly rate provided for in ¶3 herein, shall be (during the term hereof or any extension thereof) adjusted upward on January 1, 1985 and every two (2) years thereafter on January 1, in the same proportion as the proportional difference between the "Consumer Price Index for Urban Wage Earners and Clerical Workers, all items (Los Angeles-Long Beach-Anaheim Area)", published by the United States Department of Labor, Bureau of Labor Statistics (CPI) in effect on January 1 of the then present year and the CPI in effect on January 1, 1983. Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the same in some other manner, then Landlord may adopt a substitute index or substitute procedure which reasonably reflects and monitors consumer prices.

5. Improvements to the Premises. Tenant leases the Premises and the improvements thereon in an "as is" condition. Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its own use; provided, however, that improvements which cost more than One Thousand Dollars (\$1,000.00) shall not be made without Landlord's prior written approval. Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on

which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

6. Taxes and Assessments. Tenant shall pay or cause to be paid before delinquency all taxes levied or assessed on account of any property installed by or for Tenant in the Premises, regardless of how, or to whom such taxes are assessed and whether such property so installed is assessed as personal property or as a part of the real property. Commencing on January 1, 1988, Tenant shall pay to Landlord as additional rental within thirty (30) days after receipt of written statement from Landlord setting forth the amount thereof, the amount of all real estate taxes, or other forms of assessment, including license taxes, commercial rental taxes, levies, charges, penalties, or similar imposition, imposed by any authority having the direct power to tax, including any city, county, State or federal government, or any school, agricultural, lighting, drainage or other improvement or special assessment district thereof, as against any legal or equitable interest of Landlord in the Premises, for a period within the term hereof, provided Landlord is required to pay said taxes and assessments. Without limiting the generality of the foregoing, the aforementioned taxes and assessments shall include: any tax on Landlord's right to rents or other income from the Premises or as against Landlord's business of leasing the Premises; any assessment, tax, fee, levy

or charge in substitution, partially or totally, of any assessment, tax, fee, levy or charge previously included within the definition of real property tax, it being acknowledged that Proposition 13 was adopted by the voters of the State of California in the June 1978 election and that assessments, taxes, fees, levies and charges may be imposed by governmental agencies for such services as fire protection, street, sidewalk and road maintenance, refuse removal and for other governmental services formerly provided without charge to property owners or occupants; and any assessment, tax, fee, levy, or charge allocable to or measured by the area of the Premises or the rent payable hereunder, including, without limitation, any gross receipts tax or excise tax levied by the State, city, or federal government, or any political subdivision thereof, with respect to the receipt of such rent, or upon or with respect to the possession, leasing, operating, management, maintenance, alteration, repair, use or occupancy by Tenant of the Premises, or any portion thereof. Tenant shall bear any business tax imposed upon Landlord by the State of California or any political subdivision thereof which is based or measured in whole or in part by amounts charged or received by the Landlord under this Lease, excluding State Franchise Taxes and Federal Income Taxes.

7. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except repair, storage and sale of automobiles and automobile parts. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, State and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease.

8. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any

damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of Five Hundred Dollars (\$500.00) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the required amount of Five Hundred Dollars (\$500.00).

9. Maintenance and Repair. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives the provisions of Civil Code §§1941 and 1942 with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the

Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense clean up and remove from the Premises all rubbish and debris and property required to be removed and turn over the Premises to Landlord in good order and in a safe sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals or do such work as shall be required to return the Premises to an orderly and safe and sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

10. Damage or Destruction. In the event that Tenant's improvements or trade fixtures on the Premises are damaged or destroyed in whole or in part by any cause whatsoever, this Lease shall remain in full force and effect and there shall be no abatement of rent. Tenant waives the provisions of Civil Code §§1982(2) and 1933(4) with respect to such damage or destruction.

11. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

12. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of

1970, 29 U.S.C. §651 et seq., and the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq., (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises. Tenant agrees to indemnify and hold harmless Landlord from any liability, claims or damages arising as a result of a breach of the foregoing agreement and from all costs, expenses and charges arising therefrom, including, without limitation, attorneys' fees and court costs incurred by Landlord in connection therewith.

13. Condemnation If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable to Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent.

In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as

compensation for the taking of fixtures and equipment owned by Tenant and which would not, by the terms of this Lease, become property of the Landlord.

14. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

15. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that

nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, costs or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

16. Indemnification and Exculpation of Landlord.

Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

17. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Worker's Compensation Insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than Five Hundred Thousand Dollars (\$500,000.00) combined single limit. All such public

liability and property damage policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name Landlord as an additional insured, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor or any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

18. Default. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute;

(d) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any

part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant; then, and in any or either of such events Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, clean up and remove from the Premises all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, all within thirty (30) days after service of such notice, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(1) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(2) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(3) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(4) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (1) and (2) of this paragraph is computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (3) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or preservation or efforts to relet the Premises, the appointment of a receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

19. Holding Over. Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either expressed or implied, such holding over shall be considered a tenancy from month to month subject to all the conditions and restrictions of this Lease.

20. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party

to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

To Landlord: Conrock Co.  
3200 San Fernando Road  
Los Angeles, CA 90065

To Tenant: Arutyun Aladjian  
534 N. Kenmore Ave., #1  
Los Angeles, CA 90004

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified or registered mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

21. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the expressed written consent of Landlord. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this paragraph.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease become effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

Landlord shall be permitted to withhold its consent to any proposed transfer in its sole and absolute discretion.

If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of law, from one Tenant to the other shall be deemed a voluntary transfer.

If Tenant is a corporation, any dissolution, merger, consolidation, or other reorganization of Tenant, or the sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of 51% of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing at least 51% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors. This paragraph shall not apply to corporations the stock of which is traded through an exchange or over the counter.

22. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas and all similar charges which may accrue with respect to the Premises during the term of this Lease. Should Tenant fail to so pay any utility charge as required herein, Landlord may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

23. Insolvency of Tenant. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

24. Abandonment of Leased Premises. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during and for the purpose of making such repairs or restoration as may become necessary under the provisions hereof.

25. Transfer of Landlord's Interest. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all

obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

26. Subordination Agreement. Tenant shall, upon Landlord's request, together with the request of any encumbrancers or holder of a trust deed, execute any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said mortgage or deed of trust and subordinating this Lease to said mortgage or deed of trust.

27. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord. Such approval shall not be unreasonably withheld. If Tenant installs or permits any signs to be installed on the Premises without first having obtained Landlord's written approval thereof, Landlord may, after giving Tenant three (3) days written notice of its disapproval of any such sign, enter upon the Premises and remove the same at Tenant's expense. Any sign shall be purchased, installed, maintained, and at the end of this Lease, removed by Tenant at Tenant's sole expense.

28. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

29. Successors and Assigns. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

30. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses from the other party.

31. Quiet Possession. Landlord warrants that Tenant on paying the rental installments and other payments provided for hereby, and on keeping, observing, and performing all the other terms, conditions, and provisions herein contained on the part of Tenant to be kept, observed and performed, shall, during the full Lease term, peaceably and quietly have, hold and enjoy the Premises, subject to the terms, conditions and provisions hereof.

32. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

33. Real Estate Brokers; Finders. Each party represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

34. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby and no other agreement, statement or promises made by any party hereto or to any employee or agent of any party hereto which is not contained herein shall be binding or valid.

IN WITNESS WHEREOF, Landlord and Tenant have executed  
this Lease as of the day and year first above written.

STANDARD INDUSTRIAL LEASE GROSS  
AMERICAN INDUSTRIAL REAL ESTATE ASSOCIATION

SUN VALLEY

This Lease, dated for reference purposes only February 23, 1984, is made by and between CALIFORNIA PORTLAND CEMENT COMPANY, a California corporation

and SAVE-ON AUTO PARTS AND SALVAGE, INC., a California corporation, and GARY AVAKIAN and J. AVAKIAN, Husband and Wife, (herein called "Lessee").

2. Premises. Lessor hereby leases to Lessee and Lessee leases from Lessor for the term, at the rental, and upon all of the conditions set forth herein, that certain real property situated in the County of Los Angeles State of California commonly known as depicted on Exhibit A, attached hereto and incorporated and described herein by this reference.

Said real property including the land and all improvements therein, is herein called "the Premises".

3. Term.  
3.1 Term. The term of this Lease shall be for one year commencing on May 1, 1984 and ending on April 30, 1985 unless sooner terminated pursuant to any provision hereof.

3.2 Delay in Possession. Notwithstanding said commencement date, if for any reason Lessor cannot deliver possession of the Premises to Lessee on said date, Lessor shall not be subject to any liability therefor, nor shall such failure affect the validity of this Lease or the obligations of Lessee hereunder or extend the term hereof, but in such case, Lessee shall not be obligated to pay rent until possession of the Premises is tendered to Lessee; provided, however, that if Lessor shall not have delivered possession of the Premises within sixty (60) days from said commencement date, Lessee may, at Lessee's option, by notice in writing to Lessor within ten (10) days thereafter, cancel this Lease, in which event the parties shall be discharged from all obligations hereunder, provided further, however, that if such written notice of Lessee is not received by Lessor within said ten (10) day period, Lessee's right to cancel this Lease hereunder shall terminate and be of no further force or effect.

3.3 Early Possession. If Lessee occupies the Premises prior to said commencement date, such occupancy shall be subject to all provisions hereof, such occupancy shall not advance the termination date, and Lessee shall pay rent for such period at the initial monthly rates set forth below

~~Rent. Lessee shall pay to Lessor as rent for the Premises, monthly payments of \$ \_\_\_\_\_ in advance, on the day of each month of the term hereof. Lessee shall pay Lessor upon the execution hereof \$ \_\_\_\_\_ as rent for~~

Rent for any period during the term hereof which is for less than one month shall be a pro rata portion of the monthly installment. Rent shall be payable in lawful money of the United States to Lessor at the address stated herein or to such other persons or at such other places as Lessor may designate in writing.

5. Security Deposit. Lessee shall deposit with Lessor upon execution hereof \$ 5,000.00 as security for Lessee's faithful performance of Lessee's obligations hereunder. If Lessee fails to pay rent or other charges due hereunder, or otherwise defaults with respect to any of the terms of this Lease, Lessor may use, apply or retain all or any portion of said deposit for the payment of any rent or other charge in default or for payment of any other sum to which Lessor may become obligated by reason of Lessee's default, or to compensate Lessor for any loss or damage Lessor may suffer thereby. If Lessor so uses or applies all or any portion of said deposit, Lessee shall within ten (10) days after written notice thereof deposit cash with Lessor in an amount sufficient to restore said deposit to the full amount hereinabove stated and Lessee's failure to do so shall be a material breach of this Lease. If the monthly rent shall, from time to time, increase during the term of this Lease, Lessee shall thereupon deposit with Lessor additional security deposit so that the amount of security deposit held by Lessor shall at all times bear the same proportion to current rent as the original security deposit bears to the original monthly rent set forth in paragraph 4 hereof. Lessor shall not be required to keep said deposit separate from its general accounts. If Lessee performs all of Lessee's obligations hereunder, said deposit, or so much thereof as has not theretofore been applied by Lessor, shall be returned, without payment of interest or other increment for its use, to Lessee (or, at Lessee's option, to the last assignee, if any, of Lessee's interest hereunder) at the expiration of the term hereof, and after Lessee has vacated the Premises. No trust relationship is created herein between Lessor and Lessee with respect to said Security Deposit.

6. Use.  
6.1 Use. The Premises shall be used and occupied only for the operation of an automobile wrecking, storing and dismantling yard business.

~~any other use which is reasonably compatible and leaves other purposes.~~

6.2 Compliance with Law.  
(a) Lessor warrants to Lessee that the Premises, in its state existing on the date that the Lease term commences, but without regard to the use for which Lessee will use the Premises, does not violate any covenants or restrictions of record, or any applicable building code, regulation or ordinance in effect on such Lease term commencement date. In the event it is determined that this warranty has been violated, then it shall be the obligation of the Lessor, after written notice from Lessee, to promptly, at Lessor's sole cost and expense, rectify any such violation. In the event Lessee does not give to Lessor written notice of the violation of this warranty within six months from the date that the Lease term commences, the correction of same shall be the obligation of the Lessee at Lessee's sole cost. The warranty contained in this paragraph 6.2 (a) shall be of no force or effect if, prior to the date of this Lease, Lessee was the owner or occupant of the Premises, and, in such event, Lessee shall correct any such violation at Lessee's sole cost.

(b) Except as provided in paragraph 6.2(a), Lessee shall, at Lessee's expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders, covenants and restrictions of record, and requirements in effect during the term or any part of the term hereof, regulating the use by Lessee of the Premises. Lessee shall not use nor permit the use of the Premises in any manner that will tend to create waste or a nuisance or, if there shall be more than one tenant in the building containing the Premises, shall tend to disturb such other tenants.

6.3 Condition of Premises.  
(a) Lessor shall deliver the Premises to Lessee clean and free of debris on Lease commencement date (unless Lessee is already in possession) and Lessor further warrants to Lessee that the plumbing, lighting, air conditioning, heating, and loading doors in the Premises shall be in good operating condition on the Lease commencement date. In the event that it is determined that this warranty has been violated, then it shall be the obligation of Lessor, after receipt of written notice from Lessee setting forth with specificity the nature of the violation, to promptly, at Lessor's sole cost, rectify such violation. Lessee's failure to give such written notice to Lessor within thirty (30) days after the Lease commencement date shall cause the conclusive presumption that Lessor has complied with all of Lessor's obligations hereunder. The warranty contained in this paragraph 6.3(a) shall be of no force or effect if prior to the date of this Lease, Lessee was the owner or occupant of the Premises.

(b) Except as otherwise provided in this Lease, Lessee hereby accepts the Premises in their condition existing as of the Lease commencement date or the date that Lessee takes possession of the Premises, whichever is earlier, subject to all applicable zoning, municipal, county and state laws, ordinances and regulations governing and regulating the use of the Premises, and any covenants or restrictions of record, and accepts this Lease subject thereto and to all matters disclosed thereby and by any exhibits attached hereto. Lessee acknowledges that neither Lessor nor Lessor's agent has made any representation or warranty as to the present or future suitability of the Premises for the conduct of Lessee's business.

7. Maintenance, Repairs and Alterations.  
7.1 Lessor's Obligations. Subject to the provisions of Paragraphs 6, 7.2, and 9 and except for damage caused by any negligent or intentional act or omission of Lessee, Lessee's agents, employees, or invitees in which event Lessee shall repair the damage, Lessor, at Lessor's expense, shall maintain in good order, condition and repair the foundations, exterior walls and the exterior roof of the Premises. Lessor shall not, however, be obligated to paint such exterior, nor shall Lessor be required to maintain the interior surface of exterior walls, windows, doors or plate glass. Lessor shall have no obligation to make repairs under this Paragraph 7.1 until a reasonable time after receipt of written notice of the need for such repairs. Lessee expressly waives the benefits of any statute now or hereafter in effect which would otherwise afford Lessee the right to make repairs at Lessor's expense or to recover the cost of such repairs from Lessor.

7.2 Lessee's Obligations.  
(a) Subject to the provisions of Paragraphs 6, 7.1 and 9, Lessee, at Lessee's expense, shall keep in good order, condition and repair the Premises and every part thereof (whether or not the damaged portion of the Premises or the means of repairing the same are reasonably or readily accessible to Lessee) including, without limiting the generality of the foregoing, all plumbing, heating, air conditioning, (Lessee shall procure and

Initials: \_\_\_\_\_

maintain, at Lessee's expense, an air conditioning system maintenance contract) ventilating, electrical and lighting facilities and equipment within the Premises, fixtures, interior walls and interior surface of exterior walls, ceilings, windows, doors, plate glass, and skylights, located within the Premises, and all landscaping, driveways, parking lots, fences and signs located in the Premises and all sidewalks and parkways adjacent to the Premises.

(b) If Lessee fails to perform Lessee's obligations under this Paragraph 7.2 or under any other paragraph of this Lease, Lessor may at Lessor's option enter upon the Premises after 10 days' prior written notice to Lessee (except in the case of emergency, in which case no notice shall be required), perform such obligations on Lessee's behalf and put the Premises in good order, condition and repair, and the cost thereof together with interest thereon at the maximum rate then allowable by law shall be due and payable as additional rent to Lessor together with Lessee's next rental installment.

(c) On the last day of the term hereof, or on any sooner termination, Lessee shall surrender the Premises to Lessor in the same condition as received, ordinary wear and tear excepted, clean and free of debris. Lessee shall repair any damage to the Premises occasioned by the installation or removal of its trade fixtures, furnishings and equipment. Notwithstanding anything to the contrary otherwise stated in this Lease, Lessee shall leave the air lines, power panels, electrical distribution systems, lighting fixtures, space heaters, air conditioning, plumbing and fencing on the premises in good operating condition.

#### 7.3 Alterations and Additions.

(a) Lessee shall not, without Lessor's prior written consent make any alterations, improvements, additions, or Utility Installations in, on or about the Premises, except for nonstructural alterations not exceeding \$2,500 in cumulative costs during the term of this Lease. In any event, whether or not in excess of \$2,500 in cumulative cost, Lessee shall make no change or alteration to the exterior of the Premises nor the exterior of the building(s) on the Premises without Lessor's prior written consent. As used in this Paragraph 7.3 the term "Utility Installation" shall mean carpeting, window coverings, air lines, power panels, electrical distribution systems, lighting fixtures, space heaters, air conditioning, plumbing, and fencing. Lessor may require that Lessee remove any or all of said alterations, improvements, additions or Utility Installations at the expiration of the term, and restore the Premises to their prior condition. Lessor may require Lessee to provide Lessor, at Lessee's sole cost and expense, a lien and completion bond in an amount equal to one and one-half times the estimated cost of such improvements, to insure Lessor against any liability for mechanic's and materialmen's liens and to insure completion of the work. Should Lessee make any alterations, improvements, additions or Utility Installations without the prior approval of Lessor, Lessor may require that Lessee remove any or all of the same.

(b) Any alterations, improvements, additions or Utility Installations in, or about the Premises that Lessee shall desire to make and which requires the consent of the Lessor shall be presented to Lessor in written form, with proposed detailed plans. If Lessor shall give its consent, the consent shall be deemed conditioned upon Lessee acquiring a permit to do so from appropriate governmental agencies, the furnishing of a copy thereof to Lessor prior to the commencement of the work and the compliance by Lessee of all conditions of said permit in a prompt and expeditious manner.

(c) Lessee shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Lessee at or for use in the Premises, which claims are or may be secured by any mechanics' or materialmen's lien against the Premises or any interest therein. Lessee shall give Lessor not less than ten (10) days' notice prior to the commencement of any work in the Premises, and Lessor shall have the right to post notices of non-responsibility in or on the Premises as provided by law. If Lessee shall, in good faith, contest the validity of any such lien, claim or demand, then Lessee shall, at its sole expense defend itself and Lessor against the same and shall pay and satisfy any such adverse judgment that may be rendered thereon before the enforcement thereof against the Lessor or the Premises, upon the condition that if Lessor shall require, Lessee shall furnish to Lessor a surety bond satisfactory to Lessor in an amount equal to such contested lien claim or demand indemnifying Lessor against liability for the same and holding the Premises free from the effect of such lien or claim. In addition, Lessor may require Lessee to pay Lessor's attorneys fees and costs in participating in such action if Lessor shall decide it is to its best interest to do so.

(d) Unless Lessor requires their removal, as set forth in Paragraph 7.3(a), all alterations, improvements, additions and Utility Installations (whether or not such Utility Installations constitute trade fixtures of Lessee), which may be made on the Premises, shall become the property of Lessor and remain upon and be surrendered with the Premises at the expiration of the term. Notwithstanding the provisions of this Paragraph 7.3(d), Lessee's machinery and equipment, other than that which is affixed to the Premises so that it cannot be removed without material damage to the Premises, shall remain the property of Lessee and may be removed by Lessee subject to the provisions of Paragraph 7.2(c).

#### 8. Insurance; Indemnity.

8.1 **Liability Insurance - Lessee.** Lessee shall, at Lessee's expense, obtain and keep in force during the term of this Lease a policy of Combined Single Limit Bodily Injury and Property Damage Insurance insuring Lessee and Lessor against any liability arising out of the use, occupancy or maintenance of the Premises and all other areas appurtenant thereto. Such insurance shall be in an amount not less than \$500,000 per occurrence. The policy shall insure performance by Lessee of the indemnity provisions of this Paragraph 8. The limits of said insurance shall not, however, limit the liability of Lessee hereunder.

8.2 **Liability Insurance - Lessor.** Lessor shall obtain and keep in force during the term of this Lease a policy of Combined Single Limit Bodily Injury and Property Damage Insurance, insuring Lessor, but not Lessee, against any liability arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto in an amount not less than \$500,000 per occurrence.

8.3 **Property Insurance.** Lessor shall obtain and keep in force during the term of this Lease a policy or policies of insurance covering loss or damage to the Premises, but not Lessee's fixtures, equipment or tenant improvements in an amount not to exceed the full replacement value thereof, as the same may exist from time to time, providing protection against all perils included within the classification of fire, extended coverage, vandalism, malicious mischief, flood (in the event same is required by a lender having a lien on the Premises) special extended perils ("all risk", as such term is used in the insurance industry) but not plate glass insurance. In addition, the Lessor shall obtain and keep in force, during the term of this Lease, a policy of rental value insurance covering a period of one year, with loss payable to Lessor, which insurance shall also cover all real estate taxes and insurance costs for said period.

#### 8.4 Payment of Premium Increase.

(a) Lessee shall pay to Lessor, during the term hereof, in addition to the rent, the amount of any increase in premiums for the insurance required under Paragraphs 8.2 and 8.3 over and above such premiums paid during the Base Period, as hereinafter defined, whether such premium increase shall be the result of the nature of Lessee's occupancy, any act or omission of Lessee, requirements of the holder of a mortgage or deed of trust covering the Premises, increased valuation of the Premises, or general rate increases. In the event that the Premises have been occupied previously, the words "Base Period" shall mean the last twelve months of the prior occupancy. In the event that the Premises have never been previously occupied, the premiums during the "Base Period" shall be deemed to be the lowest premiums reasonably obtainable for said insurance assuming the most nominal use of the Premises. Provided, however, in lieu of the Base Period, the parties may insert a dollar amount at the end of this sentence which figure shall be considered as the insurance premium for the Base Period: \$ \_\_\_\_\_. In no event, however, shall Lessee be responsible for any portion of the premium cost attributable to liability insurance coverage in excess of \$1,000,000 procured under paragraph 8.2.

(b) Lessee shall pay any such premium increases to Lessor within 30 days after receipt by Lessee of a copy of the premium statement or other satisfactory evidence of the amount due. If the insurance policies maintained hereunder cover other improvements in addition to the Premises, Lessor shall also deliver to Lessee a statement of the amount of such increase attributable to the Premises and showing in reasonable detail, the manner in which such amount was computed. If the term of this Lease shall not expire concurrently with the expiration of the period covered by such insurance, Lessee's liability for premium increases shall be prorated on an annual basis.

(c) If the Premises are part of a larger building, then Lessee shall not be responsible for paying any increase in the property insurance premium caused by the acts or omissions of any other tenant of the building of which the Premises are a part.

8.5 **Insurance Policies.** Insurance required hereunder shall be in companies holding a "General Policyholders Rating" of at least B plus, or such other rating as may be required by a lender having a lien on the Premises, as set forth in the most current issue of "Best's Insurance Guide". Lessee shall deliver to Lessor copies of policies of liability insurance required under Paragraph 8.1 or certificates evidencing the existence and amounts of such insurance. No such policy shall be cancellable or subject to reduction of coverage or other modification except after thirty (30) days' prior written notice to Lessor. Lessee shall, at least thirty (30) days prior to the expiration of such policies, furnish Lessor with renewals or "binders" thereof, or Lessor may order such insurance and charge the cost thereof to Lessee, which amount shall be payable by Lessee upon demand. Lessee shall not do or permit to be done anything which shall invalidate the insurance policies referred to in Paragraph 8.3.

8.6 **Waiver of Subrogation.** Lessee and Lessor each hereby release and relieve the other, and waive their entire right of recovery against the other for loss or damage arising out of or incident to the perils insured against under paragraph 8.3, which perils occur in, on or about the Premises, whether due to the negligence of Lessor or Lessee or their agents, employees, contractors and/or invitees. Lessee and Lessor shall, upon obtaining the policies of insurance required hereunder, give notice to the insurance carrier or carriers that the foregoing mutual waiver of subrogation is contained in this Lease.

8.7 **Indemnity.** Lessee shall indemnify and hold harmless Lessor from and against any and all claims arising from Lessee's use of the Premises, or from the conduct of Lessee's business or from any activity, work or things done, permitted or suffered by Lessee in or about the Premises or elsewhere and shall further indemnify and hold harmless Lessor from and against any and all claims arising from any breach or default in the performance of any obligation on Lessee's part to be performed under the terms of this Lease, or arising from any negligence of the Lessee, or any of Lessee's agents, contractors, or employees, and from and against all costs, attorney's fees, expenses and liabilities incurred in the defense of any such claim or any action or proceeding brought thereon, and in case any action or proceeding be brought against Lessor by reason of any such claim, Lessee upon notice from Lessor shall defend the same at Lessee's expense by counsel satisfactory to Lessor. Lessee, as a material part of the consideration to Lessor, hereby assumes all risk of damage to property or injury to persons, in, upon or about the Premises arising from any cause and Lessee hereby waives all claims in respect thereof against Lessor.

8.8 **Exemption of Lessor from Liability.** Lessee hereby agrees that Lessor shall not be liable for injury to Lessee's business or any loss of profits therefrom or for damage to the goods, wares, merchandise or other property of Lessee, Lessee's employees, invitees, customers, or any other person in or about the Premises, nor shall Lessor be liable for injury to the person of Lessee, Lessee's employees, invitees, customers, or any other person, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, or from the breakage, leakage, obstruction or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning or lighting fixtures, or from any other cause, whether the said damage or injury results from conditions arising upon the Premises or upon other portions of the building of which the Premises are a part, or from other sources or places and regardless of whether the cause of such damage or injury or the means of repairing the same is inaccessible to Lessee. Lessor shall not be liable for any damages arising from any act or neglect of any other tenant, if any, of the building in which the Premises are located.

8. Damage or Destruction.

9.1 Definitions.

(a) "Premises Partial Damage" shall herein mean damage or destruction to the Premises to the extent that the cost of repair is less than 50% of the fair market value of the Premises immediately prior to such damage or destruction. "Premises Building Partial Damage" shall herein mean damage or destruction to the building of which the Premises are a part to the extent that the cost of repair is less than 50% of the fair market value of such building as a whole immediately prior to such damage or destruction.

"Premises Total Destruction" shall herein mean damage or destruction to the Premises to the extent that the cost of repair is 50% or more of the fair market value of the Premises immediately prior to such damage or destruction. "Premises Building Total Destruction" shall herein mean damage or destruction to the building of which the Premises are a part to the extent that the cost of repair is 50% or more of the fair market value of such building as a whole immediately prior to such damage or destruction.

(c) "Insured Loss" shall herein mean damage or destruction which was caused by an event required to be covered by the insurance described in paragraph 8.

9.2 Partial Damage - Insured Loss. Subject to the provisions of paragraphs 9.4, 9.5 and 9.6, if at any time during the term of this Lease there is damage which is an Insured Loss and which falls into the classification of Premises Partial Damage or Premises Building Partial Damage, then Lessor shall, at Lessor's sole cost, repair such damage, but not Lessee's fixtures, equipment or tenant improvements, as soon as reasonably possible and this Lease shall continue in full force and effect.

9.3 Partial Damage - Uninsured Loss. Subject to the provisions of Paragraphs 9.4, 9.5 and 9.6, if at any time during the term of this Lease there is damage which is not an Insured Loss and which falls within the classification of Premises Partial Damage or Premises Building Partial Damage, unless caused by a negligent or willful act of Lessee (in which event Lessee shall make the repairs at Lessee's expense), Lessor may at Lessor's option either (i) repair such damage as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) give written notice to Lessee within thirty (30) days after the date of the occurrence of such damage of Lessor's intention to cancel and terminate this Lease, as of the date of the occurrence of such damage. In the event Lessor elects to give such notice of Lessor's intention to cancel and terminate this Lease, Lessee shall have the right within ten (10) days after the receipt of such notice to give written notice to Lessor of Lessee's intention to repair such damage at Lessee's expense, without reimbursement from Lessor, in which event this Lease shall continue in full force and effect, and Lessee shall proceed to make such repairs as soon as reasonably possible. If Lessee does not give such notice within such 10-day period this Lease shall be cancelled and terminated as of the date of the occurrence of such damage.

9.4 Total Destruction. If at any time during the term of this Lease there is damage, whether or not an Insured Loss, (including destruction required by any authorized public authority), which falls into the classification of Premises Total Destruction or Premises Building Total Destruction, this Lease shall automatically terminate as of the date of such total destruction.

9.5 Damage Near End of Term.

(a) If at any time during the last six months of the term of this Lease there is damage, whether or not an Insured Loss, which falls within the classification of Premises Partial Damage, Lessor may at Lessor's option cancel and terminate this Lease as of the date of occurrence of such damage by giving written notice to Lessee of Lessor's election to do so within 30 days after the date of occurrence of such damage.

(b) Notwithstanding paragraph 9.5(a), in the event that Lessee has an option to extend or renew this Lease, and the time within which said option may be exercised has not yet expired, Lessee shall exercise such option, if it is to be exercised at all, no later than 20 days after the occurrence of an Insured Loss falling within the classification of Premises Partial Damage during the last six months of the term of this Lease. If Lessee duly exercises such option during said 20 day period, Lessor shall, at Lessor's expense, repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect. If Lessee fails to exercise such option during said 20 day period, then Lessor may at Lessor's option terminate and cancel this Lease as of the expiration of said 20 day period by giving written notice to Lessee of Lessor's election to do so within 10 days after the expiration of said 20 day period, notwithstanding any term or provision in the grant of option to the contrary.

9.6 Abatement of Rent; Lessee's Remedies.

(a) In the event of damage described in paragraphs 9.2 or 9.3, and Lessor or Lessee repairs or restores the Premises pursuant to the provisions of this Paragraph 9, the rent payable hereunder for the period during which such damage, repair or restoration continues shall be abated in proportion to the degree to which Lessee's use of the Premises is impaired. Except for abatement of rent, if any, Lessee shall have no claim against Lessor for any damage suffered by reason of any such damage, destruction, repair or restoration.

(b) If Lessor shall be obligated to repair or restore the Premises under the provisions of this Paragraph 9 and shall not commence such repair or restoration within 90 days after such obligations shall accrue, Lessee may at Lessee's option cancel and terminate this Lease by giving Lessor written notice of Lessee's election to do so at any time prior to the commencement of such repair or restoration. In such event this Lease shall terminate as of the date of such notice.

9.7 Termination - Advance Payments. Upon termination of this Lease pursuant to this Paragraph 9, an equitable adjustment shall be made concerning advance rent and any advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's security deposit as has not theretofore been applied by Lessor.

9.8 Waiver. Lessor and Lessee waive the provisions of any statutes which relate to termination of leases when leased property is destroyed and that such event shall be governed by the terms of this Lease.

Property Taxes.

10.1 Payment of Tax Increase. Lessor shall pay the real property tax, as defined in paragraph 10.3, applicable to the Premises, provided, however, that Lessee shall pay, in addition to rent, the amount, if any, by which real property taxes applicable to the Premises increase over the fiscal real estate tax year 1979/1980. Such payment shall be made by Lessee within thirty (30) days after receipt of Lessor's written statement setting forth the amount of such increase and the computation thereof. If the term of this Lease shall not expire concurrently with the expiration of the tax fiscal year, Lessee's liability for increased taxes for the last partial lease year shall be prorated on an annual basis.

10.2 Additional Improvements. Notwithstanding paragraph 10.1 hereof, Lessee shall pay to Lessor upon demand therefor the entirety of any increase in real property tax if assessed solely by reason of additional improvements placed upon the Premises by Lessee or at Lessee's request.

10.3 Definition of "Real Property Tax". As used herein, the term "real property tax" shall include any form of real estate tax or assessment, general, special, ordinary or extraordinary, and any license fee, commercial rental tax, improvement bond or bonds, levy or tax (other than inheritance, personal income or estate taxes) imposed on the Premises by any authority having the direct or indirect power to tax, including any city, state or federal government, or any school, agricultural, sanitary, fire, street, drainage or other improvement district thereof, as against any legal or equitable interest of Lessor in the Premises or in the real property of which the Premises are a part, as against Lessor's right to rent or other income therefrom, and as against Lessor's business of leasing the Premises. The term "real property tax" shall also include any tax, fee, levy, assessment or charge (i) in substitution of, partially or totally, any tax, fee, levy, assessment or charge hereinabove included within the definition of "real property tax," or (ii) the nature of which was hereinbefore included within the definition of "real property tax," or (iii) which is imposed for a service or right not charged prior to June 1, 1978, or, if previously charged, has been increased since June 1, 1978, or (iv) which is imposed as a result of a transfer, either partial or total, of Lessor's interest in the Premises or which is added to a tax or charge hereinbefore included within the definition of real property tax by reason of such transfer, or (v) which is imposed by reason of this transaction, any modifications or changes hereto, or any transfers hereof.

10.4 Joint Assessment. If the Premises are not separately assessed, Lessee's liability shall be an equitable proportion of the real property taxes for all of the land and improvements included within the tax parcel assessed, such proportion to be determined by Lessor from the respective valuations assigned in the assessor's work sheets or such other information as may be reasonably available. Lessor's reasonable determination thereof, in good faith, shall be conclusive.

10.5 Personal Property Taxes.

(a) Lessee shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of Lessee contained in the Premises or elsewhere. When possible, Lessee shall cause said trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor.

(b) If any of Lessee's said personal property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

11. Utilities. Lessee shall pay for all water, gas, heat, light, power, telephone and other utilities and services supplied to the Premises, together with any taxes thereon. If any such services are not separately metered to Lessee, Lessee shall pay a reasonable proportion to be determined by Lessor of all charges jointly metered with other premises.

12. Assignment and Subletting.

~~12.1 Lessor's Consent Required. Lessee shall not voluntarily or by operation of law assign, transfer, mortgage, sublet, or otherwise encumber all or any part of Lessee's interest in the Premises, without Lessor's prior written consent, which Lessor shall not unreasonably withhold. Lessor shall respond to Lessee's request for consent hereunder in a timely manner and any attempted assignment, transfer, mortgage, or subletting without such consent shall be void, and shall constitute a breach of this Lease.~~

~~12.2 Lessee's Ability. Notwithstanding the provisions of paragraph 12.1 hereof, Lessee may assign or sublet the Premises or any part thereof, without Lessor's consent, to any corporation which controls, is controlled by or is under common control with Lessee, or to any corporation resulting from the merger or consolidation with Lessee, or to any person or entity which acquires all the assets of Lessee as a going concern of the business that is being conducted on the Premises, provided that said assignee assumes, in full, the obligations of Lessee under this Lease. Any such assignment or subletting, in any way, affect or limit the liability of Lessee under the terms of this Lease even if after such assignment or subletting the terms of the Lease are materially changed or altered without the consent of Lessor, the consent of whom shall not be necessary.~~

12.3 No Release of Lessee. Regardless of Lessor's consent, no subletting or assignment shall release Lessee of Lessee's obligation or alter the liability of Lessee to pay the rent and to perform all other obligations to be performed by Lessee hereunder. The acceptance of rent by any other person shall not be deemed to be a waiver by Lessor of any provision hereof. Consent to one assignment or subletting shall be deemed consent to any subsequent assignment or subletting. In the event of default by any assignee of Lessee or any successor of Lessee, in the performance of any of the terms hereof, Lessor may proceed directly against the assignee, or any successor of Lessee, or any assignee of Lessee, without notifying Lessee, or any successor of Lessee, and without obtaining its or their consent thereto and such action shall not relieve Lessee of liability under this Lease.

12.4 Attorney's Fees. In the event Lessee shall assign or sublet the Premises or request the consent of Lessor to any assignment or subletting or if Lessee shall request the consent of Lessor for any act Lessee proposes to do then Lessee shall pay Lessor's reasonable attorneys fees incurred in connection therewith, such attorneys fees not to exceed \$350.00 for each such request.

13. Defaults; Remedies.

13.1 Defaults. The occurrence of any one or more of the following events shall constitute a material default and breach of this Lease by Lessee:

- (a) The vacating or abandonment of the Premises by Lessee.
(b) The failure by Lessee to make any payment of rent or any other payment required to be made by Lessee hereunder, as and when due.
(c) The failure by Lessee to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Lessee.
(d) (i) The making by Lessee of any general arrangement or assignment for the benefit of creditors.
(e) The discovery by Lessor that any financial statement given to Lessor by Lessee, any assignee of Lessee, any subtenant of Lessee, any successor in interest of Lessee or any guarantor of Lessee's obligation hereunder, and any of them, was materially false.

13.2 Remedies. In the event of any such material default or breach by Lessee, Lessor may at any time thereafter, with or without notice or demand and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such default or breach:

- (a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession of the Premises to Lessor.
(b) Maintain Lessee's right to possession in which case this Lease shall continue in effect whether or not Lessee shall have abandoned the Premises.
(c) Pursue any other remedy now or hereafter available to Lessor under the laws or judicial decisions of the state wherein the Premises are located.

13.3 Default by Lessor. Lessor shall not be in default unless Lessor fails to perform obligations required of Lessor within a reasonable time, but in no event later than thirty (30) days after written notice by Lessee to Lessor and to the holder of any first mortgage or deed of trust covering the Premises whose name and address shall have theretofore been furnished to Lessee in writing, specifying wherein Lessor has failed to perform such obligation; provided, however, that if the nature of Lessor's obligation is such that more than thirty (30) days are required for performance then Lessor shall not be in default if Lessor commences performance within such 30-day period and thereafter diligently prosecutes the same to completion.

13.4 Late Charges. Lessee hereby acknowledges that late payment by Lessee to Lessor of rent and other sums due hereunder will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed on Lessor by the terms of any mortgage or trust deed covering the Premises.

13.5 Impounds. In the event that a late charge is payable hereunder, whether or not collected, for three (3) installments of rent or any other monetary obligation of Lessee under the terms of this Lease, Lessee shall pay to Lessor, if Lessor shall so request, in addition to any other payments required under this Lease, a monthly advance installment, payable at the same time as the monthly rent, as estimated by Lessor, for real property tax and insurance expenses on the Premises which are payable by Lessee under the terms of this Lease.

14. Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain, or sold under the threat of the exercise of said power (all of which are herein called "condemnation"), this Lease shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the floor area of the building on the Premises, or more than 25% of the land area of the Premises which is not occupied by any building, is taken by condemnation, Lessee may, at Lessee's option, to be exercised in writing only within ten (10) days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within ten (10) days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession.

15. Broker's Fee. Upon execution of this Lease by both parties, Lessor shall pay to

broker(s) a fee as set forth in a separate agreement between Lessor and said broker(s), or in the event there is no separate agreement between Lessor and said broker(s), the sum of \$ \_\_\_\_\_, for brokerage services rendered by said broker(s) to Lessor in this transaction.

(b) Lessor further agrees that if Lessee exercises any Option as defined in paragraph 20 of this Lease, which is granted to Lessee under this Lease, or any subsequently granted option which is substantially similar to an Option granted to Lessee under this Lease, or if Lessee acquires any rights to the Premises or other premises described in this Lease which are substantially similar to what Lessee would have acquired had an Option herein granted to Lessee been exercised, or if Lessee remains in possession of the Premises after the expiration of the term of this Lease after having failed to exercise an Option, or if said broker(s) are the procuring cause of any other lease or sale entered into between the parties pertaining to the Premises and/or any adjacent property in which Lessor has an interest, then as to any of said transactions, Lessor shall pay said broker(s) a fee in accordance with the schedule of said broker(s) in effect at the time of execution of this Lease.

(c) Lessor agrees to pay said fee not only on behalf of Lessor but also on behalf of any person, corporation, association, or other entity having an ownership interest in said real property or any part thereof, when such fee is due hereunder. Any transferee of Lessor's interest in this Lease, whether such transfer is by agreement or by operation of law, shall be deemed to have assumed Lessor's obligation under this Paragraph 15.

16. Estoppel Certificate.

(a) Lessee shall at any time upon not less than ten (10) days' prior written notice from Lessor execute, acknowledge and deliver to Lessor a statement in writing (i) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect) and the date to which the rent and other charges are paid in advance, if any, and acknowledging that there are not, to Lessee's knowledge, any uncured defaults on the part of Lessor hereunder, or specifying such defaults if any are claimed. Any such statement may be conclusively relied upon by any prospective purchaser of the Premises.
(b) At Lessor's option, Lessee's failure to deliver such statement within such time shall be a material breach of this Lease or shall be conclusive upon Lessee (i) that this Lease is in full force and effect, without modification except as may be represented by Lessor, (ii) that there are no uncured defaults in Lessor's performance, and (iii) that not more than one month's rent has been paid in advance or such failure may be considered by Lessor as a default by Lessee under this Lease.

Initials: \_\_\_\_\_

purchaser designated by Lessor such financial statements of Lessee as may be reasonably required by such lender or purchaser. Such statements shall include the past three years' financial statements of Lessee. All such financial statements shall be received by Lessor and such lender or purchaser in confidence and shall be used only for the purposes herein set forth.

17. **Lessor's Liability.** The term "Lessor" as used herein shall mean only the owner or owners at the time in question of the fee title or a lessee's interest in a ground lease of the Premises, and except as expressly provided in Paragraph 15, in the event of any transfer of such title or interest, Lessor herein named (and in case of any subsequent transfers then the grantor) shall be relieved from and after the date of such transfer of all liability as respects Lessor's obligations thereafter to be performed, provided that any funds in the hands of Lessor or the then grantor at the time of such transfer, in which Lessee has an interest, shall be delivered to the grantee. The obligations contained in this Lease to be performed by Lessor shall, subject as aforesaid, be binding on Lessor's successors and assigns, only during their respective periods of ownership.

18. **Validity.** The invalidity of any provision of this Lease as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

19. **Interest on Past-due Obligations.** Except as expressly herein provided, any amount due to Lessor not paid when due shall bear interest at the maximum rate then allowable by law from the date due. Payment of such interest shall not excuse or cure any default by Lessee under this Lease, provided, however, that interest shall not be payable on late charges incurred by Lessee nor on any amounts upon which late charges are paid by Lessee.

20. **Time of Essence.** Time is of the essence.

21. **Additional Rent.** Any monetary obligations of Lessee to Lessor under the terms of this Lease shall be deemed to be rent.

22. **Incorporation of Prior Agreements; Amendments.** This Lease contains all agreements of the parties with respect to any matter mentioned herein. No prior agreement or understanding pertaining to any such matter shall be effective. This Lease may be modified in writing only, signed by the parties in interest at the time of the modification. Except as otherwise stated in this Lease, Lessee hereby acknowledges that neither the real estate broker listed in Paragraph 15 hereof nor any cooperating broker on this transaction nor the Lessor or any employees or agents of any of said persons has made any oral or written warranties or representations to Lessee relative to the condition or use by Lessee of said Premises and Lessee acknowledges that Lessee assumes all responsibility regarding the Occupational Safety Health Act, the legal use and adaptability of the Premises and the compliance thereof with all applicable laws and regulations in effect during the term of this Lease except as otherwise specifically stated in this Lease.

23. **Notices.** Any notice required or permitted to be given hereunder shall be in writing and may be given by personal delivery or by certified mail, and if given personally or by mail, shall be deemed sufficiently given if addressed to Lessee or to Lessor at the address noted below the signature of the respective parties, as the case may be. Either party may by notice to the other specify a different address for notice purposes except that upon Lessee's taking possession of the Premises, the Premises shall constitute Lessee's address for notice purposes. A copy of all notices required or permitted to be given to Lessor hereunder shall be concurrently transmitted to such party or parties at such addresses as Lessor may from time to time hereafter designate by notice to Lessee.

24. **Waivers.** No waiver by Lessor or any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by Lessee of the same or any other provision. Lessor's consent to, or approval of any act, shall not be deemed to render unnecessary the obtaining of Lessor's consent to or approval of any subsequent act by Lessee. The acceptance of rent hereunder by Lessor shall not be a waiver of any preceding breach by Lessee of any provision hereof, other than the failure of Lessee to pay the particular rent so accepted, regardless of Lessor's knowledge of such preceding breach at the time of acceptance of such rent.

25. **Recording.** Either Lessor or Lessee shall, upon request of the other, execute, acknowledge and deliver to the other a "short form" memorandum of this Lease for recording purposes.

26. **Holding Over.** If Lessee, with Lessor's consent, remains in possession of the Premises or any part thereof after the expiration of the term hereof, such occupancy shall be a tenancy from month to month upon all the provisions of this Lease pertaining to the obligations of Lessee, but all options and rights of first refusal, if any, granted under the terms of this Lease shall be deemed terminated and be of no further effect during said month to month tenancy.

27. **Cumulative Remedies.** No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

28. **Covenants and Conditions.** Each provision of this Lease performable by Lessee shall be deemed both a covenant and a condition.

29. **Binding Effect; Choice of Law.** Subject to any provisions hereof restricting assignment or subletting by Lessee and subject to the provisions of Paragraph 17, this Lease shall bind the parties, their personal representatives, successors and assigns. This Lease shall be governed by the laws of the State wherein the Premises are located.

#### **Subordination.**

(a) This Lease, at Lessor's option, shall be subordinate to any ground lease, mortgage, deed of trust, or any other hypothecation or lien now or hereafter placed upon the real property of which the Premises are a part and to any and all advances made on the security thereof and to all renewals, modifications, consolidations, replacements and extensions thereof. Notwithstanding such subordination, Lessee's right to quiet possession of the Premises shall not be disturbed if Lessee is not in default and so long as Lessee shall pay the rent and observe and perform all of the provisions of this Lease, unless this Lease is otherwise terminated pursuant to its terms. If any mortgagee, trustee or ground lessor shall elect to have this Lease prior to the lien of its mortgage, deed of trust or ground lease, and shall give written notice thereof to Lessee, this Lease shall be deemed prior to such mortgage, deed of trust, or ground lease, whether this Lease is dated prior or subsequent to the date of said mortgage, deed of trust or ground lease or the date of recording thereof.

(b) Lessee agrees to execute any documents required to effectuate an attornment, a subordination or to make this Lease prior to the lien of any mortgage, deed of trust or ground lease, as the case may be. Lessee's failure to execute such documents within 10 days after written demand shall constitute a material default by Lessee hereunder, or, at Lessor's option, Lessor shall execute such documents on behalf of Lessee as Lessee's attorney-in-fact. Lessee does hereby make, constitute and irrevocably appoint Lessor as Lessee's attorney-in-fact and in Lessee's name, place and stead, to execute such documents in accordance with this paragraph 30(b).

31. **Attorney's Fees.** If either party or the broker named herein brings an action to enforce the terms hereof or declare rights hereunder, the prevailing party in any such action, on trial or appeal, shall be entitled to his reasonable attorney's fees to be paid by the losing party as fixed by the court. The provisions of this paragraph shall inure to the benefit of the broker named herein who seeks to enforce a right hereunder.

32. **Lessor's Access.** Lessor and Lessor's agents shall have the right to enter the Premises at reasonable times for the purpose of inspecting the same, showing the same to prospective purchasers, lenders, or lessees, and making such alterations, repairs, improvements or additions to the Premises or to the building of which they are a part as Lessor may deem necessary or desirable. Lessor may at any time place on or about the Premises any ordinary "For Sale" signs and Lessor may at any time during the last 120 days of the term hereof place on or about the Premises any ordinary "For Lease" signs, all without rebate of rent or liability to Lessee.

33. **Auctions.** Lessee shall not conduct, nor permit to be conducted, either voluntarily or involuntarily, any auction upon the Premises without first having obtained Lessor's prior written consent. Notwithstanding anything to the contrary in this Lease, Lessor shall not be obligated to exercise any standard of reasonableness in determining whether to grant such consent.

34. **Signs.** Lessee shall not place any sign upon the Premises without Lessor's prior written consent except that Lessee shall have the right, without the prior permission of Lessor to place ordinary and usual for rent or sublet signs thereon.

35. **Merger.** The voluntary or other surrender of this Lease by Lessee, or a mutual cancellation thereof, or a termination by Lessor, shall not work a merger, and shall, at the option of Lessor, terminate all or any existing subtenancies or may, at the option of Lessor, operate as an assignment to Lessor of any or all of such subtenancies.

36. **Consents.** Except for paragraph 33 hereof, wherever in this Lease the consent of one party is required to an act of the other party, such consent shall not be unreasonably withheld.

37. **Guarantor.** In the event that there is a guarantor of this Lease, said guarantor shall have the same obligations as Lessee under this Lease.

38. **Quiet Possession.** Upon Lessee paying the rent for the Premises and observing and performing all of the covenants, conditions and provisions on Lessee's part to be observed and performed hereunder, Lessee shall have quiet possession of the Premises for the entire term hereof subject to all of the provisions of this Lease. The individuals executing this Lease on behalf of Lessor represent and warrant to Lessee that they are fully authorized and legally capable of executing this Lease on behalf of Lessor and that such execution is binding upon all parties holding an ownership interest in the Premises.

#### **Options.**

39.1 **Definition.** As used in this paragraph the word "Options" has the following meaning: (1) the right or option to extend the term of this Lease or to renew this Lease or to extend or renew any lease that Lessee has on other property of Lessor, (2) the option or right of first refusal to lease the Premises or the right of first offer to lease the Premises or the right of first refusal to lease other property of Lessor or the right of first offer to lease other property of Lessor, (3) the right or option to purchase the Premises, or the right of first refusal to purchase the Premises, or the right of first offer to purchase the Premises or the right of first offer to purchase other property of Lessor, or the right of first refusal to purchase other property of Lessor, or the right of first offer to purchase other property of Lessor.

39.2 **Options Personal.** Each Option granted to Lessee in this Lease is personal to Lessee and may not be exercised or be assigned, voluntarily or involuntarily, by or to any person or entity other than Lessee, ~~and no Option may be exercised by or assigned to any~~

Initials: \_\_\_\_\_

The Options herein granted to Lessee are not assignable separate and apart from this Lease.

39.3 Multiple Options. In the event that Lessee has any multiple options to extend or renew this Lease a later option cannot be exercised unless the prior option to extend or renew this Lease has been so exercised.

39.4 Effect of Default on Options.

(a) Lessee shall have no right to exercise an Option, notwithstanding any provision in the grant of Option to the contrary, (i) during the period commencing from the date Lessor gives to Lessee a notice of default pursuant to paragraph 13.1(b) or 13.1(c) and continuing until the default is cured, or (ii) during the period of time commencing on the day after a monetary obligation to Lessor is due from Lessee and unpaid (without any necessity for notice thereof to Lessee) continuing until the obligation is paid, or (iii) at any time after an event of default described in paragraphs 13.1(a), 13.1(d), or 13.1(e) (without any necessity of Lessor to give notice of such default to Lessee), or (iv) in the event that Lessor has given to Lessee three or more notices of default under paragraph 13.1(b), where a late charge becomes payable under paragraph 13.4 for each of such defaults, or paragraph 13.1(c), whether or not the defaults are cured, during the 12 month period prior to the time that Lessee intends to exercise the subject Option.

(b) The period of time within which an Option may be exercised shall not be extended or enlarged by reason of Lessee's inability to exercise an Option because of the provisions of paragraph 39.4(a)

(c) All rights of Lessee under the provisions of an Option shall terminate and be of no further force or effect, notwithstanding Lessee's due and timely exercise of the Option, if, after such exercise and during the term of this Lease, (i) Lessee fails to pay to Lessor a monetary obligation of Lessee for a period of 30 days after such obligation becomes due (without any necessity of Lessor to give notice thereof to Lessee), or (ii) Lessee fails to commence to cure a default specified in paragraph 13.1(c) within 30 days after the date that Lessor gives notice to Lessee of such default and/or Lessee fails thereafter to diligently prosecute said cure to completion, or (iii) Lessee commits a default described in paragraph 13.1(a), 13.1(d) or 13.1(e) (without any necessity of Lessor to give notice of such default to Lessee), or (iv) Lessor gives to Lessee three or more notices of default under paragraph 13.1(b), where a late charge becomes payable under paragraph 13.4 for each such default, or paragraph 13.1(c), whether or not the defaults are cured.

40. Multiple Tenant Building. In the event that the Premises are part of a larger building or group of buildings then Lessee agrees that it will abide by, keep and observe all reasonable rules and regulations which Lessor may make from time to time for the management, safety, care, and cleanliness of the building and grounds, the parking of vehicles and the preservation of good order therein as well as for the convenience of other occupants and tenants of the building. The violations of any such rules and regulations shall be deemed a material breach of this Lease by Lessee.

41. Security Measures. Lessee hereby acknowledges that the rental payable to Lessor hereunder does not include the cost of guard service or other security measures, and that Lessor shall have no obligation whatsoever to provide same. Lessee assumes all responsibility for the protection of Lessee, its agents and invitees from acts of third parties.

42. Easements. Lessor reserves to itself the right, from time to time, to grant such easements, rights and dedications that Lessor deems necessary or desirable, and to cause the recording of Parcel Maps and restrictions, so long as such easements, rights, dedications, Maps and restrictions do not unreasonably interfere with the use of the Premises by Lessee. Lessee shall sign any of the aforementioned documents upon request of Lessor and failure to do so shall constitute a material breach of this Lease.

43. Performance Under Protest. If at any time a dispute shall arise as to any amount or sum of money to be paid by one party to the other under the provisions hereof, the party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest" and such payment shall not be regarded as a voluntary payment, and there shall survive the right on the part of said party to institute suit for recovery of such sum. If it shall be adjudged that there was no legal obligation on the part of said party to pay such sum or any part thereof, said party shall be entitled to recover such sum or so much thereof as it was not legally required to pay under the provisions of this Lease.

44. Authority. If Lessee is a corporation, trust, or general or limited partnership, each individual executing this Lease on behalf of such entity represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of said entity. If Lessee is a corporation, trust or partnership, Lessee shall, within thirty (30) days after execution of this Lease, deliver to Lessor evidence of such authority satisfactory to Lessor.

45. Conflict. Any conflict between the printed provisions of this Lease and the typewritten or handwritten provisions shall be controlled by the typewritten or handwritten provisions.

ADDENDUM TO STANDARD INDUSTRIAL LEASE--GROSS

The undersigned agree to modify, amend and supersede the attached "Standard Industrial Lease--Gross," dated \_\_\_\_\_, 1983 (the "Lease") in the following particulars:

1. The Lease shall be modified to include a paragraph 3.4 which shall read as follows:

"3.4 OPTION TO EXTEND LEASE TERM. Provided that Lessee is otherwise in compliance with all of the terms and conditions set forth in this Lease, and subject to paragraph 39, Lessee shall have the right to extend the term of this Lease for four (4) additional one-year periods, exercisable only by providing Lessor with written notice of Lessee's intent to so extend the Lease term at least sixty (60) days, but not more than ninety (90) days, prior to the expiration of the then current Lease term or the then current extension period, as applicable. All such one-year extensions shall be on the terms and conditions set forth in this Lease; provided, however, that the monthly rental obligation shall be determined as provided by paragraph 4."

2. Paragraph 4 of the Lease shall be modified to read, in its entirety, as follows:

"4. Rent.

4.1 INITIAL TERM. Lessee shall pay to Lessor as rent for the Premises, monthly payments of Two Thousand Five Hundred Dollars (\$2,500) each month during the initial one-year term of this Lease.

4.2 EXTENSIONS. Should Lessee elect to extend the initial one-year term of this Lease for additional one-year periods as contemplated by paragraph 3.4, then Lessee shall pay to Lessor as rent for the Premises, monthly payments of Three Thousand

Dollars (\$3,000) each month during the first, one-year extension period, and, Four Thousand Dollars (\$4,000) each month during such second, one-year extension period. Should Lessee elect to extend the term of this Lease for a third or fourth one-year extension period as contemplated by paragraph 3.4, then Lessee shall pay to Lessor as rent for the Premises each month during such third or fourth, one-year extension period, monthly payments of Four Thousand Dollars (\$4,000) adjusted as of the commencement of each such extension period as provided in paragraph 4.3 to reflect any increase in the Consumer Price Index for All Urban Consumers (base year 1967=100) for Los Angeles - Long Beach - Anaheim, California, published by the United States Department of Labor, Bureau of Labor Statistics (the "Index") which may occur during the term, including any extensions thereof, of this Lease.

4.3 RENT ADJUSTMENT. In the event that the term of this Lease is extended into a third or fourth, one-year extension period as contemplated by paragraph 4.3, then the Index published most immediately preceding the first day of any such extended term shall be used to determine the amount of the adjustment (the "Adjustment Index"). If the Adjustment Index has increased over the Index which is in effect on the date hereof (the "Beginning Index") the monthly rent for the Premises until the next adjustment, if any, shall be determined by multiplying the sum of Four Thousand Dollars (\$4,000) by a fraction wherein the numerator is the Adjustment Index and the denominator is the Beginning Index. In no event shall the monthly rent be less than the sum of Four Thousand Dollars (\$4,000) nor, notwithstanding any increase in the Index, shall the monthly rent be increased by an amount greater than thirty percent (30%) during the third, one-year extension period or forty percent (40%) during the fourth, one-year extension period.

If the Index is changed so that the base year differs from that in effect when the term commences,

the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the term, such other government index or computation replacing it shall be used to obtain substantially the same result as would be obtained had the Index not been replaced or revised.

4.4 MISCELLANEOUS RENT PROVISIONS. The amount of rent described in paragraph 4 shall be in addition to any other amounts payable to Lessor pursuant to this Lease. Rent for any period during the initial term hereof, or any extensions, which is for less than one month shall be a pro rata portion of the current monthly rental obligation. Rent shall be payable to Lessor in lawful money of the United States, in advance, without abatement, demand or offset, at the address stated herein or to such other persons or at such other places as Lessor may designate in writing."

3. The following provisions are added to Section 6.2(a) of the Lease:

"In addition to any of Lessee's obligations under the Lease, Lessee agrees not to use the Premises for any purpose prohibited by law, whether criminal or civil. For the purpose of the preceding sentence, any act or omission by Lessee (including without limitation the possession of a prohibited substance) occurring on or about the Premises which is determined by a court of competent jurisdiction to violate any civil or criminal law, statute, ordinance or regulation shall be deemed a use of the Premises for an illegal purpose. Any breach of the requirements of this paragraph shall be deemed a material breach in Lessee's obligations under this Lease."

4. Paragraph 12.1 shall be modified to read, in its entirety, as follows:

"12.1 LESSOR'S CONSENT REQUIRED. The parties hereto acknowledge that the rent payable to Lessor under this Lease represents a settlement of claims between the parties and that such rent is more favorable to Lessee than would otherwise be available. The parties further acknowledge that the value of the favorable rent is approximately Thirty Thousand Dollars (\$30,000) and that this benefit is personal to Lessee. Accordingly, Lessee may not voluntarily or by operation of law assign, mortgage, sublet or otherwise transfer or encumber all or any part of Lessee's interest in this Lease or in the Premises without Lessor's prior written consent, which consent Lessor, in its sole discretion, shall be free to grant or withhold in any manner whatsoever, reasonable or unreasonable. Notwithstanding the foregoing, upon the payment of Thirty Thousand Dollars (\$30,000) to Lessor, Lessor will not unreasonably withhold its consent in relation to any assignment, sublet or transfer contemplated by Lessee with respect to Lessee's interest in this Lease. Any attempted assignment sublease or transfer in contravention of this paragraph 12.1 shall be void and of no effect and, at the election of Lessor, shall terminate this Lease."

5. Paragraph 12.2 shall be amended to read, in its entirety, as follows:

"12.2 LESSEE OWNERSHIP. The following events shall conclusively be deemed to be a transfer of Lessee's interest under this Lease for the purpose of paragraph 12.1:

(a) any material change in the ownership or management of Lessee;

(b) the sale of all or substantially all of Lessee's assets as a going concern of the business being operated on the Premises;

(c) the acquisition of Lessee by another corporation or entity;

(d) the merger or consolidation of another corporation or entity into Lessee such that the present owners of Lessee do not own a controlling interest in the surviving corporation or entity; or

(e) any change in Lessee's management and ownership such that the present owners of Lessee do not own and directly control Lessee's business and affairs."

6. Paragraph 13.4 shall be modified by reference to the following:

"The late charge contemplated by paragraph 13.4 shall be a charge equal to ten percent (10%) of any installment of rent or other sum due from Lessee which shall not have been received by Lessor or Lessor's designee within ten (10) days after such amount first became due. Further, in the event that any check, draft or similar instrument tendered to Lessor in satisfaction of any of Lessee's obligations hereunder shall be dishonored, then, in addition to the foregoing, Lessee shall pay to Lessor the sum of Ten Dollars (\$10.00) for each time any such instrument is so dishonored."

7. Paragraph 15 shall be modified to read, in its entirety, as follows:

"15. BROKER'S FEE. Lessor and Lessee each represents and warrants that it has not employed any broker or finder in connection with the arrangement, negotiation or execution of this Lease and that each shall indemnify and hold the other harmless from and against any claim in the nature of a commission or finder's fee arising from or out of any breach of the foregoing representation and warranty."

8. It is understood and agreed that the Premises have been used as a landfill and that the Lessor shall not

be liable to Lessee on account of any subsidence of the Premises. Lessee agrees to keep the Premises graded and in such condition that rain water will drain naturally and large ponding will not occur."

9. The parties acknowledge and agree that the Premises initially leased to Lessee by Lessor consisted of unimproved land; thereafter Lessee constructed, at its sole cost and expense, the now existing improvements located upon the Premises. For the purposes of determining Lessee's obligations under the Lease, the Premises shall be deemed to refer to both the underlying land and the improvements; provided further that in addition to its obligations under the Lease, Lessee shall be responsible, at Lessee's sole cost and expense, to perform any and all repairs and maintenance for the improvements, including without limitation, any repairs required to conform the improvements to any applicable building codes, ordinances and regulations, at any time, in effect during the term of this Lease. In this connection, Lessee shall indemnify and hold Lessor harmless from any loss, cost, liability, claims or expense (including attorneys' fees) incurred or arising out of Lessee's construction, maintenance or repair of the improvements located on the Premises, including, without limitation, any claims arising out of the failure of the improvements to comply with applicable building codes, ordinances and regulations.

Notwithstanding any terms in the Lease to the contrary, during the term of this Lease, title to the improvements shall be vested in Lessee, provided, however, at the expiration of the Lease term or sooner termination of the Lease, such property shall be and become the property of Lessor. At such time, Lessee shall execute such documentation as reasonably required by Lessor to evidence Lessor's ownership of the improvements, including without limitation, a grant deed to the improvements. Notwithstanding the preceding provisions of this paragraph, in no event shall Lessee have the right to remove the improvements at any time either during or at the expiration of the Lease term.

10. This Lease shall be deemed the sole agreement between Lessor and Lessee with respect to the leasing of the Premises. Any and all prior written or oral agreements with

respect to the leasing of the Premises between Lessor and Lessee, or any member or members of Lessee, are deemed terminated and of no further force and effect.

11. Except as otherwise modified, amended and superseded in this Addendum, the terms and conditions set forth in the Lease shall remain in full force and effect. In the event there is any inconsistency or ambiguity as a result of the modifications set forth in this Addendum, the provisions of this Addendum shall control with respect to the interpretation of the Lease.

IN WITNESS WHEREOF, Lessor and Lessee have executed this Addendum to the Lease as of this 23<sup>rd</sup> day of February, 1988.

THIS LEASE is made this 10<sup>th</sup> day of November, 1980, by and between CALIFORNIA PORTLAND CEMENT COMPANY, a California corporation (hereinafter ("LESSOR")), and JESSE RODRIGUEZ and ALPHONSE HARRISON, dba Sun Valley Auto Parts, (hereinafter "LESSEE").

RECITALS

1. LESSOR is the owner of certain real property and improvements located in the City of Los Angeles, County of Los Angeles, State of California (the "Premises"), which is more particularly described in Exhibit "A". Said exhibit is attached hereto and incorporated by this reference herein as though fully set forth.
2. LESSEE desires to lease the Premises from LESSOR subject to the terms and conditions which are more fully hereinafter set forth.
3. LESSEE has examined the Premises and is fully informed of the condition thereof.
4. LESSOR leases to LESSEE and LESSEE leases from LESSOR the premises subject to the following terms and conditions.

ARTICLE I

Term

SECTION 1.01. The term of this Lease shall commence on December 1, 1980, and shall terminate on July 31, 1985, unless sooner terminated as provided herein.

ARTICLE II

Rent

SECTION 2.01. During the term of this lease, LESSEE shall pay to LESSOR in advance without deduction or offset at such place or places as may be designated from time to time by LESSOR for the rent of the premises the sum of One Thousand, Nine Hundred and Fifty Dollars (\$1,950.00) per month on the first day of each month beginning December 1, 1980, subject to escalation as herein after provided.

Section 2.02. The monthly rental of \$1,950.00 shall be escalated on August 1, 1981, for the following one-year period of the term hereunder which is hereby designated the second year and on August 1, of each respective year for the following year of the term hereunder by multiplying, in the case of the monthly rental for the second yearly period of the term, \$1,950.00 by the quotient, carried to four decimal places, of the Consumer Price Index--Los Angeles-Long Beach-Anaheim, CA., All Urban Consumers (DPI-LA-LB) for the month of May, 1981, divided by 249.1. The figure "249.1" is the 1979 CPI-LA-LB for the month of May, 1980. Said Index is prepared and promulgated by the Bureau of Labor Statistics of the U.S. Department of Labor.

Example:

Determine the rent due for each month of the second one-year portion of the term hereunder which begins on August 1, 1981, assuming the CPI for the month of May, 1981, is 260.

Solution:

Divide 260 by 249.1 equals 1.0438.

Multiply \$1,950.00 by 1.0438 equals \$2,035.41, the monthly rental for the second one-year term of the term hereunder.

An escalation factor shall be determined and used in the same manner for each one-year period of the term hereunder. It shall be derived by dividing the May CPI of each respective year by 249.1. The escalated rentals shall be the effective rentals for the periods indicated. However, the maximum increase in the monthly rental for any one year period hereunder shall not exceed 10% of the rental for the preceding one-year period.

SECTION 2.03. LESSEE is hereby granted an option to renew this lease for an additional period of three (3) years. The monthly rental for each one year period of the extension shall be escalated on April 1, of the respective period by multiplying \$1,950.00 by the quotient, carried to four decimal places, of the revised CPI for the month of May of the preceding respective period divided by 249.1. Such option, if exercised, shall be exercised by notice in writing to LESSOR of LESSEE's exercise of option given to LESSOR prior to January 31, 1985.

ARTICLE III

SECTION 3.01. LESSEE agrees to pay to LESSOR a sum equal to the increase in real property taxes hereafter assessed against said premises over and above the taxes on said Premises for the fiscal year 1979-1980. Payment of said taxes shall be made to LESSOR by LESSEE upon demand on or before the date upon which the first installment of said taxes becomes due.

SECTION 3.02. LESSEE shall pay before delinquency all taxes, assessments, license fees, and other charges that are levied against LESSEE's personal property located in or on the Premises which become payable during the term hereof. On demand by LESSOR, LESSEE shall furnish LESSOR with satisfactory evidence of these payments.

ARTICLE IV

Use

SECTION 4.01. LESSEE shall use the Premises as an auto wrecking, storage, and dismantling yard. And shall not use said Premises for any other purpose or purposes without the prior written consent of LESSOR.

SECTION 4.02. LESSEE shall not use the Premises in any manner that will constitute a waste, nuisance, or unreasonable annoyance to owners or occupants of adjacent properties or to the public in general. Furthermore, LESSEE shall comply with all laws, regulations, and ordinances applicable to and associated with the condition, use, or occupancy of the Premises.

ARTICLE V

Maintenance

SECTION 5.01. LESSOR shall not be obligated to make any repairs, perform any maintenance to or on the Premises, or

replace any item of equipment which is a part thereof.

SECTION 5.02. LESSEE at its sole cost and expense shall maintain the Premises in a good and workable physical condition during the term hereof and shall deliver said Premises to LESSOR at the expiration of the term hereof in substantially the same condition as such Premises were in at the commencement of this Lease.

SECTION 5.03. It is understood and agreed that the leased Premises have been used as a land fill and that the LESSOR shall not be liable to LESSEE on account of any subsidence of the Premises. LESSEE agrees to keep the Leased Premises graded and in such condition that rain water will drain naturally and large ponding will not occur.

#### ARTICLE VI

##### Alterations/Improvements

SECTION 6.01. LESSEE shall not make any alterations or improvements (including filling and grading) to the Premises without LESSOR'S prior consent.

SECTION 6.02. LESSEE shall procure any necessary approvals and permits from all appropriate governmental agencies prior to making any authorized alteration of or improvement to the Premises and shall fully comply with any statute, law, regulation, or ordinance which may be applicable to same.

SECTION 6.03. LESSEE may place and maintain office and/or storage buildings and other items appurtenant thereto in and upon the Premises at his own risk and expense provided that he meets all requirements of law with respect thereto and subject to the prior approval in writing by LESSOR of the plans and specification for these improvements. LESSEE may remove said buildings upon expiration of the term of this Lease provided that LESSEE is not in default of any of the terms of this Lease. If LESSEE elects not to remove said building, the condition thereof shall be such that it will be useable without

major repairs or structural alteration by a succeeding tenant.

SECTION 6.04. LESSEE shall erect and maintain a fence on the perimeter of the Premises of such height and type that it is at all times in compliance with the law governing auto dismantling yards.

SECTION 6.05. LESSOR shall have the right to post about the Premises and record any notices of nonresponsibility regarding any such alterations or improvements that LESSOR deems advisable.

SECTION 6.06 LESSEE shall remove any and all personal property which LESSEE has placed or brought upon the Premises within (30) days after the termination of this Lease for any reason. If not so removed, LESSOR shall have the right but not the obligation to remove the same at LESSEE'S expense; and in such event, LESSEE agrees to reimburse LESSOR for the costs thereof. In addition to such right of removal, LESSOR shall have the right to dispose of any such property in any manner whatsoever should LESSEE fail to remove the same within said period, including the destruction thereof in whole or in part, and LESSEE waives all claims and demands for any damage or loss arising by reason of any such removal and/or destruction.

#### ARTICLE VII

##### Mechanics' Liens

SECTION 7.01. LESSEE shall pay all costs for alterations and improvements to the Premises done by LESSEE or caused to be done by LESSEE as permitted or required by this Lease. LESSEE shall keep the Premises free and clear of all mechanics'

liens resulting from any such alterations or improvements done by or for LESSEE.

LESSEE shall have the right to contest the correctness or the validity of any such lien if, immediately on demand by LESSOR, LESSEE procures a bond issued by a corporation authorized to issue surety bonds in California, in favor of LESSOR in an amount equal to at least one and one-half times the amount of the claim of lien, which bond shall provide for the payment of any sum that the claimant may recover on the claim (together with costs of suit, if it recovers in the action).

#### ARTICLE VIII

##### Utilities

SECTION 8.01. LESSEE shall make all arrangements for and pay for any and all utilities and services furnished to or used by LESSEE, including, without limitation, gas, electricity, water, telephone service, and trash collection.

#### ARTICLE IX

##### Exculpation and Indemnity/Insurance

SECTION 9.01. LESSOR shall not be liable to LESSEE for any damage to LESSEE or LESSEE'S property from any cause whatsoever, except those that are caused by the sole negligent act or omission to act of LESSOR or its authorized representatives.

SECTION 9.02. LESSEE has inspected the entire Premises, is fully aware of the condition of said Premises, and accepts the same as is.

SECTION 9.03. LESSEE agrees to and does hereby indemnify and hold LESSOR harmless from and against all liability, claims, demands, costs, and expense of every kind and nature (including the cost of defense) for injury to or death of any

person or persons, and for damages, destruction, or loss, consequential or otherwise, to or of any and all real or personal property, or any right appurtenant thereto, occurring on, arising out of, or in any way connected with said Premises or LESSEE'S use thereof during the term hereof or any extensions thereof.

Such insurance shall afford protection of not less than \$500,000 for injury to one person and \$1,000,000 for injury to more than one person in one accident and \$500,000 for damage to property per incident.

With respect to the insurance provided for in this Section, policies or certificates of insurance in form and substance satisfactory to LESSOR and written by companies acceptable to LESSOR shall be furnished to LESSOR. Furthermore, such policies shall name Lessor as an additional insured and shall be noncancellable without ten (10) days' prior written notice to LESSOR.

#### ARTICLE X

##### Eminent Domain

SECTION 10.01. If title to the fee of the whole of the Premises shall be taken or condemned by any competent authority for any public or quasi-public use, this Lease shall cease and terminate as of the date of such taking.

SECTION 10.02. If title to the fee of less than the whole of the Premises shall be so taken or condemned LESSEE, may terminate this Lease on thirty (30) days prior written notice to LESSOR.

SECTION 10.04. In the event of any such total or partial taking or condemnation, the total award made by the authority which took or condemned the Premises, or any part thereof, shall be paid to LESSOR, and LESSEE shall have no right in and to any part of such award except such portion as is made solely for the loss or destruction of LESSEE'S property caused by such taking or condemnation.

#### ARTICLE XI

##### Sales, Assignments, and Subleases

LEASE

THIS LEASE is made and entered into this 15th day of August, 1978, by and between CALIFORNIA PORTLAND CEMENT COMPANY, a California corporation, hereinafter called "Lessor," and MARTIN SKLAR, doing business as SUN VALLEY WRECKING, INC., hereinafter called "Lessee."

1. Lessor hereby leases to Lessee and Lessee hereby hires and takes from Lessor that certain real property located in the Sun Valley District of Los Angeles, California, particularly described in Exhibit A hereto attached and made a part hereof (hereinafter sometimes the "premises").

2. The term of this lease is for three (3) years, beginning August 15, 1978, and ending on August 14, 1981.

3. Lessee agrees to pay Lessor as rental for said property a total sum of \$14,400 payable as follows:

*Handwritten: \$400*  
\$400 on the 15th of August, 1978, and \$400 on the 15th day of each succeeding month for a total of thirty-six (36) consecutive months subject, however, to the following:

*Handwritten: \$400*  
Lessee has deposited with Lessor the sum of \$400 as security for the full performance of the terms of this lease or to defray any expense or damage reasonably incurred by reason of default. If Lessee is not in default at the termination of this lease, Lessor shall return the deposit to Lessee either by paying this sum to Lessee or by crediting it against the last payment of rent. This deposit may be commingled or dissipated, or both, and no interest shall be accrued thereon.

In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to any increase in real property taxes and assessments levied or assessed against said real property and any fixtures attached thereto over and above the taxes on the demised premises for the fiscal year 1978-79.

~~CE # 25276~~  
CE # 25276 for \$600.00  
deposited 8/15/78

Payment of said additional sum or sums shall be made by Lessee to Lessor upon demand on or before the date upon which the first installment of said taxes becomes due. The increase in taxes, if any, shall be prorated because of the fact that the fiscal years do not coincide with the term hereunder.

4. Lessee understands that a portion of said premises have been filled. He is thoroughly familiar with said premises and all parts thereof and he accepts said premises in the condition in which they are and assumes all risk of subsidence with respect thereto.

5. Lessee agrees to install at his sole expense such fences and driveway as required to meet his own needs. Such installations shall comply with regulations. Any such improvements shall become the property of Lessor upon installation. The cost incurred thereby shall be refunded to Lessee in the form of reductions in the monthly rent payments, not to exceed \$150 per month, provided that approval of Lessor is obtained for the cost of each item before installation.

6. Lessee shall maintain all fences and gates upon the demised premises in a good and serviceable condition at his expense.

7. Any notice given by the terms of this lease by one party to the other shall be given by personal service or by United States registered mail, addressed to Lessee at 8727 San Fernando Road, Los Angeles, California, or addressed to Lessor at P. O. Box 947, Colton, California 92324, to the attention of Mr. William J. Conway. Any such notice shall be deemed given two (2) days after mailing, if mailed within the State of California.

8. The premises shall be used as a wrecked automobile storage yard only and for no other purposes without the prior written consent of Lessor.

9. All repairs upon said premises shall be made at Lessee's sole expense and Lessee agrees that he will not commit, suffer or permit any waste on said premises and that he will not do or permit to be done thereon any act in violation of any law, ordinance, or regulation of any governmental authority.

10. Lessor shall not be obligated to make any repairs or perform any maintenance or grading or filing of any kind upon said premises whatsoever.

11. All property, improvements, equipment or structures excepting fences and gates which may be placed upon said premises by Lessee shall be removed by Lessee at Lessee's expense at the termination of this lease, and if not so removed within said period, Lessor shall have the right, but not the obligation, to remove the same at Lessee's expense, and in such event Lessee agrees to reimburse Lessor for the cost of such removal. Lessor shall have the right to

dispose of any such property in any manner whatsoever should Lessee fail to remove the same within said period, including, but not limited to, the destruction thereof, either in whole or in part, and Lessee waives any and all claims and demands for any damage or loss arising by reason of any such removal or destruction.

12. Lessee agrees to pay any and all taxes or assessments levied or assessed upon any personal property or improvements or structures placed upon said premises by him.

13. If any action is brought by either party hereto against the other for any breach of this lease, the defeated party in such litigation agrees to pay the prevailing party a reasonable sum, to be fixed by the court, for the prevailing party's attorney's fees and court costs.

14. Lessee shall and does hereby indemnify Lessor against, and save and hold Lessor harmless from and against any and all liability, claims, demands, damages and costs of every kind and nature for injury to or death of any and all persons, including, without limitation, employees or representatives of Lessor or of Lessee, or any other person or persons, and for damage, destruction or loss, consequential or otherwise, to or of any and all property, real or personal, including, without limitation, property of Lessor or of Lessee, or of any other person or persons, resulting from or in any manner arising out of or in connection with this lease or Lessee's use of, occupation of, or benefit from said leased premises. Lessee shall, also, upon request by Lessor, and at no expense to Lessor defend Lessor in any and all suits, concerning such injury to or death of any and all persons, and concerning such damage, destruction or loss, consequential or otherwise, to or of any and all property, real or personal, including, without limitation, suits by employees or representatives of Lessor or of Lessee, or any other person or persons.

15. Lessee further agrees at his sole cost and expense to maintain during the term of this lease a policy or policies of public liability and property damage insurance in an insurance company satisfactory to Lessor, naming Lessor as an additional assured thereunder, which shall insure Lessor against liability for injury to or death of one person in the sum of One Hundred Thousand Dollars (\$100,000.00); for injury to or death of two or more persons in the same accident in the sum of Three Hundred Thousand Dollars (\$300,000.00); and for property damage in the sum of Twenty-Five Thousand Dollars (\$25,000.00). Lessee agrees to deliver to Lessor a certificate issued

by the insurer or insurers, evidencing such insurance, and Lessee agrees to pay all premium charges in connection therewith, which shall be paid by Lessee when the same becomes due and before delinquency. Such insurance shall be primary and not contributory, as to Lessor.

16. Lessee shall not assign or hypothecate this lease or any interest herein, or sublet the demised premises, or any part thereof, without the written consent of Lessor, and any attempt to do so shall be void and shall confer no right or rights whatever upon any third party, and shall be cause for termination of this lease, on the notice hereinabove provided for, by Lessor at his option.

17. Time is of the essence of this lease. The subsequent acceptance of rent hereunder by Lessor shall not be deemed to be a waiver of any preceding ceding breach of any obligation hereunder other than the failure to pay the particular rental so accepted, and the waiver by Lessor of any breach of covenant or condition shall not constitute a waiver of any other breach, regardless of knowledge. The consent of Lessor to any assignment or sublease shall not be deemed consent to any other subsequent assignment or sublease.

18. If (i) Lessee shall fail to pay any installment of rent or other sum of money due under this lease, for ten (10) days after written notice from Lessor that the same is due and payable, or (ii) to comply with any of the other terms, covenants, conditions or obligations of this lease for thirty (30) days after written notice from Lessor, or in the case where such compliance cannot with due diligence be effected within thirty (30) days, if Lessee fails to proceed within thirty (30) days of such notice and thereafter to prosecute with due diligence the completion of such compliance, or (iii) Lessee shall file a petition in bankruptcy or for reorganization or to effect a plan or other arrangement with creditors, or be adjudicated a bankrupt or make an assignment for the benefit of creditors or shall admit in writing its inability to pay its debts generally as they become due, or (iv) a receiver, trustee or liquidator of Lessee or of all or substantially all of the property of Lessee shall be appointed in any proceeding brought by Lessee or if any such receiver, trustee or liquidator shall be appointed in any proceeding brought against Lessee and if such receiver, trustee or liquidator shall not be discharged within ninety (90) days after such appointment, then in any of such events Lessee shall be deemed to be in default.

19. Lessor shall have the following remedies if Lessee commits a default.

These remedies are not exclusive; they are cumulative in addition to any remedies now or later allowed by law.

Lessor may continue this lease in full force and effect, and said lease will continue in full force and effect as long as Lessor does not terminate Lessee's right to possession, and Lessor shall have the right to collect rent and other sums of money when due. During the period Lessee is in default, Lessor may enter the premises and relet them, or any part of them, to third parties for Lessee's account. Lessee shall be liable immediately to Lessor for all costs Lessor incurs in reletting the premises, including, without limitation, brokers' commissions, expenses of remodeling the premises required by the reletting, and like costs. Reletting can be for a period shorter or longer than the remaining term of this lease. Lessee shall pay to Lessor the rent and additional rent due under this lease on the dates when due, less the rent Lessor receives from any reletting. No act by Lessor allowed by this section shall terminate this lease unless Lessor notifies Lessee that Lessor elects to terminate this lease. After Lessee's default and for as long as Lessor does not terminate Lessee's right to possession of the premises, if Lessee obtains Lessor's consent Lessee shall have the right to assign or sublet its interest in this lease, but Lessee shall not be released from liability. Lessor's consent to a proposed assignment or subletting shall not be unreasonably withheld.

Lessor can terminate Lessee's right to possession of the premises at any time. No act by Lessor other than giving notice to Lessee shall terminate this lease. Acts of maintenance, efforts to relet the premises, or the appointment of a receiver on Lessor's initiative to protect Lessor's interest under this lease shall not constitute a termination of Lessee's right to possession. On termination, Lessor has the right to recover from Lessee:

- a. The worth, at the time of the award of the unpaid rent that had been earned at the time of termination of this lease;
  - b. The worth, at the time of the award of the amount of which the unpaid rent that would have been earned after the date of termination of this lease until the time of award exceeds the amount of the loss of rent that Lessee proves could have been reasonably avoided;
  - c. The worth, at the time of the award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of the loss of rent that Lessee proves could have been reasonably avoided;

ADDENDUM TO STANDARD INDUSTRIAL LEASE--GROSS

The undersigned agree to modify, amend and supersede the attached "Standard Industrial Lease--Gross," dated \_\_\_\_\_, 1983 (the "Lease") in the following particulars:

1. The Lease shall be modified to include a paragraph 3.4 which shall read as follows:

"3.4 OPTION TO EXTEND LEASE TERM. Provided that Lessee is otherwise in compliance with all of the terms and conditions set forth in this Lease, and subject to paragraph 39, Lessee shall have the right to extend the term of this Lease for four (4) additional one-year periods, exercisable only by providing Lessor with written notice of Lessee's intent to so extend the Lease term at least sixty (60) days, but not more than ninety (90) days, prior to the expiration of the then current Lease term or the then current extension period, as applicable. All such one-year extensions shall be on the terms and conditions set forth in this Lease; provided, however, that the monthly rental obligation shall be determined as provided by paragraph 4."

2. Paragraph 4 of the Lease shall be modified to read, in its entirety, as follows:

"4. Rent.

4.1 INITIAL TERM. Lessee shall pay to Lessor as rent for the Premises, monthly payments of Two Thousand Five Hundred Dollars (\$2,500) each month during the initial one-year term of this Lease.

4.2 EXTENSIONS. Should Lessee elect to extend the initial one-year term of this Lease for additional one-year periods as contemplated by paragraph 3.4, then Lessee shall pay to Lessor as rent for the Premises, monthly payments of Three Thousand

Dollars (\$3,000) each month during the first, one-year extension period, and, Four Thousand Dollars (\$4,000) each month during such second, one-year extension period. Should Lessee elect to extend the term of this Lease for a third or fourth one-year extension period as contemplated by paragraph 3.4, then Lessee shall pay to Lessor as rent for the Premises each month during such third or fourth, one-year extension period, monthly payments of Four Thousand Dollars (\$4,000) adjusted as of the commencement of each such extension period as provided in paragraph 4.3 to reflect any increase in the Consumer Price Index for All Urban Consumers (base year 1967=100) for Los Angeles - Long Beach - Anaheim, California, published by the United States Department of Labor, Bureau of Labor Statistics (the "Index") which may occur during the term, including any extensions thereof, of this Lease.

4.3 RENT ADJUSTMENT. In the event that the term of this Lease is extended into a third or fourth, one-year extension period as contemplated by paragraph 4.3, then the Index published most immediately preceding the first day of any such extended term shall be used to determine the amount of the adjustment (the "Adjustment Index"). If the Adjustment Index has increased over the Index which is in effect on the date hereof (the "Beginning Index") the monthly rent for the Premises until the next adjustment, if any, shall be determined by multiplying the sum of Four Thousand Dollars (\$4,000) by a fraction wherein the numerator is the Adjustment Index and the denominator is the Beginning Index. In no event shall the monthly rent be less than the sum of Four Thousand Dollars (\$4,000) nor, notwithstanding any increase in the Index, shall the monthly rent be increased by an amount greater than thirty percent (30%) during the third, one-year extension period or forty percent (40%) during the fourth, one-year extension period.

If the Index is changed so that the base year differs from that in effect when the term commences,

the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the term, such other government index or computation replacing it shall be used to obtain substantially the same result as would be obtained had the Index not been replaced or revised.

4.4 MISCELLANEOUS RENT PROVISIONS. The amount of rent described in paragraph 4 shall be in addition to any other amounts payable to Lessor pursuant to this Lease. Rent for any period during the initial term hereof, or any extensions, which is for less than one month shall be a pro rata portion of the current monthly rental obligation. Rent shall be payable to Lessor in lawful money of the United States, in advance, without abatement, demand or offset, at the address stated herein or to such other persons or at such other places as Lessor may designate in writing."

3. The following provisions are added to Section 6.2(a) of the Lease:

"In addition to any of Lessee's obligations under the Lease, Lessee agrees not to use the Premises for any purpose prohibited by law, whether criminal or civil. For the purpose of the preceding sentence, any act or omission by Lessee (including without limitation the possession of a prohibited substance) occurring on or about the Premises which is determined by a court of competent jurisdiction to violate any civil or criminal law, statute, ordinance or regulation shall be deemed a use of the Premises for an illegal purpose. Any breach of the requirements of this paragraph shall be deemed a material breach in Lessee's obligations under this Lease."

4. Paragraph 12.1 shall be modified to read, in its entirety, as follows:

"12.1 LESSOR'S CONSENT REQUIRED. The parties hereto acknowledge that the rent payable to Lessor under this Lease represents a settlement of claims between the parties and that such rent is more favorable to Lessee than would otherwise be available. The parties further acknowledge that the value of the favorable rent is approximately Thirty Thousand Dollars (\$30,000) and that this benefit is personal to Lessee. Accordingly, Lessee may not voluntarily or by operation of law assign, mortgage, sublet or otherwise transfer or encumber all or any part of Lessee's interest in this Lease or in the Premises without Lessor's prior written consent, which consent Lessor, in its sole discretion, shall be free to grant or withhold in any manner whatsoever, reasonable or unreasonable. Notwithstanding the foregoing, upon the payment of Thirty Thousand Dollars (\$30,000) to Lessor, Lessor will not unreasonably withhold its consent in relation to any assignment, sublet or transfer contemplated by Lessee with respect to Lessee's interest in this Lease. Any attempted assignment sublease or transfer in contravention of this paragraph 12.1 shall be void and of no effect and, at the election of Lessor, shall terminate this Lease."

5. Paragraph 12.2 shall be amended to read, in its entirety, as follows:

"12.2 LESSEE OWNERSHIP. The following events shall conclusively be deemed to be a transfer of Lessee's interest under this Lease for the purpose of paragraph 12.1:

(a) any material change in the ownership or management of Lessee;

(b) the sale of all or substantially all of Lessee's assets as a going concern of the business being operated on the Premises;

(c) the acquisition of Lessee by another corporation or entity;

(d) the merger or consolidation of another corporation or entity into Lessee such that the present owners of Lessee do not own a controlling interest in the surviving corporation or entity; or

(e) any change in Lessee's management and ownership such that the present owners of Lessee do not own and directly control Lessee's business and affairs."

6. Paragraph 13.4 shall be modified by reference to the following:

"The late charge contemplated by paragraph 13.4 shall be a charge equal to ten percent (10%) of any installment of rent or other sum due from Lessee which shall not have been received by Lessor or Lessor's designee within ten (10) days after such amount first became due. Further, in the event that any check, draft or similar instrument tendered to Lessor in satisfaction of any of Lessee's obligations hereunder shall be dishonored, then, in addition to the foregoing, Lessee shall pay to Lessor the sum of Ten Dollars (\$10.00) for each time any such instrument is so dishonored."

7. Paragraph 15 shall be modified to read, in its entirety, as follows:

"15. BROKER'S FEE. Lessor and Lessee each represents and warrants that it has not employed any broker or finder in connection with the arrangement, negotiation or execution of this Lease and that each shall indemnify and hold the other harmless from and against any claim in the nature of a commission or finder's fee arising from or out of any breach of the foregoing representation and warranty."

8. It is understood and agreed that the Premises have been used as a landfill and that the Lessor shall not

be liable to Lessee on account of any subsidence of the Premises. Lessee agrees to keep the Premises graded and in such condition that rain water will drain naturally and large ponding will not occur."

9. The parties acknowledge and agree that the Premises initially leased to Lessee by Lessor consisted of unimproved land; thereafter Lessee constructed, at its sole cost and expense, the now existing improvements located upon the Premises. For the purposes of determining Lessee's obligations under the Lease, the Premises shall be deemed to refer to both the underlying land and the improvements; provided further that in addition to its obligations under the Lease, Lessee shall be responsible, at Lessee's sole cost and expense, to perform any and all repairs and maintenance for the improvements, including without limitation, any repairs required to conform the improvements to any applicable building codes, ordinances and regulations, at any time, in effect during the term of this Lease. In this connection, Lessee shall indemnify and hold Lessor harmless from any loss, cost, liability, claims or expense (including attorneys' fees) incurred or arising out of Lessee's construction, maintenance or repair of the improvements located on the Premises, including, without limitation, any claims arising out of the failure of the improvements to comply with applicable building codes, ordinances and regulations.

Notwithstanding any terms in the Lease to the contrary, during the term of this Lease, title to the improvements shall be vested in Lessee, provided, however, at the expiration of the Lease term or sooner termination of the Lease, such property shall be and become the property of Lessor. At such time, Lessee shall execute such documentation as reasonably required by Lessor to evidence Lessor's ownership of the improvements, including without limitation, a grant deed to the improvements. Notwithstanding the preceding provisions of this paragraph, in no event shall Lessee have the right to remove the improvements at any time either during or at the expiration of the Lease term.

10. This Lease shall be deemed the sole agreement between Lessor and Lessee with respect to the leasing of the Premises. Any and all prior written or oral agreements with

respect to the leasing of the Premises between Lessor and Lessee, or any member or members of Lessee, are deemed terminated and of no further force and effect.

11. Except as otherwise modified, amended and superseded in this Addendum, the terms and conditions set forth in the Lease shall remain in full force and effect. In the event there is any inconsistency or ambiguity as a result of the modifications set forth in this Addendum, the provisions of this Addendum shall control with respect to the interpretation of the Lease.

IN WITNESS WHEREOF, Lessor and Lessee have executed this Addendum to the Lease as of this 23rd day of February, 1983.

LEASE

THIS LEASE (hereinafter called "Lease") is entered into this 1st day of March, 1984, by and between CALMAT CO., a Delaware corporation (hereinafter called "Landlord"), and Bassam d ba Sam's Auto Salvage and Auto Wrecking M. Haddad and Husam M. Haddad (hereinafter called "Tenant").

RECITALS

A. Landlord is the owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California, as shown outlined in red on the map attached hereto and incorporated herein as Exhibit "A" (hereinafter referred to as the "Premises").

B. Tenant desires to lease from Landlord and Landlord desires to rent to Tenant, the Premises, upon the following terms and conditions.

AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises. Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas, hydrocarbonous substances, minerals and mineral rights in and under the land described as the Premises, with the right to explore therefor, sell, lease and/or remove same; provided, however, that Landlord will not do any exploration or other work which will materially affect Tenant's use under this Lease.

2. Term. The term of this Lease shall be 4 (four) years commencing on March 1, 1985, and expiring on Feb. 28, 1989 subject to early termination as hereinafter provided.

3. Rental. Tenant agrees to pay Landlord a rental of Six hundred forty three dollars (\$643.00) per month, and at such rate as adjusted in accordance with the provisions of §4, payable in advance on the first day of each calendar month during

the term hereof. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Rental Adjustment. The monthly rate provided for in §3 herein, shall be adjusted upward on March 1, 1986 and every year thereafter on March 1 (during the term hereof or any extension thereof), in the same proportion as the proportional difference between the "Consumer Price Index for Urban Wage Earners and Clerical Workers, all items (Los Angeles-Long Beach-Anaheim Area)", published by the United States Department of Labor, Bureau of Labor Statistics (CPI) in effect on January 1 of the then present year and the CPI in effect on Jan. 1, 1985. Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the same in some other manner, then Landlord may adopt a substitute index or substitute procedure which reasonably reflects and monitors consumer prices.

5. Prepaid Rent. Upon execution of this Lease, Tenant shall pay to Landlord the sum of Six hundred forty three dollars (643.00) which sum shall be credited to the rental due for the first full month of the Lease term.

6. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of Six hundred forty three dollars (643.00) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that

nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the aforementioned required amount.

7. Improvements to the Premises. Tenant leases the Premises and the improvements thereon, if any, in an "as is" condition. Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its own use; provided, however, that improvements which cost more than Five Hundred Dollars (\$500.00) shall not be made without Landlord's prior written approval. Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

8. Taxes and Assessments. Tenant shall pay or cause to be paid before delinquency all taxes levied or assessed on account of any property installed by or for Tenant in the

Premises, regardless of how, or to whom such taxes are assessed and whether such property so installed is assessed as personal property or as a part of the real property. Tenant shall pay to Landlord as additional rental within thirty (30) days after receipt of written statement from Landlord setting forth the amount thereof, the amount of all real estate taxes, or other forms of assessment, including license taxes, commercial rental taxes, levies, charges, penalties, or similar imposition, imposed by any authority having the direct power to tax, including any city, county, State or federal government, or any school, agricultural, lighting, drainage or other improvement or special assessment district thereof, as against any legal or equitable interest of Landlord in the Premises, for a period within the term hereof. Without limiting the generality of the foregoing, the aforementioned taxes and assessments shall include: any tax on Landlord's right to rents or other income from the Premises or as against Landlord's business of leasing the Premises; any assessment, tax, fee, levy or charge in substitution, partially or totally, of any assessment, tax, fee, levy or charge previously included within the definition of real property tax, it being acknowledged that Proposition 13 was adopted by the voters of the State of California in the June 1978 election and that assessments, taxes, fees, levies and charges may be imposed by governmental agencies for such services as fire protection, street, sidewalk and road maintenance, refuse removal and for other governmental services formerly provided without charge to property owners or occupants; and any assessment, tax, fee, levy, or charge allocable to or measured by the area of the Premises or the rent payable hereunder, including, without limitation, any gross receipts tax or excise tax levied by the State, city, or federal government, or any political subdivision thereof, with respect to the receipt of such rent, or upon or with respect to the possession, leasing, operating, management, maintenance, alteration, repair, use or occupancy by Tenant of the Premises, or any portion thereof. Tenant shall bear any business tax imposed upon Landlord by the State of California or any political subdivision thereof which is based or measured in whole or in

part by amounts charged or received by the Landlord under this Lease, excluding State Franchise Taxes and Federal Income Taxes.

9. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except \_\_\_\_\_ . Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, State and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use.

10. Maintenance and Repair. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives provisions of Civil Code §§1941 and 1942, and all other provisions of law, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a

part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense remove from the Premises all Tenant's personal property, and clean up and remove from the Premises all rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals required above or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

11. Damage or Destruction. If the Premises or any portion thereof shall be destroyed or damaged by any causes whatsoever, the following provisions shall apply:

(a) If the damage and repair thereof is of such nature and extent as not to interfere substantially with the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent.

(b) If the damage or repair thereof is of such nature and extent as to interfere substantially with, or prevent, the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent if Tenant is responsible for such repair. If Landlord is responsible for repair thereof, Landlord may, in its sole and absolute discretion, terminate this Lease and all obligations thereafter accruing hereunder shall terminate, or, in its sole and absolute discretion, Landlord may continue this Lease in effect, provided however that Tenant's use of the Premises and the rental due hereunder shall be suspended for the period of restoration, commencing from the date on which Tenant gives Landlord written notice of such damage.

In no event shall Landlord be required to restore the Premises. Tenant waives the provisions of Civil Code §§1932(2) and 1933(4) and any successor provisions of law with respect to damage or destruction of the Premises.

12. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

13. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq., and the Federal Mine Safety and Health Act of 1977, 30 U.S.C. §801 et seq., (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises. Without limitation, Tenant agrees to indemnify and hold harmless Landlord from any liability, claims or damages arising as a result of a breach of the foregoing agreement and from all costs, expenses and charges arising therefrom, including, without limitation, attorneys' fees and court costs incurred by Landlord in connection therewith.

14. Condemnation. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any

governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable to Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent. Tenant waives the provisions of Code of Civil Procedure §1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as compensation for the taking of fixtures and equipment owned by Tenant and which would not, by the terms of this Lease, become property of the Landlord.

15. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other

than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

16. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, costs or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

17. Indemnification and Exculpation of Landlord. Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the

event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

18. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Worker's Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than One Million Dollars (\$1,000,000.00) combined single limit. All such public liability and property damage policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name Landlord as an additional insured, shall provide for at least thirty (30) days notice to Landlord of cancellation or termination, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to

Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

19. Default. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute;

(d) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant; then, and in any or either of such events Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and

with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, remove from the Premises all Tenant's personal property, and clean up and remove all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, all within thirty (30) days after service of such notice, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(1) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(2) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(3) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(4) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (1) and (2) of this paragraph is computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (3) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease

in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or preservation or efforts to relet the Premises, the appointment of a receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

20. Holding Over. Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either expressed or implied, such holding over shall be considered a tenancy from month to month subject to all the conditions and restrictions of this Lease.

21. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

To Landlord: CalMat Co.  
3200 San Fernando Road  
Los Angeles, CA 90065  
Attn: Property Manager

To Tenant: \_\_\_\_\_  
\_\_\_\_\_

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified or registered mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

22. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise

encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the expressed written consent of Landlord. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this paragraph.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease become effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

Landlord shall be permitted to withhold its consent to any proposed transfer in its sole and absolute discretion.

Tenant immediately and irrevocably assigns to Landlord as security for Tenant's obligations under this Lease, all rent from any transferee, and Landlord as assignee and as attorney-in-fact for Tenant, or a receiver for Tenant appointed on Landlord's application, may collect such rent and apply it toward Tenant's obligations under this Lease; except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to collect such rent.

All rent received from its transferee in excess of the rent payable by Tenant to Landlord under this Lease is hereby assigned to Landlord and shall be paid to Landlord by Tenant promptly after receipt.

If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of

law, from one Tenant to the other shall be deemed a voluntary transfer.

If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant, or the sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of 51% of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing at least 51% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

23. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas, telephone and all similar charges which may accrue with respect to the Premises during the term of this Lease. Should Tenant fail to so pay any utility charge as required herein, Landlord may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

24. Insolvency of Tenant. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

25. Abandonment. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during and for the purpose of making such repairs or restoration as may become necessary under the provisions hereof.

26. Transfer of Landlord's Interest. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

27. Subordination Agreement. Tenant shall, upon Landlord's request, execute an estoppel certificate and any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said mortgage or deed of trust, and subordinating this Lease to said mortgage or deed of trust.

28. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord. Such approval shall not be unreasonably withheld. LEASE

THIS LEASE (hereinafter called "Lease") is entered into this 21 day of NOV, 1984, by and between CALMAT CO., a Delaware corporation (hereinafter called "Landlord"), and ELITE AUTO PARTS COMPANY, INC. (hereinafter called "Tenant").

RECITALS

A. Landlord is the owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California, as shown outlined in red on the map attached hereto and incorporated herein as Exhibit "A" (hereinafter referred to as the "Premises").

B. Tenant desires to lease from Landlord and Landlord desires to rent to Tenant, the Premises, upon the following terms and conditions.

AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises. Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas, hydrocarbonous substances, minerals and mineral rights in and under the land described as the Premises, with the right to explore therefor, sell, lease and/or remove same; provided, however, that Landlord will not do any exploration or other work which will materially affect Tenant's use under this Lease.

2. Term. The term of this Lease shall be year to year commencing on November 1, 1984, subject to early termination as hereinafter provided. COMMENCING AUGUST 1, 1985, THIS LEASE MAY BE TERMINATED BY EITHER LANDLORD OR TENANT UPON ONE HUNDRED TWENTY (120) DAYS' WRITTEN NOTICE TO THE OTHER PARTY.

3. Rental. Tenant agrees to pay Landlord a rental of One Thousand Five Hundred Dollars (\$1,500.00) per month, and at such rate as adjusted in accordance with the provisions of ¶4, payable in advance on the first day of each calendar month during the term hereof. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Rental Adjustment. The monthly rate provided for in ¶3 herein, shall be adjusted upward on November 1, 1985 and annually thereafter on November 1 (during the term hereof or any extension thereof), in the same proportion as the proportional difference between the "Consumer Price Index for Urban Wage Earners and Clerical Workers, all items (Los Angeles-Long Beach-Anaheim Area)", published by the United States Department of Labor, Bureau of Labor Statistics (CPI) in effect on November 1 of the then present year and the CPI in effect on November 1, 1984, provided however each such adjustment shall not exceed 6% per year. Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the same in some other manner, then Landlord may adopt a substitute index or substitute procedure which reasonably reflects and monitors consumer prices.

5. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of Fifteen Hundred Dollars (\$1,500.00) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs,

expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the aforementioned required amount.

6. Improvements to the Premises. Tenant leases the Premises, and the improvements thereon if any, in an "as is" condition. Tenant shall erect a chain link type fence acceptable to Landlord along the boundary of the Premises; approval for this fence is hereby granted. The reasonable cost of such fence shall be credited against rent due for the month of November, 1984, up to a limit of \$1,500.00. Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its own use; provided, however, that improvements which cost more than Five Hundred Dollars (\$500.00) shall not be made without Landlord's prior written approval. Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it except that Tenant may remove fencing erected along the boundary of the Premises, and upon expiration or termination of this Lease, title to all improvements shall

forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

7. Taxes and Assessments. Tenant shall pay or cause to be paid before delinquency all taxes levied or assessed on account of any property installed by or for Tenant in the Premises, regardless of how, or to whom such taxes are assessed and whether such property so installed is assessed as personal property or as a part of the real property.

8. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except as an automobile salvage yard. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, State and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use.

9. Maintenance and Repair. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements

whatsoever in or to the Premises. Tenant waives provisions of law, including Civil Code §§1941 and 1942 and all other provisions of law, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense remove from the Premises all Tenant's personal property, and clean up and remove from the Premises all rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals required above or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

Without limiting the foregoing, in the event Tenant fails to remove its personal property upon expiration or termination as required herein, Landlord may, in its sole and absolute discretion, without notice to Tenant, remove Tenant's personal property from the Premises and store same upon any site chosen by Landlord, and Tenant shall immediately upon demand pay to Landlord all costs of such removal and storage. The preceding shall in no way limit the damages recoverable by Landlord from Tenant in the event of a breach by Tenant of any provision of this Lease.

10. Liquidated Damages. TENANT ACKNOWLEDGES THAT TENANT'S FAILURE TO VACATE THE PREMISES UPON EXPIRATION OR TERMINATION OF THIS LEASE, OR TENANT'S FAILURE TO COMPLY WITH THE PROVISIONS OF THIS LEASE REGARDING REMOVAL OF IMPROVEMENTS,

discretion, Landlord may continue this Lease in effect, provided however that Tenant's use of the Premises and the rental due hereunder shall be suspended for the period of restoration, commencing from the date on which Tenant gives Landlord written notice of such damage.

In no event shall Landlord be required to restore the Premises. Tenant waives the provisions of Civil Code §§1932(2) and 1933(4) and any successor provisions of law with respect to damage or destruction of the Premises.

12. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

13. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., and the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq., the Federal Mine Safety and Health Act of 1977, 30 U.S.C. §801 et seq., (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or

contractors of Landlord who may from time to time be present upon the Premises. Without limitation, Tenant agrees to indemnify and hold harmless Landlord from any liability, claims or damages arising as a result of a breach of the foregoing agreement and from all costs, expenses and charges arising therefrom, including, without limitation, attorneys' fees and court costs incurred by Landlord in connection therewith.

14. Condemnation. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable to Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent. Tenant waives the provisions of Code of Civil Procedure §1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as compensation for the taking of fixtures and equipment owned by Tenant and which would not, by the terms of this Lease, become property of the Landlord.

15. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such

consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

16. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord

against any loss, damage, costs or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

17. Indemnification and Exculpation of Landlord.

Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

18. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Worker's Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than One Million Dollars (\$1,000,000.00) combined single limit. All such public liability and property damage policies shall be procured and maintained through an insurance broker and company acceptable to Landlord

(which acceptance shall not be unreasonably withheld), shall name Landlord as an additional insured, shall provide for at least thirty (30) days notice to Landlord of cancellation or termination, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

19. Default. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute;

(d) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant; then, and in any or either of such events Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, clean up and remove from the Premises all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, all within thirty (30) days after service of such notice, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(1) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(2) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(3) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the

time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(4) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (1) and (2) of this paragraph is computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (3) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or preservation or efforts to relet the Premises, the appointment of a receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

20.  Holding Over . Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either expressed or implied, such

holding over shall be considered a tenancy from month to month subject to all the conditions and restrictions of this Lease.

21. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

To Landlord: CalMat Co.  
3200 San Fernando Road  
Los Angeles, CA 90065  
Attn: Property Manager

To Tenant: Elite Auto Parts Company, Inc.  
9944 Glenoaks Blvd.  
Sun Valley, CA

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified or registered mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

22. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the expressed written consent of Landlord. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this paragraph.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease become effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers.

Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

Landlord shall be permitted to withhold its consent to any proposed transfer in its sole and absolute discretion.

Tenant immediately and irrevocably assigns to Landlord as security for Tenant's obligations under this Lease, all rent from any transferee, and Landlord as assignee and as attorney-in-fact for Tenant, or a receiver for Tenant appointed on Landlord's application, may collect such rent and apply it toward Tenant's obligations under this Lease; except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to collect such rent.

All rent received from its transferee in excess of the rent payable by Tenant to Landlord under this Lease is hereby assigned to Landlord and shall be paid to Landlord by Tenant promptly after receipt.

If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of law, from one Tenant to the other shall be deemed a voluntary transfer.

If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant, or the sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of 51% of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing at least 51% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

23. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas, telephone and all similar charges which may accrue with respect to the Premises during the term of this Lease. Should Tenant fail to so pay any utility charge as required herein, Landlord

may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

24. Insolvency of Tenant. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

25. Abandonment. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during and for the purpose of making such repairs or restoration as may become necessary under the provisions hereof.

26. Transfer of Landlord's Interest. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

27. Subordination Agreement. Tenant shall, upon Landlord's request, execute an estoppel certificate and any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said mortgage or deed of trust, and subordinating this Lease to said mortgage or deed of trust.

28. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord. Such approval shall not be unreasonably withheld. If Tenant installs or permits any signs to be installed on the Premises without first having obtained Landlord's written approval thereof, Landlord may, after giving Tenant three (3) days written notice of its disapproval of any such sign, enter upon the Premises and remove the same at Tenant's expense. Any sign shall be purchased, installed,

maintained, and at the end of this Lease, removed by Tenant at Tenant's sole expense.

29. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

30. Successors and Assigns. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

31. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses from the other party.

32. Quiet Possession. Landlord warrants that Tenant on paying the rental installments and other payments provided for hereby, and on keeping, observing, and performing all the other terms, conditions, and provisions herein contained on the part of Tenant to be kept, observed and performed, shall, during the full Lease term, peaceably and quietly have, hold and enjoy the Premises, subject to the terms, conditions and provisions hereof.

33. Quitclaim Deed. Tenant shall execute and deliver to Landlord on the expiration or termination of this Lease,

immediately on Landlord's request, a quitclaim deed to the Premises, in recordable form, designating Landlord as transferee.

34. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

35. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby and no other agreement, statement or promises made by any party hereto or to any employee or agent of any party hereto which is not contained herein shall be binding or valid.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first above written.

PURCHASE AND SALE AGREEMENT  
AND JOINT ESCROW INSTRUCTIONS

THIS AGREEMENT ("Agreement"), is made this 12TH day of SEPTEMBER, 1988 by and between CALMAT LAND CO., a California corporation ("Seller"), and PICK YOUR PART AUTO WRECKING, a California corporation ("Buyer").

Recitals

A. Seller is the owner of certain real property in the City of Los Angeles, County of Los Angeles, State of California, consisting of approximately 44.53 acres of land known as APN No. 2538-010-006 as more particularly described by Exhibit "A" attached hereto and incorporated herein (hereinafter referred to as the "Property").

B. Seller desires to sell and Buyer desires to purchase the Property for the consideration and on the other terms and conditions hereinafter set forth.

Agreement

1. Purchase and Sale. Seller agrees to sell, convey and deliver to Buyer and Buyer agrees to purchase and accept from Seller, the Property, on the terms and conditions contained herein.

2. Purchase Price. The purchase price for the Property is Nine Million Six Hundred Sixty-Four Thousand One Hundred Forty-Four Dollars (\$9,664,144.00), which shall be paid as follows:

(a) Deposit by Buyer into escrow upon opening of escrow of \$25,000.00 by check payable to escrow holder, as a deposit to be applied to the purchase price at the close of escrow.

(b) Buyer's promissory note in favor of Seller for the principal sum of Seven Million Six Hundred Eighty-Four

Thousand One Hundred Forty-Four Dollars (\$7,684,144.00) in the form attached hereto as Exhibit "B;" said note to be secured by a first Deed of Trust on the Property in the form attached hereto as Exhibit "C;" performance on said note, Deed of Trust and this Agreement to be personally guaranteed by Glenn C. McElroy in the forms attached hereto as Exhibit "E" (Exhibit "D" is intentionally omitted).

(c) At least one (1) business day before close of escrow Buyer shall have on deposit in escrow, in funds available for collection, the balance of the purchase price.

3. Escrow. Within five (5) working days after Buyer's delivery to Seller of three (3) copies of this Agreement executed by Buyer, Buyer and Seller shall open an escrow at Chicago Title Insurance Company, in order to consummate the purchase and sale of the Property. A fully executed copy (or counterpart executed copies) of this Agreement and any amendments thereto shall be deposited with the escrow holder and shall be considered as the instructions of the parties as to the terms and conditions of the escrow. Escrow holder's "General Provisions" of escrow are hereby incorporated by reference. In the event of a conflict between this Agreement and the General Provisions, the terms of this Agreement shall prevail. The escrow shall close on or before September 16, 1988.

4. Costs and Prorations. The cost of a CLTA title insurance policy as hereafter described shall be paid by Seller. The escrow fee of escrow holder shall be borne one-half by Seller and one-half by Buyer. Seller shall pay all documentary transfer taxes payable in connection with the recordation of the Grant Deed. Buyer and Seller shall pay, respectively, the escrow holder's customary charges to Buyer and Seller for document drafting, recording and miscellaneous charges.

5. Election to Exchange. Buyer agrees to accommodate Seller in effecting a tax deferred exchange under Internal Revenue Code §1031. Seller shall have the right, expressly reserved here, to elect a tax deferred exchange at any time before the closing date set forth herein (including, without

limiting the foregoing, Seller's right to substitute another party as Seller hereunder and/or to exchange the Property for unspecified property); provided however Seller and Buyer hereby acknowledge and agree that consummation of the sale herein shall not be predicated or conditioned on an exchange or exchanges, and, without in any way limiting the foregoing, the closing of escrow as provided herein shall not be contingent, delayed or otherwise subject to the closing of any other escrow.

If Seller elects to effect a tax deferred exchange, Buyer shall promptly execute all amendments to this Agreement, escrow instructions pertaining to the exchange transaction and all other documents as may be necessary to carry out such an exchange; provided however that Buyer shall have the right to approve any and all such documents (which approval shall not be unreasonably withheld).

Buyer shall not be obligated to incur any greater cost or expense due to Seller's exchange than would have been the case in a purchase as otherwise specified in this Agreement.

6. Tests and Studies. Buyer, Buyer's representatives, or authorized agents may enter on the Property to make soil tests or other studies of Property, provided however that, (a) Buyer shall pay for all such tests and studies, and (b) Buyer shall keep the Property free and clear of any liens, and (c) Buyer shall repair all damage to the Property, and (d) Buyer shall indemnify and hold Seller harmless from and against any and all liabilities, claims, demands, damages or costs of any kind whatsoever (including attorneys fees) arising from or in connection with such entry or the tests and studies. Seller will provide Buyer with information in its possession regarding Seller's prior use of the Property.

7. Title Condition and Deed.

(a) Seller shall promptly upon execution of this Agreement order and have delivered to Buyer a preliminary title report ("Report") from Chicago Title Insurance Company covering the Property. Buyer shall have ten (10) days after its receipt of the Report to deliver to Seller in writing any objections to

the condition of title as set forth therein, provided however Buyer shall not object to:

(i) A lien to secure payment of real estate taxes, not delinquent; and

(ii) Matters affecting the condition of title suffered or created by, or with the written consent of, Buyer.

Failure of Buyer to object, by notice to Seller in writing, to any exception shown in the Report within said ten (10) day period shall be conclusively deemed Buyer's approval of the Report.

(b) If Buyer objects to any exception, Seller may, at its election, have until the date set forth herein for the close of escrow to remove or otherwise correct any such exception, in which event Buyer shall be deemed to approve the Report subject to such removal or remedy.

(c) If Seller elects not to remove or correct or fails to remove or correct all exceptions to which Buyer has objected by the date specified herein for close of escrow, Buyer shall elect to either: 1) terminate this Agreement without any liability to either party, or 2) accept the Property without reduction of the purchase price and without any liability to Seller. If Buyer elects to terminate this Agreement due to the failure of Seller to remove or correct a disapproved exception, escrow holder shall return to Buyer any sums which have been deposited by Buyer, less title and escrow charges.

(d) At close of escrow Seller shall convey the Property to Buyer by Grant Deed, subject to all matters and restrictions of record. Title shall be evidenced by the willingness of Chicago Title Insurance Company or other reputable title insurance company to issue its CLTA owner's form policy of title insurance in the amount of the purchase price showing title vested in Buyer subject to the exceptions as shown on the Report approved by Buyer. If no reputable title insurance company is willing to issue such policy, all obligations of the parties hereunder shall terminate without liability to either party and

the escrow holder shall return to Buyer any sums which have been deposited by Buyer.

At the close of escrow Seller shall provide Buyer with a standard CLTA policy of title insurance issued by a reputable title insurance company in an amount equal to the purchase price insuring Buyer that the title so conveyed to Buyer is in such condition.

8. Leases Effecting the Property. Seller shall, at least ten (10) days prior to close of escrow, deliver to Buyer for Buyer's approval true copies of all leases and amendments effecting the Property. Seller shall deposit into escrow before close of escrow estoppel certificates and an assignment of each lease effecting the Property, in a form approved by Buyer. Escrow holder shall deliver to Buyer upon closing of escrow all such certificates and assignments.

9. Easements. Upon close of escrow an easement in the form attached hereto as Exhibit "F" shall be recorded as a burden to the Property.

10. Condition of Property. Buyer acknowledges that Buyer has occupied much of the Property for a considerable length of time prior to close of escrow, and that Buyer possesses knowledge superior to that of Seller with respect to the condition of all of the Property. Buyer acknowledges that it is aware of the uses which have been made of the Property, which include but are not limited to landfill and auto wrecking. In addition to Buyer's specific knowledge of the Property, Buyer acknowledges that Buyer is familiar with this type of real property and these uses. Buyer further acknowledges that Buyer is purchasing the Property "as is" solely in reliance on Buyer's own investigation, and that no representations or warranties of any kind whatsoever, express or implied, including but not limited to matters of an environmental nature, contamination, site, physical and soil conditions, have been made by Seller, or Seller's agents or brokers. Buyer further acknowledges that as of the close of escrow Buyer will be aware of all zoning regulations, other governmental requirements, matters of an

environmental nature, contamination, site, physical and soil conditions, and all other matters affecting the use and condition of the Property, and Buyer agrees to purchase the Property in the condition that it is in at close of escrow. Buyer agrees that as a continuing obligation surviving the close of escrow and the conveyance of the Grant Deed it shall from and after the close of escrow indemnify and hold Seller's Releasees (as hereinafter defined) harmless from and against all claims, damages and liability, foreseen and unforeseen, including reasonable attorneys' fees, arising from or related to any condition of, on, under or pertaining to the Property, irrespective of whether it is contended or established that such condition existed or was created before, on, or after close of escrow. Seller's Releasees shall be Seller and the successor and assigns of Seller, the officers, directors, agents, employees, stockholders and attorneys of Seller and its successors and assigns, and the parents, subsidiaries and affiliated companies of Seller and its successors and assigns, and the officers, directors, agents, employees, stockholders, and attorneys of each such parent, subsidiary and affiliated company, and each of them. Without limiting the foregoing, from and after execution of this Agreement, the foregoing provisions of this Agreement shall continue to be effective with respect to each Seller's Releasee irrespective of whether such Seller's Releasee has purported to assign or otherwise dispose of its interest or any portion of its interest, under this Agreement, or in the Property.

11. Seller's Representations. The foregoing notwithstanding, Seller represents that:

(a) This Agreement when executed by Seller shall be duly executed by duly authorized officers or agents of Seller and shall constitute a valid, binding and enforceable obligation;

(b) Except as disclosed by Seller to Buyer prior to close of escrow, Seller has not received and is not aware of any notification from the Department of Building and Safety, Health Department, or other such city, county, State or federal authority having jurisdiction requiring any work to be done on or

affecting the Property or indicating an attempt to condemn the Property or any portion thereof; in the event any such notice or notices are received by Seller prior to the close of escrow and Seller is unable to or does not elect to perform the work required in said notices at Seller's sole cost and expense on or before the close of escrow, said notices shall be submitted to Buyer for its examination and written approval; in the event Buyer does not notify Seller and escrow holder of its approval of any such notice within ten (10) days after receipt thereof, or before the date scheduled for close of escrow, whichever occurs first, this escrow shall terminate and escrow holder shall return to Buyer any sums which have been deposited by Buyer, less title and escrow charges.

12. Buyer's Representations. Buyer represents that this Agreement has been duly executed by duly authorized officers of Buyer and constitutes a valid, binding and enforceable obligation.

13. Possession, Risk of Loss. In the event the improvements on the Property are destroyed or materially damaged between the date hereof and the close of escrow, Buyer shall accept the Property in its damaged condition, and all proceeds of insurance payable to Seller by reason of such damage shall, after close of escrow, be paid to Buyer. Possession of the Property shall be given to Buyer at the close of escrow. All risk of loss or damage with respect to the Property shall pass from Seller to Buyer at the close of escrow.

14. Brokerage Commissions. Buyer and Seller hereby acknowledge and represent that there are no broker's commissions or finder's fees due in connection with this transaction. Buyer and Seller shall each hold harmless and indemnify the other from any claims of brokers, agents or finders, licensed or otherwise, claiming through, under or by reason of the conduct of the indemnifying party with respect to the transaction contemplated hereunder.

15. Liquidated Damages. IF BUYER FAILS TO COMPLETE THE TRANSACTION IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT

THE PARTIES AGREE THAT SELLER SHALL RETAIN FROM BUYER'S DEPOSIT AS LIQUIDATED DAMAGES THE SUM OF \$25,000.00, WHICH SUM THE PARTIES AGREE IS A REASONABLE SUM CONSIDERING ALL OF THE CIRCUMSTANCES EXISTING ON THE DATE OF THIS AGREEMENT, INCLUDING THE RELATIONSHIP OF THE SUM TO THE RANGE OF HARM TO SELLER THAT REASONABLY COULD BE ANTICIPATED AND THE ANTICIPATION THAT PROOF OF ACTUAL DAMAGES WOULD BE COSTLY OR INCONVENIENT. IN PLACING THEIR INITIALS AT THE PLACES PROVIDED, EACH PARTY SPECIFICALLY CONFIRMS THE ACCURACY OF THE STATEMENTS MADE ABOVE.

16. Prorations. All current and non-delinquent installments of real property taxes, personal property taxes and assessments on the Property, rentals, premiums on insurance assumed by Buyer, and operating expenses, if any, shall be prorated through escrow as of the closing on the basis of a thirty (30) day month.

17. Attorneys' Fees. Should any party hereto institute any action or proceeding to enforce any provision hereof by reason of the alleged breach of this Agreement, the prevailing party shall be entitled to receive from the losing party such amount as the court may adjudge to be reasonable attorneys' fees for services rendered to the prevailing party.

18. Conflicts. In the event of a conflict between the provisions of this Agreement and the provisions of any other documents executed or proposed to be executed between the parties prior to the date hereof, the provisions contained in this Agreement shall in all instances govern and prevail.

19. Disbursements and Other Actions by Escrow Holder. Upon the close of escrow, the Escrow Holder shall perform the following in the manner hereinbelow indicated:

(a) Disburse to Seller all funds deposited with escrow holder by Buyer in payment of the purchase price for the Property after deducting therefrom all items chargeable to the account of Seller pursuant to this Agreement.

(b) Cause the Grant Deed, Deed of Trust, Easements and any other documents which the parties hereto may mutually direct to be recorded in the Official Records of Los Angeles County.

20. Notices. All notices, demands, requests and notices under this Agreement by either party shall be hand delivered or sent by United States mail, registered or certified postage prepaid and addressed to the parties as follows:

"Seller"	CalMat Land Co. 3200 San Fernando Road Los Angeles, CA 90065 Attn: Gene Block
"Buyer"	Pick Your Part Auto Wrecking 1301 E. Orangewood, #130 Anaheim, CA 92805 Attn: Cindi Galfin

Notices, demands and requests served in the above manner shall be considered sufficiently given or served for all purposes under this Agreement at the time the notice, demand or request is hand delivered or postmarked to the addresses shown above.

21. Assignment. Buyer shall not assign or attempt to assign this Agreement or any rights hereunder to any other person or entity. Any such assignment or purported assignment shall be null and void and of no force and effect whatsoever.

22. Time of the Essence. Time is of the essence for each and every term, condition, covenant, obligation and provision of this Agreement.

23. Severability. In the event any portion of this Agreement shall be declared by any court of competent jurisdiction to be invalid, illegal or unenforceable, such portion shall be severed from this Agreement and the remaining parts hereof shall remain in full force and effect as fully as though such invalid, illegal or unenforceable portion had never been part of this Agreement, provided the remaining Agreement can be reasonably and equitably enforced.

24. Binding of Successors. Subject to the limitations set forth herein, this Agreement shall be binding upon and inure

to the benefit of the successors and assigns of the respective parties hereto.

25. Required Actions of Buyer and Seller. Buyer and Seller agree to execute all such instruments and documents and to take all actions (including the deposit of funds in addition to such funds as may be specifically provided for herein) as may be required in order to consummate the purchase and sale herein contemplated and shall use their best efforts to accomplish the close of escrow in accordance with the provisions hereof.

26. Option to Purchase Additional Land. Prior to close of escrow the parties shall execute an Option Agreement for Assessor's Parcel No. 2538-010-002 in the form attached hereto as Exhibit "G" in duplicate counterparts and deposit said counterpart documents in escrow. Escrow holder shall upon close of escrow deliver to each party the counterpart Option Agreement executed by the other party.

27. Seller's affidavit. Prior to close of escrow, Seller shall deposit an affidavit stating that Seller is not a "foreign person" as the term is defined by Section 1445(f)(3) of the Internal Revenue Code, and setting forth Seller's address and United States Tax Identification Number.

28. Entire Agreement. This Agreement contains the entire agreement between the parties hereto and no addition or modification of any term or provision shall be effective unless set forth in writing, signed by both Seller and Buyer.

29. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which, together, shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first written above.

GUARANTY

This Guaranty (the "Guaranty") is made as of this 19<sup>TH</sup> day of September, 1988, by Glenn C. McElroy ("Guarantor") whose business address is 1301 E. Orangewood, Suite 130, Anaheim, California 92805, in favor of R.E. Accommodation Company, a California corporation ("Holder"), whose address is 1101 Dove Street, Suite 100, Newport Beach, California 92660.

1. Guaranty. In order to induce Holder to loan to Pick Your Part Auto Wrecking ("Borrower") the sum of Seven Million Six Hundred Eighty-Four Thousand One Hundred Forty-Four Dollars (\$7,684,144.00) to be evidenced by a certain Purchase Money Promissory Note Secured by Deed of Trust of even date herewith ("Note") executed by Borrower and payable to Holder, Guarantor unconditionally and irrevocably guarantees to Holder and the successors and assigns of Holder and to the officers, directors, agents, employees, stockholders and attorneys of Holder and its successors and assigns, and the parents, subsidiaries and affiliated companies of Holder and its successors and assigns, and the officers, directors, agents, employees, stockholders and attorneys of each such parent, subsidiary and affiliated company, and each of them, the full and prompt payment of the Note in accordance with its terms, when due, by acceleration or otherwise, and the full, prompt, and complete performance of all obligations of Borrower set forth in

the Note, in that certain Deed of Trust and Security Agreement with Assignment of Rents between Borrower and Holder securing performance under the Note ("Deed of Trust"), in that certain Purchase and Sale Agreement and Joint Escrow Instructions ("Purchase Agreement") by which sale of the property ("Property") which is subject to the Deed of Trust was sold to Borrower, and in any security agreement, assignment of lessor's interest in leases, or any other agreement now or hereafter securing performance under the Note (the Note, Deed of Trust, Purchase Agreement and each document securing performance under the Note are collectively referred to herein as the "Loan Documents").

2. Modification, Waiver, or Release of Security.

Guarantor shall continue to be liable under this Guaranty, and its provisions shall remain in full force and effect notwithstanding:

(a) Any modification, agreement, or stipulation between any Borrower and Holder, or their respective successors and assigns, with respect to the Loan Documents; or

(b) Holder's waiver of or failure to enforce any of the terms, covenants, or conditions contained in the Loan Documents, or any modification of the Loan Documents; or

(c) Any release of any real or personal property or other security then held by Holder for the performance of the obligations hereby guaranteed.

3. Additional Credit. Additional credit under the Loan Documents may be granted from time to time at the request of

Borrower and without further authorization from or notice to Guarantor. Holder need not inquire into the power of Borrower or the authority of its officers, partners or agents acting or purporting to act in its behalf. Each credit granted to Borrower pursuant to the Loan Documents shall be deemed to have been granted at the instance and request of Guarantor and in consideration of and in reliance on this Guaranty.

4. Guaranty of Payment and Performance. The liability of Guarantor on this Guaranty is a guaranty of payment and performance and not of collectibility, and is not conditional or contingent on the genuineness, validity, regularity, or enforceability of the Loan Documents or other instruments relating to the obligations hereby guaranteed or the pursuit by Holder of any remedies that it now has or may hereafter have with respect thereto.

5. Bankruptcy. The liability of the Guarantor under this Guaranty shall in no way be affected by:

(a) The release or discharge of Borrower in any creditor proceeding, receivership, bankruptcy, or other proceeding;

(b) The impairment, limitation, or modification of the liability of Borrower or the estate of Borrower, or of any remedy for the enforcement of Borrower's liability, resulting from the operation of any present or future provision of the Bankruptcy Code (Title 11 of the United States Code, as amended; 11 USC §§101-1301) or any bankruptcy, insolvency, debtor relief

statute (state or federal), or any other statute, or from the decision of any court;

(c) The rejection or disaffirmance of the indebtedness, or any portion of the indebtedness, in any such proceeding; or

(d) The cessation, from any cause whatsoever, whether consensual or by operation of law, of the liability of Borrower to Holder.

Guarantor will file all claims against Borrower in any bankruptcy or other proceeding in which the filing of claims is required by law on any indebtedness of Borrower to the Guarantor, and will assign to Holder all rights of Guarantor on any such indebtedness. If Guarantor does not file any such claim, Holder, as attorney-in-fact for Guarantor, is authorized to do so in the name of Guarantor, or, in Holder's discretion, to assign the claim and to file a proof of claim in the name of Holder's nominee. In all such cases, whether in bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to the Holder the full amount of any such claim, and, to the full extent necessary for that purpose, Guarantor assigns to Holder all of Guarantor's rights to any such payments or distributions to which Guarantor would otherwise be entitled.

6. Waiver of Defenses. Guarantor hereby waives:

(a) Diligence and demand of payment;

(b) All notices to Guarantor, to any Borrower, or to any other person, including, but not limited to, notices of

the acceptance of this Guaranty, or the creation, renewal, extension, modification, or accrual of any obligations contained in the Loan Documents or notice of any other matters relating thereto;

(c) All demands whatsoever;

(d) Any statute of limitations affecting liability under this Guaranty or the enforcement of this Guaranty;

(e) Any duty on the part of Holder to disclose to Guarantor any facts it may now or hereafter know about Borrower, regardless of whether Holder has reason to believe that any such facts materially increase the risk beyond that which Guarantor intends to assume, or has reason to believe that such facts are unknown to Guarantor, or has a reasonable opportunity to communicate such facts to Guarantor, it being understood and agreed that Guarantor is fully responsible for being and keeping informed of the financial condition of Borrower and of all circumstances bearing on the risk of nonpayment and nonperformance of any obligation hereby guaranteed; and

(f) All principals or provisions of law that conflict with the terms of this Guaranty. Moreover, Guarantor agrees that its obligations shall not be affected by any circumstances that constitute a legal or equitable discharge of a guarantor or surety.

Guarantor agrees that Holder may enforce this Guaranty without the necessity of resorting to or exhausting any security

or collateral; and Guarantor waives the right to require Holder to proceed against any Borrower, to foreclose any lien on any real or personal property, to exercise any right or remedy under the Loan Documents, to pursue any other remedy, or to enforce any other right.

Guarantor further agrees that nothing contained in this Guaranty shall prevent Holder from suing on the Note or from exercising any rights available to it thereunder or under any of the Loan Documents, and that the exercise by Holder of certain rights and remedies contained in the Loan Documents may affect or eliminate Guarantor's right of subrogation against Borrower and that Guarantor may therefore succeed to a partially or totally nonreimbursable liability hereunder; nevertheless, Guarantor hereby authorizes and empowers Holder to exercise, in its sole discretion, any rights and remedies, or any combination thereof, which may then be available, since it is the intent and purpose of Guarantor that the obligations hereunder shall be absolute, independent, and unconditional under any and all circumstances. Without limiting the generality of the foregoing, Guarantor expressly waives any and all benefits under California Civil Code §§ 2809, 2810, 2819, 2845, 2849, 2850 and 2855 and California Code of Civil Procedure §§ 580a, 580b and 580d. Notwithstanding any foreclosure of the lien of any deed of trust or security agreement with respect to any or all of any real or personal property secured thereby, whether by the exercise of the power of sale contained therein, by an action for judicial foreclosure, or

by an acceptance of a deed in lieu of foreclosure, Guarantor shall remain bound under this Guaranty.

7. Subordination. Until all the terms, covenants and conditions of the Loan Documents on the Borrower's part to be performed and observed are fully performed and observed, Guarantor:

(a) Shall have no right of subrogation against Borrower by reason of any payments or acts of performance by Guarantor in compliance with the obligations of Guarantor under this Guaranty;

(b) Waives any right to enforce any remedy that Guarantor shall have against Borrower by reason of any one or more payments or acts of performance in compliance with the obligations of Guarantor under this Guaranty; and

(c) Subordinates any liability or indebtedness of Borrower held by Guarantor to the obligations of Borrower to Holder under any of the Loan Documents or any other instrument of indebtedness.

8. Application of Payments; Refunds. With or without notice to Guarantor, Holder, in its sole discretion and at any time and from time to time and in such manner and on such terms as it deems fit may:

(a) Apply any or all payments or recoveries from Borrower, from Guarantor, or from any other guarantor or endorser under this or any other instrument, or realized from any security, in such manner, order or priority as Holder sees fit,

to indebtedness of Borrower to Holder under the Loan Documents, whether such indebtedness is guaranteed by this Guaranty or is otherwise secured or its due at the time of such application; and

(b) Refund to Borrower any payment received by Holder on any indebtedness hereby guaranteed and payment of the amount refunded shall be fully guaranteed hereby. Any recovery realized from any other guarantor under this or any other instrument shall be first credited on that portion of the indebtedness of Borrower to Holder that exceeds the maximum liability, if any, of Guarantor under this Guaranty.

9. Miscellaneous.

(a) Notice. Whenever the parties hereto desire to give or serve any notice, demand or request with respect to this Guaranty, each such communication shall be in writing and shall be effective only if it is delivered by personal service or mailed by registered or certified mail, postage prepaid, return receipt requested, addressed as set forth in the first paragraph of this Guaranty. Such communications sent shall be effective when they are received by the addressee thereof; but if sent by registered or certified mail, they shall be effective three (3) days after being deposited in the United States mail. Each party hereto may change its address for such communications by giving notice to the other party in conformity with this paragraph.

(b) Successors and Assigns; Joint and Several Liability; Gender; Singular Includes Plural. This Guaranty shall be binding on Guarantor, his heirs, representatives,

administrators, executors, successors, and assigns and shall inure to the benefit of and shall be enforceable by Holder, its successors and assigns. Should this Guaranty be signed by more than one party, all obligations herein contained shall be deemed to be the joint and several obligations of each party executing this Guaranty. As used herein the singular shall include the plural, and the masculine shall include the feminine and neuter, and vice versa, if the context so requires.

(c) Nonwaiver. No provision of this Guaranty or right of Holder under this Guaranty can be waived, nor can Guarantor be released from its obligations under this Guaranty except by a writing duly executed by an authorized representative of Holder. Guarantor shall continue to be liable under the terms of this Guaranty notwithstanding the transfer by Borrower of all or any portion of the property encumbered by the Loan Documents.

(d) Attorneys' Fees. Guarantor shall forthwith pay to Holder the amount of all attorneys' fees and costs incurred by Holder under and pursuant to this Guaranty, or in the defense of enforcement of Holder's interest (whether or not Holder files a lawsuit against Guarantor) in the event Holder retains counsel, or incurs costs in order to: obtain legal advice, enforce, or seek to enforce, any of its rights; commence, intervene in, respond to, or defend any action or proceeding; file or prosecute a claim in any action or proceeding (including, without limitation, any probate claim, bankruptcy claim, third

party claim, or secured creditor claim); or represent Holder in any litigation with respect to Guarantor's affairs.

If either Guarantor or Holder files any lawsuit against the other predicated on this Guaranty, the prevailing party in such action shall be entitled to recover its attorneys' fees.

(e) Choice of Law. This Guaranty shall be governed by and construed in accordance with the laws of the State of California.

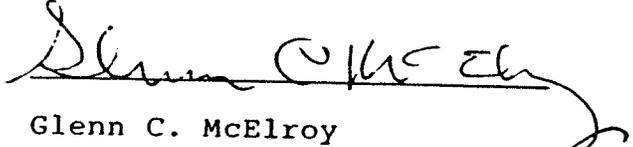

(f) Severability. Every provision of this Guaranty is intended to be severable. In the event any term or provision hereof is declared to be illegal or invalid, for any reason whatsoever, by a court of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable.

(g) Time Is of the Essence. Time is of the essence under this Guaranty and any amendment, modification, or revision of this Guaranty.

10. Revocation/Cancellation. Notwithstanding anything contained in this Guaranty to the contrary, upon payment of all sums due as principal and interest under the Note, this Guaranty shall become null and void, shall be canceled and revoked and the Guarantor shall have no further obligations of any kind under this Guaranty.

11. Limitation. Notwithstanding anything contained in this Guaranty to the contrary, Guarantor's liability hereunder shall be limited entirely to the payment of the Note only and shall not exceed the sum of Seven Million Six Hundred Eighty-Four Thousand One Hundred Forty-Four Dollars (\$7,684,144.00). The liability of Guarantor shall reduce in increments as the principal balance of the Note reduces.

IN WITNESS WHEREOF, Guarantor has executed this Guaranty as of the year and date first above written.

Dear Mr. Owen,

A review of the lease dated August 10, 1977 between California Portland Cement Company and Pacific Coast Roof Corporation disclosed that paragraph number 23 provides for an increase in rent at three year intervals. The first increase should have taken place on September 1, 1980.

The amount of the increase was to have been proportionate to the increase in the CPI-Los Angeles with a limit of 15%. The CPI increased by 38% over the specified period so therefore the 15% limit governs. The monthly rent due since September 1, 1980 has been  $\$750 \times 1.15 = \$862.50$ .

You have been remitting \$750.00 each month which leaves owing a monthly difference of \$112.50 or the amount of \$1,350.00 for the 12 months since the increase should have taken effect.

Please revise your monthly payments to \$862.50 to reflect the increase. The \$1,350.00 which is now in arrears is due immediately but may be spread over the next four months with payments of \$337.50 if it is more convenient.

Sincerely,

Dear Mr. Owen:

A review of the lease dated August 10, 1977 between California Portland Cement Company and Pacific Coast Roof Corporation disclosed that paragraph number 23 provides for an increase in rent at three year intervals. Lessee expressly waives the benefits of any statute now or hereafter in effect which would otherwise afford Lessee the right to make repairs at Lessor's expense or to terminate this Lease because of Lessor's failure to keep the Premises in good ~~condition and repair~~.

### 7.2 Lessee's Obligations.

(a) Subject to the provisions of Paragraph 7.1 and Paragraph 7.1, Lessee, at Lessee's expense, shall keep in good order, condition and repair the Premises and every part thereof (regardless of whether the damaged portion of the Premises or the means of repairing the same are accessible to Lessee), including, without limiting the generality of the foregoing, all plumbing, heating, air conditioning, ventilating, electrical and lighting facilities and equipment within the Premises, fixtures, interior walls and interior surface of exterior walls, ceilings, windows, doors, plate glass, and skylights, located within the Premises and all sidewalks, landscaping, driveways, parking lots, fences and signs located in the areas which are adjacent to and included with the Premises.

(c) On the last day of the term hereof, or on any sooner termination, Lessee shall surrender the Premises to Lessor in the same condition as received, broom clean, ordinary wear and tear excepted. Lessee shall repair any damage to the Premises occasioned by the removal of its trade fixtures, furnishings and equipment pursuant to Paragraph 7.2(c), which repair shall include the patching and filling of holes and repair of structural damage.

(a) Lessee shall not, without Lessor's prior written consent, make any alterations, improvements, additions, or utility installations in, on or about the Premises, except for non structural alterations not exceeding \$1,000 in cost. As used in this Paragraph 7.3, the term "utility installations" shall include bus ducting, power panels, fluorescent fixtures, space heaters, conduits and wiring. As a condition to giving such consent, Lessor may require that Lessee agree to remove any such alterations, improvements, additions or utility installations at the expiration of the term, and to restore the Premises to their prior condition. As a further condition to giving such consent, Lessor may require Lessee to provide Lessor, at Lessee's sole cost and expense, a lien and a performance bond in an amount equal to one and one-half times the estimated cost of such improvements, to insure Lessor against any liability for the cost of removal of such alterations, improvements, additions or utility installations, and to insure Lessor against any liability for the cost of removal of such alterations, improvements, additions or utility installations, and to insure Lessor against any liability for the cost of removal of such alterations, improvements, additions or utility installations.

(b) Lessee shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Lessee at or for use in the Premises which claims are or may be secured by any mechanics' or materialmen's lien against the Premises or any interest therein. Lessee shall give Lessor not less than ten (10) days' notice prior to the commencement of any work in the Premises, and Lessor shall have the right to post notices of non-responsibility in or on the Premises as provided by law.

(c) Unless Lessor requires their removal, as set forth in Paragraph 7.3(a), all alterations, improvements, additions and utility installations (whether or not such utility installations constitute trade fixtures of Lessee), which may be made on the Premises, shall become the property of Lessor and remain upon and be surrendered with the Premises at the expiration of the term. Notwithstanding the provisions of this Paragraph 7.3(c), Lessee's machinery and equipment, other than that which is affixed to the Premises so that it cannot be removed without material damage to the Premises, shall remain the property of Lessee and may be removed by Lessee subject to the provisions of Paragraph 7.2(c).

#### Insurance, Indemnity

8.1 **Liability Insurance.** Lessee shall, at Lessee's expense, obtain and keep in force during the term of this Lease a policy of comprehensive public liability insurance insuring Lessor and Lessee against any liability arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be in an amount of not less than \$300,000 for injury to or death of one person in any one accident or occurrence and in an amount of not less than \$500,000 for injury to or death of more than one person in any one accident or occurrence. Such insurance shall further insure Lessor and Lessee against liability for property damage of at least \$50,000. The limits of said insurance shall not, however, limit the liability of Lessee hereunder. In the event that the Premises constitute a part of a larger property said insurance shall have a Lessor's Protective Liability endorsement attached thereto. If Lessee shall fail to procure and maintain said insurance Lessor may, but shall not be required to, procure and maintain the same, but at the expense of Lessee.

8.2 **Property Insurance.** Lessee shall obtain and keep in force during the term of this Lease a policy or policies of insurance covering loss or damage to the Premises, in the amount of the full replacement value thereof, providing protection against all perils included within the classification of fire, extended coverage, vandalism, malicious mischief, special extended perils (all risk). Lessee shall pay during the term hereof, in addition to rent, the amount of any increase in premiums for the insurance required under this Paragraph 8.2 over and above such premiums paid by Lessor during the first full year of the term of this Lease in which Lessor shall have maintained the insurance required under this Paragraph 8.2, whether such premium increase shall be the result of the nature of Lessee's occupancy, any act or omission of Lessee, requirements of the holder of a mortgage or deed of trust covering the Premises, or increased valuation of the Premises. Lessee shall pay any such premium increase to Lessor within 30 days after receipt by Lessee of a copy of the premium statement or other satisfactory evidence of the amount due. If the insurance policies maintained hereunder cover other improvements in addition to the Premises, Lessor shall also deliver to Lessee a statement of the amount of such increase attributable to the Premises and showing in reasonable detail the manner in which such amount was computed. If the term of this Lease shall not expire concurrently with the expiration of the period covered by such insurance, Lessee's liability for premium increase shall be prorated on an annual basis.

8.3 **Insurance Policies.** Insurance required hereunder shall be in companies rated AAA or better in "Best's Insurance Guide". Lessee shall deliver to Lessor copies of policies of liability insurance required under Paragraph 8.1 or certificates evidencing the existence and amounts of such insurance with loss payable clauses satisfactory to Lessor. No such policy shall be cancellable or subject to reduction of coverage or other modification except after ten (10) days' prior written notice to Lessor. Lessee shall, within ten (10) days thereof to Lessee, which amount shall be payable by Lessee upon demand. Lessee shall not do or permit to be done anything which shall invalidate the insurance policies referred to in Paragraph 8.2.

8.4 **Waiver of Subrogation.** Lessee and Lessor each hereby waives any and all rights of recovery against the other, or against the officers, employees, agents and representatives of the other, for loss of or damage to such waiving party or its property or the property of others under its control, where such loss or damage is insured against under any insurance policy in force at the time of such loss or damage. Lessee and Lessor shall, upon obtaining the policies of insurance required hereunder, give notice to the insurance carrier or carriers that the foregoing mutual waiver of subrogation is contained in this Lease.

8.5 **Indemnity.** Lessee shall indemnify and hold harmless Lessor from and against any and all claims arising from Lessee's use of the Premises, or from the conduct of Lessee's business or from any activity, work or things done, permitted or suffered by Lessee in or about the Premises or elsewhere and shall further indemnify and hold harmless Lessor from and against any and all claims arising from any breach or default in the performance of any obligation on Lessee's part to be performed under the terms of this Lease, or arising from any negligence of the Lessee, or any of Lessee's agents, contractors, or employees, and from and against all costs, attorney's fees, expenses and liabilities incurred in the defense of any such claim or any action or proceeding brought thereon; and in case any action or proceeding be brought against Lessor by reason of any such claim, Lessee upon notice from Lessor shall defend the same at Lessee's expense by counsel satisfactory to Lessor. Lessee, as a material part of the consideration to Lessor, hereby assumes all risk of damage to property or injury to persons, in, upon or about the Premises arising from any cause and Lessee hereby waives all claims in respect thereof against Lessor.

8.6 **Exemption of Lessor from Liability.** Lessee hereby agrees that Lessor shall not be liable for injury to Lessee's business or any loss of income therefrom or for damage to the goods, wares, merchandise or other property of Lessee, Lessee's employees, invitees, customers, or any other person in or about the Premises, nor shall Lessor be liable for injury to the person of Lessee, Lessee's employees, agents or contractors, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, or from the breakage, leakage, obstruction or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning or lighting fixtures, or from any other cause, whether the said damage or injury results from conditions arising upon the Premises or upon other portions of the building of which the Premises are a part, or from other sources or places, and regardless of whether the cause of such damage or injury or the means of repairing the same is inaccessible to Lessee. Lessor shall not be liable for any damages arising from any act or neglect of any other tenant, if any, of the building in which the Premises are located.

#### Damage or Destruction

9.1 **Partial Damage—Insured.** Subject to the provisions of Paragraph 9.4, if the Premises are damaged and such damage was caused by a casualty covered under an insurance policy required to be maintained pursuant to Paragraph 8.2, Lessor shall at Lessor's expense repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect.

9.2 **Partial Damage—Uninsured.** Subject to the provisions of Paragraph 9.4, if at any time during the term hereof the Premises are damaged, except by a negligent or willful act of Lessee, and such damage was caused by a casualty not covered under an insurance policy required to be maintained by Lessor pursuant to Paragraph 8.2, Lessor may at Lessor's option either (i) repair such damage as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) give written notice to Lessee within thirty (30) days after the date of the occurrence of such damage of Lessor's intention to cancel and terminate this Lease as of the date of the occurrence of such damage. In the event Lessor elects to give such notice of Lessor's intention to cancel and terminate this Lease, Lessee shall have the right within ten (10) days after the receipt of such notice to give written notice to Lessor of Lessee's intention to repair such damage at Lessee's expense, without reimbursement from Lessor, in which event this Lease shall continue in full force and effect, and Lessee shall proceed to make such repairs as soon as reasonably possible. If Lessee does not give such notice within such 10-day period this Lease shall be cancelled and terminated as of the date of the occurrence of such damage.

9.3 **Total Destruction.** If at any time during the term hereof the Premises are totally destroyed from any cause whether or not covered by the insurance required to be maintained by Lessor pursuant to Paragraph 8.2 (including any total destruction required by any authorized public authority) this Lease shall automatically terminate as of the date of such total destruction.

9.4 **Damage Near End of Term.** If the Premises are partially destroyed or damaged during the last six months of the term of this Lease, Lessor may at Lessor's option cancel and terminate this Lease as of the date of occurrence of such damage by giving written notice to Lessee of Lessor's election to do so within 30 days after the date of occurrence of such damage.

#### 9.5 Abatement of Rent; Lessee's Remedies

(a) If the Premises are partially destroyed or damaged and Lessor or Lessee repairs or restores them pursuant to the provisions of this Article, the rent payable hereunder for the period during which such damage, repair or restoration continues shall be abated in proportion to the degree to which Lessee's use of the Premises is impaired. Except for abatement of rent, if any, Lessee shall have no claim against Lessor for any damage suffered by reason of any such damage, destruction, repair or restoration.

(b) If Lessor shall be obligated to repair or restore the Premises under the provisions of this Paragraph 9 and shall not commence such repair or restoration within 90 days after such obligations shall accrue, Lessee may at Lessee's option cancel and terminate this Lease by giving Lessor written notice of Lessee's election to do so at any time prior to the commencement of such repair or restoration. In such event this Lease shall terminate as of the date of such notice. Any abatement in rent shall be computed as provided in Paragraph 9.5(a).

9.6 **Termination—Advance Payments.** Upon termination of this Lease pursuant to this Paragraph 9, an equitable adjustment shall be made concerning advance rent and any advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's security deposit as has not theretofore been applied by Lessor.

#### 10. Real Property Taxes

10.1 **Payment of Tax Increase.** Lessor shall pay all real property taxes applicable to the Premises; provided, however, that Lessee shall pay, in addition to rent, the amount, if any, by which real property taxes applicable to the Premises increase over the fiscal tax year 19 77-78. Such payment shall be made by Lessee within thirty (30) days after receipt of Lessor's written statement setting forth the amount of such increase and the reasonable computation thereof. If the term of this Lease shall not expire concurrently with the expiration of the tax fiscal year, Lessee's liability for increased taxes for the last partial lease year shall be prorated on an annual basis.

10.2 **Definition of "Real Property" Tax.** As used herein, the term "real property tax" shall include any form of assessment, license fee, commercial rental tax, levy, penalty, or tax (other than inheritance or estate taxes), imposed by any authority having the direct or indirect power to tax, including any city, county, state or federal government, or any school, agricultural, lighting, drainage or other improvement district thereof, as against any legal or equitable interest of Lessor in the Premises or in the real property of which the Premises are a part, as against Lessor's right to rent or other income therefrom, or as against Lessor's business of leasing the Premises.

10.3 **Joint Assessment.** If the Premises are not separately assessed, Lessee's liability shall be an equitable proportion of the real property taxes for of the land and improvements included within the tax parcel assessed, such proportion to be determined by Lessor from the respective valuations shown in the assessor's work sheets or such other information as may be reasonably available. Lessor's reasonable determination thereof, in good faith, shall be conclusive.

#### 10.4 Personal Property Taxes

(a) Lessee shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of Lessee contained in the Premises or elsewhere. When possible, Lessee shall cause said trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor.

(b) If any of Lessee's said personal property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

11. Utilities. Lessee shall pay for all water, gas, heat, light, power, telephone and other utilities and services supplied to the Premises, together with any charges thereon. If any such services are not separately metered to Lessee, Lessee shall pay a reasonable proportion to be determined by Lessor of all charges jointly metered with other premises.

#### 12. Assignment and Subletting.

12.1 Lessor's Consent Required. Lessee shall not voluntarily or by operation of law assign, transfer, mortgage, sublet, or otherwise transfer or encumber all or any part of Lessee's interest in this Lease or in the Premises, without Lessor's prior written consent, which Lessor shall not unreasonably withhold. Any attempted assignment, transfer, mortgage, encumbrance or subletting without such consent shall be void, and shall constitute a breach of this Lease.

12.2 No Release of Lessee. Regardless of Lessor's consent, no subletting or assignment shall release Lessee of Lessee's obligation to perform or alter the duty of Lessee to pay the rent and to perform all other obligations to be performed by Lessee hereunder. The acceptance of rent by Lessee or any other person shall not be deemed to be a waiver by Lessor of any provision hereof. Consent to one assignment or subletting shall not be deemed to be consent to any subsequent assignment or subletting.

12.3 Attorney's Fees. In the event that Lessor shall consent to a sublease or assignment under Paragraph 12.1, Lessee shall pay Lessor's reasonable attorneys' fees not to exceed \$100 incurred in connection with giving such consent.

#### 13. Defaults; Remedies.

13.1 Defaults. The occurrence of any one or more of the following events shall constitute a material default and breach of this Lease by Lessee:

(a) The vacating or abandonment of the Premises by Lessee.

(b) The failure by Lessee to make any payment of rent or any other payment required to be made by Lessee hereunder, as and when due, where such failure shall continue for a period of three days after written notice thereof from Lessor to Lessee.

(c) The failure by Lessee to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Lessee, other than those described in paragraph (b) above, where such failure shall continue for a period of 30 days after written notice hereof from Lessor to Lessee; provided, however, that if the nature of Lessor's default is such that more than 30 days are reasonably required for its cure, then Lessee shall not be deemed to be in default if Lessee commences such cure within said 30-day period and thereafter diligently prosecutes such cure to completion.

(d) (i) The making by Lessee of any general assignment or general arrangement for the benefit of creditors, (ii) the filing by or against Lessor of a petition to have Lessee adjudged a bankrupt or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days), (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days, or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days.

13.2 Remedies. In the event of any such material default or breach by Lessee, Lessor may at any time thereafter, with or without notice or demand and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such default or breach:

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession of the Premises to Lessor. In such event Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of Lessee's default including, but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorney's fees, and any real estate commission actually paid; the worth at the time of award by the court having jurisdiction thereof of the amount by which the unpaid rent for the balance of the term after the time of such award exceeds the amount of such rental loss for the same period that Lessee proves could be reasonably avoided; that portion of the leasing commission paid by Lessor pursuant to Article 15 applicable to the unexpired term of this Lease. Unpaid installments of rent or other sums shall bear interest from the date due at the rate of 10% per annum. In the event Lessee shall have abandoned the Premises, Lessor shall have the option of (i) retaking possession of the Premises and recovering from Lessee the amount specified in this Paragraph 13.2(a), or (ii) proceeding under Paragraph 13.2(b).

(b) Maintain Lessee's right to possession in which case this Lease shall continue in effect whether or not Lessee shall have abandoned the Premises. In such event Lessor shall be entitled to enforce all of Lessor's rights and remedies under this Lease, including the right to recover the rent as it becomes due hereunder.

(c) Pursue any other remedy now or hereafter available to Lessor under the laws or judicial decisions of the State of California.

13.3 Default by Lessor. Lessor shall not be in default unless Lessor fails to perform obligations required of Lessor within a reasonable time, but in no event later than thirty (30) days after written notice by Lessee to Lessor and to the holder of any first mortgage or deed of trust covering the Premises whose name and address shall have theretofore been furnished to Lessee in writing, specifying wherein Lessor has failed to perform such obligation; provided, however, that if the nature of Lessor's obligation is such that more than thirty (30) days are required for performance then Lessor shall not be in default if Lessor commences performance within such 30-day period and thereafter diligently prosecutes the same to completion.

13.4 Late Charges. Lessee hereby acknowledges that late payment by Lessee to Lessor of rent and other sums due hereunder will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed on Lessor by the terms of any mortgage or trust deed covering the Premises. Accordingly, if any installment of rent or any other sum due from Lessee shall not be received by Lessor or Lessor's designee within ten (10) days after the amount shall be due, Lessee shall pay to Lessor a late charge equal to 10% of such overdue amount. The parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Lessor will incur by reason of late payment by Lessee. Acceptance of such late charge by Lessor shall constitute a waiver of Lessee's default with respect to such overdue amount, nor prevent Lessor from exercising any of the other rights and remedies granted hereunder.

14. Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain, or sold under the threat of the exercise of said power (all of which are herein called "condemnation"), this Lease shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the floor area of the improvements on the premises, or more than 25% of the land area of the Premises which is not occupied by any improvements, is taken by condemnation, Lessee may, at Lessee's option, to be exercised in writing only within ten (10) days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within ten (10) days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the rent shall be reduced in the proportion that the floor area taken bears to the total floor area of the building situated on the Premises. Any award for the taking of all or any part of the Premises under the power of eminent domain or any payment made under threat of the exercise of such power shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold or for the taking of the fee, or as severance damages; provided, however, that Lessee shall be entitled to any award for loss of or damage to Lessee's trade fixtures and removable personal property. In the event that this Lease is not terminated by reason of such condemnation, Lessor shall, to the extent of severance damages received by Lessor in connection with such condemnation, repair any damage to the Premises caused by such condemnation except to the extent that Lessee has been reimbursed therefor by the condemning authority. Lessee shall pay any amount in excess of such severance damages required to complete such repair.

15. Broker's Fee. Upon execution of this Lease by both parties, Lessor shall pay to Industrial Security Real Estate a

limited real estate broker, a fee of \$ 1,760.00. The brokerage services heretofore rendered. Lessor further agrees that if Lessee exercises any option granted herein or any option substantially similar thereto, either to extend the term of this Lease, to renew this Lease, to purchase said Premises or any part thereof and/or any adjacent property which Lessor may own or in which Lessor has an interest, or any other option granted herein, or if said broker is the procuring cause of any other lease or sale entered into between the parties pertaining to the Premises and/or any adjacent property in which Lessor has an interest, then as to any of said transactions, Lessor shall pay said broker a fee in accordance with the schedule of said broker in effect at the time of execution of this Lease. Lessor agrees to pay said fee not only on behalf of Lessor but also on behalf of any person, corporation, association, or other entity having an ownership interest in said real property or any part thereof, when such fee is due hereunder. Any transferee of Lessor's interest in this Lease, by accepting an assignment of such interest, shall be deemed to have assumed Lessor's obligation under this Paragraph 15. Said broker shall be a third party beneficiary of the provisions of this Paragraph.

#### 16. General Provisions.

16.1 Estoppel Certificate.

(a) Lessee shall at any time upon not less than ten (10) days' prior written notice from Lessor execute, acknowledge and deliver to Lessor a statement in writing (i) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect) and the date to which the rent and other charges are paid in advance, if any, and (ii) acknowledging that there are not, to Lessee's knowledge, any uncured defaults on the part of Lessor hereunder, or specifying such defaults if any are claimed. Any such statement may be conclusively relied upon by any prospective purchaser or encumbrancer of the Premises.

(b) Lessee's failure to deliver such statement within such time shall be conclusive upon Lessee (i) that this Lease is in full force and effect, without modification except as may be represented by Lessor, (ii) that there are no uncured defaults in Lessor's performance, and (iii) that not more than one month's rent has been paid in advance.

(c) If Lessor desires to finance or refinance the Premises, or any part thereof, Lessee hereby agrees to deliver to any lender designated by Lessor such financial statements of Lessee as may be reasonably required by such lender. Such statements shall include the past three years' financial statements of Lessee. All such financial statements shall be received by Lessor in confidence and shall be used only for the purposes herein set forth.

16.2 Lessor's Liability. The term "Lessor" as used herein shall mean only the owner or owners at the time in question of the fee title or a lessee's interest in a ground lease of the Premises, and except as expressly provided in Paragraph 15, in the event of any transfer of such title or interest, Lessor herein named (and in case of any subsequent transfers the then grantor) shall be relieved from and after the date of such transfer of all liability as respects Lessor's obligations thereafter to be performed, provided that any funds in the hands of Lessor or the then grantor at the time of such transfer, in which Lessee has an interest, shall be delivered to the grantee. The obligations contained in this Lease to be performed by Lessor shall, subject as aforesaid, be binding on Lessor's successors and assigns, only during their respective periods of ownership.

16.3 Severability. The invalidity of any provision of this Lease as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

16.4 Interest on Past-due Obligations. Except as expressly herein provided, any amount due to Lessor not paid when due shall bear interest at 10% per annum from the date due. Payment of such interest shall not excuse or cure any default by Lessee under this Lease.

16.5 Time of Essence. Time is of the essence.

16.6 Captions. Article and paragraph captions are not a part hereof.

16.7 Incorporation of Prior Agreements, Amendments. This Lease contains all agreements of the parties with respect to any matter mentioned herein. No prior agreement or understanding pertaining to any such matter shall be effective. This Lease may be modified in writing only, signed by the parties, and shall be effective at the time of the modification.

18. 22. Lessor agrees to pay for the installation of a septic tank upon the property at a cost not to exceed \$1100.

3.1 Term. The term of this Lease shall be for Five years with two five year extensions at expiration of first term commencing on April 1, 1976 and ending on March 31, 1981 unless sooner terminated pursuant to any provision hereof.

3.2 Delay in Commencement. Notwithstanding said commencement date, if for any reason Lessor cannot deliver possession of the Premises to Lessee on said date, Lessor shall not be subject to any liability therefor, nor shall such failure affect the validity of this Lease or the obligations of Lessee hereunder or extend the term hereof, but in such case Lessee shall not be obligated to pay rent until possession of the Premises is tendered to Lessee; provided, however, that if Lessor shall not have delivered possession of the Premises within sixty (60) days from said commencement date, Lessee may, at Lessee's option, by notice in writing to Lessor within ten (10) days thereafter, cancel this Lease, in which event the parties shall be discharged from all obligations hereunder. If Lessor so uses or applies all or any portion of said deposit, Lessee shall within ten (10) days after written demand therefor deposit cash with Lessor in an amount sufficient to restore said deposit to the full amount hereinabove stated and Lessee's failure to do so shall be a material breach of this Lease. Lessor shall not be required to keep said deposit separate from its general accounts. If Lessee performs all of Lessee's obligations hereunder, said deposit, or so much thereof as has not theretofore been applied by Lessor, shall be returned, without payment of interest or other increment for its use, to Lessee (or, at Lessor's option, to the last assignee, if any, of Lessee's interest hereunder) at the expiration of the term hereof, and after Lessee has vacated the Premises.

Lessee hereby accepts the Premises in their condition existing as of the date of the execution hereof, subject to all applicable zoning, municipal, county and state laws, ordinances and regulations governing and regulating the use of the Premises, and accepts this Lease subject thereto and to all matters disclosed thereby and by any exhibits attached hereto. Lessee acknowledges that neither Lessor nor Lessor's agent has made any representation or warranty as to the suitability of the Premises for the conduct of Lessee's business.

### 7. Maintenance, Repairs and Alterations.

7.1 Lessor's Obligations. Subject to the provisions of Article 9 and except for damage caused by any negligent or intentional act or omission of Lessee, Lessee's agents, employees, or invitees, Lessor, at Lessor's expense, shall keep in good order, condition and repair the foundations, exterior walls and the exterior roof of the Premises. Lessor shall not, however, be obligated to paint such exterior, nor shall Lessor be required to maintain the interior surface of exterior walls, windows, doors or plate glass. Lessor shall have no obligation to make repairs under this Paragraph 7.1 until a reasonable time after receipt of written notice of the need for such repairs. Lessee expressly waives the benefits of any statute now or hereafter in effect which would otherwise afford Lessee the right to make repairs at Lessor's expense or to terminate this Lease because of Lessor's failure to keep the Premises in good order, condition and repair.

#### 7.2 Lessee's Obligations.

(a) Subject to the provisions of Paragraph 9 and Paragraph 7.1, Lessee, at Lessee's expense, shall keep in good order, condition and repair the Premises and every part thereof (regardless of whether the damaged portion of the Premises or the means of repairing the same are accessible to Lessee), including, without limiting the generality of the foregoing, all plumbing, heating, air conditioning, ventilating, electrical and lighting facilities and equipment within the Premises, fixtures, interior walls and interior surface of exterior walls, ceilings, windows, doors, plate glass, and skylights, located within the Premises and all sidewalks, landscaping, driveways, parking lots, fences and signs located in the areas which are adjacent to and included with the Premises.

(b) If Lessee fails to perform Lessee's obligations under this Paragraph 7.2, Lessor may at Lessor's option enter upon the Premises after 10 days' prior written notice to Lessee, and put the same in good order, condition and repair, and the cost thereof together with interest thereon at the rate of 10% per annum shall be due and payable as additional rent to Lessor together with Lessee's next rental installment.

(c) On the last day of the term hereof, or on any sooner termination, Lessee shall surrender the Premises to Lessor in the same condition as received, broom clean, ordinary wear and tear excepted. Lessee shall repair any damage to the Premises occasioned by the removal of its trade fixtures, furnishings and equipment pursuant to Paragraph 7.3(c), which repair shall include the patching and filling of holes and repair of structural damage.

#### 7.3 Alterations and Additions.

(a) Lessee shall not, without Lessor's prior written consent, make any alterations, improvements, additions, or utility installations in, on or about the Premises, except for non-structural alterations not exceeding \$1,000 in cost. As used in this Paragraph 7.3, the term "utility installations" shall include bus ducting, power panels, fluorescent fixtures, space heaters, conduits and wiring. As a condition to giving such consent, Lessor may require that Lessee agree to remove any such alterations, improvements, additions or utility installations at the expiration of the term, and to restore the Premises to their prior condition. As a further condition to giving such consent, Lessor may require Lessee to provide Lessor, at Lessee's sole cost and expense, a lien and completion bond in an amount equal to one and one-half times the estimated cost of such improvements, to insure Lessor against any liability for mechanics' and materialmen's liens and to insure completion of the work.

(b) Lessee shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Lessee at or for use in the Premises, which claims are or may be secured by any mechanics' or materialmen's lien against the Premises or any interest therein. Lessee shall give Lessor not less than ten (10) days' notice prior to the commencement of any work in the Premises, and Lessor shall have the right to post notices of non-responsibility in or on the Premises as provided by law.

(c) Unless Lessor requires their removal, as set forth in Paragraph 7.3(a), all alterations, improvements, additions and utility installations (whether or not such utility installations constitute trade fixtures of Lessee), which may be made on the Premises, shall become the property of Lessor and remain upon and be surrendered with the Premises at the expiration of the term. Notwithstanding the provisions of this Paragraph 7.3(c), Lessee's machinery and equipment, other than that which is affixed to the Premises so that it cannot be removed without material damage to the Premises, shall remain the property of Lessee and may be removed by Lessee subject to the provisions of Paragraph 7.2(c).

#### **8. Insurance; Indemnity.**

**8.1 Liability Insurance.** Lessee shall, at Lessee's expense, obtain and keep in force during the term of this Lease a policy of comprehensive public liability insurance insuring Lessor and Lessee against any liability arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be in an amount of not less than \$300,000 for injury to or death of one person in any one accident or occurrence and in an amount of not less than \$500,000 for injury to or death of more than one person in any one accident or occurrence. Such insurance shall further insure Lessor and Lessee against liability for property damage of at least \$50,000. The limits of said insurance shall not, however, limit the liability of Lessee hereunder. In the event that the Premises constitute a part of a larger property said insurance shall have a Lessor's Protective Liability endorsement attached thereto. If Lessee shall fail to procure and maintain said insurance Lessor may, but shall not be required to, procure and maintain the same, but at the expense of Lessee.

**8.2 Property Insurance.** Lessor shall obtain and keep in force during the term of this Lease a policy or policies of insurance covering loss or damage to the Premises, in the amount of the full replacement value thereof, providing protection against all perils included within the classification of fire, extended coverage, vandalism, malicious mischief, special extended perils (all risk). Lessee shall pay during the term hereof, in addition to rent, the amount of any increase in premiums for the insurance required under this Paragraph 8.2 over and above such premiums paid by Lessor during the first full year of the term of this Lease in which Lessor shall have maintained the insurance required under this Paragraph 8.2, whether such premium increase shall be the result of the nature of Lessee's occupancy, any act or omission of Lessee, requirements of the holder of a mortgage or deed of trust covering the Premises, or increased valuation of the Premises. Lessee shall pay any such premium increases to Lessor within 30 days after receipt by Lessee of a copy of the premium statement or other satisfactory evidence of the amount due. If the insurance policies maintained hereunder cover other improvements in addition to the Premises, Lessor shall also deliver to Lessee a statement of the amount of such increase attributable to the Premises and showing in reasonable detail the manner in which such amount was computed. If the term of this Lease shall not expire concurrently with the expiration of the period covered by such insurance, Lessee's liability for premium increases shall be prorated on an annual basis.

**8.3 Insurance Policies.** Insurance required hereunder shall be in companies rated AAA or better in "Best's Insurance Guide". Lessee shall deliver to Lessor copies of policies of liability insurance required under Paragraph 8.1 or certificates evidencing the existence and amounts of such insurance with loss payable clauses satisfactory to Lessor. No such policy shall be cancellable or subject to reduction of coverage or other modification except after ten (10) days' prior written notice to Lessor. Lessee shall, within ten (10) days prior to the expiration of such policies, furnish Lessor with renewals or "binders" thereof, or Lessor may order such insurance and charge the cost thereof to Lessee, which amount shall be payable by Lessee upon demand. Lessee shall not do or permit to be done anything which shall invalidate the insurance policies referred to in Paragraph 8.2.

**8.4 Waiver of Subrogation.** Lessee and Lessor each hereby waives any and all rights of recovery against the other, or against the officers, employees, agents and representatives of the other, for loss of or damage to such waiving party or its property or the property of others under its control, where such loss or damage is insured against under any insurance policy in force at the time of such loss or damage. Lessee and Lessor shall, upon obtaining the policies of insurance required hereunder, give notice to the insurance carrier or carriers that the foregoing mutual waiver of subrogation is contained in this Lease.

**8.5 Indemnity.** Lessee shall indemnify and hold harmless Lessor from and against any and all claims arising from Lessee's use of the Premises, or from the conduct of Lessee's business or from any activity, work or things done, permitted or suffered by Lessee in or about the Premises or elsewhere and shall further indemnify and hold harmless Lessor from and against any and all claims arising from any breach or default in the performance of any obligation on Lessee's part to be performed under the terms of this Lease, or arising from any negligence of the Lessee, or any of Lessee's agents, contractors, or employees, and from and against all costs, attorney's fees, expenses and liabilities incurred in the defense of any such claim or any action or proceeding brought thereon; and in case any action or proceeding be brought against Lessor by reason of any such claim, Lessee upon notice from Lessor shall defend the same at Lessee's expense by counsel satisfactory to Lessor. Lessee, as a material part of the consideration to Lessor, hereby assumes all risk of damage to property or injury to persons, in, upon or about the Premises arising from any cause and Lessee hereby waives all claims in respect thereof against Lessor.

**8.6 Exemption of Lessor from Liability.** Lessee hereby agrees that Lessor shall not be liable for injury to Lessee's business or any loss of income therefrom or for damage to the goods, wares, merchandise or other property of Lessee, Lessee's employees, invitees, customers, or any other person in or about the Premises, nor shall Lessor be liable for injury to the person of Lessee, Lessee's employees, agents or contractors, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, or from the breakage, leakage, obstruction or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning or lighting fixtures, or from any other cause, whether the said damage or injury results from conditions arising upon the Premises or upon other portions of the building of which the Premises are a part, or from other sources or places, and regardless of whether the cause of such damage or injury or the means of repairing the same is inaccessible to Lessee. Lessor shall not be liable for any damages arising from any act or neglect of any other tenant, if any, of the building in which the Premises are located.

#### **9. Damage or Destruction.**

**9.1 Partial Damage—Insured.** Subject to the provisions of Paragraph 9.4, if the Premises are damaged and such damage was caused by a casualty covered under an insurance policy required to be maintained pursuant to Paragraph 8.2, Lessor shall at Lessor's expense repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect.

**9.2 Partial Damage—Uninsured.** Subject to the provisions of Paragraph 9.4, if at any time during the term hereof the Premises are damaged, except by a negligent or willful act of Lessee, and such damage was caused by a casualty not covered under an insurance policy required to be maintained by Lessor pursuant to Paragraph 8.2, Lessor may at Lessor's option either (i) repair such damage as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) give written notice to Lessee within thirty (30) days after the date of the occurrence of such damage of Lessor's intention to cancel and terminate this Lease as of the date of the occurrence of such damage. In the event Lessor elects to give such notice of Lessor's intention to cancel and terminate this Lease, Lessee shall have the right within ten (10) days after the receipt of such notice to give written notice to Lessor of Lessee's intention to repair such damage at Lessee's expense, without reimbursement from Lessor, in which event this Lease shall continue in full force and effect, and Lessee shall proceed to make such repairs as soon as reasonably possible. If Lessee does not give such notice within such 10-day period this Lease shall be cancelled and terminated as of the date of the occurrence of such damage.

**9.3 Total Destruction.** If at any time during the term hereof the Premises are totally destroyed from any cause whether or not covered by the insurance required to be maintained by Lessor pursuant to Paragraph 8.2 (including any total destruction required by any authorized public authority) this Lease shall automatically terminate as of the date of such total destruction.

**9.4 Damage Near End of Term.** If the Premises are partially destroyed or damaged during the last six months of the term of this Lease, Lessor may at Lessor's option cancel and terminate this Lease as of the date of occurrence of such damage by giving written notice to Lessee of Lessor's election to do so within 30 days after the date of occurrence of such damage.

#### **9.5 Abatement of Rent; Lessee's Remedies.**

(a) If the Premises are partially destroyed or damaged and Lessor or Lessee repairs or restores them pursuant to the provisions of this Article, the rent payable hereunder for the period during which such damage, repair or restoration continues shall be abated in proportion to the degree to which Lessee's use of the Premises is impaired. Except for abatement of rent, if any, Lessee shall have no claim against Lessor for any damage suffered by reason of any such damage, destruction, repair or restoration.

(b) If Lessor shall be obligated to repair or restore the Premises under the provisions of this Paragraph 9 and shall not commence such repair or restoration within 90 days after such obligations shall accrue, Lessee may at Lessee's option cancel and terminate this Lease by giving Lessor written notice of Lessee's election to do so at any time prior to the commencement of such repair or restoration. In such event this Lease shall terminate as of the date of such notice. Any abatement in rent shall be computed as provided in Paragraph 9.5(a).

**9.6 Termination—Advance Payments.** Upon termination of this Lease pursuant to this Paragraph 9, an equitable adjustment shall be made concerning advance rent and any advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's security deposit as has not theretofore been applied by Lessor.

#### **10. Real Property Taxes.**

**10.1 Payment of Tax Increase.** Lessor shall pay all real property taxes applicable to the Premises, provided, however, that Lessee shall pay, in addition to rent, the amount, if any, by which real property taxes applicable to the Premises increase over the fiscal tax year 19 75-1976. Such payment shall be made by Lessee within thirty (30) days after receipt of Lessor's written statement setting forth the amount of such increase and the reasonable computation thereof. If the term of this Lease shall not expire concurrently with the expiration of the tax fiscal year, Lessee's liability for increased taxes for the last partial lease year shall be prorated on an annual basis.

**10.2 Definition of "Real Property" Tax.** As used herein, the term "real property tax" shall include any form of assessment, license fee, commercial rental tax, levy, penalty, or tax (other than inheritance or estate taxes), imposed by any authority having the direct or indirect power to tax, including any city, county, state or federal government, or any school, agricultural, lighting, drainage or other improvement district thereof, as against any legal or equitable interest of Lessor in the Premises or in the real property of which the Premises are a part, as against Lessor's right to rent or other income therefrom, or as against Lessor's business of leasing the Premises.

**10.3 Joint Assessment.** If the Premises are not separately assessed, Lessee's liability shall be an equitable proportion of the real property taxes for all of the land and improvements included within the tax parcel assessed, such proportion to be determined by Lessor from the respective valuations assigned in the assessor's work sheets or such other information as may be reasonably available. Lessor's reasonable determination thereof, in good faith, shall be conclusive.

#### **10.4 Personal Property Taxes.**

(a) Lessee shall pay prior to delinquency all taxes assessed against and levied upon trade fixtures, furnishings, equipment and all other personal property of Lessee contained in the Premises or elsewhere. When possible, Lessee shall cause said trade fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor.

(b) If any of Lessee's said personal property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

1. Utilities. Lessee shall pay for all water, gas, heat, light, power, telephone and other utilities and services supplied to the Premises, together with any taxes thereon. If any such services are not separately metered to Lessee, Lessee shall pay a reasonable proportion to be determined by Lessor of all charges jointly metered with other premises.

## 2. Assignment and Subletting.

12.1 Lessor's Consent Required. Lessee shall not voluntarily or by operation of law assign, transfer, mortgage, sublet, or otherwise transfer or number all or any part of Lessee's interest in this Lease or in the Premises, without Lessor's prior written consent, which Lessor shall not unreasonably withhold. Any attempted assignment, transfer, mortgage, encumbrance or subletting without such consent shall be void, and shall constitute a breach of this Lease.

12.2 No Release of Lessee. Regardless of Lessor's consent, no subletting or assignment shall release Lessee of Lessee's obligation or alter the liability of Lessee to pay the rent and to perform all other obligations to be performed by Lessee hereunder. The acceptance of rent by Lessor or any other person shall not be deemed to be a waiver by Lessor of any provision hereof. Consent to one assignment or subletting shall not be deemed to any subsequent assignment or subletting.

12.3 Attorney's Fees. In the event that Lessor shall consent to a sublease or assignment under Paragraph 12.1, Lessee shall pay Lessor's reasonable attorneys' fees not to exceed \$100 incurred in connection with giving such consent.

## 3. Defaults; Remedies.

13.1 Defaults. The occurrence of any one or more of the following events shall constitute a material default and breach of this Lease by Lessee:

- The vacating or abandonment of the Premises by Lessee.
- The failure by Lessee to make any payment of rent or any other payment required to be made by Lessee hereunder, as and when due, where such failure shall continue for a period of three days after written notice thereof from Lessor to Lessee.
- The failure by Lessee to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Lessee, other than described in paragraph (b) above, where such failure shall continue for a period of 30 days after written notice hereof from Lessor to Lessee; provided, however, that if the nature of Lessee's default is such that more than 30 days are reasonably required for its cure, then Lessee shall not be deemed to be in default if Lessee commenced such cure within said 30-day period and thereafter diligently prosecuted such cure to completion.
- (i) The making by Lessee of any general assignment, or general arrangement for the benefit of creditors; (ii) the filing by or against Lessee of a petition to have Lessee adjudged a bankrupt or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days; (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days.

13.2 Remedies. In the event of any such material default or breach by Lessee, Lessor may at any time thereafter, with or without notice or demand and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such default or breach:

- Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession of the Premises to Lessor. In such event Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of Lessee's default including, but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorney's fees, and any real estate commission actually paid; the worth at the time of award by the court having jurisdiction thereof of the amount by which the unpaid rent for the balance of the term after the time of such award exceeds the amount of such rental loss for the same period that Lessee proves could be reasonably avoided; that portion of the leasing commission paid by Lessor pursuant to Article 15 applicable to the unexpired term of this Lease. Unpaid installments of rent or other sums shall bear interest from the date due at the rate of 0% per annum. In the event Lessee shall have abandoned the Premises, Lessor shall have the option of (i) retaking possession of the Premises and recovering from Lessee the amount specified in this Paragraph 13.2(a), or (ii) proceeding under Paragraph 13.2(b).
- Maintain Lessee's right to possession in which case this Lease shall continue in effect whether or not Lessee shall have abandoned the Premises. In such event Lessor shall be entitled to enforce all of Lessor's rights and remedies under this Lease, including the right to recover the rent as it becomes due hereunder.
- Pursue any other remedy now or hereafter available to Lessor under the laws or judicial decisions of the State of California.

13.3 Default by Lessor. Lessor shall not be in default unless Lessor fails to perform obligations required of Lessor within a reasonable time, but in no event later than thirty (30) days after written notice by Lessee to Lessor and to the holder of any first mortgage or deed of trust covering the Premises whose name and address shall have theretofore been furnished to Lessee in writing, specifying wherein Lessor has failed to perform such obligation; provided, however, that if the nature of Lessor's obligation is such that more than thirty (30) days are required for performance then Lessor shall not be in default if Lessor commences performance within such 30-day period and thereafter diligently prosecutes the same to completion.

13.4 Late Charges. Lessee hereby acknowledges that late payment by Lessee to Lessor of rent and other sums due hereunder will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed on Lessor by the terms of any mortgage or trust deed covering the Premises. Accordingly, if any installment of rent or any other sum due from Lessee shall not be received by Lessor or Lessor's designee within ten (10) days after such amount shall be due, Lessee shall pay to Lessor a late charge equal to 10% of such overdue amount. The parties hereby agree that such late charge is a fair and reasonable estimate of the costs Lessor will incur by reason of late payment by Lessee. Acceptance of such late charge by Lessor shall constitute a waiver of Lessee's default with respect to such overdue amount, nor prevent Lessor from exercising any of the other rights and remedies granted hereunder.

4. Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain, or sold under the threat of the exercise of said power (all of which are herein called "condemnation"), this Lease shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the floor area of the improvements on the premises, or more than 25% of the land area of the Premises which is not occupied by any improvements, is taken by condemnation, Lessee may, at Lessee's option, to be exercised in writing only within ten (10) days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within ten (10) days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the rent shall be reduced in the proportion that the floor area taken bears to the total floor area of the building situated on the Premises. Any award or the taking of all or any part of the Premises under the power of eminent domain or any payment made under threat of the exercise of such power shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold or for the taking of the fee, or for severance damages; provided, however, that Lessee shall be entitled to any award for loss of or damage to Lessee's trade fixtures and removable personal property. In the event that this Lease is not terminated by reason of such condemnation, Lessor shall, to the extent of severance damages received by Lessor in connection with such condemnation, repair any damage to the Premises caused by such condemnation except to the extent that Lessee has been reimbursed therefor by the condemning authority. Lessee shall pay any amount in excess of such severance damages required to complete such repair.

5. Broker's Fee. Upon execution of this Lease by both parties, Lessor shall pay to Industrial Security Real Estate, a licensed real estate broker, a fee of 5% of the lease for brokerage services heretofore rendered. Lessor further agrees that if Lessee exercises any option granted herein or any option substantially similar thereto, either to extend the term of this Lease, to renew this Lease, to purchase said premises or any part thereof and/or any adjacent property which Lessor may own or in which Lessor has an interest, or any other option granted herein, if said broker is the procuring cause of any other lease or sale entered into between the parties pertaining to the Premises and/or any adjacent property in which Lessor has an interest, then as to any of said transactions, Lessor shall pay said broker a fee in accordance with the schedule of said broker in effect at the time of execution of this Lease. Lessor agrees to pay said fee not only on behalf of Lessor but also on behalf of any person, corporation, association, or other entity having an ownership interest in said real property or any part thereof, when such fee is due hereunder. Any transferee of Lessor's interest in this Lease, by accepting an assignment of such interest, shall be deemed to have assumed Lessor's obligation under this Paragraph 5. Said broker shall be a third party beneficiary of the provisions of this Paragraph.

## 6. General Provisions.

### 16.1 Estoppel Certificate.

(a) Lessee shall at any time upon not less than ten (10) days' prior written notice from Lessor execute, acknowledge and deliver to Lessor a statement in writing (i) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect) and the date to which the rent and other charges are paid in advance, if any, and (ii) acknowledging that there are not, to Lessee's knowledge, any uncured defaults on the part of Lessor hereunder, or specifying such defaults if any are claimed. Any such statement may be conclusively relied upon by any prospective purchaser or encumbrancer of the Premises.

(b) Lessee's failure to deliver such statement within such time shall be conclusive upon Lessee (i) that this Lease is in full force and effect, without modification except as may be represented by Lessor, (ii) that there are no uncured defaults in Lessor's performance, and (iii) that not more than one month's rent has been paid in advance.

(c) If Lessor desires to finance or refinance the Premises, or any part thereof, Lessee hereby agrees to deliver to any lender designated by Lessor such financial statements of Lessee as may be reasonably required by such lender. Such statements shall include the past three years' financial statements of Lessee. All such financial statements shall be received by Lessor in confidence and shall be used only for the purposes herein set forth.

16.2 Lessor's Liability. The term "Lessor" as used herein shall mean only the owner or owners at the time in question of the fee title or a Lessee's interest in a ground lease of the Premises, and except as expressly provided in Paragraph 15, in the event of any transfer of such title or interest, Lessor herein named (and in case of any subsequent transfers the then grantor) shall be relieved from and after the date of such transfer of all liability as respects Lessor's obligations thereafter to be performed, provided that any funds in the hands of Lessor or the then grantor at the time of such transfer, in which Lessee has an interest, shall be delivered to the grantee. The obligations contained in this Lease to be performed by Lessor shall, subject as aforesaid, be imposed on Lessor's successors and assigns, only during their respective periods of ownership.

16.3 Severability. The invalidity of any provision of this Lease as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

16.4 Interest on Past-due Obligations. Except as expressly herein provided, any amount due to Lessor not paid when due shall bear interest at 10% per annum from the date due. Payment of such interest shall not excuse or cure any default by Lessee under this Lease.

16.5 Time of Essence. Time is of the essence.

16.6 Captions. Article and paragraph captions are not a part hereof.

16.7 Incorporation of Prior Agreements; Amendments. This Lease contains all agreements of the parties with respect to any matter mentioned herein. No prior agreement or understanding pertaining to any such matter shall be effective. This Lease may be modified in writing only, signed by the parties in interest at the time of the modification.

16.8 Notices. Any notice required or permitted to be given hereunder shall be in writing and may be served personally or by regular mail, addressed to Lessor and Lessee respectively at the addresses set forth after their signatures at the end of this Lease.

16.9 Waivers. No waiver by Lessor of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by Lessee of the same or any other provision. Lessor's consent to or approval of any act shall not be deemed to render unnecessary the obtaining of Lessor's consent to or approval of any subsequent act by Lessee. The acceptance of rent hereunder by Lessor shall not be a waiver of any preceding breach by Lessee of any provision hereof, other than the failure of Lessee to pay the particular rent so accepted, regardless of Lessor's knowledge of such preceding breach at the time of acceptance of such rent.

16.10 Recording. Lessee shall not record this Lease without Lessor's prior written consent, and such recordation shall, at the option of Lessor, constitute a non-curable default of Lessee hereunder. Either party shall, upon request of the other, execute, acknowledge and deliver to the other a "short form" memorandum of this Lease for recording purposes.

16.11 Holding Over. If Lessee remains in possession of the Premises or any part thereof after the expiration of the term hereof without the express written consent of Lessor, such occupancy shall be a tenancy from month to month at a rental in the amount of the last monthly rental plus all other charges payable hereunder, and upon all the terms hereof applicable to a month-to-month tenancy.

16.12 Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

16.13 Covenants and Conditions. Each provision of this Lease performable by Lessee shall be deemed both a covenant and a condition.

16.14 Binding Effect; Choice of Law. Subject to any provisions hereof restricting assignment or subletting by Lessee and subject to the provisions of Paragraph 16.2, this Lease shall bind the parties, their personal representatives, successors and assigns. This Lease shall be governed by the laws of the State of California.

16.15 Subordination.

(a) This Lease, at Lessor's option, shall be subordinate to any ground lease, mortgage, deed of trust, or any other hypothecation for security now or hereafter placed upon the real property of which the Premises are a part and to any and all advances made on the security thereof and to all renewals, modifications, consolidations, replacements and extensions thereof. Notwithstanding such subordination, Lessee's right to quiet possession of the Premises shall not be disturbed if Lessee is not in default and so long as Lessee shall pay the rent and observe and perform all of the provisions of this Lease, unless this Lease is otherwise terminated pursuant to its terms. If any mortgagee, trustee or ground lessor shall elect to have this Lease prior to the lien of its mortgage, deed of trust or ground lease, and shall give written notice thereof to Lessee, this Lease shall be deemed prior to such mortgage, deed of trust, or ground lease, whether this Lease is dated prior or subsequent to the date of said mortgage, deed of trust or ground lease or the date of recording thereof.

(b) Lessee agrees to execute any documents required to effectuate such subordination or to make this Lease prior to the lien of any mortgage, deed of trust or ground lease, as the case may be, and failing to do so within ten (10) days after written demand, does hereby make, constitute and irrevocably appoint Lessor as Lessee's attorney in fact and in Lessee's name, place and stead, to do so.

16.16 Attorney's Fees. If either party or the broker named herein brings an action to enforce the terms hereof or declare rights hereunder, the prevailing party in any such action, on trial or appeal, shall be entitled to his reasonable attorney's fees to be paid by the losing party as fixed by the court. The provisions of this paragraph shall inure to the benefit of the broker named herein who seeks to enforce a right hereunder.

16.17 Lessor's Access. Lessor and Lessor's agents shall have the right to enter the Premises at reasonable times for the purpose of inspecting the same, showing the same to prospective purchasers, or lenders, and making such alterations, repairs, improvements or additions to the Premises or to the building of which they are a part as Lessor may deem necessary or desirable. Lessor may at any time place on or about the Premises any ordinary "For Sale" signs and Lessor may at any time during the last 120 days of the term hereof place on or about the Premises any ordinary "For Lease" signs, all without rebate of rent or liability to Lessee.

16.18 Signs and Auctions. Lessee shall not place any sign upon the Premises or conduct any auction thereon without Lessor's prior written consent.

16.19 Merger. The voluntary or other surrender of this Lease by Lessee, or a mutual cancellation thereof, shall not work a merger, and shall, at the option of Lessor, terminate all or any existing subtenancies or may, at the option of Lessor, operate as an assignment to Lessor of any or all of such subtenancies.

16.20 Corporate Authority. If Lessee is a corporation, each individual executing this Lease on behalf of said corporation represents and warrants that he is duly authorized to execute and deliver this Lease on behalf of said corporation, in accordance with a duly adopted resolution of the Board of Directors of said corporation or in accordance with the Bylaws of said corporation, and that this Lease is binding upon said corporation in accordance with its terms. If Lessee is a corporation Lessee shall, within thirty (30) days after execution of this Lease, deliver to Lessor a certified copy of a resolution of the Board of Directors of said corporation authorizing or ratifying the execution of this Lease.

17. Lessee to have the option for an additional five year term after the expiration of the first term, with a monthly rental of \$600.00 per month gross rental (plus tax increase in item 10.1)

18. Lessee to have the option for an additional five year term after the expiration of the second term, with a monthly rental of \$700.00 per month gross rental (plus tax increase in item 10.1)

19. Lessor to rough grade the property, but if the ground level sinks the Lessee will have to level and fill. Lessee will have the permission to put in driveways and a gate at his expense. Lessee may also run water into the property, and all improvements will be put in with proper permits. Lessee may also fence the area as required for a wrecking yard by the City, and Lessee to have the right to remove his fencing when he vacates, provided he replaces Lessors fencing. Lessee may pave the front area as required and put in planters. Lessee may have the right to build an office at his expense provided it is done in accordance with City code.

The parties hereto have executed this Lease at the place and on the dates specified immediately adjacent to their respective signatures.

If this Lease has been filled in it has been prepared for submission to your attorney for his approval. No representation or recommendation is made by the real estate broker or its agents or employees as to the legal sufficiency, legal effect, or tax consequences of this Lease or the transaction relating thereto.

20. This lease is subject to Lessee being able to acquire the required permits for a wrecking yard .

Re: Wicks Street Property

Gentlemen:

Pursuant to your request and authorization, I have made an estimate of the value of the above property predicated upon an analysis of the projected royalty income arising from a sand and gravel extraction operation on the subject property.

The analysis indicates a value of \$3,500,000.

The analysis assumes that the royalty rate is a level one at 35¢ per ton for the first 5 years of operation, and 50¢ per ton for the balance of the operation. The present worth of the income has been discounted at 10%. Added to the present worth of the income stream is an assumed value of \$1,000 per acre for the 24 acre hole to be created by this excavation, plus the 90 acre hole adjacent.

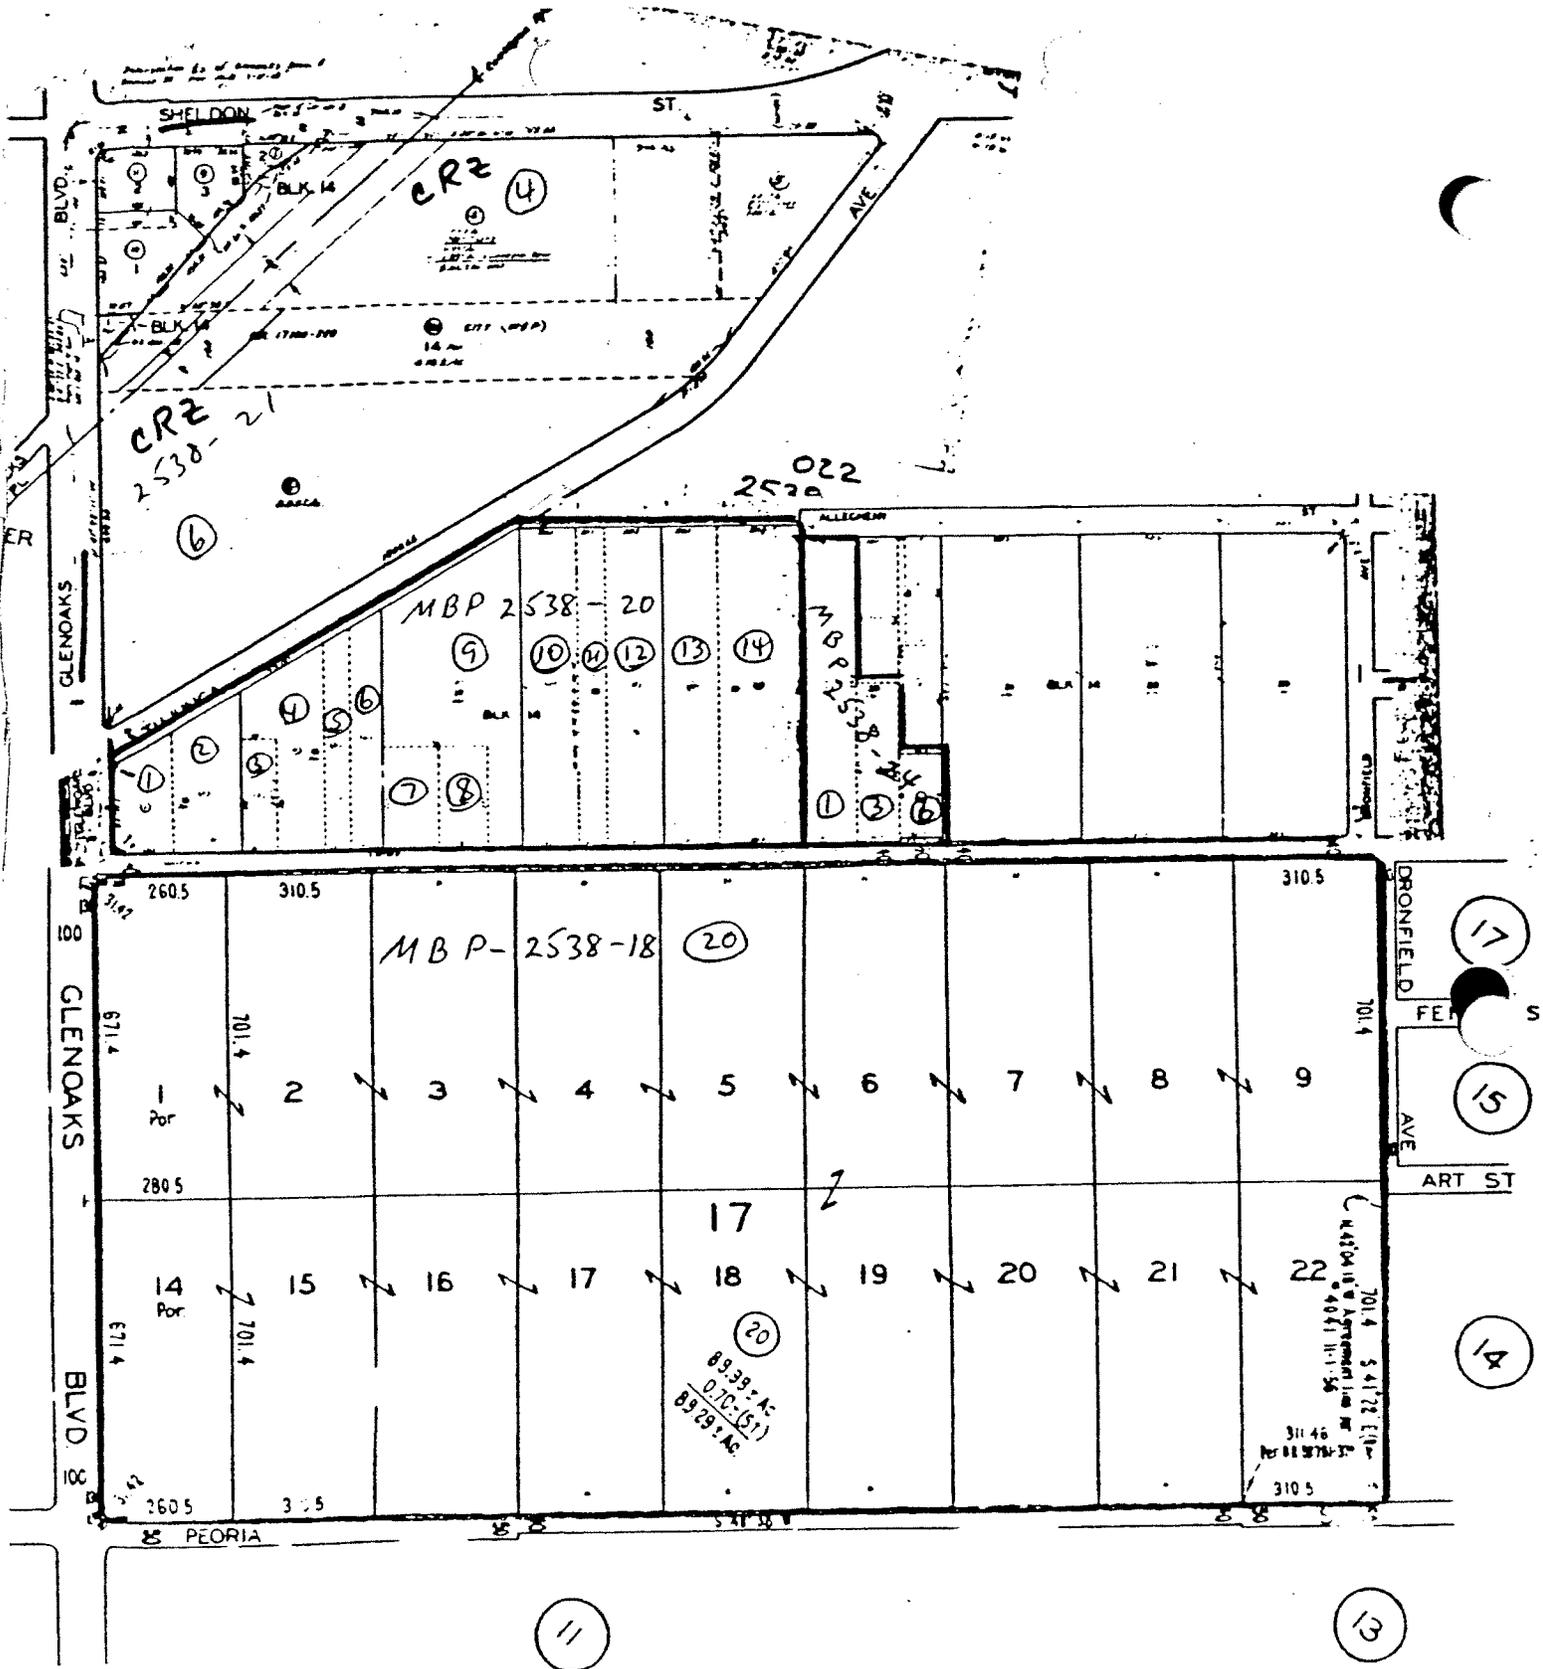

It should be noted that this firm was asked in June of this year to make a similar analysis which resulted in the conclusion that the value of the property predicated upon an analysis of royalty income was in the amount of \$2,750,000. It should be noted, however, that the first study contemplated a much more severe discounting based upon the assumption that extraction would be delayed for 3½ years.

This is to certify that the undersigned has no personal interest in the subject property, nor have I in the past; and that the fee for the Appraisal is in no way contingent upon the value conclusion derived.

Respectfully submitted,  
MAWHINNEY & ASSOCIATES, INC.

CONDITIONS AND STIPULATIONS (Continued and Concluded From Reverse Side of Policy Face)

**5. Options to Pay or Otherwise Settle Claims and Options to Purchase Indebtedness**

The Company shall have the option to pay or otherwise settle for or in the name of an insured claimant any claim insured against, or to terminate all liability and obligations of the Company hereunder by paying or tendering payment of the amount of insurance under this policy together with any costs, attorneys' fees and expenses incurred up to the time of such payment or tender of payment by the insured claimant and authorized by the Company. In case loss or damage is claimed under this policy by the owner of the indebtedness secured by the insured mortgage, the Company shall have the further option to purchase such indebtedness for the amount owing thereon together with all costs, attorneys' fees and expenses which the Company is obligated hereunder to pay. If the Company offers to purchase said indebtedness as herein provided, the owner of such indebtedness shall transfer and assign said indebtedness and the mortgage and any collateral securing the same to the Company upon payment therefor as herein provided. Upon such offer being made by the Company, all liability and obligations of the Company hereunder to the owner of the indebtedness secured by said insured mortgage, other than the obligation to purchase said indebtedness pursuant to this paragraph, are terminated.

**6. Determination and Payment of Loss**

(a) The liability of the Company under this policy shall in no case exceed the least of:

(i) the actual loss of the insured claimant; or

(ii) the amount of insurance stated in Schedule A, or, if applicable, the amount of insurance as defined in paragraph 2(a) hereof; or

(iii) If this policy insures the owner of the indebtedness secured by the insured mortgage, and provided said owner is the insured claimant, the amount of the unpaid principal of said indebtedness, plus interest thereon, provided such amount shall not include any additional principal indebtedness created subsequent to Date of Policy, except as to amounts advanced to protect the lien of the insured mortgage and secured thereby.

(b) The Company will pay, in addition to any loss insured against by this policy, all costs imposed upon an insured in litigation carried on by the Company for such insured, and all costs, attorneys' fees and expenses in litigation carried on by such insured with the written authorization of the Company.

(c) When the amount of loss or damage has been definitely fixed in accordance with the conditions of this policy, the loss or damage shall be payable within 30 days thereafter.

**7. Limitation of Liability**

No claim shall arise or be maintainable under this policy (a) if the Company, after having received notice of an alleged defect, lien or encumbrance insured against hereunder, by litigation or otherwise, removes

such defect, lien or encumbrance or establishes the title, or the lien of the insured mortgage, as insured, within a reasonable time after receipt of such notice; (b) in the event of litigation until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals therefrom, adverse to the title or to the lien of the insured mortgage, as insured, as provided in paragraph 3 hereof; or (c) for liability voluntarily admitted or assumed by an insured without written consent of the Company.

**8. Reduction of Insurance; Termination of Liability**

All payments under this policy, except payment made for costs, attorneys' fees and expenses, shall reduce the amount of the insurance pro tanto; provided, however, if the owner of the indebtedness secured by the insured mortgage is an insured hereunder, then such payments, prior to the acquisition of title to said estate or interest as provided in paragraph 2(a) of these Conditions and Stipulations, shall not reduce pro tanto the amount of the insurance afforded hereunder as to any such insured, except to the extent that such payments reduce the amount of the indebtedness secured by such mortgage.

Payment in full by any person or voluntary satisfaction or release of the insured mortgage shall terminate all liability of the Company to an insured owner of the indebtedness secured by the insured mortgage, except as provided in paragraph 2(a) hereof.

**9. Liability Noncumulative**

It is expressly understood that the amount of insurance under this policy, as to the insured owner of the estate or interest or interest covered by this policy, shall be reduced by any amount the Company may pay under any policy insuring (a) a mortgage shown or referred to in Schedule B hereof which is a lien on the estate or interest covered by this policy, or (b) a mortgage hereafter executed by an insured which is a charge or lien on the estate or interest described or referred to in Schedule A, and the amount so paid shall be deemed a payment under this policy. The Company shall have the option to apply to the payment of any such mortgage any amount that otherwise would be payable hereunder to the insured owner of the estate or interest covered by this policy and the amount so paid shall be deemed a payment under this policy to said insured owner.

The provisions of this paragraph 9 shall not apply to an owner of the indebtedness secured by the insured mortgage, unless such insured acquires title to said estate or interest in satisfaction of said indebtedness or any part thereof.

**10. Subrogation Upon Payment or Settlement**

Whenever the Company shall have paid or settled a claim under this policy, all right of subrogation shall vest in the Company unaffected by any act of the insured claimant, except that the owner of the indebtedness secured by the insured mortgage may release or substitute the personal liability of any debtor or guarantor, or extend or other-

wise modify the terms of payment, or release a portion of the estate or interest from the lien of the insured mortgage, or release any collateral security for the indebtedness, provided such act occurs prior to receipt by such insured of notice of any claim of title or interest adverse to the title to the estate or interest or the priority of the lien of the insured mortgage and does not result in any loss of priority of the lien of the insured mortgage. The Company shall be subrogated to and be entitled to all rights and remedies which such insured claimant would have had against any person or property in respect to such claim had this policy not been issued, and the Company is hereby authorized and empowered to sue, compromise or settle in its name or in the name of the insured to the full extent of the loss sustained by the Company. If requested by the Company, the insured shall execute any and all documents to evidence the within subrogation. If the payment does not cover the loss of such insured claimant, the Company shall be subrogated to such rights and remedies in the proportion which said payment bears to the amount of said loss, but such subrogation shall be in subordination to an insured mortgage. If loss should result from any act of such insured claimant, such act shall not void this policy, but the Company, in that event, shall as to such insured claimant be required to pay only that part of the losses insured against hereunder which shall exceed the amount, if any, lost to the Company by reason of the impairment of the right of subrogation.

**11. Liability Limited to this Policy**

This instrument together with all endorsements and other instruments, if any, attached hereto by the Company is the entire policy and contract between the insured and the Company.

Any claim of loss or damage, whether or not based on negligence, and which arises out of the status of the lien of the insured mortgage or of the title to the estate or interest covered hereby, or any action asserting such claim, shall be restricted to the provisions and conditions and stipulations of this policy.

No amendment of or endorsement to this policy can be made except by writing endorsed hereon or attached hereto signed by either the President, a Vice President, the Secretary, an Assistant Secretary, or validating officer or authorized signatory of the Company.

No payment shall be made without producing this policy for endorsement of such payment unless the policy be lost or destroyed, in which case proof of such loss or destruction shall be furnished to the satisfaction of the Company.

**12. Notices, Where Sent**

All notices required to be given the Company and any statement in writing required to be furnished the Company shall be addressed to it at the office which issued this policy or to its Home Office, 13640 Roscoe Blvd., Panorama City, California 91409.

This lease, made and entered into this 5<sup>th</sup> day of December, 1962 by and between CONSOLIDATED ROCK PRODUCTS CO., a Delaware corporation, hereinafter called "Lessor," and LOS ANGELES BY-PRODUCTS CO., a California corporation, hereinafter called "Lessee":

## W I T N E S S E T H:

In consideration of the rents reserved and of the covenants made, Lessor hereby leases to Lessee and Lessee hires from Lessor the premises in Los Angeles County, State of California, which are more particularly described in Exhibit "A" attached hereto and made a part hereof.

1. TERM: The term of this lease shall commence as of November 19, 1962 and end on July 18, 1972.

If, on July 18, 1972, the premises are not filled to finished grade level set by a permit to be issued by the Los Angeles Board of Public Works governing this operation (hereinafter called "Finished Grade"), Lessee may at its option renew the lease for a term of five (5) years to run from July 18, 1972 to July 18, 1977. In case of renewal, the same rents and other lease provisions will remain in force as were controlling in the last year of the original lease. This option must be exercised by giving written notice to Lessor before January 18, 1972.

Either of the parties hereto may terminate this lease by giving to the other party thirty (30) days' written

notice thereof promptly given, if the Lessor shall have become entitled to, as rental hereunder, no more than the minimum monthly rental herein provided for a period of any six (6) consecutive months.

Lessee may terminate this lease upon thirty (30) days' written notice to the Lessor under the following circumstances:

(a) If Lessee is unable to conduct its contemplated operations hereunder because needed permits are revoked, cannot be obtained, or cannot be renewed or because any needed alteration in zoning cannot be obtained; or

(b) If any law, ordinance or regulation of any Governmental body prohibits the use of combustible material for fill of the property, or any part thereof, covered by this lease; or

(c) If any law, ordinance or regulation of any Governmental body so adversely affects Lessee's filling operations hereunder that a continuation of such operations results in a loss of money from said operations for any six (6) months period commencing January 1 or July 1 of any year within the term hereof; or

(d) If a Governmental instrumentality begins to operate a disposal facility in such competition with Lessee that Lessee loses money from the operations contemplated hereunder for any six (6) months' period commencing January 1 or July 1 of any year within the term hereof.

2. RENTAL: The zoning variance which allows the contemplated filling operations hereunder requires as a condition thereof that Parcel A be maintained and operated for the exclusive use of licensed rubbish collection, grading or earth hauling contractors or Governmental agencies and be filled before Parcel B may be utilized by the general public and for that reason the payment of the rental for Parcel A shall not commence until, under the terms of the zoning variance, Parcel B may be commenced to be filled. Therefore, the rental for the filling operations authorized hereunder shall be paid in the following manner:

(a) No payments (except for the minimum rental provided below) shall be made until under the grant of zone variance then in effect, Parcel B may be commenced to be filled without the restrictions set forth in Condition No. 12 of the Grant of Zone Variance now in effect and filling has commenced on Parcel B.

(b) When each cubic yard is filled in Parcel B throughout the term hereof there shall be a payment of twenty (20) cents of which sixteen (16) cents shall be in payment of the royalty on that yard and four (4) cents shall be in payment of the royalty on the fill theretofore made by Lessee in Parcel A; provided, however, that in no event shall the royalty rent payable by Lessee to Lessor under this paragraph 2(b) be less than the product of twenty (20) cents times the total number of cubic yards capacity of Parcel B, determined in conformity with paragraph 5 hereof.

Commencing three (3) years from the time the first cubic yard in Parcel B is filled, Lessee shall pay an additional ten cents (10¢) for each cubic yard which is thereafter filled in Parcel B.

Lessee shall commence to pay a monthly minimum rental of Two Thousand Five Hundred Dollars (\$2,500.00) (with a credit allowed for the above described payments) when (1) filling operations on Parcel B may be commenced without the restrictions set forth in the aforementioned Condition No. 12, or (2) this lease has been in force for five (5) years, whichever occurs first. If this obligation to pay commences on a day other than the first of a calendar month, this amount will be prorated according to the days of the month in which the lease is in force.

If the lease is terminated before all of Parcel B has been filled, Lessee shall have no duty to pay Lessor for those yards filled in Parcel A which have not already been paid for in the manner described in 2(b) above.

All amounts owed hereunder shall be paid monthly on or before the 20th day of the calendar month following the month in which the rental accrued.

3. USE OF PROPERTY: Lessee shall have the right to use the property covered by this lease and available for filling under the provisions of this lease solely for dumping and filling operations.

Lessee shall not use the demised premises nor permit the same to be used for any unlawful purposes, and shall at all times maintain them and conduct its operations in such a manner as to conform to all laws, ordinances and regulations of

any governmental body applying thereto. Lessee may use as fill only such material as is allowable and acceptable under (a) a duly authorized permit of the Board of Public Works of the City of Los Angeles, and (b) all laws, ordinances, rules and regulations applicable thereto. Lessee agrees to comply with this permit in all its particulars.

Lessee shall exert every reasonable effort to the end that the pit on said property shall be filled as soon as possible with fill which meets the requirements of this paragraph 3; provided, however, that filling operations on Parcel B need not be commenced until Parcel A has been filled to Finished Grade. Lessee agrees not to conduct dumping operations at any other site within a radius of ten (10) statute miles from the center of the demised premises, except for the filling operations now or hereafter conducted on Lessor's property which lies on the northwest corner of the intersection of Tujunga Avenue and Strathern Street in Los Angeles. As further consideration for the obligations of Lessee hereunder, Lessor covenants and agrees that no property of Lessor within said ten (10) mile radius shall be used for dumping or filling operations by anyone other than Lessee except the property of Lessor located in the vicinity of Branford Street and San Fernando Road.

4. ZONING PERMITS AND CONTEMPLATED OPERATIONS: The parties hereto understand that Lessee must obtain a permit of the Board of Public Works of the City of Los Angeles to conduct its contemplated operations on the demised premises. The parties understand that Parcel A is zoned R-1, R-2 and R-4, and that Parcel B is zoned M-2. They further understand that under such zoning Lessee may conduct its contemplated operations under the

present Findings and Determination in Case No. 16017 of Mr. Jack Bauer, Associate Zoning Administrator, dated April 11, 1962, as modified by the Board of Zoning Appeals in Case No. 1288 dated July 19, 1962. Lessee has read said documents and relies solely on its own interpretation thereof.

Lessor agrees to execute all documents and do everything reasonably necessary to enable Lessee to obtain zone changes, variances and permits which may become necessary to Lessee's operations. Lessee understands it must obtain a permit of the Board of Public Works to conduct its operations. Lessee shall pay all costs of obtaining these.

5. CAPACITY DETERMINATIONS AND ADJUSTMENTS OF RENTALS:

A determination of the capacity of the demised premises in cubic yards is being made by Harman Rasnow & Associates, licensed land surveyors, located at 21318 Dumetz Road, Woodland Hills, California. It is agreed that the determination of said surveyor as to the capacity of parcels A and B separately shall be accepted by both parties hereto as final and binding on both of them for the purpose of computing the royalty rent to become due under this lease. Inasmuch as the rental hereunder is payable monthly, and is based upon the number of cubic yards of space filled each month by Lessee, it is agreed that:

(a) Within sixty (60) days after the first one (1) year anniversary of the commencement of filling in Parcel B, and after each succeeding one (1) year anniversary, a determination will be made of the number of cubic yards of space which has been filled during such one-year period and an adjustment will be made on the rental which has been paid for such one-year period.

The parties hereto will appoint a person who will be qualified to calculate the amount of space actually filled, using the aforesaid original capacity figure for the first calculation and thereafter using the capacity figure determined for each additional area. From said figures a recalculation will be made of the rental due for such one-year period, as against the rental actually paid for such period. If an underpayment by Lessee shall result therefrom, then Lessee shall pay such underpayment, in addition to the next monthly rental due. If an overpayment by Lessee should result therefrom, then Lessee shall deduct the same from the next monthly rental. If the overpayment is in excess of such next monthly rental due, then such excess shall be deducted from the next monthly rental, and so on, until the whole amount of the overpayment has been deducted.

If the parties are unable to agree upon such person to calculate the amount of space actually filled, then either party may request the President of the Los Angeles Chapter of the American Society of Civil Engineers to appoint a person who will be qualified to make such calculation, and who will send his conclusion in writing to Lessor and Lessee, and his conclusion shall be accepted as final by both parties.

(b) Within sixty (60) days after the expiration of the term hereof or any other termination, a calculation of the amount of space actually filled which shall not have been previously calculated shall be made in the same manner as set forth in subparagraph (a), and a recalculation of rental due shall be made with respect thereto. If there has been an overpayment of rental, Lessor shall

reimburse Lessee therefor, and if there has been an underpayment Lessee shall reimburse Lessor. The obligation of this subparagraph shall continue after the expiration of the term hereof or any other termination, until payment is made in adjustment of rental as herein provided.

Either party may, at its own expense, by written notice to the other party, require that any one or more monthly computations of rental shall be made in the same manner as hereinabove provided for annual computations.

All costs and expenses of the annual computations provided in this paragraph 5 shall be borne equally by Lessor and Lessee.

(c) After Lessee has paid a rental for the filling of the number of cubic yards of material in Parcels A and B in accordance with the determination of said surveyor as above provided, Lessee shall, during the term hereof, have the right, without paying a further rental of any kind, to continue to fill in Parcel B until the entire parcel is up to the Finished Grade level specified in the permit issued by the Los Angeles Department of Public Works governing this operation.

6. PUBLIC UTILITIES: In addition to the rental hereinabove reserved, Lessee shall pay, before delinquency, all charges for water, gas, heat, electricity, power and any and all other similar charges for public utilities which may accrue with respect to the demised premises by reason of the occupancy thereof by Lessee during the term of this lease.

7. TAXES AND ASSESSMENTS: Lessee shall pay when due all taxes and assessments (a) levied or assessed upon property belonging to Lessee located upon or used in connection with the demised premises, and (b) on Parcels A and B. to the extent the

same represent an increase over and above the taxes on this property for the taxable year 1962-63, if such increases result from increases in the assessed valuation of said property. Such increases resulting alone from increases in the tax rate shall be paid by Lessor. If Lessor's tax bill shall include taxes which Lessee is obligated to pay, it will notify Lessee in writing and Lessee shall reimburse Lessor for the same. The parties understand and agree that for the tax year 1962-63 the assessed value of Parcels A and B is \$201,000.00, and the tax rate is 8.4255.

8. INDEMNITY-PUBLIC LIABILITY & PROPERTY DAMAGE

INSURANCE: Lessee covenants to indemnify and save Lessor harmless and free from and against any and all liabilities, penalties, damages, expenses (including reasonable attorneys' fees), costs, loss and judgments arising from the death or injury to persons or damage to property of any nature occasioned wholly or in part by any act or acts, omission or omissions of Lessee or the employees, visitors, agents or guests of Lessee, and for any matter, cause or thing growing out of or by reason of the occupation of said property by Lessee.

At all times during the term of this lease, Lessee shall obtain and thereafter maintain in full force and effect, at Lessee's own cost and expense, policies of insurance in amounts, companies and form subject to the reasonable approval of Lessor, with Lessor and Lessee as the assured thereunder as their respective interests may appear, providing insurance as follows:

or resulting from the use of the property covered

Attention: Mr. G. H. Weber  
Properties Manager

Gentlemen:

The lease dated December 5, 1962 between Consolidated Rock Products Co. and Los Angeles By-Products Co., covering your Hewitt Pit property, will expire July 18, 1972. Section 1 of the lease grants an option to Los Angeles By-Products Co. to extend the lease for an additional five years if the pit is not completely filled by the end of the original term.

Based on the current rate of fill, we estimate that filling will continue to July 1, 1975.

Please accept this letter as notice of our desire to extend the lease, as provided in Section 1.

This property is being operated under a Zone Variance granted to Consolidated Rock Products Co. for a period of ten years, which will expire July 19, 1972. I would suggest that action be taken without further delay to extend this Zone Variance through June 1975.

The Zone Variance on the Penrose Pit will expire October 19, 1972, and I believe it would also be in order at this time to apply for an extension of this Zone Variance for an additional ten years.

If we can be of assistance in any way in connection with the extension of the above-mentioned Zone Variances, please let us know. We will cooperate in every way possible.

Very truly yours,

FROM G. H. Weber

FILE REF.

In accordance with your instructions, I have checked with Mr. Carl Sexton of Los Angeles By-Products and find that the situation in which this lien develops is one that revolves around a liability of Polich-Benedict Construction Co., wherein they diverted the flood channel into the Hewitt Pit and in the process, placed about 90,000 cubic yards of material. Polich-Benedict has agreed with L. A. By-Products that it was their responsibility to remove this material, and in this connection, employed B. R. Schedell for such removal.

Mr. Sexton tells me that Polich-Benedict estimates amount of material was considerably less than their estimate and he assumes without any additional knowledge of the situation, that this is the reason for discrepancy and potential lien. However, we have no problem with this situation since our lease with L. A. By-Products specifically requires tenant to satisfy all liens which may be placed against the property and Mr. Sexton additionally assures me that they will take care of the matter one way or another and that we needn't worry.

Gentlemen:

On December 5, 1962, we entered into a Lease agreement with you covering your Hewitt Pit. We have not yet taken possession of the property covered by that Lease and, at this time, we can not determine the exact date when we will commence filling operations covering such property. We are writing you this letter to confirm the further understanding which we have between us.

At the time said Lease was signed, we agreed to allow certain contractors who have your permission to deposit solid fill in the area of the property covered by said Lease which has been excavated below the anticipated high water level. We reserve the right at any time to request that such dumping be discontinued.

Until such dumping has been discontinued and we actually take possession of the property covered by said Lease however, it is our understanding that we will be relieved of and from all of the provisions contained in Article 8 of said Lease and that for and during such time you agree to indemnify and save us harmless and free from and against any and all liabilities, penalties, damages, expenses (including reasonable attorneys' fees), costs, loss and judgments arising from the death or injury to persons or damage to property of any nature occasioned wholly or in part by your act or acts, omission or omissions, or your employees, visitors, agents or guests, or the aforementioned contractors.

If the above expressly sets forth our understanding, will you please so signify by signing and returning to us the enclosed copy of this letter.

MONTH TO MONTH TENANCY AGREEMENT

THIS AGREEMENT (hereinafter called "Lease") is entered into this 25 day of Jan, 1986, by and between CALMAT CO., a Delaware corporation (hereinafter called "Landlord"), and JACK CHURCH, dba J.S.J. EQUIPMENT RENTALS (hereinafter called "Tenant").

RECITALS

A. Landlord is the Owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California (the "Premises"), consisting of approximately 5,250 square feet as shown on the map attached hereto and incorporated herein as Exhibit "A".

B. Tenant desires to lease from Landlord and Landlord desires to let to Tenant, the Premises, upon the following terms and conditions.

AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises.

2. Term. The term of this Lease shall be month to month commencing on January 1, 1986. This lease may be terminated by either party upon at least thirty (30) days written notice thereof to the other party.

3. Rental. Tenant shall pay to Landlord a monthly rental of Two Hundred Fifty Dollars (\$250.00) per month, payable in advance on the first day of each calendar month during the term hereof. If this Lease commences on a date other than the first day of a calendar month, rent for the first month shall be pro-rated. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease,

as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of Two Hundred Fifty Dollars (\$250.00) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the above-mentioned amount.

5. Improvements to the Premises. Tenant leases the Premises and the improvements thereon, if any, in an "as is" condition. Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its own use; provided, however, that improvements which cost more than Five Hundred Dollars (\$500.00) shall not be made without Landlord's prior written approval. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or

before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

6. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except storage of construction equipment. Tenant agrees that the Premises shall be used from 7 AM to 8 PM only, and that no welding or open flame shall be permitted on the Premises at any time. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, State and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use.

7. Maintenance and Repair. Tenant leases Premises in an "as is" condition based upon its own independent investigation and not on any warranty of Landlord express or implied. Tenant's taking possession of the Premises shall constitute Tenant's acceptance of the condition of same. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code §§1941 and 1942,

with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense clean up and remove from the Premises all personal property, rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

8. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

9. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., the Federal Mine Safety and Health

Act of 1977, 30 U.S.C. §801 et seq., and the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq. (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises.

10. Indemnification and Exculpation of Landlord.

Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

11. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Worker's Compensation

Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than One Million Dollars (\$1,000,000.00) combined single limit. All such public liability and property damage policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name Landlord as an additional insured, shall provide for at least thirty (30) days notice to Landlord in the event of cancellation or termination, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

12. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

To Landlord:                    CalMat Self Storage Co.

   Los Angeles, CA 90065  
   Attn: Dick Drumm

To Tenant:                        J.S.J. Equipment Rentals  
   4782 Gwin Court  
   Simi Valley, CA 93063

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified or registered mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

13. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises. Any attempted assignment, sublease, or encumbrance shall be void and of no force and effect.

14. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, telephone, gas, water and all similar charges which may accrue with respect to the Premises during the term of this Lease.

15. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord.

16. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

17. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or

proceeding shall be entitled to recover its reasonable expenses from the other party.

18. Waiver of Performance. The failure of Landlord to insist upon performance of any of the conditions of this Lease in any one or more instances shall not be a waiver thereafter of the right to full performance of all of the agreements of Tenant herein set forth, and of all conditions, when any performance is due.

19. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

20. Real Estate Brokers; Finders. Each party represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

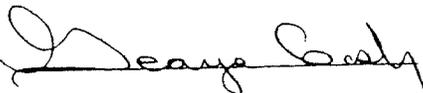

21. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first above written.

as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of \$ 850<sup>00</sup> which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use.

7. Maintenance and Repair. Tenant leases Premises in an "as is" condition based upon its own independent investigation and not on any warranty of Landlord express or implied. Tenant's taking possession of the Premises shall constitute Tenant's acceptance of the condition of same. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code §§1941 and 1942,

Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense clean up and remove from the Premises all personal property, rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

8. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

9. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., the Federal Mine Safety and Health

Act of 1977, 30 U.S.C. §801 et seq., and the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq. (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises.

10. Indemnification and Exculpation of Landlord.

Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

11. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Worker's Compensation

Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than One Million Dollars (\$1,000,000.00) combined single limit. All such public liability and property damage policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name Landlord as an additional insured, shall provide for at least thirty (30) days notice to Landlord in the event of cancellation or termination, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

12. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

To Landlord: CalMat Self Storage Co.

13. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises. Any attempted assignment, sublease, or encumbrance shall be void and of no force and effect.

14. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, telephone, gas, water and all similar charges which may accrue with respect to the Premises during the term of this Lease.

15. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord.

16. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

17. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or

proceeding shall be entitled to recover its reasonable expenses from the other party.

18. Waiver of Performance. The failure of Landlord to insist upon performance of any of the conditions of this Lease in any one or more instances shall not be a waiver thereafter of the right to full performance of all of the agreements of Tenant herein set forth, and of all conditions, when any performance is due.

19. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

20. Real Estate Brokers; Finders. Each party represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

7. Taxes and Assessments. Without limiting the foregoing or any other provision of this Lease, the following activities are specifically prohibited on the Premises: 1) washing of vehicles or equipment; 2) welding or open flame; 3) obstruction of common roads or other common areas. If permitted by applicable law and ordinance, a maximum of one (1) person may reside on the Premises if such person is employed by Tenant as a caretaker. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use.

9. Maintenance and Repair. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code §§1941

and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense remove from the Premises all Tenant's personal property, and clean up and remove from the Premises all rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals required above or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

10. Damage or Destruction. If the Premises or any portion thereof shall be destroyed or damaged by any causes whatsoever, the following provisions shall apply:

(a) If the damage and repair thereof is of such nature and extent as not to interfere substantially with the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent.

(b) If the damage or repair thereof is of such nature and extent as to interfere substantially with, or prevent, the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent if Tenant is responsible for such repair. If Landlord is responsible for repair thereof, Landlord may, in its sole and absolute discretion, terminate this Lease and all obligations thereafter accruing hereunder shall terminate, or, in its sole and absolute discretion, Landlord may continue this Lease in effect, provided

however that Tenant's use of the Premises and the rental due hereunder shall be suspended for the period of restoration, commencing from the date on which Tenant gives Landlord written notice of such damage.

In no event shall Landlord be required to restore the Premises. Tenant waives the provisions of Civil Code §§1932(2) and 1933(4) and any successor provisions of law with respect to damage or destruction of the Premises.

11. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

12. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq., and the Federal Mine Safety and Health Act of 1977, 30 U.S.C. §801 et seq., (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the

Premises. Without limitation, Tenant agrees to indemnify and hold harmless Landlord from any liability, claims or damages arising as a result of a breach of the foregoing agreement and from all costs, expenses and charges arising therefrom, including, without limitation, attorneys' fees and court costs incurred by Landlord in connection therewith.

13. Condemnation. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable to Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent. Tenant waives the provisions of Code of Civil Procedure §1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as compensation for the taking of fixtures and equipment owned by Tenant and which would not, by the terms of this Lease, become property of the Landlord.

14. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any

provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

15. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, costs or expense arising by reason of

any such lien, claim or levy pending the final determination thereof.

16. Indemnification and Exculpation of Landlord.

Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever.

Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

17. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Worker's Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than One Million Dollars (\$1,000,000.00) combined single limit. All such public liability and property damage policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name

Landlord as an additional insured, shall provide for at least thirty (30) days notice to Landlord of cancellation or termination, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

18. Default. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute;

(d) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any

part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant; then, and in any or either of such events Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, remove from the Premises all Tenant's personal property, and clean up and remove all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, all within thirty (30) days after service of such notice, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(i) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(ii) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(iii) The worth at the time of award of the amount by which the unpaid rent for the balance of the

term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(iv) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (i) and (ii) of this paragraph is computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (iii) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or preservation or efforts to relet the Premises, the appointment of a receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

19. Holding Over. Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either expressed or implied, such

holding over shall be considered a tenancy from month to month subject to all the conditions and restrictions of this Lease.

20. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

To Landlord: c/o CalMat Co. Self Storage  
7361 Laurel Canyon Blvd.  
No. Hollywood, CA 91605  
Attn: Property Manager

To Tenant: Desmonds Studio Production Services  
P.O. Box 621  
Northridge, CA 91328

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified or registered mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

21. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the expressed written consent of Landlord, which shall not be unreasonably withheld. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this paragraph.

As a precondition to Landlord's consideration for approval of any proposed transfer, Tenant shall submit to Landlord in writing:

(a) The name and legal composition of the proposed transferee;

(b) The proposed transferee's intended use of the Premises, which shall not be other than the specific use authorized by this Lease;

(c) Such information as to the proposed transferee's financial responsibility and standing as Landlord may reasonably require;

(d) A written consent of the proposed transferee to all the terms and conditions of this Lease and said transferee's consent to the incorporation of the terms and conditions of this Lease into any document of transfer; and

(e) All of the terms and conditions upon which the proposed transfer is to be made.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease become effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

In the event of default by any transferee or Tenant or any successor of Tenant, in the performance of any of the terms of this Lease, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against said transferee. Landlord may consent to subsequent transfers of this Lease or amendments or modifications to this Lease with transferees of Tenant without notifying Tenant or any successor of Tenant and without obtaining its or their consent thereto and such action shall not relieve the Tenant or Tenant's successor of liability under this Lease. Notwithstanding any transfer, or any indulgences, waivers or extensions of time granted by Landlord to any transferee, or failure by Landlord to take action against any transferee, Tenant waives notice of any default of any transferee and agrees that Landlord may at its option proceed against Tenant without having taken action against or joined such transferee,

except that Tenant shall have the benefit of any indulgences, waivers and extensions of time granted to any such transferee. Landlord's written consent to any transfer by Tenant shall not constitute an acknowledgement that no default then exists under this Lease of the obligations to be performed by Tenant, nor shall such consent be deemed a waiver of any then existing default.

Tenant immediately and irrevocably assigns to Landlord as security for Tenant's obligations under this Lease, all rent from any transferee, and Landlord as assignee and as attorney-in-fact for Tenant, or a receiver for Tenant appointed on Landlord's application, may collect such rent and apply it toward Tenant's obligations under this Lease; except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to collect such rent.

Ninety percent (90%) of all rent received from its transferee in excess of the rent payable by Tenant to Landlord under this Lease is hereby assigned to Landlord and shall be paid to Landlord by Tenant promptly after receipt.

If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of law, from one Tenant to the other shall be deemed a voluntary transfer.

If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant, or the sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of more than 50% of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing more than 50% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

22. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas,

telephone and all similar charges which may accrue with respect to the Premises during the term of this Lease. Should Tenant fail to so pay any utility charge as required herein, Landlord may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

23. Insolvency of Tenant. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

24. Abandonment. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during and for the purpose of making such repairs or restoration as may become necessary under the provisions hereof.

25. Transfer of Landlord's Interest. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

26. Subordination Agreement. Tenant shall, upon Landlord's request, execute an estoppel certificate and any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said mortgage or deed of trust, and subordinating this Lease to said mortgage or deed of trust.

27. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord. Such approval shall not be unreasonably withheld. If Tenant installs or permits any signs to be installed on the Premises without first having obtained Landlord's written approval thereof, Landlord may, after giving Tenant three (3) days written notice of its disapproval of any

such sign, enter upon the Premises and remove the same at Tenant's expense. Any sign shall be purchased, installed, maintained, and at the end of this Lease, removed by Tenant at Tenant's sole expense.

28. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

29. Successors and Assigns. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

30. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses from the other party.

31. Quiet Possession. Landlord warrants that Tenant on paying the rental installments and other payments provided for hereby, and on keeping, observing, and performing all the other terms, conditions, and provisions herein contained on the part of Tenant to be kept, observed and performed, shall, during the full Lease term, peaceably and quietly have, hold and enjoy the Premises, subject to the terms, conditions and provisions hereof.

32. Quitclaim Deed. Tenant shall execute and deliver to Landlord on the expiration or termination of this Lease, immediately on Landlord's request, a quitclaim deed to the Premises, in recordable form, designating Landlord as transferee.

33. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

34. Real Estate Brokers; Finders. Tenant represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

*gr* *SP* 35. Access. Tenant shall have access to yard at all times. If any vehicle or equipment obstructs passage, Tenant has the right to have vehicles or equipment removed at owner's expense.

*gr* *SP* 36. Gates. Tenant should not have to enter more than two gates to gain access to Tenant's equipment.

- 1) Gate at entrance.
- 2) Gate at Tenant's yard.

37. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby and no other agreement, statement or promises made by any party hereto or to any employee or agent of any party hereto which is not contained herein shall be binding or valid.

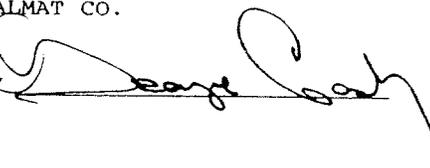

IN WITNESS WHEREOF, Landlord and Tenant have executed

RECITALS

A. Landlord is the owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California, consisting of approximately 2 acres as shown outlined in red on the map attached hereto and incorporated herein as Exhibit "A" (hereinafter referred to as the "Premises").

B. Tenant desires to lease from Landlord and Landlord desires to rent to Tenant, the Premises, upon the following terms and conditions.

AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises. Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas, hydrocarbonous substances, minerals and mineral rights in and under the land described as the Premises, with the right to explore therefor, sell, lease and/or remove same; provided, however, that Landlord will not do any exploration or other work which will materially affect Tenant's use under this Lease.

Landlord may, in its sole and absolute discretion, upon thirty (30) days notice to Tenant, or immediately upon notice in the event of an emergency, change the location of the Premises to any other area of land of approximately the same size owned or

leased by Landlord or an affiliate within a radius of three (3) miles of the original Premises.

2. Term. <sup>PA</sup> The term of this Lease shall be three (3) years commencing on ~~April~~ <sup>MAY</sup> 1, 1987, and expiring on ~~March~~ <sup>APRIL</sup> 31, 1990, subject to early termination as hereinafter provided.

3. Rental. Tenant agrees to pay Landlord, without abatement, deduction, offset or prior demand, a rental of Four Thousand Dollars (\$4,000.00) per month, payable in advance on the first day of each calendar month during the term hereof. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Prepaid Rent. Upon execution of this Lease, Tenant shall pay to Landlord the sum of Four Thousand Dollars (\$4,000.00) which sum shall be credited to the rental due for the first full month of the Lease term.

5. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of Four Thousand Dollars (\$4,000.00) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with

Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the aforementioned required amount.

6. Improvements to the Premises. Landlord shall provide the following tenant improvements: 1) fence and rough grade the Premises; 2) two ~~2~~<sup>3</sup> security flood lights; 3) access to City water for the Premises; 4) an electrical outlet for the Premises of not more than 30 amps. Tenant leases the Premises and the improvements thereon, if any, in an "as is" condition. Tenant's entry into possession of the Premises shall be deemed it's acceptance of the condition of the Premises. Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its own use; provided, however, that improvements which cost more than Five Hundred Dollars (\$500.00) shall not be made without Landlord's prior written approval. Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

7. Taxes and Assessments. Tenant shall pay or cause to be paid before delinquency all personal property taxes and all taxes levied or assessed on account of any property in, on, or attached to the Premises, including without limitation property installed by or for Tenant, regardless of how, or to whom such taxes are assessed and whether such property so installed is assessed as personal property or as a part of the real property.

8. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except parking and storage of trucks, vans and movie studio equipment. Without limiting the foregoing or any other provision of this Lease, the following activities are specifically prohibited on the Premises: 1) washing of vehicles or equipment; 2) welding or open flame; 3) obstruction of common roads or other common areas. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, State and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. If permitted by applicable law and ordinance, a maximum of one (1) person may reside on the Premises if such person is employed by Tenant as a caretaker. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use.

9. Maintenance and Repair. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence,

carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code §§1941 and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense remove from the Premises all Tenant's personal property, and clean up and remove from the Premises all rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals required above or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

10. Damage or Destruction. If the Premises or any portion thereof shall be destroyed or damaged by any causes whatsoever, the following provisions shall apply:

(a) If the damage and repair thereof is of such nature and extent as not to interfere substantially with the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent.

(b) If the damage or repair thereof is of such nature and extent as to interfere substantially with, or prevent, the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent if Tenant is

responsible for such repair. If Landlord is responsible for repair thereof, Landlord may, in its sole and absolute discretion, terminate this Lease and all obligations thereafter accruing hereunder shall terminate, or, in its sole and absolute discretion, Landlord may continue this Lease in effect, provided however that Tenant's use of the Premises and the rental due hereunder shall be suspended for the period of restoration, commencing from the date on which Tenant gives Landlord written notice of such damage.

In no event shall Landlord be required to restore the Premises. Tenant waives the provisions of Civil Code §§1932(2) and 1933(4) and any successor provisions of law with respect to damage or destruction of the Premises.

11. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

12. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq., and the Federal Mine Safety and Health Act of 1977, 30 U.S.C. §801 et seq., (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working

areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises. Without limitation, Tenant agrees to indemnify and hold harmless Landlord from any liability, claims or damages arising as a result of a breach of the foregoing agreement and from all costs, expenses and charges arising therefrom, including, without limitation, attorneys' fees and court costs incurred by Landlord in connection therewith.

13. Condemnation. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable to Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent. Tenant waives the provisions of Code of Civil Procedure §1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as compensation for the taking of fixtures and equipment owned by

Tenant and which would not, by the terms of this Lease, become property of the Landlord.

14. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

15. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that

nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, costs or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

16. Indemnification and Exculpation of Landlord.

Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

17. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Worker's Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the

Premises. The limits of such public liability and property damage insurance shall not be less than One Million Dollars (\$1,000,000.00) combined single limit. All such public liability and property damage policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name Landlord as an additional insured, shall provide for at least thirty (30) days notice to Landlord of cancellation or termination, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor or any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

18. Default. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute;

(d) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant; then, and in any or either of such events Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, remove from the Premises all Tenant's personal property, and clean up and remove all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, all within thirty (30) days after service of such notice, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(i) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(ii) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(iii) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(iv) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (i) and (ii) of this paragraph is computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (iii) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or preservation or efforts to relet the Premises, the appointment of a receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant

pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

19. Holding Over. Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either expressed or implied, such holding over shall be considered a tenancy from month to month subject to all the conditions and restrictions of this Lease.

20. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

To Landlord: c/o CalMat Co. Self Storage  
7361 Laurel Canyon Blvd.  
No. Hollywood, CA 91605  
Attn: Property Manager

To Tenant: Rent-A-Piece, Inc.  
P.O. Box 1097  
Studio City, CA 91604

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified or registered mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

21. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the expressed written consent of Landlord, which shall not be unreasonably withheld. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this paragraph.

As a precondition to Landlord's consideration for approval of any proposed transfer, Tenant shall submit to Landlord in writing:

- (a) The name and legal composition of the proposed transferee;
- (b) The proposed transferee's intended use of the Premises, which shall not be other than the specific use authorized by this Lease;
- (c) Such information as to the proposed transferee's financial responsibility and standing as Landlord may reasonably require;
- (d) A written consent of the proposed transferee to all the terms and conditions of this Lease and said transferee's consent to the incorporation of the terms and conditions of this Lease into any document of transfer; and
- (e) All of the terms and conditions upon which the proposed transfer is to be made.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease become effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

In the event of default by any transferee or Tenant or any successor of Tenant, in the performance of any of the terms of this Lease, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against said transferee. Landlord may consent to subsequent transfers of this Lease or amendments or modifications to this Lease with transferees of Tenant without notifying Tenant or any successor

of Tenant and without obtaining its or their consent thereto and such action shall not relieve the Tenant or Tenant's successor of liability under this Lease. Notwithstanding any transfer, or any indulgences, waivers or extensions of time granted by Landlord to any transferee, or failure by Landlord to take action against any transferee, Tenant waives notice of any default of any transferee and agrees that Landlord may at its option proceed against Tenant without having taken action against or joined such transferee, except that Tenant shall have the benefit of any indulgences, waivers and extensions of time granted to any such transferee. Landlord's written consent to any transfer by Tenant shall not constitute an acknowledgement that no default then exists under this Lease of the obligations to be performed by Tenant, nor shall such consent be deemed a waiver of any then existing default.

Tenant immediately and irrevocably assigns to Landlord as security for Tenant's obligations under this Lease, all rent from any transferee, and Landlord as assignee and as attorney-in-fact for Tenant, or a receiver for Tenant appointed on Landlord's application, may collect such rent and apply it toward Tenant's obligations under this Lease; except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to collect such rent.

Ninety percent (90%) of all rent received from its transferee in excess of the rent payable by Tenant to Landlord under this Lease is hereby assigned to Landlord and shall be paid to Landlord by Tenant promptly after receipt.

If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of law, from one Tenant to the other shall be deemed a voluntary transfer.

If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant, or the sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of more than 50% of the value of the

assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing more than 50% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

22. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas, telephone and all similar charges which may accrue with respect to the Premises during the term of this Lease. Should Tenant fail to so pay any utility charge as required herein, Landlord may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

23. Insolvency of Tenant. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

24. Abandonment. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during and for the purpose of making such repairs or restoration as may become necessary under the provisions hereof.

25. Transfer of Landlord's Interest. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

26. Subordination Agreement. Tenant shall, upon Landlord's request, execute an estoppel certificate and any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said

mortgage or deed of trust, and subordinating this Lease to said mortgage or deed of trust.

27. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord. Such approval shall not be unreasonably withheld. If Tenant installs or permits any signs to be installed on the Premises without first having obtained Landlord's written approval thereof, Landlord may, after giving Tenant three (3) days written notice of its disapproval of any such sign, enter upon the Premises and remove the same at Tenant's expense. Any sign shall be purchased, installed, maintained, and at the end of this Lease, removed by Tenant at Tenant's sole expense.

28. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

29. Successors and Assigns. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

30. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or

proceeding shall be entitled to recover its reasonable expenses from the other party.

31. Quiet Possession. Landlord warrants that Tenant on paying the rental installments and other payments provided for hereby, and on keeping, observing, and performing all the other terms, conditions, and provisions herein contained on the part of Tenant to be kept, observed and performed, shall, during the full Lease term, peaceably and quietly have, hold and enjoy the Premises, subject to the terms, conditions and provisions hereof.

32. Quitclaim Deed. Tenant shall execute and deliver to Landlord on the expiration or termination of this Lease, immediately on Landlord's request, a quitclaim deed to the Premises, in recordable form, designating Landlord as transferee.

33. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

34. Real Estate Brokers; Finders. Tenant represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

35. Access. Tenant shall have access to yard at all times. If any vehicle or equipment obstructs passage, Tenant has the right to have vehicles or equipment removed at owner's expense.

36. Gates. Tenant should not have to enter more than two gates to gain access to Tenant's equipment.

- 1) Gate at entrance.
- 2) Gate at Tenant's yard.

37. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby and no other agreement, statement or promises made by any party hereto or to any employee or agent of any party hereto which is not contained herein shall be binding or valid.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first above written.

L E A S E

THIS LEASE (hereinafter called "Lease") is entered into this 1<sup>st</sup> day of JUNE, 1987, by and between CALMAT CO., a Delaware corporation (hereinafter called "Landlord"), and L.A. AUTO SALVAGE, INC., a California corporation (hereinafter called "Tenant").

RECITALS

A. Landlord is the owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California, consisting of approximately 12.4 acres, as shown outlined in red on the map attached hereto and incorporated herein as Exhibit "A" (hereinafter referred to as the "Premises").

B. Tenant desires to lease from Landlord and Landlord desires to rent to Tenant, the Premises, upon the following terms and conditions.

AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises. Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas, hydrocarbonous substances, minerals and mineral rights in and under the land described as the Premises, with the right to explore therefor, sell, lease and/or remove same; provided, however, that Landlord will not do any exploration or other work which will materially affect Tenant's use under this Lease.

(7) Term. The term of this Lease shall be seven (7) years commencing on June 1, 1987, and expiring on May 31, 1994, subject to early termination as hereinafter provided.

3. Rental. Tenant agrees to pay Landlord, without abatement, deduction, offset or prior demand, a rental of

Twenty-Four Thousand Eight Hundred Dollars (\$24,800.00) per month, and at such rate as adjusted in accordance with the provisions of ¶4, payable in advance on the first day of each calendar month during the term hereof. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

In addition to the foregoing, Tenant shall pay to Landlord, for the first five (5) years of the Lease Term, without abatement, deduction, offset or prior demand, an additional rental of Two Thousand Two Hundred Seventy Three and 45/100 Dollars (\$2,273.45) per month, payable in advance on the first day of each calendar month during the term hereof. Said additional monthly rental represents amortization of a loan for Tenant improvements in the amount of One Hundred Seven Thousand Dollars (\$107,000.00) at the rate of ten percent (10%) per annum for five (5) years. Tenant shall have the right to prepay said loan in whole or in part at any time during the first five (5) years of the Lease Term. Should there be a default in any payment of additional rental, the entire remaining principal balance of the loan amount shall thereafter bear interest at the maximum rate an individual is permitted by law to charge, and Landlord may accelerate the loan by declaring the entire remaining principal balance immediately due and payable.

4. Rental Adjustment. The monthly rate provided for in ¶3 herein, shall be adjusted upward on ~~May 1~~<sup>June 1</sup>, 1989 and every two (2) years thereafter on ~~May 1~~<sup>June 1</sup> (during the term hereof or any extension thereof), in the same proportion as the proportional difference between the "Consumer Price Index for Urban Wage Earners and Clerical Workers, all items (Los Angeles-Long Beach-Anaheim Area)", published by the United States Department of Labor, Bureau of Labor Statistics (CPI) in effect on the date of adjustment and the CPI in effect on ~~May 1~~<sup>June 1</sup>, 1987. Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the same in some other manner, then Landlord may adopt a substitute index or substitute procedure which reasonably reflects and monitors consumer prices.

5. Option to Extend Term. Tenant is given option to extend the term of this Lease following expiration of the initial term on all the provisions contained in this Lease except for the monthly rental rate and term, for a term of one (1) year (an "Extended Term") by giving written notice of exercise of the option ("Option Notice") to Landlord not more than one hundred eighty (180) days but at least sixty (60) days prior to the expiration of the initial term. Provided however, that if Tenant is in default on the date of giving the Option Notice, the Option Notice shall be totally ineffective, or if Tenant is in default on the date the Extended Term is to commence, the Extended Term shall not commence and this Lease shall expire at the end of the initial term.

The monthly rental rate for the Extended Term shall be the monthly rental rate in existence on the expiration of the initial term.

6. Prepaid Rent. Upon execution of this Lease, Tenant shall pay to Landlord the sum of Twenty-Seven Thousand Seventy-Three and 45/100 Dollars (\$27,073.45) which sum shall be credited to the rental and additional rental due for the first full month of the Lease term.

7. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of Twenty-Seven Thousand Seventy-Three and 45/100 Dollars (\$27,073.45) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing

the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the aforementioned required amount.

8. Improvements to the Premises. Tenant leases the Premises and the improvements thereon, if any, in an "as is" condition, provided however Landlord shall, upon execution of this Lease, commence to provide a 300 amp electrical service line, a municipal water line and a city sewer line to an outside location adjacent to the site agreed upon for Tenant's office which shall in no event be more than five hundred feet (500') from Laurel Canyon Boulevard; provide sufficient fire hydrants on the Premises; erect a 10 foot fence along the location indicated in blue of Exhibit "A". Tenant's entry into possession of the Premises shall be deemed it's acceptance of the condition of the Premises, including all improvements to be constructed by Landlord. Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its own use; provided, however, that improvements which cost more than Five Hundred Dollars (\$500.00) shall not be made without Landlord's prior written approval. Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant

until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

9. Taxes and Assessments. Tenant shall pay or cause to be paid before delinquency all personal property taxes and all taxes levied or assessed on account of any property in, on, or attached to the Premises, including without limitation property installed by or for Tenant, regardless of how, or to whom such taxes are assessed and whether such property so installed is assessed as personal property or as a part of the real property.

10. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except storage of automobiles in an impound yard. If consistent with such use, automobile auctions of reasonable duration, not to exceed eight (8) hours in any event, may be held by Tenant on the Premises, but not more than sixty (60) per year and not more frequently than two (2) in any seven (7) day period. No welding or open flame shall be permitted on the Premises at any time. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, State and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises

for the use herein stated or any use. Tenant acknowledges and agrees that it shall not store any property in, or otherwise interfere with use of, common access areas adjacent to the Premises.

11. Maintenance and Repair. Tenant shall at its own expense maintain and keep the Premises, including without limiting the generality of the foregoing, the fence on the perimeter of the Premises, in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code §§1941 and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental. Without limiting the foregoing, Tenant acknowledges and agrees that if Tenant fails to effectively repair any fence on the Premises within thirty (30) days after notice from Landlord of the need for such repair, such failure shall be deemed a material default which has continued for thirty (30) days as described by paragraph 20(f) hereof, and Landlord may pursue its remedies for such default as described in such paragraph, including without limitation, termination of this Lease.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and

expense remove from the Premises all Tenant's personal property, and clean up and remove from the Premises all rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals required above or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

12. Damage or Destruction. If the Premises or any portion thereof shall be destroyed or damaged by any causes whatsoever, the following provisions shall apply:

(a) If the damage and repair thereof is of such nature and extent as not to interfere substantially with the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent.

(b) If the damage or repair thereof is of such nature and extent as to interfere substantially with, or prevent, the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent if Tenant is responsible for such repair. If Landlord is responsible for repair thereof, Landlord may, in its sole and absolute discretion, terminate this Lease and all obligations thereafter accruing hereunder shall terminate, or, in its sole and absolute discretion, Landlord may continue this Lease in effect, provided however that Tenant's use of the Premises and the rental due hereunder shall be suspended for the period of restoration, commencing from the date on which Tenant gives Landlord written notice of such damage.

In no event shall Landlord be required to restore the Premises. Tenant waives the provisions of Civil Code §§1932(2) and 1933(4) and any successor provisions of law with respect to damage or destruction of the Premises.

13. Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to

make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises. Tenant shall, at all reasonable times, permit access by government authorities and/or Landlord to the water well existing on the Premises

14. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq., and the Federal Mine Safety and Health Act of 1977, 30 U.S.C. §801 et seq., (re-

ferred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limitation, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises. Without limitation, Tenant agrees to indemnify and hold harmless Landlord from any liability, claims or damages arising as a result of a breach of the foregoing agreement and from all costs, expenses and charges arising therefrom, including, without limitation, attorneys' fees and court costs incurred by Landlord in connection therewith.

15. Condemnation. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or

otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable to Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent. Tenant waives the provisions of Code of Civil Procedure §1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as compensation for the taking of fixtures and equipment owned by Tenant and which would not, by the terms of this Lease, become property of the Landlord.

16. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other

than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

17. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, costs or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

18. Indemnification and Exculpation of Landlord. Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of

Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

19. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Worker's Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than One Million Dollars (\$1,000,000.00) combined single limit. All such public liability and property damage policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name Landlord as an additional insured, shall provide for at least thirty (30) days notice to Landlord of cancellation or termination, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

20. Default. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute;

(d) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant; then, and in any or either of such events

Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, remove from the Premises all Tenant's personal property, and clean up and remove all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, all within thirty (30) days after service of such notice, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(i) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(ii) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(iii) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(iv) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (i) and (ii) of this paragraph is

computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (iii) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or preservation or efforts to relet the Premises, the appointment of a receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

20. Holding Over. Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either expressed or implied, such holding over shall be considered a tenancy from month to month subject to all the conditions and restrictions of this Lease.

21. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

To Landlord: c/o CalMat Self Storage Co.  
7245 Laurel Canyon Blvd.  
No. Hollywood, CA 91605  
Attn: Property Manager

To Tenant: L.A. Auto Salvage, Inc.  
15150 Erwin St.  
Van Nuys, CA 91411

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified or registered mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

22. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the expressed written consent of Landlord, which shall not be unreasonably withheld. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this paragraph.

As a precondition to Landlord's consideration for approval of any proposed transfer, Tenant shall submit to Landlord in writing:

(a) The name and legal composition of the proposed transferee;

(b) The proposed transferee's intended use of the Premises, ~~which shall not be other than the specific use authorized by this Lease~~ *BB*

(c) Such information as to the proposed transferee's financial responsibility, business experience and standing as Landlord may reasonably require;

(d) A written consent of the proposed transferee to all the terms and conditions of this Lease and said transferee's consent to the incorporation of the terms and conditions of this Lease into any document of transfer; and

(e) All of the terms and conditions upon which the proposed transfer is to be made.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease become effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

In the event of default by any transferee or Tenant or any successor of Tenant, in the performance of any of the terms of this Lease, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against said transferee. Landlord may consent to subsequent transfers of this Lease or amendments or modifications to this Lease with transferees of Tenant without notifying Tenant or any successor of Tenant and without obtaining its or their consent thereto and such action shall not relieve the Tenant or Tenant's successor of liability under this Lease. Notwithstanding any transfer, or any indulgences, waivers or extensions of time granted by Landlord to any transferee, or failure by Landlord to take action against any transferee, Tenant waives notice of any default of any transferee and agrees that Landlord may at its option proceed against Tenant without having taken action against or joined such transferee, except that Tenant shall have the benefit of any indulgences, waivers and extensions of time granted to any such transferee. Landlord's written consent to any transfer by Tenant shall not constitute an acknowledgement that no default then exists under this Lease of the obligations to be performed by Tenant, nor shall such consent be deemed a waiver of any then existing default.

Tenant immediately and irrevocably assigns to Landlord as security for Tenant's obligations under this Lease, all rent

from any transferee, and Landlord as assignee and as attorney-in-fact for Tenant, or a receiver for Tenant appointed on Landlord's application, may collect such rent and apply it toward Tenant's obligations under this Lease; except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to collect such rent.

Ninety percent (90%) of all rent received from its transferee in excess of the rent payable by Tenant to Landlord under this Lease is hereby assigned to Landlord and shall be paid to Landlord by Tenant promptly after receipt.

If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of law, from one Tenant to the other shall be deemed a voluntary transfer.

If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant, or the sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of more than 50% of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing more than 50% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

23. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas, telephone and all similar charges which may accrue with respect to the Premises during the term of this Lease. Should Tenant fail to so pay any utility charge as required herein, Landlord may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

24. Insolvency of Tenant. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

25. Abandonment. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during and for the purpose of making such repairs or restoration as may become necessary under the provisions hereof.

26. Transfer of Landlord's Interest. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

27. Subordination Agreement. Tenant shall, upon Landlord's request, execute an estoppel certificate and any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said mortgage or deed of trust, and subordinating this Lease to said mortgage or deed of trust.

28. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord. Such approval shall not be unreasonably withheld. If Tenant installs or permits any signs to be installed on the Premises without first having obtained Landlord's written approval thereof, Landlord may, after giving Tenant three (3) days written notice of its disapproval of any such sign, enter upon the Premises and remove the same at Tenant's expense. Any sign shall be purchased, installed, maintained, and at the end of this Lease, removed by Tenant at Tenant's sole expense.

29. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this

Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

30. Successors and Assigns. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

31. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses from the other party.

32. Quiet Possession. Landlord warrants that Tenant on paying the rental installments and other payments provided for hereby, and on keeping, observing, and performing all the other terms, conditions, and provisions herein contained on the part of Tenant to be kept, observed and performed, shall, during the full Lease term, peaceably and quietly have, hold and enjoy the Premises, subject to the terms, conditions and provisions hereof.

33. Quitclaim Deed. Tenant shall execute and deliver to Landlord on the expiration or termination of this Lease, immediately on Landlord's request, a quitclaim deed to the Premises, in recordable form, designating Landlord as transferee.

34. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

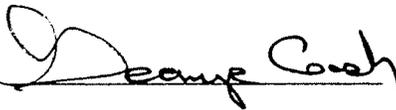

35. Real Estate Brokers; Finders. Tenant represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

36. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby and no other agreement, statement or promises made by any party hereto or to any employee or agent of any party hereto which is not contained herein shall be binding or valid.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first above written.

L E A S E

THIS LEASE (hereinafter called "Lease") is entered into this 22 day of June, 1990, by and between CALMAT CO., a Delaware corporation (hereinafter called "Landlord"), and DESMONDS STUDIO PRODUCTION SERVICES, a California corporation (hereinafter called "Tenant").

RECITALS

A. Landlord is the owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California, consisting of approximately 6.5 acres as shown outlined in red on the map attached hereto and incorporated herein as Exhibit "A" (hereinafter referred to as the "Premises").

B. Tenant desires to lease from Landlord and Landlord desires to rent to Tenant, the Premises, upon the following terms and conditions.

AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises. Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas, hydrocarbonous substances, minerals and mineral rights in and under the land described as the Premises, with the right to explore therefor, sell, lease and/or remove same; provided, however, that Landlord will not do any exploration or other work which will materially affect Tenant's use under this Lease.

Landlord may, in its sole and absolute discretion, upon thirty (30) days notice to Tenant, or immediately upon notice in the event of an emergency, change the location of the Premises to any other area of land of approximately the same size owned or

leased by Landlord or an affiliate within a radius of three (3) miles of the original Premises.

2. Term. The term of this Lease shall be three (3) years commencing on July 1, 1990, and expiring on June 30, 1993, subject to early termination as hereinafter provided.

3. Rental. Tenant agrees to pay Landlord, without abatement, deduction, offset or prior demand, a rental of Fourteen Thousand Three Hundred Dollars (\$14,300.00) per month, payable in advance on the first day of each calendar month during the term hereof. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Rental Adjustment. The monthly rental rate provided for in ¶3 herein shall be adjusted on each anniversary date of this Lease ("Anniversary Date") as follows: the basis for computing each adjustment in the monthly rental rate shall be the Consumer Price Index for Urban Wage Earners and Clerical Workers, Los Angeles-Anaheim-Riverside Area (Base Year 1982-1984 = 100), published by the United States Department of Labor, Bureau of Labor Statistics ("CPI"), which is published for the month which is three (3) months prior to the month in which the commencement date of this Lease occurs ("Beginning CPI"). The CPI published for the month which is three (3) months prior to the month in which the Adjustment Date in question occurs ("Adjustment CPI") is to be used in determining the amount of the adjustment. The monthly rental rate for each one year period commencing with an Adjustment Date shall be the result of multiplying the monthly rental rate by a fraction, the numerator of which is the Adjustment CPI and the denominator of which is the Beginning CPI, provided however, in no event shall the monthly rental rate be reduced below the monthly rental rate payable during the immediately preceding period. Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the same in some other manner, then Landlord may adopt a substitute index or substitute procedure which reasonably reflects and monitors consumer prices.

5. Prepaid Rent. Upon execution of this Lease, Tenant shall pay to Landlord the sum of Fourteen Thousand Three Hundred Dollars (\$14,300.00) which sum shall be credited to the rental due for the first full month of the Lease term.

6. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of Fourteen Thousand Three Dollars (\$14,300.00) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the aforementioned required amount.

7. Improvements to the Premises. Tenant leases the Premises and the improvements thereon, if any, in an "as is" condition. Tenant's entry into possession of the Premises shall be deemed its acceptance of the condition of the Premises. Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its own use (except that Tenant shall not construct any additional lighting); provided, however, that improvements

which cost more than Five Hundred Dollars (\$500.00) shall not be made without Landlord's prior written approval. Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

8. Taxes and Assessments. Tenant shall pay or cause to be paid before delinquency all personal property taxes and all taxes levied or assessed on account of any property in, on, or attached to the Premises, including without limitation property installed by or for Tenant, regardless of how, or to whom such taxes are assessed and whether such property so installed is assessed as personal property or as a part of the real property.

9. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except parking and storage of trucks, vans and movie studio equipment. Without limiting the foregoing or any other provision of this Lease, the following activities are specifically prohibited on the Premises: 1) washing of vehicles or equipment; 2) welding or open flame; 3) obstruction of common roads or other common areas; 4) storage of fuel, fuel hauling vehicles, or any toxic or hazardous substance.

Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, State and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. If permitted by applicable law and ordinance, a maximum of one (1) person may reside on the Premises if such person is employed by Tenant as a caretaker. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use. Tenant's access and use of the Premises shall be limited to the hours of 6 A.M. to 10 P.M. daily, which hours shall be subject to revision in Landlord's sole discretion. If any vehicle or equipment obstructs Tenant's access to the Premises during the hours Tenant's access is permitted, Tenant may have such vehicle or equipment removed at owner's expense.

10. Maintenance and Repair. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code §§1941 and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at

any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense remove from the Premises all Tenant's personal property, and clean up and remove from the Premises all rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals required above or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

11. Damage or Destruction. If the Premises or any portion thereof shall be destroyed or damaged by any causes whatsoever, the following provisions shall apply:

(a) If the damage and repair thereof is of such nature and extent as not to interfere substantially with the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent.

(b) If the damage or repair thereof is of such nature and extent as to interfere substantially with, or prevent, the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent if Tenant is responsible for such repair. If Landlord is responsible for repair thereof, Landlord may, in its sole and absolute discretion, terminate this Lease and all obligations thereafter accruing hereunder shall terminate, or, in its sole and absolute discretion, Landlord may continue this Lease in effect, provided however that Tenant's use of the Premises and the rental due hereunder shall be suspended for the period of restoration,

commencing from the date on which Tenant gives Landlord written notice of such damage.

In no event shall Landlord be required to restore the Premises. Tenant waives the provisions of Civil Code §§1932(2) and 1933(4) and any successor provisions of law with respect to damage or destruction of the Premises.

12. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

13. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq., and the Federal Mine Safety and Health Act of 1977, 30 U.S.C. §801 et seq., (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises. Without limitation, Tenant agrees to indemnify and hold harmless Landlord from any liability, claims or damages

arising as a result of a breach of the foregoing agreement and from all costs, expenses and charges arising therefrom, including, without limitation, attorneys' fees and court costs incurred by Landlord in connection therewith.

14. Condemnation. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable to Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent. Tenant waives the provisions of Code of Civil Procedure §1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as compensation for the taking of fixtures and equipment owned by Tenant and which would not, by the terms of this Lease, become property of the Landlord.

15. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a

consent to any other or further or different act or omission. No act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

16. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, costs or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

17. Indemnification and Exculpation of Landlord.

Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

18. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Worker's Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than One Million Dollars (\$1,000,000.00) combined single limit. All such public liability and property damage policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name Landlord as an additional insured, shall provide for at least thirty (30) days notice to Landlord of cancellation or

termination, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

19. Default. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute;

(d) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or

discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant; then, and in any or either of such events Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, remove from the Premises all Tenant's personal property, and clean up and remove all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, all within thirty (30) days after service of such notice, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(i) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(ii) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(iii) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such

rental loss for such period that Tenant proves could be reasonably avoided; and

(iv) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (i) and (ii) of this paragraph is computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (iii) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or preservation or efforts to relet the Premises, the appointment of a receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

20. Holding Over. Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either expressed or implied, such holding over shall be considered a tenancy from month to month subject to all the conditions and restrictions of this Lease.

21. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

To Landlord: c/o CalMat Co. Self Storage  
7361 Laurel Canyon Blvd.  
No. Hollywood, CA 91605  
Attn: Property Manager

To Tenant: Desmonds Studio Production Services  
P.O. Box 621  
Northridge, CA 91328

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified or registered mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

22. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the expressed written consent of Landlord which consent may be withheld in Landlord's sole and absolute discretion. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this paragraph.

As a condition to Landlord's consideration for approval of any proposed transfer, Tenant shall submit to Landlord in writing:

(a) The name and legal composition of the proposed transferee;

(b) The proposed transferee's intended use of the Premises, which shall not be other than the specific use authorized by this Lease;

(c) Such information as to the proposed transferee's financial responsibility and standing as Landlord may reasonably require;

(d) A written consent of the proposed transferee to all the terms and conditions of this Lease and said transferee's consent to the incorporation of the terms and conditions of this Lease into any document of transfer; and

(e) All of the terms and conditions upon which the proposed transfer is to be made.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease become effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

In the event of default by any transferee or Tenant or any successor of Tenant, in the performance of any of the terms of this Lease, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against said transferee. Landlord may consent to subsequent transfers of this Lease or amendments or modifications to this Lease with transferees of Tenant without notifying Tenant or any successor of Tenant and without obtaining its or their consent thereto and such action shall not relieve the Tenant or Tenant's successor of liability under this Lease. Notwithstanding any transfer, or any indulgences, waivers or extensions of time granted by Landlord to any transferee, or failure by Landlord to take action against any transferee, Tenant waives notice of any default of any transferee and agrees that Landlord may at its option proceed against Tenant without having taken action against or joined such transferee,

except that Tenant shall have the benefit of any indulgences, waivers and extensions of time granted to any such transferee. Landlord's written consent to any transfer by Tenant shall not constitute an acknowledgement that no default then exists under this Lease of the obligations to be performed by Tenant, nor shall such consent be deemed a waiver of any then existing default.

Tenant immediately and irrevocably assigns to Landlord as security for Tenant's obligations under this Lease, all rent from any transferee, and Landlord as assignee and as attorney-in-fact for Tenant, or a receiver for Tenant appointed on Landlord's application, may collect such rent and apply it toward Tenant's obligations under this Lease; except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to collect such rent.

All rent and other consideration received from its transferee in excess of the rent payable by Tenant to Landlord under this Lease is hereby assigned to Landlord and shall be paid to Landlord by Tenant promptly after receipt.

If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of law, from one Tenant to the other shall be deemed a voluntary transfer.

If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant, or the sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of more than 50% of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing more than 50% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

23. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas,

telephone and all similar charges which may accrue with respect to the Premises during the term of this Lease. Should Tenant fail to so pay any utility charge as required herein, Landlord may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

24. Insolvency of Tenant. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

25. Abandonment. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during and for the purpose of making such repairs or restoration as may become necessary under the provisions hereof.

26. Transfer of Landlord's Interest. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

27. Subordination Agreement. Tenant shall, upon Landlord's request, execute an estoppel certificate and any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said mortgage or deed of trust, and subordinating this Lease to said mortgage or deed of trust.

28. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord. Such approval shall not be unreasonably withheld. If Tenant installs or permits any signs to be installed on the Premises without first having obtained Landlord's written approval thereof, Landlord may, after giving Tenant three (3) days written notice of its disapproval of any such sign, enter upon the Premises and remove the same at

Tenant's expense. Any sign shall be purchased, installed, maintained, and at the end of this Lease, removed by Tenant at Tenant's sole expense.

29. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

30. Successors and Assigns. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

31. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses from the other party.

32. Quiet Possession. Landlord warrants that Tenant on paying the rental installments and other payments provided for hereby, and on keeping, observing, and performing all the other terms, conditions, and provisions herein contained on the part of Tenant to be kept, observed and performed, shall, during the full Lease term, peaceably and quietly have, hold and enjoy the Premises, subject to the terms, conditions and provisions hereof.

33. Quitclaim Deed. Tenant shall execute and deliver to Landlord on the expiration or termination of this Lease,

immediately on Landlord's request, a quitclaim deed to the Premises, in recordable form, designating Landlord as transferee.

34. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

35. Real Estate Brokers; Finders. Tenant represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

36. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby and no other agreement, statement or promises made by any party hereto or to any employee or agent of any party hereto which is not contained herein shall be binding or valid.

L E A S E

THIS LEASE (hereinafter called "Lease") is entered into this 18<sup>th</sup> day of August, 1994, by and between CALMAT CO., a Delaware corporation (hereinafter called "Landlord"), and DESMONDS STUDIO PRODUCTION SERVICES, a California corporation (hereinafter called "Tenant").

RECITALS

A. Landlord is the owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California, consisting of approximately 8 acres as shown outlined in red on the map attached hereto and incorporated herein as Exhibit "A" (hereinafter referred to as the "Premises").

B. Tenant desires to lease from Landlord and Landlord desires to rent to Tenant, the Premises, upon the following terms and conditions.

AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises. Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas, hydrocarbonous substances, minerals and mineral rights in and under the land described as the Premises, with the right to explore therefor, sell, lease and/or remove same; provided, however, that Landlord will not do any exploration or other work which will materially affect Tenant's use under this Lease.

Landlord may, in its sole and absolute discretion, upon thirty (30) days notice to Tenant, or immediately upon notice in the event of an emergency, change the location of the Premises to any other area of land of approximately the same size owned or

leased by Landlord or an affiliate within a radius of three (3) miles of the original Premises.

2. Term. The term of this Lease shall be two (2) years commencing on June 1, 1994, and expiring on June 1, 1996 1996, subject to early termination as hereinafter provided.

3. Rental. Tenant agrees to pay Landlord, without abatement, deduction, offset or prior demand, a rental of Thirteen Thousand Dollars (\$13,000.00) per month, payable in advance on the first day of each calendar month during the term hereof. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Rental Adjustment. The monthly rental rate provided for in ¶3 herein shall be adjusted on each anniversary date of this Lease ("Adjustment Date") as follows: the basis for computing each adjustment in the monthly rental rate shall be the Consumer Price Index for Urban Wage Earners and Clerical Workers, Los Angeles-Anaheim-Riverside Area (Base Year 1982-1984 = 100), published by the United States Department of Labor, Bureau of Labor Statistics ("CPI"), which is published for the month which is three (3) months prior to the month in which the commencement date of this Lease occurs ("Beginning CPI"). The CPI published for the month which is three (3) months prior to the month in which the Adjustment Date in question occurs ("Adjustment CPI") is to be used in determining the amount of the adjustment. The monthly rental rate for each one year period commencing with an Adjustment Date shall be the result of multiplying the monthly rental rate by a fraction, the numerator of which is the Adjustment CPI and the denominator of which is the Beginning CPI, provided however, in no event shall the monthly rental rate be reduced below the monthly rental rate payable during the immediately preceding period. Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the same in some other manner, then Landlord may adopt a substitute index or substitute procedure which reasonably reflects and monitors consumer prices.

5. Late Charges. Tenant's failure to pay rent may cause Landlord to incur unanticipated costs. The exact amount of

such costs are impractical or extremely difficult to ascertain. Such costs may include, but are not limited to, processing and accounting charges. Therefore, if Landlord does not receive any rent payment within ten (10) days after it becomes due, Tenant shall pay Landlord a late charge equal to ten percent (10%) of the overdue amount. The parties agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of such late rent payment.

6. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of Fourteen Thousand Three Dollars (\$14,300.00) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the aforementioned required amount.

7. Improvements to the Premises. Tenant leases the Premises and the improvements thereon, if any, in an "as is" condition. Tenant's entry into possession of the Premises shall be deemed it's acceptance of the condition of the Premises. Tenant shall have the right to construct, at its sole cost and expense,

such additional improvements to the Premises as it deems necessary for its own use (except that Tenant shall not construct any additional lighting); provided, however, that improvements which cost more than Five Hundred Dollars (\$500.00) shall not be made without Landlord's prior written approval. Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

8. Taxes and Assessments. Tenant shall pay or cause to be paid before delinquency all personal property taxes and all taxes levied or assessed on account of any property in, on, or attached to the Premises, including without limitation property installed by or for Tenant, regardless of how, or to whom such taxes are assessed and whether such property so installed is assessed as personal property or as a part of the real property.

9. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except parking and storage of trucks, vans and movie studio equipment. Without limiting the foregoing or any other provision of this Lease, the following activities are specifically prohibited on the Premises: 1) washing of vehicles or equipment; 2) welding or open flame; 3) obstruction

of common roads or other common areas; 4) storage of fuel, fuel hauling vehicles, or any toxic or hazardous substance. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, State and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. If permitted by applicable law and ordinance, a maximum of one (1) person may reside on the Premises if such person is employed by Tenant as a caretaker. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use. Tenant's access and use of the Premises shall be limited to the hours of 6 A.M. to 10 P.M. daily, which hours shall be subject to revision in Landlord's sole discretion. If any vehicle or equipment obstructs Tenant's access to the Premises during the hours Tenant's access is permitted, Tenant may have such vehicle or equipment removed at owner's expense.

10. Maintenance and Repair. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code §§1941 and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should

Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense remove from the Premises all Tenant's personal property, and clean up and remove from the Premises all rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals required above or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

11. Damage or Destruction. If the Premises or any portion thereof shall be destroyed or damaged by any causes whatsoever, the following provisions shall apply:

(a) If the damage and repair thereof is of such nature and extent as not to interfere substantially with the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent.

(b) If the damage or repair thereof is of such nature and extent as to interfere substantially with, or prevent, the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent if Tenant is responsible for such repair. If Landlord is responsible for repair thereof, Landlord may, in its sole and absolute discretion, terminate this Lease and all obligations thereafter accruing hereunder shall terminate, or, in its sole and absolute discretion, Landlord may continue this Lease in effect, provided however that there shall be a proportionate abatement of rent for the period of restoration commencing from the date on which Tenant gives Landlord written notice of such damage, based upon the impairment to

Tenant's use of the Premises arising from the damage when compared with Tenant's use prior to the damage.

In no event shall Landlord be required to restore the Premises. Tenant waives the provisions of Civil Code §§1932(2) and 1933(4) and any successor provisions of law with respect to damage or destruction of the Premises.

12. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

13. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq., and the Federal Mine Safety and Health Act of 1977, 30 U.S.C. §801 et seq., (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises. Without limitation, Tenant agrees to indemnify and hold harmless Landlord from any liability, claims or damages arising as a result of a

breach of the foregoing agreement and from all costs, expenses and charges arising therefrom, including, without limitation, attorneys' fees and court costs incurred by Landlord in connection therewith.

14. Condemnation. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable by Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent. Tenant waives the provisions of Code of Civil Procedure §1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as compensation for the taking of fixtures and equipment owned by Tenant and which would not, by the terms of this Lease, become property of the Landlord.

15. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission,

acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

16. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, costs or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

17. Indemnification and Exculpation of Landlord. Tenant shall indemnify and defend Landlord and save him harmless from and against any and all claims, actions, damages, liabilities and

expenses in connection with loss of life, bodily injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants, unless such loss of life, bodily injury or damage to property is caused solely and exclusively by the active negligence or wilful misconduct of Landlord. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall indemnify and defend Landlord and hold him harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever unless such damage is caused solely and exclusively by the active negligence or wilful misconduct of Landlord. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason except claims arising solely and exclusively from the active negligence or wilful misconduct of Landlord.

18. HAZARDOUS MATERIALS.

(a) Tenant warrants and represents to Landlord:

(i) Tenant's business operations on the Premises shall not involve the use, storage or generation of "Hazardous Materials," as hereinafter defined, and Tenant shall not permit any Hazardous Materials to be brought upon, stored, manufactured, or disposed on or transported from the Premises.

(ii) Tenant shall at all times be in compliance with all environmental laws applicable to the Premises.

(b) Tenant shall indemnify, defend and hold Landlord harmless against any and all claims, damages, enforcement actions, remedial actions, liabilities, losses, costs and expenses arising out of the presence of any Hazardous Materials on the Premises. Landlord shall have the right to enter on the Premises to conduct an environmental assessment at any time during the Lease term. If Hazardous Materials are detected, the cost of this assessment will be paid for by Tenant. Tenant shall be required to take all remedial action necessary to insure clean up of any Hazardous Materials present on the Premises and to comply with all environmental laws applicable at the end of the Lease term.

(c) The term "Hazardous Material(s)" shall mean any chemical, substance, material, controlled substance, object, condition, waste, living organism or combination thereof which is or may be hazardous to human health or safety or to the environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including without limitation, petroleum and petroleum products, asbestos, radon, polychlorinated biphenyls (PCB's), and all of those chemicals, substances, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof which are now or become in the future listed, defined or regulated in any manner, based directly or indirectly upon such properties or effects, pursuant to any applicable environmental law.

(d) The term "environmental law(s)" shall mean any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, court decision, ordinances, rules, codes, judicial or administrative orders or decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future, which are or become applicable to Tenant, Tenant's operations or the Premises.

(e) The provisions of this Paragraph shall be in addition to, and shall not diminish in any way, any other provision

of this Lease requiring Tenant's compliance with law or Tenant's obligation to defend, indemnify, and hold Landlord harmless.

19. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Workers' Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and comprehensive general liability and automobile liability insurance covering all its operations on or related to the Premises. The limits of such liability insurance shall in each case not be less than Two Million Dollars (\$2,000,000.00) combined single limit. All such liability policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall provide coverage to Landlord as an additional insured to the same extent as the named insured, shall provide for at least thirty (30) days prior written notice to Landlord of cancellation, termination or material change, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination, cancellation or material change, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

20. Default. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and

shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute;

(d) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant;

Then, and in any or either of such events Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, remove from the Premises all Tenant's personal property, and clean up and remove all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of

its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(i) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(ii) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(iii) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(iv) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (i) and (ii) of this paragraph is computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (iii) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or preservation or efforts to relet the Premises, the appointment of a

receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

21. Holding Over. Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either express or implied, such holding over shall be a tenancy from month to month subject to all the terms of this Lease pertaining to the obligations of Tenant.

22. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by certified mail, postage prepaid, addressed as follows:

To Landlord: CalMat Co.  
3200 San Fernando Road  
Los Angeles, CA 90065  
Attn: George Cosby, Vice President

To Tenant: Desmonds Studio Production Services  
P.O. Box 621  
Northridge, CA 91328

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

23. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the express written consent of Landlord which consent may be withheld in Landlord's sole and absolute discretion. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as

a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this paragraph.

As a condition to Landlord's consideration for approval of any proposed transfer, Tenant shall submit to Landlord in writing:

(a) The name and legal composition of the proposed transferee;

(b) The proposed transferee's intended use of the Premises, which shall not be other than the specific use authorized by this Lease;

(c) Such information as to the proposed transferee's financial responsibility, business experience, and standing as Landlord may reasonably require;

(d) A written consent of the proposed transferee to all the terms and conditions of this Lease and said transferee's consent to the incorporation of the terms and conditions of this Lease into any document of transfer; and

(e) All of the terms and conditions upon which the proposed transfer is to be made.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease become effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

In the event of default by any transferee or Tenant or any successor of Tenant, in the performance of any of the terms of this Lease, Landlord may proceed directly against Tenant without

the necessity of exhausting remedies against said transferee. Landlord may consent to subsequent transfers of this Lease or amendments or modifications to this Lease with transferees of Tenant without notifying Tenant or any successor of Tenant and without obtaining its or their consent thereto and such action shall not relieve the Tenant or Tenant's successor of liability under this Lease. Notwithstanding any transfer, or any indulgences, waivers or extensions of time granted by Landlord to any transferee, or failure by Landlord to take action against any transferee, Tenant waives notice of any default of any transferee and agrees that Landlord may at its option proceed against Tenant without having taken action against or joined such transferee, except that Tenant shall have the benefit of any indulgences, waivers and extensions of time granted to any such transferee. Landlord's written consent to any transfer by Tenant shall not constitute an acknowledgement that no default then exists under this Lease of the obligations to be performed by Tenant, nor shall such consent be deemed a waiver of any then existing default.

Tenant immediately and irrevocably assigns to Landlord as security for Tenant's obligations under this Lease, all rent from any transferee, and Landlord as assignee and as attorney-in-fact for Tenant, or a receiver for Tenant appointed on Landlord's application, may collect such rent and apply it toward Tenant's obligations under this Lease; except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to collect such rent.

All rent and other consideration received from its transferee in excess of the rent payable by Tenant to Landlord under this Lease is hereby assigned to Landlord and shall be paid to Landlord by Tenant promptly after receipt.

If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of law, from one Tenant to the other shall be deemed a voluntary transfer.

If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant, or the

sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of more than 50% of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing more than 50% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

24. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas, telephone and all similar charges which may accrue with respect to the Premises during the term of this Lease. Should Tenant fail to so pay any utility charge as required herein, Landlord may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

25. Insolvency of Tenant. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

26. Abandonment. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during and for the purpose of making such repairs or restoration as may become necessary under the provisions hereof.

27. Transfer of Landlord's Interest. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

28. Subordination Agreement. Tenant shall, upon Landlord's request, execute an estoppel certificate and any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said mortgage or deed of trust, and subordinating this Lease to said mortgage or deed of trust.

29. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord. Such approval shall not be unreasonably withheld. If Tenant installs or permits any signs to be installed on the Premises without first having obtained Landlord's written approval thereof, Landlord may, after giving Tenant three (3) days written notice of its disapproval of any such sign, enter upon the Premises and remove the same at Tenant's expense. Any sign shall be purchased, installed, maintained, and at the end of this Lease, removed by Tenant at Tenant's sole expense.

30. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

31. Successors and Assigns. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

32. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses from the other party.

33. Quiet Possession. Landlord warrants that Tenant on paying the rental installments and other payments provided for hereby, and on keeping, observing, and performing all the other

terms, conditions, and provisions herein contained on the part of Tenant to be kept, observed and performed, shall, during the full Lease term, peaceably and quietly have, hold and enjoy the Premises, subject to the terms, conditions and provisions hereof.

34. Quitclaim Deed. Tenant shall execute and deliver to Landlord on the expiration or termination of this Lease, immediately on Landlord's request, a quitclaim deed to the Premises, in recordable form, designating Landlord as transferee.

35. Rélations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

36. Real Estate Brokers; Finders. Tenant represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

37. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby and no other agreement, statement or promises made by any party hereto or to any employee or agent of any party hereto which is not contained herein shall be binding or valid.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first above written.

L E A S E

THIS LEASE (hereinafter called "Lease") is entered into this <sup>1<sup>st</sup></sup> day of June, 1994, by and between CALMAT CO., a Delaware corporation (hereinafter called "Landlord"), and INSURANCE AUTO AUCTIONS, a California corporation (hereinafter called "Tenant").

RECITALS

A. Landlord is the owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California, consisting of approximately 19.13 acres, as shown outlined in red on the map attached hereto and incorporated herein as Exhibit "A" (hereinafter referred to as the "Premises").

B. Tenant desires to lease from Landlord and Landlord desires to rent to Tenant, the Premises, upon the following terms and conditions.

AGREEMENT

1. LEASE. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises. Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas, hydrocarbonous substances, minerals and mineral rights in and under the land described as the Premises.

2. TERM. The term of this Lease shall be ten (10) years commencing on June 1, 1994, and expiring on May 31, 2004.

3. RENTAL. Tenant agrees to pay Landlord, without abatement, deduction, offset or prior demand, a rental of Twenty-seven Thousand Eighty-two and 34/100 Dollars (\$27,082.34)

per month, as adjusted in accordance with the provisions of paragraph 4, payable in advance on the first day of each calendar month during the term hereof, subject to abatement for the first six (6) months of the term as provided by Paragraph 5. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. RENTAL ADJUSTMENT. During the Lease term the monthly rental rate provided for in paragraph 3 herein shall be adjusted on June 1, 1996 and every two (2) years thereafter (each an "Adjustment Date") as follows: The basis for computing each adjustment in the monthly rental rate shall be the Consumer Price Index for Urban Wage Earners and Clerical Workers, Los Angeles-Anaheim-Riverside Area (Base Year 1982-1984 = 100), published by the United States Department of Labor, Bureau of Labor Statistics ("CPI"), which is published for the month which is three (3) months prior to the month in which the commencement date of this Lease occurs ("Beginning CPI"). The CPI published for the month which is three (3) months prior to the month in which the Adjustment Date in question occurs ("Adjustment CPI") is to be used in determining the amount of the adjustment. The monthly rental rate for each two (2) year period commencing with an Adjustment Date shall be the result of multiplying the monthly rental rate by a fraction, the numerator of which is the Adjustment CPI and the denominator of which is the Beginning CPI; provided, however, in no event shall the monthly rental rate be reduced below, nor shall any increase exceed fifteen percent (15%) of, the monthly rental rate payable during the immediately preceding period. Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the same in some other manner, then Landlord may adopt a substitute index or substitute procedure which reasonably reflects and monitors consumer prices.

5. RENT ABATEMENT. In consideration of the grading and paving required to be made by Tenant to the Premises, rent for the first six (6) months of the Lease term shall be abated,

subject to recapture upon Tenant's vacation of the Premises before the end of the Lease term in connection with a Lease default.

6. SECURITY DEPOSIT. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of \$27,073.45 which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the aforementioned required amount.

7. OPTION TO EXTEND TERM. Tenant is given the option to extend the term of this Lease on all the provisions contained in this Lease, except for the term, for a term of five (5) years ("Extended Term") commencing upon expiration of the initial term, by giving written notice of exercise of the option ("Option Notice") to Landlord at least six (6) months prior to the expiration date of the initial term; provided, however, that if Tenant is in default on the date of giving the Option Notice, the Option Notice shall be totally ineffective, or if Tenant is in

default on the date the Extended Term is to commence, the Extended Term shall not commence and this Lease shall expire at the end of the initial term. Tenant shall have no right to extend the term beyond the Extended Term.

8. IMPROVEMENTS TO THE PREMISES. Tenant leases the Premises and the improvements thereon, if any, in an "as is" condition, provided however, Landlord shall relocate or place underground methane gas migration pipes and ancillary equipment and, for those portions of the Premises not previously leased by Tenant, install perimeter fencing ("Landlord's Improvements"). With respect to Landlord's Improvements, Landlord shall use its good faith efforts to perform the work in a manner which minimizes disruption of Tenant's business operations on the Premises, Landlord shall advise Tenant in advance of any work to be performed, and Landlord shall proceed with the work promptly upon execution of this Lease, and shall diligently pursue such work to completion. Tenant shall perform all grading and install all paving required for its use. Tenant's entry into possession of the Premises shall be deemed its acceptance of the condition of the Premises. Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its own use; provided, however, that improvements which cost more than Five Thousand Dollars (\$5,000.00) shall not be made without Landlord's prior written approval. Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of non-responsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances, and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease.

Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

9. TAXES AND ASSESSMENTS. Tenant shall pay or cause to be paid before delinquency all personal property taxes and all taxes levied or assessed on account of any property in, on, or attached to the Premises, including without limitation property installed by or for Tenant, regardless of how, or to whom such taxes are assessed and whether such property so installed is assessed as personal property or as a part of the real property.

10. USE OF PREMISES. Tenant agrees that the Premises shall not be used for any purpose except storage of automobiles in an impound yard. If consistent with such use, automobile auctions of reasonable duration, not to exceed eight (8) hours in any event, may be held by Tenant on the Premises, but not more than seventy (70) per year and not more frequently than two (2) in any seven (7) day period. No welding or open flame shall be permitted on the Premises at any time. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, State and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use. Tenant acknowledges and agrees that it shall not store any

property in, or otherwise interfere with use of, common access areas adjacent to the Premises.

11. MAINTENANCE AND REPAIR. Tenant shall at its own expense maintain and keep the Premises, including without limiting the generality of the foregoing, the fence on the perimeter of the Premises, in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises, except repair and maintenance of the methane gas migration system on the Premises to the extent the necessity for such repair is not caused by Tenant or its agents, licensees or invitees. Tenant waives all provisions of law, including but not limited to Civil Code §§1941 and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, and Tenant does not commence to remedy such failure within thirty (30) days after notice from Landlord describing such failure with reasonable particularity, or after commencement of such remedy, Tenant fails at all times thereafter to pursue such remedy with due diligence to completion, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental. Without limiting the foregoing, Tenant acknowledges and agrees that if Tenant fails to effectively repair any fence on the Premises within thirty (30) days after notice from Landlord of the need for such repair, such failure shall be deemed a material

default which has continued for thirty (30) days as described by paragraph 21(f) hereof, and Landlord may pursue its remedies for such default as described in such paragraph, including without limitation, termination of this Lease.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense remove from the Premises all Tenant's personal property, and clean up and remove from the Premises all rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition, subject to reasonable wear and tear. Should Tenant fail to do so, Landlord may at its option make those removals required above or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

12. DAMAGE OR DESTRUCTION. If the Premises or any portion thereof shall be destroyed or damaged by any causes whatsoever, the following provisions shall apply:

(a) This Lease shall remain in effect and there shall be no abatement of rent if Tenant is responsible for such repair.

(b) If the damage and repair thereof is of such nature and extent as to not interfere substantially with the use of the Premises by Tenant, and Landlord is responsible for repair, this Lease shall remain in effect and there shall be a proportionate abatement of rent for the period of restoration commencing from the date on which Tenant gives Landlord written notice of such damage, based upon the impairment to Tenant's use of the Premises arising from the damage when compared with Tenant's use prior to the damage.

(c) If the damage or repair thereof is of such nature and extent as to interfere substantially with, or prevent, the use of the Premises by Tenant, and if Landlord is responsible for repair, Landlord may, in its sole and absolute discretion, terminate this Lease and all obligations thereafter accruing

hereunder shall terminate, or, in its sole and absolute discretion, Landlord may continue this Lease in effect, provided however that there shall be a proportionate abatement of rent for the period of restoration commencing from the date on which Tenant gives Landlord written notice of such damage, based upon the impairment to Tenant's use of the Premises arising from the damage when compared with Tenant's use prior to the damage.

In no event shall Landlord be required to restore the Premises. Tenant waives the provisions of Civil Code §§1932(2) and 1933(4) and any successor provisions of law with respect to damage or destruction of the Premises.

13. ENTRY. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, making repairs at Tenant's expense which Tenant has failed to make, exercising any of the rights of Landlord under this Lease, posting notices required or permitted by law, and for purposes of repairing and maintaining the methane gas mitigation system on the Premises. In connection with the repair and maintenance of the methane gas migration system, Landlord shall be permitted to install temporary aboveground methane gas pipes. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises. Tenant shall, at all reasonable times, permit access by government authorities and/or Landlord to the water well and gas mitigation system existing on the Premises.

14. SAFETY. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of

1970, 29 U.S.C. §651 et seq., the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq., and the Federal Mine Safety and Health Act of 1977, 30 U.S.C. §801 et seq., (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon, except for the methane gas mitigation system which is the sole responsibility of Landlord. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises. Tenant shall at all times keep and maintain a clear fire safety road on the Premises, providing access to all fire hydrants thereon (the maintenance and repair of which is Landlord's responsibility), which shall comply fully with all applicable laws, regulations, and orders. Without limitation, Tenant agrees to indemnify and hold harmless Landlord from any liability, claims or damages arising as a result of a breach of the foregoing agreement and from all costs, expenses and charges arising therefrom, including, without limitation, attorneys' fees and court costs incurred by Landlord in connection therewith.

15. CONDEMNATION. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable by Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be a proportionate abatement of rent based upon the criteria described in paragraph 12(b). Tenant waives the provisions of Code of Civil Procedure §1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as compensation for the taking of fixtures and equipment owned by Tenant.

16. CONSENTS AND WAIVERS. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the

exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

17. LIENS. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, costs or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

18. INDEMNIFICATION AND EXCULPATION OF LANDLORD. Tenant shall indemnify and defend Landlord and save him harmless from and against any and all claims, actions, damages, liabilities and expenses (including attorney's fees) in connection with loss of life, bodily injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or invitees, except to the extent such loss of life, bodily injury or damage to property is caused by the negligence or wilful misconduct of Landlord. In the event Landlord is made a party to any litigation commenced by or

against Tenant arising from the foregoing, then Tenant shall indemnify and defend Landlord and hold him harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall indemnify and defend Tenant and save him harmless from and against any and all claims, actions, damages, liabilities and expenses (including attorneys' fees) in connection with loss of life, bodily injury or damage to property arising from or out of methane gas produced by the Premises, the methane gas migration system on the Premises, or any "Hazardous Materials," as defined in Paragraph 19, present on the Premises prior to Tenant's (and its predecessor L.A. Auto Salvage, Inc.'s) occupancy of the Premises, except to the extent such loss of life, bodily injury or damage to property is caused by the negligence or willful misconduct of Tenant. In the event Tenant is made a party to any litigation commenced by or against Landlord arising from the foregoing, then Landlord shall indemnify and defend Tenant and hold him harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Tenant in connection therewith.

Except as expressly provided herein, Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever except to the extent such damage is caused by the negligence or wilful misconduct of Landlord. Without limiting the foregoing, except as expressly provided herein, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that except as expressly provided herein, Tenant has sole responsibility for repair and maintenance of the Premises. Except as expressly provided herein, Tenant waives all claims against Landlord for damage to person or property arising for any reason except to the extent claims are attributed to the negligence or wilful misconduct of Landlord.

19. HAZARDOUS MATERIALS.

(a) Tenant warrants and represents to Landlord:

(i) Tenant shall not permit any "Hazardous Materials," as hereinafter defined, to be brought upon, stored, manufactured, or disposed on or transported from the Premises without the prior written consent of Landlord (which consent shall not be unreasonably withheld, provided Tenant demonstrates to Landlord's reasonable satisfaction that the particular material for which consent is sought is commonly used and necessary in Tenant's permitted use of the Premises and that Tenant's use, handling, transportation and disposal of same will comply with all environmental laws).

(ii) Tenant shall at all times be in compliance with all environmental laws applicable to the Premises.

(b) Tenant shall indemnify, defend and hold Landlord harmless against any and all claims, damages, enforcement actions, remedial actions, liabilities, losses, costs and expenses arising out of the presence of any Hazardous Materials brought, deposited or released on the Premises by Tenant, its agents, contractors, employees or invitees. Landlord shall have the right to enter on the Premises to conduct an environmental assessment at any time during the Lease term. If Hazardous Materials for which Tenant is responsible are detected, the cost of this assessment will be paid for by Tenant. Tenant shall be required to take all remedial action necessary to insure clean up of any Hazardous Materials present on the Premises for which Tenant is responsible and to comply with all environmental laws applicable at the end of the Lease term.

(c) The term "Hazardous Material(s)" shall mean any chemical, substance, material, controlled substance, object, condition, waste, living organism or combination thereof which is or may be hazardous to human health or safety or to the

environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including without limitation, petroleum and petroleum products, asbestos, radon, polychlorinated biphenyls (PCB's), and all of those chemicals, substances, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof which are now or become in the future listed, defined or regulated in any manner, based directly or indirectly upon such properties or effects, pursuant to any applicable environmental law.

(d) The term "environmental law(s)" shall mean any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, court decision, ordinances, rules, codes, judicial or administrative orders or decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future, which are or become applicable to Tenant, Tenant's operations or the Premises.

(e) The provisions of this Paragraph shall be in addition to, and shall not diminish in any way, any other provision of this Lease requiring Tenant's compliance with law or Tenant's obligation to defend, indemnify, and hold Landlord harmless.

20. INSURANCE. Tenant shall keep in full force and effect during the term of this Lease, Workers' Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and comprehensive general liability and automobile liability insurance covering all its operations on or related to the Premises. The limits of such liability insurance shall in each case not be less than Two Million Dollars (\$2,000,000.00) combined single limit. All such liability policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall

not be unreasonably withheld), shall provide coverage to Landlord as an additional insured to the same extent as the named insured, shall provide for at least thirty (30) days prior written notice to Landlord of cancellation, termination or material change, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination, cancellation or material change, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

21. DEFAULT. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute which is not dismissed within sixty (60) days of filing;

(d) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter unless

Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant.

Then, and in any or either of such events Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, remove from the Premises all Tenant's personal property, and clean up and remove all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, subject to reasonable wear and tear, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(i) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(ii) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of

award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(iii) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(iv) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (i) and (ii) of this paragraph is computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (iii) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or preservation or efforts to relet the Premises, the appointment of a receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at

any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

22. HOLDING OVER. Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either expressed or implied, such holding over shall be considered a tenancy from month to month subject to all the terms of this Lease pertaining to the obligations of Tenant, but all options and rights of first refusal, if any, granted to Tenant under the term of this Lease shall be deemed terminated and be of no further effect during said month to month tenancy.

23. NOTICES. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

To Landlord: CalMat Co.  
3200 San Fernando Road  
Los Angeles, CA 90065  
Attn: Executive Vice President, Law  
and Property

To Tenant: Insurance Auto Auctions  
2500 Sand Hill Road  
Suite 101A  
Menlo Park, CA 94025

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified or registered mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

24. ASSIGNMENT AND SUBLETTING. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the expressed written consent of Landlord, which shall not be unreasonably withheld. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as a "transfer") made without the prior written consent of Landlord shall be void and of

no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this paragraph.

As a precondition to Landlord's consideration for approval of any proposed transfer, Tenant shall submit to Landlord in writing:

- (a) The name and legal composition of the proposed transferee;
- (b) The proposed transferee's intended use of the Premises, which shall not be other than the specific use authorized by this Lease;
- (c) Such information as to the proposed transferee's financial responsibility, business experience and standing as Landlord may reasonably require;
- (d) A written consent of the proposed transferee to all the terms and conditions of this Lease and said transferee's consent to the incorporation of the terms and conditions of this Lease into any document of transfer; and
- (e) All of the terms and conditions upon which the proposed transfer is to be made.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease become effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

In the event of default by any transferee or Tenant or any successor of Tenant, in the performance of any of the terms of this Lease, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against said transferee.

Landlord may consent to subsequent transfers of this Lease or amendments or modifications to this Lease with transferees of Tenant without notifying Tenant or any successor of Tenant and without obtaining its or their consent thereto and such action shall not relieve the Tenant or Tenant's successor of liability under this Lease. Notwithstanding any transfer, or any indulgences, waivers or extensions of time granted by Landlord to any transferee, or failure by Landlord to take action against any transferee, Tenant waives notice of any default of any transferee and agrees that Landlord may at its option proceed against Tenant without having taken action against or joined such transferee, except that Tenant shall have the benefit of any indulgences, waivers and extensions of time granted to any such transferee. Landlord's written consent to any transfer by Tenant shall not constitute an acknowledgement that no default then exists under this Lease of the obligations to be performed by Tenant, nor shall such consent be deemed a waiver of any then existing default.

Tenant immediately and irrevocably assigns to Landlord as security for Tenant's obligations under this Lease, all rent from any transferee, and Landlord as assignee and as attorney-in-fact for Tenant, or a receiver for Tenant appointed on Landlord's application, may collect such rent and apply it toward Tenant's obligations under this Lease; except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to collect such rent.

All rent received from its transferee in excess of the rent payable by Tenant to Landlord under this Lease is hereby assigned to Landlord and shall be paid to Landlord by Tenant promptly after receipt.

If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of law, from one Tenant to the other shall be deemed a voluntary transfer.

If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant, or the

sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of more than 50% of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing more than 50% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

25. UTILITIES. Landlord makes no representation or warranty regarding the availability of utilities to the Premises. Tenant shall, at its sole cost, make all arrangements for utility service. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas, telephone, and all similar charges which may accrue with respect to the Premises during the term of this Lease. Should Tenant fail to so pay any utility charge as required herein, Landlord may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

26. INSOLVENCY OF TENANT. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

27. ABANDONMENT. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during and for the purpose of making such repairs or restoration as may become necessary under the provisions hereof.

28. TRANSFER OF LANDLORD'S INTEREST. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

29. SUBORDINATION AGREEMENT. Tenant shall, upon Landlord's request, execute an estoppel certificate and any

instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said mortgage or deed of trust, and subordinating this Lease to said mortgage or deed of trust.

30. SIGNS. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord. Such approval shall not be unreasonably withheld. If Tenant installs or permits any signs to be installed on the Premises without first having obtained Landlord's written approval thereof, Landlord may, after giving Tenant three (3) days written notice of its disapproval of any such sign, enter upon the Premises and remove the same at Tenant's expense. Any sign shall be purchased, installed, maintained, and at the end of this Lease, removed by Tenant at Tenant's sole expense.

31. INTERPRETATION. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

32. SUCCESSORS AND ASSIGNS. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

33. COST OF LITIGATION. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall

be entitled to recover its reasonable expenses from the other party.

34. QUIET POSSESSION. Landlord warrants that Tenant on paying the rental installments and other payments provided for hereby, and on keeping, observing, and performing all the other terms, conditions, and provisions herein contained on the part of Tenant to be kept, observed and performed, shall, during the full Lease term, peaceably and quietly have, hold and enjoy the Premises, subject to the terms, conditions and provisions hereof.

35. QUITCLAIM DEED. Tenant shall execute and deliver to Landlord on the expiration or termination of this Lease, immediately on Landlord's request, a quitclaim deed to the Premises, in recordable form, designating Landlord as transferee.

36. RELATIONS OF PARTIES. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

37. REAL ESTATE BROKERS; FINDERS. Tenant represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

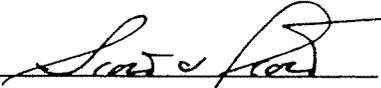

38. ENTIRE AGREEMENT. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby and no other agreement, statement or promises made by any party hereto or to any employee or agent of any party hereto which is not contained herein shall be binding or valid.

THIS LEASE (hereinafter called "Lease") is entered into this 10<sup>th</sup> day of August, 1994, by and between CALMAT CO., a Delaware corporation (hereinafter called "Landlord"), and DESMONDS STUDIO PRODUCTION SERVICES, a California corporation (hereinafter called "Tenant").

RECITALS

A. Landlord is the owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California, consisting of approximately 8 acres as shown outlined in red on the map attached hereto and incorporated herein as Exhibit "A" (hereinafter referred to as the "Premises").

B. Tenant desires to lease from Landlord and Landlord desires to rent to Tenant, the Premises, upon the following terms and conditions.

AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises. Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas, hydrocarbonous substances, minerals and mineral rights in and under the land described as the Premises, with the right to explore therefor, sell, lease and/or remove same; provided, however, that Landlord will not do any exploration or other work which will materially affect Tenant's use under this Lease.

Landlord may, in its sole and absolute discretion, upon thirty (30) days notice to Tenant, or immediately upon notice in the event of an emergency, change the location of the Premises to any other area of land of approximately the same size owned or

leased by Landlord or an affiliate within a radius of three (3) miles of the original Premises.

2. Term. The term of this Lease shall be two (2) years commencing on June 1, 1994, and expiring on June 1, 1996, 1996, subject to early termination as hereinafter provided.

3. Rental. Tenant agrees to pay Landlord, without abatement, deduction, offset or prior demand, a rental of Thirteen Thousand Dollars (\$13,000.00) per month, payable in advance on the first day of each calendar month during the term hereof. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Rental Adjustment. The monthly rental rate provided for in ¶3 herein shall be adjusted on each anniversary date of this Lease ("Adjustment Date") as follows: the basis for computing each adjustment in the monthly rental rate shall be the Consumer Price Index for Urban Wage Earners and Clerical Workers, Los Angeles-Anaheim-Riverside Area (Base Year 1982-1984 = 100), published by the United States Department of Labor, Bureau of Labor Statistics ("CPI"), which is published for the month which is three (3) months prior to the month in which the commencement date of this Lease occurs ("Beginning CPI"). The CPI published for the month which is three (3) months prior to the month in which the Adjustment Date in question occurs ("Adjustment CPI") is to be used in determining the amount of the adjustment. The monthly rental rate for each one year period commencing with an Adjustment Date shall be the result of multiplying the monthly rental rate by a fraction, the numerator of which is the Adjustment CPI and the denominator of which is the Beginning CPI, provided however, in no event shall the monthly rental rate be reduced below the monthly rental rate payable during the immediately preceding period. Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the same in some other manner, then Landlord may adopt a substitute index or substitute procedure which reasonably reflects and monitors consumer prices.

5. Late Charges. Tenant's failure to pay rent may cause Landlord to incur unanticipated costs. The exact amount of

such costs are impractical or extremely difficult to ascertain. Such costs may include, but are not limited to, processing and accounting charges. Therefore, if Landlord does not receive any rent payment within ten (10) days after it becomes due, Tenant shall pay Landlord a late charge equal to ten percent (10%) of the overdue amount. The parties agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of such late rent payment.

6. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of Fourteen Thousand Three Dollars (\$14,300.00) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the aforementioned required amount.

7. Improvements to the Premises. Tenant leases the Premises and the improvements thereon, if any, in an "as is" condition. Tenant's entry into possession of the Premises shall be deemed it's acceptance of the condition of the Premises. Tenant shall have the right to construct, at its sole cost and expense,

such additional improvements to the Premises as it deems necessary for its own use (except that Tenant shall not construct any additional lighting); provided, however, that improvements which cost more than Five Hundred Dollars (\$500.00) shall not be made without Landlord's prior written approval. Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

8. Taxes and Assessments. Tenant shall pay or cause to be paid before delinquency all personal property taxes and all taxes levied or assessed on account of any property in, on, or attached to the Premises, including without limitation property installed by or for Tenant, regardless of how, or to whom such taxes are assessed and whether such property so installed is assessed as personal property or as a part of the real property.

9. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except parking and storage of trucks, vans and movie studio equipment. Without limiting the foregoing or any other provision of this Lease, the following activities are specifically prohibited on the Premises: 1) washing of vehicles or equipment; 2) welding or open flame; 3) obstruction

of common roads or other common areas; 4) storage of fuel, fuel hauling vehicles, or any toxic or hazardous substance. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, State and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. If permitted by applicable law and ordinance, a maximum of one (1) person may reside on the Premises if such person is employed by Tenant as a caretaker. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use. Tenant's access and use of the Premises shall be limited to the hours of 6 A.M. to 10 P.M. daily, which hours shall be subject to revision in Landlord's sole discretion. If any vehicle or equipment obstructs Tenant's access to the Premises during the hours Tenant's access is permitted, Tenant may have such vehicle or equipment removed at owner's expense.

10. Maintenance and Repair. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code §§1941 and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should

Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense remove from the Premises all Tenant's personal property, and clean up and remove from the Premises all rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals required above or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

11. Damage or Destruction. If the Premises or any portion thereof shall be destroyed or damaged by any causes whatsoever, the following provisions shall apply:

(a) If the damage and repair thereof is of such nature and extent as not to interfere substantially with the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent.

(b) If the damage or repair thereof is of such nature and extent as to interfere substantially with, or prevent, the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent if Tenant is responsible for such repair. If Landlord is responsible for repair thereof, Landlord may, in its sole and absolute discretion, terminate this Lease and all obligations thereafter accruing hereunder shall terminate, or, in its sole and absolute discretion, Landlord may continue this Lease in effect, provided however that there shall be a proportionate abatement of rent for the period of restoration commencing from the date on which Tenant gives Landlord written notice of such damage, based upon the impairment to

Tenant's use of the Premises arising from the damage when compared with Tenant's use prior to the damage.

In no event shall Landlord be required to restore the Premises. Tenant waives the provisions of Civil Code §§1932(2) and 1933(4) and any successor provisions of law with respect to damage or destruction of the Premises.

12. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

13. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq., and the Federal Mine Safety and Health Act of 1977, 30 U.S.C. §801 et seq., (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises. Without limitation, Tenant agrees to indemnify and hold harmless Landlord from any liability, claims or damages arising as a result of a

breach of the foregoing agreement and from all costs, expenses and charges arising therefrom, including, without limitation, attorneys' fees and court costs incurred by Landlord in connection therewith.

14. Condemnation. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable by Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent. Tenant waives the provisions of Code of Civil Procedure §1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as compensation for the taking of fixtures and equipment owned by Tenant and which would not, by the terms of this Lease, become property of the Landlord.

15. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission,

acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

16. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, costs or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

17. Indemnification and Exculpation of Landlord. Tenant shall indemnify and defend Landlord and save him harmless from and against any and all claims, actions, damages, liabilities and

expenses in connection with loss of life, bodily injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants, unless such loss of life, bodily injury or damage to property is caused solely and exclusively by the active negligence or wilful misconduct of Landlord. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall indemnify and defend Landlord and hold him harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever unless such damage is caused solely and exclusively by the active negligence or wilful misconduct of Landlord. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason except claims arising solely and exclusively from the active negligence or wilful misconduct of Landlord.

18. HAZARDOUS MATERIALS.

(a) Tenant warrants and represents to Landlord:

(i) Tenant's business operations on the Premises shall not involve the use, storage or generation of "Hazardous Materials," as hereinafter defined, and Tenant shall not permit any Hazardous Materials to be brought upon, stored, manufactured, or disposed on or transported from the Premises.

(ii) Tenant shall at all times be in compliance with all environmental laws applicable to the Premises.

(b) Tenant shall indemnify, defend and hold Landlord harmless against any and all claims, damages, enforcement actions, remedial actions, liabilities, losses, costs and expenses arising out of the presence of any Hazardous Materials on the Premises. Landlord shall have the right to enter on the Premises to conduct an environmental assessment at any time during the Lease term. If Hazardous Materials are detected, the cost of this assessment will be paid for by Tenant. Tenant shall be required to take all remedial action necessary to insure clean up of any Hazardous Materials present on the Premises and to comply with all environmental laws applicable at the end of the Lease term.

(c) The term "Hazardous Material(s)" shall mean any chemical, substance, material, controlled substance, object, condition, waste, living organism or combination thereof which is or may be hazardous to human health or safety or to the environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including without limitation, petroleum and petroleum products, asbestos, radon, polychlorinated biphenyls (PCB's), and all of those chemicals, substances, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof which are now or become in the future listed, defined or regulated in any manner, based directly or indirectly upon such properties or effects, pursuant to any applicable environmental law.

(d) The term "environmental law(s)" shall mean any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, court decision, ordinances, rules, codes, judicial or administrative orders or decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future, which are or become applicable to Tenant, Tenant's operations or the Premises.

(e) The provisions of this Paragraph shall be in addition to, and shall not diminish in any way, any other provision

of this Lease requiring Tenant's compliance with law or Tenant's obligation to defend, indemnify, and hold Landlord harmless.

19. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Workers' Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and comprehensive general liability and automobile liability insurance covering all its operations on or related to the Premises. The limits of such liability insurance shall in each case not be less than Two Million Dollars (\$2,000,000.00) combined single limit. All such liability policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall provide coverage to Landlord as an additional insured to the same extent as the named insured, shall provide for at least thirty (30) days prior written notice to Landlord of cancellation, termination or material change, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination, cancellation or material change, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

20. Default. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and

shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute;

(d) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant;

Then, and in any or either of such events Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, remove from the Premises all Tenant's personal property, and clean up and remove all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of

its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(i) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(ii) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(iii) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(iv) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (i) and (ii) of this paragraph is computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (iii) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or preservation or efforts to relet the Premises, the appointment of a

receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

21. Holding Over. Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either express or implied, such holding over shall be a tenancy from month to month subject to all the terms of this Lease pertaining to the obligations of Tenant.

22. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by certified mail, postage prepaid, addressed as follows:

To Landlord: CalMat Co.  
3200 San Fernando Road  
Los Angeles, CA 90065  
Attn: George Cosby, Vice President

To Tenant: Desmonds Studio Production Services  
P.O. Box 621  
Northridge, CA 91328

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

23. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the express written consent of Landlord which consent may be withheld in Landlord's sole and absolute discretion. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as

a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this paragraph.

As a condition to Landlord's consideration for approval of any proposed transfer, Tenant shall submit to Landlord in writing:

- (a) The name and legal composition of the proposed transferee;
- (b) The proposed transferee's intended use of the Premises, which shall not be other than the specific use authorized by this Lease;
- (c) Such information as to the proposed transferee's financial responsibility, business experience, and standing as Landlord may reasonably require;
- (d) A written consent of the proposed transferee to all the terms and conditions of this Lease and said transferee's consent to the incorporation of the terms and conditions of this Lease into any document of transfer; and
- (e) All of the terms and conditions upon which the proposed transfer is to be made.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease become effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

In the event of default by any transferee or Tenant or any successor of Tenant, in the performance of any of the terms of this Lease, Landlord may proceed directly against Tenant without

the necessity of exhausting remedies against said transferee. Landlord may consent to subsequent transfers of this Lease or amendments or modifications to this Lease with transferees of Tenant without notifying Tenant or any successor of Tenant and without obtaining its or their consent thereto and such action shall not relieve the Tenant or Tenant's successor of liability under this Lease. Notwithstanding any transfer, or any indulgences, waivers or extensions of time granted by Landlord to any transferee, or failure by Landlord to take action against any transferee, Tenant waives notice of any default of any transferee and agrees that Landlord may at its option proceed against Tenant without having taken action against or joined such transferee, except that Tenant shall have the benefit of any indulgences, waivers and extensions of time granted to any such transferee. Landlord's written consent to any transfer by Tenant shall not constitute an acknowledgement that no default then exists under this Lease of the obligations to be performed by Tenant, nor shall such consent be deemed a waiver of any then existing default.

Tenant immediately and irrevocably assigns to Landlord as security for Tenant's obligations under this Lease, all rent from any transferee, and Landlord as assignee and as attorney-in-fact for Tenant, or a receiver for Tenant appointed on Landlord's application, may collect such rent and apply it toward Tenant's obligations under this Lease; except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to collect such rent.

All rent and other consideration received from its transferee in excess of the rent payable by Tenant to Landlord under this Lease is hereby assigned to Landlord and shall be paid to Landlord by Tenant promptly after receipt.

If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of law, from one Tenant to the other shall be deemed a voluntary transfer.

If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant, or the

sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of more than 50% of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing more than 50% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

24. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas, telephone and all similar charges which may accrue with respect to the Premises during the term of this Lease. Should Tenant fail to so pay any utility charge as required herein, Landlord may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

25. Insolvency of Tenant. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

26. Abandonment. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during and for the purpose of making such repairs or restoration as may become necessary under the provisions hereof.

27. Transfer of Landlord's Interest. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

28. Subordination Agreement. Tenant shall, upon Landlord's request, execute an estoppel certificate and any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said mortgage or deed of trust, and subordinating this Lease to said mortgage or deed of trust.

29. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord. Such approval shall not be unreasonably withheld. If Tenant installs or permits any signs to be installed on the Premises without first having obtained Landlord's written approval thereof, Landlord may, after giving Tenant three (3) days written notice of its disapproval of any such sign, enter upon the Premises and remove the same at Tenant's expense. Any sign shall be purchased, installed, maintained, and at the end of this Lease, removed by Tenant at Tenant's sole expense.

30. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

31. Successors and Assigns. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

32. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses from the other party.

33. Quiet Possession. Landlord warrants that Tenant on paying the rental installments and other payments provided for hereby, and on keeping, observing, and performing all the other

terms, conditions, and provisions herein contained on the part of Tenant to be kept, observed and performed, shall, during the full Lease term, peaceably and quietly have, hold and enjoy the Premises, subject to the terms, conditions and provisions hereof.

34. Quitclaim Deed. Tenant shall execute and deliver to Landlord on the expiration or termination of this Lease, immediately on Landlord's request, a quitclaim deed to the Premises, in recordable form, designating Landlord as transferee.

35. Rélations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

36. Real Estate Brokers; Finders. Tenant represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

37. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby and no other agreement, statement or promises made by any party hereto or to any employee or agent of any party hereto which is not contained herein shall be binding or valid.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first above written.

## LEASE

THIS LEASE (hereinafter called "Lease") is entered into this 24 day of December, 1996, by and between CALMAT CO., a Delaware corporation (hereinafter called "Landlord"), and DESMONDS STUDIO PRODUCTION SERVICES, a California corporation (hereinafter called "Tenant").

### RECITALS

A. Landlord is the owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California, consisting of approximately 7.6 acres as shown outlined in red on the map attached hereto and incorporated herein as Exhibit "A" (hereinafter referred to as the "Premises").

B. Tenant desires to lease from Landlord and Landlord desires to rent to Tenant, the Premises, upon the following terms and conditions.

### AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises. Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas, hydrocarbonous substances, minerals and mineral rights in and under the land described as the Premises, with the right to explore therefor, sell, lease and/or remove same; provided, however, that Landlord will not do any exploration or other work which will materially affect Tenant's use under this Lease.

Landlord may, in its sole and absolute discretion, upon thirty (30) days notice to Tenant, or immediately upon notice in the event of an emergency, change the location of the Premises to any other area of land of approximately the same size owned or leased by Landlord or an affiliate within a radius of three (3) miles of the original Premises.

2. Term. The term of this Lease shall be five (5) years commencing on November 1, 1996, and expiring on October 31, 2001.

3. Rental. Tenant agrees to pay Landlord, without abatement, deduction, offset or prior demand, a rental of Thirteen Thousand Five Hundred Dollars (\$13,500.00) per month, adjusted in accordance with the provisions of paragraph 4, payable in advance on the first day of each calendar month during the term hereof. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Rental Adjustment. The monthly rental rate provided for in paragraph 3 herein shall be adjusted on each anniversary date of this Lease ("Adjustment Date") as follows: the basis for computing each adjustment in the monthly rental rate shall be the Consumer Price Index for Urban Wage Earners and Clerical Workers, Los Angeles-Anaheim-Riverside Area (Base Year 1982-1984 = 100), published by the United States Department of Labor, Bureau of Labor Statistics ("CPI"), which is published for the month which is three (3) months prior to the month in which the commencement date of this Lease occurs ("Beginning CPI"). The CPI published for the month which is three (3) months prior to the month in which the Adjustment Date in question occurs ("Adjustment CPI") is to be used in determining the amount of the adjustment. The monthly rental rate for each one year period commencing with an Adjustment Date shall be the result of multiplying the monthly rental rate by a fraction, the numerator of which is the Adjustment CPI and the denominator of which is the Beginning CPI, provided however, in no event shall the monthly rental rate be reduced below the monthly rental rate payable during the immediately preceding period. Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the same in some other manner, then Landlord may adopt a substitute index or substitute procedure which reasonably reflects and monitors consumer prices.

5. Late Charges. Tenant's failure to pay rent may cause Landlord to incur unanticipated costs. The exact amount of such costs are impractical or extremely difficult to ascertain. Such costs may include, but are not limited to, processing and accounting charges. Therefore, if Landlord does not receive any rent payment within ten (10) days after it becomes due, Tenant shall pay Landlord a late charge equal to ten percent (10%) of the overdue

amount. The parties agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of such late rent payment.

6. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of Fourteen Thousand Three Hundred Dollars (\$14,300.00) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the aforementioned required amount.

7. Improvements to the Premises. Tenant leases the Premises and the improvements thereon, if any, in an "as is" condition. Tenant's entry into possession of the Premises shall be deemed its acceptance of the condition of the Premises. Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its own use (except that Tenant shall not construct any additional lighting); provided, however, that improvements which cost more than Five Hundred Dollars (\$500.00) shall not be made without Landlord's prior written approval. Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the

construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

8. Taxes and Assessments. Tenant shall pay or cause to be paid before delinquency all personal property taxes and all taxes levied or assessed on account of any property in, on, or attached to the Premises, including without limitation property installed by or for Tenant, regardless of how, or to whom such taxes are assessed and whether such property so installed is assessed as personal property or as a part of the real property.

9. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except parking and storage of trucks, vans and movie studio equipment. Without limiting the foregoing or any other provision of this Lease, the following activities are specifically prohibited on the Premises: 1) washing of vehicles or equipment; 2) welding or open flame; 3) obstruction of common roads or other common areas; 4) storage of fuel, fuel hauling vehicles, or any toxic or hazardous substance. Tenant agrees, at its own cost and expense, to comply with all permits, laws, rules, regulations, ordinances and statutes of any and all municipal, county, state and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. If permitted by applicable law and ordinance, a maximum of one (1) person may reside on the Premises if such person is employed by Tenant as a caretaker. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere

with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use. Tenant's access and use of the Premises shall be limited to the hours of 6 a.m. to 10 p.m. daily, which hours shall be subject to revision in Landlord's sole discretion. If any vehicle or equipment obstructs Tenant's access to the Premises during the hours Tenant's access is permitted, Tenant may have such vehicle or equipment removed at owner's expense.

10. Maintenance and Repair. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code §§1941 and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense remove from the Premises all Tenant's personal property, and clean up and remove from the Premises all rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals required above or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

11. Damage or Destruction. If the Premises or any portion thereof shall be destroyed or damaged by any causes whatsoever, the following provisions shall apply:

(a) If the damage and repair thereof is of such nature and extent as not to interfere substantially with the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent.

(b) If the damage or repair thereof is of such nature and extent as to interfere substantially with, or prevent, the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent if Tenant is responsible for such repair. If Landlord is responsible for repair thereof, Landlord may, in its sole and absolute discretion, terminate this Lease and all obligations thereafter accruing hereunder shall terminate, or, in its sole and absolute discretion, Landlord may continue this Lease in effect, provided however that there shall be a proportionate abatement of rent for the period of restoration commencing from the date on which Tenant gives Landlord written notice of such damage, based upon the impairment to Tenant's use of the Premises arising from the damage when compared with Tenant's use prior to the damage.

In no event shall Landlord be required to restore the Premises. Tenant waives the provisions of Civil Code §§1932(2) and 1933(4) and any successor provisions of law with respect to damage or destruction of the Premises.

12. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent," "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

13. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., the California Occupational Health and Safety

Act of 1973, Labor Code §6300 et seq., and the Federal Mine Safety and Health Act of 1977, 30 U.S.C. §801 et seq., (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises.

14. Condemnation. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable by Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent. Tenant waives the provisions of Code of Civil Procedure §1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as compensation for the taking of fixtures and equipment owned by Tenant and which would not, by the terms of this Lease, become property of the Landlord.

15. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No

act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

16. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, costs or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

17. Indemnification and Exculpation of Landlord. Tenant shall defend, indemnify and hold harmless Landlord and its parents, subsidiaries, affiliates and contractors, and their respective officers, directors, attorneys, agents and employees (each an "Indemnitee"), from and against any and all claims, actions, damages, demands, losses, liabilities and expenses, of every nature and character, including but not limited to reasonable attorneys' fees (all

collectively "Claims"), which arise in whole or in part from, out of, or in connection with the failure of Tenant to observe and follow safety regulations or otherwise arising in whole or in part from, out of, or in connection with Tenant's entry onto or use of the Premises, including but not limited to Claims arising from the active or passive negligence of the Indemnitee, except Claims which are caused solely by the active negligence, gross negligence or willful misconduct of the Indemnitees. Payment shall not be a condition precedent to recovery under the forgoing indemnity. Tenant hereby releases the Indemnitees from all liability for any loss or damage to Tenant or Tenant's property caused by the negligence of the Indemnitees, or otherwise. Tenant hereby assumes full responsibility for and the risk of any loss or damage to Tenant or Tenant's property caused by the negligence of the Indemnitees. In the event the Indemnitees, or any of them, are made party to any litigation arising from a Claim for which Tenant is obligated to defend the Indemnitees under the terms hereof, Tenant shall defend the Indemnitees with the attorney of Landlord's choice and pay all reasonable costs, expenses and attorneys' fees incurred by the Indemnitees in connection therewith. The provisions of this paragraph shall survive until such time as actions against the Indemnitees on account of any Claim shall have been barred by applicable statutes of limitations.

18. Hazardous Materials.

(a) Tenant warrants and represents to Landlord:

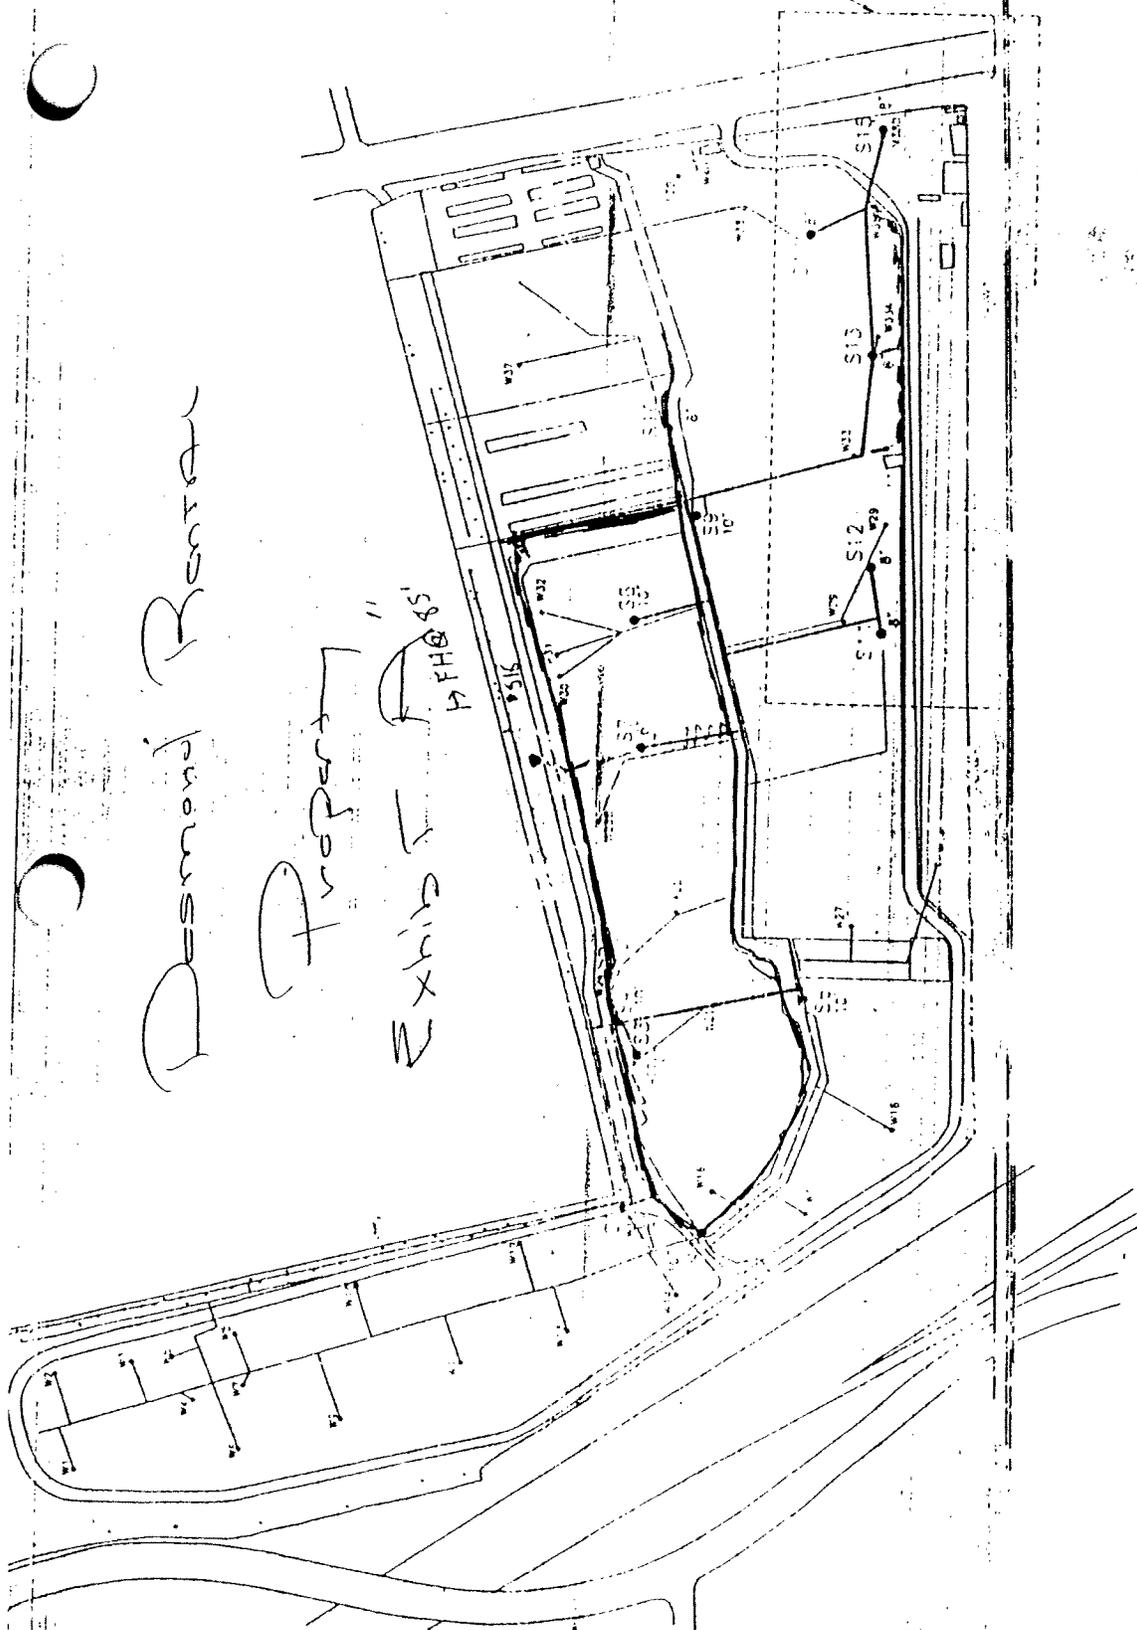

(i) Tenant's business operations on the Premises shall not involve the use, storage or generation of "Hazardous Materials," as hereinafter defined, and Tenant shall not permit any Hazardous Materials to be brought upon, stored, manufactured, or disposed on or transported from the Premises.

(ii) Tenant shall at all times be in compliance with all environmental laws applicable to the Premises.

(b) Tenant shall indemnify, defend and hold Landlord harmless against any and all claims, damages, enforcement actions, remedial actions, liabilities, losses, costs and expenses arising out of the presence of any Hazardous Materials on the Premises. Landlord shall have the right to enter on the Premises to conduct an environmental assessment at any time during the Lease term. If Hazardous Materials are detected, the cost of this assessment

## LEASE

THIS LEASE (hereinafter called "Lease") is entered into this 24 day of December 1996, by and between CALMAT CO., a Delaware corporation (hereinafter called "Landlord"), and DESMONDS STUDIO PRODUCTION SERVICES, a California corporation (hereinafter called "Tenant").

## RECITALS

A. Landlord is the owner of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California, consisting of approximately 7.6 acres as shown outlined in red on the map attached hereto and incorporated herein as Exhibit "A" (hereinafter referred to as the "Premises").

B. Tenant desires to lease from Landlord and Landlord desires to rent to Tenant, the Premises, upon the following terms and conditions.

## AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises. Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas, hydrocarbonous substances, minerals and mineral rights in and under the land described as the Premises, with the right to explore therefor, sell, lease and/or remove same; provided, however, that Landlord will not do any exploration or other work which will materially affect Tenant's use under this Lease.

Landlord may, in its sole and absolute discretion, upon thirty (30) days notice to Tenant, or immediately upon notice in the event of an emergency, change the location of the Premises to any other area of land of approximately the same size owned or leased by Landlord or an affiliate within a radius of three (3) miles of the original Premises.

2. Term. The term of this Lease shall be five (5) years commencing on November 1, 1996, and expiring on October 31, 2001.

3. Rental. Tenant agrees to pay Landlord, without abatement, deduction, offset or prior demand, a rental of Thirteen Thousand Five Hundred Dollars (\$13,500.00) per month, adjusted in accordance with the provisions of paragraph 4, payable in advance on the first day of each calendar month during the term hereof. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Rental Adjustment. The monthly rental rate provided for in paragraph 3 herein shall be adjusted on each anniversary date of this Lease ("Adjustment Date") as follows: the basis for computing each adjustment in the monthly rental rate shall be the Consumer Price Index for Urban Wage Earners and Clerical Workers, Los Angeles-Anaheim-Riverside Area (Base Year 1982-1984 = 100), published by the United States Department of Labor, Bureau of Labor Statistics ("CPI"), which is published for the month which is three (3) months prior to the month in which the commencement date of this Lease occurs ("Beginning CPI"). The CPI published for the month which is three (3) months prior to the month in which the Adjustment Date in question occurs ("Adjustment CPI") is to be used in determining the amount of the adjustment. The monthly rental rate for each one year period commencing with an Adjustment Date shall be the result of multiplying the monthly rental rate by a fraction, the numerator of which is the Adjustment CPI and the denominator of which is the Beginning CPI, provided however, in no event shall the monthly rental rate be reduced below the monthly rental rate payable during the immediately preceding period. Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the same in some other manner, then Landlord may adopt a substitute index or substitute procedure which reasonably reflects and monitors consumer prices.

5. Late Charges. Tenant's failure to pay rent may cause Landlord to incur unanticipated costs. The exact amount of such costs are impractical or extremely difficult to ascertain. Such costs may include, but are not limited to, processing and accounting charges. Therefore, if Landlord does not receive any rent payment within ten (10) days after it becomes due, Tenant shall pay Landlord a late charge equal to ten percent (10%) of the overdue

amount. The parties agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of such late rent payment.

6. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of Fourteen Thousand Three Hundred Dollars (\$14,300.00) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the aforementioned required amount.

7. Improvements to the Premises. Tenant leases the Premises and the improvements thereon, if any, in an "as is" condition. Tenant's entry into possession of the Premises shall be deemed its acceptance of the condition of the Premises. Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its own use (except that Tenant shall not construct any additional lighting); provided, however, that improvements which cost more than Five Hundred Dollars (\$500.00) shall not be made without Landlord's prior written approval. Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the

construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances and governmental regulations applicable thereto. Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

8. Taxes and Assessments. Tenant shall pay or cause to be paid before delinquency all personal property taxes and all taxes levied or assessed on account of any property in, on, or attached to the Premises, including without limitation property installed by or for Tenant, regardless of how, or to whom such taxes are assessed and whether such property so installed is assessed as personal property or as a part of the real property.

9. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except parking and storage of trucks, vans and movie studio equipment. Without limiting the foregoing or any other provision of this Lease, the following activities are specifically prohibited on the Premises: 1) washing of vehicles or equipment; 2) welding or open flame; 3) obstruction of common roads or other common areas; 4) storage of fuel, fuel hauling vehicles, or any toxic or hazardous substance. Tenant agrees, at its own cost and expense, to comply with all permits, laws, rules, regulations, ordinances and statutes of any and all municipal, county, state and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. If permitted by applicable law and ordinance, a maximum of one (1) person may reside on the Premises if such person is employed by Tenant as a caretaker. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere

with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use. Tenant's access and use of the Premises shall be limited to the hours of 6 a.m. to 10 p.m.daily, which hours shall be subject to revision in Landlord's sole discretion. If any vehicle or equipment obstructs Tenant's access to the Premises during the hours Tenant's access is permitted, Tenant may have such vehicle or equipment removed at owner's expense.

10. Maintenance and Repair. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code §§1941 and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense remove from the Premises all Tenant's personal property, and clean up and remove from the Premises all rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals required above or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

11. Damage or Destruction. If the Premises or any portion thereof shall be destroyed or damaged by any causes whatsoever, the following provisions shall apply:

(a) If the damage and repair thereof is of such nature and extent as not to interfere substantially with the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent.

(b) If the damage or repair thereof is of such nature and extent as to interfere substantially with, or prevent, the use of the Premises by Tenant, this Lease shall remain in effect and there shall be no abatement of rent if Tenant is responsible for such repair. If Landlord is responsible for repair thereof, Landlord may, in its sole and absolute discretion, terminate this Lease and all obligations thereafter accruing hereunder shall terminate, or, in its sole and absolute discretion, Landlord may continue this Lease in effect, provided however that there shall be a proportionate abatement of rent for the period of restoration commencing from the date on which Tenant gives Landlord written notice of such damage, based upon the impairment to Tenant's use of the Premises arising from the damage when compared with Tenant's use prior to the damage.

In no event shall Landlord be required to restore the Premises. Tenant waives the provisions of Civil Code §§1932(2) and 1933(4) and any successor provisions of law with respect to damage or destruction of the Premises.

12. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent," "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

13. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., the California Occupational Health and Safety

Act of 1973, Labor Code §6300 et seq., and the Federal Mine Safety and Health Act of 1977, 30 U.S.C. §801 et seq., (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises.

14. Condemnation. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable by Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent. Tenant waives the provisions of Code of Civil Procedure §1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as compensation for the taking of fixtures and equipment owned by Tenant and which would not, by the terms of this Lease, become property of the Landlord.

15. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No

act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

16. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, costs or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

17. Indemnification and Exculpation of Landlord. Tenant shall defend, indemnify and hold harmless Landlord and its parents, subsidiaries, affiliates and contractors, and their respective officers, directors, attorneys, agents and employees (each an "Indemnitee"), from and against any and all claims, actions, damages, demands, losses, liabilities and expenses, of every nature and character, including but not limited to reasonable attorneys' fees (all

collectively "Claims"), which arise in whole or in part from, out of, or in connection with the failure of Tenant to observe and follow safety regulations or otherwise arising in whole or in part from, out of, or in connection with Tenant's entry onto or use of the Premises, including but not limited to Claims arising from the active or passive negligence of the Indemnitee, except Claims which are caused solely by the active negligence, gross negligence or willful misconduct of the Indemnitees. Payment shall not be a condition precedent to recovery under the forgoing indemnity. Tenant hereby releases the Indemnitees from all liability for any loss or damage to Tenant or Tenant's property caused by the negligence of the Indemnitees, or otherwise. Tenant hereby assumes full responsibility for and the risk of any loss or damage to Tenant or Tenant's property caused by the negligence of the Indemnitees. In the event the Indemnitees, or any of them, are made party to any litigation arising from a Claim for which Tenant is obligated to defend the Indemnitees under the terms hereof, Tenant shall defend the Indemnitees with the attorney of Landlord's choice and pay all reasonable costs, expenses and attorneys' fees incurred by the Indemnitees in connection therewith. The provisions of this paragraph shall survive until such time as actions against the Indemnitees on account of any Claim shall have been barred by applicable statutes of limitations.

18. Hazardous Materials.

(a) Tenant warrants and represents to Landlord:

(i) Tenant's business operations on the Premises shall not involve the use, storage or generation of "Hazardous Materials," as hereinafter defined, and Tenant shall not permit any Hazardous Materials to be brought upon, stored, manufactured, or disposed on or transported from the Premises.

(ii) Tenant shall at all times be in compliance with all environmental laws applicable to the Premises.

(b) Tenant shall indemnify, defend and hold Landlord harmless against any and all claims, damages, enforcement actions, remedial actions, liabilities, losses, costs and expenses arising out of the presence of any Hazardous Materials on the Premises. Landlord shall have the right to enter on the Premises to conduct an environmental assessment at any time during the Lease term. If Hazardous Materials are detected, the cost of this assessment

will be paid for by Tenant. Tenant shall be required to take all remedial action necessary to insure clean up of any Hazardous Materials present on the Premises and to comply with all environmental laws applicable at the end of the Lease term.

(c) The term "Hazardous Material(s)" shall mean any chemical, substance, material, controlled substance, object, condition, waste, living organism or combination thereof which is or may be hazardous to human health or safety or to the environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including without limitation, petroleum and petroleum products, asbestos, radon, polychlorinated biphenyls (PCB's), and all of those chemicals, substances, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof which are now or become in the future listed, defined or regulated in any manner, based directly or indirectly upon such properties or effects, pursuant to any applicable environmental law.

(d) The term "environmental law(s)" shall mean any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, court decision, ordinances, rules, codes, judicial or administrative orders or decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future, which are or become applicable to Tenant, Tenant's operations or the Premises.

(e) The provisions of this Paragraph shall be in addition to, and shall not diminish in any way, any other provision of this Lease requiring Tenant's compliance with law or Tenant's obligation to defend, indemnify, and hold Landlord harmless.

19. Insurance. Tenant shall keep and maintain in force during the term hereof the following policies of insurance:

(a) Comprehensive general liability insurance with coverages including Premises/Operations, Products/Completed Operations, Blanket Contractual, Owner's and Contractor's Protective, and Personal Injury, and with limits of not less than ~~Five~~ <sup>Two</sup> Million Dollars combined single limit and annual aggregate for Bodily Injury and Property Damage, which limits shall apply separately to the Premises, and

(b) Comprehensive automobile liability insurance, covering all Owned, Leased and Hired Autos and Trucks and Non-Owned Autos and Trucks, and with limits of Two Million Dollars combined single limit per accident for Bodily Injury and Property Damage, and

(c) Workers' compensation and employer's liability insurance covering all of Tenant's employees, with limits for workers' compensation as required by law and limits for employer's liability of not less than One Million Dollars per occurrence, with a waiver of subrogation as to Landlord and its parents, subsidiaries, affiliates and contractors, and their respective officers, directors, attorneys, agents and employees.

Each general liability and automobile liability policy shall be endorsed to provide coverage as additional insureds, to the same extent as the named insured, to Landlord, and its parents, subsidiaries, affiliates and contractors, and their respective officers, directors, attorneys, agents and employees, shall contain a severability of interest provision allowing Landlord and the other additional insureds to recover on a claim covered by the policy notwithstanding that they are additional insureds, and shall provide that the insurance afforded to the additional insureds under the policy shall be primary insurance and shall not be contributory in any way with insurance or self insurance maintained by the additional insureds. The liability insurance policies described above shall be issued by companies approved to do business in California and which have a current A.M. Best Company rating of at least A-/VII. Tenant shall at all times provide Landlord with certificates of insurance, including copies of the required endorsements, evidencing that the foregoing insurance is in effect. Each certificate will provide for at least thirty (30) days prior written notice to Landlord of cancellation, termination or material change. Insurance written on a claims form shall be endorsed to provide an extended reporting period of not less than five (5) years following termination of this Lease.

20. Default. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute;

(d) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant;

Then, and in any or either of such events Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, remove from the Premises all Tenant's personal property, and clean up and remove all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(i) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(ii) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(iii) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(iv) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (i) and (ii) of this paragraph is computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (iii) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or preservation or efforts to relet the Premises, the appointment of a receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

21. Holding Over. Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either express or

implied, such holding over shall be a tenancy from month to month subject to all the terms of this Lease pertaining to the obligations of Tenant.

22. Notices. All notices, demands, and requests under this Lease by either party shall be sent by United States first class mail, certified or express, postage prepaid, or personally delivered (including delivery by a national express courier such as Federal Express, U.P.S., etc.), addressed to the parties as follows:

To Landlord: CalMat Co.  
3200 San Fernando Road  
Los Angeles, CA 90065  
Attn: George Cosby

To Tenant: Desmonds Studio Production Services  
P.O. Box ~~681~~ 15817  
~~Northridge, CA 91328~~  
NORTH HOLLYWOOD, CA 91615-5917

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

23. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the express written consent of Landlord which consent may be withheld in Landlord's sole and absolute discretion. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this paragraph.

As a condition to Landlord's consideration for approval of any proposed transfer, Tenant shall submit to Landlord in writing:

- (a) The name and legal composition of the proposed transferee;
- (b) The proposed transferee's intended use of the Premises, which shall not be other than the specific use authorized by this Lease;

(c) Such information as to the proposed transferee's financial responsibility, business experience, and standing as Landlord may reasonably require;

(d) A written consent of the proposed transferee to all the terms and conditions of this Lease and said transferee's consent to the incorporation of the terms and conditions of this Lease into any document of transfer; and

(e) All of the terms and conditions upon which the proposed transfer is to be made.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease become effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

In the event of default by any transferee or Tenant or any successor of Tenant, in the performance of any of the terms of this Lease, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against said transferee. Landlord may consent to subsequent transfers of this Lease or amendments or modifications to this Lease with transferees of Tenant without notifying Tenant or any successor of Tenant and without obtaining its or their consent thereto and such action shall not relieve the Tenant or Tenant's successor of liability under this Lease. Notwithstanding any transfer, or any indulgences, waivers or extensions of time granted by Landlord to any transferee, or failure by Landlord to take action against any transferee, Tenant waives notice of any default of any transferee and agrees that Landlord may at its option proceed against Tenant without having taken action against or joined such transferee, except that Tenant shall have the benefit of any indulgences, waivers and extensions of time granted to any such transferee. Landlord's written consent to any transfer by Tenant shall not constitute an acknowledgment that no default then exists under

this Lease of the obligations to be performed by Tenant, nor shall such consent be deemed a waiver of any then existing default.

Tenant immediately and irrevocably assigns to Landlord as security for Tenant's obligations under this Lease, all rent from any transferee, and Landlord as assignee and as attorney-in-fact for Tenant, or a receiver for Tenant appointed on Landlord's application, may collect such rent and apply it toward Tenant's obligations under this Lease; except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to collect such rent.

With respect to a sublease, license or other transfer of less than all of Tenant's interest hereunder, consideration received from its transferee in excess of the consideration otherwise payable by Tenant to Landlord under this Lease is hereby assigned to Landlord and shall be paid to Landlord by Tenant promptly after receipt. With respect to an assignment, all consideration received by Tenant from its transferee is hereby assigned to Landlord.

If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of law, from one Tenant to the other shall be deemed a voluntary transfer.

If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant, or the sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of more than 50% of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing more than 50% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

24. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas, telephone and all similar charges which may accrue with respect to the Premises during the term of this Lease. Should Tenant fail to so pay any utility charge as required herein, Landlord may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

25. Insolvency of Tenant. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

26. Abandonment. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during and for the purpose of making such repairs or restoration as may become necessary under the provisions hereof.

27. Transfer of Landlord's Interest. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

28. Subordination Agreement. Tenant shall, upon Landlord's request, execute an estoppel certificate and any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said mortgage or deed of trust, and subordinating this Lease to said mortgage or deed of trust.

29. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord. Such approval shall not be unreasonably withheld. If Tenant installs or permits any signs to be installed on the Premises without first having obtained Landlord's written approval thereof, Landlord may, after giving Tenant three (3) days written notice of its disapproval of any such sign, enter upon the Premises and remove the same at Tenant's expense. Any sign shall be purchased, installed, maintained, and at the end of this Lease, removed by Tenant at Tenant's sole expense.

30. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated

thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only. Unless the context of this Lease clearly requires otherwise, (a) the plural and singular numbers shall each be deemed to include the other; (b) the masculine, feminine and neuter genders shall each be deemed to include the others; (c) "or" is not exclusive; and (d) "includes" and "including" are not limiting.

31. Successors and Assigns. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

32. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses from the other party.

33. Quitclaim Deed. Tenant shall execute and deliver to Landlord on the expiration or termination of this Lease, immediately on Landlord's request, a quitclaim deed to the Premises, in recordable form, designating Landlord as transferee.

34. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

35. Real Estate Brokers; Finders. Tenant represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

36. Entire Agreement. This Lease constitutes the final, complete and exclusive statement of the terms of the agreement between the parties pertaining to the subject matter of this Lease and supersedes all prior and contemporaneous understandings or agreements of the parties. No party has been induced to enter into this Lease by, nor is any party relying on, any representation or warranty outside those expressly set forth in this Lease.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first above written.

2. Quiet Possession. So long as Lessee performs its obligations, Lessor covenants to it quiet and peaceful possession of the leased space, and the right to use the same free of interference from noise, noxious or unpleasant fumes or odors or other disturbance from other tenants in the same building.

3. Lessee's Obligations. Lessee agrees as follows:

10. Inspection. Lessor has the right to enter the

premises for reasonable inspections, and to show the same to prospective tenants during the last sixty days of the term.

11. Liability. Unless caused by the negligence or wilful act or failure to act of Lessor or its agents or employees, Lessee waives all claims against Lessor for damages to the property of Lessee, resulting from the building or its equipment being out of repair, or from act or neglect of any other tenant or occupant or any incident or, theft in or about the building.

12. Maintenance and Repair. Lessor shall keep in repair the building and leased premises including both exterior, interior, parking lots, driveways and all structural parts, fixtures, wiring, plumbing, heating, water pipes, plastering and flooring therein, except only those installations, if any, provided by Lessee; provided, however, that Lessee shall reimburse Lessor for a pro-rata share of such maintenance and repair expenses based on the square footage of the facilities subleased hereunder. Without limiting the foregoing, Lessor agrees to keep heating plant, electrical and water connections and facilities and air conditioning (if installed by Lessor) in first-class operating condition and available for continuous use.

13. Signs. Lessor will not unreasonably withhold consent to Lessee's lettering of windows or erection of signs as are reasonably necessary to Lessee's business and are in keeping with the standards maintained in the building.

15. Office Equipment. Lessee may install and use business machines as necessary to conduct its business, including, but not limited to addressograph machines and photochemical equipment.

16. Holding Over by Lessee. If Lessee shall remain in the demised premises after the expiration of this lease without having executed a new written lease, then Lessor shall have the option to treat Lessee either (a) as one not lawfully entitled to possession of the premises, and shall thereupon be entitled to take all lawful action for Lessee's immediate removal therefrom, or (b) as a tenant for the next ensuing calendar month and for each separate ensuing calendar month thereafter, in which case said tenancy may be terminated by either Lessor or Lessee as of the end of any calendar month upon thirty days' prior written notice, and Lessee shall pay monthly rent at the rate herein

specified for each such month. No such holding over shall give rise, whether by operation of law or otherwise, to any other tenancy or tenancy than that set forth in this paragraph.

b. Lessor shall provide to Lessee elevator service at all reasonable business hours, and shall also provide to Lessee such other services, not designated in this lease, as Lessor customarily provides without charge to other tenants in the building or shopping center.

c. Lessee agrees to obey all such reasonable rules as do not conflict with this lease and as Lessor may establish uniformly throughout the building or shopping center, from time to time, provided that Lessee's office manager is notified of the same.

18. Condemnation. If any portion of the premises or the access thereto is condemned and if, in Lessee's sole opinion the remainder is inadequate, then Lessee shall have the option (to be exercised within 90 days of written notice to Lessee of the area to be condemned) to cancel this lease as of the effective date of condemnation; in such case, any portion of a condemnation award or settlement attributable to the Lessee's leasehold (including options to extend the same) shall be paid to Lessee. Lessee shall have reasonable opportunity to participate in the condemnation proceedings. If any characteristics of the premises are made less desirable by condemnation, and Lessee elects not to cancel, then there shall be an equitable adjustment of rent to reflect such fact for the balance of the term.

19. Subordination. This lease and the Lessee's rights hereunder shall at all times be subordinate to the liens of mortgages now or hereafter placed on the building or any underlying leasehold estate. So long as Lessee performs its covenants, its right to possession herewith shall not be disturbed under the rights or powers granted in any such mortgage.

20. Termination. Lessee, at its option, shall be entitled to terminate or reduce the size of the space leased hereunder upon 90 days notice to Lessor.

21. Renewal. Lessee, at its option, shall be entitled

to two successive renewals hereof, each for a term of one year upon the same terms and conditions as set forth herein. Said option to be exercised in writing <sup>90</sup> days prior to the expiration of the original or succeeding terms.

22. Commencement of Term Adjustment. In the event the premises are not in tenantable condition at the time of the commencement of the term of this lease, the term shall run for a period of one year from the date of completion of the premises and acceptance by the Lessee and the date of commencement and expiration of the amended term shall be stated in writing signed by both parties and attached to the lease. This provision is not intended to waive or cancel the Lessee's right to terminate this agreement in the event the premises are not completed and ready for occupancy within sixty days from the specified date of commencement of the term as provided by Paragraph 7, hereof.

23. Waiver of Subrogation. Notwithstanding anything to the contrary contained herein, neither Lessor nor Lessee shall be liable to the other for any loss or damage caused by fire or any other risk insured against by fire, standard extended coverage and malicious mischief and vandalism insurance, in force at the time of such loss or damage.

24. Amendments. There are no agreements between the parties except as stated in this lease. No amendments hereof shall be effective unless in writing, signed by both parties.

A. The relationship between Sublessor and Sublessee, shall in all respects be governed by, and be conducted in accordance with, the terms and conditions of the Master Lease to the extent such terms and conditions are not inconsistent with the terms and conditions of this Sublease. Unless otherwise specifically provided in this Sublease, but only with respect to the Sublet Premises, Sublessor shall have all of the rights and shall incur all of the obligations of the Master Lessor under the Master Lease and Sublessee shall have all of the rights and incur all of the obligations of the lessee under the Master Lease. With respect to the parties hereto, in the event of any inconsistencies between the terms and provisions of the Master Lease and the terms and provisions of this Sublease, the terms and provisions of this Sublease shall govern, except that nothing contained in this sublease shall be construed as depriving the Master Lessor of any of its rights as lessor under the Master Lease.

B. In order to ascertain the rights and obligations of Sublessor and Sublessee herein with respect to the Sublet Premises, whenever the word "Lease" appears in the Master Lease, such word shall mean this Sublease; whenever the word "Lessor" appears in the Master Lease, such word shall mean Sublessor hereunder; whenever the word "Lessee" appears in the Master Lease, such word shall mean Sublessee hereunder; and whenever the term the "Premises" appears in the Master Lease, such term shall mean the Sublet Premises.

C. Sublessee recognizes that Master Lessor has reserved certain rights with respect to the Sublet Premises under the terms and provisions of the Master Lease, which rights will continue to be exercised by Master Lessor. Sublessee further agrees that any obligations, responsibilities and duties incurred by Sublessor hereunder may be undertaken by the Master Lessor subject to the conditions and

limitations contained in the Master Lease and that the performance of such obligations, responsibilities and duties by the Master Lessor in accordance with the terms of the Master Lease will constitute full performance thereof by Sublessor hereunder.

D. Nothing contained in this Sublease shall be construed as relieving Sublessor from any of its covenants and obligations as lessee under the Master Lease.

4. RENT. Notwithstanding the payments constituted as rent or otherwise in the Master Lease, Sublessee agrees to pay annual rent without demand, set-off or counterclaim for the Sublet Premises in the amount of Seventeen thousand, three hundred fifty two, and twenty-four cents (\$17,352.24) ("Rent"), payable in equal monthly installments of One thousand, four hundred forty six, and two cents (\$1,446.02), in advance on the first (1st) day of each calendar month of the Term. If the Term begins (or ends) on a day other than the first (or last) day of a calendar month, the Rent for the partial month shall be prorated and payable on the Commencement Date or the first day of the last month of the Term, respectively.

5. UTILITIES & TAXES.

The Rent includes Sublessee's proportionate share of the utilities and Taxes; provided, however, if, in Sublessor's reasonable judgement, Sublessee is using a utility or utilities in excess of that required for general office uses, Sublessor may bill Sublessee for the increase in utility costs. Sublessee shall pay any such utility bill within ten (10) days of Sublessee's receipt of the bill. Notwithstanding that the Rent includes Sublessee's share of the Taxes, Sublessee shall pay all Taxes levied, assessed or attributable to Sublessee's personal property, equipment and trade fixtures located on the Sublet Premises.

6. SUBLESSOR'S OBLIGATIONS. Sublessor agrees as follows:

A. Sublessor covenants and agrees that it shall observe and perform all of its covenants and agreements under the Master Lease except those expressly assumed by Sublessee under this Sublease, so as not to permit any default to occur. Sublessor further covenants that it shall not voluntarily agree with Master Lessor to terminate the Master Lease during the term of this Sublease, except as expressly provided herein.

B. Sublessor agrees to accord to Sublessee the same services and benefits with respect to the Sublet Premises that Sublessor is accorded (to the extent that Sublessor receives such benefits from Master Lessor) under the Master Lease. Sublessor shall not otherwise be obligated to provide Sublessee with any services or benefits. Any notice required under the Master Lease relating to such benefits to be given by Sublessor to Sublessee shall be given within a reasonable time after Sublessor receives the corresponding notice from Master Lessor under the Master Lease.

C. Provided Sublessee promptly pays all Rent due under this Sublease and promptly and faithfully performs all other covenants and undertakings of Sublessee as sublessee hereunder, and provided further that Sublessor's right to possession of the Premises demised to it as lessee under the Master Lease remains in effect throughout the Term of this Sublease, Sublessor warrants to Sublessee quiet possession and enjoyment of the Sublet Premises during the Term of this Sublease. If Sublessor's right to possession of the Premises shall terminate at any time during the Term of this

Sublease, then thereupon this Sublease and the Term granted to Sublessee hereunder shall immediately terminate. Sublessor shall have no liability to Sublessee by reason of such termination unless such termination results from a default by Sublessor under the provisions of subparagraph 6A hereof. Additionally, if the Master Lease gives Sublessor any right to terminate the Master Lease in the event of a default by Master Lessor, the partial or total damage, destruction or condemnation of the Premises, the exercise of such right by Sublessor shall not constitute a default or breach hereunder.

7. SUBLESSEE'S OBLIGATIONS. With respect to the Sublet Premises, Sublessee agrees as follows:

A. to assume and undertake, to be bound by and become liable for, and promptly and faithfully to perform each covenant, undertaking, agreement, and obligation of Sublessor as lessee under the Master Lease, except as expressly modified by this Sublease, including, without limitation, to keep the Sublet Premises in good condition and repair without alteration or modification and to deliver possession of the Sublet Premises to Sublessor upon the expiration or earlier termination of this Sublease in the same condition as received, ordinary wear and tear and damage by fire or other casualty excepted and to use the Sublet Premises in a quiet and orderly fashion and not to suffer or permit any violations of laws or ordinances therein. Sublessee's agreement under the preceding sentence shall inure to the benefit both of Sublessor as sublessor herein and of Master Lessor in the Master Lease.

B. to indemnify and hold Sublessor and its successors and assigns harmless, at Lessee's sole cost, against and from any and all claims, demands, actions, causes of action, debts, liabilities, obligations, judgments and decrees, which may be made, asserted or recovered against them or any one or more of them by virtue of Sublessee's occupancy or use of the Sublet Premises or Sublessee's failure to perform any such covenant, undertaking, agreement or obligation of Sublessor as lessee under the Master Lease as provided in this Sublease. Sublessee further agrees to deliver to Sublessor and to Master Lessor any further instruments or documents which may be reasonably required to establish to the satisfaction of Sublessor or Master Lessor that Sublessee has agreed to be bound and become liable under the terms and conditions of the Master Lease as provided in this paragraph.

8. SUBLESSEE'S PERSONAL PROPERTY. Sublessee assumes sole risk for loss or damage to its personal property, equipment and trade fixtures ("Personal Property") on or about the Sublet Premises. Sublessor shall not be liable for any damage to Sublessee's Personal Property from any cause whatsoever. Sublessee shall maintain such insurance as it deems adequate and appropriate for the protection of its Personal Property. At no time and in no event may Sublessee remove from the Sublet Premises or the Premises any property, equipment or trade fixtures of any kind belonging to Sublessor.

9. SUBLESSOR'S REMEDIES.

A. In the event of a default by Sublessee, Sublessor shall have all the remedies accorded the Master Lessor under the Master Lease as to the default by the lessee thereunder.

B. In the event Sublessee fails to perform any of its obligations hereunder, then Sublessor may, but in no way shall be obligated to, perform all or any part of Sublessee's obligations hereunder on behalf of Sublessee. Any costs or expenses actually incurred by Sublessor which were

necessary in Sublessor's reasonable judgment in so performing Sublessee's obligations (including, but not limited to, Sublessor's reasonable attorneys' fees and costs) shall be additional rent due hereunder immediately upon demand for payment by Sublessor to Sublessee and shall bear interest at the rate of two percent (2%) per month from the date expended by Sublessor until the date repaid by Sublessee.

C. If, as a result of a default under this Sublease by Sublessee, Master Lessor deems Sublessor in default under the Master Lease and pursues such remedies therefor as may be provided Master Lessor by law, equity or in the Master Lease, Sublessee agrees to reimburse Sublessor promptly on demand the amount of any and all costs, claims and expenses, including reasonable attorneys' fees and costs resulting therefrom.

10. **SUBLESSEE'S REMEDIES.** In the event of any breach of this Sublease by the Sublessor, Sublessee shall have all of the remedies accorded the lessee under the Master Lease as to the default by the lessor thereunder. Notwithstanding the above, Sublessee agrees that in the event of any default by Sublessor hereunder which arises from a failure of Master Lessor to perform its obligations under the Master Lease, so long as Sublessor diligently pursues an action against Master Lessor, Sublessee's monetary damages and remedies against Sublessor for such default shall in all cases be limited to, and shall not exceed, those monetary damages recovered by Sublessor from the Master Lessor by reason of such breach and those remedies successfully invoked by Sublessor against Master Lessor for such default by Master Lessor under the terms of the Master Lease.

11. **ALTERATIONS.** Sublessee shall not make any alterations or leasehold improvements to the Sublet Premises without Sublessor's prior written consent, which consent may be withheld in Sublessor's sole and absolute discretion. In the event Sublessee desires to make an alteration or leasehold improvement, Sublessee shall submit the proposed plans and specifications to Sublessor at the time Sublessee seeks Sublessor's consent. If Sublessor approves of the proposed alterations or leasehold improvements, all such work shall comply with Paragraph 7 of the Master Lease. Whenever consent of the Sublessor is required with respect to such alterations and leasehold improvements, consent of the Master Lessor shall also be required.

12. **ASSIGNMENT AND SUBLETTING.** Sublessee shall not assign or sublease the Sublet Premises without Sublessor's prior written consent, which consent may be withheld in Sublessor's sole and absolute discretion. In the event Sublessee desires to assign or sublease the Sublet Premises, Sublessee shall submit the name and address of the proposed assignee or subtenant, the terms of the proposed assignment or sublease and the proposed form of assignment or sublease to Sublessor and Master Lessor at the time Sublessee seeks Sublessor's consent. If Sublessor approves of the proposed assignment or sublease, Sublessee shall not be relieved of its obligations under this Sublease, consistent with Paragraph 16B of the Master Lease. Whenever consent of the Sublessor is required with respect to an assignment or sublease, consent of the Master Lessor shall also be required.

13. INSURANCE.

In addition to the insurance to be carried by Sublessor as lessee under the Master Lease, Sublessee shall maintain during the Term of this Sublease the following coverage:

A. Comprehensive public liability and property damage insurance in an amount not less than One Million Dollars (\$1,000,000.00), single limit, with respect to personal injury, death and property damage for any one occurrence. The policy shall name Sublessor as an additional insured and shall have attached thereto an endorsement which requires at least thirty (30) days written notice to Sublessor prior to cancellation, termination or modification.

B. Sublessee shall maintain its own insurance on Sublessee's Personal Property as well as the leasehold improvements. Such insurance shall provide that it is specific and not contributory.

All insurance policies to be maintained by Sublessee hereunder shall be written with companies authorized to do business in the State and otherwise be consistent with the terms of Paragraph 13 of the Master Lease.

14. NOTICES. All notices, requests and demands to be made hereunder shall be in writing at the address set forth in paragraph 2.4 by any of the following means: (a) personal service (including service by overnight courier service); (b) electronic communication, such as facsimile (if confirmed in writing sent by registered or certified, First Class Mail, return receipt requested on the same day as the electronic transmission); or (c) registered or certified, First Class Mail, return receipt requested. Such addresses may be changed by notice to the other parties given in the same manner provided above. Any notice, request or demand sent pursuant to either subsection (a) or (b) hereof shall be deemed received upon such personal service or upon dispatch by electronic means, and if sent, pursuant to subsection (c) shall be deemed received three (3) days following deposit in the mail.

15. SUCCESSORS AND ASSIGNS. The terms, covenants and conditions of this Sublease shall inure to the benefit of and be binding upon the respective parties hereto, their successors and permitted assigns.

16. CONDITION OF THE SUBLET PREMISES. Sublessee agrees to accept the Sublet Premises in "as is" condition, and agrees that, except as expressly provided herein, Sublessor is under no obligation to improve, alter or otherwise prepare the Sublet Premises for occupancy.

18. SUBLESSOR TERMINATION RIGHT. It is agreed that this Sublease shall be terminated upon termination by Sublessor (or Sublessee) for cause or any or no reason of the Towing Agreement by and between Sublessor and Absolute Towing dated October 1, 1991.

19. CONSTRUCTION, ALTERATIONS AND IMPROVEMENTS. Sublessee, at Sublessor's expense, may construct or remodel the Sublet Premises in accordance with the plans, specifications, elevations and renderings ("Plans") to be prepared by Sublessor and approved by Sublessee and Master Lessor, which approval shall not be unreasonably withheld or delayed. The Plans shall require the

completion of the Sublet Premises, including all facilities and services specifically required by this Sublease, with sound materials and good construction and in all cases consistent with the requirements of the Master Lease. Sublessor and Master Lessor shall approve or disapprove of the Plans within five (5) days after the same are submitted by Sublessee and, upon approval thereof by Sublessor and Master Lessor. The Plans shall be deemed to be attached to and form a part of this Sublease. Sublessee shall proceed with construction promptly upon the approval of the Plans and shall take all reasonable efforts to substantially complete the Sublet Premises by the Anticipated Commencement Date. Substantial Completion shall mean that the Sublet Premises are completed such that (A) Sublessee can begin to use the Sublet Premises for their intended purposes without material interference from Sublessor and (B) the only incomplete items are either cosmetic or otherwise not material to Sublessee operating its business in the Sublet Premises. Sublessor shall not be liable for any delays in delivering the Sublet Premises to Sublessee by the Anticipated Commencement Date and Sublessee shall not be able to terminate this Sublease as a result of any such delays unless Sublessor has failed to deliver the Sublet Premises at least sixty (60) days prior to the anticipated commencement date.

20. **SIGNS.** To the extent permissible by the Master Lease and provided any such installation is consistent with the standards of the Master Lease, Sublessor will not unreasonably withhold consent to Sublessee's lettering of windows or erection of signs as are reasonably necessary to identify Sublessee's business.

21. **PARKING.** Sublessee shall be entitled to the same exclusive use of six parking spaces (as designated in the Master Lease for Sublessor) for its employees and invitees. Sublessor, at Sublessor's cost, shall mark or otherwise designate these parking spaces as being available exclusively to Sublessee. Sublessee shall not, however, be permitted to service vehicles in the parking lot, or park large trucks in the parking lot at any time.

22. **ATTORNEYS' FEES.** If Sublessor or Sublessee shall commence an action against the other arising out of or in connection with this Sublease, the prevailing party shall be entitled to recover its costs of suit and reasonable attorneys' fees in addition to any other relief to which such prevailing party may be entitled.

23. **UNTENABILITY.** If the Sublet Premises, or any portion thereof, are made untenable by fire or other casualty, Rent shall abate proportionately from the date of such casualty to the date the damaged portion of the Sublet Premises is restored. Sublessor shall restore the Sublet Premises, to the extent of the insurance proceeds made available for such restoration, as promptly as practicable exercising due diligence and, if Sublessor has not restored the Sublet Premises within ninety (90) days after the date of the casualty, Sublessee shall have the right to terminate this Sublease. If the Sublet Premises are more than fifty percent (50%) destroyed by casualty, either Sublessor or Sublessee may terminate this Sublease, retroactive to the date of the casualty, by notice delivered within fifteen (15) days of the date of the casualty; failing such notice, Sublessor shall restore the Sublet Premises to the extent of the insurance proceeds made available for such restoration.

24. **APPROVAL OF MASTER LESSOR.** This Sublease is subject to, and shall be of no force and effect until receipt of the approval of the Master Lessor.

25. NO RELATIONSHIP BETWEEN MASTER LESSOR AND SUBLESSEE. This is a sublease and nothing contained herein or the approval of Sublessee by Master Lessor shall in no way be deemed to create any contractual relationship between Master Lessor and Sublessee.

IN WITNESS WHEREOF, the parties have caused this Sublease to be executed on the date first above written.

THIS ASSIGNMENT AND ASSUMPTION AGREEMENT is executed and entered into by and between CALMAT PROPERTIES CO., a California corporation, (“Assignor”) and LAUREL CANYON HOLDINGS, LLC, a Nevada limited liability company (“Assignee”);

### RECITALS

A. Assignor and Assignee have entered into a Master Lease Agreement (“Master Lease”) pursuant to which Assignees have agreed to lease the parcels of real property commonly described as: Hewitt Site, 7361 Laurel Canyon Boulevard, North Hollywood, California, together with the improvements situated thereon, and all appurtenances thereto (the “Property”). Said Property is more particularly described on Exhibit “A” which is attached hereto and incorporated herein.

B. Assignor, as Lessor, has previously entered into various leases (the “Existing Leases”) with the persons and entities identified on the schedule which is attached as Exhibit “B,” as Lessees, covering certain portions of the Property and some of the improvements situated thereon. A true and correct copy of that certain Existing Lease identified in the Master Lease as the “IAAI Lease” is attached hereto as Exhibit “C” and made a part hereof.

C. Assignor has accepted and retained security deposits and other deposits from Lessees under the Existing Leases.

D. Pursuant to the Master Lease, Assignor has agreed to convey to Assignees all right, title and interest in and to the Existing Leases and all unforfeited security and other deposits for the Existing Leases.

NOW, THEREFORE, IN CONSIDERATION OF THE FOREGOING AND FOR GOOD AND OTHER VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, assignor and assignee agree as follows:

**1. ASSIGNMENT**

Assignor hereby GRANTS, SELLS, CONVEYS, ASSIGNS, TRANSFERS, SETS OVER and DELIVERS unto Assignee, its successors and assigns, all of Assignor's right, title and interest in and to the Existing Leases, security deposits and other deposits including, without limitation, all of the rights, powers, estates and privileges of Assignors in, to and under the Existing Leases as of the Commencement Date specified in the Master Lease (the "Effective Date"); provided, however, that Assignor shall retain the right to recover any unpaid rent, interest and/or late charges that may be due under the Existing Leases as of the Effective Date.

**2. ASSUMPTION**

In consideration of the foregoing and for other good and valuable consideration, Assignee hereby assumes and agrees to perform all of the Lessor's covenants, conditions and obligations under the Existing Leases after the Effective Date; provided, however, that Assignee shall not have any obligation to maintain the Methane Gas Recovery System at the Property, and provided further that the liabilities and responsibilities of the Assignor and Assignee with regard to Hazardous Materials that exist on, in or about the Property as of the Effective Date shall be as set forth in the Master Lease.

**3. NOTICE TO LESSEES**

Within thirty (30) days following the Effective Date, Assignor shall give notice to the Lessees under the Existing Leases that Assignee has acquired an interest in the Property and owns the Lessor's interest in the Existing Leases. Further, Assignee agrees to remove all signs containing the names Vulcan Materials Company, and Calmat, and any derivative thereof, from the Property within thirty (30) days following the Effective Date.

**4. ASSIGNOR'S COVENANT AND DISCLAIMER OF WARRANTIES**

Assignor covenants that the Existing Leases are in full force and effect and that there are no defaults under the Existing Leases except as set forth on the schedule which is attached as Exhibit "D." Further, Assignor represents and warrants that the lease attached hereto as Exhibit "C" is a true

SFB

and correct copy of the IAAI Lease. Except as set forth above, Assignor makes no other representation or warranty with respect to the Existing Leases.

**5. INDEMNITY**

**a. By Assignor.** Assignor hereby covenants and agrees to indemnify, save and hold harmless Assignee from and against any and all liability, claims or causes of action existing in favor of or asserted by any party to any of the Existing Leases or by any third party, arising out of or relating to Assignor's failure to perform any of its obligations under the Existing Leases prior to the date hereof.

**b. By Assignee.** Assignee hereby covenants and agrees to indemnify, save and hold harmless Assignor from and against any and all liability, claims or causes of action existing in favor of or asserted by any party to any of the Existing Leases or by any third party, arising out of or relating to Assignee's failure to perform any of its obligations under the Existing Leases after the date hereof.

**6. MISCELLANEOUS**

**b. Binding on Successors.** All of the covenants, terms and conditions set forth herein, shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

**c. Entire Agreement.** This Agreement constitutes the final, complete and exclusive statement of the terms of the agreement between the parties pertaining to the subject matter hereof and supersedes all prior offers, negotiations and understandings and agreements of the parties with respect to the subject matter hereof.

**d. Severability.** If any term or provision of this Assignment shall be held invalid or unenforceable, such provision shall be severed from this agreement, and the remainder of this Assignment shall not be affected.

# LEASE

THIS LEASE (hereinafter called "Lease") is entered into this 22<sup>nd</sup> day of December, 2001, by and between CALMAT PROPERTIES CO., a California corporation (hereinafter called "Landlord"), and LAUREL CANYON HOLDINGS, LLC, a Nevada limited liability company (hereinafter called "Tenant").

## RECITALS

A. Landlord is the owner of that certain real property situated in the City of Los Angeles (North Hollywood), County of Los Angeles, State of California, consisting of approximately 58.9 acres, as shown on the map attached hereto and incorporated herein as Exhibit "A" (hereinafter referred to as the "Premises").

B. Tenant desires to lease from Landlord and Landlord desires to rent to Tenant, the Premises, upon the following terms and conditions.

C. In connection with the Lease of the Premises from Landlord to Tenant, Tenant desires to assume from Landlord, and Landlord desires to assign to Tenant, certain rights and obligations under existing lease agreements pertaining to portions of the Premises, which agreement shall be evidenced by and accomplished through the execution by Landlord and Tenant of that certain Assignment and Assumption Agreement of even date.

D. Also in connection with the lease of the Premises from Landlord to Tenant, Tenant desires to purchase from Landlord, and Landlord desires to sell to Tenant, certain fixed assets (e.g., storage containers, office and trailer) located on the Premises, which sale and finance transaction shall be evidenced by and accomplished through the execution of a Bill of Sale, Promissory Note, Security Agreement and Financing Statement of even date.

## AGREEMENT

1. LEASE. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the Term (as defined below) and upon the covenants and conditions hereinafter provided, the Premises. Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas,

SRB

hydrocarbonous substances, minerals, mineral rights, water and water rights in and under the land described as the Premises.

2. TERM. The term of this Lease shall be approximately twenty-five (25) years commencing on either (i) April 1, 2002 or (ii) if Tenant gives written notice to Landlord at least five business days in advance, February 1, 2002 or March 1, 2002 (the "Commencement Date"), and expiring, regardless of the date of commencement, on December 31, 2026 (the "Term").

3. RENTAL.

(a) Minimum Rent. Tenant agrees to pay Landlord, without abatement, deduction, offset or prior demand, a minimum rental of One Hundred Seventy-Four Thousand Seven Hundred Eighty-Five Dollars (\$174,785.00) per month, as adjusted in accordance with the provisions of paragraph 4. The Minimum Rent is comprised of the elements shown on the Minimum Rent Schedule attached hereto as Exhibit "B." The Minimum Rent is payable in advance on the first day of each calendar month during the term hereof.

(b) Late Charge. Tenant acknowledges that Tenant's failure to pay any installment of Minimum Rent, or any other amounts due under this Lease as and when due may cause Landlord to incur costs not contemplated by Landlord when entering into this Lease, the exact nature and amount of which would be extremely difficult and impracticable to ascertain. Accordingly, if any installment of Minimum Rent or any other amount due under the Lease is not received by Landlord within fifteen (15) days of the date that such amounts are due and payable, then, without any notice to Tenant, Tenant shall pay to Landlord an amount equal to six percent (6%) of the past due amount, which the parties agree represents a fair and reasonable estimate of the costs incurred by Landlord as a result of the late payment by Tenant.

(c) Default Interest. In the event that Tenant shall fail to pay any amount of Minimum Rent, or any other monetary obligations owed to Landlord hereunder within fifteen (15) days of the date that such amounts are due and payable, Tenant shall pay to Landlord, in addition to such amounts, interest thereon at two percent (2%) above the "prime rate" of interest announced to the public from time to time by Citibank, F.S.B., or the maximum interest rate permitted by law, whichever is less, from the first day of the month in which such monetary obligation was payable to the date of actual payment thereof by Tenant to Landlord.

SAB

4. RENTAL ADJUSTMENT. During the Term the Minimum Rent provided for in Section 3 herein shall be adjusted on January 1, 2004 and every two (2) years thereafter (each an "Adjustment Date") based on the change, if any, in the Consumer Price Index for Urban Wage Earners and Clerical Workers, Los Angeles-Anaheim-Riverside Area (Base Year 1982-1984 = 100), published by the United States Department of Labor, Bureau of Labor Statistics ("CPI"). On each Adjustment Date hereafter, the Minimum Rent shall be adjusted as follows: The Minimum Rent shall be multiplied by a fraction, the numerator of which shall be the CPI published for the month that is three (3) months prior to the applicable Adjustment Date ("Adjustment CPI") and the denominator of which shall be the CPI of the calendar month that is three (3) months prior to the Commencement Date ("Beginning CPI"). In no event shall the Minimum Rent be reduced below, nor shall any increase exceed fifteen percent (15%) of, the Minimum Rent payable during the immediately preceding period. Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the CPI in some other manner, then Landlord may adopt a substitute index or substitute procedure that reasonably achieves the same result as the foregoing procedure.

5. RENT ABATEMENT.

(a) Lease Space A. Landlord and Tenant acknowledge that Lease Space A identified on Exhibit "A" hereto is subject to an existing lease agreement between Landlord and Insurance Auto Auctions, Inc. (the "IAAI Lease"), and that Landlord's rights and obligations under the IAAI Lease are being assigned to and assumed by Tenant as noted in Recital C, above, and as provided by that certain Assignment and Assumption Agreement between Landlord and Tenant. Until the expiration of the term of the IAAI Lease (on May 31, 2004 or, if said term is extended under the provisions of the IAAI Lease, on May 31, 2009), or until such earlier date on which the IAAI Lease may be otherwise terminated, rent for Lease Space A shall be partially abated. The amount of such partial abatement of rent shall be the difference between (i) the amount of rent allocable to Lease Space A as indicated on Exhibit "B" hereto, as may be adjusted in accordance with Section 4 hereof, and (ii) the amount of rent for Lease Space A as provided in the IAAI Lease, as may be adjusted in accordance with Section 4 of the IAAI Lease. In no event shall the amount of the partial abatement of rent under this subsection increase beyond any increase that may result from the application of the "Rental Adjustment" provisions in Section 4 hereof and in Section 4 of the IAAI Lease. Notwithstanding the

SPB

foregoing, the rent abatement period under this subsection shall cease and there shall be no further abatement of rent with respect to Lease Space A if, without the prior written consent of Landlord herein, (i) the tenant's interests under the IAAI Lease are assigned, (ii) all or any portion of the premises described in the IAAI Lease are subleased, or (iii) the terms of the IAAI Lease are amended.

(b) Lease Space C. Landlord and Tenant acknowledge that Lease Space C identified on Exhibit "A" hereto is currently subject to certain environmental setbacks and zoning restrictions, which effectively prevent the use of Lease Space C as a storage facility, which usage is contemplated by this Lease. Tenant agrees to use its best efforts and work diligently to submit to appropriate governmental authorities a request to modify the zoning requirements regarding Lease Space C so as to permit the use of Lease Space C as a storage facility. Until such time as Lease Space C is successfully rezoned so as to permit its use as a storage facility, or until such time as Tenant commences to use Lease Space C for any legal use (provided, however, that any proposed use of Lease Space C that is at variance with the provisions of Section 11 hereof shall be approved, in advance, in writing, by Landlord), rent for Lease Space C shall be abated. Landlord agrees to cooperate, as may be necessary, in processing Tenant's request for any zoning change or variance with respect to Lease Space C; however, Landlord reserves the right to accept or reject any and all terms, conditions or requirements imposed in connection with any such zoning modification.

(c) Nothing in Subsections 5(a) or (b), above, releases Tenant from any of its obligations under Sections 10, 11, 12, 13, 16, 21, 22, or any other provisions of this Lease.

#### 6. SECURITY DEPOSIT.

(a) As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees that Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of One Hundred Five Thousand, Eight Hundred Fifty-Six Dollars (\$105,856.00), which sum shall be paid by Tenant to Landlord upon execution of this Lease.

(b) Upon termination of the abatement period set forth in Section 5(a) hereof, Tenant shall deposit with Landlord

SPB

such additional sum as is necessary to increase the security deposit to an amount equal to one month's Minimum Rent, as adjusted in accordance with Section 4 hereof, less the abatement, if any, then applicable with respect to Lease Space C (as provided in Section 5(b) hereof).

(c) Upon termination of the abatement period set forth in Section 5(b) hereof, Tenant shall deposit with Landlord such additional sum as is necessary to increase the security deposit to an amount equal to one month's Minimum Rent, as adjusted in accordance with Section 4 hereof, less the abatement, if any, then applicable with respect to Lease Space A (as provided in Section 5(a) hereof).

(d) If Tenant exercises its option (under Section 7 hereof) to extend the Term of this Lease, then at the commencement of the First Extended Term (as defined in Section 7) Tenant shall deposit with Landlord such additional sum as is necessary to increase the security deposit to an amount equal to one month's Minimum Rent, as adjusted in accordance with Section 4 hereof, less the abatement, if any, then applicable with respect to Lease Space C (as provided in Section 5(b) hereof).

(e) If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit, without interest. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the Term or any extension thereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to an amount equal to one month's Minimum Rent, without abatement, adjusted in accordance with Section 4 hereof as of the date Tenant so restores the security deposit.

7. OPTION TO EXTEND TERM. Tenant is given one (1) option to extend the Term of this Lease on all the provisions contained in this Lease, except for the Term, for a period of nine (9) years ("First Extended Term"). The First Extended Term shall commence upon expiration of the initial Term, by Tenant's

SPB

giving written notice of exercise of the option ("First Option Notice") to Landlord not less than six (6) months and not more than twelve (12) months prior to the expiration date of the initial Term; provided, however, that if Tenant is in default on the date of giving the First Option Notice, the First Option Notice shall be totally ineffective, or if Tenant is in default on the date the First Extended Term is to commence, the First Extended Term shall not commence and this Lease shall expire at the end of the initial Term. Tenant shall have no right to extend the Term beyond the First Extended Term.

8. TENANT'S RIGHT OF FIRST REFUSAL TO PURCHASE THE PREMISES.

(a) Landlord shall not, at any time prior to the expiration of the Term of this Lease, or any extension thereof, sell the Premises, or any interest therein, without first giving written notice thereof to Tenant, which notice is hereinafter referred to as "Notice of Sale." The Notice of Sale shall include the exact and complete terms of the proposed sale and, if applicable, shall attach a copy of the bona fide offer and counteroffer duly executed by both Landlord and the prospective purchaser.

(b) For a period of thirty (30) days after Tenant's receipt of the Notice of Sale, Tenant shall have the right to give written notice to Landlord of Tenant's exercise of Tenant's right to purchase the Premises, the interest proposed to be sold, or the property on which the Premises are a part, on the same terms, price and conditions as set forth in the Notice of Sale. If Tenant gives Landlord written notice of Tenant's exercise of the right granted herein, Tenant may also extend the proposed closing date for said purchase for a period of up to thirty (30) days. In the event that Landlord does not receive written notice of Tenant's exercise of the right herein granted within such thirty-day period, there shall be a conclusive presumption that Tenant has elected NOT to exercise its right hereunder, and Landlord may complete the sale to the prospective purchaser, on the same terms set forth in the Notice of Sale.

(c) Further, in the event that Tenant fails to exercise its right of first refusal after Tenant's receipt of the Notice of Sale, Landlord may consummate the proposed sale to the prospective purchaser identified in the Notice of Sale, or any other prospective purchaser, without affording Tenant any further notice, so long as (i) the sale price and/or the down payment are not more than five percent (5%) less than as set forth in the Notice of Sale; and (ii) the sale is consummated within two

SPB

hundred ten (210) days of the date of the Notice of Sale. If the proposed sale price or the down payment is more than five percent (5%) less than the terms set forth in the Notice of Sale, or if the proposed sale to the prospective purchaser in the Notice of Sale is cancelled, or any other prospective sale is not consummated within two hundred ten (210) days, then the Tenant's right of first refusal shall be reinstated.

(d) Notwithstanding the foregoing, Landlord shall be free to convey, transfer or assign the Premises or any portion of its interest in the Premises without compliance with subsection (a) in the event that such conveyance, transfer or assignment is either: (i) made to any mortgagee of Landlord's fee estate in the Premises; (ii) made to any successor entity of Landlord pursuant to a sale, merger, reorganization or other acquisition of the assets of Landlord; or (iii) made pursuant to a taking by eminent domain or under threat of a taking by eminent domain.

(e) This right of first refusal cannot be exercised: (i) during the period commencing with the giving of any notice of default and continuing until said default is cured, (ii) during the period of time any rent is unpaid (without regard to whether notice thereof is given to Tenant), (iii) during the time Tenant is in breach of this Lease, or (iv) in the event that Tenant has been given three (3) or more notices of default, whether or not the defaults are cured, during the twelve (12)-month period immediately preceding the exercise of the right of first refusal.

(f) Notwithstanding the foregoing, any sale of the Premises, or any interest therein, as to which the Tenant's right of first refusal has not been exercised shall be subject to this Lease.

(g) Should Tenant fail to exercise the foregoing right of first refusal, or upon the expiration or earlier termination of this Lease, Tenant shall execute, acknowledge and deliver to Landlord, within five (5) days of Landlord's demand, a quitclaim deed covering any right, title or interest afforded Tenant pursuant to this section.

9. IMPROVEMENTS TO THE PREMISES.

(a) Tenant leases the Premises and the improvements *PROVISION ADDED* in an "as is" condition. Landlord makes no *TO MASTER LEASE* warranties as to the Premises, including *SECTION 9A.* the ability of Tenant to commence, continue *SECTION 9A.* tion and operation of storage or any

*SPT*

other facilities at the Premises. Landlord shall not be responsible or liable in any manner whatsoever if Tenant is unable to commence, continue or complete construction and operation of storage or any other facilities. Tenant's entry into possession of the Premises shall be deemed its acceptance of the condition of the Premises.

(b) Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its operations; provided, however, that no improvements shall be made without Landlord's prior written approval, which approval may be given, denied or conditioned in Landlord's reasonable discretion; provided, further, that (i) construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of nonresponsibility, and (ii) said improvements and construction thereof comply fully with all laws, ordinances, and governmental regulations applicable thereto.

(c) The following reasons for Landlord's denial or conditioning of approval for improvements proposed by Tenant shall be conclusively deemed reasonable: (i) the proposed improvements are incompatible with the permitted uses of the Premises under this Lease; (ii) approval of the proposed improvements would conflict with rights previously granted to others; (iii) Tenant has not obtained a necessary government approval for the proposed improvements; (iv) information Landlord requires to review the request for proposed improvements is incomplete or inadequate; (v) the proposed improvements would interfere with or require modifications to the Methane Gas Recovery System (defined in Section 15 hereof); or (vi) installation of the proposed improvements would violate an Environmental Law (defined in Section 21(c) hereof) or would increase the risk of the release of Hazardous Materials (defined in Section 21(c) hereof) into the environment.

(d) Subject to Tenant's obligations regarding grading and drainage as provided in Section 12 herein, Tenant shall not make and is hereby specifically prohibited from (i) making any improvements to or in connection with any waterway, creek or other source of water in, on or about the Premises or in any way using, diverting, damming or impounding any such source of water; (ii) making any improvements that penetrate the surface of the Premises; and (iii) making any improvements that alter,

modify or impair the operation of the Methane Gas Recovery System on the Premises.

(e) Prior to making any improvements to the Premises or any portion thereof, Tenant shall provide Landlord with a complete set of working plans and specifications for the proposed improvements to the Premises and a proposed schedule for the construction of said improvements. Landlord shall review within a reasonable time the plans and specifications for the construction of the proposed improvements and shall not constitute a representation of the adequacy of the plans or specifications or Landlord's review of the plans or specifications or Landlord's intent to consult with an expert and shall provide Tenant with an estimate of the cost to retain the expert. Thereafter, if Tenant notifies Landlord that Tenant wishes to proceed with the proposed improvements, Tenant shall reimburse Landlord, within thirty (30) days after Landlord's invoice(s) to Tenant therefor, for all expenses of retaining such consultants and obtaining their advice regarding the proposed improvements.

(f) As Tenant's proposed construction of improvements at the Premises, Tenant shall execute and issue a labor and material payment bond, prior to the commencement of the improvements, to Landlord on. The bonds shall be issued by an "admitted contractor" as defined in California Code of Civil Procedure and shall be in an amount equal to one hundred percent (100%) of the estimated cost of construction.

(g) Title to all improvements made at Tenant's expense shall remain in Tenant until the expiration or termination of this Lease. On or before the date of expiration or termination of this Lease, Tenant shall remove all improvements made by Tenant and restore the Premises to substantially the same condition as of the Commencement Date, unless otherwise instructed by Landlord. If any improvements made by Tenant are, pursuant to Landlord's instructions, left on the Premises upon expiration or termination of this Lease, then title to such improvements shall forthwith vest in Landlord.

SFB

10. TAXES AND ASSESSMENTS.

(a) Tenant shall pay or cause to be paid before delinquency all real and personal property taxes levied or assessed against the Premises, including without limitation all taxes assessed on account of any property installed by or for Tenant and regardless of how, why, or to whom such taxes are assessed. As long as Tenant is current in making all such tax payments, Tenant may contest the propriety or amount of any such taxes assessed against the Premises and shall be entitled to any rebate or refund awarded as a result of such proceedings; provided, however, that Tenant may dispute such assessments only with the applicable taxing authority.

(b) Notwithstanding the foregoing, as long as the rental abatement period provided for in Subsection 5(a) herein is in force, Landlord shall, upon receipt of the real property tax bill for the entire Premises, determine the portion of such taxes allocable to the land and improvements currently located on Lease Space A. Landlord's reasonable determination thereof, in good faith, shall be conclusive. After making such determination, Landlord shall submit an invoice to Tenant for an amount equal to (i) the total amount of real property taxes assessed for land and improvements on the entire Premises, less (ii) the amount of real property taxes allocated by Landlord to Lease Space A. Tenant's payment of such invoice shall be due within thirty (30) days. Any payment of taxes on the Premises by Landlord to the applicable taxing authority, under this subsection or otherwise, shall not relieve Tenant of any of its obligations under this section.

11. USE OF PREMISES.

(a) Tenant agrees that no portion of the Premises shall be used for any purpose except above-ground storage operations. Tenant agrees, at its own cost and expense, to comply with all permits, laws, rules, regulations, ordinances and statutes of any and all municipal, county, state and federal authorities that are now in effect or that may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use

SFB

herein stated or any other use. Tenant acknowledges and agrees that it shall not store any property in, or otherwise interfere with use of, common access areas adjacent to the Premises. Tenant shall not install or use any water wells or other water collection facilities on, in or under the Premises.

(b) Tenant shall not commit waste upon or otherwise misuse the Premises, and shall carry on all its operations hereunder in accordance with all federal, state and local laws and ordinances regarding safety. Tenant acknowledges and agrees that Tenant and Tenant's guests, employees, invitees, agents, representatives or contractors are prohibited from bringing any firearms or explosives onto the Premises.

(c) Tenant shall not use or allow to be created any open flames on the Premises at any time.

## 12. MAINTENANCE AND REPAIR.

(a) Tenant shall at its own expense maintain and keep the Premises, fences, gates, or other improvements, if any, in good repair and condition throughout the Term and any extensions thereof. Tenant shall pay all costs of operation and maintenance, including landscaping and weed abatement, on the Premises, whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, contractors, licensees, or invitees. Without limiting the foregoing, Tenant shall immediately repair any damage to any landscaping installed by Landlord on the Premises or the property adjacent to the Premises, except damage caused entirely by Landlord, or its agents, officers or employees.

(b) Tenant shall maintain grading on the Premises to prevent any ponding of water and to create a positive flow of water to existing collection ditches and storm drains. Without limiting Tenant's obligation to maintain adequate drainage throughout the Premises, Landlord shall have access to the Premises at any time to inspect, maintain or alter existing water collection areas, sumps and pumps, and to install additional collection areas, sumps or pumps.

(c) Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises, except as provided by Section 15(c).

SPB

(d) Tenant waives all provisions of any law, including but not limited to Civil Code §§1941 and 1942, with respect to Landlord's obligations regarding the suitability of the Premises for its intended use and any right of Tenant to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents, after providing Tenant thirty (30) days' notice (or in cases of emergency, such shorter notice as is reasonable under the circumstances), may perform such maintenance or make repairs, and the cost of same shall, in Landlord's sole discretion, be (i) added to and become due as part of the next installment of Minimum Rent and shall be so paid by Tenant to Landlord as additional rent, or (ii) reimbursed to Landlord by Tenant within thirty (30) days of the date of Landlord's invoice to Tenant therefor, except as provided in Section 15(d).

(e) Upon the expiration of this Lease or upon any termination herein provided, unless Landlord directs otherwise, Tenant shall at its sole cost and expense remove from the Premises all improvements, buildings, structures, fences, and all of Tenant's personal property, and clean up and remove from the Premises all rubbish and debris and leave the Premises in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals required above or do such work as shall be required to return the Premises to an orderly, safe and sanitary condition, and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

### 13. DAMAGE OR DESTRUCTION.

(a) If the Premises or any portion thereof, or any improvements or personal property thereon, shall be destroyed or damaged by any cause whatsoever, the following provisions shall apply:

(i) If the damage and/or repair of such damage does not interfere materially with the use of the Premises by Tenant; or if Tenant caused or is responsible for such damage; or Tenant is responsible for such repair, then this Lease shall remain in effect and there shall be no abatement of rent.

(ii) If the damage and/or repair of such damage interferes materially with, or prevents the use of the Premises by Tenant and Landlord is responsible for repair of such damage, there shall be a proportionate abatement of rent on account of such damage. The abatement of rent shall commence

from the date on which Tenant gives Landlord written notice of such damage, and shall be based upon the impairment to Tenant's use of the Premises arising from the damage when compared with Tenant's use prior to the damage. The abatement shall continue until the Premises are restored. The decision to restore the Premises following any damage described in this subsection 13(a)(ii) shall be at the absolute and sole discretion of Landlord. If such damage occurs within the last three (3) years of the Term hereof (as may be extended) and Landlord elects not to restore the Premises, then Tenant may terminate this Lease.

(b) In no event shall Landlord be required to restore the Premises. Tenant waives the provisions of Civil Code §§1932(2) and 1933(4) and any successor provisions of law with respect to damage or destruction of the Premises or the improvements thereon.

(c) Without limiting the foregoing, in no event shall Landlord be liable for any injury or damage by reason of the flow of water upon the Premises or any part thereof from any ditch, stream or other watercourse or reservoir, or from any other source, whether by natural flow or otherwise.

14. ENTRY. Landlord and its agents shall have the right to enter the Premises and any structures thereon at any time in the case of an emergency, and otherwise at reasonable times, to examine and inspect the Premises, to exercise any of the rights of Landlord under this Lease, to post notices required or permitted by law, or to inspect, repair and/or maintain the Methane Gas Recovery System on the Premises (defined in Section 15 herein). Landlord shall have the right to enter any structures (including but not limited to buildings, trailers, and storage containers) at any time, without notice, for the purpose of detecting methane gas and otherwise performing Landlord's obligations with respect to the maintenance of the Methane Gas Recovery System. Tenant shall permit access by government authorities at any time to the water well and Methane Gas Recovery System. Landlord may show the Premises to prospective brokers, agents, tenants or purchasers and place and maintain "For Rent," "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

15. METHANE GAS RECOVERY SYSTEM.

(a) Tenant acknowledges that the Premises are located on a closed landfill and that present throughout the Premises is a methane gas monitoring and collection system with a

SFB

flare station, which collects and burns methane gas and condensate (the "Methane Gas Recovery System").

(b) Landlord and its agents and contractors shall be granted access to the Premises at any time to monitor the landfill and to inspect, maintain and/or repair the Methane Gas Recovery System, and/or to add new collection pipes or monitoring devices, or to upgrade the Methane Gas Recovery System.

(c) Tenant shall notify Landlord immediately of any damage to the Methane Gas Recovery System. Landlord shall be responsible for performing all maintenance, repair, improvement and modification of the Methane Gas Recovery System, and for repair of all property damage to the Premises resulting from such maintenance, repair, improvement or modification. Tenant acknowledges and agrees that there may be circumstances where maintenance, repair, improvement or modification of the Methane Gas Recovery System may render complete restoration of the affected portion of the Premises economically infeasible, and in such event Landlord shall have no obligation to restore or repair the Premises. If Landlord decides under such circumstances not to restore or repair the Premises and such decision materially interferes with Tenant's use of the Premises, Tenant's sole remedy shall be an abatement of rent in proportion to the reduction in utility of the Premises, unless Landlord's decision not to restore or repair the Premises occurs within the last three (3) years of the Term hereof (as may be extended), in which case Tenant may terminate this Lease.

(d) If damage to the Methane Gas Recovery System is caused by Tenant or its agents, contractors, licensees or invitees, then Tenant shall reimburse Landlord for the cost of such repairs within thirty (30) days of the date of Landlord's invoice to Tenant therefor.

16. SAFETY.

(a) Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping, waste, nuisance or similar activities on the Premises.

(b) Tenant agrees at all times during the term of the Lease that it will comply with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., the California Occupational Safety and Health Act of 1973, Labor Code §6300 et seq., and the Federal Mine Safety and Health Act of 1977, 30 U.S.C. §801 et seq., (collectively, the "Acts"),

SPH

to the extent that the Acts apply to the Premises and any activities thereon, except for the Methane Gas Recovery System, which is the sole responsibility of Landlord. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises. Tenant shall at all times keep and maintain a clear fire safety road on the Premises, providing access to all fire hydrants thereon, which shall comply fully with all applicable laws, regulations, and orders.

17. CONDEMNATION.

(a) If all of the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all future liabilities accrued under this Lease.

(b) In the event that any portion of the Premises is so taken, and the taking does not materially interfere with Tenant's intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent. In the event that a partial taking of the Premises materially interferes with Tenant's intended use hereunder, then the rent shall be reduced in proportion to the reduction in utility of the Premises caused by such condemnation. Tenant waives the provisions of Code of Civil Procedure §1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

(c) In the event of any such taking, neither this Lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to recover from Landlord all prepaid rent, if any, proportionate to the percentage of the taking, and Tenant shall be entitled to receive any amount awarded as compensation for the taking of personal property, fixtures and equipment owned by Tenant, for business goodwill or

SFB

for disruption of Tenant's business. Landlord and Tenant shall each be responsible hereunder for presenting and prosecuting to the appropriate governmental authority their respective claims hereunder for compensation in the event of such a taking.

18. CONSENTS AND WAIVERS. The giving of any consent hereunder by Landlord, or the waiver of any requirement of Landlord's consent, or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission of Landlord, nor acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon Tenant's full and complete performance of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

19. LIENS. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises. If any such lien shall be asserted against the Premises or if any execution or judgment against Tenant shall be levied against the Premises or against any interest therein, then Tenant, within thirty (30) days after such lien, claim or levy, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of such lien, claim or levy. Nothing herein shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim, or levy, provided that Tenant furnishes to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, cost or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

20. DEFENSE, INDEMNIFICATION AND EXCULPATION.

(a) Tenant's Obligation to Defend Landlord. Except as provided in subparagraphs (c) and (d), Tenant shall defend the Landlord and its parents, subsidiaries, affiliates and their respective officers, directors, attorneys, agents and employees (each an "Indemnitee") from and against any and all claims, actions, damages, demands, losses, liabilities, expenses and costs (including, but not limited to, reasonable attorneys' fees) of every nature and character (all collectively "Claims") that arise in whole or in part from, out of, or in connection with Tenant's occupancy or use of the Premises, any operations of Tenant or any subtenant on the Premises, the failure of Tenant or any subtenant to observe and follow safety regulations, or otherwise arising in whole or in part from, out of, or in connection with this Lease, Tenant's obligations hereunder, or the entry onto or use of the Premises by Tenant, its agents, subtenants, employees, invitees, licensees or contractors. Tenant shall also defend Indemnitees from any and all claims arising in whole or in part from, out of, or in connection with an alleged exposure of Tenant or its agents, subtenants, employees, invitees, affiliates, contractors, or their property to fumes, gases, or other Hazardous Materials (as hereinafter defined) currently existing on, in, or about the Premises. The foregoing obligation to defend shall include, but shall not be limited to, Claims asserting negligence, gross negligence and/or willful misconduct on the part of some or all of the Indemnitees; provided, however, that Tenant's obligation to defend Indemnitees against any claim of gross negligence and/or willful misconduct shall be suspended at such time as the plaintiff, petitioner or claimant, as applicable, asserting such claim against Indemnitees establishes, to the satisfaction of counsel retained to defend Indemnitees against such claim, the probable validity of such claim. For purposes of this subsection, a claim has "probable validity" where it is more likely than not that the plaintiff will obtain a judgment against the defendant on that claim. Tenant's obligation to defend Indemnitees against any such claim shall terminate upon final judgment against Indemnitees based on a finding of gross negligence and/or willful misconduct on the part of some or all of the Indemnitees. In the event of a final judgment based on a finding in favor of Indemnitees on a claim of gross negligence and/or willful misconduct against Indemnitees, Indemnitees shall have the right to recover from Tenant their costs of defense, if any, incurred following any suspension of Tenant's obligation to defend Indemnitees pursuant to this subsection. In the event the Indemnitees, or any of them, are made party to any litigation, arbitration or other proceeding arising from a Claim for which Tenant is obligated to defend the

BFB

Indemnitees under the terms hereof, Tenant shall defend the Indemnitees with the attorney of Landlord's choice and pay all reasonable costs, expenses and attorneys' fees incurred by the Indemnitees in connection therewith.

(b) Tenant's Obligation to Indemnify Landlord. Except as provided in subparagraphs (c) and (d), Tenant shall indemnify and hold harmless Indemnitees from and against any and all Claims that arise in whole or in part from, out of, or in connection with Tenant's occupancy or use of the Premises, any operations of Tenant or any subtenant on the Premises, the failure of Tenant or any subtenant to observe and follow safety regulations, or otherwise arising in whole or in part from, out of, or in connection with this Lease, Tenant's obligations hereunder, or the entry onto or use of the Premises by Tenant, its agents, subtenants, employees, invitees, licensees or contractors, unless such claims arise from the sole negligence or willful misconduct of an Indemnitee. Payment shall not be a condition precedent to recovery under the foregoing indemnity.

(c) Limitation on Tenant's Obligation to Indemnify Landlord. Unless the claim arises from the negligence or willful misconduct of Tenant, Tenant shall not be obligated to indemnify or hold harmless Landlord from claims that arise from: (i) Landlord's failure to maintain, restore, or repair the Methane Gas Recovery System in accordance with applicable law; or (ii) Landlord's failure to remediate any environmental condition for which Landlord is responsible under this Lease.

(d) Landlord's Obligation to Indemnify Tenant. Landlord shall indemnify and hold harmless Tenant and its parents, subsidiaries, affiliates and their respective officers, directors, attorneys, agents and employees from and against any and all claims, damages, demands, losses and/or judgments that arise from, out of, or in connection with Landlord's failure to: (i) maintain, restore or repair the Methane Gas Recovery System; or (ii) remediate any environmental condition for which Landlord is responsible under this Lease, except to the extent such Claims arise from the negligence or willful misconduct of Tenant, and provided that such claim involves a monetary loss in excess of Fifty Thousand Dollars (\$50,000). Further, Landlord shall indemnify and hold harmless Tenant from any and all claims, damages, demands, losses and judgments arising from Hazardous Materials that exist below the surface of the Premises as of the Commencement Date, provided that Tenant did not disturb or do any act to exacerbate such Hazardous Materials. In the event that Tenant is made a party to any litigation commenced against Landlord arising from the foregoing and Landlord is obligated to

SPB

indemnify and hold harmless Tenant, Landlord shall reimburse Tenant for the reasonable attorneys' fees and defense costs actually incurred or paid by Tenant in connection with such action.

(e) Tenant's Exculpation of Landlord. Tenant hereby releases the Indemnitees from any and all liability for any claims for personal injury, wrongful death, or property damage, to the extent such claims are covered by Tenant's insurance, even if such claims involve an assertion of negligence on the part of some or all of the Indemnitees.

(f) Limitation on Liability. In consideration of the benefits accruing hereunder to Tenant and notwithstanding anything contained in this Lease to the contrary, Tenant hereby covenants and agrees for itself and all of its successors and assigns that the liability of Landlord for its obligations under this Lease (including any liability as a result of any actual or alleged failure, breach or default hereunder by Landlord) shall be limited solely to, and Tenant's and its successors' and assigns' sole and exclusive remedy shall be against, Landlord's interests in the Premises and proceeds therefrom, and no other assets of Landlord. Tenant expressly waives any claim for incidental or consequential damages against Landlord.

(g) Survival. The provisions of this section shall survive until such time as actions against the Indemnitees on account of any Claim shall have been barred by applicable statutes of limitation.

(h) Insurance. Nothing in this section shall alter the parties' obligations with respect to insurance, as set forth in Section 22 hereof.

21. HAZARDOUS MATERIALS.

(a) Tenant.

Landlord: (i) Tenant warrants and represents to

1) Tenant's business operations on the Premises shall not involve the use, storage or generation of "Hazardous Materials," as hereinafter defined;

2) Tenant shall not permit any Hazardous Materials to be brought upon,

JPB

stored, manufactured, or disposed on or transported from the Premises, except in quantities normally associated with Tenant's permissible uses of the Premises and as incidentally related to the operation and maintenance of the Premises and equipment located therein, such as small amounts of ordinary office supplies, pesticides, insecticides or cleaning supplies used in Tenant's maintenance of the Premises, which substances shall be stored and used in accordance with applicable laws and regulations and used in a prudent manner; and

3) Tenant shall at all times be in compliance with all Environmental Laws (as hereinafter defined) applicable to the Premises.

(ii) Tenant shall indemnify, defend and hold Landlord harmless against any and all claims, damages, enforcement actions, remedial actions, liabilities, losses, costs and expenses arising out of the presence of any Hazardous Materials on the Premises attributable to Tenant or Tenant's operations.

(iii) Landlord shall have the right to enter the Premises to conduct an environmental assessment at any time during the Term and any extensions thereof. If Hazardous Materials for which Tenant is responsible are detected, Tenant shall pay for the cost of such assessment. Tenant shall be required to take all remedial action necessary to ensure clean up of any Hazardous Materials present on the Premises for which Tenant is responsible and to comply with all Environmental Laws (as hereinafter defined) applicable at the end of the Term, as may be extended hereunder.

(b) Landlord.

(i) Tenant acknowledges that the Premises are located on a closed landfill and that certain Hazardous Materials (as hereinafter defined) may exist beneath the surface of the Premises as a result of the prior use of the Premises as a landfill. Tenant also acknowledges that fumes, gases and other substances may be present in, on or about the Premises as a result of the prior use of the Premises. Finally, Tenant acknowledges that weather and climate shifts may, from time to time, exacerbate or alleviate the effects of such fumes, gases

SRB

and substances. Except as set forth in this paragraph and Paragraph 20, Tenant shall not be responsible under applicable Environmental Laws (as hereinafter defined) for Hazardous Materials existing beneath the surface of the Premises as of the Commencement Date, as long as Tenant does nothing to disturb such subsurface Hazardous Materials.

(ii) Landlord reserves the right to reclaim and retake possession of the Premises, or any portion thereof, to such extent and for such time as may be necessary to comply with any environmental remediation measures deemed to be necessary, in Landlord's discretion, pertaining to the Premises. In the event that such remediation measures require Landlord's partial or full reclamation of the Premises, which, in turn, interferes substantially with or prevents Tenant's use of the Premises, Tenant shall be entitled to a proportionate abatement of rent for such time and to such extent as Tenant's use of the Premises is so impaired. Tenant shall be allowed access to the Premises, if required, during any such reclamation period only if approved by Landlord in advance, which approval shall not be unreasonably withheld or delayed.

(c) Definitions.

(i) The term "Hazardous Material(s)" shall mean any chemical, substance, material, condition and/or combination thereof that is or may be hazardous to human health or safety or to the environment, or that are now or become in the future listed, defined or regulated in any manner, based directly or indirectly upon such properties or effects, pursuant to any applicable Environmental Law.

(ii) The term "Environmental Law(s)" shall mean any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, court decisions, ordinances, rules, codes, judicial or administrative orders or decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future, which are or become applicable to Tenant, Tenant's operations or the Premises.

(d) The provisions of this Section shall be in addition to, and shall not diminish in any way, any other provision of this Lease requiring Tenant's compliance with law or Tenant's obligation to defend, indemnify, and hold Landlord harmless.

SAB

22. INSURANCE.

(a) Tenant shall keep and maintain in full force and effect during the term of this Lease the following policies of insurance:

(i) Comprehensive general liability insurance with coverages including Premises/Operations, Products/Completed Operations, Blanket Contractual, Owner's and Contractor's Protective, and Personal Injury, and with limits of not less than Five Million Dollars (\$5,000,000.00) combined single limit and annual aggregate for Bodily Injury and Property Damage, which limits shall apply separately to the Premises, and

(ii) Comprehensive automobile liability insurance, covering all owned, licensed and hired autos and trucks and non-owned autos and trucks, and with limits of One Million Dollars (\$1,000,000.00) combined single limit per accident for Bodily Injury and Property Damage, and

(iii) Workers' compensation and employer's liability insurance covering all of Tenant's employees, with limits for workers' compensation as required by law and limits for employer's liability of not less than One Million Dollars (\$1,000,000.00) per occurrence, with a waiver of subrogation as to Landlord and its parents, subsidiaries, affiliates and contractors, and their respective officers, directors, attorneys, agents and employees.

(b) Each general liability and automobile liability policy shall (i) be endorsed to provide coverage as additional insureds, to the same extent as the named insured, to Landlord and its parents, subsidiaries, affiliates and contractors, and their respective officers, directors, attorneys, agents and employees; (ii) contain a severability of interest provision allowing Landlord and the other additional insureds to recover on a claim covered by the policy notwithstanding that they are additional insureds; and (iii) provide that the insurance afforded to the additional insureds under the policy shall be primary insurance and shall not be contributory in any way with insurance or self insurance maintained by the additional insureds; and (iv) contain a waiver of subrogation as to Landlord and its parents, subsidiaries, affiliates and contractors, and their respective officers, directors, attorneys, agents and employees. The liability insurance policies described above shall be issued by companies approved to do business in California and that have a current A.M. Best Company rating of at least A-/VII. Prior to commencement of this Lease and at all

SPP

times during the Term and any extensions thereof, Tenant shall provide Landlord with certificates of insurance, including copies of the required endorsements, evidencing that the foregoing insurance is in effect. Each certificate will provide for at least thirty (30) days prior written notice to Landlord of cancellation, termination or material change. Insurance written on a claims made form shall be endorsed to provided an extended reporting period of not less than five (5) years following termination of this Lease. Insurance requirements shall be subject to reasonable revision by Landlord.

23. DEFAULT.

(a) Each of the following events, if it occurs during the Term or any extension thereof, shall constitute an "Event of Default" under this Lease:

(i) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and shall fail to rectify said default within five (5) business days after being served with written notice thereof by Landlord;

(ii) Tenant shall make an assignment for the benefit of creditors;

(iii) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute which is not dismissed within ninety (90) days of filing;

(iv) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within sixty (60) days thereafter unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(v) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or discharged, or such receiver or trustee removed, within ninety (90) days from filing or appointment thereof; or

(vi) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall

SPB

continue for thirty (30) days after written notice thereof given by Landlord to Tenant; provided, however, that if Tenant, within said thirty (30)-day period, commences to cure a default that takes more than thirty (30) days to cure completely, then Tenant shall have a reasonable time to complete such cure.

(b) If an Event of Default shall occur, then Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises and remove all persons therefrom, and all right, title and interest of the Tenant in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, remove from the Premises all Tenant's personal property, and clean up and remove all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(i) The worth at the time of award of the unpaid rent that had been earned at the time of termination;

(ii) The worth at the time of award of the amount by which the unpaid rent that would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(iii) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(iv) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

(c) The "worth at the time of award" of the amounts referred to in subparagraphs (b)(i) and (ii) of this Section is computed by allowing interest at the maximum rate an

SPB

individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (b)(iii) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

(d) Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all its rights and remedies under this Lease, including the right to recover the Rent as it becomes due under the Lease and the right to demand and collect any and all rent due under any subleases. Landlord shall not be deemed to have terminated this Lease by its acts of maintenance or preservation or efforts to relet the Premises, the appointment of a receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that Landlord has elected to terminate the Lease; and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

24. HOLDING OVER. Should Tenant continue to use the Premises after the Term hereof, with the consent of Landlord thereto, either express or implied, such continued use shall be considered a tenancy from month to month subject to all the terms of this Lease pertaining to the obligations of Tenant, but all options and rights of first refusal, if any, granted to Tenant under the terms of this Lease shall be deemed terminated and be of no further effect during said month to month tenancy, and the monthly rent shall be charged to Tenant at the rate of 150% of the Minimum Rent as of the expiration of the Term of the Lease during the holdover period.

25. NOTICES. All notices, demands, and requests under this Lease by either party shall be sent by United States first class mail, certified or express, postage prepaid, or personally delivered (including delivery by a national express courier such as Federal Express, U.P.S., etc.) addressed to the parties as follows:

26. ASSIGNMENT AND SUBLETTING.

(a) Except for personal and recreational vehicle storage spaces, Tenant shall not voluntarily, involuntarily, or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the expressed written consent of Landlord, which consent shall not be unreasonably withheld or delayed. Landlord hereby consents to the sublease of portions of the Premises for personal and recreational vehicle storage. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this section.

(b) As a precondition to Landlord's consideration for approval of any proposed transfer, Tenant shall submit to Landlord in writing:

(i) The name and legal composition of the proposed transferee;

SFB

(ii) The proposed transferee's intended use of the Premises, which shall not be other than the specific use authorized by this Lease;

(iii) Such information as to the proposed transferee's financial responsibility, business experience and standing as Landlord may reasonably require;

(iv) A written consent of the proposed transferee to all the terms and conditions of this Lease and said transferee's consent to the incorporation of the terms and conditions of this Lease into any document of transfer;

(v) All of the terms and conditions upon which the proposed transfer is to be made; and

(vi) Check made payable to Landlord in the following amount, as applicable, for Landlord's administrative and review costs: \$1,000 for each proposed transfer submitted before January 1, 2007; \$1,500 for each proposed transfer submitted between January 1, 2007 and January 1, 2012; \$2,000 for each proposed transfer submitted between January 1, 2012 and January 1, 2017; and \$2,500 for each proposed transfer submitted after January 1, 2017.

(c) No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease becomes effective for any purpose, transferees (except for persons renting personal or recreational vehicle storage space) must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

(d) In the event of default by any transferee of Tenant or any successor of Tenant, in the performance of any of the terms of this Lease, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against said transferee. Tenant waives notice of any default of any transferee. Landlord may consent to subsequent transfers of this Lease or amendments or modifications to this Lease with transferees of Tenant without notifying Tenant or any successor of Tenant and without obtaining its or their consent thereto, and

SFB

such action shall not relieve the Tenant or Tenant's successor of liability under this Lease. Notwithstanding any transfer, or any indulgences, waivers or extensions of time granted by Landlord to any transferee, or failure by Landlord to take action against any transferee, Tenant agrees that Landlord may at its option proceed against Tenant without having taken action against or joined such transferee, except that Tenant shall have the benefit of any indulgences, waivers and extensions of time granted to any such transferee. Landlord's written consent to any transfer by Tenant shall not constitute an acknowledgment that no default then exists under this Lease of the obligations to be performed by Tenant, nor shall such consent be deemed a waiver of any then existing default.

(e) Tenant immediately and irrevocably assigns to Landlord, as security for Tenant's obligations under this Lease, all rent from any transferee, and Landlord as assignee and as attorney-in-fact for Tenant (or a receiver for Tenant appointed on Landlord's application) may collect such rent and apply it toward Tenant's obligations under this Lease; except that, until the occurrence of an Event of Default by Tenant, Tenant shall have the right to collect such rent. Landlord shall not, by reason of the foregoing or any assignment of such sublease, nor by reason of the collection of rent, be deemed liable to the transferee for any failure of Tenant to perform and comply with any of Tenant's obligations to such transferee. Tenant hereby irrevocably authorizes and directs any such transferee, upon receipt of a written notice from Landlord stating that an Event of Default exists in the performance of Tenant's obligations under this Lease, to pay Landlord all rent due and to become due under the sublease. Transferee shall rely upon any such notice from Landlord and shall pay all rents to Landlord without any obligation or right to inquire as to whether such Default exists, notwithstanding any claim from Tenant to the contrary.

(f) If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of law, from one such person or entity comprising Tenant to another shall be deemed a voluntary transfer.

(g) If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant, or the sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of more than 50% of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing more than

50% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

27. UTILITIES AND SERVICES. Landlord makes no representation or warranty regarding the availability of utilities to the Premises. All existing utilities currently provided to the Premises to support the Methane Gas Recovery System shall remain in place, and Landlord shall have the right to modify the level or quality of services provided for this purpose, as may be required for the maintenance, upgrade or repair of the Methane Gas Recovery System. On or before the Commencement Date, Tenant shall, at its sole cost, make all arrangements for providing water, utilities and services required for or in connection with Tenant's operations on the Premises. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas, diesel, telephone, and all similar charges which may accrue with respect to Tenant's operations on the Premises during the Term of this Lease, as may be extended. Should Tenant fail to so pay any utility charge as required herein, Landlord may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall, in Landlord's sole discretion, be (a) added to and become due as part of the next installment of Minimum Rent and shall be so paid by Tenant to Landlord as additional rent, or (b) reimbursed to Landlord by Tenant within thirty (30) days of the date of Landlord's invoice to Tenant therefor.

28. INSOLVENCY OF TENANT. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

29. TRANSFER OF LANDLORD'S INTEREST. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

30. SUBORDINATION, ATTORNMENT, NON-DISTURBANCE.

(a) Tenant shall, upon Landlord's request, execute an estoppel certificate and any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said mortgage or deed of trust, and subordinating this Lease to said mortgage or deed of trust.

SJP

(b) Subject to the non-disturbance provisions of subsection (c), below, Tenant agrees to attorn to a lender or any other party who acquires ownership of the Premises by reason of a foreclosure of a mortgage or deed of trust or other security device, and that in the event of such foreclosure, such new owner shall not: (i) be liable for any act or omission of Landlord or its successors, or with respect to events occurring prior to acquisition of ownership; (ii) be subject to any offsets or defenses that Tenant might have against Landlord or its successors; or (iii) be bound by prepayment of more than one (1) month's rent.

(c) With respect to any mortgage, deed of trust, or other security device entered into by Landlord after execution of this Lease, Tenant's subordination of this Lease shall be subject to receiving a commercially reasonable non-disturbance agreement from the lender, which non-disturbance agreement shall provide that Tenant's possession of the Premises, and this Lease, including any options to extend the Term hereof, will not be disturbed so long as Tenant is not in default hereof and attorns to the record owner of the Premises.

### 31. SIGNS.

(a) Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord. Such approval shall not be unreasonably withheld or delayed. If Tenant installs or permits any signs to be installed on the Premises without first having obtained Landlord's written approval thereof, Landlord may, after giving Tenant three (3) days written notice of its disapproval of any such sign, enter upon the Premises and remove the same at Tenant's expense. Any sign shall be purchased, installed, maintained, and at the end of this Lease, removed by Tenant at Tenant's sole expense.

(b) Within thirty (30) days after the execution of this Lease by both parties, Landlord shall remove from the Premises all signs bearing the name "CalMat," "Vulcan Materials," or any derivative thereof.

32. INTERPRETATION. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held

JAB

by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only. Unless the context of this Lease clearly requires otherwise, (a) the plural and singular numbers shall each be deemed to include the other; (b) the masculine, feminine and neuter genders shall each be deemed to include the others; (c) "or" is not exclusive; and (d) "includes" and "including" are not limiting.

33. SUCCESSORS AND ASSIGNS. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

34. COST OF LITIGATION. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses, including attorneys' fees, from the other party.

35. QUIET POSSESSION. Landlord warrants that Tenant on paying the Minimum Rent and other payments provided for hereby, and on keeping, observing, and performing all the other terms, conditions, and provisions herein contained on the part of Tenant to be kept, observed and performed, shall, during the full Lease term, peaceably and quietly have, hold and enjoy the Premises, subject to the terms, conditions and provisions hereof.

36. QUITCLAIM DEED. Tenant shall execute and deliver to Landlord on the expiration or termination of this Lease, immediately on Landlord's request, a quitclaim deed to the Premises, in recordable form, designating Landlord as transferee.

37. RELATIONS OF PARTIES. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

38. REAL ESTATE BROKERS; FINDERS. Tenant represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting

SFB

from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

39. ENTIRE AGREEMENT. This Lease and the documents mentioned in Recitals C and D hereof constitute the final, complete and exclusive statement of the terms of the agreement between the parties pertaining to the subject matter hereof and supersedes all prior and contemporaneous understandings or agreements of the parties regarding the subject matter of this Lease. No party has been induced to enter into this Lease by, nor is any party relying on, any representation or warranty outside those expressly set forth in this Lease.

40. RECORDING. Landlord and Tenant shall execute, acknowledge and deliver a short form version of this Lease in the form of Exhibit "C" attached hereto, and shall cause the same to be recorded in the county in which the Premises are located, as notice of the existence of this Lease and of the rights, title and interests of Landlord and Tenant hereunder.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first above written.

("Landlord"), Laurel Canyon Holdings, LLC, a Nevada Limited Liability Company ("LCH"), and Insurance Auto Auctions, Inc., an Illinois corporation ("Subtenant").

### RECITALS

- A. LCH is the tenant under a written Lease dated December 22, 2001 by and between Landlord and LCH, as amended by the First Amendment (the Lease, as amended, shall be hereinafter referred to as the "Master Lease").
- B. Pursuant to the Master Lease, Landlord leased to LCH certain real property consisting of approximately 60.81 acres of land and improvements situated in the City of Los Angeles, County of Los Angeles, State of California, together with all improvements situated thereon (the "Property"). The Property is depicted on the Lotting Study that is attached hereto as Exhibit "A."

Subtenant also leases approximately 4.19 acres at the Property pursuant to a written sublease with LCH dated January 1, 2003 (the "Sublease"). The 19.13 acres is identified as Parcel L in Exhibit "A" hereto (Lease Space A in Exhibit "A" to the Master Lease) and the 4.19 acres is identified as Parcel J on Exhibit "A" hereto (a portion of Lease Space B in Exhibit "A" to the Master Lease).
- D. On or about July 21, 2004, LCH and Subtenant amended the Sublease by an Amendment No. 1 to Sublease ("Amendment No. 1").
- E. LCH is about to make, execute and deliver to Subtenant a Second Amendment to the Sublease ("Amendment No. 2"), which amendment shall be in the form which is attached hereto as Exhibit "B" and incorporated herein by this reference.
- F. Landlord, LCH and Subtenant desire to confirm their agreements with respect to the Sublease and Amendment No. 2 (the Sublease, Amendment No. 1 and Amendment No. 2 shall be hereinafter collectively referred to as the "Sublease").

### AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, Landlord, LCH and Subtenant hereby agree and covenant as follows:

*SFF MJ*  
(initials)

1. Consent. Landlord hereby consents to Amendment No. 2 in the form attached hereto as Exhibit "B" and without a waiver of the restrictions regarding further assignments, subleases, mortgages or encumbrances or other transfers contained in the Master Lease, and without a waiver of any other term of the Master Lease, and, contrary provisions of the Sublease, if any, notwithstanding, on the condition that (a) said Sublease shall be subject to all of the terms, conditions and covenants of the Master Lease, and (b) LCH shall not in any way be discharged from any of its obligations, liabilities or duties under the Master Lease, and (c) LCH shall be responsible for the compliance of Subtenant with all provisions in the Master Lease and Sublease. Landlord also acknowledges and agrees that the Advance Rent (as defined in Amendment No. 2) shall be applied to and reduce the Rent due pursuant to the Sublease in accordance with the terms set forth in Amendment No. 2.
  
2. Non-Disturbance. So long as the Sublease is in full force and effect and Subtenant is not in default under the Sublease (beyond any period given Subtenant to cure such default) or under this Agreement:
  - (a) Subtenant's possession of the Sublease Premises (as defined in the Sublease) and Subtenant's rights and privileges under the Sublease shall not be diminished or interfered with by Landlord; and
  - (b) Subtenant's occupancy of the Sublease Premises shall not be disturbed by Landlord for any reason whatsoever during the term of the Sublease or any extensions or renewals thereof.
  
3. Attornment. In consideration of the foregoing and other valuable consideration, Subtenant agrees:
  - (a) After notice from Landlord that a default has occurred under the Master Lease and that the rentals and all other payments to be made by Subtenant under the Sublease should be paid to Landlord, Subtenant will pay to Landlord, or in accordance with the directions of Landlord, all rentals and other monies due and to become due to LCH under the Sublease or otherwise with respect to the Sublease Premises. All such payments will be made regardless of any right of set-off, counterclaim or other defense which Subtenant may have against LCH, whether as tenant under the Sublease or otherwise.
  - (b) If Landlord (or its nominee, designee or successor) shall succeed to the rights of LCH under the Sublease through possession or unlawful detainer action, surrender or otherwise, then at the request of Landlord (or its nominee, designee or successor), Subtenant shall attorn to and recognize Landlord (or its nominee, designee or successor) as Subtenant's landlord under the Sublease and shall promptly execute and deliver any instrument that Landlord may reasonably request to evidence such attornment. Upon such attornment, the Sublease shall continue in full force and effect as, or as if it were, a direct lease between Landlord and Subtenant upon all terms, conditions and covenants as are set forth in the Sublease, except that Landlord shall not:

- i) be liable for any previous act or omission of LCH under the Sublease;
  - ii) be subject to any off-set, defense or counterclaim which shall have previously accrued to Subtenant against LCH;
  - iii) be bound by any modification of the Sublease or by any prepayment of rent or additional rent for more than one month which Subtenant might have paid to LCH, except for the Advance Rent or unless such modification or prepayment shall have been expressly approved in writing by Landlord;
  - iv) be bound by any rights of first refusal or similar rights possessed by Subtenant with respect to the Sublease Premises;
  - v) be liable for the return or payment of any security deposit, including the Option Deposit which Subtenant tendered to LCH under the Sublease, unless such deposit has been physically delivered to Landlord; or
  - vi) be required to perform or pursue any of the following obligations in Amendment No. 2: (x) deliver any additional parcels to Subtenant; (y) pursue the rezoning of any part of the Property; or (z) construct any improvements at the Property.
- (c) Any contrary provision in this Agreement notwithstanding, Subtenant shall nevertheless be entitled to a credit and offset against Rent (as defined in the Sublease) on account of the Advance Rent in accordance with the terms set forth in Amendment No. 2.
- (d) Subtenant agrees to enter into a subordination, non-disturbance and attornment agreement with any lender engaged by Landlord with respect to the Property, provided that any such subordination, non-disturbance and attornment agreement does not materially alter the rights granted Subtenant in this Agreement.
4. Personal Agreement. This Agreement is personal to Subtenant and shall terminate upon any assignment of the Sublease by Subtenant, unless Landlord, in its sole discretion, specifically agrees to extend this Agreement.
5. Lease Modifications. Subtenant shall not, without the prior written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed: (a) amend or modify the Sublease or any extensions or renewals thereof; (b) terminate, cancel or tender a surrender of the Sublease; or (c) make a prepayment of any rent or additional rent in excess of one (1) month (except for the Advance Rent). Any such purported action without the consent of Landlord shall be void as against the Landlord.

6. Notice of Default; Opportunity to Cure.

- (a) Any notice required or permitted to be given by Subtenant to LCH pursuant to the Sublease shall be simultaneously given also to Landlord, and any right of Subtenant dependent upon notice shall take effect only after such notice to Landlord is so given. Performance by Landlord shall satisfy any conditions of the Sublease requiring performance by LCH, and Landlord shall have a reasonable time to complete such performance as provided in section (b) below.
- (b) Without limiting the generality of the foregoing, Subtenant shall promptly notify Landlord of any default, act or omission of LCH which would give Subtenant the right, immediately or after the lapse of time, to cancel or terminate the Sublease or to claim a partial or total eviction (a "Sublessor Default"). In the event of a Sublessor Default, Subtenant shall not exercise any rights available to Subtenant:
  - i) until Subtenant has given written notice of such Sublessor Default to Landlord;
  - and ii) unless Landlord has failed, within thirty (30) days after Landlord receives such notice, to cure or remedy the Sublessor Default or, if the same is not reasonably capable of being remedied by Landlord within such thirty (30) day period, until a reasonable period for remedying such Sublessor Default has elapsed following the giving of such notice (which reasonable period shall, in no event be less than the period to which LCH would be entitled under the Sublease or otherwise, after similar notice, to effect such remedy), provided that Landlord institutes and proceeds diligently to remedy and cure. If Landlord cannot reasonably remedy a Sublessor Default until after Landlord obtains possession of the Property, Subtenant may not terminate or cancel the Sublease or claim a partial or total eviction by reason of such Sublessor Default prior to the expiration of a reasonable period of time following Landlord's possession of the Property, through an unlawful detainer action or other proceeding, provided that Landlord institutes and prosecutes such proceedings with due diligence.
- (c) Landlord shall have no obligation hereunder to remedy any Sublessor Default, and in no event shall Landlord be required to perform or complete any of the following obligations in Amendment No. 2: (i) deliver any additional parcels to Subtenant; (ii) pursue the rezoning of any part of the Property; or (iii) construct any improvements at the Property.

7. Application of Casualty Insurance Proceeds and Condemnation Awards. Subtenant hereby agrees that, notwithstanding anything to the contrary contained in the Sublease, the terms and provisions of the Master Lease shall control with respect to the application of casualty insurance proceeds and condemnation awards.

8. Remedies. Upon and after the occurrence of a default under the Sublease on the part of Subtenant, Landlord shall be entitled, but not obligated, to exercise the claims, rights, powers, privileges and remedies of LCH under the Sublease and shall be further entitled to the benefits of, and to receive and enforce performance of, all of the covenants to be performed by Subtenant under the Sublease as though Landlord were named therein as lessor.

9. Limitation of Liability. Except as specifically provided in this Agreement, Landlord shall not, by virtue of this Agreement, the Master Lease or any other instrument to which Landlord may be a party, be or become subject to any liability or obligation of LCH to Subtenant under the Sublease or otherwise. Notwithstanding any other provisions of this Agreement, Subtenant shall have no recourse against the Landlord, any affiliate of Landlord, any successor to Landlord, or any of the assets of any of them, with respect to the failure of any such party to perform its obligations under this Agreement or the Sublease, other than any such party's interest in the Property.
10. Exemption From Liability. Except in the case of gross negligence or willful misconduct by Landlord or its agents, neither Landlord nor its agents shall be liable under any circumstances for: (i) injury or damage to the person or property of Subtenant, Subtenant's employees, contractors, invitees, customers or any other person in or about the Sublease Premises, whether such injury or damage is caused by, or results from the condition of the Sublease Premises or from other sources or places; (ii) any damages arising from any act of neglect of any other tenant or subtenant at the Property or from the failure of Landlord or its agents to enforce the provisions of the Master Lease or any other lease or sublease involving the Property; or (iii) injury to Subtenant's business, or for any loss of income or profit therefrom, or for any consequential, incidental, or punitive damages.
11. Precedence. LCH and Subtenant acknowledge and agree that this Agreement as it relates to or affects Landlord, takes precedence (but only to the extent inconsistent with) over any provisions of the Sublease relating to the Sublease Premises and the interests or leasehold estates created thereby.
12. Notices. As between Landlord and Subtenant, any notice, consent, request or other communication required or permitted to be given hereunder shall be in writing and shall be: (a) personally delivered; (b) delivered by Federal Express or other comparable overnight delivery service; or (c) transmitted by postage prepaid registered or certified mail, return receipt requested. **AMENDMENT NO. 2 TO SUBLEASE**

THIS AMENDMENT NO. 2 is made as of this 15<sup>th</sup> day of June, 2006, by LAUREL CANYON HOLDINGS, LLC, a Nevada limited liability company, with offices at 7361 Laurel Canyon Boulevard, North Hollywood, California (FEIN: 06-1634583) ("Sublandlord"), and INSURANCE AUTO AUCTIONS, INC., an Illinois corporation, whose executive offices are located at Two Westbrook Corporate Center, Suite 500, Westchester, Illinois 60154 (FEIN: 95-3790111) ("IAA" or "Subtenant").

**RECITALS**

Sublandlord is the Tenant under a written Lease dated December 22, 2001 with CalMat Co., a Delaware corporation, as successor by merger to CalMat Properties Co. ("CalMat"), as amended by the First Amendment dated June 15<sup>th</sup>, 2006. The Lease, as amended, shall be hereinafter referred to as the "Master Lease".

Pursuant to the Master Lease, CalMat leased to Sublandlord approximately 60.81 acres of land and improvements situated in the City of Los Angeles (North Hollywood), County of Los Angeles, State of California (the "Property"). The Property is depicted on the Lotting Study that is attached hereto as Exhibit "A."

Sublandlord and Subtenant previously entered into a Sublease Agreement dated January 1, 2003, as amended by Amendment No. 1 to Sublease dated July 21, 2004 (collectively the "Sublease"). The Sublease concerns one parcel at the Property, which parcel is identified as "Parcel J" on Exhibit "A" ("Sublease Premises").

Subtenant also entered into a written Lease with CalMat Properties Co., a California corporation on or about June 1, 1994 ("1994 Lease"), concerning one parcel at the Property, which parcel is identified as "Parcel L" on Exhibit "A." CalMat Co., as the successor by merger to CalMat Properties Co., previously assigned all of its interest in the 1994 Lease to Sublandlord by and through a certain Assignment and Assumption Agreement dated December 22, 2001.

Sublandlord and Subtenant desire to amend the Sublease to: (i) extend the Term; (ii) replace the Plot Plan that was attached to the Sublease as Exhibit "A" with the Lotting Study which is attached hereto as Exhibit "A"; (iii) increase the area of the Sublease Premises; (iv) require the Subtenant to make certain advance payments to Sublandlord; (v) afford the Subtenant the right to add Parcel L (i.e., the parcel described in the 1994 Lease) to the Sublease Premises; (vi) adjust the square footage of the Sublease Premises based on a recent survey; and (vii) establish new rental rates under the Sublease if Subtenant exercises its right to add Parcel L to the Sublease Premises.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. **RECITALS.** The recitals set forth above are incorporated herein.

2. **EXTENSION OF TERM OF SUBLEASE.** The current Term of the Sublease runs through December 31, 2006, and Subtenant has consecutive options to extend the Term for two (2) one-year periods and one (1) five-month period, which, if exercised, would extend the Term of the Sublease through May 31, 2009. The foregoing provisions are hereby deleted, and, in their place, it is agreed that the Term of the Sublease shall be extended through and including June 30, 2020, with no other rights or options to extend thereafter.

3. **LOTING STUDY.** Sublandlord and Subtenant hereby replace the Plot Plan that was attached to the Sublease as Exhibit "A" with the Lotting Study that is attached hereto as Exhibit "A".

4. **SUBLEASE PREMISES.** The Sublease Premises described in the Sublease shall be increased to include an additional five (5) acre parcel of real estate (the "5-Acre Parcel") as follows:

a. **Parcel B.** Sublandlord shall proceed diligently and in good faith to attempt to obtain all necessary governmental approvals to permit the construction, use and operation, as intended by Subtenant, on and for Parcel B, and to complete all construction work to be performed by Sublandlord and to deliver possession of Parcel B to Subtenant on or before ninety (90) days after the date of full execution of this Amendment.

b. **Parcels D and E.** In the event that Parcels D and E, as depicted on Exhibit "A," become available, then Sublandlord shall offer in writing to Subtenant that the 5-Acre Parcel shall come from Parcels D and E rather than Parcel B, which written offer shall also indicate the date that Sublandlord believes Sublandlord can deliver Parcels D and E to Subtenant with all approvals and all construction completed. Subtenant shall accept or reject such offer in writing, in Subtenant's sole discretion, within thirty (30) days after receipt of Sublandlord's written offer. If Subtenant accepts the offer, then from that point forward, Sublandlord shall proceed diligently and in good faith to attempt to obtain all necessary governmental approvals to permit the construction, use and operation, as intended by Subtenant, on and for Parcels D and E, and to complete all construction work to be performed by Sublandlord and to deliver possession of the subject five (5) acre portion of Parcels D and E to Subtenant on or before the date indicated in Sublandlord's offer.

c. **5-Acre Commencement Date.** The date that the 5-Acre Parcel first becomes available for use by Subtenant (after obtaining all necessary governmental approvals to permit the construction, use and operation as intended by Subtenant, and after completion of all construction work to be performed by Sublandlord and possession of the subject five (5) acres has been delivered to Subtenant) shall be referred to as the "5-Acre Commencement Date." After adding the additional five (5) acres to the Sublease Premises, the Sublease Premises shall consist of a total of 9.37 acres.

MA  
SD

5. **CONDITIONS PRECEDENT REGARDING 5-ACRE PARCEL.** The expansion of the Premises to include the 5-Acre Parcel is subject to and conditioned upon each of the following:

a. **Government Approvals.** Obtaining all necessary governmental approvals to permit the construction described below and Subtenant's use and operation of Subtenant's business on the 5-Acre Parcel.

b. **Construction Of Improvements on Parcel B.** Sublandlord, at Sublandlord's sole cost, shall have constructed the following improvements on Parcel B: (i) level and grade the site per the approved grading plan, with a compaction standard of 95% to 98% for the first 12 inches of final grade; (ii) install a rock base of six inches (6"); (iii) install three inches (3") of asphalt grindings on top of the rock base; and (iv) erect an 8-foot-high perimeter fence with a visual barrier along the northern boundary. All improvements shall be constructed in accordance with the requirements of any and all permits, the terms of the Master Lease, any special requirements of CalMat, and all applicable governmental authorities. Notwithstanding the foregoing, Subtenant shall reimburse Sublandlord for the material cost of the six inches (6") of rock (and Sublandlord shall pay for the labor cost of installation of said rock), provided that Sublandlord establishes a reasonable material cost by competitive bidding, with at least three vendors, and provided further that Subtenant approves the results of the competitive bidding in advance.

c. **Construction of Improvements on Parcels D and E.** Sublandlord, at Sublandlord's sole cost, shall have constructed the following improvements on the five (5) acre portion of Parcels D and E: (i) level and grade the site per the mutually approved grading plan, with a compaction standard of 95% to 98% for the first 12 inches of final grade; (ii) install a rock base of six inches (6") if no such sufficient base exists; (iii) install three inches (3") of asphalt grindings on top of the rock base; and (iv) erect an 8-foot-high perimeter fence with a visual barrier where required by the governmental authorities. All improvements shall be constructed in accordance with the requirements of any and all permits, CalMat, and all applicable governmental authorities. Notwithstanding the foregoing, Subtenant shall reimburse Sublandlord for the material cost of the six inches (6") of rock (and Sublandlord shall pay for the labor cost of installation of said rock), provided that Sublandlord establishes a reasonable material cost by competitive bidding, with at least three vendors, and provided further that Subtenant approves the results of the competitive bidding in advance.

6. **ADVANCE PAYMENTS.** In consideration of the promises, covenants and options set forth herein, Subtenant will, upon the execution of this Amendment No. 2 and a mutually acceptable Consent, Non-Disturbance and Attornment Agreement with CalMat (the "Non-Disturbance"), make the following advance payments (the "Advance Payments") to Sublandlord:

a. **Advance Rent.** A payment of \$400,000.00 as an advance rent payment ("Advance Rent") to be applied and credited against Rent due under the Sublease and the 1994 Lease (in the event Subtenant exercises its option to add Parcel L to the Sublease Premises and all as shown on the Rent Schedule which is attached hereto as Exhibit "B") as follows:

M.  
SAP

(i) \$3,300.00 per month beginning on September 1, 2006 and continuing for the next thirty-five (35) months (which runs through and including August 1, 2009); and (ii) \$12,000.00 per month beginning on September 1, 2009, and continuing for the next forty (40) months thereafter (which runs through and including December 1, 2012).

b. Option/Security Deposit. A payment of \$90,000.00 as an Option/Security Deposit for the Subleased Premises ("Advance Deposit"). Upon the 5-Acre Commencement Date, Subtenant shall pay an additional \$30,000.00 as an Option/Security Deposit and as of the 5-Acre Commencement Date, one hundred percent (100%) of the Advance Deposit shall become a security deposit which shall increase the total amount of Subtenant's security deposit with Sublandlord to \$174,450.

Sublandlord represents and warrants that the Advance Payments are not prohibited by Sublandlord's lender and that Sublandlord has obtained any necessary consents thereto. Sublandlord shall notify any existing and future mortgage lenders of the Advance Payments, shall obtain any necessary consents thereto, and shall deliver a copy of same to Subtenant.

7. EXPANSION OPTION. It is acknowledged that the existing Term on the 1994 Lease runs through May 31, 2009. Sublandlord hereby grants to Subtenant the option to add Parcel L to the Sublease Premises, for the balance of the Term of the Sublease, as amended by this Amendment No. 2, (i.e., through June 30, 2020). Said expansion shall be governed by the terms of this Sublease, as amended, and shall be effective as of June 1, 2009, provided that Subtenant elects to exercise this option, by written notice to Sublandlord, on or before June 30, 2008.

8. SURVEY AND ACREAGE ADJUSTMENT EFFECTIVE JUNE 1, 2009. Subtenant has, at Subtenant's cost, obtained a survey to confirm the actual acreage of the parcels that comprise (or may comprise) the Sublease Premises. Sublandlord and Subtenant agree that the actual surveyed acreage of the three parcels (as set forth on Exhibit "A") are as follows:

Parcel Designation	Original Acreage	Actual Acreage	Square Footage
J	4.19	4.37	190,357.2
D/E or B	5.0	5.0	217,800
L	19.13	20.62	898,207.2
<b>Total</b>	<b>N/A</b>	<b>29.99</b>	<b>1,306,364.4</b>

The new adjusted acreage figures shall be used for purposes of the calculation of Rent after June 1, 2009.

9. RENT AND ADJUSTMENTS TO RENT DUE UNDER SUBLEASE.

The Rent due under the Sublease shall be as shown on the Rent Schedule that is attached hereto as Exhibit "B", which amounts were calculated as follows:

*MY*  
*SFB*

a. Parcel J. Pursuant to the Sublease, the Rent for Parcel J is based on 13.700¢ per square foot as of January, 2003, plus CPI increases from January, 2003 to January 1, 2006. As of January 1, 2006, Rent was calculated as follows: CPI from October, 2002 is 176.5 and CPI from October, 2005 is 200.0;  $200.0/176.5 = 1.13\%$ ;  $1.13\% \times 13.700 = 15.480¢$  per square foot. Based on this calculation, the Rent for Parcel J shall be \$28,254.00 per month for the year 2006.

b. 5-Acre Parcel (Parcels D/E or B). Following the 5-Acre Commencement Date, Rent for the 5-Acre Parcel shall be calculated using the then current rental rate for Parcel J. As set forth above, the current rental rate for Parcel J is 15.480¢ per square foot. The Rent amount for the 5-Acre Parcel shall be \$33,715.00 per month for the year 2006.

c. Parcel L. If Subtenant elects to exercise the expansion option in Paragraph 7 and add Parcel L to the Sublease Premises, then the Rent due under the Sublease shall be computed using 14.00¢ per square foot, which amount shall be adjusted from and after January 1, 2006, by the change in the CPI from October, 2005 to February, 2009 (the CPI index of October, 2005 (200.0) shall be the denominator and the CPI Index of February, 2009 shall be the numerator). In addition, the square footage of the Sublease Premises shall be increased based on the results of the survey mentioned in Paragraph 8. For example, based on the total square footage of the Sublease Premises (29.99 acres or 1,306,364.4 square feet), the Rent would be \$182,891.00 per month as of January 1, 2006. Assuming that the CPI was 208 as of February, 2009, the Rent on a square foot basis would be calculated as follows:  $14.00¢ \text{ times } (208/200) = 14.56¢$ . The total 1,306,364.4 square feet at 14.56¢ would result in a monthly Rent of \$190,207.00 due from and after June 1, 2009.

The Rent due under the Sublease shall be subject to annual CPI increases in accordance with the terms of the Sublease, which adjustments shall be effective as of January 1 of each year after January 1, 2010, using 14.00¢ per square foot and the percentage change in the CPI from October, 2005 as compared to October of the year prior to the next adjustment date. The Rent set forth herein, as adjusted, is subject to offset beginning September 1, 2006 based on the Advance Rent. (See Paragraph 6(a)). If the Subtenant does not elect to exercise the option in Paragraph 7, the Rent for Parcel J and the 5-Acre Parcel mentioned in Paragraph 4 will be calculated in accordance with the provisions of Paragraph 5 of the Sublease and Paragraphs 9(a) and 9(b) above.

**10. SECURITY DEPOSITS.** If Subtenant exercises Subtenant's option to add Parcel L to the Sublease Premises, the existing security deposit under the 1994 Lease, to wit, \$27,073.45, shall be added to the existing security deposit held by Sublandlord under the Sublease.

**11. MISCELLANEOUS.** Except as modified herein, the Sublease shall remain and continue in full force and effect. It is acknowledged that the 1994 Lease has not been modified by this Amendment No. 2 and shall remain and continue in full force and effect.

## AMENDMENT NO. 2 TO SUBLEASE

THIS AMENDMENT NO. 2 is made as of this 15<sup>th</sup> day of June, 2006, by **LAUREL CANYON HOLDINGS, LLC**, a Nevada limited liability company, with offices at 7361 Laurel Canyon Boulevard, North Hollywood, California (FEIN: 06-1634583) ("Sublandlord"), and **INSURANCE AUTO AUCTIONS, INC.**, an Illinois corporation, whose executive offices are located at Two Westbrook Corporate Center, Suite 500, Westchester, Illinois 60154 (FEIN: 95-3790111) ("IAA" or "Subtenant").

### RECITALS

Sublandlord is the Tenant under a written Lease dated December 22, 2001 with CalMat Co., a Delaware corporation, as successor by merger to CalMat Properties Co. ("CalMat"), as amended by the First Amendment dated June 15<sup>th</sup>, 2006. The Lease, as amended, shall be hereinafter referred to as the "Master Lease".

Pursuant to the Master Lease, CalMat leased to Sublandlord approximately 60.81 acres of land and improvements situated in the City of Los Angeles (North Hollywood), County of Los Angeles, State of California (the "Property"). The Property is depicted on the Lotting Study that is attached hereto as Exhibit "A."

Sublandlord and Subtenant previously entered into a Sublease Agreement dated January 1, 2003, as amended by Amendment No. 1 to Sublease dated July 21, 2004 (collectively the "Sublease"). The Sublease concerns one parcel at the Property, which parcel is identified as "Parcel J" on Exhibit "A" ("Sublease Premises").

Subtenant also entered into a written Lease with CalMat Properties Co., a California corporation on or about June 1, 1994 ("1994 Lease"), concerning one parcel at the Property, which parcel is identified as "Parcel L" on Exhibit "A." CalMat Co., as the successor by merger to CalMat Properties Co., previously assigned all of its interest in the 1994 Lease to Sublandlord by and through a certain Assignment and Assumption Agreement dated December 22, 2001.

Sublandlord and Subtenant desire to amend the Sublease to: (i) extend the Term; (ii) replace the Plot Plan that was attached to the Sublease as Exhibit "A" with the Lotting Study which is attached hereto as Exhibit "A"; (iii) increase the area of the Sublease Premises; (iv) require the Subtenant to make certain advance payments to Sublandlord; (v) afford the Subtenant the right to add Parcel L (i.e., the parcel described in the 1994 Lease) to the Sublease Premises; (vi) adjust the square footage of the Sublease Premises based on a recent survey; and (vii) establish new rental rates under the Sublease if Subtenant exercises its right to add Parcel L to the Sublease Premises.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. **RECITALS.** The recitals set forth above are incorporated herein.

2. **EXTENSION OF TERM OF SUBLEASE.** The current Term of the Sublease runs through December 31, 2006, and Subtenant has consecutive options to extend the Term for two (2) one-year periods and one (1) five-month period, which, if exercised, would extend the Term of the Sublease through May 31, 2009. The foregoing provisions are hereby deleted, and, in their place, it is agreed that the Term of the Sublease shall be extended through and including June 30, 2020, with no other rights or options to extend thereafter.

3. **LOTTING STUDY.** Sublandlord and Subtenant hereby replace the Plot Plan that was attached to the Sublease as Exhibit "A" with the Lotting Study that is attached hereto as Exhibit "A".

4. **SUBLEASE PREMISES.** The Sublease Premises described in the Sublease shall be increased to include an additional five (5) acre parcel of real estate (the "5-Acre Parcel") as follows:

a. **Parcel B.** Sublandlord shall proceed diligently and in good faith to attempt to obtain all necessary governmental approvals to permit the construction, use and operation, as intended by Subtenant, on and for Parcel B, and to complete all construction work to be performed by Sublandlord and to deliver possession of Parcel B to Subtenant on or before ninety (90) days after the date of full execution of this Amendment.

b. **Parcels D and E.** In the event that Parcels D and E, as depicted on Exhibit "A," become available, then Sublandlord shall offer in writing to Subtenant that the 5-Acre Parcel shall come from Parcels D and E rather than Parcel B, which written offer shall also indicate the date that Sublandlord believes Sublandlord can deliver Parcels D and E to Subtenant with all approvals and all construction completed. Subtenant shall accept or reject such offer in writing, in Subtenant's sole discretion, within thirty (30) days after receipt of Sublandlord's written offer. If Subtenant accepts the offer, then from that point forward, Sublandlord shall proceed diligently and in good faith to attempt to obtain all necessary governmental approvals to permit the construction, use and operation, as intended by Subtenant, on and for Parcels D and E, and to complete all construction work to be performed by Sublandlord and to deliver possession of the subject five (5) acre portion of Parcels D and E to Subtenant on or before the date indicated in Sublandlord's offer.

c. **5-Acre Commencement Date.** The date that the 5-Acre Parcel first becomes available for use by Subtenant (after obtaining all necessary governmental approvals to permit the construction, use and operation as intended by Subtenant, and after completion of all construction work to be performed by Sublandlord and possession of the subject five (5) acres has been delivered to Subtenant) shall be referred to as the "5-Acre Commencement Date." After adding the additional five (5) acres to the Sublease Premises, the Sublease Premises shall consist of a total of 9.37 acres.

SDB

5. **CONDITIONS PRECEDENT REGARDING 5-ACRE PARCEL.** The expansion of the Premises to include the 5-Acre Parcel is subject to and conditioned upon each of the following:

a. **Government Approvals.** Obtaining all necessary governmental approvals to permit the construction described below and Subtenant's use and operation of Subtenant's business on the 5-Acre Parcel.

b. **Construction Of Improvements on Parcel B.** Sublandlord, at Sublandlord's sole cost, shall have constructed the following improvements on Parcel B: (i) level and grade the site per the approved grading plan, with a compaction standard of 95% to 98% for the first 12 inches of final grade; (ii) install a rock base of six inches (6"); (iii) install three inches (3") of asphalt grindings on top of the rock base; and (iv) erect an 8-foot-high perimeter fence with a visual barrier along the northern boundary. All improvements shall be constructed in accordance with the requirements of any and all permits, the terms of the Master Lease, any special requirements of CalMat, and all applicable governmental authorities. Notwithstanding the foregoing, Subtenant shall reimburse Sublandlord for the material cost of the six inches (6") of rock (and Sublandlord shall pay for the labor cost of installation of said rock), provided that Sublandlord establishes a reasonable material cost by competitive bidding, with at least three vendors, and provided further that Subtenant approves the results of the competitive bidding in advance.

c. **Construction of Improvements on Parcels D and E.** Sublandlord, at Sublandlord's sole cost, shall have constructed the following improvements on the five (5) acre portion of Parcels D and E: (i) level and grade the site per the mutually approved grading plan, with a compaction standard of 95% to 98% for the first 12 inches of final grade; (ii) install a rock base of six inches (6") if no such sufficient base exists; (iii) install three inches (3") of asphalt grindings on top of the rock base; and (iv) erect an 8-foot-high perimeter fence with a visual barrier where required by the governmental authorities. All improvements shall be constructed in accordance with the requirements of any and all permits, CalMat, and all applicable governmental authorities. Notwithstanding the foregoing, Subtenant shall reimburse Sublandlord for the material cost of the six inches (6") of rock (and Sublandlord shall pay for the labor cost of installation of said rock), provided that Sublandlord establishes a reasonable material cost by competitive bidding, with at least three vendors, and provided further that Subtenant approves the results of the competitive bidding in advance.

6. **ADVANCE PAYMENTS.** In consideration of the promises, covenants and options set forth herein, Subtenant will, upon the execution of this Amendment No. 2 and a mutually acceptable Consent, Non-Disturbance and Attornment Agreement with CalMat (the "Non-Disturbance"), make the following advance payments (the "Advance Payments") to Sublandlord:

a. **Advance Rent.** A payment of \$400,000.00 as an advance rent payment ("Advance Rent") to be applied and credited against Rent due under the Sublease and the 1994 Lease (in the event Subtenant exercises its option to add Parcel L to the Sublease Premises and all as shown on the Rent Schedule which is attached hereto as Exhibit "B") as follows:

SAB

(i) \$3,300.00 per month beginning on September 1, 2006 and continuing for the next thirty-five (35) months (which runs through and including August 1, 2009); and (ii) \$12,000.00 per month beginning on September 1, 2009, and continuing for the next forty (40) months thereafter (which runs through and including December 1, 2012).

b. Option/Security Deposit. A payment of \$90,000.00 as an Option/Security Deposit for the Subleased Premises ("Advance Deposit"). Upon the 5-Acre Commencement Date, Subtenant shall pay an additional \$30,000.00 as an Option/Security Deposit and as of the 5-Acre Commencement Date, one hundred percent (100%) of the Advance Deposit shall become a security deposit which shall increase the total amount of Subtenant's security deposit with Sublandlord to \$174,450.

Sublandlord represents and warrants that the Advance Payments are not prohibited by Sublandlord's lender and that Sublandlord has obtained any necessary consents thereto. Sublandlord shall notify any existing and future mortgage lenders of the Advance Payments, shall obtain any necessary consents thereto, and shall deliver a copy of same to Subtenant.

7. EXPANSION OPTION. It is acknowledged that the existing Term on the 1994 Lease runs through May 31, 2009. Sublandlord hereby grants to Subtenant the option to add Parcel L to the Sublease Premises, for the balance of the Term of the Sublease, as amended by this Amendment No. 2, (i.e., through June 30, 2020). Said expansion shall be governed by the terms of this Sublease, as amended, and shall be effective as of June 1, 2009, provided that Subtenant elects to exercise this option, by written notice to Sublandlord, on or before June 30, 2008.

8. SURVEY AND ACREAGE ADJUSTMENT EFFECTIVE JUNE 1, 2009. Subtenant has, at Subtenant's cost, obtained a survey to confirm the actual acreage of the parcels that comprise (or may comprise) the Sublease Premises. Sublandlord and Subtenant agree that the actual surveyed acreage of the three parcels (as set forth on Exhibit "A") are as follows:

Parcel Designation	Original Acreage	Actual Acreage	Square Footage
J	4.19	4.37	190,357.2
D/E or B	5.0	5.0	217,800
L	19.13	20.62	898,207.2
<b>Total</b>	<b>N/A</b>	<b>29.99</b>	<b>1,306,364.4</b>

The new adjusted acreage figures shall be used for purposes of the calculation of Rent after June 1, 2009.

9. RENT AND ADJUSTMENTS TO RENT DUE UNDER SUBLEASE.

The Rent due under the Sublease shall be as shown on the Rent Schedule that is attached hereto as Exhibit "B", which amounts were calculated as follows:

SFB

a. Parcel J. Pursuant to the Sublease, the Rent for Parcel J is based on 13.700¢ per square foot as of January, 2003, plus CPI increases from January, 2003 to January 1, 2006. As of January 1, 2006, Rent was calculated as follows: CPI from October, 2002 is 176.5 and CPI from October, 2005 is 200.0;  $200.0/176.5 = 1.13\%$ ;  $1.13\% \times 13.700 = 15.480¢$  per square foot. Based on this calculation, the Rent for Parcel J shall be \$28,254.00 per month for the year 2006.

b. 5-Acre Parcel (Parcels D/E or B). Following the 5-Acre Commencement Date, Rent for the 5-Acre Parcel shall be calculated using the then current rental rate for Parcel J. As set forth above, the current rental rate for Parcel J is 15.480¢ per square foot. The Rent amount for the 5-Acre Parcel shall be \$33,715.00 per month for the year 2006.

c. Parcel L. If Subtenant elects to exercise the expansion option in Paragraph 7 and add Parcel L to the Sublease Premises, then the Rent due under the Sublease shall be computed using 14.00¢ per square foot, which amount shall be adjusted from and after January 1, 2006, by the change in the CPI from October, 2005 to February, 2009 (the CPI index of October, 2005 (200.0) shall be the denominator and the CPI Index of February, 2009 shall be the numerator). In addition, the square footage of the Sublease Premises shall be increased based on the results of the survey mentioned in Paragraph 8. For example, based on the total square footage of the Sublease Premises (29.99 acres or 1,306,364.4 square feet), the Rent would be \$182,891.00 per month as of January 1, 2006. Assuming that the CPI was 208 as of February, 2009, the Rent on a square foot basis would be calculated as follows:  $14.00¢ \text{ times } (208/200) = 14.56¢$ . The total 1,306,364.4 square feet at 14.56¢ would result in a monthly Rent of \$190,207.00 due from and after June 1, 2009.

The Rent due under the Sublease shall be subject to annual CPI increases in accordance with the terms of the Sublease, which adjustments shall be effective as of January 1 of each year after January 1, 2010, using 14.00¢ per square foot and the percentage change in the CPI from October, 2005 as compared to October of the year prior to the next adjustment date. The Rent set forth herein, as adjusted, is subject to offset beginning September 1, 2006 based on the Advance Rent. (See Paragraph 6(a)). If the Subtenant does not elect to exercise the option in Paragraph 7, the Rent for Parcel J and the 5-Acre Parcel mentioned in Paragraph 4 will be calculated in accordance with the provisions of Paragraph 5 of the Sublease and Paragraphs 9(a) and 9(b) above.

10. SECURITY DEPOSITS. If Subtenant exercises Subtenant's option to add Parcel L to the Sublease Premises, the existing security deposit under the 1994 Lease, to wit, \$27,073.45, shall be added to the existing security deposit held by Sublandlord under the Sublease.

11. MISCELLANEOUS. Except as modified herein, the Sublease shall remain and continue in full force and effect. It is acknowledged that the 1994 Lease has not been modified by this Amendment No. 2 and shall remain and continue in full force and effect.

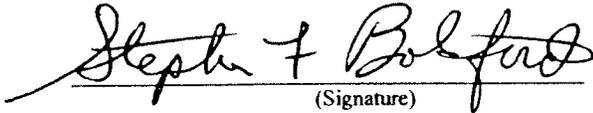

SFB

IN WITNESS WHEREOF, the parties hereto have executed this Amendment No. 2 to Sublease as of the date written above.

Lessee shall keep full and complete books and records showing all fill materials used in Lessee's operations on the Demised Premises, such records to include, without limiting the generality of the foregoing, all weight certificates prepared in compliance with this paragraph. Said records shall at all reasonable times be open to inspection by Lessor or Lessor's representative.

3. USE OF PROPERTY: Lessee shall have the right to use the property covered by this lease and available for filling under the provisions of this lease solely for dumping and filling operations.

Lessee shall not use the Demised Premises nor permit the same to be used for any unlawful purpose, and shall, at all times, maintain the same and conduct its operations in such a manner as to conform to all laws, ordinances, rules and regulations of any governmental body applying thereto. Lessee may use as fill only such material as is allowable and acceptable under (a) a duly authorized permit of the Board of Public Works of the City of Los Angeles, and (b) all laws, ordinances, rules and regulations applicable thereto.

4. ZONING, PERMITS AND CONTEMPLATED OPERATIONS: The parties hereto understand that in order for Lessee to conduct its contemplated operations hereunder, a permit must be obtained to carry on such contemplated operations. The parties understand that the property covered by this lease is presently zoned M-3, and that under such zoning the Lessee may conduct its contemplated operations on such property upon obtaining the necessary permit. Lessee agrees to use its best efforts to obtain, at Lessee's sole cost and expense, a permit for its contemplated dumping and filling operations on the property covered by this lease which is presently zoned M-3. Should Lessee be unable to obtain such permit, Lessor, or Lessee, may terminate this lease by written notice thereof.

Lessor agrees to execute all documents and do all things reasonably necessary and proper to enable Lessee to obtain said permits. Lessee shall pay the whole cost and expense of obtaining the same.

5. PUBLIC UTILITIES: In addition to the rental hereinabove reserved, Lessee shall pay, before delinquency, all charges for water, gas, heat, electricity, power and any and all other similar charges for public utilities which may accrue with respect to the Demised Premises by reason of the occupancy thereof by Lessee during the term of this lease.

6. TAXES AND ASSESSMENTS: At such time as Lessee conducts filling operations on the Demised Premises, Lessee shall pay when due all taxes and assessments applicable to the Demised Premises. Lessor will notify Lessee in writing and Lessee shall reimburse Lessor for the same. Any such taxes which Lessee shall pay shall be prorated as of the date it commences said operations on the Demised Premises.

7. INDEMNITY - PUBLIC LIABILITY AND PROPERTY DAMAGE

INSURANCE: Lessee covenants to indemnify and save Lessor harmless and free from and against any and all liabilities, penalties, damages, expenses (including reasonable attorneys' fees), costs, loss and judgments arising from the death or injury to persons or damage to property of any nature occasioned wholly or in part by any act or acts, omission or omissions of the Lessee or the employees, visitors, agents or guests of Lessee, and for any matter, cause or thing growing out of or by reason of the occupation of said property by Lessee.

At such time as Lessee shall commence operations under this lease, Lessee shall obtain and thereafter maintain in full force and effect, at Lessee's own cost and expense, workman's compensation insurance covering all employees of Lessee, and comprehensive general liability insurance, with such companies and in such form as shall be approved by Lessor, with Lessor named as an additional insured, providing \$5,000,000 combined single limit. Such policy shall contain an endorsement providing that the policy shall not be cancelled by the company issuing the same without thirty (30) days' prior written notice to Lessor.

8. LIENS: Lessee agrees to and hereby does indemnify the Lessor and save the Lessor harmless from all liens and claims of liens, and all other liability, claims and demands, arising out of any work done or material supplied to the Demised Premises at the instance of the Lessee, and from all actions, suits and costs of suit by any person to enforce any such lien or claims of liens, liability, claims or demands, together with the cost of suit, and attorneys' fees, incurred by Lessor in connection with any thereof.

Lessor hereby reserves the right to enter into and upon said premises at any time to post any notice which shall, in the Lessor's opinion, be necessary to hold Lessor and the premises harmless from any claim and/or liability arising out of any work done in or upon said premises.

In the event any such lien does attach or any claim of lien is made against the leased premises which may be occasioned by any act or omission on the part of the Lessee, and shall not be released or bonded within fifteen (15) days after notice from Lessor to Lessee so to do, Lessor, in its sole discretion, may pay and discharge the same and relieve the leased premises from any such lien, and Lessee agrees to repay and reimburse Lessor, upon fifteen (15) days' written notice, for or on account of any amount which may be paid by Lessor in discharging such lien or claim including, but not limiting the same, to the payment of any reasonable attorneys' fees, costs and charges incurred in connection therewith, together with interest at the rate of seven per cent (7%) per annum from the date of said written notice by Lessor to the date of repayment by Lessee, provided, however, that if Lessee desires to contest the validity or correctness of any such lien it may do so, provided that it shall first furnish Lessor with a good and sufficient bond in a company satisfactory to Lessor indemnifying Lessor against any loss, liability or damage on account thereof.

9. RIGHTS UPON DEFAULT: If the rent reserved by this lease, or any part thereof, shall be unpaid when due, Lessor shall give written notice of such default to Lessee, and Lessee shall have ten (10) days after service of said notice to pay said rental, and if Lessee fails to do so, Lessor shall have the right to re-enter, recover and resume possession of the Demised Premises by force or otherwise, either with or without process of law, without being liable to prosecution therefor.

If a petition in bankruptcy shall be filed by Lessee, and if said petition has not been dismissed within thirty (30) days after the filing thereof, or if Lessee shall be adjudged bankrupt or insolvent by any court, or if a Trustee or receiver in bankruptcy or receiver of any property of Lessee shall be appointed in any suit or proceeding by or against Lessee, or if the Lessee shall be dispossessed, or if the Demised Premises shall become abandoned, and if any of such conditions exist for a period of thirty (30) days, then Lessor shall have the right to re-enter, recover and resume possession of the Demised Premises by force or otherwise, either with or without process of law, without being liable to prosecution therefor.

In the event Lessee shall default in keeping, observing or performing any of the other covenants, conditions, provisions or agreements herein required to be kept, observed or performed by Lessee, Lessor shall give written notice of such default to Lessee, and Lessee shall have thirty (30) days after service of said notice in which to cure, remedy and correct said default, or in which to commence performance of the thing or work required to be done to cure, correct and remedy said default, and Lessee shall diligently prosecute the same to completion,

and should Lessee fail so to cure, remedy and correct said default, or commence to do so within said thirty (30) day period, Lessor shall have the right to re-enter, recover and resume possession of the Demised Premises by force or otherwise, either with or without process of law, without being liable to prosecution therefor.

Lessor shall not be deemed to have terminated this lease, or the liability of Lessee to pay the rent thereafter to accrue, or its liability for damages, by any such re-entry or by any action in unlawful detainer, or otherwise, unless Lessor notifies Lessee in writing that it has elected to terminate this lease, and Lessee further covenants that the services by Lessor of any notice, pursuant to the unlawful detainer statutes of the State of California, and the surrender of the possession by Lessee pursuant to such notice, shall not (unless Lessor elects to the contrary at the time of, or at any time subsequent to the service of such notice), be deemed to be a termination of this lease. In the event of any entry, and taking possession of the Demised Premises under this lease, or by summary proceedings, or any other means, Lessor shall have the right but not the obligation to remove therefrom any person or persons, and any or all personal property located thereon not belonging to Lessor, and may place the said personal property in storage at a public warehouse at the expense and risk of the owner or owners thereof. Any right or remedy herein given to Lessor shall not be exclusive of any other legal right or remedy which Lessor may have.

10. IMPROVEMENTS: Lessee may construct or place in or upon said property such roads, water lines, sanitary facilities, fences, buildings and structures as it desires to use in connection with its contemplated operations, and the same (except roads) shall belong to and be the property of the Lessee. Upon termination of this lease, (by expiration of the term hereof or otherwise), Lessee shall have the option to remove the same. All such property not removed within thirty (30) days shall then belong to Lessor. Lessee shall leave the Demised Premises in good condition.

11. RIGHT OF TERMINATION: Lessee may terminate this lease by giving thirty (30) days' written notice thereof to Lessor if:

- (a) Lessee shall be unable to obtain a permit or permits, or, having obtained a permit, is unable to renew the same, or the same is revoked, so that Lessee is unable to conduct or continue to conduct its contemplated operations hereunder; or
- (b) Any law, ordinance, or rule or regulation of any governmental body prohibits the use of combustible material for fill of the property or any part thereof covered hereby; or
- (c) Any law, ordinance, or rule or regulation of any governmental body materially affects the cost of Lessee's filling operations hereunder so that a continuation of such operations would not be profitable to Lessee; or

- (d) Any governmental body or agency shall operate a disposal facility at a cost with which Lessee cannot profitably compete.

12. SERVICE OF NOTICE: Any notice required or permitted to be given or furnished by one party to the other shall be in writing. Any notice may be personally served by one party to the other, or may be served by mailing the same in the United States mails, postage prepaid, addressed to the parties hereto at the following addresses:

CONROCK CO.  
P. O. Box 2950, Terminal Annex  
Los Angeles, California 90051

Valley Reclamation Co.

Delivery of such written notice shall be conclusively taken as sufficient forty-eight (48) hours after the same is deposited in the United States mails in Los Angeles County, registered, with postage prepaid, addressed to either party, as the case may be, at the above address. Any party hereto may change the aforesaid address to another location in said County by giving written notice to the other party.

13. CONDEMNATION: In the event that the Demised Premises or any part thereof are taken in condemnation proceedings or by any right of eminent domain, the entire award shall be made to Lessor without deduction therefrom for any estate hereby vested in Lessee, and Lessee shall not receive any part of any such award. Lessee hereby expressly assigns to Lessor any and all such awards, together with any and all rights of Lessee now or hereafter arising, in and to the same or any part thereof.

In the event the whole of the Demised Premises shall be so taken, then this lease shall thereupon terminate. If only a part of the property covered by this lease shall be so taken, then Lessee may terminate this lease upon thirty (30) days' written notice to Lessor, if Lessee believes it is impractical to continue its operations on the remaining portion of said property.

14. ASSIGNMENT AND SUBLETTING: Lessee shall not assign or hypothecate this lease or the leasehold estate created thereby without the written consent of Lessor first had and obtained and endorsed on or incorporated in any such assignment. Any such assignment or transfer without the written consent of Lessor first had and obtained shall be null and void and shall confer no rights on any third party, and shall be cause for cancellation of this lease by Lessor at Lessor's option, and this provision against assignment or hypothecation shall be deemed to be a continuing condition, and shall apply not only to the Lessee herein but to any and all assignees of said leasehold premises or estate, and to anyone who may, in any manner, acquire any interest herein. Should Lessor consent to such assignment or transfer, Lessee shall not be relieved thereby of any of the liabilities and obligations of Lessee hereunder.

Any such assignment shall be in writing and any assignee shall, in writing, expressly assume and agree to perform all of the terms, covenants and conditions hereof on the part of the Lessee to be performed, and the taking of possession by any such assignee shall be deemed to constitute the assumption by said assignee of the terms, covenants and

conditions hereof on the part of Lessee to be performed and the agreement of such assignee to so assume and perform the same.

Lessee shall not sublet the Demised Premises or any part thereof without first having obtained the written consent of Lessor thereto.

15. MISCELLANEOUS:

(a) No waiver of any breach of any of the covenants, agreements or provisions herein contained shall be construed as a waiver of any subsequent breach of the same or any other covenant or provision.

(b) Should Lessor or Lessee prevail in any action brought by one against the other, the losing party shall be liable to the other for attorneys' fees in such suit or action in such amount as the court therein may adjudge reasonable as attorneys' fees in such suit or action.

(c) Lessor reserves the right to enter upon said property at all reasonable times.

(d) This lease binds, applies to and inures to the benefit of, as the case may be, the successors and permitted assigns of the parties hereto.

(e) In the event that all of the property covered by this lease shall be completely filled, all in accordance with all applicable laws, rules and regulations of governmental authority, prior to the end of the term of this lease, as hereinabove set forth, then this lease shall terminate.

(f) All rights to oil, gas, hydrocarbons and precious metals (including uranium) and the right to drill for or otherwise extract

the same are hereby reserved to Lessor, provided that the rights herein reserved shall be so exercised by Lessor as not to interfere substantially with Lessee's use of the Demised Premises.

IN WITNESS WHEREOF, the parties hereto have executed this lease the day and year first above written.

EXHIBIT A

TRUST AGREEMENT

THIS TRUST AGREEMENT is between CONROCK CO., a Delaware corporation, hereafter called Trustor, and SECURITY PACIFIC NATIONAL BANK, a national banking association, hereafter called Trustee.

Trustee declares that all property which shall become subject to this trust shall be held, managed and distributed by Trustee as hereafter provided.

ARTICLE I

PROPERTY SUBJECT TO THIS TRUST

Section 1.01 Trustor shall, from time to time, contribute property to this trust in accordance with Trustor's Agreement with the City of Los Angeles relating to the Bradley Avenue Landfill (the "Site") which Agreement is attached hereto as Schedule "B". Trustee shall hold such property under the terms of this trust but shall have no duty or obligation to calculate or collect such contributions.

REVOCATION AND AMENDMENT

Section 2.01 The trust created by this agreement is irrevocable. Trustor, by written instrument filed with Trustee and, with Trustee's written consent, may amend this agreement only insofar as it shall affect the powers, duties and responsibilities of Trustee, and may cancel or amend any such amendment. No amendment shall invest Trustor with the power to revoke this trust in whole or in part, or to alter or divest the interest of or change beneficiaries, nor vest the power to terminate or amend this trust in any other person, nor shall it confer any beneficial right or interest upon Trustor without the consent of the Beneficiary.

ARTICLE III  
RIGHTS RESERVED BY TRUSTOR  
OR CONFERRED UPON OTHERS

Section 3.01 Trustee may resign at any time upon sixty (60) days prior written notice to Trustor, or may be removed at any time by Trustor with the consent of the Beneficiary identified in Article IV. Upon resignation or removal of the Trustee, Trustor shall promptly appoint a successor Trustee who shall have the same powers and duties as those conferred herein. Any resigning or removed Trustee shall transfer the Trust assets to its successor and shall deliver the books, accounts and records thereof thereto. The resigning or removed Trustee is authorized, however, to reserve such amount as may be necessary for the payment of its fees and expenses incurred prior to resignation or removal. If a successor Trustee is not so appointed, a successor shall be appointed by a court of competent jurisdiction. A successor Trustee shall be a corporate fiduciary.

Any successor Trustee shall have no responsibility for the acts or omissions of any predecessor and shall have no duty to audit or investigate the accounts or administration of a predecessor and shall have no duty to take action to obtain redress for breach of trust, unless expressly requested to do so in writing by a Beneficiary of this trust.

Section 3.02 Trustee shall have the power to invest and reinvest the assets of the trust, including accumulated income, if any, subject to proper directives established by the committee created by Section 3.03. of this trust.

Section 3.03 Investment directives shall be established from time to time by a committee consisting of

two (2) persons; one shall be appointed by the Trustor, one shall be appointed by the Beneficiary identified in Article IV.

In the event the committee is not appointed or if appointed, shall fail to issue directives to Trustee, Trustee shall be authorized to invest in U.S. Treasury obligations, prime rated commercial paper, certificates of deposit, common trust funds which are designed for short term investment and savings accounts at savings and loan associations or banks, including accounts, common trust funds or certificates of deposit of the Trustee.

Section 3.04 Trustee shall keep accurate detail accounts of all investments, receipts and disbursements and other actions hereunder. Its books and records relating thereto shall be open to inspection and audit at any reasonable time by Trustor or Beneficiary, or their duly authorized representatives.

Within thirty (30) days after the close of each calendar year and within thirty (30) days after the removal or resignation of the Trustee as provided in Section 3.01 hereof, Trustee shall render to the Trustor and Beneficiary a written account showing in reasonable summary the investments, receipts, disbursements and other transactions engaged in by Trustee during the preceding calendar year or period and setting forth the assets and liabilities of the Trust.

#### ARTICLE IV

##### DISTRIBUTIONS DURING THE TERM OF THE TRUST

Section 4.01 The Beneficiary of this trust is the City of Los Angeles.

Section 4.02 Trustee shall pay such amounts and

at such times as Trustor and Beneficiary may jointly direct. Trustee shall also pay such amounts and at such times as the Board of Public Works of the City of Los Angeles or its successor as designated by the City Council of the City of Los Angeles shall direct. In the event Trustee receives two such orders, Trustee shall first comply with orders of the Board of Public Works, or its successor, and then, to the extent funds are available, with the joint order of Trustor and Beneficiary.

Section 4.03 Upon receipt of a direction, Trustee shall promptly convert such portion of the assets of the trust as are necessary to comply with the direction to cash and distribute the assets as directed.

Trustee shall be entitled to make such distribution without liability to Trustor or Beneficiary. Trustor and Beneficiary shall hold Trustee harmless from compliance with a direction which Trustee reasonably believes to be duly authorized. Trustor and Beneficiary shall indemnify Trustee for all liability and expense (including attorney's fees) arising from this trust which is not due to Trustee's negligence.

#### ARTICLE V

IMMEDIATE RELEASE

LOS ANGELES, CALIFORNIA, December 29, 1986 ... CalMat Co. (NYSX) announced today, December 29, 1986, that it has entered into an agreement in principle to sell all of the outstanding stock of its wholly owned subsidiary, Valley Reclamation Company to Waste Management of North America for \$48.4 million. The Company also announced that it intends to sell to Waste Management for \$12.9 million, approximately 200 acres of land in the San Fernando Valley Area of Los Angeles, on which Valley Reclamation conducts its operations. The land sale would be consummated subsequent to December 31, 1986. The two transactions would result in a after-tax gain to the Company of approximately \$33,000,000 of which \$27,500,000, or \$1.80 per share, would be reported in 1986.

CalMat said that these transactions are subject to the preparation of a definitive agreement, governmental approvals, and certain other conditions.

CalMat stated that it is selling its interest in Valley Reclamation Company as part of its plan to concentrate its resources in its primary businesses of producing and selling construction materials and expanding its property development activities. In this regard, it intends to use a part of the proceeds to complete the previously announced acquisition of Industrial Asphalt, a major producer and distributor of asphalt paving materials in California and Arizona.

## MANAGEMENT AGREEMENT

THIS MANAGEMENT AGREEMENT is made as of the 31st day of December, 1986 between CalMat Co., a Delaware corporation, 3200 San Fernando Road, Los Angeles, California, 90065, hereinafter referred to as "Manager"), and David A. Pearre, as trustee under that certain Declaration of Trust for Purchase of Stock of Valley Reclamation Co. and Distribution of Remaining Funds to Charity, dated December 30, 1986 (herein referred to as either "Owner" or "Valley Reclamation Charitable Trust").

WHEREAS, Owner has purchased all of the outstanding stock of Valley Reclamation Co., a California corporation ("Valley"), which operates a sanitary landfill facility at 9227 Tujunga Avenue, Sun Valley, California 91532 (the "Facility").

WHEREAS, by a Stock Purchase Agreement (the "Stock Purchase Agreement") between Owner and Waste Management of North America, Inc., an Illinois corporation ("WMNA") dated as of December 31, 1986, a copy of which is attached hereto (the "Stock Purchase Agreement"), the Owner has agreed to sell Valley to WMNA.

WHEREAS, in anticipation of such a transfer of ownership from Owner to WMNA, the Owner has requested the Manager to assist Owner in managing Valley and operating the Facility on the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth, the parties hereto agree as follows:

1. Management. The Manager hereby agrees to use its best efforts to maintain the accuracy of the representations and warranties of the agreement of even date between Owner and Manager by which Owner acquired the stock of Valley, subject to the limitations set forth therein to operate the Facility and manage Valley for the account of Owner so as to permit the Owner to comply with its fiduciary responsibilities pursuant to the Stock Purchase Agreement, and to provide Owner with such reasonable inhouse professional services as it has historically provided to Valley.

2. Term and Termination. This Management Agreement shall commence on December 31, 1986 (herein the "Management Date") and shall terminate upon the occurrence of one of the following:

(a) The Closing Date (as defined in the Stock Purchase Agreement);

(b) The sale of the Facility by Owner to a person or entity other than WMNA;

(c) By mutual agreement of the parties; provided that in no event shall this Management Agreement extend beyond June 30, 1987.

Said termination date is herein referred to as the "Termination Date."

3. Compensation. The Manager shall be paid a fee for its services of \$5,000 per month during the term hereof plus

the out of pocket expenses incurred by Manager pursuant to paragraph 7(b) below.

4. Insurance, Employee Benefits. Manager and Owner agree that: (i) Manager is managing the Facility as the agent of Owner and that the employees at the Facility shall be employees of Valley and not Manager during the term of this Management Agreement; and (ii) Manager shall use its best efforts to assist Owner in maintaining all policies of insurance, including fire and extended coverage insurance on the Facility, worker's compensation, and comprehensive liability coverage at current levels, and in obtaining coverage for Owner and the trustee of Owner as additional insureds under such policies.

5. Licenses. Owner hereby authorizes Manager, as of the Management Date, to operate the Facility under all permits and licenses, and similar consents from any governmental authority (the "Agencies") having jurisdiction over the Facility. Owner retains full responsibility under said permits and licenses.

6. Indemnity. Manager assumes no responsibility under this Agreement except to use its best efforts to render the services called for hereunder in a manner reasonably satisfactory to Owner, and Manager shall not be liable or held accountable for any mistakes of fact or of law or for any loss or damage to Owner arising or resulting therefrom, except for gross negligence or wilfull misconduct of Manager.

7. Expenses.

(a) Legal Fees. If any legal action or any arbitration or other proceeding is brought to the enforcement of this Management Agreement, or because of an alleged or actual dispute, breach, default or misrepresentation in connection with any of the provisions of this Management Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and other costs incurred in that action or proceeding, in addition to any other relief to which it or they may be entitled.

(b) Expenses. Owner shall reimburse Manager for all reasonable out of pocket expenses incurred or to be incurred by it in carrying out the services contemplated hereby. Owner shall be responsible for fees and expenses of any other person, whether or not retained by Manager on behalf of Valley in connection with the services to be provided by Manager hereunder.

IN WITNESS WHEREOF, the parties hereto have caused this Management Agreement to be executed as of the day and year first above written.

STOCK PURCHASE AGREEMENT

THIS STOCK PURCHASE AGREEMENT (the "Agreement") is made and entered into as of this 31st day of December, 1986, by and between the CALMAT CO., a Delaware corporation ("CalMat") and DAVID A. PEARRE, as trustee under that certain Declaration of Trust For Purchase of Stock of Valley Reclamation Co. and Distribution of Remaining Funds to Charity, dated December 30, 1986 (the "Trustee").

RECITALS

WHEREAS, CalMat owns all of the outstanding shares of stock (the "VRC Shares") of Valley Reclamation Co., a California corporation, including all predecessors, businesses acquired thereby or merged therein (the "Company"); and

WHEREAS, the Trustee desires to purchase and acquire the VRC Shares, and CalMat desires to sell and convey the VRC Shares;

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

AGREEMENTS

ARTICLE I

Sale and Purchase

Section 1.1 On the basis of the representations and warranties and subject to the terms and conditions set forth in this Agreement, CalMat agrees to sell, transfer and deliver to the Trustee, and the Trustee agrees to purchase, acquire and accept from CalMat, the VRC Shares in consideration for the payment of the purchase price of Forty-Eight Million Four Hundred Thousand Dollars (\$48,400,000) (the "Price").

Section 1.2 The execution and delivery of the documents and consideration necessary to effectuate the transactions contemplated by this Agreement will take place at such time on December 31, 1986, or such earlier date as the parties hereto may agree upon (the "Closing" or "Time of Closing"), at the office of Wyman, Bautzer, Christensen, Kuchel & Silbert, 2049 Century Park East, Suite 1400, Los Angeles, California 90067, or at such other time or place as the parties hereto may agree upon.

Section 1.3 Subject to the terms and conditions set forth in this Agreement, the following steps will be taken by the parties, respectively, at the Time of Closing:

(a) CalMat will deliver to the Trustee duly executed certificates in valid form evidencing all of the VRC Shares,

duly endorsed in blank or accompanied by duly executed stock powers with the requisite stock transfer stamps, if any, attached and with signatures guaranteed by a bank located in or having a correspondent in Chicago, Illinois, or by a member firm of the New York or Midwest Stock Exchange; and

(b) The Trustee will deliver to CalMat the Price in the form of a cashier's check payable to CalMat Co.

## ARTICLE II

### Non-Environmental Representations and Warranties Of CalMat

It is understood that the representations and warranties contained in this Article II exclude any representations and warranties relating to the Handling of Wastes (as those terms are defined in Article III hereof), that CalMat is making no representations or warranties with respect to the Handling of Wastes except those contained in Article III, and that none of the representations or warranties contained in this Article II shall be deemed to be violated or breached as a result of Losses (as such term is defined in Section 5.3) incurred in connection with, arising out of or resulting from the Handling of Wastes. Subject to such understanding, CalMat represents and warrants to the

Trustee on the date hereof, and at the Time of Closing,  
that:

Section 2.1     Organization.     The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of California, with full corporate power and authority to own or to hold under lease the properties it purports to own or to hold under lease, to operate its properties and to conduct its business as now being conducted. The business carried on by the Company and the assets owned by the Company are not such as to require that it be qualified to transact business as a foreign corporation in any other jurisdiction, and the Company is not so qualified.

Section 2.2     Capitalization.     The authorized capital stock of the Company consists of two hundred fifty (250) shares of common stock. The only shares of common stock of the Company that are issued and outstanding are the VRC Shares which consist of two hundred and fifty (250) shares held beneficially and of record by CalMat. The VRC Shares have been duly authorized, and are validly issued, fully paid and nonassessable and free and clear of all preemptive rights, liens, claims, charges, security interests, encumbrances and equities.

Section 2.3     Subsidiaries.     The Company has no subsidiary corporation and does not own any equity security, and does not have any investment in, loans or advances to,

or other interest in, directly or indirectly, any partnership, firm, corporation or other business organization and has no right or obligation to acquire such an interest.

Section 2.4      Agreements with Respect to VRC Shares.

Except for the "restrictive legend" on the VRC shares, there are no existing options, subscriptions, calls, warrants, rights, contracts, commitments, understandings, arrangements, or agreements of any nature to which the Company or CalMat are parties or by which they are bound, relating to the issuance, sale, delivery or transfer by the Company or CalMat of any VRC Shares or of any shares of capital stock of the Company or any other equity interest in the Company or any security representing the right to purchase or otherwise receive such shares or equity interest.

Section 2.5      Authority. CalMat has the capacity and power to execute, deliver and perform this Agreement. This Agreement has been duly and validly executed and delivered by CalMat and constitutes a valid and binding agreement of CalMat, enforceable against CalMat in accordance with its terms. Except for the "restrictive legend" on the VRC Shares, the VRC Shares are and as of the Time of Closing will be free and clear of all liens, claims, pledges, encumbrances, security interests or other rights or restrictions.

Section 2.6      Approvals and Consents. No approvals or consents of any nature of any party or entity are necessary

in connection with the transactions contemplated hereby. The parties acknowledge, however, that as a matter of protocol, it is desirable in due course to seek the approval of the Bureau of Sanitation of the City of Los Angeles for such transactions.

Section 2.7 Accounts, Contracts, Etc. Set forth in Exhibit A, attached hereto, is a description of all of the Company's:

(a) Customer account lists (including therewith a copy of the Company's standard form service agreement and all customer agreements not in conformity therewith);

(b) Contracts which are not terminable on less than six months notice or which involve the sum of at least \$10,000;

(c) Leases of real or personal property;

(d) Permits, licenses, franchises, authorizations, approvals and certificates, including any documents relating to any proposed amendments to any of the foregoing;

(e) Promissory notes, indentures, guarantees, letters of credit, installment obligations, bonds, mortgages, liens, pledges, security agreements, or other instruments relating to the borrowing of money or the guarantee of any obligation for the borrowing of money or the creation of any security interests;

(f) Collective bargaining or union agreements;

(g) Patents, trademarks, trade names, copyrights;

(h) Employment or consulting agreements;

(i) Agreements, contracts or other commitments that would limit the ability of the Company to compete in any line of business or with any person or in any geographical area or otherwise to conduct its business as presently conducted or to use or disclose any information in its possession;

(j) Pension, retirement, bonus, deferred compensation, stock purchase, profit sharing or similar plan; and

(k) Any other agreements and instruments which are binding on the Company or any of its property and pursuant to which it derives any material benefit.

Neither the Company nor any party thereto or bound thereby is in default under any of said instruments, and no act or event has occurred which with notice or lapse of time, or both, would constitute such a default. The Company is not a party to, nor is it or any of its property bound by, any other agreement or instrument which is material to the continued conduct of its business as now being conducted or with respect to which a default might materially and adversely affect its properties, business or financial condition. The instruments comprising Exhibit A confer on the Company all rights necessary to enable it to conduct its business as now being conducted.

With respect to all agreements, accounts and contracts comprising Exhibit A:

(i) Each is in full force and effect and legally binding upon the parties thereto;

(ii) The Company has not released any of its rights thereunder nor will any other party bound thereby be released from its obligations; and

(iii) A true, correct and complete copy has been supplied to the Trustee.

Section 2.8      Employee Benefit Plans. Except as otherwise disclosed on Exhibit B attached hereto, the employees of the Company do not participate in any employee benefit plan, as defined in section 3(3) of the Employee Retirement Income Security Act of 1974 ("ERISA"), nor in any other retirement, profit-sharing, deferred compensation, bonus, stock option, stock purchase or employee benefit plan or arrangement; the Company is not a member of a controlled group of corporations of which any member has terminated, or will terminate before the Closing Date, any plan subject to Title IV of ERISA; and the Company does not contribute to any "multiemployer plan," as defined in section 414(f) of the Internal Revenue Code or section 3(37) of ERISA, and has not made a complete or partial withdrawal from any multiemployer plan so as to incur withdrawal liability under section 4201 of ERISA (without regard to subsequent reduction or waiver of such liability under section 4207 or 4208 of ERISA).

Section 2.9      Financial Statements.    The balance sheet of the Company dated November 30, 1986 (the "11/30/86 Balance Sheet"), the statement of income, profit and loss of the Company for the eleven (11) month period ended November 30, 1986 (the "11/30/86 Income Statement"), and the pro forma balance sheet of the Company dated December 31, 1986 (the "Pro Forma Balance Sheet"), which are attached hereto as Exhibit C:

(a) Are in accordance with the books of account and records of the Company;

(b) Fairly present the Company's financial condition and the results of its operations as at and for the period therein specified;

(c) Have been prepared in accordance with generally accepted accounting principles consistently applied;

(d) Do not include or omit to state any fact which renders such financial statements misleading; and

(e) Have been restated for purposes of the transaction to eliminate from the Pro Forma Balance Sheet the cash account and all intercompany balances (including current tax liabilities) that may have existed between the Company and the CalMat or any of its other subsidiaries and/or affiliates.

Except as and to the extent shown or provided for in the Pro Forma Balance Sheet or as disclosed in this Agreement, to the best of CalMat's knowledge, the Company has and will

have at the Time of Closing no liabilities or obligations (whether accrued, absolute, contingent, whether due or to become due or otherwise) which might be or become a charge against the assets and properties of the Company, including any "loss contingencies" considered "probable" or "reasonably possible" within the meaning of the Financial Accounting Standard Board's Statement of Financial Accounting Standards No. 5. To the best of CalMat's knowledge all reserves and allowances included in the 11/30/86 Balance Sheet and Pro Forma Balance Sheet are fully adequate, appropriate and reasonable.

Section 2.10 Liabilities and Accounts Receivable.

(a) To the best of CalMat's knowledge, the Company does not have any liabilities, fixed or contingent, secured or unsecured, other than liabilities fully reflected in the Pro Forma Balance Sheet; and

(b) Except to the extent of the related reserves reflected in the 11/30/86 Balance Sheet and the Pro Forma Balance Sheet, all accounts receivable of the Company reflected in the Pro Forma Balance Sheet are, to the best of CalMat's knowledge, valid accounts receivable and are fully collectible in the ordinary course of business and are subject to no refunds or other adjustments and to no defenses, rights of set off, assignments, restrictions or other conditions enforceable by third parties.

Section 2.11 Tax Returns. The Company has filed all federal and other tax returns required to be filed for all periods on or before the due dates of such returns (as extended by any valid extensions of time) and has paid all taxes shown to be due by said returns. Such returns reflect all taxes due and payable with respect to the periods covered thereby and there are no liabilities, claims, interest or penalties that have been assessed, asserted or threatened against the Company in connection with any such taxes, and to the best knowledge of CalMat there is no basis therefor. CalMat will file the Company's federal and other tax returns required to be filed for the period ending with the date of Closing, and will pay all taxes shown to be due by said returns. Such returns will reflect all taxes due and payable to and including the Time of Closing and there are no liabilities, claims, interest or penalties that have been assessed, asserted or threatened against the Company in connection with the taxes through the Time of Closing, nor is there any basis therefor to the best knowledge of CalMat. The reserves for taxes (federal, state and local) reflected in the Pro Forma Balance Sheet are adequate to cover any and all taxes, including deferred taxes, which may be assessed with respect to the property, business and operations of the Company for the period ended on December 31, 1986 and all prior periods. The federal income tax and state income or franchise tax returns of the Company have been examined and

closed for all years up to and including the 1983 taxable year, and the returns for the years thereafter have not been audited. The Company has not given or been requested to give waivers of any statutes of limitations relating to the payment of taxes for any taxable period which has not been examined and closed. Furthermore, to the best of CalMat's knowledge, no fact exists which would constitute grounds for assessment of any further tax liability. Set forth in Exhibit D hereto is a description of all elections made prior to the Time of Closing which may affect any future tax liability of the Company, and all documents pursuant thereto or in connection therewith have been made available to the Trustee.

Section 2.12 Insurance. Set forth in Exhibit E hereto is a list of all policies of liability, property damage, fire, workers' compensation/employer's liability, title or other forms of insurance owned or carried at any time by the Company and insurance agents and/or brokers providing such insurance coverage, including performance bonds. There are no letters of credit securing any obligations of the Company. The Company has at all times carried insurance and has complied with all applicable terms and conditions, including payment of premiums, with respect to such insurance policies. The Company has received no notification from any insurance carrier denying or disputing any claim made by the Company, denying or disputing any coverage

for any such claim, denying or disputing the amount of any claim, or regarding the possible cancellation of or premium increases with respect to any policies. The Company has no claim against any of the insurance carriers under any of such policies pending or anticipated and there has been no actual or alleged occurrence of any kind which may give rise to any such claim.

Section 2.13 Personal Property Owned or Leased. Set forth in Exhibit F hereto is a schedule which states as to the Company:

(a) The number and description of any equipment owned or leased;

(b) The number of vehicles used in its business together with information as to the make, description of body and chassis, model number, serial number, and year of each such vehicle; and

(c) The name and address of each customer it serves which provides more than 1% of its revenues.

There are no material assets used by the Company for the conduct of its business which are not either owned or leased by it.

Section 2.14 Real Property Owned or Leased.

Exhibit G is a complete and accurate list or description of all real property which the Company leases. True and complete copies of all leases covering the real property described in Exhibit G have been delivered or made available

to the Trustee. The leases covering the real property described in Exhibit G are in full force and effect and there are no defaults thereunder. All real property and improvements thereon, whether leased or owned, are in sound structural condition and free of any material defects. There are no underground storage tanks on any real property leased by the Company. The Company does not own any real property.

Section 2.15 Ownership of Property. The Company has good and marketable title to or a valid leasehold interest in all of the properties and assets reflected in Exhibit F and Exhibit G.

Section 2.16 Legal Compliance. In regard to the property of the Company or the business operations of the Company:

(a) The Company is not in default under any law or ordinance, under any order of any court or federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality wherever located (other than as may be described elsewhere herein); and there are no actual or threatened claims, actions, suits, proceedings, or notices against or affecting the Company or CalMat, at law or in equity, or before or by any federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality, or arbitration tribunal, wherever located, which may result in

CalMat will give the Trustee notice of each time that CalMat becomes aware of any fact or circumstance which may give rise to an indemnity by CalMat under this Section and a copy of any claim made which may result in an indemnity by CalMat pursuant to this Section. Anything in this Section 5.3 to the contrary notwithstanding, CalMat shall have no obligation to indemnify the Trustee until Trustee asserts a claim or claims for indemnity by CalMat which either individually or in the aggregate exceed \$100,000 and such indemnity shall cover only the portion of such claims in excess of \$100,000 in the aggregate. For purposes of the above indemnity, indemnifiable claims (including such claims which shall apply against the \$100,000 deductible) shall only include such claims or portion thereof which are not reimbursed by insurance. Reimbursement shall not be deemed to have occurred as to any policy of insurance having a retrospective adjustment feature.

direct or indirect, in any business in competition with the business of the Company as that business is constituted at the Time of Closing (whether or not such business is subsequently carried on by the Company, by any successor or successors to such business or by an assignee of the Trustee) in any area east of the west boundary of the City of Los Angeles, south of the north boundary of the City of Los Angeles, south and west of the south and west boundaries of the Angeles National Forest, west of California Route 19 and imaginary lines that extend straight north and straight south from the respective northerly and southerly ends of Route 19 to the Angeles National Forest and to the Pacific Ocean, and north of the Pacific Ocean (such area is depicted on Exhibit O attached hereto); provided that this Section shall not prevent CalMat from owning or operating CalMat's existing inert debris and/or incinerator ash disposal facility located east of Glenoaks Boulevard, north of Peoria Street and south of Sheldon Avenue, the Sheldon Pit located east of Glenoaks Boulevard, north of Sheldon Avenue and south of Hanson Dam, or the filling of CalMat's property known as the "Boulevard Property" by the City of Los Angeles; and further provided that this Section shall not prevent CalMat from acquiring and holding not to exceed 5% of the outstanding shares of any corporation engaged in such a competitive business if such shares are available to the general public.

CalMat's above-described covenant not to compete with the Company may be renewed and extended for up to three (3) successive five (5) year periods by the Company notifying CalMat of its election to extend such covenant not to compete for an additional five (5) year period at any time within sixty (60) days prior to the end of a five (5) year period together with the tender of payment of One Thousand Dollars (\$1,000.00) with such notice. In the event that any such covenant shall be declared by a court of competent jurisdiction to be unenforceable, such declaration shall not affect the covenant with respect to any other period, as such other covenants shall be construed to be severable and independent. To the extent that any elements of a covenant should be found unreasonable, the parties agree that a lesser restriction, found to be reasonable, may be enforced against CalMat.

CalMat further acknowledges and agrees that at no time on or before the Time of Closing was the above described real property operated by the Company while the Company was owned or otherwise controlled by Waste Management of North America, Inc. or any of its subsidiaries or affiliates.

DISTRIBUTION OF REMAINING FUNDS TO CHARITY

David A. Pearre, who together with the successors and alternates named herein shall be hereafter referred to as "trustees" does hereby acknowledge and declare that CalMat Co., a Delaware corporation ("CMC"), hereinafter referred to as "Settlor" has transferred and delivered without consideration the sum of \$10,000 to the Trustees, in trust on the following terms and conditions.

SECTION I

TRUST IRREVOCABLE

This trust is irrevocable and may not be altered or amended; provided, however, that any administrative duties or powers which do not enlarge or reduce the rights of the Settlor hereunder or the beneficiaries under this trust, in order to effectuate the provisions hereof may be altered or amended with the written approval of the Settlor. Settlor shall have no residuary or reversionary rights hereunder.

## SECTION II

### TRANSFER OF STOCK AND PAYMENT OF PURCHASE PRICE

A. Upon the establishment of this trust, the Settlor shall transfer and deliver to the trustees hereunder 250 shares (the "stock") of Valley Reclamation Co., a California corporation ("VRC"), which constitutes all of the issued and outstanding capital stock of VRC, which stock is wholly owned by the Settlor and upon such transfer and delivery, the trustee shall concurrently therewith transfer and deliver the sum of \$48,400,000 to the Settlor in full satisfaction of the purchase price of all of said outstanding capital stock of VRC, and upon the transfer of said shares and the payment of the sum of \$48,400,000, the Settlor shall have no further interest in this trust whatsoever. The Shares shall be transferred and the purchase made by the trustees in accordance with the terms and the provisions of the Stock Purchase Agreement attached hereto as Exhibit "A."

B. Upon the establishment of this trust, it is intended that the trustees will receive a loan in the amount of \$48,400,000 from Waste Management of North America, Inc. ("WMNA") and that the trustees will deliver to WMNA a promissory note in the form attached hereto as Exhibit "B," the borrowings of which will be used to pay the purchase price for the stock of VRC.

C. Upon the establishment of this trust, it is intended that the trustees will enter into a Stock Purchase

Agreement in the form attached hereto as Exhibit "C" to purchase the stock of VRC from the trust, and shall file a Notification and Report Form in connection therewith as required by the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the "Act"). Pursuant to the terms of that Agreement, the trustees shall transfer and deliver to WMNA all of the stock of VRC purchased from CMC as set forth in paragraph A above, and upon such transfer, the promissory note issued by the trustees hereunder to WMNA in the principal amount of \$48,400,000 shall be automatically cancelled and deemed paid in full.

D. Upon such transfer of the stock of VRC to WMNA, this trust shall terminate and be of no further force or effect and any and all remaining assets in this trust shall be distributed to charity pursuant to the provisions of Section II G hereof.

E. In the event, prior to the expiration of the waiting period as provided in the Act, an injunction is issued to the trustees or any of the parties hereto which prohibits or restricts the transfer to WMNA of the stock of VRC purchased from CMC, the trustees shall continue to hold the stock until such time as such injunction, if any, is removed by judicial process or otherwise. In the event the injunction is not removed and becomes part of a final judgment of a court of competent jurisdiction, then the trustees shall continue to hold and manage the stock and

take such action as may be appropriate to sell or otherwise transfer the stock in a manner consistent with the directions, if any, contained in such judgment, the cash and other assets received by the trustees in exchange for selling or transferring all or a portion of the stock of VRC shall be used to repay the loan to WMNA, plus interest thereon, and the excess, if any, shall be distributed pursuant to Section II G, below.

F. Following the transfer of the stock of VRC to the trustees, the trust shall be the beneficial owner of such stock, and shall enjoy the right to any increase in value in the stock in the event it is sold or otherwise disposed of pursuant to Section II E above, the right to any dividends which may be declared during the period in which the trust holds the stock, the right to vote the stock or to determine who may vote the stock, and the power to dispose of the stock consistent with any obligations it may enter into pursuant hereto. PROMISSORY NOTE

\$48,400,000.00

December 30, 1986  
Los Angeles, California

FOR VALUE RECEIVED, DAVID A. PEARRE, AS TRUSTEE UNDER THE DECLARATION OF TRUST FOR PURCHASE OF STOCK OF VALLEY RECLAMATION CO. AND DISTRIBUTION OF REMAINING FUNDS TO CHARITY, dated December 30, 1986 ("Maker"), promises to pay to the order of WASTE MANAGEMENT OF NORTH AMERICA, INC., a Delaware corporation ("Payee"), at 3003 Butterfield Road, Oak Brook, Illinois 60521, or at such other place as may be designated by Payee, the principal sum of FORTY-EIGHT MILLION FOUR HUNDRED THOUSAND DOLLARS (\$48,400,000.00), together with interest on unpaid principal balance hereof from time to time outstanding at a rate of interest equal to four percent (4%) per annum, in lawful money of the United States.

The outstanding principal balance hereof, together with all accrued and unpaid interest thereon, shall be due and payable on the earlier to occur of the following:

(i) The failure of Maker to acquire all of the issued and outstanding shares of capital stock of Valley Reclamation Co., a California corporation ("VRC") from CALMAT Co., a Delaware corporation ("CMC") on December 31, 1986, pursuant to the Stock Purchase Agreement dated as of

December 31, 1986 ("Phase I Stock Purchase Agreement"), a copy of which is set forth as Exhibit A attached hereto and made a part hereof;

(ii) The failure of Maker to transfer and deliver all of the issued and outstanding shares of capital stock of VRC to Payee, pursuant to the Stock Purchase Agreement dated as of December 31, 1986 ("Phase II Stock Purchase Agreement"), a copy of which is set forth as Exhibit B attached hereto and made a part hereof;

(iii) The failure or non-occurrence of any of the conditions subsequent set forth in Article VIII of the Phase II Stock Purchase Agreement;

(iv) A default by Maker under the Phase II Stock Purchase Agreement; or

(v) June 30, 1987.

Unless expressly indicated to the contrary herein, all payments received on account of this Note shall be applied first to accrued interest, then to charges or fees payable hereunder and then to the unpaid principal balance hereof.

Maker and any guarantors or endorsers hereof hereby waive diligence, presentment, protest and demand, and notice of protest, notice of demand, notice of dishonor and notice of nonpayment of this Note, and specifically consent to and waive notice of any renewals or extensions of this Note. Maker expressly waives the pleading of any statute of limitations as a defense to any demand hereunder against Maker.

Notwithstanding anything in this Note to the contrary, the obligations of Maker under this Note shall be absolute and Maker expressly and unconditionally waives any and all rights to offset, deduct or withhold any payments or charges due under this Note for any reason whatsoever.

If Maker shall fail to pay in full any payment required hereunder when such payment is due, such failure shall constitute an event of default under this Note.

This Note may be prepaid in whole or in part at the option of Maker.

If Maker shall fail to make any payment when due hereunder, whether by maturity, acceleration or otherwise, the amount of such payment shall thereafter bear interest, which shall be payable on demand, at a rate that is five percent (5%) per annum in excess of the rate of interest otherwise applicable under this Note.

Notwithstanding anything to the contrary contained in this Note, no interest shall accrue hereunder which is in excess of the maximum amount permitted under the applicable law relating to usury. Any interest payment made hereunder representing accrued interest that is in excess of the maximum amount permitted under the applicable law relating to usury shall be applied to reduce the outstanding principal balance hereof and shall be deemed to represent a prepayment of principal hereunder.

The acceptance by any holder of this Note of any payment which is less than the total of all amounts due and payable at the time of such payment shall not constitute a waiver of such holder's rights or remedies at that time or at any subsequent time, without the express written consent of such holder, except as and to the extent otherwise provided by law.

If this Note or any part of the indebtedness represented hereby shall not be paid as aforesaid, then the holder hereof may place this Note or any part of the indebtedness represented hereby in the hands of an attorney for collection, and Maker agrees to pay, in addition to all other amounts due hereunder, all costs of collection, including, without limitation, attorneys' fees, whether or not suit be brought.

This Note may be waived, changed, modified or discharged only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

This Note shall be construed and enforced in accordance with, and governed by, the laws of the State of California.

The times for the performance of any obligation hereunder shall be strictly construed, time being of the essence. Whenever any payment to be made hereunder shall be stated to be due on a day which is not a Business Day, the payment shall be made on the next succeeding Business Day

and such extension of time shall be included in the computation of the payment of interest hereunder. As used herein, the term "Business Day" means any day excluding Saturday, Sunday and any day that is a legal holiday under the laws of the State of California or is a day on which banking institutions located in California are authorized by law or other governmental action to close.

If any provision of this Note, or the application of such provision to any circumstance, is found by a court of law to be in violation of any local, state or federal ordinance, statute, law, administrative or judicial decision or public policy, and if such court should declare such provision or application to be illegal, invalid, unlawful, void or unenforceable as written, then it is the intent of Maker that such provision or application shall be given force to the fullest possible extent that it is legal, valid and enforceable, that the remainder of this Note shall be construed as if such illegal, invalid, unlawful, void or unenforceable provision or application were not contained herein, and that the obligations of Maker under the

remainder of this Note shall continue in full force and effect.

The times for performance of any obligation under this Note shall be strictly construed, time being of the essence.

## OPERATING LICENSE AGREEMENT

THIS OPERATING LICENSE AGREEMENT (the "Agreement") is made and entered into as of December 31, 1986, by and between CALMAT CO., a Delaware corporation ("Owner"), and VALLEY RECLAMATION CO., a California corporation ("Operator"), with reference to the following facts:

A. Owner is the owner of that certain parcel of real property located in the City of Los Angeles, County of Los Angeles, State of California as more particularly described in Exhibit A hereto (the "Real Property").

B. The Real Property, together with the operations currently engaged in thereon, are hereinafter referred to as the "Project."

C. Operator is and has been in the business of operating the Project as a Class II Sanitary Landfill.

D. All of the outstanding shares of stock of Operator, a wholly owned subsidiary of Owner, are being purchased concurrently herewith by David A. Pearre, as trustee under that certain Declaration of Trust for Purchase of Stock of Valley Reclamation Co. and Distribution of Remaining Funds to Charity, dated December 30, 1986 (the "Trustee") pursuant to that certain Stock Purchase Agreement of even date herewith by and between Owner, as Seller, and the Trustee, as Purchaser (the "Stock Purchase Agreement").

E. The intent of this Agreement is to provide Operator with the right to continue to operate the Project as the sole and exclusive operator for the Project until such time as Owner conveys fee simple title to the Real Property to Operator pursuant to those certain Agreements of Purchase and Sale and Joint Escrow Instructions dated December 31, 1986 by and between Owner, as Seller, and Operator, as Purchaser (collectively, the "Purchase Agreements").

NOW, THEREFORE, IN CONSIDERATION of the foregoing and the mutual agreements herein set forth, and other valuable consideration, receipt of which is hereby acknowledged, Owner and Operator agree as follows:

### ARTICLE I LICENSE, TERM AND TERMINATION

1.1 Grant of License. Owner hereby grants to Operator an irrevocable license to manage, supervise and otherwise

operate the Project upon the terms and conditions set forth herein. The particular obligations of Operator are set forth in Article II hereof, and Operator's compensation for such obligations is set forth in Article III hereof. Operator hereby accepts the grant of such license on the terms and conditions set forth herein, and agrees to furnish the services of its organization in connection with the operation of the Project.

### 1.2 Term and Termination.

(a) This Agreement shall be effective as of December 31, 1986 and, unless sooner terminated pursuant to the provisions hereof, shall continue in full force and effect until December 30, 2006 and shall thereafter be automatically renewed for successive one-year periods until closure of the Project.

(b) Notwithstanding anything to the contrary contained herein, upon the consummation of the purchase and sale of the Real Property as contemplated in the Purchase Agreement, this Agreement shall terminate and the obligations of the respective parties shall be governed by Section 1.3 hereof.

1.3 Obligations Upon Termination. Upon termination of this Agreement, each party shall continue to be fully liable for their respective obligations which have accrued up to and including the termination date and shall promptly pay to the other all amounts due the other party under the terms of this Agreement. Such payment shall be made as soon after the effective date of the termination as such amounts are determinable. Upon such payment, neither party shall have any further claim or right against the other, except as expressly provided herein.

## ARTICLE II OPERATION RIGHTS AND DUTIES OF OPERATOR

2.1 Performance of Duties. Operator, in fulfilling its obligations under this Article II, shall perform the duties itemized below, which duties shall be performed in consideration of Operator's right to the compensation described in Section 3.1, and otherwise at the sole cost and expense of Operator and at no cost or expense to Owner, except as otherwise expressly provided in this Agreement.

2.2 Obligations. Operator shall operate the Project as a Class II Sanitary Landfill (as currently defined in the Code of Federal Regulations) (the "Landfill") pursuant to

all Permits (as defined below) and all applicable local, state and federal laws and regulations.

2.3 Expenditures by Operator. Operator shall have the right, without the approval of Owner, to make expenditures and incur obligations as Operator which Operator, in its sole discretion, deems necessary or proper in connection with the operation of the Project.

2.4 Permits. Operator agrees to maintain and keep in full force and effect throughout the term of this Agreement all necessary permits, licenses, approvals, authorizations, applications and certificates from any and all applicable federal, state and municipal governmental or quasi-governmental agencies (collectively, the "Permits") in connection with Operator's use and operation of the Project.

2.5 Compliance with Laws. Operator shall operate the Project in compliance with all federal, state and municipal laws and regulations.

2.6 Contracts for Utilities and Other Services. Operator shall have the right, without the approval of Owner, to enter into contracts for electricity, gas, fuel, telephone, vermin extermination, water, sewer and any other similar utilities and operating services, or such of them as Operator shall reasonably deem necessary or advisable for the operation of the Project.

2.7 Contracts with Third Parties. Operator shall have the right, without the approval of Owner, to enter into contracts with third parties in connection with the operation of the Project.

2.8 Payment of Taxes and Assessments. Owner shall pay before delinquency and prior to the addition thereto of interest or penalties, all taxes, assessments and other impositions ("Taxes") applicable to the Project, subject to reimbursement by Operator as provided hereinbelow. Any delinquency which results from Owner's failure to pay any such Taxes when due shall be paid by Owner at its own expense. The parties hereto acknowledge that the Taxes attributable to a portion of the Project are not separately assessed. To the extent any portion of the Real Property is part of a tax assessor parcel which incorporates real property outside the boundaries of the Real Property ("Tax Parcel"), Operator agrees to reimburse Owner for that portion of the Taxes attributable to the Tax Parcel equal to the product of (a) all Taxes assessed on the Tax Parcel and (b) a fraction, the numerator of which is the number of square feet of Real Property contained within the Tax Parcel

and the denominator of which is the total number of square feet contained within the Tax Parcel. Owner shall deliver to Operator a copy of the current tax bill relating to the Real Property, together with evidence of Owner's payment thereof, and Operator shall promptly reimburse Owner for Operator's share of the Taxes paid by Owner.

2.9 Contests. Prior to the payments made pursuant to Section 2.8, Operator shall advise and recommend to Owner whether the amount of any such Taxes should be challenged as inequitable or improper under law and Operator, at Operator's expense, shall undertake any action or proceedings seeking to reduce such Taxes. Any such action or proceeding shall be undertaken by appropriate legal proceedings in the name of Owner. Owner shall deliver to Operator such documents as are necessary or proper to permit Operator in its prosecution of such contest (including, without limitation, any documents necessary for Operator's execution and delivery).

2.10 Alterations, Reconfigurations. Operator may, with the consent of Owner, which consent shall not be unreasonably withheld, (a) remove, alter or modify any existing improvements located on the Real Property, (b) construct any additional improvements on the Real Property and (c) change the composition or configuration of the Project, provided that any and all such actions shall be at Operator's sole cost and expense.

2.11 Payment of Maintenance Expenses. Operator shall pay all costs and expenses which Operator deems necessary or desirable in order to maintain the Project in good operating condition and repair.

2.12 Signage. Operator shall have the right, without the approval of Owner, to erect such signs on the Real Property as Operator deems appropriate in its sole discretion.

2.13 General Duties. In addition to the duties more particularly described in this Article, Operator shall:

(a) Have the right to initiate and take such actions in the operation of the Project as are necessary or desirable for achieving the maximum efficiency and success of the Project.

(b) Have the right to directly supervise, manage and be responsible for other matters coming within the terms of this Agreement. Without limiting the foregoing, Operator shall have the right to negotiate any and all contracts and

agreements relating to the Project, enter into all such contracts and agreements in the name of Operator, and supervise the performance of all such contracts and agreements.

(c) Have the right to prohibit third parties from engaging in any activity on the Project which would adversely affect or threaten the Project.

(d) Have the right to maximize the environmental and financial profile of the Landfill in Operator's sole and absolute discretion, with full right to seek and obtain all such modifications to the Permits as Operator may deem necessary to achieve the aforesaid goals.

(e) Have any and all rights which Operator deems necessary or desirable in connection with the operation of the Project.

### ARTICLE III COMPENSATION

3.1 Operator's Fee. In consideration of Operator's services performed hereunder, Operator shall be entitled to receive any and all revenues generated with respect to the Project, and Operator shall pay to Owner on a monthly basis until December 31, 1988, the sum of Sixty-Seven Thousand Seven Hundred Dollars (\$67,700.00) (the "Initial Amount"). Operator shall thereafter pay to Owner on a monthly basis such revised amount (the "Revised Amount") as Operator and Owner shall mutually agree in writing. In the event Operator and Owner shall be unable to agree in writing, on or before June 30, 1988, on the Revised Amount, then such Revised Amount shall be determined in the following manner: on or after July 1, 1988, each party, at its respective cost and by giving notice to the other party, shall appoint an impartial person to act as an appraiser hereunder. The appraisers to specified in such notices shall be M.A.I. appraisers, or members of a comparable appraisal organization, doing business in the City of Los Angeles, California. If a party does not appoint an appraiser within five (5) days after the other party has given notice of the name of its appraiser, the single appraiser appointed shall be the sole appraiser and shall set the Revised Amount. If, within ten (10) days following the appointment of said appraisers, said two appraisers shall be unable to agree upon the Revised Amount, the said appraisers shall appoint, by an instrument in writing, as third appraiser an impartial person, similarly qualified, who shall proceed with the two appraisers first appointed to determine the Revised Amount. The appointment of a third appraiser shall be made within

fifteen (15) days following the appointment of the first two appraisers. In the event the two appraisers first appointed cannot agree upon a third appraiser, said third appraiser shall be chosen by the Presiding Judge of the Superior Court of the County of Los Angeles, State of California. Each of the parties shall bear one-half of the cost of appointing the third appraiser and of paying the third appraiser's fee. The written decision, of any two of the appraisers so appointed, fixing such Revised Amount shall be binding and conclusive on the parties hereto and enforceable as provided by the laws of California. Anything herein to the contrary notwithstanding, in fixing the Revised Amount hereunder, the appraiser or appraisers shall consider the use to which the Real Property is put by Operator, which shall not necessarily be the highest and best use for the Real Property. In no event shall the Revised Amount be less than the Initial Amount, except as adjusted for the sale of a portion of the Real Property as described hereinbelow. The Initial Amount or the Revised Amount for a given month shall be payable in arrears on the first day of each succeeding month, it being understood that if the commencement or the expiration or earlier termination of this Agreement occurs on a day other than the first day of a month, such amounts shall be prorated accordingly. The Initial Amount reflects a six and one-half percent (6-1/2%) annual return on the total aggregate purchase price of the Real Property as set forth in the Purchase Agreements. If any portion of the Real Property is sold by Owner to Operator during the first two (2) years of the term of this Agreement, then the Initial Amount shall be reduced to an amount which reflects a six and one-half percent (6-1/2%) annual return on the purchase price for the remaining portion of the Real Property still owned by Owner. Similarly, the Revised Amount will reflect a certain percentage annual return on the aggregate purchase price of the Real Property then owned by Owner. If any portion of the Real Property is sold by Owner to Operator at any time after the first two (2) years of the term of this Agreement, then the Revised Amount shall be reduced to an amount which reflects the same percentage annual return on the purchase price for the remaining portion of the Real Property still owned by Owner. Operator's obligation to make monthly payments to Owner as provided herein shall terminate upon the cessation of revenue producing landfilling operations prior to the commencement of closure activities, which Operator shall conclude in accordance with the Permits and all applicable laws and regulations.

ARTICLE IV  
INSURANCE AND INDEMNIFICATION

4.1 Operator's Liability Insurance. Operator shall carry comprehensive general liability insurance and such other insurance as Operator deems necessary for the protection of Operator's interests. Policies of comprehensive general liability insurance carried by Operator shall include owner as an insured party only in Owner's capacity as owner of the Project. Comprehensive general liability insurance policies shall contain (i) a severability of interest clause, (ii) coverage for contractual liability and personal injury liability and (iii) a waiver by the insurance company of all right of recovery by way of subrogation against Operator in connection with any damage covered by such insurance company's policy. The insurer or insurers and the amounts of coverage shall be determined by Operator in its sole discretion.

4.2 Operator's Property Insurance. Operator shall obtain and keep in force during the term of this Agreement and any extensions thereof, a policy or policies of insurance covering loss or damage to any improvements now or hereafter located on the Real Property in the amount of the full replacement value thereof, against all perils included within the classification of fire, extended coverage, vandalism, malicious mischief and special extended perils ("all risk" as such term is defined in the insurance industry). Said insurance shall provide for payment of loss thereunder to Operator.

4.3 Worker's Compensation Insurance. Operator, at Operator's expense, shall obtain and maintain Workers' Compensation Insurance (including Employer's Liability Insurance) covering all employees of Operator employed in, on or about the Project, so as to provide statutory benefits as required by the laws of the State of California.

4.4 Operator's Insurance Policies. Operator shall furnish or cause to be furnished to Owner certificates of insurance evidencing all bonds and other insurance which Operator is required to maintain pursuant to this Agreement. All insurance policies maintained by Operator shall name Owner and Operator as named insureds, as their respective interests may appear and shall provide that in the event of cancellation of the policy in whole or in part, or a reduction as to coverage or amount thereunder, whether initiated by the insurer or any insured, the insurer shall give not less than thirty (30) days' advance written notice by registered or certified mail to Owner.

4.5 Indemnification. Operator shall indemnify, defend and hold harmless Owner, its employees, agents, representatives and assignees from and against any claim, liability, penalty, fine, forfeiture, demand, cause of action, suits and costs and expenses incidental thereto (including costs of defense, settlement and reasonable attorneys' fees) arising from Operator's operation of the Project, unless occasioned by Owner's willful or negligent actions.

ARTICLE V  
REPRESENTATIONS AND WARRANTIES OF OWNER

As an inducement to Operator to enter into this Agreement, Owner hereby represents and warrants to and agrees with Operator as follows (it being understood by the parties hereto that there are no representations or warranties made herein by Owner with respect to Handling of Wastes or the condition of the Real Property, other than as set forth in the Stock Purchase Agreement):

5.1 Land-Use Regulation. There are no condemnation, zoning or other land-use regulation proceedings, either instituted or planned to be instituted, which could detrimentally affect the use or operation of the Real Property for its intended purpose or the value of the Real Property, nor has Owner received notice of any special assessment proceedings affecting the Real Property.

5.2 Agreements Affecting the Real Property. There are no leases (other than the lease between Owner and Livingston-Graham, Inc.), monetary encumbrances or other agreements (other than the Genstar Joint Venture Gas Recovery Agreement) affecting the Real Property, except as otherwise disclosed to Operator by Owner in writing and approved by Operator.

5.3 Utilities. All water, sewer, gas, electric, telephone and all other utilities required by law or by the current use and operation of the Real Property are connected and operating pursuant to valid permits, and are adequate to permit full compliance with all requirements of law and current use of the Real Property by the tenants thereof and their licensees and invitees.

5.4 Use Permits and Other Approvals. To the best of Owner's knowledge, Owner has obtained all easements and rights of way, including proof of dedication, required from all governmental authorities having jurisdiction over the Real Property or from private parties for the current use and operation of the Real Property and to ensure free and unimpeded vehicular and pedestrian ingress to and egress

from the Real Property as required to permit the current use of the Real Property by the tenants thereof, their invitees and customers.

5.5 Authority of Owner. This Agreement is duly authorized, executed and delivered by Owner, is the legal, valid and binding obligation of Owner enforceable in accordance with its terms, and does not violate any provisions of any agreement or judicial order to which Owner is a party or to which Owner or the Real Property is subject.

5.6 Use and Operation of Property. Owner knows of no facts nor has Owner failed to disclose to Operator any fact which would prevent Operator from using and operating the Real Property in the manner in which the Real Property is being operated as of the date hereof.

#### ARTICLE VI CASUALTY AND CONDEMNATION

6.1 Casualty. If any portion of the Project is destroyed or materially damaged (as reasonably determined by Operator) as a result of an occurrence covered under Operator's property insurance and Operator receives the proceeds of an insurance award equal to the full replacement value thereof, then Operator shall be obligated to restore the damaged or destroyed portion of the Project in a timely manner.

6.2 Condemnation. If proceedings are commenced by any governmental agency for the condemnation of the Project or any portion thereof pursuant to the power of eminent domain, Operator shall have the right to participate in such proceedings in the name of Owner. Owner shall deliver to Operator such documents as are necessary or proper to permit Operator to so participate. If the Project or any portion thereof is taken under the power of eminent domain or sold under the threat of exercise of said power, Owner shall pay or otherwise assign to Operator the total amount of any such condemnation award less an amount equal to the pro rata portion of the purchase price for the Real Property as set forth in the Purchase Agreements which is attributable to the portion of the Real Property taken under the power of eminent domain or sold under threat of exercise of said power. Upon the taking of such portion of the Real Property or sale under threat of such taking, the Initial Amount or the Revised Amount, as the case may be, shall be reduced pro rata based upon the square footage of the property so taken.

ARTICLE VII  
DEFAULTS AND REMEDIES

7.1 Operator's Default. The following occurrences shall be considered "Events of Default" hereunder:

- (a) If Operator has not paid Owner the Fixed Amount within five (5) business days after receiving the Late Notice (as hereinafter defined) from Owner. Owner shall be entitled to deliver to Operator a late notice ("Late Notice") if Owner has not received from Operator the Fixed Amount within fifteen (15) days following the date on which the Fixed Amount is due.
- (b) If Operator has failed to comply with any of its obligations under this Agreement and has failed to undertake within thirty (30) days after receiving written notice from Owner of such noncompliance, such actions as are necessary to bring itself into compliance with this Agreement.

7.2 Owner's Default. The following occurrences shall be considered "Events of Default" hereunder:

- (a) If Owner has failed to comply with any of its obligations under this Agreement and has failed to undertake, within thirty (30) days after receiving written notice from Operator of such noncompliance, such actions as are necessary to bring itself into compliance with this Agreement.

7.3 Remedies. Upon the occurrence of an Event of Default by either party hereto, the nondefaulting party shall be entitled (a) to terminate this Agreement and/or (b) to pursue any remedy now or hereafter available to such party in law or equity. The parties hereto agree that Operator has the right, but not the obligation, to cure any default of Owner hereunder. Upon Operator's default hereunder, Owner shall have the right, but not the obligation, to take possession of the Real Property and operate the Project for the account of Operator.

ARTICLE VIII  
OWNERSHIP OF PROJECT; ACCESS

8.1 Right of Entry. Owner hereby grants to Operator the right to enter into and upon the Project at any and all

times during the term of this Agreement for the purpose of performing its obligations under this Agreement with respect to operating the Project; provided, however, that the aforesaid right of Operator is not the grant of an interest or estate in real property (whether fee, leasehold or otherwise), but rather constitutes a mere license only.

#### ARTICLE IX ESTOPPEL CERTIFICATES

9.1 Estoppel Certificate. Owner and Operator each agree, at any time and from time to time, to execute, acknowledge and deliver to the other a statement in writing (i) certifying that this Agreement is unmodified and in full force and effect (or if there have been modifications, that this Agreement is in full force and effect as modified and stating the modifications), (ii) stating whether or not the provider of the statement is in default in the performance of any covenant, agreement or condition contained in this Agreement, and, if so, specifying each such default of which the provider of the statement may have knowledge and (iii) stating the address to which notices to the provider of the statement shall be sent.

#### ARTICLE X MISCELLANEOUS

10.1 Discharge of Water. Owner covenants and agrees that it shall take all steps necessary to prevent any water used in connection with Owner's gravel washing operations currently being conducted on certain real property located adjacent to the Project from being discharged onto any portion of the Real Property.

10.2 Force Majeure. From and after the date of this Agreement, Operator's performance hereunder may be suspended and its obligations hereunder excused in the event and during the period that such performance is prevented by a cause or causes beyond the reasonable control of Operator unless such cause or causes are a result of action or non-action by Operator. Such causes shall include, but not be limited to, acts of God, acts of war, riot, fire, explosion, accident, flood or sabotage; lack of adequate fuel, power or raw materials; judicial, administrative or governmental laws, regulations, requirements, rules, orders or actions; injunctions or restraining orders; the failure of any governmental body to issue or grant, or the suspension or revocation or modification of any license, permit or other authorization necessary for the construction and/or operation envisioned by this Agreement; national defense

requirements; labor strike, lockout or injunction. Operator shall not be obligated to effect development or perform operations at the Project not indicated in the Permits.

10.3 Memorandum of Agreement. The parties hereto agree to execute, concurrent with the execution of this Agreement, a Memorandum of Operating License Agreement substantially in the form attached hereto as Exhibit B and incorporated herein by reference (the "Memorandum"). The parties hereto agree to cause to be recorded on the date of this Agreement such Memorandum in the office of the County Recorder of the County of Los Angeles.

10.4 Entry on Property. Operator shall also have the right to obtain, with Owner's consent, which consent shall not be unreasonably withheld, any and all final governmental and private approvals ("Final Approvals") to permit Operator's future use and/or development of the Real Property. Final Approvals may include, but are not limited to, final approval of (i) any amendment to any applicable zoning ordinance; (ii) any amendment to any applicable City of Los Angeles or County of Los Angeles General Plan or any applicable City of Los Angeles or County of Los Angeles Specific Plan; (iii) any Environmental Impact Report or environmental review pertaining to the Real Property; (iv) any new parcel, subdivision or tract map pertaining to the Real Property; (v) any rezoning or annexation of the Real Property; and (vi) Operator's design and development plan for the Real Property. Owner agrees to fully cooperate with Operator in obtaining such Final Approvals and agrees to sign all necessary applications and/or documents in connection therewith. In such regard, Owner covenants and agrees, without limitation, that Owner will assist Operator and exercise Owner's best efforts in obtaining such Final Approvals for the Real Property to the appropriate classification or governmental jurisdiction under the applicable ordinances of the necessary governmental agencies, so as to permit the development of the Real Property in accordance with the plans prepared by Operator at Operator's expense. If necessary, Owner shall as soon as reasonably possible after demand by Operator, arrange for the proper execution and filing of an Application for Rezoning or annexation of the Real Property with the proper agencies and officials of said city and/or county and agrees to cooperate with Operator in executing and processing such documents as shall be required to obtain such rezoning or annexation.

The rights and obligations of either party hereto shall not be assigned or transferred in any manner, either voluntarily or by operation of law, unless consented to in writing by the nonassigning party, which consent shall not be unreasonably withheld. Either party, however, may assign its interest hereunder to an "Affiliated Company" without the prior written consent of the other. For purposes of this paragraph, "Affiliated Company" means any company which is a wholly owned subsidiary of the assigning party or which the assigning party or a subsidiary thereof owns at least fifty-one percent (51%) thereof.

Failure on the part of either party to complain of any act or failure to act of the other party or to declare the other party in default, irrespective of how long such failure continues, shall not constitute a waiver by such party of the rights thereof under this Agreement.

11.7 Additional Remedies. The rights and remedies of the parties under this Agreement shall not be mutually exclusive. The exercise of one or more of the provisions of this Agreement shall not preclude the exercise of any other provisions of this Agreement.

11.8 Attorneys' Fees. 11.9 Entire Agreement. This Agreement represents the entire agreement between the parties with respect to the subject matter of this Agreement and supersedes all prior oral or written agreements, understandings, representations, and covenants, to the extent they are inconsistent with this Agreement.

11.10 Severability. If any provisions of this Agreement or the application thereof to any entity or circumstances shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provisions to any other entity or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

11.11 Invalidity of Agreement. If all or any portion of this Agreement is determined by a court of competent jurisdiction to be invalid, the parties hereto agree to cooperate in good faith to accomplish the intent of this Agreement by such other valid means as may be necessary or appropriate.

11.12 Property Tax Increases. Operator shall not be liable for any increase in taxes resulting from the change of ownership of the Project.

11.13 Irrevocability of License. The parties hereto acknowledge and agree that the licenses granted by Owner to Operator pursuant to this Agreement are coupled with an interest and are irrevocable.

11.14 Terminology. All personal pronouns used in this Agreement, whether used in the masculine, feminine or neuter gender, shall include all other genders; the singular shall include the plural; and the plural shall include the singular. Titles of Articles and Sections in this Agreement are for convenience only, and neither limit nor amplify the provisions of this Agreement. All references in this Agreement to Articles, Sections or Subsections thereof shall refer to the corresponding Article, Section or Subsection of this Agreement unless specific reference is made to the articles, sections or subsections of another document or instrument.

### ARTICLE IV

4.1 Buyer's Conditions. The following conditions are conditions precedent to Buyer's obligation to purchase the Property:

(a) Tenant Estoppel Certificates. Seller obtaining and delivering to Buyer tenant estoppel certificates in form and substance satisfactory to Buyer from any and all tenants occupying any portion of the Property (the "Tenant Estoppel Certificates") not later than twenty (20) days prior to the Closing Date. The Tenant Estoppel Certificates shall be in substantially the form of Exhibit G hereto and shall be dated no earlier than thirty (30) days prior to the Closing Date.

(b) Representations and Warranties. All of Seller's representations and warranties contained in or made pursuant to this Agreement shall have been true and correct when made and shall be true and correct as of the Closing Date, and Seller shall have complied with all of Seller's covenants and agreements contained in or made pursuant to this Agreement, including, without limitation, those set forth in Article X hereof.

(c) Title. Not later than twenty (20) days following the date first above written Seller shall deliver to Buyer, at Seller's sole cost and expense, all of the following:

(1) a current extended coverage preliminary title report on the Real Property, accompanied by copies of all documents referred to in the report;

(2) an "as-built" survey of the Real Property by a licensed surveyor or civil engineer who is reasonably acceptable to Buyer. Said survey shall be acceptable to, and certified to, Buyer and in sufficient detail to provide the basis for an ALTA Owner's Policy of Title Insurance without boundary, encroachment or survey exceptions, and shall show the location of all easements, including that certain easement created of even date herewith and more particularly described in the Easement Agreement, and improvements (including underground improvements), and any and all other pertinent information with respect to the Property. The survey shall also indicate the total acreage and total square footage of the Land and any encroachments of improvements onto easements or onto adjacent properties or certify to their absence and shall indicate the presence of improvements and easements on property adjoining the Land if located within five (5) feet of the boundaries of the Land; and

(3) copies of all existing and proposed easements, covenants, restrictions, agreements or other documents which affect the Property and which are not disclosed by the preliminary title report, or, if no such documents exist, a certification of Seller to that effect. Buyer shall advise Seller within ten (10) days after the later of actual receipt of all of the foregoing or the date first above written, what exceptions to title, if any, will be accepted by Buyer. Seller shall have five (5) business days after receipt of Buyer's objections to give Buyer notice: (i) that Seller will remove any objectionable exceptions from title and provide Buyer with

evidence satisfactory to Buyer of such removal, or provide Buyer with evidence satisfactory to Buyer that said exceptions will be removed on or before the Closing; or (ii) that Seller elects not to cause such exceptions to be removed. If Seller gives Buyer notice under clause (ii), Buyer shall have five (5) business days to elect to proceed with the purchase and take the Property subject to such exceptions, or to terminate this Agreement. If Buyer shall fail to give Seller notice of its election within said five (5) business days, Buyer shall be deemed to have elected to terminate this Agreement, each party shall bear their own costs incurred under this Agreement, and all other sums deposited by Buyer with Escrow Holder shall immediately be returned to Buyer. If Seller shall give notice pursuant to clause (i) and shall fail to remove any such objectionable exceptions from title prior to the Closing Date, and Buyer is unwilling to take title subject thereto, Seller shall be in default hereunder and, without limiting Buyer's rights and remedies against Seller, Buyer may elect to terminate this Agreement and Seller shall be liable for all of Buyer's damages, including, without limitation, Buyer's costs and expenses incurred hereunder, including, without limitation, title and escrow costs and reasonable attorneys' fees and expenses. If for any reason Buyer disapproves of title to the Real Property as herein provided, then, in addition to all of Buyer's other rights and remedies, whether provided for herein or otherwise at law or in equity, it is understood and agreed that Seller shall have the absolute and unconditional obligation to immediately repurchase all of the issued and outstanding shares of capital stock of Buyer from David A. Pearre, as trustee (the "Trustee") under the Declaration of Trust For Purchase of Stock of Valley Reclamation Co. and Distribution of Remaining Funds to Charity, dated December 30, 1986, or his successor or assignee, for \$48,400,000 (less any amounts necessary to compensate Seller for any diminution in the net worth of Buyer caused by any act or omission of the Trustee or the Buyer since the Time of Closing of the Stock Purchase Agreement; provided that any such reduction in price shall not include any diminution caused by any failure of Seller to use its best efforts under paragraph 1 of the Management Agreement, as hereinafter defined), and the Trustee, or his successor or assignee shall deliver to Seller duly executed certificates in valid form evidencing all of the issued and outstanding shares of the capital stock of Buyer, duly endorsed in blank or accompanied by duly executed stock powers with the requisite stock transfer stamps, if any, attached.

(d) Service Contracts. Not later than twenty (20) days following the date first above written, Seller shall deliver to Buyer, at Seller's sole cost and expense, all design contracts, space planning contracts, construction contracts, subcontracts and purchase orders, utility contracts, water and sewer service contracts, other service contracts of any nature, maintenance contracts, management contracts, mortgage documents, certificates of occupancy, warranties, permits, soils reports, insurance policies, and other contracts or documents, if any, of any nature relating to the Property (the "Service Contracts"). Buyer shall have ten (10) business days after the later of actual receipt of

all of the foregoing or the date first above written within which to approve or disapprove, in Buyer's sole and absolute discretion, any of the foregoing.

(e) Leases. Not later than twenty (20) days following the date first above written, Seller shall deliver to Buyer, at Seller's sole cost and expense, any and all leases affecting the Property or any portion thereof executed or proposed to be executed by Seller along with a list of such leases in the form of Exhibit K hereto. Buyer shall have ten (10) days after the later of actual receipt of all of the foregoing or the date first above written within which to approve or disapprove, in Buyer's sole and absolute discretion, any of the foregoing.

(f) Compliance with Subdivision Map Act. The recording of a parcel or final map by Seller relating to real property of which the Real Property is a part, such that the Real Property consists of one or more legal lots or parcels as shown or such recorded parcel or final map, on or before October 31, 1987. Seller shall, at Seller's sole cost and expense, proceed expeditiously and with all diligence in causing the recording of such parcel or final map, in full compliance with all laws, rules, regulations and ordinances of all the State of California and of the City or County in which the real property of which the Real Property is a part is located and of all State and Local governmental or quasi-governmental agencies having or claiming jurisdiction over the real property of which the Real Property is a part, including, without limitation, the Subdivision Map Act, Sections 66410, et seq. of the Government Code of the State of California, as amended, and Seller shall, at Seller's sole cost and expense, be solely responsible for causing such parcel or final map to be recorded on or before October 31, 1987. In addition, Seller shall be solely responsible for the cost and performance of any and all conditions and/or obligations imposed in connection with the approval and/or recording of such parcel or final map. Anything herein to the contrary notwithstanding, if the parcel or final map referred to herein is not recorded on or before October 31, 1987, and Buyer determines that Seller has not made significant progress in connection therewith, Buyer shall have the right, but not the obligation, to take whatever steps it deems reasonably necessary, at Seller's sole cost and expense, to cause such parcel or final map to be recorded as soon as possible; provided, however, that if for any reason the parcel or final map referred to herein is not recorded on or before December 31, 1987, whether or not Seller has made significant progress in connection therewith, Buyer shall have the right, but not the obligation, to take whatever steps it deems reasonably necessary, at Seller's sole cost and expense, to cause such parcel or final map to be recorded as soon as possible. Seller agrees to fully cooperate with Buyer in Buyer's efforts to cause the parcel or final map to be recorded as soon as possible, which cooperation shall include, without limitation, Seller's making, executing, acknowledging and filing of all instruments and documents (i) required by all applicable governmental authorities or (ii) deemed reasonably necessary or desirable by Buyer. Seller hereby irrevocably makes, constitutes and appoints Buyer, acting through any of

Buyer's duly authorized officers, as Seller's true and lawful attorney, in its name, place and stead (it being understood that the grant of such power of attorney is coupled with an interest), to make, execute, acknowledge and file all instruments and documents and to take such other actions as may be necessary, after September 30, 1987, to cause the recording of a parcel or final map as contemplated by this Section 4.1(f).

(g) No Default Under Stock Purchase Agreement.

Seller shall not be in default under the terms and conditions of that certain Stock Purchase Agreement (the "Stock Purchase Agreement"), dated as of December 31, 1986, between Seller and Trustee, shall not be in default under the Stock Purchase Agreement dated as of December 31, 1986, between Trustee and Waste Management of North America, Inc., an Illinois corporation.

4.2 Failure of Conditions. The foregoing conditions contained in this Article IV are intended solely for the benefit of Buyer. If any of the foregoing conditions are not satisfied for any reason whatsoever, or if any of the foregoing items to be delivered to and/or inspected and/or reviewed by Buyer are disapproved by Buyer, in Buyer's sole and absolute discretion, Buyer shall have the right at its sole election either to waive the condition and/or item(s) in question (provided that with respect to the condition described in Section 4.1(b) Buyer shall continue to have the remedies available under this Agreement or otherwise at law or in equity) and proceed with the purchase or, in the alternative, to terminate this Agreement.

4.3 Extension of Closing Date and Remedies. The Closing Date may be extended, at Buyer's option, a reasonable period of time if required to allow the conditions set forth in Section 4.1 to be satisfied, subject to Buyer's further right to terminate this Agreement upon the expiration of the period of any such extension if all said conditions have not been satisfied. In the event Buyer elects to terminate this Agreement pursuant to this Article IV, Seller shall pay any title and escrow charges, and, except as otherwise expressly provided in this Article IV, neither party shall have any further rights or obligations under this Agreement. Notwithstanding the foregoing, in the event of a breach by Seller of any covenant hereunder material to the purchase of the Property by Buyer, Buyer may elect nevertheless to proceed with the purchase of the Property, reserving the right to collect damages for such breach from Seller, or Buyer may elect to terminate this Agreement by written notice to Seller delivered prior to Closing, and upon such termination Buyer shall be relieved of all further obligations hereunder, the Deposit shall be returned to Buyer and Buyer may proceed against Seller for any damages caused Buyer thereby.

4.4 Consummation of Purchase of Stock. Anything in this Article IV or elsewhere in this Agreement to the contrary notwithstanding, a condition precedent to both Buyer and Seller's obligation to consummate the purchase and sale of the Property pursuant to this Agreement shall be the acquisition of all of the issued and outstanding shares of

capital stock of Buyer by Waste Management of North America, Inc.

ARTICLE V

CLOSING AND ESCROW

5.1 Deposit with Escrow Holder and Escrow Instructions. This instrument shall serve as the instructions to Escrow Holder for consummation of the purchase and sale contemplated hereby. Seller and Buyer agree to execute such additional and supplementary escrow instructions as may be appropriate to enable Escrow Holder to comply with the terms of this Agreement; provided, however, that in the event of any conflict between the terms and provisions of this Agreement and the terms and provisions of any supplementary escrow instructions, the terms and provisions of this Agreement shall control.

5.2 Closing. The closing hereunder (the "Closing") shall mean the recording of the Deed conveying title to the Real Property from Seller to Buyer and shall be held and delivery of all items to be made at the Closing shall be made at the offices of Escrow Holder on December 31, 1987, or such other date prior thereto (the "Closing Date") and/or at such other location as Buyer and Seller may mutually agree in writing. Such date may not be extended without the written approval of both Seller and Buyer, except as otherwise expressly provided in this Agreement. In the event the Closing does not occur on or before the Closing Date, Escrow Holder shall, unless it is notified by both parties to the contrary within five (5) days after the Closing Date, return to the depositor thereof items which may have been deposited hereunder. Any such return shall not, however, relieve either party hereto of any liability it may have for its wrongful failure to close. It is agreed that if either party has complied with the terms and conditions of this Agreement as of the Closing Date and the other party is not in a position to close, the party not in a position to close shall be in material breach of this Agreement and the Agreement may be terminated and the party who has so fully complied may exercise any and all remedies available to it at law or in equity, subject to the provisions for liquidated damages set forth herein.

5.3 Delivery by Seller. Not later than five (5) days prior to the Closing Date, Seller shall deposit with Escrow Holder the following:

(a) The Deed, duly executed and acknowledged by Seller, in recordable form, and ready for recordation on the Closing Date;

(b) The Bill of Sale, duly executed by Seller;

(c) Original counterparts of any leases (and amendments thereto, if any, and all records and correspondence relating thereto) covering any portion of the Property, any security deposits relating thereto, and a duly executed and acknowledged Assignment of Leases in the form of Exhibit H hereto;

(d) Originals or copies of all Service Contracts, if any, to be continued by Buyer after the Closing as elected by Buyer, and any warranties or guaranties, if any, received by Seller from any contractors, subcontractors, suppliers or materialmen in connection with any construction, repairs or alterations of the Improvements;

(e) The Assignment of Service Contracts, Intangible Property and Warranties and Guarantees, duly executed by Seller;

(f) Originals or copies of all building permits and certificates of occupancy for the Improvements;

(g) Notices to the tenants at the Property, if applicable, in the form of Exhibit I hereto, duly executed by Seller;

(h) An escrow closing statement in form and content consistent with this Agreement and otherwise reasonably satisfactory to Buyer and Seller;

(i) An affidavit in the form of Exhibit J hereto confirming that Seller is not a "foreign person" within the meaning of Internal Revenue Code Section 1445;

(j) Any other documents, instruments, data, records, correspondence or agreements called for hereunder which have not previously been delivered.

Buyer may waive compliance on Seller's part under any of the foregoing items by an instrument in writing.

5.4 Delivery by Buyer. On or before the Closing Date, Buyer shall deposit the Purchase Price with Escrow Holder for disbursement to Seller in accordance with the provisions hereof, to be held by Escrow Holder pursuant to disbursement instructions mutually acceptable to Buyer and Seller.

5.5 Other Instruments. In addition to the documents and instruments to be delivered as herein provided, each of the parties hereto shall, from time to time at the request of the other party, execute and deliver to the other party such other instruments of transfer, conveyance and assignment and shall take such other action as may be reasonably required to effectively carry out the terms of this Agreement and/or to transfer and assign to and vest in Buyer, and put Buyer in possession of, the Property.

5.6 Prorations. Any rents actually collected (whether such collection occurs prior to, on or after the Closing), all non-delinquent real property taxes and assessments, any bond assessments assumed by Buyer, water, sewer and utility charges, annual permits and/or inspection fees (calculated on the basis of the respective periods covered thereby), insurance premiums (as to those policies, if any, that Buyer determines will be continued after the Closing), and other expenses normal to the operation and maintenance of the Property shall be prorated as of 12:01 a.m. on the date the Deed is recorded. Seller and Buyer hereby agree

that if any of the aforesaid prorations cannot be calculated within thirty (30) days after the Closing Date, that either party owing the other party a sum of money based on such subsequent proration(s) shall promptly pay said sum to the other party, together with interest thereon at the rate of eight percent (8%) per annum from the Closing Date to the date of payment if payment is not made within ten (10) days after delivery of a bill therefor. A statement setting forth such agreed-upon prorations shall be delivered to Escrow Holder. Escrow Holder shall not be required to make any other prorations.

5.7 Costs and Expenses. Buyer and Seller shall each pay one-half (1/2) of Escrow Holder's escrow fee, and Seller shall pay all documentary transfer taxes, transfer or conveyance taxes imposed by the City and/or County in which the Real Property is located, delinquent real property taxes or assessments, and the cost of recording the Grant Deed. Buyer shall bear that portion of the title insurance premium cost, if any, that is in excess of the Title Company's normal and standard premium cost of a CLTA Standard Coverage Owner's Policy of Title Insurance ("CLTA Policy"), with liability in the amount of the Purchase Price, and Seller shall bear that portion of the title insurance premium cost that is equal to the premium cost that would be incurred if such a CLTA Policy were issued.

6.8 Litigation. There is no litigation pending or to the best of Seller's knowledge threatened against Seller or to the best of Seller's knowledge any basis therefor that arises out of the ownership of the Property or that might detrimentally affect the use or operation of the Property for its intended purpose or the value of the Property or adversely affect the ability of Seller to perform its obligations under this Agreement.

6.9 Utilities. All water, sewer, gas, electric, telephone, and all other utilities required by law or by the normal use and operation of the Property are, and at the time of Closing will be, connected and operating pursuant to valid permits.

#### ARTICLE X

##### MAINTENANCE AND OPERATION OF THE PROPERTY

10.1 Maintenance. In addition to Seller's other obligations hereunder, Seller shall, subject to and in accordance with the terms and provisions of that certain Management Agreement (the "Management Agreement"), by and between Buyer and Seller, of even date herewith, maintain the Property in good order, condition and repair, reasonable wear and tear excepted, shall perform all work required to be done by the landlord under the terms of any lease affecting the Property, and, subject to and in accordance with the terms and provisions of the Management Agreement, shall make all repairs, maintenance and replacements of the Improvements and any Personal Property and otherwise operate the Property in the same manner as before the the date first above written, the same as though Seller were retaining the Property.

10.3 Encumbrances. Seller shall not, after the date first above written, mortgage, encumber or suffer to be encumbered all or any portion of the Property, without the prior written consent of Buyer.

#### ARTICLE XI

##### EXCHANGE

11.1 Exchange. Instead of the sale of the Property by Seller to Buyer, Seller shall have the right to locate other real property or properties ("Exchange Property") for the purpose of effecting a tax-deferred exchange (under IRC Section 1031) of the Property and/or to arrange for the terms of Seller's acquisition of Exchange Property. If Seller does locate such Exchange Property or enter into an exchange agreement with the owner(s) thereof or other third parties ("Exchange Parties") and notifies Buyer in writing of same on or before June 30, 1987, then, at Seller's option (a) Buyer shall enter into a written contract with such Exchange Parties to purchase such Exchange Property and transfer the ownership thereof from Buyer to Seller in consideration of and concurrently with the transfer of the

Property to Buyer; or (b) Seller shall enter into an exchange agreement with such Exchange Parties and, upon Seller's acquisition of such Exchange Property, the Exchange Parties shall concurrently transfer the ownership of the Property to Buyer in accordance with the terms and provisions of sale set forth in this Agreement. Buyer agrees to accept title to the Property from such Exchange Parties. In no event, however, shall Buyer be required to make a total cash payment for the Exchange Property, including all costs and expenses of that purchase, in excess of the sum of the Purchase Price and all costs and expenses Buyer is required to make hereunder, nor shall Buyer be required to assume any secured loan on any Exchange Property to be acquired by Buyer, execute any promissory note or other evidence of indebtedness in connection with any acquisition of Exchange Property which would impose any personal liability on Buyer for its payment, make any representations or warranties beyond those made in the Agreement which would impose any personal liability on Buyer, or actually take title to the Exchange Property. Buyer shall make a good faith diligent effort (but shall not be required to deposit money sooner than required hereunder) to comply with all terms of any and all contracts entered into in connection with such tax-deferred exchange. Seller shall be required to sell the Property directly to Buyer and Buyer shall be required to purchase the Property directly from Seller for the price and on the terms set forth in this Agreement only if (i) Seller is unable to locate Exchange Property and Buyer is unable to acquire it, (ii) Seller is unable to make arrangements for title to the Property to be transferred to Buyer through a third party within the time period provided in this Agreement, or (iii) if Seller shall waive its right to locate Exchange Property for the purpose of effecting a tax-deferred exchange pursuant to this Article XI. In the event that through no fault of or lack of performance by Buyer, the intended exchange is not completed on or before December 31, 1987, Seller agrees to transfer title to the Property to Buyer on that date under the terms and provisions of sale set forth in this Agreement. Seller agrees to hold Buyer harmless from and against any and all liability, loss, cost, damage and/or expense (including, without limitation, attorneys' fees and expenses) that may arise from Buyer's participation in the exchange.

(b) Representations and Warranties. All of Seller's representations and warranties contained in or made pursuant to this Agreement shall have been true and correct when made and shall be true and correct as of the Closing Date, and Seller shall have complied with all of Seller's covenants and agreements contained in or made pursuant to this Agreement, including, without limitation, those set forth in Article X hereof.

If Seller gives Buyer notice under clause (ii), Buyer shall have five (5) business days to elect to proceed with the purchase and take the Property subject to such exceptions, or to terminate this Agreement. If Buyer shall fail to give Seller notice of its election within said five (5) business days, Buyer shall be deemed to have elected to terminate this Agreement, each party shall bear their own costs incurred under this Agreement, and all other sums deposited by Buyer with Escrow Holder shall immediately be returned to Buyer. If Seller shall give notice pursuant to clause (i) and shall fail to remove any such objectionable exceptions from title prior to the Closing Date, and Buyer is unwilling to take title subject thereto, Seller shall be in default hereunder and, without limiting Buyer's rights and remedies against Seller, Buyer may elect to terminate this Agreement and Seller shall be liable for all of Buyer's damages, including, without limitation, Buyer's costs and expenses incurred hereunder, including, without limitation, title and escrow costs and reasonable attorneys' fees and expenses. If for any reason Buyer disapproves of title to the Real Property as herein provided, then, in addition to all of Buyer's other rights and remedies, whether provided for herein or otherwise at law or in equity, it is understood and agreed that Seller shall have the absolute and unconditional obligation to immediately repurchase all of the issued and outstanding shares of capital stock of Buyer from David A. Pearre, as trustee (the "Trustee") under the Declaration of Trust For Purchase of Stock of Valley Reclamation Co. and Distribution of Remaining Funds to Charity, dated December 30, 1986, or his successor or assignee, for \$48,400,000 (less any amounts necessary to compensate Seller for any diminution in the net worth of Buyer caused by any act or omission of the Trustee or the Buyer since the Time of Closing of the Stock Purchase Agreement; provided that any such reduction in price shall not include any diminution caused by any failure of Seller to use its best efforts under paragraph 1 of the Management Agreement, as hereinafter defined), and the Trustee, or his successor or assignee shall deliver to Seller duly executed certificates in valid form evidencing all of the issued and outstanding shares of the capital stock of Buyer, duly endorsed in blank or accompanied by duly executed stock powers with the requisite stock transfer stamps, if any, attached.

Not later than twenty (20) days following the date first above written, Seller shall deliver to Buyer, at Seller's sole cost and expense, all design contracts, space planning contracts, construction contracts, subcontracts and purchase orders, utility contracts, water and sewer service contracts, other service contracts of any nature, maintenance contracts, management contracts, mortgage documents, certificates of occupancy, warranties, permits, soils reports, insurance policies, and other contracts or documents, if any, of any nature relating to the Property (the "Service Contracts"). Buyer shall have ten (10) business days after the later of actual receipt of

all of the foregoing or the date first above written within which to approve or disapprove, in Buyer's sole and absolute discretion, any of the foregoing.

(e) Leases. Not later than twenty (20) days following the date first above written, Seller shall deliver to Buyer, at Seller's sole cost and expense, any and all leases affecting the Property or any portion thereof executed or proposed to be executed by Seller along with a list of such leases in the form of Exhibit K hereto. Buyer shall have ten (10) days after the later of actual receipt of all of the foregoing or the date first above written within which to approve or disapprove, in Buyer's sole and absolute discretion, any of the foregoing.

(f) Compliance with Subdivision Map Act. The recording of a parcel or final map by Seller relating to real property of which the Real Property is a part, such that the Real Property consists of one or more legal lots or parcels as shown on such recorded parcel or final map, on or before October 31, 1987. Seller shall, at Seller's sole cost and expense, proceed expeditiously and with all diligence in causing the recording of such parcel or final map, in full compliance with all laws, rules, regulations and ordinances of all the State of California and of the City or County in which the real property of which the Real Property is a part is located and of all State and Local governmental or quasi-governmental agencies having or claiming jurisdiction over the real property of which the Real Property is a part, including, without limitation, the Subdivision Map Act, Sections 66410, et seq. of the Government Code of the State of California, as amended, and Seller shall, at Seller's sole cost and expense, be solely responsible for causing such parcel or final map to be recorded on or before October 31, 1987. In addition, Seller shall be solely responsible for the cost and performance of any and all conditions and/or obligations imposed in connection with the approval and/or recording of such parcel or final map. Anything herein to the contrary notwithstanding, if the parcel or final map referred to herein is not recorded on or before October 31, 1987, and Buyer determines that Seller has not made significant progress in connection therewith, Buyer shall have the right, but not the obligation, to take whatever steps it deems reasonably necessary, at Seller's sole cost and expense, to cause such parcel or final map to be recorded as soon as possible; provided, however, that if for any reason the parcel or final map referred to herein is not recorded on or before December 31, 1987, whether or not Seller has made significant progress in connection therewith, Buyer shall have the right, but not the obligation, to take whatever steps it deems reasonably necessary, at Seller's sole cost and expense, to cause such parcel or final map to be recorded as soon as possible. Seller agrees to fully cooperate with Buyer in Buyer's efforts to cause the parcel or final map to be recorded as soon as possible, which cooperation shall include, without limitation, Seller's making, executing, acknowledging and filing of all instruments and documents (i) required by all applicable governmental authorities or (ii) deemed reasonably necessary or desirable by Buyer. Seller hereby irrevocably makes, constitutes and appoints Buyer, acting through any of

Buyer's duly authorized officers, as Seller's true and lawful attorney, in its name, place and stead (it being understood that the grant of such power of attorney is coupled with an interest), to make, execute, acknowledge and file all instruments and documents and to take such other actions as may be necessary, after September 30, 1987, to cause the recording of a parcel or final map as contemplated by this Section 4.1(f).

(g) No Default Under Stock Purchase Agreement.

Seller shall not be in default under the terms and conditions of that certain Stock Purchase Agreement (the "Stock Purchase Agreement"), dated as of December 30, 1986, between Seller and Trustee, shall not be in default under the Stock Purchase Agreement dated as of December 30, 1986, between Trustee and Waste Management of North America, Inc., a Delaware corporation.

4.2 Failure of Conditions. The foregoing conditions contained in this Article IV are intended solely for the benefit of Buyer. If any of the foregoing conditions are not satisfied for any reason whatsoever, or if any of the foregoing items to be delivered to and/or inspected and/or reviewed by Buyer are disapproved by Buyer, in Buyer's sole and absolute discretion, Buyer shall have the right at its sole election either to waive the condition and/or item(s) in question (provided that with respect to the condition described in Section 4.1(b) Buyer shall continue to have the remedies available under this Agreement or otherwise at law or in equity) and proceed with the purchase or, in the alternative, to terminate this Agreement.

4.3 Extension of Closing Date and Remedies. The Closing Date may be extended, at Buyer's option, a reasonable period of time if required to allow the conditions set forth in Section 4.1 to be satisfied, subject to Buyer's further right to terminate this Agreement upon the expiration of the period of any such extension if all said conditions have not been satisfied. In the event Buyer elects to terminate this Agreement pursuant to this Article IV, Seller shall pay any title and escrow charges, and, except as otherwise expressly provided in this Article IV, neither party shall have any further rights or obligations under this Agreement. Notwithstanding the foregoing, in the event of a breach by Seller of any covenant hereunder material to the purchase of the Property by Buyer, Buyer may elect nevertheless to proceed with the purchase of the Property, reserving the right to collect damages for such breach from Seller, or Buyer may elect to terminate this Agreement by written notice to Seller delivered prior to Closing, and upon such termination Buyer shall be relieved of all further obligations hereunder, the Deposit shall be returned to Buyer and Buyer may proceed against Seller for any damages caused Buyer thereby.

4.4 Consummation of Purchase of Stock. Anything in this Article IV or elsewhere in this Agreement to the contrary notwithstanding, a condition precedent to both Buyer and Seller's obligation to consummate the purchase and sale of the Property pursuant to this Agreement shall be the acquisition of all of the issued and outstanding shares of

capital stock of Buyer by Waste Management of North America, Inc.

ARTICLE V

CLOSING AND ESCROW

5.1 Deposit with Escrow Holder and Escrow Instructions. This instrument shall serve as the instructions to Escrow Holder for consummation of the purchase and sale contemplated hereby. Seller and Buyer agree to execute such additional and supplementary escrow instructions as may be appropriate to enable Escrow Holder to comply with the terms of this Agreement; provided, however, that in the event of any conflict between the terms and provisions of this Agreement and the terms and provisions of any supplementary escrow instructions, the terms and provisions of this Agreement shall control.

5.2 Closing. The closing hereunder (the "Closing") shall mean the recording of the Deed conveying title to the Real Property from Seller to Buyer and shall be held and delivery of all items to be made at the Closing shall be made at the offices of Escrow Holder on December 31, 1987, or such other date prior thereto (the "Closing Date") and/or at such other location as Buyer and Seller may mutually agree in writing. Such date may not be extended without the written approval of both Seller and Buyer, except as otherwise expressly provided in this Agreement. In the event the Closing does not occur on or before the Closing Date, Escrow Holder shall, unless it is notified by both parties to the contrary within five (5) days after the Closing Date, return to the depositor thereof items which may have been deposited hereunder. Any such return shall not, however, relieve either party hereto of any liability it may have for its wrongful failure to close. It is agreed that if either party has complied with the terms and conditions of this Agreement as of the Closing Date and the other party is not in a position to close, the party not in a position to close shall be in material breach of this Agreement and the Agreement may be terminated and the party who has so fully complied may exercise any and all remedies available to it at law or in equity, subject to the provisions for liquidated damages set forth herein.

5.3 Delivery by Seller. Not later than five (5) days prior to the Closing Date, Seller shall deposit with Escrow Holder the following:

(a) The Deed, duly executed and acknowledged by Seller, in recordable form, and ready for recordation on the Closing Date;

(b) The Bill of Sale, duly executed by Seller;

(c) Original counterparts of any leases (and amendments thereto, if any, and all records and correspondence relating thereto) covering any portion of the Property, any security deposits relating thereto, and a duly executed and acknowledged Assignment of Leases in the form of Exhibit H hereto;

(d) Originals or copies of all Service Contracts, if any, to be continued by Buyer after the Closing as elected by Buyer, and any warranties or guaranties, if any, received by Seller from any contractors, subcontractors, suppliers or materialmen in connection with any construction, repairs or alterations of the Improvements;

(e) The Assignment of Service Contracts, Intangible Property and Warranties and Guarantees, duly executed by Seller;

(f) Originals or copies of all building permits and certificates of occupancy for the Improvements;

(g) Notices to the tenants at the Property, if applicable, in the form of Exhibit I hereto, duly executed by Seller;

(h) An escrow closing statement in form and content consistent with this Agreement and otherwise reasonably satisfactory to Buyer and Seller;

(i) An affidavit in the form of Exhibit J hereto confirming that Seller is not a "foreign person" within the meaning of Internal Revenue Code Section 1445;

(j) Any other documents, instruments, data, records, correspondence or agreements called for hereunder or under the Option Agreement which have not previously been delivered.

Buyer may waive compliance on Seller's part under any of the foregoing items by an instrument in writing.

5.4 Delivery by Buyer. On or before the Closing Date, Buyer shall deposit the Purchase Price with Escrow Holder for disbursement to Seller in accordance with the provisions hereof, to be held by Escrow Holder pursuant to disbursement instructions mutually acceptable to Buyer and Seller.

5.5 Other Instruments. In addition to the documents and instruments to be delivered as herein provided, each of the parties hereto shall, from time to time at the request of the other party, execute and deliver to the other party such other instruments of transfer, conveyance and assignment and shall take such other action as may be reasonably required to effectively carry out the terms of this Agreement and/or to transfer and assign to and vest in Buyer, and put Buyer in possession of, the Property.

5.6 Prorations. Any rents actually collected (whether such collection occurs prior to, on or after the Closing), all non-delinquent real property taxes and assessments, any bond assessments assumed by Buyer, water, sewer and utility charges, annual permits and/or inspection fees (calculated on the basis of the respective periods covered thereby), insurance premiums (as to those policies, if any, that Buyer determines will be continued after the Closing), and other expenses normal to the operation and maintenance of the Property shall be prorated as of 12:01 a.m. on the date the Deed is recorded. Seller and Buyer hereby agree

that if any of the aforesaid prorations cannot be calculated within thirty (30) days after the Closing Date, that either party owing the other party a sum of money based on such subsequent proration(s) shall promptly pay said sum to the other party, together with interest thereon at the rate of eight percent (8%) per annum from the Closing Date to the date of payment if payment is not made within ten (10) days after delivery of a bill therefor. A statement setting forth such agreed-upon prorations shall be delivered to Escrow Holder. Escrow Holder shall not be required to make any other prorations.

5.7 Costs and Expenses. Buyer and Seller shall each pay one-half (1/2) of Escrow Holder's escrow fee, and Seller shall pay all documentary transfer taxes, transfer or conveyance taxes imposed by the City and/or County in which the Real Property is located, delinquent real property taxes or assessments, and the cost of recording the Grant Deed. Buyer shall bear that portion of the title insurance premium cost, if any, that is in excess of the Title Company's normal and standard premium cost of a CLTA Standard Coverage Owner's Policy of Title Insurance ("CLTA Policy"), with liability in the amount of the Purchase Price, and Seller shall bear that portion of the title insurance premium cost that is equal to the premium cost that would be incurred if such a CLTA Policy were issued.

## ARTICLE VI

### REPRESENTATIONS AND WARRANTIES OF SELLER

As an inducement to Buyer to enter into this Agreement, Seller hereby represents and warrants to and agrees with Buyer as follows (it being understood by the parties hereto that there are no representations or warranties made herein by Seller with respect to the Handling of Wastes (as defined in the Stock Purchase Agreement) or the condition of the Real Property, other than as set forth in the Stock Purchase Agreement):

6.1 Condition of Property. Between the date hereof and the date of acquisition of all of the issued and outstanding shares of capital stock of Buyer by WMI, there will be no material change in the condition of the Property or in the level of compliance with all applicable governmental laws, ordinances, regulations and requirements.

6.2 Reports, Contracts and Other Documents. The survey, leases, certificates of occupancy, and all other books and records relating to or affecting the Property, and the Service Contracts, if any, and all other contracts or documents delivered to Buyer pursuant to this Agreement or in connection with the execution hereof are and at the time of Closing will be true and correct copies, are and at the time of Closing will be in full force and effect, without default by (or notice of default to) any party, and contain no inaccuracies or misstatements of fact, and all such contracts, leases and other documents relating to or affecting the Property have been or will be delivered to the Buyer pursuant to this Agreement.

6.3 Land-Use Regulation. There are no condemnation, zoning or other land-use regulation proceedings, either instituted or planned to be instituted, which could detrimentally affect the use or operation of the Property for its intended purpose or the value of the Property, nor has Seller received notice of any special assessment proceedings affecting the Property.

6.4 Leases. Except as set forth in Exhibit K hereto (to be provided by Seller in accordance with Section 4.1(e) hereof), Seller has not executed or otherwise entered into any leases, tenancies, occupancy agreements or other agreements with respect to rights affecting possession of the Property or any portion thereof and there are no such agreements entered into or executed by any third party, and there is no default on the part of Seller, as lessor, or on the part of any lessee, and there exists no condition that with the passage of time or the giving of notice or both would constitute such a default.

6.5 Service Contracts and Other Agreements. Seller has not entered into and there are no Service Contracts or other agreements affecting the Property, there is no obligation of Seller under the terms of any contract, lease or other instrument relating to or affecting the Property to assume any obligation thereof other than the contracts, leases and other documents required to be disclosed pursuant to this Agreement, and there will be, as of the Closing Date, no obligation of Buyer under the terms of any contract, lease or other instrument affecting the Property other than the contracts, leases or other documents which Buyer has elected to assume pursuant to this Agreement.

6.6 Agreements Affecting the Property. There are no leases, easements, encumbrances or other agreements affecting the Property except as shown in the preliminary title report delivered to Buyer pursuant to Section 4.1(c) hereof, or as otherwise disclosed to Buyer by Seller in writing and approved by Buyer.

6.7 Default in Respect of Appurtenances. There is no default under or in respect of any of the Appurtenances on the part of any party thereto and no condition exists that with the passage of time or giving of notice or both would constitute such a default.

6.8 Litigation. There is no litigation pending or to the best of Seller's knowledge threatened against Seller or to the best of Seller's knowledge any basis therefor that arises out of the ownership of the Property or that might detrimentally affect the use or operation of the Property for its intended purpose or the value of the Property or adversely affect the ability of Seller to perform its obligations under this Agreement.

6.9 Utilities. All water, sewer, gas, electric, telephone, and all other utilities required by law or by the normal use and operation of the Property are, and at the time of Closing will be, connected and operating pursuant to valid permits.

6.10 Use Permits and Other Approvals. To the best of Seller's knowledge, Seller has obtained all easements and rights of way, including proof of dedication, required from all governmental authorities having jurisdiction over the Property or from private parties for the normal use and operation of the Property and to ensure free and unimpeded vehicular and pedestrian ingress to and egress from the Property as required to permit the normal intended usage of the Property by the tenants thereof, their invitees and customers.

6.11 Authority of Seller. This Agreement and all documents executed by Seller which are to be delivered to Buyer at or prior to the Closing are or at the time of Closing will be duly authorized, executed, and delivered by Seller, are or at the time of Closing will be legal, valid, and binding obligations of Seller enforceable in accordance with their terms, are and at the time of Closing will be sufficient to convey title (if they purport to do so), and do not and at the time of Closing will not violate any provisions of any agreement or judicial order to which Seller is a party or to which Seller or the Property is subject.

6.12 Use and Operation of Property. Seller knows of no facts nor has Seller failed to disclose to Buyer any fact which would prevent Buyer from using and operating the Property after Closing in the manner in which the Property is being operated as of the date hereof.

6.13 Other Contracts to Convey Property. Seller has not committed nor obligated itself in any manner whatsoever to sell the Property to any party other than Buyer. Seller has not hypothecated or assigned any rents or income from the Property in any manner. At the Closing Date, Seller will not have hypothecated or assigned any rents or income from the Property in any manner.

6.14 Property Tax Assessment. Notwithstanding any other provision of this Agreement to the contrary, if Buyer shall become liable after the Closing for payment of any property taxes assessed against the Property for any period of time prior to the Closing Date, Seller shall immediately pay to Buyer on demand an amount equal to such tax assessment in accordance with Section 5.6 hereof.

## ARTICLE VII

### REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to Seller as follows: This Agreement and all documents executed by Buyer which are to be delivered to Seller at the Closing are or at the time of Closing will be duly authorized, executed, and delivered by Buyer, and are or at the Closing will be legal, valid, and binding obligations of Buyer, and do not and at the time of Closing will not violate any provisions of any agreement or judicial order to which Buyer is a party or to which it is subject.

## ARTICLE VIII

### LOSS BY FIRE OR OTHER CASUALTY; CONDEMNATION

In the event that, prior to Closing, the Property is destroyed or materially damaged (as reasonably determined by Buyer), or if condemnation proceedings are threatened or commenced against the Property, Buyer shall have the right, exercisable by giving notice of such decision to Seller within fifteen (15) business days after receiving written notice from Seller of such damage, destruction or condemnation proceedings, to terminate this Agreement, in which case, neither party shall have any further rights or obligations hereunder and the Deposit shall be returned to Buyer. If Buyer elects to accept the Property in its then condition, all proceeds of insurance or condemnation awards payable to Seller by reason of such damage, destruction or condemnation shall be paid or assigned to Buyer. In the event of non-material damage to the Property, which damage Seller is unwilling to repair or replace at its expense prior to or within a reasonable time after the Closing Date, Buyer shall have the right, exercisable by giving notice within fifteen (15) business days after receiving written notice of such damage, either (a) to terminate this Agreement as hereinabove in this Article VIII provided, or (b) to accept the Property in its then condition and proceed with the purchase, in which case Buyer shall be entitled to a reduction of the Purchase Price to the extent of the cost of repairing or replacing such damage as determined by Buyer based on bids or other advice from one or more qualified contractors, architects or engineers selected by Buyer. For purposes of any repairs or replacements under this Article VIII, the Closing Date may be extended, at Buyer's election, for a reasonable time to allow such repairs or replacements to be made.

## ARTICLE IX

### DELIVERY OF POSSESSION AND ENTRY ON PROPERTY

9.1 Delivery of Possession. Possession of the Property shall be delivered to Buyer on the Closing Date.

9.2 Entry on Property. Seller shall afford Buyer reasonable access to the Property for the purposes of satisfying Buyer with respect to the representations, warranties, and covenants of Seller contained herein, with respect to satisfaction of any conditions precedent to the Closing contained herein, and with respect to the condition of the Property. Buyer shall have the right to conduct such inspections and tests of the Property as Buyer deems appropriate, including, but not limited to, soils and geological tests, building inspections, reviews of the zoning and other land use controls and restrictions affecting the Property and surrounding land, and reviews of the availability of utilities, rail service and other services necessary or appropriate to the operation of the Property. In this regard, Buyer may obtain, at Buyer's sole option and expense, such written reports and studies as Buyer may deem appropriate, a survey containing sufficient information to

permit the issuance of an ALTA Policy covering the Property, and any permits, authorizations or approvals from governmental agencies having authority over the Property which Buyer deems necessary or appropriate.

#### ARTICLE X

##### MAINTENANCE AND OPERATION OF THE PROPERTY

10.1 Maintenance. In addition to Seller's other obligations hereunder, Seller shall, subject to and in accordance with the terms and provisions of that certain Management Agreement (the "Management Agreement"), by and between Buyer and Seller, of even date herewith, maintain the Property in good order, condition and repair, reasonable wear and tear excepted, shall perform all work required to be done by the landlord under the terms of any lease affecting the Property, and, subject to and in accordance with the terms and provisions of the Management Agreement, shall make all repairs, maintenance and replacements of the Improvements and any Personal Property and otherwise operate the Property in the same manner as before the the date first above written, the same as though Seller were retaining the Property.

10.2 Leases and Other Agreements. Seller shall not, after the date of first above written, enter into or terminate any lease, amendment of lease, contract or agreement pertaining to the Property or permit any tenant of the Property to enter into or terminate any sublease, assignment of lease, contract or agreement pertaining to the Property, or modify any lease, contract or agreement pertaining to the Property or waive any rights of Seller thereunder, without in each case obtaining Buyer's prior written consent thereto.

10.3 Encumbrances. Seller shall not, after the date first above written, mortgage, encumber or suffer to be encumbered all or any portion of the Property, without the prior written consent of Buyer.

#### ARTICLE XI

##### EXCHANGE

11.1 Exchange. Instead of the sale of the Property by Seller to Buyer, Seller shall have the right to locate other real property or properties ("Exchange Property") for the purpose of effecting a tax-deferred exchange (under IRC Section 1031) of the Property and/or to arrange for the terms of Seller's acquisition of Exchange Property. If Seller does locate such Exchange Property or enter into an exchange agreement with the owner(s) thereof or other third parties ("Exchange Parties") and notifies Buyer in writing of same on or before June 30, 1987, then, at Seller's option (a) Buyer shall enter into a written contract with such Exchange Parties to purchase such Exchange Property and transfer the ownership thereof from Buyer to Seller in consideration of and concurrently with the transfer of the

Property to Buyer; or (b) Seller shall enter into an exchange agreement with such Exchange Parties and, on the acquisition of such Exchange Property, those parties shall concurrently transfer the ownership of the Property to Buyer in accordance with the terms and provisions of sale set forth in this Agreement. Buyer agrees to accept title to the Property from such Exchange Parties. In no event, however, shall Buyer be required to make a total cash payment for the Exchange Property, including all costs and expenses of that purchase, in excess of the sum of the Purchase Price and all costs and expenses Buyer is required to make hereunder, nor shall Buyer be required to assume any secured loan on any Exchange Property to be acquired by Buyer, execute any promissory note or other evidence of indebtedness in connection with any acquisition of Exchange Property which would impose any personal liability on Buyer for its payment, make any representations or warranties beyond those made in the Agreement which would impose any personal liability on Buyer, or actually take title to the Exchange Property. Buyer shall make a good faith diligent effort (but shall not be required to deposit money sooner than required hereunder) (i) to acquire the Exchange Property when Seller has located it and negotiated its purchase, or (ii) to accept title from the Exchange Parties. Seller shall be required to sell the Property directly to Buyer and Buyer shall be required to purchase the Property directly from Seller for the price and on the terms set forth in this Agreement only if (i) Seller is unable to locate Exchange Property and Buyer is unable to acquire it, (ii) Seller is unable to make arrangements for title to the Property to be transferred to Buyer through a third party within the time period provided in this Agreement, or (iii) if Seller shall waive its right to locate Exchange Property for the purpose of effecting a tax-deferred exchange pursuant to this Article XI. In the event an exchange is made in lieu of a purchase hereunder, Seller shall reimburse Buyer for the amount, if any, by which (i) the total cash payment made to the Exchange Parties, including all of Buyer's costs of escrow, title insurance premiums spent to acquire the Exchange Property, documentary transfer taxes and all prorations, reasonable attorneys' fees and real estate brokerage commissions, all of which shall be approved by Seller before Buyer enters into any agreement of purchase with the Exchange Parties, exceeds (ii) the sum of the Purchase Price and all costs and expenses Buyer is required to incur hereunder. In the event that through no fault of or lack of performance by Buyer, the intended exchange is not completed on or before December 31, 1987, Seller agrees to transfer title to the Property to Buyer on that date under the terms and provisions of sale set forth in this Agreement. Seller agrees to hold Buyer harmless from and against any and all liability, loss, cost, damage and/or expense (including, without limitation, attorneys' fees and expenses) that may arise from Buyer's participation in the exchange.

### ARTICLE IV

#### CONDITIONS TO CLOSING

4.1 Buyer's Conditions. The following conditions are conditions precedent to Buyer's obligation to purchase the Property:

(a) Tenant Estoppel Certificates. Seller obtaining and delivering to Buyer tenant estoppel certificates in form and substance satisfactory to Buyer from any and all tenants occupying any portion of the Property (the "Tenant Estoppel Certificates") not later than twenty (20) days prior to the Closing Date. The Tenant Estoppel Certificates shall be in substantially the form of Exhibit G hereto and shall be dated no earlier than thirty (30) days prior to the Closing Date.

(b) Representations and Warranties. All of Seller's representations and warranties contained in or made pursuant to this Agreement shall have been true and correct when made and shall be true and correct as of the Closing Date, and Seller shall have complied with all of Seller's covenants and agreements contained in or made pursuant to this Agreement, including, without limitation, those set forth in Article X hereof.

(c) Title. Not later than twenty (20) days following the date first above written Seller shall deliver to Buyer, at Seller's sole cost and expense, all of the following:

(1) a current extended coverage preliminary title report on the Real Property, accompanied by copies of all documents referred to in the report;

(2) an "as-built" survey of the Real Property by a licensed surveyor or civil engineer who is reasonably acceptable to Buyer. Said survey shall be acceptable to, and certified to, Buyer and in sufficient detail to provide the basis for an ALTA Owner's Policy of Title Insurance without boundary, encroachment or survey exceptions, and shall show the location of all easements, including that certain easement created of even date herewith and more particularly described in the Easement Agreement, and improvements (including underground improvements), and any and all other pertinent information with respect to the Property. The survey shall also indicate the total acreage and total square footage of the Land and any encroachments of improvements onto easements or onto adjacent properties or certify to their absence and shall indicate the presence of improvements and easements on property adjoining the Land if located within five (5) feet of the boundaries of the Land; and

(3) copies of all existing and proposed easements, covenants, restrictions, agreements or other documents which affect the Property and which are not disclosed by the preliminary title report, or, if no such documents exist, a certification of Seller to that effect. Title to the Real Property shall be subject only to such exceptions as Buyer shall approve in Buyer's sole and absolute discretion. Buyer shall advise Seller within ten (10) days after the later of actual receipt of all of the foregoing or the date first above written, what exceptions to title, if any, will be accepted by Buyer. Seller shall have five (5) business days after receipt of Buyer's objections to give Buyer notice: (i) that Seller will remove any objectionable exceptions from title and provide Buyer with

evidence satisfactory to Buyer of such removal, or provide Buyer with evidence satisfactory to Buyer that said exceptions will be removed on or before the Closing; or (ii) that Seller elects not to cause such exceptions to be removed. If Seller gives Buyer notice under clause (ii), Buyer shall have five (5) business days to elect to proceed with the purchase and take the Property subject to such exceptions, or to terminate this Agreement. If Buyer shall fail to give Seller notice of its election within said five (5) business days, Buyer shall be deemed to have elected to terminate this Agreement, each party shall bear their own costs incurred under this Agreement, and all other sums deposited by Buyer with Escrow Holder shall immediately be returned to Buyer. If Seller shall give notice pursuant to clause (i) and shall fail to remove any such objectionable exceptions from title prior to the Closing Date, and Buyer is unwilling to take title subject thereto, Seller shall be in default hereunder and, without limiting Buyer's rights and remedies against Seller, Buyer may elect to terminate this Agreement and Seller shall be liable for all of Buyer's damages, including, without limitation, Buyer's costs and expenses incurred hereunder, including, without limitation, title and escrow costs and reasonable attorneys' fees and expenses. If for any reason Buyer disapproves of title to the Real Property as herein provided, then, in addition to all of Buyer's other rights and remedies, whether provided for herein or otherwise at law or in equity, it is understood and agreed that Seller shall have the absolute and unconditional obligation to immediately repurchase all of the issued and outstanding shares of capital stock of Buyer from David A. Pearre, as trustee (the "Trustee") under the Declaration of Trust For Purchase of Stock of Valley Reclamation Co. and Distribution of Remaining Funds to Charity, dated December 30, 1986, or his successor or assignee, for \$48,400,000 (less any amounts necessary to compensate Seller for any diminution in the net worth of Buyer caused by any act or omission of the Trustee or the Buyer since the Time of Closing of the Stock Purchase Agreement; provided that any such reduction in price shall not include any diminution caused by any failure of Seller to use its best efforts under paragraph 1 of the Management Agreement, as hereinafter defined), and the Trustee, or his successor or assignee shall deliver to Seller duly executed certificates in valid form evidencing all of the issued and outstanding shares of the capital stock of Buyer, duly endorsed in blank or accompanied by duly executed stock powers with the requisite stock transfer stamps, if any, attached.

(d) Service Contracts. Not later than twenty (20) days following the date first above written, Seller shall deliver to Buyer, at Seller's sole cost and expense, all design contracts, space planning contracts, construction contracts, subcontracts and purchase orders, utility contracts, water and sewer service contracts, other service contracts of any nature, maintenance contracts, management contracts, mortgage documents, certificates of occupancy, warranties, permits, soils reports, insurance policies, and other contracts or documents, if any, of any nature relating to the Property (the "Service Contracts"). Buyer shall have ten (10) business days after the later of actual receipt of

all of the foregoing or the date first above written within which to approve or disapprove, in Buyer's sole and absolute discretion, any of the foregoing.

(e) Leases. Not later than twenty (20) days following the date first above written, Seller shall deliver to Buyer, at Seller's sole cost and expense, any and all leases affecting the Property or any portion thereof executed or proposed to be executed by Seller along with a list of such leases in the form of Exhibit K hereto. Buyer shall have ten (10) days after the later of actual receipt of all of the foregoing or the date first above written within which to approve or disapprove, in Buyer's sole and absolute discretion, any of the foregoing.

(f) No Default Under Stock Purchase Agreement. Seller shall not be in default under the terms and conditions of that certain Stock Purchase Agreement (the "Stock Purchase Agreement"), dated as of December 31, 1986, between Seller and Trustee, shall not be in default under the Stock Purchase Agreement dated as of December 31, 1986, between Trustee and Waste Management of North America, Inc., an Illinois corporation.

4.2 Failure of Conditions. The foregoing conditions contained in this Article IV are intended solely for the benefit of Buyer. If any of the foregoing conditions are not satisfied for any reason whatsoever, or if any of the foregoing items to be delivered to and/or inspected and/or reviewed by Buyer are disapproved by Buyer, in Buyer's sole and absolute discretion, Buyer shall have the right at its sole election either to waive the condition and/or item(s) in question (provided that with respect to the condition described in Section 4.1(b) Buyer shall continue to have the remedies available under this Agreement or otherwise at law or in equity) and proceed with the purchase or, in the alternative, to terminate this Agreement.

4.3 Extension of Closing Date and Remedies. The Closing Date may be extended, at Buyer's option, a reasonable period of time if required to allow the conditions set forth in Section 4.1 to be satisfied, subject to Buyer's further right to terminate this Agreement upon the expiration of the period of any such extension if all said conditions have not been satisfied. In the event Buyer elects to terminate this Agreement pursuant to this Article IV, Seller shall pay any title and escrow charges, and, except as otherwise expressly provided in this Article IV, neither party shall have any further rights or obligations under this Agreement. Notwithstanding the foregoing, in the event of a breach by Seller of any covenant hereunder material to the purchase of the Property by Buyer, Buyer may elect nevertheless to proceed with the purchase of the Property, reserving the right to collect damages for such breach from Seller, or Buyer may elect to terminate this Agreement by written notice to Seller delivered prior to Closing, and upon such termination Buyer shall be relieved of all further obligations hereunder, the Deposit shall be returned to Buyer and Buyer may proceed against Seller for any damages caused Buyer thereby.

4.4 Consummation of Purchase of Stock. Anything in this Article IV or elsewhere in this Agreement to the contrary notwithstanding, a condition precedent to both Buyer and Seller's obligation to consummate the purchase and sale of the Property pursuant to this Agreement shall be the acquisition of all of the issued and outstanding shares of capital stock of Buyer by Waste Management of North America, Inc.

#### ARTICLE V

#### CLOSING AND ESCROW

5.1 Deposit with Escrow Holder and Escrow Instructions. This instrument shall serve as the instructions to Escrow Holder for consummation of the purchase and sale contemplated hereby. Seller and Buyer agree to execute such additional and supplementary escrow instructions as may be appropriate to enable Escrow Holder to comply with the terms of this Agreement; provided, however, that in the event of any conflict between the terms and provisions of this Agreement and the terms and provisions of any supplementary escrow instructions, the terms and provisions of this Agreement shall control.

5.2 Closing. The closing hereunder (the "Closing") shall mean the recording of the Deed conveying title to the Real Property from Seller to Buyer and shall be held and delivery of all items to be made at the Closing shall be made at the offices of Escrow Holder on December 31, 1987, or such other date prior thereto (the "Closing Date") and/or at such other location as Buyer and Seller may mutually agree in writing. Such date may not be extended without the written approval of both Seller and Buyer, except as otherwise expressly provided in this Agreement. In the event the Closing does not occur on or before the Closing Date, Escrow Holder shall, unless it is notified by both parties to the contrary within five (5) days after the Closing Date, return to the depositor thereof items which may have been deposited hereunder. Any such return shall not, however, relieve either party hereto of any liability it may have for its wrongful failure to close. It is agreed that if either party has complied with the terms and conditions of this Agreement as of the Closing Date and the other party is not in a position to close, the party not in a position to close shall be in material breach of this Agreement and the Agreement may be terminated and the party who has so fully complied may exercise any and all remedies available to it at law or in equity, subject to the provisions for liquidated damages set forth herein.

5.3 Delivery by Seller. Not later than five (5) days prior to the Closing Date, Seller shall deposit with Escrow Holder the following:

(a) The Deed, duly executed and acknowledged by Seller, in recordable form, and ready for recordation on the Closing Date;

(b) The Bill of Sale, duly executed by Seller;

(c) Original counterparts of any leases (and amendments thereto, if any, and all records and correspondence relating thereto) covering any portion of the Property, any security deposits relating thereto, and a duly executed and acknowledged Assignment of Leases in the form of Exhibit H hereto;

(d) Originals or copies of all Service Contracts, if any, to be continued by Buyer after the Closing as elected by Buyer, and any warranties or guaranties, if any, received by Seller from any contractors, subcontractors, suppliers or materialmen in connection with any construction, repairs or alterations of the Improvements;

(e) The Assignment of Service Contracts, Intangible Property and Warranties and Guarantees, duly executed by Seller;

(f) Originals or copies of all building permits and certificates of occupancy for the Improvements;

(g) Notices to the tenants at the Property, if applicable, in the form of Exhibit I hereto, duly executed by Seller;

(h) An escrow closing statement in form and content consistent with this Agreement and otherwise reasonably satisfactory to Buyer and Seller;

(i) An affidavit in the form of Exhibit J hereto confirming that Seller is not a "foreign person" within the meaning of Internal Revenue Code Section 1445;

(j) Any other documents, instruments, data, records, correspondence or agreements called for hereunder which have not previously been delivered.

Buyer may waive compliance on Seller's part under any of the foregoing items by an instrument in writing.

5.4 Delivery by Buyer. On or before the Closing Date, Buyer shall deposit the Purchase Price with Escrow Holder for disbursement to Seller in accordance with the provisions hereof, to be held by Escrow Holder pursuant to disbursement instructions mutually acceptable to Buyer and Seller.

5.5 Other Instruments. In addition to the documents and instruments to be delivered as herein provided, each of the parties hereto shall, from time to time at the request of the other party, execute and deliver to the other party such other instruments of transfer, conveyance and assignment and shall take such other action as may be reasonably required to effectively carry out the terms of this Agreement and/or to transfer and assign to and vest in Buyer, and put Buyer in possession of, the Property.

5.6 Prorations. Any rents actually collected (whether such collection occurs prior to, on or after the Closing), all non-delinquent real property taxes and assessments, any bond assessments assumed by Buyer, water, sewer and utility charges, annual permits and/or inspection fees

(calculated on the basis of the respective periods covered thereby), insurance premiums (as to those policies, if any, that Buyer determines will be continued after the Closing), and other expenses normal to the operation and maintenance of the Property shall be prorated as of 12:01 a.m. on the date the Deed is recorded. Seller and Buyer hereby agree that if any of the aforesaid prorations cannot be calculated within thirty (30) days after the Closing Date, that either party owing the other party a sum of money based on such subsequent proration(s) shall promptly pay said sum to the other party, together with interest thereon at the rate of eight percent (8%) per annum from the Closing Date to the date of payment if payment is not made within ten (10) days after delivery of a bill therefor. A statement setting forth such agreed-upon prorations shall be delivered to Escrow Holder. Escrow Holder shall not be required to make any other prorations.

5.7 Costs and Expenses. Buyer and Seller shall each pay one-half (1/2) of Escrow Holder's escrow fee, and Seller shall pay all documentary transfer taxes, transfer or conveyance taxes imposed by the City and/or County in which the Real Property is located, delinquent real property taxes or assessments, and the cost of recording the Grant Deed. Buyer shall bear that portion of the title insurance premium cost, if any, that is in excess of the Title Company's normal and standard premium cost of a CLTA Standard Coverage Owner's Policy of Title Insurance ("CLTA Policy"), with liability in the amount of the Purchase Price, and Seller shall bear that portion of the title insurance premium cost that is equal to the premium cost that would be incurred if such a CLTA Policy were issued.

## ARTICLE VI

For purposes of any repairs or replacements under this Article VIII, the Closing Date may be extended, at Buyer's election, for a reasonable time to allow such repairs or replacements to be made.

Buyer shall have the right to conduct such inspections and tests of the Property as Buyer deems appropriate, including, but not limited to, soils and geological tests, building inspections, reviews of the zoning and other land use controls and restrictions affecting the Property and surrounding land, and reviews of the availability

#### ARTICLE X

##### MAINTENANCE AND OPERATION OF THE PROPERTY

10.1 Maintenance. In addition to Seller's other obligations hereunder, Seller shall, subject to and in accordance with the terms and provisions of that certain Management Agreement (the "Management Agreement"), by and between Buyer and Seller, of even date herewith, maintain the Property in good order, condition and repair, reasonable wear and tear excepted, shall perform all work required to be done by the landlord under the terms of any lease affecting the Property, and, subject to and in accordance with the terms and provisions of the Management Agreement, shall make all repairs, maintenance and replacements of the Improvements and any Personal Property and otherwise operate the Property in the same manner as before the the date first above written, the same as though Seller were retaining the Property.

10.2 Leases and Other Agreements. Seller shall not, after the date of first above written, enter into or terminate any lease, amendment of lease, contract or agreement pertaining to the Property or permit any tenant of the Property to enter into or terminate any sublease, assignment of lease, contract or agreement pertaining to the Property, or modify any lease, contract or agreement pertaining to the Property or waive any rights of Seller thereunder, without in each case obtaining Buyer's prior written consent thereto.

10.3 Encumbrances. Seller shall not, after the date first above written, mortgage, encumber or suffer to be encumbered all or any portion of the Property, without the prior written consent of Buyer.

#### ARTICLE XI

##### EXCHANGE AND TWO PHASE CLOSING

11.1 Exchange. Instead of the sale of the Property by Seller to Buyer, Seller shall have the right to locate other real property or properties ("Exchange Property") for the purpose of effecting a tax-deferred exchange (under IRC Section 1031) of the Property and/or to arrange for the terms of Seller's acquisition of Exchange Property. If Seller does locate such Exchange Property or enter into an exchange agreement with the owner(s) thereof or other third parties ("Exchange Parties") and notifies Buyer in writing of same on or before June 30, 1987, then, at Seller's option

(a) Buyer shall enter into a written contract with such Exchange Parties to purchase such Exchange Property and transfer the ownership thereof from Buyer to Seller in consideration of and concurrently with the transfer of the Property to Buyer; or (b) Seller shall enter into an exchange agreement with such Exchange Parties and, upon Seller's acquisition of such Exchange Property, the Exchange Parties shall concurrently transfer the ownership of the Property to Buyer in accordance with the terms and provisions of sale set forth in this Agreement. Buyer agrees to accept title to the Property from such Exchange Parties. In no event, however, shall Buyer be required to make a total cash payment for the Exchange Property, including all costs and expenses of that purchase, in excess of the sum of the Purchase Price and all costs and expenses Buyer is required to make hereunder, nor shall Buyer be required to assume any secured loan on any Exchange Property to be acquired by Buyer, execute any promissory note or other evidence of indebtedness in connection with any acquisition of Exchange Property which would impose any personal liability on Buyer for its payment, make any representations or warranties beyond those made in the Agreement which would impose any personal liability on Buyer, or actually take title to the Exchange Property. Buyer shall make a good faith diligent effort (but shall not be required to deposit money sooner than required hereunder) to comply with all terms of any and all contracts entered into in connection with such tax-deferred exchange. Seller shall be required to sell the Property directly to Buyer and Buyer shall be required to purchase the Property directly from Seller for the price and on the terms set forth in this Agreement only if (i) Seller is unable to locate Exchange Property and Buyer is unable to acquire it, (ii) Seller is unable to make arrangements for title to the Property to be transferred to Buyer through a third party within the time period provided in this Agreement, or (iii) if Seller shall waive its right to locate Exchange Property for the purpose of effecting a tax-deferred exchange pursuant to this Article XI. In the event an exchange is made in lieu of a purchase hereunder, Seller shall reimburse Buyer for the amount, if any, by which (i) the total cash payment made to the Exchange Parties, including all of Buyer's costs of escrow, title insurance premiums spent to acquire the Exchange Property, documentary transfer taxes and all prorations, reasonable attorneys' fees and real estate brokerage commissions, all of which shall be approved by Seller before Buyer enters into any agreement of purchase with the Exchange Parties, exceeds (ii) the sum of the Purchase Price and all costs and expenses Buyer is required to incur hereunder. In the event that through no fault of or lack of performance by Buyer, the intended exchange is not completed on or before December 31, 1987, Seller agrees to transfer title to the Property to Buyer on that date under the terms and provisions of sale set forth in this Agreement. Seller agrees to hold Buyer harmless from and against any and all liability, loss, cost, damage and/or expense (including, without limitation, attorneys' fees and expenses) that may arise from Buyer's participation in the exchange.

11.2 Two Phase Closing In the event that Seller locates Exchange Property in accordance with this Article XI, Seller shall have the right to effect the Closing in two phases ("Phase I" and "Phase II"); provided, that the portion of the Property transferred in Phase I and in Phase II of the Closing shall consist solely of one or more legal lots or parcels. In such event, the total purchase price for the portion of the Property transferred in Phase I (the "Phase I Property") shall be determined by multiplying the Purchase Price by a fraction, the numerator of which is the total square footage of the Phase I Property as set forth on the survey to be provided pursuant to Section 4.1(c)(2) hereof and the denominator of which is of the total square footage of the Land as set forth on the survey to be provided pursuant to Section 4.1(c)(2) hereof (the "Phase I Purchase Price"), and the total purchase price for the portion of the property transferred in Phase II (the "Phase II Property") shall be determined by multiplying the Purchase Price by a fraction, the numerator of which is the total square footage of the Phase II Property as set forth on the survey to be provided pursuant to Section 4.1(c)(2) hereof and the denominator of which is the total square footage of the Land as set forth on the survey to be provided pursuant to Section 4.1(c)(2) hereof (the "Phase II Purchase Price"). In all other respects, the terms and conditions of this Agreement shall apply with equal force with respect to the Closing of the Phase I Property and the Phase II Property.

(b) Representations and Warranties. All of Seller's representations and warranties contained in or made pursuant to this Agreement shall have been true and correct when made and shall be true and correct as of the Closing Date, and Seller shall have complied with all of Seller's covenants and agreements contained in or made pursuant to this Agreement, including, without limitation, those set forth in Article X hereof.

(1) a current extended coverage preliminary title report on the Real Property, accompanied by copies of all documents referred to in the report;

(2) an "as-built" survey of the Real Property by a licensed surveyor or civil engineer who is reasonably acceptable to Buyer. Said survey shall be acceptable to, and certified to, Buyer and in sufficient detail to provide the basis for an ALTA Owner's Policy of Title Insurance without boundary, encroachment or survey exceptions, and shall show the location of all easements, including that certain easement created of even date herewith and more particularly described in the Easement Agreement, and improvements (including underground improvements), and any and all other pertinent information with respect to the Property. The survey shall also indicate the total acreage and total square footage of the Land and any encroachments of improvements onto easements or onto adjacent properties or certify to their absence and shall indicate the presence of improvements and easements on property adjoining the Land if located within five (5) feet of the boundaries of the Land; and

Buyer shall advise Seller within ten (10) days after the later of actual receipt of all of the foregoing or the date first above written, what exceptions to title, if any, will be accepted by Buyer. Seller shall have five (5) business days after receipt of Buyer's objections to give Buyer notice: (i) that Seller will remove any objectionable exceptions from title and provide Buyer with

If Seller gives Buyer notice under clause (ii), Buyer shall have five (5) business days to elect to proceed with the purchase and take the Property subject to such exceptions, or to terminate this Agreement. If Buyer shall fail to give Seller notice of its election within said five (5) business days, Buyer shall be deemed to have elected to terminate this Agreement, each party shall bear their own costs incurred under this Agreement, and all other sums deposited by Buyer with Escrow Holder shall immediately be returned to Buyer. If Seller shall give notice pursuant to clause (i) and shall fail to remove any such objectionable exceptions from title prior to the Closing Date, and Buyer is unwilling to take title subject thereto, Seller shall be in default hereunder and, without limiting Buyer's rights and remedies against Seller, Buyer may elect to terminate this Agreement and Seller shall be liable for all of Buyer's damages, including, without limitation, Buyer's costs and expenses incurred hereunder, including, without limitation, title and escrow costs and reasonable attorneys' fees and expenses. If for any reason Buyer disapproves of title to the Real Property as herein provided, then, in addition to all of Buyer's other rights and remedies, whether provided for herein or otherwise at law or in equity, it is understood and agreed that Seller shall have the absolute and unconditional obligation to immediately repurchase all of the issued and outstanding shares of capital stock of Buyer from David A. Pearre, as trustee (the "Trustee") under the Declaration of Trust For Purchase of Stock of Valley Reclamation Co. and Distribution of Remaining Funds to Charity, dated December 30, 1986, or his successor or assignee, for \$48,400,000 (less any amounts necessary to compensate Seller for any diminution in the net worth of Buyer caused by any act or omission of the Trustee or the Buyer since the Time of Closing of the Stock Purchase Agreement; provided that any such reduction in price shall not include any diminution caused by any failure of Seller to use its best efforts under paragraph 1 of the Management Agreement, as hereinafter defined), and the Trustee, or his successor or assignee shall deliver to Seller duly executed certificates in valid form evidencing all of the issued and outstanding shares of the capital stock of Buyer, duly endorsed in blank or accompanied by duly executed stock powers with the requisite stock transfer stamps, if any, attached.

(d) Service Contracts. Not later than twenty (20) days following the date first above written, Seller shall deliver to Buyer, at Seller's sole cost and expense, all design contracts, space planning contracts, construction contracts, subcontracts and purchase orders, utility contracts, water and sewer service contracts, other service contracts of any nature, maintenance contracts, management contracts, mortgage documents, certificates of occupancy, warranties, permits, soils reports, insurance policies, and other contracts or documents, if any, of any nature relating to the Property (the "Service Contracts"). Buyer shall have ten (10) business days after the later of actual receipt of

all of the foregoing or the date first above written within which to approve or disapprove, in Buyer's sole and absolute discretion, any of the foregoing.

(e) Leases. Not later than twenty (20) days following the date first above written, Seller shall deliver to Buyer, at Seller's sole cost and expense, any and all leases affecting the Property or any portion thereof executed or proposed to be executed by Seller along with a list of such leases in the form of Exhibit K hereto. Buyer shall have ten (10) days after the later of actual receipt of all of the foregoing or the date first above written within which to approve or disapprove, in Buyer's sole and absolute discretion, any of the foregoing.

(f) No Default Under Stock Purchase Agreement. Seller shall not be in default under the terms and conditions of that certain Stock Purchase Agreement (the "Stock Purchase Agreement"), dated as of December 30, 1986, between Seller and Trustee, shall not be in default under the Stock Purchase Agreement dated as of December 30, 1986, between Trustee and Waste Management of North America, Inc., a Delaware corporation.

4.2 Failure of Conditions. The foregoing conditions contained in this Article IV are intended solely for the benefit of Buyer. If any of the foregoing conditions are not satisfied for any reason whatsoever, or if any of the foregoing items to be delivered to and/or inspected and/or reviewed by Buyer are disapproved by Buyer, in Buyer's sole and absolute discretion, Buyer shall have the right at its sole election either to waive the condition and/or item(s) in question (provided that with respect to the condition described in Section 4.1(b) Buyer shall continue to have the remedies available under this Agreement or otherwise at law or in equity) and proceed with the purchase or, in the alternative, to terminate this Agreement.

4.3 Extension of Closing Date and Remedies. The Closing Date may be extended, at Buyer's option, a reasonable period of time if required to allow the conditions set forth in Section 4.1 to be satisfied, subject to Buyer's further right to terminate this Agreement upon the expiration of the period of any such extension if all said conditions have not been satisfied. In the event Buyer elects to terminate this Agreement pursuant to this Article IV, Seller shall pay any title and escrow charges, and, except as otherwise expressly provided in this Article IV, neither party shall have any further rights or obligations under this Agreement. Notwithstanding the foregoing, in the event of a breach by Seller of any covenant hereunder material to the purchase of the Property by Buyer, Buyer may elect nevertheless to proceed with the purchase of the Property, reserving the right to collect damages for such breach from Seller, or Buyer may elect to terminate this Agreement by written notice to Seller delivered prior to Closing, and upon such termination Buyer shall be relieved of all further obligations hereunder, the Deposit shall be returned to Buyer and Buyer may proceed against Seller for any damages caused Buyer thereby.

4.4 Consummation of Purchase of Stock. Anything in this Article IV or elsewhere in this Agreement to the contrary notwithstanding, a condition precedent to both Buyer and Seller's obligation to consummate the purchase and sale of the Property pursuant to this Agreement shall be the acquisition of all of the issued and outstanding shares of capital stock of Buyer by Waste Management of North America, Inc.

## ARTICLE V

### CLOSING AND ESCROW

5.1 Deposit with Escrow Holder and Escrow Instructions. This instrument shall serve as the instructions to Escrow Holder for consummation of the purchase and sale contemplated hereby. Seller and Buyer agree to execute such additional and supplementary escrow instructions as may be appropriate to enable Escrow Holder to comply with the terms of this Agreement; provided, however, that in the event of any conflict between the terms and provisions of this Agreement and the terms and provisions of any supplementary escrow instructions, the terms and provisions of this Agreement shall control.

5.2 Closing. The closing hereunder (the "Closing") shall mean the recording of the Deed conveying title to the Real Property from Seller to Buyer and shall be held and delivery of all items to be made at the Closing shall be made at the offices of Escrow Holder on December 31, 1987, or such other date prior thereto (the "Closing Date") and/or at such other location as Buyer and Seller may mutually agree in writing. Such date may not be extended without the written approval of both Seller and Buyer, except as otherwise expressly provided in this Agreement. In the event the Closing does not occur on or before the Closing Date, Escrow Holder shall, unless it is notified by both parties to the contrary within five (5) days after the Closing Date, return to the depositor thereof items which may have been deposited hereunder. Any such return shall not, however, relieve either party hereto of any liability it may have for its wrongful failure to close. It is agreed that if either party has complied with the terms and conditions of this Agreement as of the Closing Date and the other party is not in a position to close, the party not in a position to close shall be in material breach of this Agreement and the Agreement may be terminated and the party who has so fully complied may exercise any and all remedies available to it at law or in equity, subject to the provisions for liquidated damages set forth herein.

5.3 Delivery by Seller. Not later than five (5) days prior to the Closing Date, Seller shall deposit with Escrow Holder the following:

(e) The Assignment of Service Contracts, Intangible Property and Warranties and Guarantees, duly executed by Seller;

(f) Originals or copies of all building permits and certificates of occupancy for the Improvements;

(g) Notices to the tenants at the Property, if applicable, in the form of Exhibit I hereto, duly executed by Seller;

(h) An escrow closing statement in form and content consistent with this Agreement and otherwise reasonably satisfactory to Buyer and Seller;

(i) An affidavit in the form of Exhibit J hereto confirming that Seller is not a "foreign person" within the meaning of Internal Revenue Code Section 1445;

(j) Any other documents, instruments, data, records, correspondence or agreements called for hereunder or under the Option Agreement which have not previously been delivered.

Buyer may waive compliance on Seller's part under any of the foregoing items by an instrument in writing.

5.4 Delivery by Buyer. On or before the Closing Date, Buyer shall deposit the Purchase Price with Escrow Holder for disbursement to Seller in accordance with the provisions hereof, to be held by Escrow Holder pursuant to disbursement instructions mutually acceptable to Buyer and Seller.

5.5 Other Instruments. In addition to the documents and instruments to be delivered as herein provided, each of the parties hereto shall, from time to time at the request of the other party, execute and deliver to the other party such other instruments of transfer, conveyance and assignment and shall take such other action as may be reasonably required to effectively carry out the terms of this Agreement and/or to transfer and assign to and vest in Buyer, and put Buyer in possession of, the Property.

5.6 Prorations. Any rents actually collected (whether such collection occurs prior to, on or after the Closing), all non-delinquent real property taxes and assessments, any bond assessments assumed by Buyer, water, sewer and utility charges, annual permits and/or inspection fees

(calculated on the basis of the respective periods covered thereby), insurance premiums (as to those policies, if any, that Buyer determines will be continued after the Closing), and other expenses normal to the operation and maintenance of the Property shall be prorated as of 12:01 a.m. on the date the Deed is recorded. Seller and Buyer hereby agree that if any of the aforesaid prorations cannot be calculated within thirty (30) days after the Closing Date, that either party owing the other party a sum of money based on such subsequent proration(s) shall promptly pay said sum to the other party, together with interest thereon at the rate of eight percent (8%) per annum from the Closing Date to the date of payment if payment is not made within ten (10) days after delivery of a bill therefor. A statement setting forth such agreed-upon prorations shall be delivered to Escrow Holder. Escrow Holder shall not be required to make any other prorations.

5.7 Costs and Expenses. Buyer and Seller shall each pay one-half (1/2) of Escrow Holder's escrow fee, and Seller shall pay all documentary transfer taxes, transfer or conveyance taxes imposed by the City and/or County in which the Real Property is located, delinquent real property taxes or assessments, and the cost of recording the Grant Deed. Buyer shall bear that portion of the title insurance premium cost, if any, that is in excess of the Title Company's normal and standard premium cost of a CLTA Standard Coverage Owner's Policy of Title Insurance ("CLTA Policy"), with liability in the amount of the Purchase Price, and Seller shall bear that portion of the title insurance premium cost that is equal to the premium cost that would be incurred if such a CLTA Policy were issued.

Seller has not entered into and there are no Service Contracts or other agreements affecting the Property, there is no obligation of Seller under the terms of any contract, lease or other instrument relating to or affecting the Property to assume any obligation thereof other than the contracts, leases and other documents required to be disclosed pursuant to this Agreement, and there will be, as of the Closing Date, no obligation of Buyer under the terms of any contract, lease or other instrument affecting the Property other than the contracts, leases or other documents which Buyer has elected to assume pursuant to this Agreement.

#### ARTICLE X

##### MAINTENANCE AND OPERATION OF THE PROPERTY

10.1 Maintenance. In addition to Seller's other obligations hereunder, Seller shall, subject to and in accordance with the terms and provisions of that certain Management Agreement (the "Management Agreement"), by and between Buyer and Seller, of even date herewith, maintain the Property in good order, condition and repair, reasonable wear and tear excepted, shall perform all work required to be done by the landlord under the terms of any lease affecting the Property, and, subject to and in accordance with the terms and provisions of the Management Agreement, shall make all repairs, maintenance and replacements of the Improvements and any Personal Property and otherwise operate the Property in the same manner as before the the date first above written, the same as though Seller were retaining the Property.

10.3 Encumbrances. Seller shall not, after the date first above written, mortgage, encumber or suffer to be encumbered all or any portion of the Property, without the prior written consent of Buyer.

#### ARTICLE XI

##### EXCHANGE AND TWO PHASE CLOSING

11.1 Exchange. Instead of the sale of the Property by Seller to Buyer, Seller shall have the right to locate other real property or properties ("Exchange Property") for the purpose of effecting a tax-deferred exchange (under IRC Section 1031) of the Property and/or to arrange for the terms of Seller's acquisition of Exchange Property. If Seller does locate such Exchange Property or enter into an exchange agreement with the owner(s) thereof or other third parties ("Exchange Parties") and notifies Buyer in writing of same on or before June 30, 1987, then, at Seller's option

(a) Buyer shall enter into a written contract with such Exchange Parties to purchase such Exchange Property and transfer the ownership thereof from Buyer to Seller in consideration of and concurrently with the transfer of the Property to Buyer; or (b) Seller shall enter into an exchange agreement with such Exchange Parties and, on the acquisition of such Exchange Property, those parties shall concurrently transfer the ownership of the Property to Buyer in accordance with the terms and provisions of sale set forth in this Agreement. Buyer agrees to accept title to the Property from such Exchange Parties. In no event, however, shall Buyer be required to make a total cash payment for the Exchange Property, including all costs and expenses of that purchase, in excess of the sum of the Purchase Price and all costs and expenses Buyer is required to make hereunder, nor shall Buyer be required to assume any secured loan on any Exchange Property to be acquired by Buyer, execute any promissory note or other evidence of indebtedness in connection with any acquisition of Exchange Property which would impose any personal liability on Buyer for its payment, make any representations or warranties beyond those made in the Agreement which would impose any personal liability on Buyer, or actually take title to the Exchange Property. Buyer shall make a good faith diligent effort (but shall not be required to deposit money sooner than required hereunder) (i) to acquire the Exchange Property when Seller has located it and negotiated its purchase, or (ii) to accept title from the Exchange Parties. Seller shall be required to sell the Property directly to Buyer and Buyer shall be required to purchase the Property directly from Seller for the price and on the terms set forth in this Agreement only if (i) Seller is unable to locate Exchange Property and Buyer is unable to acquire it, (ii) Seller is unable to make arrangements for title to the Property to be transferred to Buyer through a third party within the time period provided in this Agreement, or (iii) if Seller shall waive its right to locate Exchange Property for the purpose of effecting a tax-deferred exchange pursuant to this Article XI. In the event an exchange is made in lieu of a purchase hereunder, Seller shall reimburse Buyer for the amount, if any, by which (i) the total cash payment made to the Exchange Parties, including all of Buyer's costs of escrow, title insurance premiums spent to acquire the Exchange Property, documentary transfer taxes and all prorations, reasonable attorneys' fees and real estate brokerage commissions, all of which shall be approved by Seller before Buyer enters into any agreement of purchase with the Exchange Parties, exceeds (ii) the sum of the Purchase Price and all costs and expenses Buyer is required to incur hereunder. In the event that through no fault of or lack of performance by Buyer, the intended exchange is not completed on or before December 31, 1987, Seller agrees to transfer title to the Property to Buyer on that date under the terms and provisions of sale set forth in this Agreement. Seller agrees to hold Buyer harmless from and against any and all liability, loss, cost, damage and/or expense (including, without limitation, attorneys' fees and expenses) that may arise from Buyer's participation in the exchange.

11.2 Two Phase Closing In the event that Seller locates Exchange Property in accordance with this Article XI, Seller shall have the right to effect the Closing in two phases ("Phase I" and "Phase II"); provided, that the portion of the Property transferred in Phase I and in Phase II of the Closing shall consist solely of one or more legal lots or parcels. In such event, the total purchase price for the portion of the Property transferred in Phase I (the "Phase I Property") shall be determined by multiplying the Purchase Price by a fraction, the numerator of which is the total square footage of the Phase I Property as set forth on the survey to be provided pursuant to Section 4.1(c)(2) hereof and the denominator of which is of the total square footage of the Land as set forth on the survey to be provided pursuant to Section 4.1(c)(2) hereof (the "Phase I Purchase Price"), and the total purchase price for the portion of the property transferred in Phase II (the "Phase II Property") shall be determined by multiplying the Purchase Price by a fraction, the numerator of which is the total square footage of the Phase II Property as set forth on the survey to be provided pursuant to Section 4.1(c)(2) hereof and the denominator of which is the total square footage of the Land as set forth on the survey to be provided pursuant to Section 4.1(c)(2) hereof (the "Phase II Purchase Price"). In all other respects, the terms and conditions of this Agreement shall apply with equal force with respect to the Closing of the Phase I Property and the Phase II Property.

### ARTICLE IV

#### CONDITIONS TO CLOSING

4.1 Buyer's Conditions. The following conditions are conditions precedent to Buyer's obligation to purchase the Property:

(a) Tenant Estoppel Certificates. Seller obtaining and delivering to Buyer tenant estoppel certificates in form and substance satisfactory to Buyer from any and all tenants occupying any portion of the Property (the "Tenant Estoppel Certificates") not later than twenty (20) days prior to the Closing Date. The Tenant Estoppel Certificates shall be in substantially the form of Exhibit G hereto and shall be dated no earlier than thirty (30) days prior to the Closing Date.

(b) Representations and Warranties. All of Seller's representations and warranties contained in or made pursuant to this Agreement shall have been true and correct when made and shall be true and correct as of the Closing Date, and Seller shall have complied with all of Seller's covenants and agreements contained in or made pursuant to this Agreement, including, without limitation, those set forth in Article X hereof.

(c) Title. Not later than twenty (20) days following the date first above written Seller shall deliver to Buyer, at Seller's sole cost and expense, all of the following:

(1) a current extended coverage preliminary title report on the Real Property, accompanied by copies of all documents referred to in the report;

(2) an "as-built" survey of the Real Property by a licensed surveyor or civil engineer who is reasonably acceptable to Buyer. Said survey shall be acceptable to, and certified to, Buyer and in sufficient detail to provide the basis for an ALTA Owner's Policy of Title Insurance without boundary, encroachment or survey exceptions, and shall show the location of all easements, including that certain easement created of even date herewith and more particularly described in the Easement Agreement, and improvements (including underground improvements), and any and all other pertinent information with respect to the Property. The survey shall also indicate the total acreage and total square footage of the Land and any encroachments of improvements onto easements or onto adjacent properties or certify to their absence and shall indicate the presence of improvements and easements on property adjoining the Land if located within five (5) feet of the boundaries of the Land; and

(3) copies of all existing and proposed easements, covenants, restrictions, agreements or other documents which affect the Property and which are not disclosed by the preliminary title report, or, if no such documents exist, a certification of Seller to that effect. Title to the Real Property shall be subject only to such exceptions as Buyer shall approve in Buyer's sole and absolute discretion. Buyer shall advise Seller within ten (10) days after the later of actual receipt of all of the foregoing or the date first above written, what exceptions to title, if any, will be accepted by Buyer. Seller shall have five (5) business days after receipt of Buyer's objections to give Buyer notice: (i) that Seller will remove any objectionable exceptions from title and provide Buyer with evidence satisfactory to Buyer of such removal, or provide Buyer with evidence satisfactory to Buyer that said exceptions will be removed on or before the Closing; or (ii) that Seller elects not to cause such exceptions to be removed. If Seller gives Buyer notice under clause (ii), Buyer shall have five (5) business days to elect to proceed with the purchase and take the Property subject to such exceptions, or to terminate this Agreement. If Buyer shall fail to give Seller notice of its election within said five (5) business days, Buyer shall be deemed to have elected to terminate

this Agreement, each party shall bear their own costs incurred under this Agreement, and all other sums deposited by Buyer with Escrow Holder shall immediately be returned to Buyer. If Seller shall give notice pursuant to clause (i) and shall fail to remove any such objectionable exceptions from title prior to the Closing Date, and Buyer is unwilling to take title subject thereto, Seller shall be in default hereunder and, without limiting Buyer's rights and remedies against Seller, Buyer may elect to terminate this Agreement and Seller shall be liable for all of Buyer's damages, including, without limitation, Buyer's costs and expenses incurred hereunder, including, without limitation, title and escrow costs and reasonable attorneys' fees and expenses. If for any reason Buyer disapproves of title to the Real Property as herein provided, then, in addition to all of Buyer's other rights and remedies, whether provided for herein or otherwise at law or in equity, it is understood and agreed that Seller shall have the absolute and unconditional obligation to immediately repurchase all of the issued and outstanding shares of capital stock of Buyer from David A. Pearre, as trustee (the "Trustee") under the Declaration of Trust For Purchase of Stock of Valley Reclamation Co. and Distribution of Remaining Funds to Charity, dated December 30, 1986, or his successor or assignee, for \$48,400,000 (less any amounts necessary to compensate Seller for any diminution in the net worth of Buyer caused by any act or omission of the Trustee or the Buyer since the Time of Closing of the Stock Purchase Agreement; provided that any such reduction in price shall not include any diminution caused by any failure of Seller to use its best efforts under paragraph 1 of the Management Agreement, as hereinafter defined), and the Trustee, or his successor or assignee shall deliver to Seller duly executed certificates in valid form evidencing all of the issued and outstanding shares of the capital stock of Buyer, duly endorsed in blank or accompanied by duly executed stock powers with the requisite stock transfer stamps, if any, attached.

(d) Service Contracts. Not later than twenty (20) days following the date first above written, Seller shall deliver to Buyer, at Seller's sole cost and expense, all design contracts, space planning contracts, construction contracts, subcontracts and purchase orders, utility contracts, water and sewer service contracts, other service contracts of any nature, maintenance contracts, management contracts, mortgage documents, certificates of occupancy, warranties, permits, soils reports, insurance policies, and other contracts or documents, if any, of any nature relating to the Property (the "Service Contracts"). Buyer shall have ten (10) business days after the later of actual receipt of all of the foregoing or the date first above written within which to approve or disapprove, in Buyer's sole and absolute discretion, any of the foregoing.

(e) Leases. Not later than twenty (20) days following the date first above written, Seller shall deliver to Buyer, at Seller's sole cost and expense, any and all leases affecting the Property or any portion thereof executed or proposed to be executed by Seller along with a list of such leases in the form of Exhibit K hereto. Buyer shall have ten (10) days after the later of actual receipt of all

of the foregoing or the date first above written within which to approve or disapprove, in Buyer's sole and absolute discretion, any of the foregoing.

(f) No Default Under Stock Purchase Agreement.

Seller shall not be in default under the terms and conditions of that certain Stock Purchase Agreement (the "Stock Purchase Agreement"), dated as of December 30, 1986, between Seller and Trustee, shall not be in default under the Stock Purchase Agreement dated as of December 30, 1986, between Trustee and Waste Management of North America, Inc., a Delaware corporation.

4.2 Failure of Conditions. The foregoing conditions contained in this Article IV are intended solely for the benefit of Buyer. If any of the foregoing conditions are not satisfied for any reason whatsoever, or if any of the foregoing items to be delivered to and/or inspected and/or reviewed by Buyer are disapproved by Buyer, in Buyer's sole and absolute discretion, Buyer shall have the right at its sole election either to waive the condition and/or item(s) in question (provided that with respect to the condition described in Section 4.1(b) Buyer shall continue to have the remedies available under this Agreement or otherwise at law or in equity) and proceed with the purchase or, in the alternative, to terminate this Agreement.

4.3 Extension of Closing Date and Remedies. The Closing Date may be extended, at Buyer's option, a reasonable period of time if required to allow the conditions set forth in Section 4.1 to be satisfied, subject to Buyer's further right to terminate this Agreement upon the expiration of the period of any such extension if all said conditions have not been satisfied. In the event Buyer elects to terminate this Agreement pursuant to this Article IV, Seller shall pay any title and escrow charges, and, except as otherwise expressly provided in this Article IV, neither party shall have any further rights or obligations under this Agreement. Notwithstanding the foregoing, in the event of a breach by Seller of any covenant hereunder material to the purchase of the Property by Buyer, Buyer may elect nevertheless to proceed with the purchase of the Property, reserving the right to collect damages for such breach from Seller, or Buyer may elect to terminate this Agreement by written notice to Seller delivered prior to Closing, and upon such termination Buyer shall be relieved of all further obligations hereunder, the Deposit shall be returned to Buyer and Buyer may proceed against Seller for any damages caused Buyer thereby.

4.4 Consummation of Purchase of Stock. Anything in this Article IV or elsewhere in this Agreement to the contrary notwithstanding, a condition precedent to both Buyer and Seller's obligation to consummate the purchase and sale of the Property pursuant to this Agreement shall be the acquisition of all of the issued and outstanding shares of capital stock of Buyer by Waste Management of North America, Inc.

ARTICLE V

CLOSING AND ESCROW

5.1 Deposit with Escrow Holder and Escrow Instructions. This instrument shall serve as the instructions to Escrow Holder for consummation of the purchase and sale contemplated hereby. Seller and Buyer agree to execute such additional and supplementary escrow instructions as may be appropriate to enable Escrow Holder to comply with the terms of this Agreement; provided, however, that in the event of any conflict between the terms and provisions of this Agreement and the terms and provisions of any supplementary escrow instructions, the terms and provisions of this Agreement shall control.

5.2 Closing. The closing hereunder (the "Closing") shall mean the recording of the Deed conveying title to the Real Property from Seller to Buyer and shall be held and delivery of all items to be made at the Closing shall be made at the offices of Escrow Holder on December 31, 1987, or such other date prior thereto (the "Closing Date") and/or at such other location as Buyer and Seller may mutually agree in writing. Such date may not be extended without the written approval of both Seller and Buyer, except as otherwise expressly provided in this Agreement. In the event the Closing does not occur on or before the Closing Date, Escrow Holder shall, unless it is notified by both parties to the contrary within five (5) days after the Closing Date, return to the depositor thereof items which may have been deposited hereunder. Any such return shall not, however, relieve either party hereto of any liability it may have for its wrongful failure to close. It is agreed that if either party has complied with the terms and conditions of this Agreement as of the Closing Date and the other party is not in a position to close, the party not in a position to close shall be in material breach of this Agreement and the Agreement may be terminated and the party who has so fully complied may exercise any and all remedies available to it at law or in equity, subject to the provisions for liquidated damages set forth herein.

5.3 Delivery by Seller. Not later than five (5) days prior to the Closing Date, Seller shall deposit with Escrow Holder the following:

(a) The Deed, duly executed and acknowledged by Seller, in recordable form, and ready for recordation on the Closing Date;

(b) The Bill of Sale, duly executed by Seller;

(c) Original counterparts of any leases (and amendments thereto, if any, and all records and correspondence relating thereto) covering any portion of the Property, any security deposits relating thereto, and a duly executed and acknowledged Assignment of Leases in the form of Exhibit H hereto;

(d) Originals or copies of all Service Contracts, if any, to be continued by Buyer after the Closing as

electd by Buyer, and any warranties or guaranties, if any, received by Seller from any contractors, subcontractors, suppliers or materialmen in connection with any construction, repairs or alterations of the Improvements;

(e) The Assignment of Service Contracts, Intangible Property and Warranties and Guarantees, duly executed by Seller;

(f) Originals or copies of all building permits and certificates of occupancy for the Improvements;

(g) Notices to the tenants at the Property, if applicable, in the form of Exhibit I hereto, duly executed by Seller;

(h) An escrow closing statement in form and content consistent with this Agreement and otherwise reasonably satisfactory to Buyer and Seller;

(i) An affidavit in the form of Exhibit J hereto confirming that Seller is not a "foreign person" within the meaning of Internal Revenue Code Section 1445;

(j) Any other documents, instruments, data, records, correspondence or agreements called for hereunder or under the Option Agreement which have not previously been delivered.

Buyer may waive compliance on Seller's part under any of the foregoing items by an instrument in writing.

5.4 Delivery by Buyer. On or before the Closing Date, Buyer shall deposit the Purchase Price with Escrow Holder for disbursement to Seller in accordance with the provisions hereof, to be held by Escrow Holder pursuant to disbursement instructions mutually acceptable to Buyer and Seller.

5.5 Other Instruments. In addition to the documents and instruments to be delivered as herein provided, each of the parties hereto shall, from time to time at the request of the other party, execute and deliver to the other party such other instruments of transfer, conveyance and assignment and shall take such other action as may be reasonably required to effectively carry out the terms of this Agreement and/or to transfer and assign to and vest in Buyer, and put Buyer in possession of, the Property.

5.6 Prorations. Any rents actually collected (whether such collection occurs prior to, on or after the Closing), all non-delinquent real property taxes and assessments, any bond assessments assumed by Buyer, water, sewer and utility charges, annual permits and/or inspection fees (calculated on the basis of the respective periods covered thereby), insurance premiums (as to those policies, if any, that Buyer determines will be continued after the Closing), and other expenses normal to the operation and maintenance of the Property shall be prorated as of 12:01 a.m. on the date the Deed is recorded. Seller and Buyer hereby agree that if any of the aforesaid prorations cannot be calculated within thirty (30) days after the Closing Date, that either party

owing the other party a sum of money based on such subsequent proration(s) shall promptly pay said sum to the other party, together with interest thereon at the rate of eight percent (8%) per annum from the Closing Date to the date of payment if payment is not made within ten (10) days after delivery of a bill therefor. A statement setting forth such agreed-upon prorations shall be delivered to Escrow Holder. Escrow Holder shall not be required to make any other prorations.

5.7 Costs and Expenses. Buyer and Seller shall each pay one-half (1/2) of Escrow Holder's escrow fee, and Seller shall pay all documentary transfer taxes, transfer or conveyance taxes imposed by the City and/or County in which the Real Property is located, delinquent real property taxes or assessments, and the cost of recording the Grant Deed. Buyer shall bear that portion of the title insurance premium cost, if any, that is in excess of the Title Company's normal and standard premium cost of a CLTA Standard Coverage Owner's Policy of Title Insurance ("CLTA Policy"), with liability in the amount of the Purchase Price, and Seller shall bear that portion of the title insurance premium cost that is equal to the premium cost that would be incurred if such a CLTA Policy were issued.

## ARTICLE VI

As an inducement to Buyer to enter into this Agreement, Seller hereby represents and warrants to and agrees with Buyer as follows (it being understood by the parties hereto that there are no representations or warranties made herein by Seller with respect to the Handling of Wastes (as defined in the Stock Purchase Agreement) or the condition of the Real Property, other than as set forth in the Stock Purchase Agreement):

Except as set forth in Exhibit K hereto (to be provided by Seller in accordance with Section 4.1(e) hereof), Seller has not executed or otherwise entered into any leases, tenancies, occupancy agreements or other agreements with respect to rights affecting possession of the Property or any portion thereof and there are no such agreements entered into or executed by any third party, and there is no default on the part of Seller, as lessor, or on the part of any lessee, and there exists no condition that with the passage of time or the giving of notice or both would constitute such a default.

6.8 Litigation. There is no litigation pending or to the best of Seller's knowledge threatened against Seller or to the best of Seller's knowledge any basis therefor that arises out of the ownership of the Property or that might detrimentally affect the use or operation of the Property for its intended purpose or the value of the Property or adversely affect the ability of Seller to perform its obligations under this Agreement.

6.9 Utilities. All water, sewer, gas, electric, telephone, and all other utilities required by law or by the normal use and operation of the Property are, and at the time of Closing will be, connected and operating pursuant to valid permits.

6.10 Use Permits and Other Approvals. To the best of Seller's knowledge, Seller has obtained all easements and

10.3 Encumbrances. Seller shall not, after the date first above written, mortgage, encumber or suffer to be encumbered all or any portion of the Property, without the prior written consent of Buyer.

#### ARTICLE XI

##### EXCHANGE

11.1 Exchange. If Seller does locate such Exchange Property or enter into an exchange agreement with the owner(s) thereof or other third parties ("Exchange Parties") and notifies Buyer in writing of same on or before June 30, 1987, then, at Seller's option (a) Buyer shall enter into a written contract with such Exchange Parties to purchase such Exchange Property and transfer the ownership thereof from Buyer to Seller in consideration of and concurrently with the transfer of the

Property to Buyer; or (b) Seller shall enter into an exchange agreement with such Exchange Parties and, on the acquisition of such Exchange Property, those parties shall concurrently transfer the ownership of the Property to Buyer in accordance with the terms and provisions of sale set forth in this Agreement. Buyer shall make a good faith diligent effort (but shall not be required to deposit money sooner than required hereunder) (i) to acquire the Exchange Property when Seller has located it and negotiated its purchase, or (ii) to accept title from the Exchange Parties. Seller shall be required to sell the Property directly to Buyer and Buyer shall be required to purchase the Property directly from Seller for the price and on the terms set forth in this Agreement only if (i) Seller is unable to locate Exchange Property and Buyer is unable to acquire it, (ii) Seller is unable to make arrangements for title to the Property to be transferred to Buyer through a third party within the time period provided in this Agreement, or (iii) if Seller shall waive its right to locate Exchange Property for the purpose of effecting a tax-deferred exchange pursuant to this Article XI. In the event an exchange is made in lieu of a purchase hereunder, Seller shall reimburse Buyer for the amount, if any, by which (i) the total cash payment made to the Exchange Parties, including all of Buyer's costs of escrow, title insurance premiums spent to acquire the Exchange Property, documentary transfer taxes and all prorations, reasonable attorneys' fees and real estate brokerage commissions, all of which shall be approved by Seller before Buyer enters into any agreement of purchase with the Exchange Parties, exceeds (ii) the sum of the Purchase Price and all costs and expenses Buyer is required to incur hereunder. In the event that through no fault of or lack of performance by Buyer, the intended exchange is not completed on or before December 31, 1987, Seller agrees to transfer title to the Property to Buyer on that date under the terms and provisions of sale set forth in this Agreement. Seller agrees to hold Buyer harmless from and against any and all liability, loss, cost, damage and/or expense (including, without limitation, attorneys' fees and expenses) that may arise from Buyer's participation in the exchange.

THIS TRUST DECLARATION, dated this \_\_\_\_\_ day of February, 1984 and known as Trust Number PLH R2-009800 is to certify that FIRST AMERICAN TRUST COMPANY, a California corporation as Trustee hereunder, (the "trustee") has taken title to the following described real estate in Los Angeles County, California to-wit:

See Exhibit "A - Part 1", and Exhibit "A" attached hereto and incorporated herein by this reference

hereinafter referred to as "the land", and that it will hold the land for the uses and purposes and upon the trusts herein set forth. The following named persons shall be entitled to the earnings, avails and proceeds of said real estate according to the respective interests herein set forth, to-wit: Conrock Company, a Delaware corporation, (the "beneficiary").

ARTICLE I.

IT IS UNDERSTOOD AND AGREED between the parties hereto, and by any person or persons who may become entitled to any interest under this trust, that the interest of the beneficiary hereunder shall consist solely of a power of direction to deal with the title to said property and to manage and control said property as hereinafter provided, and the right to receive the proceeds from rentals and from mortgages, sales or other disposition of said premises, and that such right in the avails of said property shall be deemed to be personal property, and may be assigned and transferred as such; that in case of the death of any successor beneficiary hereunder during the existence of this trust, his or her right and interest hereunder shall, except as herein otherwise specifically provided, pass to his or her executor or administrator, and not to his or her heirs at law; and that the beneficiary does not have, and that no beneficiary hereunder at any time shall have any right, title or interest in or to any portion of said real estate as such,

either legal or equitable, but only an interest in the earnings, avails and proceeds as aforesaid. The death of any beneficiary hereunder shall not terminate the trust nor in any manner affect the powers of the trustee hereunder. No assignment of any beneficial interest hereunder shall be binding on the trustee until the original or a duplicate of the assignment is lodged with the trustee and accepted by the trustee and every assignment of any beneficial interest hereunder, the original or duplicate of which shall not have been lodged with and accepted by the trustee, shall be void as to all subsequent assignees or purchasers.

#### ARTICLE II.

Nothing contained in this agreement shall be construed as imposing any obligation on trustee to file any income, profit or other tax reports or schedules, it being expressly understood that the beneficiary from time to time will individually make all such reports, and pay any and all taxes, required with respect to the earnings, avails and proceeds of said real estate or growing out of its interest under this trust agreement.

#### ARTICLE III.

In connection with the acquisition of the land described in Exhibit "A - Part 1" trustee, as purchaser thereof, executed a promissory note ("the note") in the principal amount of \$35,000 payable to the seller thereof, Harold D. Dally, a married man as his sole and separate property, bearing interest at 10% per annum payable in installments of \$5,000 principal plus interest semi-annually commencing on March 16, 1984 and on each March 16th and September 16th thereafter until paid in full. A copy of the note is attached hereto as Exhibit "B". Trustee shall have no duty to make any payments under the note unless it has received sums sufficient to make such installment payments from

beneficiary at least five days prior to its due date together with instructions from beneficiary directing trustee to make such payment. Under such circumstances, trustee shall make the installment payment by its own check drawn in the amount as directed.

Trustee shall not be obligated to inform beneficiary of the approach of any installment payment date nor of any delinquency under the note. However, trustee shall be obligated to forward to beneficiary by mail copies of any notices of default mailed to it pursuant to the deed of trust securing the note.

Trustee shall not be obligated to request annual statements of condition of the loan nor to question the propriety or justification of any statements, demands, notices, billings or accountings received in connection with the loan. However, trustee shall forward to beneficiary any such written material received from the note payee.

Beneficiary shall indemnify and hold Trustee harmless from and against any and all liability including but not limited to attorney's fees which trustee may incur as a result of having executed the note and the deed of trust securing the note.

#### ARTICLE IV.

In case trustee shall make any advances of money on account of this trust or shall be made a party to any litigation on account of holding title to said real estate or in connection with this trust, or in case said Trustee shall be compelled to pay any sum of money on account of this trust, whether on account of breach of contract, injury to person or property, fines or penalties under any law or otherwise, beneficiary hereby jointly and severally agrees that it will on demand pay to the said Trustee, with interest thereon at the rate of 10%

per annum, all such disbursements or advances or payments made by trustee, together with its expenses, including reasonable attorney's fees, and that the trustee shall not be called upon or required to convey or otherwise deal with said property at any time until all of said disbursements, payments, advances and expenses made or incurred by trustee shall have been fully paid, together with interest thereon as aforesaid. However, nothing herein contained shall be construed as requiring the trustee to advance or pay out any money on account of this trust or to prosecute or defend any legal proceeding involving this trust or any property or interest thereunder unless it shall be furnished with funds sufficient therefor or be satisfactorily indemnified in respect thereto. In the event trustee is served with process or notice of legal proceedings or of any other matter concerning the trust or the trust property, the sole duty of trustee in connection therewith shall be to forward the process or notice by first class mail to the person designated herein as the person to whom inquiries or notices shall be sent or, in the absence of such designation, to the beneficiary. The last address appearing in the records of trustee, for the person designated or for the beneficiary shall be used for mailing.

#### ARTICLE VI.

This trust agreement shall not be placed on record in the Recorder's Office of the county in which the land is situated, or elsewhere. However, the recording of the same shall not

be considered as notice of the rights of any person hereunder derogatory to the title or powers of trustee.

#### ARTICLE VII.

Trustee may at any time resign by sending by registered mail a notice of its intention to do so to the beneficiary hereunder at its address last known to the Trustee. Such resignation shall become effective ten days after the mailing of such notices by trustee. In the event of such resignation, a successor or successors may be appointed by the person or persons then entitled to direct trustee in the disposition of the trust property, and the Trustee shall thereupon convey the land to such successor or successors as trustees in trust. In the event that no successor in trust is named as above provided within ten days after the mailing of such notices by trustee, then trustee may convey the trust property to the beneficiary and the deed of conveyance may be recorded by trustee, or trustee may at its option, file an action for appropriate relief in any court of competent jurisdiction. Trustee, notwithstanding such resignation, shall continue to have a first lien on the trust property for its costs, expenses and attorney's fees and for its reasonable compensation.

#### ARTICLE VIII.

Every successor trustee or trustees appointed hereunder shall become fully vested with all the estate, properties, rights, powers, trusts, duties and obligations of its, his or their predecessor.

However, trustee shall not be required to enter into any personal obligation or liability in dealing with said land or to make itself liable for any damages, costs, expenses, fines or penalties, or to deal with the title so long as any money is due to it hereunder. Otherwise, trustee shall not be required to inquire into the propriety of any such direction, and beneficiary shall hold trustee harmless and free of any and all liabilities suffered or incurred as a result of following such direction.

#### ARTICLE X.

The beneficiary hereunder, in its own right shall have the possession and management of said property and control of the selling, renting and handling thereof, and trustee shall have no duty in respect to such management or control, or the collection, handling or application of such rents, earnings, avails or proceeds, or in respect to the payment of taxes or assessments or in respect to insurance, litigation or otherwise, except on written direction as hereinabove provided, and after the payment to it of all money necessary to carry out said instructions. No beneficiary hereunder shall have any authority to contract for or in the name of trustee or to bind trustee personally. If any property remains in this trust twenty years from this date it shall be sold at public sale by trustee on reasonable notice, and the proceeds of the sale shall be divided among those who are entitled thereto under this trust agreement.

ARTICLE XI.

Trustee shall no duty to provide fire insurance or extended coverage covering any improvements upon any of the Trust property. ## INTER OFFICE MEMORANDUM

TO Scott J Wilcott

DATE 1/5/87

SUBJECT Sale of Valley Reclamation Landfill

FROM Brian W. Ferris *BWF*

FILE REF.

Title to the Valley Reclamation landfill was conveyed to Valley Reclamation Co. on December 31, 1987. The transaction was structured to qualify as a I.R.S. §1031 exchange. A legal description of the property involved is attached.

As a result of this transaction, \$12.9 Million in "exchange value" is available to CalMat Co. for acquisition of like-kind property. Such property must be identified within forty-five (45) days from the date of closing, and conveyed to CalMat within one hundred eighty (180) days of closing.

Several items which are normally resolved at close of escrow remain open on this transaction:

1. taxes and rents must be prorated;
2. security deposits and prepaid rents must be conveyed;
3. physical conveyance of service contracts, permits, leases, and notices to tenants, if any, remains to be accomplished;
4. CalMat has agreed to grant a sewer easement to Valley Reclamation Co. within one hundred twenty (120) days of closing in accordance with the attached Easement and Relinquishment Agreement.

The assistance of George Cosby, Jock Scott, Tony Lucero and Anne Morris proved invaluable in bringing the buyer into a position to close by our deadline of December 31. Also, during a week which is extremely busy for title and escrow companies, Safeco Division of Chicago Title Insurance Company demonstrated its high regard for us as a client by keeping its offices open after hours, and working tenaciously on the morning and afternoon of December 31 to assure that our documents were recorded that afternoon.

Although Valley Reclamation Co., through its parent Waste Management, had agreed to deposit the purchase price in escrow on Wednesday, December 30, the funds were not in fact deposited until after 10:00 a.m. on December 31. Despite this problem, and the late hour of closing, Safeco was able to invest the funds for our accommodation seller over the weekend.

EASEMENT AND RELINQUISHMENT AGREEMENT

THIS EASEMENT AND RELINQUISHMENT AGREEMENT (the "Agreement") is made and entered into as of this 30<sup>th</sup> day of December, 1987, by and between CALMAT CO., a Delaware corporation ("CalMat"), and VALLEY RECLAMATION CO., a California corporation ("Valley"), with reference to the following facts:

A. CalMat is the owner of that certain real property (the "Burdened Property") located in the County of Los Angeles, State of California, as more particularly described in Exhibit A hereto.

B. CalMat is also the owner of that certain real property (the "Benefitted Property") located in the County of Los Angeles, State of California, as more particularly described in Exhibit B hereto, which Valley is about to acquire.

C. Valley desires to obtain from CalMat and CalMat desires to grant to Valley certain easements on, over and under the Burdened Property and CalMat further desires to relinquish certain rights, if any, it may have relating to the Benefitted Property to more fully allow Valley to use and operate the Benefitted Property as originally contemplated by the Parties.

NOW, THEREFORE, IN CONSIDERATION of the foregoing and the mutual agreements herein set forth, and other valuable consideration, receipt of which is hereby acknowledged, CalMat and Valley agree as follows:

1. CalMat agrees to grant to Valley, as soon as reasonably practicable, but in no event later than 120 days following the date hereof, an exclusive easement for the benefit of the Benefitted Property for underground sewage pipeline purposes across the Burdened Property, together with a right of ingress and egress upon, over and across the Burdened Property in connection therewith. CalMat and Valley agree to cooperate in good faith to determine the exact location of such easement; provided, however, that the location of such easement and the exercise of the rights thereunder shall not unreasonably interfere with CalMat's use of the Burdened Property. In addition, CalMat shall have the one time right, at CalMat's sole cost and expense, to relocate such easement. CalMat agrees to cooperate with Valley in the granting of such easement, including, without limitation, executing all necessary documentation in connection therewith.

2. CalMat agrees that Valley shall have the right to remove any and all pipes, lines and other similar underground improvements located on, over or under the Benefitted Property other than those installed or to be installed within the

easement(s) granted or to be granted by Valley to CalMat pursuant to those certain easement agreements dated December 30, 1987, by and between Valley, as Grantor, and CalMat, as Grantee. CalMat further agrees to, and does hereby, relinquish, release and quitclaim to Valley any and all easements and other rights, if any, prescriptive or otherwise, which may now or hereafter exist as a result of the existence of such pipes, lines and other similar underground improvements, and further agrees to execute any and all instruments which Valley may require in connection with or to otherwise evidence the foregoing.

3. This Agreement may be executed in one or more counterparts, each of which shall constitute an original and all of which shall be deemed to be one and the same document.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

## INTER OFFICE MEMORANDUM

TO Distribution DATE 1/5/87

SUBJECT Sale of Valley Reclamation Landfill

FROM Brian W. Ferris FILE REF.

---

Title to the Valley Reclamation landfill was conveyed to Valley Reclamation Co. on December 31, 1987. The transaction was structured to qualify as a I.R.S. §1031 exchange. A legal description of the property involved is attached.

As a result of this transaction, \$12.9 Million in "exchange value" is available to CalMat Co. for acquisition of like-kind property. Such property must be identified within forty-five (45) days from the date of closing, and conveyed to CalMat within one hundred eighty (180) days of closing.

The assistance of George Cosby, Jock Scott, Tony Lucero and Anne Morris proved invaluable in bringing the buyer into a position to close by our deadline of December 31. Also, during a week which is extremely busy for title and escrow companies, Safeco Division of Chicago Title Insurance Company demonstrated its high regard for us as a client by keeping its offices open after hours, and working tenaciously on the morning and afternoon of December 31 to assure that our documents were recorded that afternoon.

Although Valley Reclamation Co., through its parent Waste Management, had agreed to deposit the purchase price in escrow on Wednesday, December 30, the funds were not in fact deposited until after 10:00 a.m. on December 31. Despite this problem, and the late hour of closing, Safeco was able to invest the funds for our accommodation seller over the weekend.

AMENDMENT TO LEASE

THIS AGREEMENT is made and entered into this 18<sup>th</sup> day of March, 1981, between California Portland Cement Company, a California Corporation, hereinafter called "Lessor", and INSURANCE SALVAGE SERVICE, INC., a California Corporation, hereinafter called "Lessee" and shall become effective on March 18, 1981.

RECITALS

The parties hereto wish to amend that certain lease dated April 2, 1979, entered into by and between Lessor and Lessee (hereinafter the "Lease"). Said Lease covers certain property leased by Lessor to Lessee in the Sun Valley District of the City of Los Angeles, California.

AGREEMENT

NOW, THEREFORE in consideration of the premises and the promises of the parties hereto, which are hereinafter set forth, it is agreed that the Lease is amended in the following particulars:

1. The use of the premises described in paragraph 7 shall be expanded to include the dismantling of automobile and the sale of parts therefrom.
2. The words "except as stated below" in the third sentence of Paragraph 7 shall be deleted.
3. The second paragraph of Paragraph 7 which begins with the words, "It is the intention . . ." shall be deleted in its entirety.
4. The words, "except as provided in Paragraph 7 below" in the second sentence of Paragraph 5 shall be deleted.

4. In Exhibit "A" Course (6) is amended to read as follows, "(6) thence on and along the further extension of said Course (2) a distance of 250 feet".

5. In Exhibit "A" Course (8) is amended to read as follows, "(8) thence northeasterly along said northwesterly line of Pendleton Street, a distance of 790 feet more or less to the True Point of Beginning containing 18.46 acres more or less. The obvious typographical error of the incomplete Course (8) is deleted.

6. Lessee agrees to pay as rent on the first of each month beginning on April 1, 1981, the sum of \$5,180.00 which shall be rent for the area in the original lease and the additional two acres added by this Amendment.

7. Paragraphs 3 and 4 are hereby amended to read as follows:

3. Lessee agrees to pay Lessor as rental for said premises monthly installments of \$4,841.32 each, subject to escalation as hereinafter provided, in advance, on the first of each month, beginning April 1, 1979, for the first year of the term hereunder. In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to increases in the real property taxes hereafter assessed against said real property over and above the taxes on the demised premises for the fiscal year 1965-1966. Payment of said additional sum or sums shall be made by Lessee to Lessor upon demand on or before the date upon which said taxes become due.

The monthly rental of \$4,841.32 shall be escalated on April 1, 1980, for the second one-year period of the term hereunder and on April 1, 1981,

for the third one-year period of the term hereunder by multiplying, in the case of the monthly rental for the second yearly period of the term, \$4,841.32 by the quotient, carried to four decimal places, of the 1967 Consumer's Price Index-- Los Angeles-Long Beach-Anaheim, CA, All Urban Consumers (CPI-LA-LB) for the month of January, 1980, divided by 199.6. The figure "199.6" is the 1979 CPI-LA-LB for the month of January, 1979. Said Index is prepared and promulgated by the Bureau of Labor Statistics of the U.S. Department of Labor.

Example:

Determine the rent due for each month of the second one-year portion of the term hereunder which begins on April 1, 1980, assuming the CPI for the month of January, 1980, is 210.

Solution:

Divide 210 by 199.6 equals 1.0521.  
Multiply \$4,841.32 by 1.0521 equals \$5,093.55, the monthly rental for the second one-year term of the term hereunder.

An escalation factor shall be determined and used in the same manner for the third one-year term of the term hereunder. It shall be derived by dividing the January, 1981, CPI by 199.6. The escalated rentals shall be the effective rentals for the periods indicated. However, the maximum increase in the monthly rental for any one-year period hereunder shall not exceed 10% of the rental for the preceding one-year period.

4. Lessee is hereby granted an option to renew this lease for eight additional periods of one (1) year

each. The monthly rental for each period shall be escalated on April 1, of the respective period by multiplying \$4,841.32 by the quotient, carried to four decimal places, of the revised CPI for the month of January of the preceding respective period divided by 199.6. Such options, if exercised, shall be exercised by notice in writing to Lessor of Lessee's exercise of option given to Lessor on or prior to January 1 of each respective year. Such notice of exercise of option shall be given in accordance with the provision for the giving of notices hereunder. In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to increases in the real property taxes as herein provided under Section 3.

The purpose of this amendment is to enlarge the leased area, to correspondingly increase the rent and to make certain adjustments to accommodate a different use. Nothing contained herein shall be construed to add to the liability hereunder of Insurance Salvage Service prior to March 18, 1981.

Except as otherwise specifically provided for herein, all provisions of the Lease are in full force and effect and are unaltered by this Amendment to Lease.

IN WITNESS WHEREOF, the parties hereto have caused the presents to be executed as of the day and year first hereinabove written.

If Lessor, for any reason whatsoever, cannot deliver possession of the premises to Lessee at the commencement of said term, as herein specified, this lease shall not be void or voidable, nor shall Lessor be liable to Lessee for any loss or damage resulting therefrom, but in that event there shall be a proportionate deduction of rent covering the period between the commencement of the term and the time when Lessor can deliver possession. The term of this lease shall not be extended by such delay.

Prior to January 1, 1982, Lessee may enter upon the premises with the consent of the Lessor to prepare the premises and to erect machinery and equipment necessary to carry on his business. No rent shall be due Lessor for this entry prior to January 1, 1982, as long as Lessee's activities are solely as described in the preceding sentence and Lessee has deposited with Lessor

the sum of Five Thousand Four Hundred Dollars (\$5,400.00) as security for the full performance of the terms and conditions of this lease. If Lessee is not in default at the termination of this lease, Lessor shall return the deposit to Lessee and may do this by either paying this sum to Lessee or crediting it against the last payment(s) of rent. Lessee's obligation respecting the deposit is that of a debtor, not a trustee and the fund may be commingled or dissipated, or both, and no interest shall be accrued thereon.

4. Lessee agrees to pay Lessor as rental for said premises monthly installments at the rate of \$900 per acre subject to escalation as hereinafter provided, in advance, on the first of each month, beginning January 1, 1982, for the first year of the term hereunder. In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to increases in the real property taxes hereafter assessed against said real property over and above the taxes on the demised premises for the fiscal year 1981-1982. Payment of said additional sum or sums shall be made by Lessee to Lessor upon demand on or before the date upon which said taxes become due.

The monthly rental shall be escalated on January 1, 1983, for the second one-year period of the term hereunder and on January 1 of each respective year of the term hereunder by multiplying, in the case of the monthly rental for the second yearly period of the term, the rent by the quotient, carried to four decimal places, of the 1967 Consumers' Price Index--Los Angeles-Long Beach-Anaheim, CA., All Urban Consumers (CPI-LA-LB) for the month of November 1983, divided by the CPI-LA-LB for the month of November 1981. Said Index is prepared and promulgated by the Bureau of Labor Statistics of the U.S. Department of Labor.

Example:

Determine the rent due for each month of the second one-year portion of the term hereunder which begins on January 1, 1983, assuming the CPI for the month of November 1981 is 285.5 and the CPI for the month

of November 1982 is 315.5 and the rent is \$5,400.00 per month.

Solution:

Divide 305.5 by 285.5 which equals 1.0701

Multiply 1.0701 by \$5400 which equals \$5778.54, the monthly rental for the second one-year term of the term hereunder.

An escalation factor shall be determined and used in the same manner for the third one-year term of the term hereunder.

It shall be derived by dividing the November 1984 CPI by the November 1981 CPI. The escalation rentals shall be the effective rentals for the periods indicated. However, the maximum increase in the monthly rental for any one year period hereunder shall not exceed 10% of the rental for the preceding one-year period.

5. Lessee is hereby granted an option to renew this lease for an additional period of five (5) years. The monthly rental for each year of the option shall be escalated on January 1 of the respective period by multiplying the rent for the first year by the quotient, carried to four decimal places, of the revised CPI for the month of November of the preceding respective period divided by the CPI for November 1981. Such option, if exercised, shall be exercised by notice in writing to Lessor of Lessee's exercise of option given to Lessor on or prior to September 1, 1987.

Such notice of exercise of option shall be given in accordance with the provision for the giving of notices hereunder. In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to increases in the real property taxes as herein provided under Section 3.

6. Lessee understands that portions of said premises have been filled. It is thoroughly familiar with said premises and all parts thereof and it accepts said premises in the condition in which they are and assumes all risk of subsidence with respect thereto.

7. Lessee may place an office building upon said premises at its own cost and expense, and provided such building meets all the requirements of law with respect to the construction and placement of such structure upon said premises. Lessee may remove said building upon expiration of the term of this lease or options thereof provided that Lessee is not in default of any of the terms of this lease. If Lessee elects not to remove said building, the condition thereof shall be such that it will be useable without major repairs or structural alternation by a succeeding tenant.
8. Lessee agrees to keep said premises in a reasonably clean and safe condition and to conduct thereon a yard for the storage and processing of scrap metal. Lessee may treat the surface of said property with road oil for the purpose of keeping down dust. All repairs to said premises and the fences and other structures thereon shall be made at Lessee's sole expense and Lessee further agrees that it will not commit, suffer or permit any waste on said premises and that it will not do or permit to be done thereon any act in violation of any law, ordinance or regulation of any governmental authority.
9. Any and all stock in trade, personal property, buildings, improvements, equipment or structures which may be placed upon said premises by Lessee, with the exception of fences and gates therein, and except as provided in paragraph 6 above, shall be removed by Lessee at Lessee's expense within ten (10) days after the termination of this lease, and if not so removed within said period, Lessor shall have the right, but not the obligation, to remove the same at Lessee's expense, and in such event Lessee agrees to reimburse Lessor for the cost of such removal. Lessor shall have the right to dispose of any such property in any manner whatsoever should Lessee fail to remove the same within said period, including, but not limited to, the destruction thereof, either in whole or in part, and Lessee waives any and all claims and demands for any damage or loss arising by reason of any such removal or destruction. Fences and gates shall be deemed fixtures and shall not be removed from the premises by Lessee.

10. Lessee agrees to pay any and all taxes and assessments levied or assessed upon any personal property or buildings, improvements or structures placed upon said premises by it with the exception of fences and gates. Taxes levied or assessed against said premises by reason of construction thereon of such fences and gates shall be paid in the manner provided in Paragraph 3 hereof.
11. With respect to any action brought by Lessor to recover rent or possession of said premises, or for any breach of this lease, Lessee agrees to pay Lessor a reasonable sum, to be fixed by the court, for Lessor's attorney's fee and court costs, in addition to any sum determined to be owing from Lessee to Lessor.
12. Lessee hereby agrees to indemnify Lessor against and to hold it harmless of and from any and all claims and demands of every kind and character for damages to property or injuries to persons or for the death of any person or persons arising out of or in any way connected with Lessee's use or occupancy of said demised premises.
13. Lessee agrees at its sole cost and expense to maintain during the term of this lease a policy or policies of public liability and property damage insurance in an insurance company satisfactory to Lessor, naming Lessor as an additional assured thereunder, which shall insure Lessor against liability for injury to or death of one person in the sum of Three Hundred Thousand Dollars (\$300,000.00), for injury to or death of two or more persons in the same accident in the sum of Six Hundred Thousand Dollars (\$600,000.00) and for property damage in the sum of One Hundred Thousand Dollars (\$100,000.00). Lessee agrees to deliver to Lessor a certificate issued by the insurer or insurers, evidencing such insurance and Lessee agrees to pay all premium charges in connection therewith when the same become due and before delinquency. Such insurance shall be primary and not contributory, as to Lessor.
14. Lessee shall not assign or hypothecate this lease or any interest herein, or sublet the demised premises or any part thereof, without the written consent of Lessor, which shall not be unreasonably withheld, and any attempt to do so shall be void and shall confer no right or rights whatever upon any third party, and shall be cause for termination of this lease by Lessor, at its option.

15. This lease shall be terminable at the option of Lessor in the event of the adjudication or bankruptcy of Lessee or in the event it files a petition for voluntary bankruptcy, or makes any assignment for the benefit of its creditors, or if a receiver is appointed by any court having jurisdiction which involved all or any part of the assets of Lessee, or if any of the property of Lessee is levied upon under any writ of attachment or execution or by a taxing body and the lien of such attachment, execution or tax levy is not discharged by bond or payment within ten (10) days after such levy. Notice of such termination shall be given by Lessor to Lessee in the manner hereinafter provided for the giving of notices. In the event such notice is delivered personally to Lessee, this lease and the term hereunder shall terminate forthwith. If it is given by mail, the lease and term hereunder shall terminate three days after mailing. Lessor shall have no obligation to return any rental theretofore paid but it shall be entitled to the same as liquidated damages, it being understood that the actual damages for such early termination or cause of termination would be impossible of determination. In the event of such termination, Lessee shall remain liable to Lessor for any unpaid rental and for any damage suffered by Lessor as a result of such early termination.
16. Any notice given by one party hereto to the other shall be in writing and shall be given either by personal service or by mail, posted within the State of California, with postage prepaid, addressed to Lessor at P. O. Box 947, Colton, California 92324, Attention: W. J. Conway, and to Lessee at 8250 Tujunga Avenue, Sun Valley, California. <sup>91352</sup> Such mailed notices shall be effective three days after they are deposited in the mail.
17. Time is of the essence of this lease. Subsequent acceptance of rent hereunder by Lessor shall not be deemed to be a waiver of any preceding breach of any obligation hereunder other than the failure to pay the particular rental so accepted and the waiver by Lessor of any breach of covenant or condition shall not constitute

a waiver of any other breach, regardless of knowledge. The consent of Lessor to any assignment or sublease shall not be deemed consent to any other assignment or sublease.

18. Lessee agrees that Lessor at Lessor's option may install and operate a collection system to remove any gases generated by the decomposition of material that has been placed in or on the premises. Lessor agrees that the system shall be so designed and installed as to cause a minimum of interference with the use by Lessee of the leased premises. Pipes connecting extraction points shall be installed below the surface of the ground and the terminal point in the system shall be outside the leased premises.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their officers thereunto duly authorized as of the day and year first hereinabove written.

THIS LEASE is made and entered into the 1st day of February, 1982  
by and between CALIFORNIA PORTLAND CEMENT COMPANY, hereinafter called "Lessor,"  
and PAUL V. PSIK, an individual , hereinafter called "Lessee."

scribed in Exhibit "A" attached hereto and made a  
part hereof.

shall end on December 31, 1987, unless sooner terminated  
as herein provided.

3. Delay in Delivery of Premises. If Lessor, for any reason whatso-  
ever, cannot deliver possession of the premises to Lessee at the  
commencement of said term, as herein specified, this lease shall  
not be void or voidable, nor shall Lessor be liable to Lessee  
for any loss or damage resulting therefrom, but in that event  
there shall be a proportionate deduction of rent covering the  
period between the commencement of the term and the time when  
Lessor can deliver possession. The term of this lease shall  
not be extended by such delay.

Prior to January 1, 1982, Lessee may enter upon the premises  
with the consent of the Lessor to prepare the premises and to  
erect machinery and equipment necessary to carry on his business.  
No rent shall be due Lessor for this entry prior to January 1,  
1982, as long as Lessee's activities are solely as described  
in the preceding sentence and Lessee has deposited with Lessor

the sum of Five Thousand Four Hundred Dollars (\$5,400.00) as security for the full performance of the terms and conditions of this lease. If Lessee is not in default at the termination of this lease, Lessor shall return the deposit to Lessee and may do this by either paying this sum to Lessee or crediting it against the last payment(s) of rent. Lessee's obligation respecting the deposit is that of a debtor, not a trustee and the fund may be commingled or dissipated, or both, and no interest shall be accrued thereon.

- 4.. Lessee agrees to pay Lessor as rental for said premises monthly installments at the rate of \$900 per acre subject to escalation as hereinafter provided, in advance, on the first of each month, beginning January 1, 1982, for the first year of the term hereunder. In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to increases in the real property taxes hereafter assessed against said real property over and above the taxes on the demised premises for the fiscal year 1981-1982. Payment of said additional sum or sums shall be made by Lessee to Lessor upon demand on or before the date upon which said taxes become due.

The monthly rental shall be escalated on January 1, 1983, for the second one-year period of the term hereunder and on January 1 of each respective year of the term hereunder by multiplying, in the case of the monthly rental for the second yearly period of the term, the rent by the quotient, carried to four decimal places, of the 1967 Consumers' Price Index--Los Angeles-Long Beach-Anaheim, CA., All Urban Consumers (CPI-LA-LB) for the month of November 1983, divided by the CPI-LA-LB for the month of November 1981. Said Index is prepared and promulgated by the Bureau of Labor Statistics of the U.S. Department of Labor.

Example:

Determine the rent due for each month of the second one-year portion of the term hereunder which begins on January 1, 1983, assuming the CPI for the month of November 1981 is 285.5 and the CPI for the month

of November 1982 is 315.5 and the rent is \$5,400.00 per month.

Solution:

Divide 305.5 by 285.5 which equals 1.0701

Multiply 1.0701 by \$5400 which equals \$5778.54, the monthly rental for the second one-year term of the term hereunder.

An escalation factor shall be determined and used in the same manner for the third one-year term of the term hereunder.

It shall be derived by dividing the November 1984 CPI by the November 1981 CPI. The escalation rentals shall be the effective rentals for the periods indicated. However, the maximum increase in the monthly rental for any one year period hereunder shall not exceed 10% of the rental for the preceding one-year period.

5. Lessee is hereby granted an option to renew this lease for an additional period of five (5) years. The monthly rental for each year of the option shall be escalated on January 1 of the respective period by multiplying the rent for the first year by the quotient, carried to four decimal places, of the revised CPI for the month of November of the preceding respective period divided by the CPI for November 1981. Such option, if exercised, shall be exercised by notice in writing to Lessor of Lessee's exercise of option given to Lessor on or prior to September 1, 1987.

Such notice of exercise of option shall be given in accordance with the provision for the giving of notices hereunder. In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to increases in the real property taxes as herein provided under Section 3.

6. Lessee understands that portions of said premises have been filled. It is thoroughly familiar with said premises and all parts thereof and it accepts said premises in the condition in which they are and assumes all risk of subsidence with respect thereto.

7. Lessee may place an office building upon said premises at its own cost and expense, and provided such building meets all the requirements of law with respect to the construction and placement of such structure upon said premises. Lessee may remove said building upon expiration of the term of this lease or options thereof provided that Lessee is not in default of any of the terms of this lease. If Lessee elects not to remove said building, the condition thereof shall be such that it will be useable without major repairs or structural alternation by a succeeding tenant.
8. Lessee agrees to keep said premises in a reasonably clean and safe condition and to conduct thereon a yard for the storage and processing of scrap metal. Lessee may treat the surface of said property with road oil for the purpose of keeping down dust. All repairs to said premises and the fences and other structures thereon shall be made at Lessee's sole expense and Lessee further agrees that it will not commit, suffer or permit any waste on said premises and that it will not do or permit to be done thereon any act in violation of any law, ordinance or regulation of any governmental authority.
9. Any and all stock in trade, personal property, buildings, improvements, equipment or structures which may be placed upon said premises by lessee, with the exception of fences and gates therein, and except as provided in paragraph 6 above, shall be removed by Lessee at Lessee's expense within ten (10) days after the termination of this lease, and if not so removed within said period, Lessor shall have the right, but not the obligation, to remove the same at Lessee's expense, and in such event Lessee agrees to reimburse Lessor for the cost of such removal. Lessor shall have the right to dispose of any such property in any manner whatsoever should Lessee fail to remove the same within said period, including, but not limited to, the destruction thereof, either in whole or in part, and Lessee waives any and all claims and demands for any damage or loss arising by reason of any such removal or destruction. Fences and gates shall be deemed fixtures and shall not be removed from the premises by Lessee.

10. Lessee agrees to pay any and all taxes and assessments levied or assessed upon any personal property or buildings, improvements or structures placed upon said premises by it with the exception of fences and gates. Taxes levied or assessed against said premises by reason of construction thereon of such fences and gates shall be paid in the manner provided in Paragraph 3 hereof.
11. With respect to any action brought by Lessor to recover rent or possession of said premises, or for any breach of this lease, Lessee agrees to pay Lessor a reasonable sum, to be fixed by the court, for Lessor's attorney's fee and court costs, in addition to any sum determined to be owing from Lessee to Lessor.
12. Lessee hereby agrees to indemnify Lessor against and to hold it harmless of and from any and all claims and demands of every kind and character for damages to property or injuries to persons or for the death of any person or persons arising out of or in any way connected with Lessee's use or occupancy of said demised premises.
13. Lessee agrees at its sole cost and expense to maintain during the term of this lease a policy or policies of public liability and property damage insurance in an insurance company satisfactory to Lessor, naming Lessor as an additional assured thereunder, which shall insure Lessor against liability for injury to or death of one person in the sum of Three Hundred Thousand Dollars (\$300,000.00), for injury to or death of two or more persons in the same accident in the sum of Six Hundred Thousand Dollars (\$600,000.00) and for property damage in the sum of One Hundred Thousand Dollars (\$100,000.00). Lessee agrees to deliver to Lessor a certificate issued by the insurer or insurers, evidencing such insurance and Lessee agrees to pay all premium charges in connection therewith when the same become due and before delinquency. Such insurance shall be primary and not contributory, as to Lessor.
14. Lessee shall not assign or hypothecate this lease or any interest herein, or sublet the demised premises or any part thereof, without the written consent of Lessor, which shall not be unreasonably withheld, and any attempt to do so shall be void and shall confer no right or rights whatever upon any third party, and shall be cause for termination of this lease by Lessor, at its option.

15. This lease shall be terminable at the option of Lessor in the event of the adjudication or bankruptcy of Lessee or in the event it files a petition for voluntary bankruptcy, or makes any assignment for the benefit of its creditors, or if a receiver is appointed by any court having jurisdiction which involved all or any part of the assets of Lessee, or if any of the property of Lessee is levied upon under any writ of attachment or execution or by a taxing body and the lien of such attachment, execution or tax levy is not discharged by bond or payment within ten (10) days after such levy. Notice of such termination shall be given by Lessor to Lessee in the manner hereinafter provided for the giving of notices. In the event such notice is delivered personally to Lessee, this lease and the term hereunder shall terminate forthwith. If it is given by mail, the lease and term hereunder shall terminate three days after mailing. Lessor shall have no obligation to return any rental theretofore paid but it shall be entitled to the same as liquidated damages, it being understood that the actual damages for such early termination or cause of termination would be impossible of determination. In the event of such termination, Lessee shall remain liable to Lessor for any unpaid rental and for any damage suffered by Lessor as a result of such early termination.
16. Any notice given by one party hereto to the other shall be in writing and shall be given either by personal service or by mail, posted within the State of California, with postage prepaid, addressed to Lessor at P. O. Box 947, Colton, California 92324, Attention: W. J. Conway, and to Lessee at 8250 Tujunga Avenue, Sun Valley, California. Such mailed notices shall be effective three days after they are deposited in the mail.
17. Time is of the essence of this lease. Subsequent acceptance of rent hereunder by Lessor shall not be deemed to be a waiver of any preceding breach of any obligation hereunder other than the failure to pay the particular rental so accepted and the waiver by Lessor of any breach of covenant or condition shall not constitute

a waiver of any other breach, regardless of knowledge. The consent of Lessor to any assignment or sublease shall not be deemed consent to any other assignment or sublease.

18. Lessee agrees that Lessor at Lessor's option may install and operate a collection system to remove any gases generated by the decomposition of material that has been placed in or on the premises.

Lessor agrees that the system shall be so designed and installed as to cause a minimum of interference with the use by Lessee of the leased premises. Pipes connecting extraction points shall be installed below the surface of the ground and the terminal point in the system shall be outside the leased premises.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their officers thereunto duly authorized as of the day and year first hereinabove written.

SUBLEASE

THIS SUBLEASE (hereinafter called the "Lease") is entered into his 27<sup>th</sup> day of July, 1982, by and between CONROCK CO., a Delaware corporation (hereinafter called "Landlord"); and PICK-YOUR-PART AUTO WRECKING, a California corporation (hereinafter called "Tenant").

RECITALS

A. Landlord is the Lessee of that certain premises situated in the City of Los Angeles, County of Los Angeles, State of California, consisting of approximately four (4) acres, as shown outlined in red on the map attached hereto and incorporated herein as Exhibit "A", (hereinafter the "Premises").

B. Tenant desires to rent from Landlord and Landlord desires to lease to Tenant, the Premises, upon the following terms and conditions.

AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby hires from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises.

2. Term. The term of this Lease shall commence on July 15, 1982, and expire on March 31, 1983, subject to early termination as hereinafter provided.

3. Rental. Tenant agrees to pay Landlord a rental of Six Thousand Dollars (\$6,000.00) per month and at such rate as adjusted in accordance with the provisions of paragraph 4, payable in advance on the first day of each calendar month, provided however that rent for the month of July, 1982 shall be Three Thousand Dollars (\$3,000.00), payable on July 15, 1982. Should any rental not be paid when due, it shall bear interest at the maximum rate an individual is permitted by law to charge.

4. Rental Adjustment. The monthly rate of Six Thousand Dollars (\$6,000.00) provided for in paragraph 3 herein shall be adjusted upward or downward on April 1 of each year (during the term hereof or any extension thereof) in the same proportion as

the proportional difference between the "Consumer Price Index for the Los Angeles-Long Beach-Anaheim Metropolitan Area", published by the United States Department of Labor, Bureau of Labor Statistics, (CPI) in effect on April 1 of the then present year and the CPI in effect April 1 of the then previous year, provided however that the monthly rental rate so adjusted shall never be less than Six Thousand Dollars (\$6,000.00). Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the same in some other manner, then Landlord may adopt a substitute index or substitute procedure which reasonably reflects and monitors consumer prices.

5. Option to Renew. If Tenant is not in default hereunder, Tenant may extend the term of this Lease for eight (8) separate successive period of one (1) year each. Tenant shall be deemed to have exercised each option unless Tenant serves upon Landlord written notice of its intent not to exercise each option at least ninety (90) days prior to the expiration of each existing term. The monthly rental rate for these extended periods, if any, shall be as provided in paragraphs 3 and 4 herein.

6. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except as an automobile parts salvage yard and automobile storage. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, state and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. Tenant shall not occupy or use the Premises during the term of this Lease in such a manner as to interfere with the use or occupancy of any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease.

7. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms,

covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of Six Thousand Dollars (\$6,000.00) which sum shall be paid by Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the Lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees incurred in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied as aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the hands of Landlord shall be restored to the required amount of Six Thousand Dollars (\$6,000.00). The security deposit shall earn simple interest at the rate of ten percent (10%) per annum, to be paid upon repayment to Tenant of the balance of the security deposit as aforesaid.

8. Improvements. Tenant leases the Premises and the improvements thereon, if any, in an "as is" condition. Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the Premises as it deems necessary for its own use; provided, however, that improvements which cost more than One Thousand Dollars (\$1,000.00) shall not be made without Landlord's prior written approval. Title to all improvements made at Tenant's expense shall remain in Tenant. Tenant shall remove all improvements made by it upon expiration or termination of this Lease.

9. Taxes and Assessments. During the term hereof, Tenant shall pay or cause to be paid before delinquency all taxes levied or assessed on account of any property installed by or for Tenant in the Premises, regardless of how, or to whom such taxes are assessed and whether such property so installed is assessed as

personal property or as a part of the real property. Tenant shall pay to Landlord as additional rental within thirty (30) days after receipt of written statement from Landlord setting forth the amount thereof, the amount of all real estate taxes, or other forms of assessment, including license taxes, commercial rental taxes, levies, charges, penalties, or similar imposition, imposed by any authority having the direct power to tax, including any city, county, State or federal government, or any school, agricultural, lighting, drainage or other improvement or special assessment district thereof, as against any legal or equitable interest of Landlord in the Premises, for a period within the term hereof. Without limiting the generality of the foregoing, the aforementioned taxes and assessments shall include: any tax on Landlord's right to rents or other income from the Premises or as against Landlord's business of leasing the Premises; any assessment, tax, fee, levy or charge in substitution, partially or totally, of any assessment, tax, fee, levy or charge previously included within the definition of real property tax, it being acknowledged that Proposition 13 was adopted by the voters of the State of California in the June 1978 election and that assessments, taxes, fees, levies and charges may be imposed by governmental agencies for such services as fire protection, street, sidewalk and road maintenance, refuse removal and for other governmental services formerly provided without charge to property owners or occupants; and any assessment, tax, fee, levy, or charge allocable to or measured by the area of the Premises or the rent payable hereunder, including, without limitation, any gross receipts tax or excise tax levied by the State, city, or federal government, or any political subdivision thereof, with respect to the receipt of such rent, or upon or with respect to the possession, leasing, operating, management, maintenance, alteration, repair, use or occupancy by Tenant of the Premises, or any portion thereof. Tenant shall bear any business tax imposed upon Landlord by the State of California or any political subdivision thereof which is based or measured in whole or in part by amounts charged or received by the Landlord under this Lease,

excluding State Franchise Taxes and Federal Income Taxes.

10. Maintenance and Repair. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives the provisions of Civil Code §§1941 and 1942 with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the expenses of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order, or repair as required, Landlord or its agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense clean up and remove from the Premises all rubbish and debris and property required to be removed and turn over the Premises to Landlord in good order and in a safe and sanitary condition. Should tenant fail to do so, Landlord may at its option make those removals or do such work as shall be required to return the Leased Premises to an orderly and safe and sanitary condition and the cost thereof to Landlord shall be immediately repaid by Tenant to Landlord.

11. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this

Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers within ninety (90) days of expiration, and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

12. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. §651 et seq., and the California Occupational Health and Safety Act of 1973, Labor Code §6300 et seq., (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon. Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises.

13. Condemnation. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable by Tenant for its intended use hereunder, then this Lease shall remain in full force

and effect as to such remaining portion, except that the rental payable hereunder shall thereafter be reduced in the proportion that the ground area of the Premises so taken bears to the total ground area of the Premises prior to the taking.

14. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

15. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions for the payment, satisfaction,

and effect as to such remaining portion, except that the rental payable hereunder shall thereafter be reduced in the proportion that the ground area of the Premises so taken bears to the total ground area of the Premises prior to the taking.

14. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render inoperative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to exercise any other right or remedy.

15. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant shall be levied against the Premises or against any interest therein, then Tenant within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions for the payment, satisfaction,

or discharge of the same; provided, however, that nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord fully protecting Landlord against any loss, damage, cost or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

16. Indemnification and Exculpation of Landlord. Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or the improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

17. Insurance. Tenant shall keep in full force and effect during the term of this Lease, worker's compensation insurance covering all employees of Tenant with waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than Two (2) Million Dollars (\$2,000,000.00) combined single limit. All such public liability and property damage policies shall be procured and maintained with an insurance company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name Landlord as an

additional insured, and shall contain cross-liability endorsements in substantially the following form:

The inclusion of more than one corporation, person, organization firm or entity as insured under this policy, shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certificates evidencing such insurance shall at all times be supplied to Landlord and shall provide for thirty (30) days notice of cancellation to certificate holder. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

18. Default. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute;

(d) An attachment or execution shall be levied upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter, unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or

discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provision or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant; then, and in any or either of such events Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender the Premises to Landlord, clean up and remove from the Premises all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, all within thirty (30) days after service of such notice, and to execute and deliver to Landlord such instrument or instruments as will properly evidence termination of its rights hereunder and its interest herein, as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(1) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(2) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(3) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(4) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in

the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (1) and (2) of this paragraph is computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (3) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or preservation or efforts to relet the Premises, the appointment of a receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to, the service of such notice, be deemed to be a termination of this Lease.

19. Holding Over. Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either expressed or implied, such holding over shall be considered a tenancy from month to month subject to all the conditions and restrictions of this Lease.

20. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified

mail, postage prepaid, addressed as follows:

To Landlord: Conrock Co.  
3200 San Fernando Road  
Los Angeles, CA 90065

To Tenant: Pick-Your-Part Auto Wrecking  
1903 Blinn Avenue  
Wilmington, CA 90744

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified or registered mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States Mail.

21. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises without in each instance first having received the expressed written consent of Landlord. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to a transfer shall constitute a further waiver of the provisions of this paragraph.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease becomes effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfer. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

Landlord shall be permitted to withhold its consent to any proposed assignment, sublease or other encumbrance for any cause whatsoever, or without any cause whatsoever.

If Tenant consists of more than one person or entity, a purported transfer, voluntary, involuntary, or by operation of law, from one Tenant to the other shall be deemed a voluntary transfer.

If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant or the sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of 51% of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing at least 51% of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

22. Utilities. Tenant shall pay prior to delinquency all charges for electricity, light and power, water, gas and all similar charges which may accrue with respect to the Premises during the term of this Lease. Should Tenant fail to so pay any utility charge as required herein, Landlord may, without prejudice to any other right or remedy, pay such charge, and all amounts so advanced by Landlord shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

23. Insolvency of Tenant. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

24. Abandonment. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during and for the purpose of making such repair or restoration as may become necessary under the provisions hereof.

25. Transfer of Landlord's Interest. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from

and after the date of such transfer.

26. Subordination Agreement. Tenant shall, upon Landlord's request, together with the request of any encumbrancer or holder of a trust deed, execute any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof, covered by said mortgage or deed of trust.

27. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

28. Successors and Assigns. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

29. Cost of Litigation. If either party is compelled to incur any expenses in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable costs and expenses, including reasonable attorney's fees, from the other party.

30. Quiet Possession. Landlord warrants that Tenant on paying the rental installments and other payments provided for hereby, and on keeping, observing, and performing all the other terms, conditions, covenants, and provisions herein contained on the part of Tenant to be kept, observed and performed, shall

peaceably and quietly have, hold and enjoy the Premises for the full term of this Lease, subject to the terms, conditions and provisions hereof.

31. Relation of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

32. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby and no other agreement, statement or promises made by any party hereto or to any employee or agent of any party hereto, which is not contained herein shall be binding or valid.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first above written.

15 day of February, 1983

THIS LEASE is made and entered

hereinafter called "Lessor,"

by and between Agop Berghman

hereinafter called "Lessee."

and Paul V. Psik

1. Lessor hereby leases to Lessee and Lessee hereby hires and takes from Lessor for the term hereinafter set forth that certain real property situated in the City of Los Angeles, County of Los Angeles, State of California, described as follows:

Portions of Lot 8, 9 & 10 of Tract 9329, as shown in Book 179, pages 9 and 10 of Map 1, Records of Los Angeles County, all located in the San Geronimo section of Los Angeles, California, more particularly described in Exhibit "A" attached hereto and made a part hereof.

2. The term of this lease shall begin on February 15, 1983 and shall end on December 31, 1987, unless sooner terminated as herein provided.

3. Delay in Delivery of Premises. If Lessor, for any reason whatsoever, cannot deliver possession of the premises to Lessee at the commencement of said term, as herein specified, this lease shall not be void or voidable, nor shall Lessor be liable to Lessee for any loss or damage resulting therefrom, but in that event there shall be a proportionate deduction of rent covering the period between the commencement of the term and the time when Lessor can deliver possession. The term of this lease shall not be extended by such delay.

Prior to February 15, 1983 Lessee may enter upon the premises with the consent of the Lessor to prepare the premises and to erect machinery and equipment necessary to carry on his business. No rent shall be due Lessor for this entry prior to February 15, 1983 as long as Lessee's activities are solely as described in the preceding sentence and Lessee has deposited with Lessor

the sum of        no money        (-)-

security for the full performance of the terms and conditions of this lease. If Lessee is not in default at the termination of this lease, Lessor shall return the deposit to Lessee and may do this by either paying this sum to Lessee or crediting it against the last payment(s) of rent. Lessee's obligation respecting the deposit is that of a debtor, not a trustee and the fund may be commingled or dissipated, or both, and no interest shall be accrued thereon.

4. Lessee agrees to pay Lessor as rental for said premises monthly installments at the rate of \$600 per month, subject to escalation as hereinafter provided, in advance, on the first of each month, beginning March 1, 1983 for the first year of the term hereunder. In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to increases in the real property taxes hereafter assessed against said real property over and above the taxes on the demised premises for the fiscal year 1982-1983. Payment of said additional sum or sums shall be made by Lessee to Lessor upon demand on or before the date upon which said taxes become due.

The monthly rental shall be escalated on January 1, 1984 for the second one-year period of the term hereunder and on January 1 of each respective year of the term hereunder by multiplying, in the case of the monthly rental for the second yearly period of the term, the rent by the quotient, carried to four decimal places, of the 1967 Consumers' Price Index--Los Angeles-Long Beach-Anaheim, CA., All Urban Consumers (CPI-LA-UR) for the month of November 1983, divided by the CPI-LA-UR for the month of November 1982. Said Index is prepared and promulgated by the Bureau of Labor Statistics of the U.S. Department of Labor.

**Example:**

Determine the rent due for each month of the second one-year portion of the term hereunder which begins on January 1, 1983, assuming the CPI for the month of November 1982 is 100 and the CPI for the month

of November 1983 is 411.5 and the rent is \$5,400.00 per month.

Solution:

Divide 305.5 by 285.5 which equals 1.0701

Multiply 1.0701 by \$5400 which equals \$5778.54, the monthly rental for the second one-year term of the term hereunder.

An escalation factor shall be determined and used in the same manner for the third one-year term of the term hereunder.

It shall be derived by dividing the November 1984 CPI by the November 1982 CPI. The escalation rentals shall be the effective rentals for the periods indicated. However, the maximum increase in the monthly rental for any one year period hereunder shall not exceed 10% of the rental for the preceding one-year period.

5. Lessee is hereby granted an option to renew this lease for an additional period of five (5) years. The monthly rental for each year of the option shall be escalated on January 1 of the respective period by multiplying the rent for the first year by the quotient, carried to four decimal places, of the revised CPI for the month of November of the preceding respective period divided by the CPI for November 1982. Such option, if exercised, shall be exercised by notice in writing to Lessor of Lessee's exercise of option given to Lessor on or prior to September 1, 1987.

Such notice of exercise of option shall be given in accordance with the provision for the giving of notices hereunder. In addition to the foregoing rental, Lessee agrees to pay Lessor a sum equal to increases in the real property taxes as herein provided under Section 3.

6. Lessee understands that portions of said premises have been filled. It is thoroughly familiar with said premises and all parts thereof and it accepts said premises in the condition in which they are and assumes all risk of subsidence with respect thereto.

7. Lessee may place an office building upon said premises at its own cost and expense, and provided such building meets all the requirements of law with respect to the construction and placement of such structure upon said premises. Lessee may remove said building upon expiration of the term of this lease or options thereof provided that Lessee is not in default of any of the terms of this lease. If Lessee elects not to remove said building, the condition thereof shall be such that it will be useable without major repairs or structural alternation by a succeeding tenant.
8. Lessee agrees to keep said premises in a reasonably clean and safe condition and to conduct thereon a yard for the storage and processing of scrap metal. Lessee may treat the surface of said property with road oil for the purpose of keeping down dust. All repairs to said premises and the fences and other structures thereon shall be made at Lessee's sole expense and Lessee further agrees that it will not commit, suffer or permit any waste on said premises and that it will not do or permit to be done thereon any act in violation of any law, ordinance or regulation of any governmental authority.
9. Any and all stock in trade, personal property, buildings, improvements, equipment or structures which may be placed upon said premises by Lessee, with the exception of fences and gates therein, and except as provided in paragraph 6 above, shall be removed by Lessee at Lessee's expense within ten (10) days after the termination of this lease, and if not so removed within said period, Lessor shall have the right, but not the obligation, to remove the same at Lessee's expense, and in such event Lessee agrees to reimburse Lessor for the cost of such removal. Lessor shall have the right to dispose of any such property in any manner whatsoever should Lessee fail to remove the same within said period, including, but not limited to, the destruction thereof, either in whole or in part, and Lessee waives any and all claims and demands for any damage or loss arising by reason of any such removal or destruction. Fences and gates shall be deemed fixtures and shall not be removed from the premises by Lessee.

10. Lessee agrees to pay any and all taxes and assessments levied or assessed upon any personal property or buildings, improvements or structures placed upon said premises by it with the exception of fences and gates. Taxes levied or assessed against said premises by reason of construction thereon of such fences and gates shall be paid in the manner provided in Paragraph 3 hereof.
11. With respect to any action brought by Lessor to recover rent or possession of said premises, or for any breach of this lease, Lessee agrees to pay Lessor a reasonable sum, to be fixed by the court, for Lessor's attorney's fee and court costs, in addition to any sum determined to be owing from Lessee to Lessor.
12. Lessee hereby agrees to indemnify Lessor against and to hold it harmless of and from any and all claims and demands of every kind and character for damages to property or injuries to persons or for the death of any person or persons arising out of or in any way connected with Lessee's use or occupancy of said demised premises.
13. Lessee agrees at its sole cost and expense to maintain during the term of this lease a policy or policies of public liability and property damage insurance in an insurance company satisfactory to Lessor, naming Lessor as an additional assured thereunder, which shall insure Lessor against liability for injury to or death of one person in the sum of Three Hundred Thousand Dollars (\$300,000.00), for injury to or death of two or more persons in the same accident in the sum of Six Hundred Thousand Dollars (\$600,000.00) and for property damage in the sum of One Hundred Thousand Dollars (\$100,000.00). Lessee agrees to deliver to Lessor a certificate issued by the insurer or insurers, evidencing such insurance and Lessee agrees to pay all premium charges in connection therewith when the same become due and before delinquency. Such insurance shall be primary and not contributory, as to Lessor.
14. Lessee shall not assign or hypothecate this lease or any interest herein, or sublet the demised premises or any part thereof, without the written consent of Lessor, which shall not be unreasonably withheld, and any attempt to do so shall be void and shall confer no right or rights whatever upon any third party, and shall be cause for termination of this lease by Lessor, at its option.

15. This Lease shall be subject to the liquidation of Lessor in the event of the insolvency or bankruptcy of Lessor or if Lessor it files a petition for voluntary bankruptcy, or makes any assignment for the benefit of its creditors, or if a receiver is appointed by any court having jurisdiction which involved all or any part of the assets of Lessor, or if any of the property of Lessor levied upon under any writ of attachment or execution of a taxing body and the lien of such attachment or execution is not discharged by bond or payment within ten (10) days of such levy. Notice of such termination shall be given orally to Lessee in the manner hereinafter provided for notices. In the event such notice is given to Lessee, this lease and the terms hereunder shall terminate with. If notice is given by mail, the lease shall terminate three days after mailing. Lessee shall have the option to return any rental thereon or make good to the extent titled to the same as liquidated damages, to be the order that the actual damages for such early termination of termination would be impossible to determine. In the event of such termination, Lessee shall remain liable to Lessor for unpaid rental and for any damage suffered or rendered as a result of such early termination.

16. Any notice given by one party hereunder to the other shall be in writing and shall be given either by personal delivery or by mail posted within the State of California, with postage prepaid, addressed to Lessor at 9301 Glenoaks Blvd., Sun Valley, Ca. 91352 and to Lessee at 8750 Avenue, Sun Valley, California. Notices shall be effective three days after they are deposited in the mail.

17. Time is of the essence of this Lease. Subsequent acceptance of rent hereunder by Lessor shall not be deemed to constitute a waiver of any preceding breach of any obligation hereunder other than the failure to pay the particular rental accepted and the waiver by Lessor of any breach of covenant or condition shall not constitute

a valve or any other device, regardless of its knowledge of the  
consent of Lessor to any assignment of this lease shall not be deemed  
consent to any other assignment or sublease.

18. Lessee agrees that Lessor at Lessor's option may install and operate  
a collection system to remove any gases generated by the incineration  
of material that has been placed in or on the premises.  
Lessor agrees that the system shall be so designed and installed  
as to cause a minimum of interference with the use of the  
the leased premises. Pipes connecting the incinerator shall be  
installed below the surface of the ground and the collection system  
in the system shall be installed below the ground.

~~19. Lessor understands that Conrock Company has an easement for an under-  
ground pipe, (16 inches in diameter) in the shaded blue area of  
Exhibit "A" attached. Lessee further agrees to allow Conrock Company  
on subject property to make any necessary repairs.~~

*Berghoudian*

20. Lessor herein agrees to rent the premises back from Lessee on a month  
to month basis for the same rent that Lessee is paying until such time  
as Lessee gives Lessor notice of his interest to occupy the premises.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to  
be executed by their officers thereunto duly authorized as of the day  
and year first hereinabove written.

ASSIGNMENT OF LEASE

This Assignment of Lease, dated June 21, 1984, 19   ,  
is made by and between AGOP BERGHOUDIAN ("Agop") and PAUL V. PSIK  
("Paul") with reference to the following facts:

A. On or about May 5, 1981, California Portland  
Cement Company, a corporation ("CPC") leased the following

lease described in Recital A above.

C. Pursuant to that certain Assignment of Lease dated  
February 15, 1983, Paul assigned his interest in the Lease and  
Premises to Agop. Agop and Paul acknowledge that the Assignment  
of Lease inadvertently referred to the lease described in  
Recital A. By this reference, Paul and Agop agree that all

to refer to the Lease defined in Recital B above.

D. Pursuant to that certain lease dated February 15,  
1983 ("Sublease"), Agop subleased his interest in the Premises to  
Paul.

E. The parties currently are in the following landlord-tenant relationships with respect to the Premises: CPC is Landlord under the Lease; Agop is tenant under the Lease and sublandlord under the Sublease; and Paul is subtenant under the Sublease. The parties desire and intend by this Assignment of Lease that Agop shall assign his interest in the Lease and Sublease to Paul, such that Paul's interest as Sublandlord and Subtenant under the Sublease shall merge, causing the Sublease to terminate, and that Paul shall be deemed the tenant under the Lease with CPC.

NOW THEREFORE, in consideration of the foregoing recitals and the mutual covenants and conditions set forth below, the parties hereby agree as follows:

1. Agop hereby assigns to Paul all of his right, title and interest as Lessee under the Lease and Paul hereby accepts the assignment and assumes all of Agop's obligations as Lessee under the Lease.

2. Agop hereby assigns to Paul all of his right, title and interest as Sublessor under the Sublease and Paul hereby accepts the assignment and assumes all of Agop's obligations as Sublessor under the Sublease.

3. Agop hereby represents and warrants that (a) he has full power and capacity to assign the Lease and Sublease; and (b) has not previously assigned, sublet, transferred or quit-claimed any interest in the Lease, Sublease, or the Premises, except as set forth in the recitals to this Assignment of Lease.

4. Paul represents and warrants that (a) he has full power and capacity to assume the obligations of Agop under the Lease and Sublease; and (b) he desires and intends that his interest as sublandlord and subtenant under the Sublease shall merge, such that the Sublease is hereby terminated and of no further force and effect.

5. In the event either party to this Assignment of Lease or CPC brings on an action or proceeding for the breach, enforcement or interpretation of this document, the prevailing party in such action or proceeding, whether or not such action or proceeding results in a judgment, shall be entitled to recover reasonable attorneys' fees against the other party in addition to whatever other relief the prevailing party may be entitled.

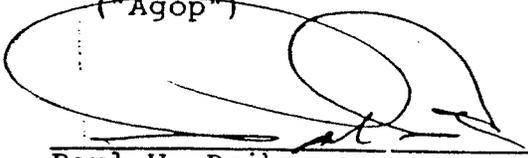

6. This document has been entered into, among other reasons, for the benefit of CPC and CPC shall have the right, as a third party beneficiary, to enforce the applicable terms hereof.

7. This is the sole agreement between the parties with respect to the matter described herein and may be amended only by a writing executed by all parties and CPC.

LEASE AGREEMENT

THIS LEASE AGREEMENT (hereinafter called "Lease") is entered into this 1<sup>st</sup> day of January 1993, by and between CALMAT CO., a Delaware Corporation ( hereinafter called "Landlord"), and PICK YOUR PART AUTO WRECKING, INC., a California Corporation (hereinafter called "Tenant").

RECITALS

A. Landlord is the owner of that certain premises situated in the County of Los Angeles, State of California ( "the "Premises"), consisting of approximately 8.76 acres as shown outlined in red on the map attached hereto and incorporated herein as Exhibit "A".

B. Tenant desires to lease from Landlord, and Landlord desires to let to Tenant the Premises, upon the following terms and conditions.

AGREEMENT

1. Lease. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, for the term and upon the covenants and conditions hereinafter provided, the Premises. Landlord does not lease, but as between Landlord and Tenant specifically hereby reserves to itself, its successors in interest and assigns, all of the oil, gas, hydrocarbonous substances, minerals and mineral rights in and under the land described as the Premises, with the right to explore therefore, sell, lease, and/or remove same; provided, however, that Landlord will not do any exploration or other work which will materially affect Tenant's use under this Lease. Landlord also reserves to itself, its successors in interest and its assigns, an exclusive easement ("Right of Way") upon, across, under, over and through that portion of the Premises described in Exhibit "A" attached hereto, for the purpose of operating, constructing, altering, expanding, replacing, repairing, and maintaining one or more conveyor systems, and water pipelines, and uses incidental thereto,

together with the right to use and keep all of said Right of Way free and clear of any and all obstructions, including the right to trim, cut, or remove vegetation or trees which may interfere with Landlord's use and enjoyment of the Right of Way. The Right of Way reserved herein includes the right of reasonable entry upon the Premises for the purpose of engaging in the operation, inspection, maintenance, repair, improvement and replacement of the conveyor systems and pipelines, and the exercising of the other rights herein granted. Said right of entry may be exercised by trucks, automobiles, and other vehicles or by foot, as may suit the reasonable needs of Landlord.

2. Term. The Lease term shall be five (5) years, commencing on ~~April 1, 1992~~ <sup>January 1, 1993</sup> and ending on ~~March 31, 1997~~ <sup>December 31, 1997</sup>.

3. Monthly Rental. Tenant agrees to pay to Landlord, without abatement, deduction, offset or prior demand, a rental of \$28,618.92 per month, and at such rate as adjusted in accordance with the provisions of Paragraph 4, payable on the first (1st) day of each calendar month during the term hereof. In the event this Lease commences on a date other than the first day of a calendar month, rent for the first month shall be pro-rated. Should any rental not be paid when due, it shall bear interest at the lesser, ten percent (10%) or the maximum rate permitted by law to charge.

4. Rental Adjustments. The monthly rental rate provided for in Paragraph 3 herein shall be adjusted upward on each anniversary date of this Lease in the following manner; the first two (2) adjustments in the monthly rental rate shall be made in direct proportion to the proportional percentage increase in the Consumer Price Index ("CPI") between the Base Index published for ~~April 1992~~ <sup>January 1993</sup> and the Comparison Index for ~~April 1993~~ <sup>January 1994</sup> and again for ~~April 1994~~ <sup>January 1995</sup>.

The Consumer Price Index is published monthly by the U.S. Department of Labor, Bureau of Labor Statistics, All Urban

Consumers, in the Los Angeles-Anaheim-Riverside Statistical Area (1982-84=100). Each CPI adjustment shall be limited to six percent (6%) maximum and shall not be less than four percent (4%) minimum, provided however, in no event shall the monthly rental rate be reduced below the monthly rental rate payable during the immediately preceding period. Should said Bureau discontinue the publication of the CPI, or publish the same less frequently, or alter the same in some other manner, then Landlord may adopt a substitute index or substitute procedure which reasonably reflects and monitors consumer prices. The monthly rental amount shall again be increased, effective on ~~April 1, 1995~~ <sup>January 1, 1996</sup> and on ~~April 1, 1996~~ <sup>January 1, 1997</sup> by \$0.01 per square foot per month each adjustment.

5. Late Charges. Tenant's failure to pay rent may cause Landlord to incur unanticipated costs. The exact amount of such costs are impractical or extremely difficult to ascertain. Such costs may include, but are not limited to, processing and accounting charges and late charges which may be imposed on Landlord by any ground lease, mortgage or trust deed encumbering the Property. Therefore, if Landlord does not receive any rent payment within ten (10) days after it becomes due, Tenant shall pay Landlord a late charge equal to ten percent (10%) of the overdue amount. The parties agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of such late payment.

6. Security Deposit. As security for the faithful performance of the terms, covenants and conditions of this Lease, as well as to indemnify Landlord to the extent thereof for any damages, costs, expenses or attorneys' fees which Landlord may incur by reason of any default by Tenant under any of the terms, covenants and conditions of this Lease, Tenant hereby deposits with Landlord the sum of TWENTY FIVE THOUSAND DOLLARS (\$25,000.00), which sum shall be paid by

Tenant to Landlord upon execution of this Lease. If Tenant shall not be in default hereunder on the expiration or termination of the lease, Landlord shall promptly repay to Tenant the then balance of said security deposit. In the event that Tenant shall be in default hereunder, on or at any time prior to the expiration or termination of this Lease, Landlord may apply the security deposit in payment of its costs, expenses and attorneys' fees in enforcing the terms hereof, and/or in payment of any damages suffered by Landlord; provided, however, that nothing herein contained shall be construed to mean that the recovery of damages by Landlord against Tenant shall be limited to the amount of the security deposit. In the event that any portion or all of the security deposit is applied aforesaid during the term hereof, then Tenant shall deposit with Landlord additional amounts so that the security deposit in the possession of Landlord shall be restored to the above-mentioned amount.

7. Improvements to the Premises. Tenant leases the Premises and the improvements thereon, if any, in an "as-is" condition. Tenant shall have the right to construct, at its sole cost and expense, such additional improvements to the premises as it deems necessary for its own use; provided however, that improvements which cost more than Five Thousand Dollars (\$5,000.00) shall not be made without Landlord's prior written approval. Such approval shall not be unreasonably withheld; provided, however, that construction of improvements, including delivery of materials to be used for the construction, shall not commence until after Landlord has received notice from Tenant stating the date on which the construction is to commence, so as to enable Landlord to post and record an appropriate notice of non-responsibility, and provided further that said improvements and construction thereof comply fully with all laws, ordinances, and governmental regulations applicable thereto. Title to all

improvements made at Tenant's expense shall remain in Tenant until expiration or termination of this Lease. Tenant shall not remove any improvements made by it and upon expiration or termination of this Lease, title to such improvements shall forthwith vest in Landlord; provided, however, that Landlord in its discretion may, by written notice to Tenant, require Tenant to remove any improvements made by Tenant on or before the date of expiration or termination, even though under the terms of this paragraph such improvements would otherwise become the property of Landlord.

8. Use of Premises. Tenant agrees that the Premises shall not be used for any purpose except for an automobile parts salvage yard, wrecked automobile storage and dismantling. Tenant agrees, at its own cost and expense, to comply with all laws, rules, regulations, ordinances and statutes of any and all municipal, county, state, and federal authorities which are now in effect or which may hereafter become effective pertaining to the use of the Premises and its occupancy by Tenant. Tenant shall not commit, or suffer to be committed, any waste upon the Premises, or any public or private nuisance. Tenant shall not occupy or use the Premises during the term of this Lease in such manner as to interfere with Landlord's use or occupancy of the property or any property adjacent to the Premises, or to interfere with the use of the Premises or any part thereof after termination of this Lease. Landlord makes no warranty or representation as to the suitability of the Premises for the use herein stated or any use.

9. Taxes and Assessments. Tenant shall pay or cause to be paid before delinquency all personal property taxes and all taxes levied or assessed on account of any property in, on or attached to the Premises, including without limitation property installed by or for Tenant, regardless of how, or to whom such taxes are assessed and

whether such property so installed is assessed as personal property or as a part of the real property.

Also, Tenant shall pay to Landlord as additional rental within thirty (30) days after receipt of written statement from Landlord setting forth the amount thereof, the amount of all real estate taxes, or any other form of assessment, including without limitation license taxes, commercial rental taxes, levies, charges, penalties, or similar imposition, imposed by any authority having the direct power to tax, including any city, county, State or federal government, or any school, agricultural, lighting, drainage or other improvement or special assessment district thereof, as against any legal or equitable interest of Landlord in the Premises, for a period within the term hereof. Without limiting the generality of the foregoing, the aforementioned taxes and assessments shall include: any tax on Landlord's right to rents or other income from the Premises or as against Landlord's business of leasing the Premises; any assessment, tax, fee, levy or charge in substitution, partially or totally, of any assessment, tax, fee, levy or charge previously included within the definition of real property tax, it being acknowledged that Proposition 13 was adopted by the voters of the State of California in the June 1978 election and that assessments, taxes, fees, levies and charges may be imposed by governmental agencies for such services as fire protection, street, sidewalk and road maintenance, refuse removal and for other governmental services formerly provided without charge to property owners or occupants; and any assessment, tax, fee, levy or charge allocable to or measured by the area of the Premises or the rent payable hereunder, including, without limitation, any gross receipts tax or excise tax levied by the State, city, or federal government, or any political subdivision thereof, with the respect to the receipt of such rent, or upon or with

respect to the possession, leasing, operating, management, maintenance, alteration, repair, use or occupancy by Tenant of the Premises, or any portion thereof. Tenant shall bear any business tax imposed upon Landlord by the State of California or any political subdivision thereof which is based or measured in whole or in part by amounts charges or received by the Landlord under this Lease, excluding State Franchise Taxes and Federal Income Taxes.

10. Maintenance and Repair. Tenant leases Premises in "as-is" condition based upon its own independent investigations and not on any warranty of Landlord, express or implied. Tenant's possession of the Premises shall constitute Tenant's acceptance of the condition of same. Tenant shall at its own expense maintain and keep the Premises in good repair and condition throughout the term hereof and shall pay all costs of operation and maintenance on the Premises whether ordinary or extraordinary and foreseen or unforeseen, including but not limited to all costs incurred due to the negligence, carelessness, misconduct or fault of Tenant or its agents, licensees, or invitees. Without limiting other provisions of this Lease, all damage caused by removal of trade fixtures by Tenant shall be promptly repaired to Landlord's reasonable satisfaction by Tenant before the termination date of this Lease. Landlord shall not be required to make any improvements, alterations, changes, additions, repairs or replacements whatsoever in or to the Premises. Tenant waives all provisions of law, including but not limited to Civil Code Sections 1941 and 1942, with respect to Landlord's obligations for tenantability of the Premises and Tenant's right to make repairs and deduct the cost of such repairs from rent. Should Tenant at any time during the term hereof fail to keep the Premises or the appurtenances thereof in good condition, order or repair as required, Landlord or its

agents may enter the Premises to perform maintenance or make repairs and the cost of same shall be added to and become a part of the installment of rent next coming due hereunder and shall be so paid by Tenant to Landlord as additional rental.

Upon the expiration of this Lease or upon any termination herein provided, Tenant shall at its sole cost and expense clean up and remove from the Premises all personal property, rubbish and debris and turn over the Premises to Landlord in good order and in a safe, sanitary condition. Should Tenant fail to do so, Landlord may at its option make those removals or do such work as shall be required to return the Premises to an orderly and safe, sanitary condition and the cost thereof to Landlord shall be immediately reimbursed by Tenant to Landlord.

11. Condemnation. If all the Premises, or such a portion thereof as to leave the remainder unusable by Tenant for its intended use hereunder, shall be appropriated or taken by any governmental authority under eminent domain proceedings or otherwise (which taking shall include a sale by Landlord to any governmental authority, either after an action is filed or while under the threat of a taking), then this Lease shall terminate at the time of actual physical taking of possession by such governmental authority, and Landlord and Tenant shall thereupon be released from all liabilities thereafter accrued under this Lease.

In the event that any portion of the Premises is so taken, and the remaining portion is still usable to Tenant for its intended use hereunder, then this Lease shall remain in full force and effect as to such remaining portion, and there shall be no abatement of rent. Tenant's rent for the remaining portion shall be calculated by multiplying the remaining usable square feet by the then current lease rate per square foot being paid by Tenant one month prior to such Premises reduction. Tenant waives the provisions of Code of

Civil Procedure Section 1265.130 and all other provisions of law permitting it to petition for termination of this Lease.

In the event of any such taking, neither this lease nor the leasehold interest created herein shall be an asset of Tenant, and Landlord shall be entitled to receive the entire award or compensation arising from the taking; provided, however, that Tenant shall be entitled to receive any amount awarded as compensation for the taking of crops, fixtures and equipment owned by Tenant and which would not, by the terms of this Lease, become property of the Landlord.

12. Consents and Waivers. The giving of any consent, or the waiver of any requirement of its consent, hereunder by Landlord or the breach by Tenant of any provisions requiring such consent of Landlord, shall not annul or render operative any provisions hereof requiring such consent. No consent given by Landlord to any act or omission of Tenant shall be construed as a consent to any other or further or different act or omission. No act or omission, acquiescence or forgiveness by Landlord of any failure by Tenant to perform any terms or conditions of this Lease shall be deemed or construed to be a waiver by Landlord of the right, at all times thereafter, to insist upon the full and complete performance by Tenant of the terms and conditions of this Lease. The acceptance of rent hereunder by Landlord shall not be deemed a waiver of any breach hereunder by Tenant other than the failure to pay the particular rental so accepted. No waiver by Landlord of any breach by Tenant hereunder shall constitute a waiver of any other breach of Tenant, regardless of knowledge of Landlord thereof. The rights and remedies of Landlord hereunder are cumulative and shall not be deemed to be exclusive of any other remedy or right conferred by law, and the exercise by Landlord of any right or remedy (whether conferred hereby or conferred by law) shall not impair Landlord's right to

exercise any other right or remedy.

13. Liens. Tenant agrees to pay any and all liens and claims that may be asserted or claimed against the Premises by reason of anything done or ordered to be done by Tenant in, on, or about the Premises and that if any such lien shall be asserted against the Premises or if any execution or judgment against Tenant upon any claim, suit or proceeding against Tenant shall be levied against the Premises or against any interest therein, then Tenant, within thirty (30) days after the same shall have been levied, shall cause the same to be discharged or paid or make adequate provisions satisfactory to Landlord for the payment, satisfaction, or discharge of the same; provided, however, that nothing herein contained shall be construed so as to prevent Tenant from contesting in good faith the legality of any such lien, claim or levy, provided that Tenant furnish to the Landlord a good and sufficient bond in an amount and in form and with surety satisfactory to the Landlord, fully protecting Landlord against any loss, damage, costs or expense arising by reason of any such lien, claim or levy pending the final determination thereof.

14. Landlord's Entry. Landlord or its agents shall at all reasonable times have the right to enter the Premises and any structures thereon for the purpose of examination and inspection, or making repairs at Tenant's expense which Tenant has failed to make, or exercising any of the rights of Landlord under this Lease, or for posting notices required or permitted by law. Landlord reserves the right of entry to show the Premises to prospective brokers, agents, tenants or purchasers and to place and maintain "For Rent", "For Lease" or "For Sale" signs in one or more conspicuous places on the Premises.

15. Safety. Tenant shall adopt whatever measures may be necessary for properly policing the Premises and

maintaining reasonable standards of safety and for the prevention of dumping or similar activities on the Premises.

Tenant agrees at all times during the term of the Lease that it will be its sole responsibility to assure compliance with the requirements of the Occupational Safety and Health Act of 1970, 29 U.S.C. Section 651 et seq., the Federal Mine Safety and Health Act of 1977, 30 U.S.C. Section 801 et seq., and the California Occupational Health and Safety Act of 1973, Labor Code Section 6300 et seq. (referred to hereinafter as "the Acts"), to the extent that the Acts apply to the Premises and any activities thereon.

Without limiting the foregoing, Tenant agrees to maintain all working areas, all machinery, structures, electrical facilities and the like upon the Premises in a condition that fully complies with the requirements of the Acts, including such requirements as would be applicable with respect to agents, employees or contractors of Landlord who may from time to time be present upon the Premises.

16. Hazardous Material/Waste.

(a) Tenant warrants and represents to Landlord:

(i) Tenant shall not permit any "Hazardous Materials," as hereinafter defined, to be brought upon, stored, manufactured, on or transported from the Premises, except for petroleum products which are commonly used and necessary in Tenant's business of dismantling wrecked automobiles, and storage of used auto parts.

(ii) Tenant shall at all time be in compliance with all environmental laws applicable to the Premises.

(b) Tenant shall indemnify, defend and hold Landlord harmless against any and all claims, damages, enforcement actions, remedial actions, liabilities, losses, cost and expenses arising out of the presence of any Hazardous Materials on the Premises. Landlord shall have the right to enter on the Premises to conduct an environmental assessment

at any time during the Lease term. If Hazardous Materials are detected, the cost of this assessment will be paid for by Tenant. Tenant shall be required to take all remedial action necessary to insure clean-up of any Hazardous Materials present on the Premises and to comply with all environmental laws applicable at the end of the Lease term.

(c) The term "Hazardous Material(s)" shall mean any chemical, substance, material, controlled substance, object, condition, waste, living organism or combination thereof which is or may be hazardous to human health or safety or to the environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including without limitation, petroleum and petroleum products, asbestos, radon, polychlorinated biphenyls (PCBs), and all of those chemicals substances, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof which are now or become in the future listed, defined or regulated in any manner, based directly or indirectly upon such properties or effects, pursuant to any applicable environmental law.

(d) The term "environmental law(s)" shall mean any and all federal, state, or local environmental, health and/or safety-related laws, regulations, standards, court decision, ordinances, rules, codes, judicial or administrative orders or decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future, which are or become applicable to Tenant, Tenant's operations or the Premises.

(e) The provision of this Paragraph shall be in addition to, and shall not diminish in any way, any other provision of this Lease requiring Tenant's compliance with law or Tenant's obligation to defend and indemnify Landlord.

17. Indemnification and Exculpation of Landlord.

Tenant shall indemnify Landlord and save him harmless from and against any and all claims, actions, damages, liability and expenses in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon or at the Premises or the improvements, or the occupancy or use by Tenant of the Premises or improvements or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, employees or servants. In the event Landlord is made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by Landlord in connection therewith.

Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause whatsoever. Without limiting the foregoing, Landlord shall not be liable to Tenant or any other person for any damage caused or contributed to by the condition of the Premises or any failure to repair same, or by the making of any repairs, alterations, or additions thereto; it being expressly acknowledged that Tenant has sole responsibility for repair and maintenance of the Premises. Tenant waives all claims against Landlord for damage to person or property arising for any reason.

18. Insurance. Tenant shall keep in full force and effect during the term of this Lease, Workers' Compensation Insurance covering all employees of Tenant with a waiver of subrogation as to Landlord and public liability and property damage insurance covering all its operations on or related to the Premises. The limits of such public liability and property damage insurance shall not be less than ~~Two Million Dollars~~ <sup>One Million Dollars (\$1,000,000.00)</sup> ~~(\$2,000,000.00)~~ <sup>with a Two Million Dollar (\$2,000,000.00) aggregate.</sup> combined single limit. <sup>CR</sup> <sup>CR</sup> <sup>CR</sup>

policies shall be procured and maintained through an insurance broker and company acceptable to Landlord (which acceptance shall not be unreasonably withheld), shall name Landlord as an additional insured, shall provide for at least thirty (30) days' notice to Landlord in the event of cancellation or termination, and shall contain cross-liability endorsements in substantially the following form:

"The inclusion of more than one corporation, person, organization, firm or entity as insured under this policy shall not in any way affect the rights of any such corporation, person, organization, firm or entity either as respects any claim, demand, suit or judgment made, or brought by, or in favor of any other insured, or by or in favor of any employee of such other insured."

Certified copies of such insurance policies or certificates evidencing such insurance shall at all times be supplied to Landlord. Tenant shall immediately notify Landlord of any lapse, termination or cancellation, actual or contemplated, of such policies. Insurance requirements shall be subject to reasonable revision by Landlord in the event Tenant's activities change to such an extent as to make additional protection necessary.

19. Default. If one or more of the following events shall occur:

(a) Tenant shall default in the payment of rent or in the payment of any sum due and owing by Tenant to Landlord and shall fail to rectify said default within three (3) days after being served with written notice thereof by Landlord;

(b) Tenant shall make an assignment for the benefit of creditors;

(c) Tenant shall file a petition or answer seeking reorganization or arrangement under any laws of the United States relating to bankruptcy or any other applicable statute;

(d) An attachment or execution shall be levied

upon Tenant's property or interest under this Lease, and shall not be satisfied or released within thirty (30) days thereafter unless Tenant protects Landlord by bond or other security acceptable to Landlord;

(e) An involuntary petition in bankruptcy shall be filed against Tenant, or receiver or trustee for all or any part of property of Tenant under this Lease shall be appointed by any court, and such petition shall not be withdrawn, dismissed or discharged, or such receiver or trustee removed, within sixty (60) days from filing or appointment thereof; or

(f) Default shall be made in the performance or observance of any other covenant, agreement, obligation, provisions or condition to be performed or kept by Tenant under the terms and provisions of this Lease and such default shall continue for thirty (30) days after written notice thereof given by Landlord to Tenant; then, and in any or either of such events Landlord may, at its option, terminate this Lease by serving written notice thereof on Tenant, and, with or without process of law, re-enter and take complete possession of the Premises, and with or without process of law remove all persons therefrom, and all right, title and interest of the Tenant, in and to the Premises shall immediately thereupon cease and terminate, and Tenant hereby covenants in such event to peacefully and quietly yield up and surrender said Premises to Landlord, remove from the Premises all Tenant's personal property, and clean up and remove all rubbish and debris, and restore and leave the Premises in an orderly, safe and sanitary condition, all within thirty (30) days after service of such notice, and to execute and deliver to Landlord such instrument(s) as will properly evidence termination of its rights hereunder and its interest herein as shall be required by Landlord. Upon such termination, Landlord may recover from Tenant:

(i) The worth at the time of award of the unpaid rent which had been earned at the time of termination;

(ii) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(iii) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and

(iv) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in subparagraphs (i) and (ii) of this paragraph is computed by allowing interest at the maximum rate an individual is permitted by law to charge. The worth at the time of award of the amount referred to in subparagraph (iii) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Even though Tenant may be in default under this Lease and has abandoned the Premises, Landlord may continue the Lease in effect for so long as Landlord does not terminate the Tenant's right to possession, and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rentals as they become due under the Lease. Landlord shall not be deemed to have terminated this Lease by his acts of maintenance or

preservation or efforts to relet the Premises, the appointment of a receiver on initiation of Landlord to protect its interest under this Lease, or by any action in unlawful detainer, unless Landlord notifies Tenant in writing that he has elected to terminate the Lease, and Tenant further covenants that service by Landlord of any notice pursuant to the unlawful detainer statutes and the surrender of possession by Tenant pursuant to such notice shall not, unless Landlord elects to the contrary in writing at the time of, or at any time subsequent to the service of such notice, be deemed to be a termination of this Lease.

20. Holding Over. Should Tenant hold over or continue in possession of the Premises after the term hereof, with the consent of Landlord thereto, either expressed or implied, such holding over shall be a tenancy from month to month subject to all the terms of this Lease pertaining to the obligations of Tenant, but all options and rights of first refusal, if any, granted to Tenant under the terms of this Lease shall be deemed terminated and be of no further effect during said month to month tenancy. The monthly rental shall be adjusted to month to month rental rate, determined to be not more than One Hundred Twenty Percent (120%) of monthly rent paid for the month prior to expiration of the lease term.

21. Notices. Whenever in this Lease it shall be required that notice or demand be given or served by either party to this Lease, such notice or demand shall be in writing and shall be delivered personally or forwarded by registered or certified mail, postage prepaid, addressed as follows:

To Landlord: CalMat Properties Co.  
12901 Ramona Blvd., Ste E  
Irwindale, CA 91706  
Attn: Property Manager

To Tenant: PICK YOUR PART AUTO WRECKING  
1301 Orangewood Ave. Ste 130  
Anaheim, CA 92805  
Attn: Cindi Galfin, Controller

or elsewhere, as the respective parties hereto may from time to time designate in writing. Any notice given by certified or registered mail shall be deemed to have been given not later than forty-eight (48) hours after having been deposited in the United States mail.

22. Assignment and Subletting. Tenant shall not voluntarily or by operation of law assign, sublet or otherwise encumber (which term without limitation shall include the granting of concessions or licenses) the whole or any part of the Premises. Any assignment, sublease, or encumbrance (which terms are hereinafter collectively designated as a "transfer") made without the prior written consent of Landlord shall be void and of no force and effect. No consent to any transfer shall constitute a further waiver of the provisions of this paragraph.

As a precondition to Landlord's consideration for approval of any proposed transfer, Tenant shall submit to Landlord in writing:

- (a) The name and legal composition of the proposed transferee;
- (b) The proposed transferee's intended use of the Premises, which shall not be other than the specific use authorized by this Lease;
- (c) Such information as to the proposed transferee's financial responsibility, business experience, and standing as Landlord may reasonably require;
- (d) A written consent of the proposed transferee to all the terms and conditions of this Lease and said transferee's consent to the incorporation of the terms and conditions of this Lease into any document of transfer and;
- (e) All of the terms and conditions upon which the proposed transfer is to be made.

No transfer permitted by Landlord shall relieve Tenant of its obligation to pay rent and to perform all of the other obligations to be performed by Tenant hereunder. Before any such transfer permitted by the terms of this Lease become effective for any purpose, transferees must in writing assume all of the obligations of this Lease and agree to be bound by all the terms of this Lease without in any way limiting or relinquishing or discharging the original Tenant from any liability under any provisions of this Lease on account of such transfers. Acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver of this provision or of any provision of this Lease.

In the event of default by any transferee or Tenant or any successor of Tenant, in the performance of any of the terms of this Lease, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against said transferee. Landlord may consent to subsequent transfers of this Lease or amendments or modifications to this Lease with transferees of Tenant without notifying Tenant or any successor of Tenant and without obtaining its or their consent thereto and such action shall not relieve the Tenant or Tenant's successor of liability under this Lease. Notwithstanding any transfer, or any indulgences, waivers or extensions of time granted by Landlord to any transferee, or failure by Landlord to take action against any transferee, Tenant waives notice of any default of any transferee and agrees that Landlord may at its option proceed against Tenant without having taken action against or joined such transferee, except that Tenant shall have the benefit of any indulgences, waivers and extensions of time granted to any such transferee. Landlord's written consent to any transfer by Tenant shall not constitute an acknowledgment that no default then exists under this Lease of the obligations to be performed by Tenant, nor shall such consent

be deemed a waiver of any then existing default.

Tenant immediately and irrevocably assigns to Landlord as security for Tenant's obligations under this Lease, all rent from any transferee, and Landlord as assignee and as attorney-in-fact for Tenant, or a receiver for Tenant appointed on Landlord's application, may collect such rent and apply it toward Tenant's obligations under this Lease; except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to collect such rent.

Ninety percent (90%) of all rent received from its transferee in excess of the rent payable by Tenant to Landlord under this Lease is hereby assigned to Landlord and shall be paid to Landlord by Tenant promptly after receipt.

If Tenant is a corporation, the stock of which is not traded through an exchange or over the counter, any dissolution, merger, consolidation, or other reorganization of Tenant, or the sale or other transfer of a controlling percentage of the capital stock of Tenant, or the sale of more than fifty percent (50%) of the value of the assets of Tenant, shall be deemed a voluntary transfer. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possession more than fifty percent (50%) of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors.

23. Utilities. Tenant shall pay all charges for electricity, light and power, telephone, gas, water and all similar charges which may accrue with respect to the Premises during the term of this Lease. Tenant shall, at its sole cost and expense, have all utilities required for its use brought onto the premises except that Landlord shall have water brought onto the premises and have installed an outdoor water spigot for tenant's use. Tenant shall have any repairs done to the water line at its sole cost and expense.

24. Insolvency of Tenant. This Lease and the interests of Tenant hereunder shall not be subject to garnishment or sale under execution in any suit or proceeding which may be brought against or by Tenant, without the written consent of Landlord.

25. Abandonment. Tenant shall not vacate or abandon the Premises at any time during the term of this Lease and shall not permit the Premises to remain unoccupied except during the making of such repairs or restoration as may become necessary under the provisions hereof.

26. Transfer of Landlord's Interest. In the event of any transfer or transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlord accruing from and after the date of such transfer.

27. Subordination Agreement. Tenant shall, upon Landlord's request, execute an estoppel certificate and any instrument or instruments permitting a mortgage or deed of trust to be placed on the Premises, or any part thereof covered by said mortgage or deed of trust, and subordinating this Lease to said mortgage or deed of trust.

29. Signs. Tenant shall not place nor permit to be placed any sign on the Premises without the prior written approval of Landlord.

30. Interpretation. Time is of the essence of this Lease. Paragraph headings do not limit or add to the provisions of this Lease; on the contrary, they are to be disregarded upon any interpretation thereof. The language in all parts of this Lease shall be in all cases construed according to its fair meaning, and not strictly for or against Landlord or Tenant. If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force

and effect and shall in no way be affected, impaired or invalidated thereby; provided, however, this Lease can be reasonably and equitably continued with the remaining provisions only.

31. Successors and Assigns. This Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto, subject to the provisions herein as to assignment and subletting.

32. Quiet Possession. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses from the other party.

33. Cost of Litigation. If either party is compelled to incur any expenses, including reasonable attorneys' fees, in connection with any action or proceeding instituted by either party by reason of any default or alleged default of the other party hereunder, the party prevailing in such action or proceeding shall be entitled to recover its reasonable expenses from the other party.

34. Relations of Parties. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third person to create the relationship of principal and agent or of partnership or of a joint venture between Landlord and Tenant.

35. Real Estate Brokers; Finders. Each party represents that it has not had dealings with any real estate broker, finder, or other person, with respect to this Lease in any manner. Tenant shall hold Landlord harmless from all damages resulting from any claims that may be asserted against Landlord by any broker, finder, or other person with whom Tenant has or purportedly has dealt.

36. Entire Agreement. This Lease contains the entire agreement of the parties hereto with respect to the matters covered hereby and no other agreement, statement or promises made by any party hereto or to any employee or agent of any party hereto which is not contained herein shall be binding or valid.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first-above written.

NOTICE TO BORROWER:

THIS NOTE CONTAINS PROVISIONS FOR A VARIABLE INTEREST RATE AND REQUIRES A BALLOON PAYMENT AT MATURITY.

---

PROMISSORY NOTE SECURED BY DEED OF TRUST

U.S.\$250,000

Los Angeles, California

March 29, 2002

Borrower's Promise to Pay. FOR VALUE RECEIVED, the undersigned, Hayward Associates, a California general partnership promises to pay to the order of R.E. Accomodation Company, a California corporation, at 4041 McArthur Blvd., Suite 350, Newport Beach, California, 92660-2511, or such other place as Lender from time to time may designate, the principal sum of Two Hundred and Fifty Thousand Dollars (\$250,000), together with interest from the Disbursement Date on unpaid principal and on unpaid interest until paid, in full with principal and interest payable as provided below in lawful money of the United States.

1. Definitions. Capitalized terms in this Note that are not defined when first used have the meanings set forth below:

(a) Amortization Period. The "Amortization Period" shall mean the fifteen (15) year period beginning on the date of this Note.

(b) Announcing Bank. The "Announcing Bank" shall mean BankAmerica Corp.; provided, however, that should BankAmerica Corp. cease to announce a Base Rate, then from and after the date of such cessation the term "Announcing Bank" shall mean the largest commercial bank (in terms of capital and surplus) that has its principal offices in California and that publicly announces a Base Rate. As of the date of this Note, BankAmerica Corp. uses the term "Prime Rate" to identify its Base Rate. Borrower acknowledges that regardless of the term used by the Announcing Bank to identify its Base Rate, the Base Rate is not necessarily the lowest rate of interest charged by the Announcing Bank on short-term unsecured commercial loans.

(c) Base Rate. The "Base Rate" shall be the annual rate of interest from time to time publicly announced or reported by the Announcing Bank as the rate used as a reference or base to establish the actual interest rates charged on short-term unsecured commercial loans made by the Announcing Bank. If the Announcing Bank announces more than one such reference or base rate, then the Base Rate shall be the highest of such rates.

(d) Borrower. "Borrower" includes the undersigned maker of this Note and any other person or entity that may acquire any interest in the real property described in the Deed of Trust.

(e) Business Day. "Business Day" shall mean any day on which banks, savings and loan associations, savings banks, or other financial institutions are generally open for regular banking business in the state in which this Note is payable.

(f) Deed of Trust. The "Deed of Trust" is the Deed of Trust With Assignment of Rents (Long Form) dated the same date as this Note which constitutes a lien on certain real property located at 9228 Tujunga Avenue, Sun Valley, California, and more particularly described in the Deed of Trust (the "Property").

(g) Disbursement Date. The "Disbursement Date" is the first date of this Note.

(h) Interest Rate. The "Interest Rate" in effect on any day shall be the rate, expressed as a percent per annum, which is the sum of (a) three percent (3%) per annum plus (b) the Base Rate expressed as a percent per annum; provided, however, that if collection from Borrower of interest at such rate would be contrary to applicable law, then the Interest Rate in effect on any day shall be the highest rate which may be collected from Borrower under applicable law.

(i) Lender. The "Lender" is R.E. Accommodation, a California corporation or, if R.E. Accommodation, a California corporation transfers this Note, any future holder of this Note.

(j) Loan Documents. The "Loan Documents" are this Note, the Deed of Trust, and any and all other instruments, certificates, agreements, guarantees and other documents executed by or at the direction or request of Borrower in connection with the loan evidenced by this Note.

(k) Maturity Date. The "Maturity Date" is April 1, 2007.

(l) Rate Adjustment Date. The "Rate Adjustment Date" shall be April 1, 2003, and each succeeding April 1.

2. Payment of Principal and Interest. Principal and interest shall be payable in accordance with the following provisions:

2.1. Interest Rate. Subject to paragraph 7 below, the unpaid principal balance of this Note and any interest not paid when due shall bear interest at the Interest Rate. The initial Interest Rate shall be established as of the Disbursement Date based on the Base Rate in effect on the Disbursement Date. Changes in the Interest Rate shall take effect on each Rate Adjustment Date.

2.2. Payment of Interest - Partial Month. On the Disbursement Date, Borrower shall make a payment of all interest to accrue hereon from the Disbursement Date to and including the last day of the month during which the Disbursement Date occurs.

2.3. Monthly Payments of Principal and Interest. On the first day of each calendar month, commencing on the first day of the second calendar month following the Disbursement Date and continuing on the first day of each calendar month thereafter to and including the first Rate Adjustment Date, Borrower shall make a monthly payment of \$2,353.19. On the first day of the first calendar month following the first Rate Adjustment Date and on the first day of each calendar month thereafter to the Maturity Date, a monthly payment of principal and interest, determined in accordance with this paragraph, shall be due and payable. On the first Rate Adjustment Date and on each succeeding Rate Adjustment Date thereafter until this Note is paid in full, the monthly payment shall be adjusted to that amount which would be sufficient to amortize the then-remaining principal balance hereon at the Interest Rate (as adjusted on said Rate Adjustment Date) over the balance of the Amortization Period. The monthly payment, as so adjusted on a Rate

Adjustment Date, shall be due and payable beginning with the first monthly payment due after said Rate Adjustment Date and continuing on the first day of each calendar month thereafter to and including the next succeeding Rate Adjustment Date. In the event the monthly payment is subject to change on any Rate Adjustment Date, as a courtesy to Borrower, Lender shall deliver to Borrower a notice specifying the adjusted monthly payment payable hereunder as of the Rate Adjustment Date; provided however, if Lender fails to give such notice prior to any Rate Adjustment Date, Borrower hereby agrees that it shall continue to make monthly payments in an amount equal to the monthly payments made prior to the Rate Adjustment Date, and within five (5) days of Lender's deliver of such notice to Borrower, Borrower shall pay to Lender the difference, if any, between the monthly payments payable commencing on the Rate Adjustment Date as set forth in the Lender's notice and the actual monthly payments made by Borrower for the period from the Rate Adjustment Date through and including the date of Lender's notice.

2.4. Payment at Maturity. The entire unpaid principal balance of this Note and all accrued but unpaid interest under this Note shall be due and payable on the Maturity Date.

2.5. Calculation of Interest. Interest payable with respect to any full calendar month shall be calculated on the assumption that such month is a 30-day month in a 360-day year. Interest payable with respect to any period that is less than a full calendar month shall be calculated according to the actual number of days in such period as a fraction of a 360-day year. Interest not paid when due (without giving effect to any grace or notice period or cure right contained herein or in any other Loan Document) shall accrue like interest as principal and shall be immediately payable.

3. Application of Payments. Except to the extent otherwise required by law or by the express terms of any other Loan Document, Lender shall apply and credit funds received by Lender pursuant to this Note or any other Loan Document in such manner and order of priority as Lender shall determine in Lender's sole discretion; provided, however, that in the absence of any contrary determination by Lender, such funds shall be applied and credited (a) first, to pay, or reimburse Lender for amounts advanced by Lender (other than principal of the loan evidenced by this Note) pursuant to any provision of the Loan Documents (including without limitation those costs and expenses described in paragraph 9), (b) second, to fund any deposits that Borrower may be required by the terms of any Loan Document to make with Lender, including any such deposits to be used to pay the cost of repairing or constructing any improvements, insurance premiums, property taxes and assessments and utility charges, (c) third, to pay any late payment charges due under this Note or any other Loan Document, (d) fourth, to pay any other sums due under the Loan Documents, excluding interest earned or accrued under this Note and principal, (e) fifth, to pay any interest earned or accrued under this Note and (f) sixth, to pay principal outstanding under this Note.

4. Prepayment. This Note may be prepaid in whole or in part at any time without penalty or premium. Concurrently with any prepayment of principal, Borrower shall notify Lender in writing that Borrower is making a prepayment in an amount specified in such written notice.

5. Security; Acceleration upon Certain Transfers. Repayment of this Note is secured by the Deed of Trust. The Deed of Trust contains a provision, commonly referred to as a "due on sale" clause, that provides as follows: "That if Trustor shall sell, convey or alienate said property, or any part thereof, or any interest therein, or shall be divested of his title or any interest therein in any manner or way, whether voluntarily or involuntarily, without the written consent of the beneficiary being first had and obtained, Beneficiary shall have the right, at its option, except as prohibited by law, to declare any indebtedness or obligations secured hereby, irrespective of the maturity date specified in any note evidencing the same, immediately due and payable."

6. Default. If any payment under this Note (whether of principal or interest or both) is not paid within fifteen (15) days after the date on which the payment is due (irrespective of whether Borrower has received any notice of such nonpayment) or if any covenant or obligation made or undertaken for the benefit of Lender in any other Loan Document is not fully performed within the time required by the terms of such Loan Document, then Borrower shall be in default hereunder and Lender may elect, without any further notice or demand to Borrower, to declare all principal and accrued but unpaid interest under this Note immediately due and payable. Any failure of Lender to make such election following a default or defaults shall not constitute a waiver of Lender's right to make the election in the event of any subsequent default. Notwithstanding any provision in this Note to the contrary, from and after any default by Borrower under this Note or any other Loan Document, any principal, accrued interest, late payment charges and other amounts payable under this Note or any other Loan Document shall bear interest, compounded monthly, at the rate of the sum of five percent (5%) per annum plus the Interest Rate then in effect; provided, however, that if collection from Borrower of interest at such rate would be contrary to applicable law, then such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law.

7. Late Payment Charge. If any payment under this Note (whether of principal or interest or both and including the payment due on the Maturity Date or upon any acceleration of this Note) is not paid within five (5) days after the date on which the payment is due, Borrower shall pay to Lender in addition to the delinquent payment and without any requirement of notice or demand by Lender except as may be imposed by law a late payment charge equal to five percent (5%) of the amount of the delinquent payment. Borrower expressly acknowledges and agrees that the foregoing late payment charge provision is reasonable under the circumstances existing on the date of this Note, that it would be extremely difficult and impractical to fix Lender's actual damages arising out of any late payment and that the foregoing late payment charge shall be presumed to be the actual amount of such damages incurred by Lender. No provision in this Note (including the provisions for a late payment charge and for additional interest on any amounts remaining unpaid after the Maturity Date) shall be construed as in any way excusing Borrower from its obligation to make each payment under this Note promptly when due.

8. Costs of Collection and Enforcement. Borrower and all endorsers jointly and severally promise to pay (a) all attorneys' fees and other costs and expenses of any nature incurred by Lender in connection with this Note or the enforcement of Lender's rights and remedies under the Loan Documents, including attorneys' fees incurred by Lender for legal advice concerning Lender's rights and remedies (whether or not a default in fact occurs and whether or not any remedies are in fact exercised); (b) all attorneys' fees, as determined by the court, and all other costs, expenses and fees incurred by Lender in connection with any suit or proceeding instituted to collect this Note or to enforce Lender's rights and remedies under the Loan Documents, whether or not such suit or proceeding is prosecuted to judgment or conclusion; (c) all attorneys' fees and other costs and expenses incurred by Lender in connection with any bankruptcy, insolvency or reorganization proceeding or receivership involving Borrower or any affiliate of Borrower, including any guarantor, and including all attorneys' fees incurred in making any appearances in any such proceeding or in seeking relief from any stay or injunction issued in or arising out of any such proceeding; and (d) all attorneys' fees and other costs and expenses incurred in any appellate proceedings and any post-judgment proceedings to collect or enforce the judgment.

9. Offsets. No indebtedness evidenced by this Note shall be deemed to have been offset or shall be offset or compensated by all or part of any claim, cause of action, counterclaim or cross-claim, whether liquidated or unliquidated, which Borrower now or hereafter may have or may claim to have against Lender. Furthermore, in respect to the present indebtedness of, or any future indebtedness incurred by, Borrower to Lender, Borrower waives, to the fullest

extent permitted by law, the benefits of any applicable law, regulation, or procedure which substantially provides that, where cross-demands for money have existed between persons at any point in time when neither demand was barred by the applicable statute of limitations, and an action is thereafter commenced by one such person, the other may assert in his answer the defense of payment in that the two demands are compensated so far as they equal each other, notwithstanding that an independent action asserting the claim would at the time of filing the answer be barred by the applicable statute of limitations.

10. Certain Waivers. Borrower and all endorsers jointly and severally waive diligence, grace, demand, presentment for payment, exhibition of this Note, protest, notice of protest, notice of dishonor, notice of demand, notice of nonpayment, and any and all exemption rights against the indebtedness evidenced by this Note, and agree to any and all extensions or renewals from time to time without notice and to any partial payments of this Note made before or after maturity and that no such extension, renewal or partial payment shall release any one or all of them from the obligation of payment of this Note or any installment of this Note, and consent to offsets of any sums owed to any one or all of them by Lender at any time.

11. Notices. The provisions of the Deed of Trust concerning the giving and receipt of notices shall apply to any notice or other communication given under this Note.

12. Obligations Joint and Several. If Borrower consists of more than one person or entity, each shall be jointly and severally liable for the performance of each of the obligations of Borrower to Lender hereunder.

13. Construction of Note. Captions in this Note are included solely for convenience and are not to be referred to in construing or interpreting this Note. Each reference in this Note to a particular paragraph is a reference to a paragraph of this Note unless otherwise expressly indicated. The terms "include," "includes" and "including" are not used in any limiting sense, but rather by way of example or illustration. If any portion of this Note is declared invalid, illegal or unenforceable by any court of competent jurisdiction, such portion shall be deemed severed from this Note and the remaining portions shall continue in full force and effect. Time is strictly of the essence of each and every provision of this Note. This Note shall be governed by and interpreted and enforced under the laws of the United States and the regulations, rules, orders, requirements and policies of any federal departments, offices, bureaus, boards and other agencies, instrumentalities and authorities that have jurisdiction over Lender or this Note to the extent that Lender or this Note is subject to or governed by such federal laws, regulations, rules, orders, requirements and policies. Except as provided in the preceding sentence, this Note shall be governed by and interpreted and enforced under the laws of the State of California.

14. Payment on Business Days. If any payment to be made hereunder or under the other Loan Documents shall become due on a day other than a Business Day, such payment shall be made on the Business Day next following the day on which such payment would otherwise have been due.

15. Waiver of Jury Trial. BORROWER HEREBY WAIVES ANY AND ALL RIGHTS TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING IN CONNECTION WITH THE ENFORCEMENT OF THIS NOTE, THE DEED OF TRUST OR ANY OTHER LOAN DOCUMENT OR WHICH IN ANY WAY ARISES OUT OF OR RELATES TO ANY OF THE FOREGOING.

1                   SECOND: That said Plan of Reorganization and said  
2 order dated and entered March 15, 1944, each makes provision,  
3 among other things, for amendment of the certificate of incor-  
4 poration of said Consolidated Rock Products Co. (1) to elimi-  
5 nate all present preferred stock and all present common stock  
6 and to authorize 3,197,205.49 shares of new stock, all of suc-  
7 stock to be of one class and to be of the par value of \$1.00  
8 per share; and (2) to include provisions prohibiting said

10 provisions with respect to the making, not less than once  
11 annually, of periodic reports to security holders which shall  
12 include profit and loss statements and balance sheets prepared  
13 in accordance with sound business and accounting practice, and  
14 provisions entitling the holders of the new stock to cumulate  
15 their votes at any election for directors, in the manner pro-  
16 vided by the Civil Code of the State of California with refer-  
17 ence to stockholders of California corporations.

18                   THIRD: That said order dated and entered March 15,  
19 1944, provided that to effect said amendment the undersigned  
20 officers of said Consolidated Rock Products Co. were authorized  
21 to prepare, execute and file a certificate of amendment of said

6 be issued by the corporation is 3,197,205.49, all of  
7 which shares shall be of one class and shall be of  
8 the par value of \$1.00 per share. Such shares con-  
9 stitute the "new stock" referred to in that certain  
10 Plan of Reorganization for the corporation confirmed  
11 by order of the District Court of the United States  
12 for the Southern District of California, Central  
13 Division, dated and entered March 15, 1944. As  
14 provided in said order such shares, when issued pur-

20 entitled to cumulate their votes at any election for  
21 directors in the following manner, namely, each share-

9 have no par value at a price to be fixed by the board  
10 of directors, which price shall not be greater than  
11 the price at which such stock is offered or proposed  
12 to be offered to persons other than stockholders, su-  
13 ject to such regulations and adjustments as the direc-  
14 tors may from time to time determine upon with a view  
15 to avoiding the allotment of fractions of shares.

16 The corporation shall make, not less than once  
17 annually, periodic reports to its security holders,  
18 which reports shall include profit and loss statements  
19 and balance sheets prepared in accordance with sound

### ARTICLE IV

#### MANNER AND BASIS OF CONVERTING SHARES

##### 4.1 Conversion of CPC Common Stock.

At the Effective Time, subject to Section 4.4 hereof, each share of CPC Common Stock then issued and outstanding, and all rights with respect thereto, shall, by virtue of the Merger and without any action on the part of the holder thereof, be converted into, and from and after Effective Time shall represent only, one issued and outstanding share of CalMat Common Stock.

##### 4.2 Conversion of Merger Sub Common Stock.

At the Effective Time, each share of Merger Sub Common Stock then issued and outstanding, and all rights with respect thereto, shall, by virtue of the Merger and without any action on the part of the holder thereof, be converted into, and from and after the Effective Time shall represent only, one issued and outstanding share of CPC Common Stock. Except to the extent provided to the contrary by applicable California law for any outstanding "dissenting shares" as described in Section 4.4 hereof, such shares shall be the sole outstanding shares of capital stock of the Surviving Corporation.

##### 4.3 CPC Stock Options.

(a) At the Effective Time, by operation of this Agreement of Merger each outstanding and unexpired option (a "CPC Option") under the Key Employee Stock Option Plan of CPC (the "CPC Option Plan") shall automatically, without any action on the part of the holder thereof or on the part of CalMat become and be converted into an option (a "CalMat Option") to purchase a number of shares of CalMat Common Stock equal to the number of shares of CPC Common Stock that are subject to the CPC Option at a price per share equal to the price per share of CPC Common Stock in effect under the CPC Option at the Effective Time.

(b) All CalMat Options created pursuant to this Section 4.3 shall be subject to the same terms and conditions as the CPC Options they replace. The date of grant of the substituted CalMat Option shall be the date on which the corresponding CPC Option was granted. At the Effective Time, all references to CPC in the CPC Options shall be deemed to mean CalMat, and CalMat shall assume all of CPC's obligations with respect to the CPC Options, as so amended.

#### 4.4 Dissenting Shares.

The provisions of Section 4.1 hereof shall not apply to any shares of CPC Common Stock which shall constitute "dissenting shares" within the meaning of Section 1300(b) of the General Corporation Law of the State of California ("Dissenting Shares"), it being intended that any holder of such shares shall have the rights given to him under Chapter 13 of the General Corporation Law of the State of California.

### ARTICLE V

#### RIGHTS AND DUTIES OF SURVIVING CORPORATION

5.1 At the Effective Time and for all purposes the separate existence of Merger Sub shall cease and Merger Sub shall be merged with and into CPC which, as the Surviving Corporation, shall thereupon and thereafter possess all the rights, privileges, immunities, licenses and franchises (whether of a public or private nature) of each of the Constituent Corporations; and all property (real, personal and mixed), all debts due on whatever account, all choses in action, and all and every other interest of or belonging to or due to each of the Constituent Corporations shall continue and be taken and deemed to be transferred to and vested in the Surviving Corporation without further act or deed; and the title to any real estate, or any interest therein, vested in either of the Constituent Corporations shall not revert or be in any way impaired by reason of such Merger; and the Surviving Corporation shall thenceforth be responsible and liable for all the liabilities and obligations of each of the Constituent Corporations; and, to the extent permitted by law, any claim existing, or action or proceeding pending, by or against either of the Constituent Corporations may be prosecuted as if the Merger had not taken place, or the Surviving Corporation may be substituted in the place of such corporation. Neither the rights of creditors nor any liens upon the property of either of the Constituent Corporations shall be impaired by the Merger. If at any time the Surviving Corporation shall consider or be advised that any further assignment or assurances in law or any things are necessary or desirable to vest the title of any property or rights of the Constituent Corporations in the Surviving Corporation according to the terms hereof, its officers and directors of the Surviving Corporation are empowered to execute and make all such proper assignments and assurances and do all things necessary or proper to vest title in such property or rights in the Surviving Corporation, and otherwise to carry out the purposes of this Agreement of Merger.

### ARTICLE VI
